

Chapter 781 Birth Mystery (1)

“Young Miss, Clan Master specially sought these spirit pills for you. Please consume it on time.” The housekeeper placed a heap of bottles of elixirs and spirit pills before the Blood Moon Elder.

“I got it.” The Blood Moon Elder leaned against his chair and waved his hand perfunctorily.

“There’s one more thing.”

“Speak,” the Blood Moon Elder said impatiently.

“That Young Sir Ye is looking for you. He is waiting in the hall right now,” the housekeeper said.

The Blood Moon Elder frowned slightly. “What Young Sir Ye? Tell him to go back to wherever he came from. I have no time to meet him.”

The Ouyang family clan was good in all aspects, except for the fact that there was quite a number of Ouyang Qian’s admirers who came to court her favor. Just looking at the faces of those who boasted to be distinguished and talented, the Blood Moon Elder was close to vomiting.

The housekeeper immediately received the orders and was about to leave.

However...

A streak of light shot through his head, and he stood up from the chair at lightning speed.

“Which Young Sir did you say just now?”

“Young Sir Ye. The Young Sir Ye who sent you back,” the housekeeper said innocently.

The Blood Moon Elder finally took the situation in and ordered hurriedly, “Go. Quickly invite him here.”

If Holy Lady knew that he almost ordered people to chase her away, wouldn’t he be screwed?

The housekeeper was already accustomed to his Young Miss’s temperament and invited Ye Qingtang in without thinking much about it.

Once the housekeeper left, the Blood Moon Elder hurriedly bowed to Ye Qingtang. “I was unaware of Holy Lady’s arrival. Please pardon me for not receiving you earlier.”

Ye Qingtang looked at the slightly plump Blood Moon Elder and waved a hand. “Alright. I’m here to ask you something. Don’t bother with these.”

Before she headed to the Bliss Forging Workshop, she decided to ask the Blood Moon Elder about the situation over here.

“Noted. Why are you looking for me today, Holy Lady?” The Blood Moon Elder asked with a grin.

“I wanted you to help me find out about the jade pendant the other time. How’s your investigation?” Ye Qingtang asked.

Upon mentioning the jade pendant, the Blood Moon Elder’s expression turned serious.

“Regarding the jade pendant, I’ve already found out some information about it.”

“Tell me about it,” Ye Qingtang said.

“That jade pendant is indeed related to the royal family of the Nine Nights Dynasty. It’s said that over ten years ago, a lady suddenly appeared beside the former Emperor of Nine Nights Dynasty. That lady possessed remarkable abilities and assisted the former Emperor to secure his position as the Emperor in just a few months. That lady wore this jade pendant back then. However, after the former Emperor’s position was stabilized, that lady disappeared suddenly, and there’s no more news of her from then on. Rumors have it that the lady was already pregnant when she appeared.” The Blood Moon Elder explained in full detail.

Ye Qingtang frowned slightly.

“More than ten years ago...”

Calculating the time, the time when that lady was pregnant coincided with the time of her birth.

That jade pendant was subsequently found on her and brought back together with her foster father.

Could that lady be her mother?

Ye Qingtang’s thoughts were complicated.

“Have you found out that lady’s identity? Where is she now?” Ye Qingtang asked.

The Blood Moon Elder replied. “The number of the royal family’s secrets that the Ouyang family clan can access is already considered many, but it details very little about that lady. I only know that the lady was extremely skilled and was at the Yin Yang Perfected Lord state. The martial skills that she knew were very odd and completely unlike what ordinary people knew...”

Chapter 782 Birth Mystery (2)

As the Blood Moon Elder spoke, he seemed to recall something suddenly and retrieved a brocade box from a shelf aside. It contained a monotype with some words.

“This is an inscription that the lady engraved when she was still in the Nine Nights Dynasty. No one can understand the inscription at all. After that lady left, the former Emperor secretly made copies of that inscription for the Ouyang family clan’s elders to help to grasp its meaning. Take a look, Holy Lady.”

Ye Qingtang looked at the item in detail.

When she took a glance, her eyes were focused on the three words “Forgotten River Cliff” on the inscription.

“Forgotten River Cliff...” Surprise flashed across Ye Qingtang’s eyes.

“Holy Lady, you know about the Forgotten River Cliff? I lived for a thousand years but have never heard about this place.” The Blood Moon Elder saw the words as well, but he completely had no idea what that place was. Apart from “Forgotten River Cliff”, there was nothing else he could understand from the inscription.

