

Chapter 991 The Long Family (3)

The next moment, Ye Qingtang used two fingers to swiftly intercept the longswords wielded by the two maidservants from the Long Family.

“You dare to resist?!”

The two maidservants from the Long Family shouted coldly in rage.

Ye Qingtang lips immediately curved upwards. She formed the aura of the Seventh Heaven Yang Lord into a straight line and suddenly enclosed the two maidservants from the Long Family in it.

The two maidservants from the Long Family, who had been so overbearingly arrogant just a moment ago, were completely stunned. They trembled violently all over when they felt the force of the Yang Lord.

Everyone present saw that the two maidservants from the Long Family seemed to be suddenly struck dumb and were rooted to the spot. No one knew just what had happened.

The invincible power of the Yang Lord had swept the maidservants from the Long Family into an abyss from which there was no redemption.

The shocking power of a Seventh Heaven Yin Yang Perfected Lord instantly wiped out the physical and mental strength of the two maidservants from the Long Family.

It was no exaggeration to say that even Long Family’s Master, who was known as the invincible Yin Yang Perfected Lord half-step, was tens of thousands of times weaker than Ye Qingtang in terms of pure martial power, much less these two maidservants.

Ye Qingtang was eight realms beyond them. If she wanted to, she could kill all living things within the entire Lin Town with just her force. She could turn Lin Town into a dead town within the span of a single breath.

“The ignorant have no fear.”

Ye Qingtang looked at the two shocked maidservants from the Long Family. With a light dab of her finger, she instantly pierced through their brows.

As everyone looked on in disbelief, the two maidservants from the Long Family collapsed to the ground like a pile of soft mud. They were dead.

“Ye Qingtang... you... you dare...”

At that moment, all the disciples and the senior members of the Ye Family stared at the two maidservants from the Long Family in disbelief.

The statuses of these two maidservants were immaterial. Even an insignificant servant in the Long Family was a member of the Long Family. Ye Qingtang had publicly killed these members of the Long Family...

Many members of the Ye Family had already felt uneasy when Ye Qingtang had injured Duan Yangjing. Now, this feeling grew even stronger.

“Ye Qingtang, you dare to rely on the treasures you obtained from the mystic realm of your sect to kill members of the Long Family... you...”

Some senior members glared at Ye Qingtang and shouted at her angrily.

Not only would Ye Qingtang have to die for offending the Long Family, but they would also be implicated!

Even Ye Ling had not thought that Ye Qingtang would really kill the maidservants from the Long Family...

“Mystic realm of the sect... treasure...”

When she heard the senior members' words, Long Rui muttered thoughtfully to herself.

“This Ye Qingtang must have obtained numerous treasures from the mystic realm of her sect... my father was also utterly defeated by those treasures.” Duan Tianrao frowned and said. He had been puzzled by how Ye Qingtang had suddenly become so powerful. Now that he heard what the Ye Family said, he thought that it was plausible.

“So there really is a treasure...”

Long Rui immediately swept a glance at her surroundings. When she saw the weapons that everyone in the Ye Family was holding, a look of surprise flashed across her eyes.

The Ye Family had numerous premium yellow-grade weapons, and she also spotted many valuable elixirs.

Each item was so valuable that it was difficult to estimate its worth. Even her father's divine weapon was merely a superior yellow-grade weapon...

Long Rui immediately closed both eyes and used the power of communication that was unique to the Long Family to connect with her father.

Within the span of two breaths, Long Rui reopened her eyes and looked at Duan Tianrao. “My father and the others have arrived.”

Chapter 992 The Long Family (4)

When they heard Long Rui's words, everyone in the Ye Family was shocked.

Long Rui's father, the Master of the Long Family, the invincible half-step Yin Yang Perfected Lord!

“Doomed... doomed... we're doomed...”

“We've actually... actually disturbed a half-step Yin Yang Perfected Lord...”

The senior members of the Ye Family looked rather stunned.

The Great Elder clenched his fists. He had not expected matters to reach this stage.

The Third Elder gritted his teeth. This Ye Qingtang had not only brought disaster on herself, but she had also brought disaster on them and the entire Ye Family!

A person could be arrogant and ignorant, but not that arrogant and ignorant!