“Have you left this mainland before?” Ye Qingtang asked.

The Blood Moon Elder shook his head immediately.

“It would be creepy if you knew then.” Ye Qingtang looked at the Blood Moon Elder and said. “This Forgotten River Cliff is at another mainland.”

“Huh?” The Blood Moon Elder was completely stupefied.

Ye Qingtang had been to the Forgotten River Cliff in her previous life; it was in another mainland and within the Central Dynasty’s boundary.

If one had not been to that mainland, it was simply impossible for them to know about the Forgotten River Cliff.

Ye Qingtang frowned lightly. As she thought of how the mysterious lady had powerful skills and odd martial skills, a thought suddenly occupied her mind.

Even if mighty figures from other mainlands came to this mainland, their skills would be suppressed to the Yin Yang Perfected Lord state.

“Could she... be from the Central Dynasty?” Ye Qingtang was in deep thought as she looked at the words “Forgotten River Cliff” on the inscription.

If there was no accident, that mysterious lady was her birth mother.

Ye Qingtang never thought that her mother would actually not be from this mainland.

She originally thought that she would get to the bottom of the mystery of her birth after coming to the Nine Nights Dynasty.

Yet, unexpectedly...

It was actually such a huge puzzle.

Ye Qingtang took a deep breath. The confusion in her heart increased.

This mainland was already isolated, and it was simply impossible for outsiders to enter. How did her mother arrive on this mainland then? Why did she come here when she was pregnant and then disappear suddenly? Why did she leave the infant her behind?

Was her mother still in this mainland or had she already left?

The more Ye Qingtang thought, the more she could not figure out everything.

There was a possibility of resolving all these secrets only by entering the mainland where the Central Dynasty was.

Then, Ye Qingtang suppressed all the complicated and confusing thoughts.

Now was not the time for her to think about these.

“You did very well for this matter. If you find out any more news about that lady in the future, notify me immediately.”

“Rest assured, Holy Lady. I will definitely do my best. Holy Lady... that lady and you...” The Blood Moon Elder spoke a little hesitantly.

“She should be my mother,” Ye Qingtang said with a soft sigh.

The Blood Moon Elder nodded.

However, Ye Qingtang did not notice that their conversation had fallen into the ears of the silver wolf from aside. Its eyes glanced at Ye Qingtang’s deeply-frowned eyebrows, and a strange expression flashed across his eyes.

Chapter 783 Birth Mystery (3)

“Do you have any other things, Holy Lady?” The Blood Moon Elder asked.

“No. I still have to make a trip to the Bliss Forging Workshop.” Ye Qingtang replied.

“I’ll send you there then.” The Blood Moon Elder beamed.

Ye Qingtang did not say anything and directly left the Ouyang family clan with the Blood Moon Elder.

The Ouyang family clan’s housekeeper felt very complicated when he saw the “blooming spring” expression on his Young Miss’ face as she left the residence with the beautiful young man

Their Young Miss rejected many handsome and talented young men in the monarch city but was so solicitous to this fellow.

It can’t be that she really took a fancy on him and wants to marry him, can it?

Ye Qingtang and the Blood Moon Elder walked towards the Bliss Forging Workshop, but before long, they saw a grand troop in black moving past them.

The group of fully-armed soldiers was transporting a middle-aged man who was locked in a cage and parading ostentatiously about the town. The leader of the troop was the premier’s son, Qin Chen.

On a tall horse, Qin Chen swept his eyes across the crowd and suddenly caught sight of “Ouyang Qian”.

In this half a month, Qin Chen went to the Ouyang family clan several times to visit “Ouyang Qian” but was denied entrance.

The presents he brought over were accepted by “Ouyang Qian”, but he did not even manage to see her.

Then, Qin Chen ordered the troops to stop, and he hurried to “Ouyang Qian” directly.

“Qian.”

Hearing this call out of a sudden, the Blood Moon Elder, who was walking with Ye Qingtang, had goosebumps all over. He looked up and saw Qin Chen blocking his way with a face full of smiles.

“What?” The Blood Moon Elder looked at Qin Chen with a foul expression.

“Qian, what happened to you these days? Why are you always unwilling to meet me? If I wasn’t transporting the City Lord of Fuling City today, I would not meet you by coincidence.” Qin Chen was completely unbothered by the Blood Moon Elder’s dissatisfaction and stayed on shamelessly. The Blood

Moon Elder was about to chase him away, but he suddenly heard the words “City Lord of Fuling City”. His eyes flickered, and he immediately looked at the middle-aged man in the jail wagon.

“City Lord of Fuling City? This person you’re transporting is Qu Xiangyang?”

“Yes,” Qin Chen said with a smile.

Then, the Blood Moon Elder turned around hurriedly and whispered to Ye Qingtang.

“Holy Lady, this Qu Xiangyan is that mysterious lady’s guard. He followed that lady for quite some time. Perhaps, he knows where that lady went.”

Ye Qingtang looked up at the resolute-looking Qu Xiangyang, who was detained in the jail wagon.

Qin Chen only noticed the Blood Moon Elder just now and did not see anyone else. Now that he saw the Blood Moon Elder whispering to the young man beside him all of a sudden, a trace of malice passed his eyes.

But when he saw the face of that young man, he was slightly stupefied.

A few days ago, the Dragon-Tiger General whined to his father that his son was killed. He mentioned that the murderer was a half-step Yin Yang Perfected Lord and sent that person’s portrait over afterward.

The person on that portrait was the beautiful young man who sent the Blood Moon Elder back to the Ouyang family clan that day!

His father ordered him to search for this person and find out whether there was a chance to rope him in, but Qin Chen did not see this person after several days of searching

Yet, unexpectedly...

He actually met the person here today.

Chapter 784 Uninterested (1)

“It’s Young Sir Ye. I didn’t think that I would meet you here today,” Qin Chen said generously with a smile.

“I didn’t have a chance to talk to you the other time we met. What a coincidence today. How about having a drink with me?” Qin Chen asked.

The Blood Moon Elder looked at Qin Chen unbelievably.

If he remembered correctly, Qin Chen was not so polite when he saw Ye Qingtang the other time. Why was he so solicitous today?

Ye Qingtang looked at Qin Chen and said, “What crime did Qu Xiangyang commit?”

This person very likely knew her mother’s whereabouts.

Qin Chen smiled. "Qu Xiangyang is the City Lord of Fuling City but abused his power to seek personal gains and was disrespectful to the Emperor. These are capital offenses." Qin Chen's voice was not soft, and Qu Xiangyang, who was able to hear it from the jail wagon, scoffed.

"Abused my power to seek personal gains? Fuling City is remote and barren. I served the royal family in the monarch city back then and personally requested to be sent to Fuling City. If I wanted to abuse my power to seek personal gains, would I have gone to that place?"

Qin Chen cast a cold glance at Qu Xiangyang and said, "Since you're being punished, it naturally means you have committed a crime."

"If you are out to condemn someone, you can always trump up a charge. In this Nine Nights Dynasty, is it a crime if one doesn't obey your Qin family clan's orders? Is it a crime if one does not respect your father? Haha..." Qu Xiangyang cackled sarcastically.

The surrounding citizens felt indignant but did not dare to speak out. Qu Xiangyang had a good reputation in Nine Nights Dynasty: he was upright, outspoken, impartial, and could be said to be a rare, good official. But so what if he was good?

Currently, the young Emperor was blinded by the Qin family, and the Qin family held all power.

All it needed was a sentence from Qin Long if he wanted to kill Qu Xiangyang.

"Qu Xiangyang, the Emperor has already sentenced you to death. It is useless no matter how you struggle." Qin Chen scorned, completely unbothered that Qu Xiangyang publicly exposed the Qin family of wielding all power.

He looked at Ye Qingtang from the corner of his eyes discreetly.

His arrogance was also to display to Ye Qingtang the Qin family's position in the Nine Nights Dynasty.

If he could rope in a half-step Yin Yang Perfected Lord, it would naturally double the might of the Qin family.

"Young Sir Ye, there's no need to listen to a criminal's nonsense. Seeing that we met today, how about having a drink together?" Qin Chen brought the topic back.

As Ye Qingtang looked at Qin Chen's favorable manner, she understood what he wanted.

"I like people who get straight to the point."

Qin Chen chuckled. "Young Sir Ye is indeed a direct person."

"Truth to be told, my father and I have heard about your actions in the black market that day. We know that you aren't an ordinary person and that your skills are deeply admired. If you're willing to, my Qin family clan would be very pleased to befriend you."