The Long Family was so powerful. No matter what kind of destiny and treasures Ye Qingtang had obtained from the sect's mystic realm, no matter how powerful she was, she could not possibly oppose the Long Family!

To Long Rui and the others, it was not important that Ye Qingtang had killed the two maidservants from the Long Family. However, the treasures in the Ye Family were shocking. Even her father would be shocked and shaken when he arrived and saw the premium yellow-grade weapons and the priceless elixirs, much less Long Rui.

If they could completely possess these items, the Long Family would be elevated.

Before entering the Ye Family, Long Rui had already ordered the guards of the Long Family to completely surround the Ye House.

Ever since the Ye Family had attacked the Duan Family, Long Rui had already decided to uproot the entire Ye Family and avenge the Duan Family.

"Third Elder, your Ye Family certainly has many treasures."

Long Rui suddenly looked at the Third Elder of the Ye Family and blandly spoke.

When he heard that, the Third Elder immediately smiled ingratiatingly. "Miss Long Rui, you can choose any that you like. As long as it catches Miss Long Rui's eye..."

"Of course, I like them. However, I am not just choosing one or two. The Long Family wants them all," said Long Rui.

Many of the Ye Family's disciples looked helpless when they heard Long Rui's words. These treasures were too far beyond their grasp. If they forcefully retained them, they would certainly die. In the end, they still had to hand these treasures over to the Long Family...

"Haha, Miss Long Rui, if you like them, you can take them all. In any case, our Ye Family was preparing to present all these divine weapons and elixirs to the Long Family," the Third Elder said hurriedly.

Although Ye Ling, the Great Elder, and the Second Elder were currently displeased with the Long Family, the Long Family was just too powerful. If they wanted to protect the Ye Family, this was their only choice. If they rebelled, the consequences would be disastrous.

If it was the Duan Family, the Ye Family might still fight to the death, and at worst, both sides would suffer losses. But the Long Family was different. In the face of such a huge entity, the Ye Family did not have any room to protest.

"I am very curious as to how the Ye Family suddenly acquired so many divine weapons and Dharma treasures. Or perhaps the Ye Family has a strong foundation that it did not display in the past." Long Rui looked at the Third Elder and carried on talking.

“Miss Long Rui... all these were brought back by the Eldest Young Lady of our Ye Family, Ye Qingtang. As you know, Ye Qingtang is an outer sect disciple of a sect and had the immense good fortune to enter the mystic realm of the sect. She was rather lucky and obtained these destinies...” The Third Elder recounted the facts.

Long Rui looked thoughtful when she heard the Third Elder’s words.

Just as Duan Tianrao had guessed, this Eldest Young Lady of the Ye Family must certainly be carrying a great treasure on her person.

Chapter 993 The Long Family (5)

If Ye Qingtang could give so many divine weapons and rare elixirs to the Ye Family upon her return, then she was certainly carrying an even more valuable divine weapon or treasure on her person!

Considering Ye Qingtang’s martial arts ability and level of cultivation as an outer sect disciple, it did not make sense that she could defeat the Duan Family. In addition, the power she had displayed with the two maidservants was akin to that of an inner sect disciple. However, Ye Qingtang had killed them with some kind of sinister technique. In that case, it was entirely plausible that Ye Qingtang had a priceless treasure on her...

The Long Family definitely wanted the Ye Family’s treasures. They also wanted all the treasures on Ye Qingtang’s person.

“Miss Long Rui, don’t you think that since all this... is a misunderstanding, why don’t...” The Third Elder looked at the expressionless Long Rui and spoke smilingly.

“Since you are fairly sensible, there is room for negotiation,” said Long Rui blandly and shot a look at Ye Qingtang.

At that moment, Ye Qingtang was still standing motionless at her original spot.

Since she knew that the half-step Yin Yang Perfected Lord from the Long Family was about to arrive, Ye Qingtang saved herself a trip to the Long Family and simply waited there for the arrival of the Long Family’s half-step Yin Yang Perfected Lord.

At that moment, the Ye Family’s disciples and senior members had relaxed a little once they heard Long Rui say that there was room for negotiation. The Dharma treasures that Ye Qingtang had brought were not important. As long as the Long Family did not hold the Ye Family responsible, they were happy to discuss the matter.

An extremely powerful force enclosed the Ye House. The senior members and disciples of the Ye Family were shocked by the force.