"You want to befriend me?" Ye Qingtang said indifferently.

"Yes." Qin Chen continued without concealing anything. "In Nine Nights Dynasty, there is no one above the Qin family other than the Emperor. If Young Sir Ye is willing, we can provide you everything you need in Nine Nights Dynasty, and you just need to be an associate of the Qin family."

"I believe that you will not find an even more suitable friend than the Qin family in Nine Nights Dynasty." Qin Chen looked at Ye Qingtang meaningfully.

Any cultivator who wanted to advance in skills required sufficient conditions for cultivation, and the Qin family could completely prepare all of these for Ye Qingtang

Chapter 785 Uninterested (2)

It was rare for Qin Chen to show favor to someone in the Nine Nights Dynasty.

Upon seeing Qin Chen's behavior, the citizens in the surrounding were increasingly curious of Ye Qingtang's identity.

What exactly was this pretty young man's skills for the premier's son to be so courteous to?

Qu Xiangyang laughed coldly as he watched the scene before him.

"Birds of a feather."

Qu Xiangyang shot a look at Qu Xiangyang and said coldly, "You're a criminal and don't have a right to speak. Do I need to pluck out your tongue first for you to shut up?"

Qu Xiangyang narrowed his eyes. "You all fooled the new Emperor and brought disaster to the state's affairs. Why can't I say! If my lord were still here, she would never allow you treacherous officials to rebel!"

"Ha! Your lord? That woman you're talking about is already dead somewhere. It is simply ridiculous for a pregnant lady to parade about ostentatiously and interfere with the state affairs. Only useless trash like you would still be thinking of that missing woman." Qin Chen snickered.

"I'll order someone to cut your tongue right now. I want to see whether your shameless lord will come and rescue you." He continued.

Afterward, Qin Chen looked at a guard beside him.

Those guards immediately unsheathed their swords, walked straight to the jail wagon, and raised their hands, wanting to cut Qu Xiangyang's tongue.

"Heaven has eyes. It will definitely not let Nine Nights Dynasty become a toy in the hands of someone like you all. Even if I die, I still want to see your Qin family's downfall from the underworld!" Qu Xiangyang bore the hopeless situation as he looked up at the sky with a straight face.

Qin Chen ordered coldly. "Cut his tongue immediately."

A few guards opened Qu Xiangyang's mouth and pulled his tongue out while another guard waved a sword down!

But right before the sword landed, a figure suddenly flashed by Qin Chen.

It rushed to the jail wagon as fast as a bolt of lightning

In just an instant, an extremely overbearing aura exploded from the jail wagon, and the guards beside it were hurled away!

In the next second, Ye Qingtang stood on the jail wagon steadily.

“Young Sir Ye? What are you doing?!” Qin Chen looked at Ye Qingtang in disbelief. His eyes were flooded with shock.

Ye Qingtang looked at Qin Chen coldly.

“Qin Chen, I’ll give you my reply right now. Making friends with your Qin family? I’m uninterested.”

The moment Ye Qingtang finished speaking, she stamped on the top of the jail wagon abruptly with a foot, and the indestructible jail wagon was broken into pieces the moment her foot landed!

Qu Xiangyang’s face was filled with surprise as he looked at Ye Qingtang, who suddenly rescued him.

Ye Qingtang lifted a hand and broke the thick metal chains around Qu Xiangyang.

“Young Sir, you are...” Qu Xiangyang found it hard to believe that he actually regained freedom.

Ye Qingtang replied. “Since you’ve followed your lord, don’t throw her face. It is too filthy to die in the hands of this kind of person.”

Ye Qingtang originally did not intend to be nosy, but Qu Xiangyang once served her mother.

Qin Chen was dumbfounded and did not know how he offended Ye Qingtang.

Only the Blood Moon Elder from aside was well aware. Looking at the appalled Qin Chen, the Blood Moon Elder had already viewed him as a dead person.

He had seen people who did not want their lives anymore, but not one who was so hurried to court death.

He called Holy Lady’s mother a shameless woman?

And even wanted to kill her mother’s subordinate?

Chapter 786 Uninterested (3)

“Young Sir Ye, what exactly do you mean by that?” Qin Chen returned to his senses and asked with slit eyes.

“I want this person,” Ye Qingtang said calmly. Although she was not one hundred percent sure that that mysterious lady was her mother, it should not be wrong according to the clues she had currently.

Qu Xiangyang was very likely someone who could verify this and know the whereabouts of that lady.

“Young Sir Ye, the Qin family respects you for your skills, but Qu Xiangyang was personally ordered to be beheaded by the Emperor. If you want to save him, aren’t you becoming enemy with the entire Nine Nights Dynasty?” Qin Chen said coldly.

“Is it the Emperor who wants to behead me or your father Qin Long? The handwriting on the imperial decree that ordered me to the monarch city is clearly your father’s! It’s your Qin family who deceived the Emperor and passed a false imperial decree to eradicate a dissident!” Qu Xiangyang originally admitted his fate, but with a thread of survival now, he would not let it go.

Qin Chen's eyes sharpened. If he really allowed Ye Qingtang to rescue Qu Xiangyang, what face would the Qin family have in Nine Nights Dynasty in the future?

Then, Qin Chen secretly sent a guard to relay the news to the premier's residence while he led the troops to encircle Ye Qingtang and Qu Xiangyang.

"Young Sir Ye, as long as you don't interfere with this matter today, I will not fuss about it." Qin Chen warned for the last time.

Yet, Ye Qingtang's face remained emotionless.

A trace of malice flashed across Qin Chen's eyes, and he shouted immediately. "Men, capture these two people!"

In just a moment, the surrounding guards rushed in like a swarm of bees.

Qin Chen brought hundreds of guards in this trip, and a group of black-clothed people lunged at Ye Qingtang and Qu Xiangyang. Ye Qingtang glanced at the guards who charged at her and drew out her sword. The moment it was unsheathed, a cold gleam swept across the crowd all of a sudden!

There was no one who could block the cold gleam wherever it passed, and those guards who charged forward were flung away by Ye Qingtang's sword aura.

In just the blink of an eye, several square meters around Ye Qingtang were already empty.

Astonishment passed Qu Xiangyang's eyes as he looked at the beautiful young man before him. Standing behind Ye Qingtang, he was a little adrift as he gazed at his slim yet formidable figure.

It was as if the shadow from his memory overlapped with this young man's back view.

He still remembered that ten years ago when the imperial power was handed down, the former Emperor's position was shaky. Under pressure from the officials, that shadow glided here and beheaded the traitorous armies, calming the unrest and stabilizing the entire country...

Qu Xiangyang recovered from his surprise absentmindedly.

Hundreds of guards could not withstand a blow from this young man. Cries erupted at every area that the sword aura slashed at, and countless people collapsed on the ground.

A hint of nervousness was evident in Qin Chen's eyes as he witnessed the sight.

He was very clear that the guards he brought were not the match of a half-step Yin Yang Perfected Lord. Seeing that there was not even a possibility of delaying the time, Qin Chen immediately turned around and wanted to shuttle through the crowd.

Ye Qingtang sharply noticed Qin Chen's attempt to flee and chased after immediately.

All Qin Chen felt was a strong oppressive force from his back. Simply unable to react in time, he suddenly felt a tug on his back, and he was instantly pulled back on the back of his collar by Ye Qingtang.

Chapter 787 A Fierce Struggle (1)

"Stop!"

Just as Ye Qingtang grabbed Qin Chen, a furious holler rang.

The premier, Qin Long, was rushing over with a large troop.

Qin Chen immediately heaved a sigh of relief when he saw that his father had rushed over in time.

“Father, save me!”

“Young Sir Ye, I’ve heard my son talking about you, and my Qin family has the intention of befriending you. May I know why you’re suddenly attacking my son today?” Qin Long walked over with a grim expression as he narrowed his eyes at Ye Qingtang, who was a few steps away.

He brought men over after receiving the news earlier on, but he did not know... how things reached this stage even when he originally wanted Qin Chen to rope Ye Qingtang in.

With Qin Chen in Ye Qingtang’s hands currently, Qin Long did not dare to adopt too tough of a stance.

Ye Qingtang looked emotionlessly at Qin Long, the mastermind who brought disaster and chaos to the Nine Nights Dynasty.

“Father, he wants to stop the jail wagon and rescue Qu Xiangyang!” Qin Chen said.

Qin Long frowned slightly. His eyes swept across the haphazard scene before him, and a trace of confusion flashed across his eyes when he saw the unscathed Qu Xiangyang.