At the same time, a luxuriously dressed middle-aged man and a few old men stepped through the main gate of the Ye House and into the courtyard.

The frightening force was being emitted by the middle-aged man in the lead and was truly terrifying

“Long... Long Family’s Master...”

Everyone present was shocked when they saw the middle-aged man.

“Greetings, Lord.”

Duan Tianrao walked over to the middle-aged man and bowed and greeted him with great respect.

“Hmm.” The middle-aged man glanced at Duan Tianrao and replied softly.

The middle-aged man did not really like Duan Tianrao of the Duan Family and did not think him worthy of his daughter, Long Rui. However, Long Rui had set her heart on Duan Tianrao, and he had no choice. It was also because of Long Rui that the Duan Family had experienced such smooth sailing for the past two years.

“Father.”

Long Rui stepped forward and advanced to the side of the Long Family’s Master and recounted the past events to him.

The Long Family’s Master was shocked when he heard Long Rui’s words. He looked around him, and just as Long Rui said, there were many premium yellow-grade divine weapons in the Ye House...

As Master of the Long Family and a half-step Yin Yang Perfected Lord, even the sword he carried was no more than a superior yellow-grade weapon...

However, besides the premium yellow-grade weapons, there were also many rare and precious elixirs.

All of them were rare and priceless. Under normal circumstances, it was extremely difficult to obtain even one item.

“So the Ye Family has such treasures...”

The Master of the Long Family’s eyes burned like coals as he muttered to himself.

“Lord, that Ye Qingtang is the Eldest Young Lady of the Ye Family and an outer sect disciple. She has been extremely open-handed since her return to Lin Town and the Ye Family. All the premium yellow-grade divine weapons and the rare elixirs were given to the Ye Family by her. Further, Ye Qingtang probably has an even more powerful Dharma treasure on her person,” said Duan Tianrao.

Chapter 994 The Long Family (6)

The Long Family Master’s eyes flashed when he heard Duan Tianrao’s words. For an ordinary outer sect disciple to be so open-handed, it meant that she must have had an amazing encounter!

Not only that, but the Long Family Master also knew from Duan Tianrao that the entire Duan Family, including his father, had been defeated by Ye Qingtang. They had not even been able to fight back.

An ordinary outer sect disciple could not possibly have done that. Even a powerful inner sect disciple of a super sect might not be able to do that!

At that moment, one of the senior members of the Long Family spoke. “It looks like Ye Qingtang really has some amazing treasures on her person. Your Duan Family was defeated by Ye Qingtang because of the mysterious Dharma treasure on her person.”

When he heard that, Duan Tianrao nodded rapidly and said, "That's right."

"Haha... how interesting. Our Long Family is truly lucky... If we bring those dozens of premium yellow-grade divine weapons and rare elixirs back to the Long Family, not to mention the Dharma treasure on that girl, our family will certainly be elevated to the next level."

A trace of excitement surfaced in the eyes of several Long Family elders.

The Long Family Master wanted the divine weapons and Dharma treasures, and he certainly would not pass up on the treasures that Ye Qingtang was carrying.

After taking away all the treasures in the Ye Family, there was no more reason for the Ye Family to exist. If the Ye Family let it be known that his Long Family had obtained so many divine weapons and treasures, another family that could rival the Long Family might find out, and then a conflict would be inevitable.

"Lord Long... your presence is truly an honor for the Ye Family!"

At that moment, all the senior members of the Ye Family were smiling ingratiatingly and looking at the Long Family Master.

"I never imagined that the Ye Family would have so many treasures." The Long Family Master swept a glance at them and spoke remotely.

When they heard that, all the senior members of the Ye Family looked thoughtful.

"How wonderful that Lord Long likes them... We were intending to present all these divine weapons and treasures to the Long Family. After all, considering our skill level, these divine weapons and Dharma treasures would be wasted on us..."

One of the senior members of the Ye Family said with a smile.

The Long Family Master did not show much expression when he heard that. He only said coldly, "I heard that the Eldest Young Lady of the Ye Family injured the Duan Family Master."

"This..."

The senior members of the Ye Family exchanged glances.

"Lord Long, our Eldest Young Lady just returned to Lin Town and doesn't know the rules... she isn't very sensible and has been a little arrogant ever since she entered the sect to cultivate. However, she had no intention of offending the Long Family!"