How was Qu Xiangyang related to this young man? Why did this young man want to rescue him?

“Young Sir Ye, Qu Xiangyang committed a serious offense and is a criminal of the Nine Nights Dynasty. A family has its rules, and a country has its laws. I’m afraid it’s against the law if you wish to rescue this person,” Qin Long said with a sincere expression.

“What offense did he commit?” Ye Qingtang asked coldly.

Qin Long smiled and nodded at a guard beside him subsequently. That guard stepped forward and handed a stack of files to Qin Long.

Qin Long publicly opened the file of which listed many offenses.

“As the City Lord of Fuling City, Qu Xiangyang concealed the true state of affairs from above and below oneself, behaved unscrupulously, and even persecuted the citizens of Fuling City, causing many to die. Why must you rescue such a criminal, Young Sir Ye?”

Fury boiled within Qu Xiangyang as he looked at the groundless crimes. “Qin Long, those people I killed are your supporters. They are then the ones who tyrannized Fuling City. Not only did they forcefully snatch female citizens, but they even slaughtered everyone from their family. What wrong do I have for killing them?!”

Qin Long responded with a calm expression. “A family has its rules, and a country has its laws. If they did something wrong, you just need to put them on trial. Why do you need to lynch them?”

“Put them on trial? Ha... In the entire Nine Nights Dynasty, who dares to try someone from the Qin family? Even if I put them on trial, those evildoers will still eventually go unpunished and be set free,” Qu Xiangyang said coldly.

Qin Long looked at Qu Xiangyang, who could no longer hold his fury. “The people are already dead. No matter what you say, isn’t it all because of you?”

He directly looked at Ye Qingtang right after and said, “Young Sir Ye, you are a reasonable person. Since you are doubtful of Qu Xiangyang’s offense, why don’t you release my son first? After that, we can slowly discuss.”

Ye Qingtang looked at the sanctimonious Qin Long coldly. In her previous life, she stayed in the Nine Nights Dynasty for quite some time, and she was very clear of the Qin family’s way. In the Nine Nights Dynasty, there was nothing that the Qin family clan did not dare to do.

How many loyal officials fell to the Qin family’s evil schemes?

How many citizens were butchered by the Qin family?

If she believed in Qin Long’s words, she would truly be a fool.

“If I release your son, I’m afraid you will never let me leave the monarch city,” Ye Qingtang said indifferently.

A vicious look flashed across Qin Long’s eyes.

“Does this mean... you wish to acquiesce to something after having refused my first overture?”

Chapter 788 A Fierce Struggle (2)

Ye Qingtang shook her head suddenly.

“It is not impossible if you really want me to release your son.”

“Just tell me any demands you have.” Qin Long’s tensed expression relaxed upon seeing that there was still a chance for a favorable turn.

Ye Qingtang glanced at the surrounding citizens and then looked at the vigilant Qu Xiangyang.

“You just need to clear Qu Xiangyang’s name in public, kowtow to him, and admit your mistake. I’ll release your son afterward.”

Everyone was bewildered by what Ye Qingtang said.

Ye Qingtang wanted Qin Long to kowtow to Qu Xiangyang and admit his mistake in public?

Even Qu Xiangyang, himself, was dumbfounded.

A gloomy expression filled Qin Long’s face as malevolence flooded his eyes.

“Insolent! Men, come and...”

Qin Long was about to act up, but Ye Qingtang suddenly lifted a leg and kicked Qin Chen’s legs.

A miserable cry rang in the air. Qin Chen, whose legs were broken, knelt on the ground immediately as cold sweat trickled down his good-looking face due to the pain.

“Stop!” Qin Long yelled loudly.

“How?” Ye Qingtang asked.

Wrath filled Qin Long’s eyes.

“How dare you hurt my son!”

“Mhm.” Ye Qingtang nodded. Without waiting for Qin Long to react, she waved her sword and chopped off Qin Chen’s left arm.

Blood gushed out immediately, and a strong smell of blood diffused in the air.

“Ahhh!” Qin Chen howled in grief and collapsed on the ground. He clutched on the area where his left arm was broken as his entire body twitched from the pain.

“I’ve already given you a chance to make a choice. Since you’re unwilling to save your son, I have no choice then,” Ye Qingtang said indifferently, but a trace of iciness suddenly passed through her eyes. She lifted her hand once again and the Demonic Blood Sword directly slashed across Qin Chen’s neck!

“Sto...” Qin Long roared in alarm.

But he was still one step late.

The moment Ye Qingtang waved her sword, Qin Chen’s head was chopped off, and the blood-stained skull rolled to Qin Long’s legs.

Qin Long looked at his son’s skull in disbelief, and fury filled his eyes.

“I want you to die! Chop her into pieces!” Qin Long felt every part of him ripping. He wanted to skin and devour Ye Qingtang alive.

The citizens in the surrounding area were astonished. After suffering under the Qin family for many years, how would they have expected that there was actually someone in this world who dared to kill Qin Long’s son?

And it was even right in front of Qin Long?

Under Qin Long’s orders, the guards around him attacked immediately.

This time, Qin Long brought thousands of guards and even moved the monarch city’s garrison over. Furthermore, the group of skilled people whom he raised were dispatched as well.

At that moment, everyone charged towards Ye Qingtang.

Ye Qingtang narrowed her eyes slightly. Before she struck, a silver shadow suddenly flashed by and obliterated the front few people who were charging towards Ye Qingtang.

“Xiao Guai.” A trace of a smile emerged in Ye Qingtang’s eyes as she looked at the silver wolf who suddenly blocked in front of her.

The silver wolf did not waste any time and directly used its sharp claws to tear apart the people who closed in on Ye Qingtang.

An unusual look flashed by the little white tiger's eyes when it saw the silver wolf coming to the aid of Ye Qingtang.

"What the f*ck! Bullying the outnumbered?" The little white tiger shouted immediately and spouted a ball of white flame!

Anyone who was touched by the white flame was engulfed instantly and turned into ashes in no time.

Ye Qingtang had not attacked, but the silver wolf and the little white tiger had already killed near a hundred guards in an instant. With a wolf and a tiger on each of her sides, her fierce stance caused one to tremble with fear.

Chapter 789 A Fierce Struggle (3)

The Blood Moon Elder rolled up his sleeves immediately, preparing to join the fight.

However, a few guards whom Qin Long brought over suddenly arrived to the Blood Moon Elder's side and said, "Miss Ouyang, this person is dangerous. Please leave quickly."

Leave quickly?

With a glare, the Blood Moon Elder crushed the two guards' head by ramming them together. He then leapt and dashed into the battlefield, and he stood on Ye Qingtang's side.

In a towering rage, Qin Long was surprised to see "Ouyang Qian" suddenly joining the battlefield.

"Ouyang Qian, what are you doing?"

"I am Ouyang family clan's Young Miss. Do I still need to explain to you what I'm doing?" The Blood Moon Elder scoffed coldly.

Hatred was written in Qin Long's narrowed eyes.

"Ouyang Qian, my son treated you well, and the two of you were deeply in love. Yet, you're actually protecting my son's murderer now!"

"Pfft! Who is deeply in love with your son? How is it possible for me to take a fancy on that dog?" The Blood Moon Elder replied.

Qin Long was so infuriated that he felt a pang in his chest.

"Holy Lady, I'm here to assist you." The Blood Moon Elder whispered to Ye Qingtang.

"..." Ye Qingtang was speechless.

The citizens were stupefied.

Who exactly was this beautiful young man?

Not only did he kill Qin Chen in public, even Ouyang family clan's Young Miss did not hesitate to step forward for him now!

“Holy Lady, this wolf of yours is pretty good.” The Blood Moon Elder glanced at the silver wolf aside. He had seen this silver wolf from afar for a few times, and today was the first time he saw it up close.

“...” The silver wolf stared blankly at him.

“Attack! Just don’t injure Ouyang Qian.” Qin Long ordered coldly. He did not know what bewitching potion this “Ouyang Qian” ate such that she actually would help this Ye fellow. However, if he really killed Ouyang Qian, the Ouyang family clan would completely fall out with him.

Thousands of guards swarmed up, and more city guards rushed over upon receiving orders. An exceptionally fierce battle ensued on the streets of the monarch city.

In just a few breaths, the streets near the battlefield were rounded by the city guards.

The little white tiger looked at the endless guards before him as its saliva for spitting fire almost dried up.

A sharp, murderous expression flashed across Ye Qingtang’s eyes all of a sudden. With a leap, the Demonic Blood Sword in her hands was suddenly covered in a layer of golden fire, and she slashed her sword down.

In a split second, the sword aura mixed with golden flames swept dozens of meters across!

With a loud boom, everyone within the radius of the sword aura was swept away.

Near a thousand people fell to the ground!

The monarch city citizens who hid in the corner were astonished as they watched the fierce battle before their eyes.

The Qin family clan was very arrogant and cruel in the Nine Nights Dynasty, and the citizens had lived in repression for many years. Now that they saw the only young man who dared to challenge the Qin family clan’s position striking, everyone’s anger was vented.

More and more city garrisons rushed over, but no matter their numbers, they were easily settled by Ye Qingtang.

In just the blink of an eye, dead bodies laid everywhere, and an intense smell of blood diffused in the air.

As Qin Long watched the powerful figures and garrison that he brought over collapse to Ye Qingtang’s blows, shock gradually filled his eyes. He did not believe this half-step Yin Yang Perfected Lord’s inner qi would not be exhausted from battling the tens of thousands of garrison troops in the monarch city!

Chapter 790 A Fierce Struggle (4)

Qin Long had holden control over the Nine Nights Dynasty’s military for a long time, and even if the city’s garrison was not enough, he had already moved the 100,000 troops stationed outside the monarch city!

Ye Qingtang slashed numerous people. Seeing that more and more garrison troops rushed over continuously, her eyes passed by everyone and looked straight at Qin Long, who commanded the troops at the back.

In an instant, Ye Qingtang leaped past everyone and headed straight to where Qin Long was at!

Qin Long was alarmed to see Ye Qingtang flying towards him.

The powerful figures near Qin Long charged forward immediately.

All of them were at the Second Heaven of Martial Qi Level Three, and one of them was already at the Third Heaven of Martial Qi Level Three.

These people were roped in by Qin Long with great effort. In the battle earlier on, they did not attack and remained near Qin Long to protect his safety

Now that they saw Ye Qingtang flying towards them, they immediately joined forces and attacked directly.

However...

A glint flashed by Ye Qingtang's eyes, and a soaring inner qi erupted around her. With the flick of her wrist, she slashed across her surroundings.

Before touching the corner of Ye Qingtang's clothes, those Second Heaven of Martial Qi Level Three figures were beheaded by Ye Qingtang in a second.

The Third Heaven of Martial Qi Level Three figure was the only person remaining. His complexion was pale, and terror flashed across his eyes as he looked at Ye Qingtang, who resembled a fierce tiger that sprang down the mountain.

"Half-step Yin Yang Perfected Lord..." That powerful figure retreated a step out of fear.

Qin Long never said that the enemy was a half-step Yin Yang Perfected Lord when he came just now!

Although this powerful figure was roped in by Qin Long, how did he dare to continue fighting a half-step Yin Yang Perfected Lord?

How would a person focused on power and influence like Qin Long understand the true might of a half-step Yin Yang Perfected Lord?

Then, that powerful figure immediately stopped and said respectfully to Ye Qingtang with cupped fists, "Please do not take offense for offending you today. Sorry for bothering you. I'll take my leave first."

Then, without daring to stay any longer, that powerful figure immediately left Qin Long behind and fled away.

Qin Long could just die on his own and not pull him along.

How could he fight a half-step Yin Yang Perfected Lord?

A half-step Yin Yang Perfected Lord could easily slaughter Qin Long from the crowd even if another 100,000 troops came.

Qin Long watched in disbelief as his strongest associate threw him behind and escaped by himself!

Before Qin Long could recover from his fury, Ye Qingtang had already arrived before him. The guards beside him simply could not bear a blow from Ye Qingtang, whose overbearing air caused them to fall to the ground and tremble.

Qin Long looked up and met Ye Qingtang's cold eyes. Shaken, he instinctively took a step back.

"In... Insolent... I am Nine Nights Dynasty's premier. Do you dare to hurt me! If you hurt me, the entire Nine Nights Dynasty will definitely not let you off!" Qin Long's ruthless manner was already gone, and he could only put on a calm front.

Ye Qingtang looked at Qin Long indifferently with eyes devoid of emotions.

If she released Qin Long now, he would definitely use all the power he held in Nine Nights Dynasty to take her life, but if Qin Long died, the people in Nine Nights Dynasty would only make use of the opportunity to scramble for the power he left behind. Who would still look for her?

Qin Long had committed too much evil over these years, and no one would avenge him even if he died.