"That's right. We will certainly make Ye Qingtang kneel and kowtow to the Duan Family Master for injuring him. We hope Lord Long will be gracious. We will give all these divine weapons and Dharma treasures to the Long Family..."

A few senior members of the Ye Family spoke hurriedly.

The Duan Family was not important. What was important was the Long Family's attitude.

An elder from the Long Family immediately laughed coldly and said, "She is merely an ordinary outer sect disciple. Considering the ability and cultivation level of an outer sect disciple, could she really severely injure the Duan Family Master... or do you mean she relied on some Dharma treasure to be able to do so."

When they heard the Long Family Elder's words, everyone from the Ye Family also thought that this must be true. In terms of martial arts ability, Ye Qingtang was merely an outer sect disciple, but the Duan Family Master was so powerful. He had already reached the Second Heaven of martial arts cultivation!

Chapter 995 Ability (1)

If Ye Qingtang did not have a Dharma treasure that she had obtained by chance, how could she force the Duan Family to a state where they could not even fight back?

The fact that Ye Qingtang had been so open-handed and given away these numerous treasures so freely showed that she did not care about them. She must certainly have some rare treasures on her person!

The senior members of the Ye Family were not stupid. When they heard the Long Family Master's words, they more or less guessed what he meant. Besides the treasures that Ye Qingtang had given the Ye Family, the Long Family Master also wanted the treasure on Ye Qingtang's person.

"Ye Qingtang, hadn't you better bring out the treasure you are carrying!" said a senior member of the Ye Family as he looked at Ye Qingtang.

However, Ye Qingtang just shrugged. "Who told you that I am carrying treasure?"

"You aren't?"

When they heard Ye Qingtang's words, all the senior members of the Ye Family frowned deeply.

How could it be that Ye Qingtang was not carrying any treasure!

In that case, how could Ye Qingtang have brought out so many premium yellow-grade divine weapons and rare elixirs without batting an eyelid?!

"Ye Qingtang, this is the Long Family's Master and a half-step Yin Yang Perfected Lord. Your treasure is wasted on you. You had better hand it over to Lord Long. With Lord Long's abilities, he will be better able to protect Lin Town with these treasures!"

"That's right. In that way, you will also be making a contribution to the Ye Family and Lin Town. As the Eldest Young Lady of the Ye Family, you should at least be aware of some of these things!"

At that moment, all the senior members of the Ye Family were hoping to save their own skins and were all speaking rapidly.

However, although they said all these things, Ye Qingtang remained completely unmoved. She showed no sign of bringing out any treasure.

This situation caused the senior members of the Ye Family to frown.

“Ye Qingtang, you say that you are not carrying any Dharma treasure... In that case, hand over your space ring,” a senior member of the Ye Family said coldly.

Ye Qingtang had brought this disaster on them. If she had not been so blatantly arrogant and used the Dharma treasure to defeat the Duan Family, all of this would not have happened. She was merely an outer sect disciple, but her arrogant attitude was akin to that of an inner sect disciple of a super sect!

She had no sense of her own little worth and had forgotten herself when she had obtained a few Dharma treasures by chance, bringing catastrophe to the Ye Family. Now, she was still refusing to hand the Dharma treasure over!

“Ye Qingtang, hadn’t you better take out your space ring!” When he saw that Ye Qingtang did not reply, the senior member of the Ye Family was enraged.

Given the current circumstances, even the Ye Family Master had to comply, much less the Eldest Young Lady of the Ye Family!

When Ye Qingtang looked at the scene before her, she understood why the Ye Family had been so oppressed. Firstly, the Duan Family had the backing of the Long Family. Secondly, these people that her father and second uncle had brought back to the Ye House did not dare to oppose the Long Family, causing them to be repeatedly bullied.

Deep in her heart, Ye Qingtang knew that although her father was the family master, he was too mild and was even inclined to be weak. Given his personality, he could not control these people in the Ye Family; otherwise, he would not have allowed Ye You’s grandfather to control the Ye Family in the first place.

“Are you talking about this?” Ye Qingtang immediately waved the space ring on her finger.

“That’s right!” the senior member of the Ye Family said impatiently.

“If you want it, come and get it yourself.” Ye Qingtang looked at the senior member of the Ye Family, and a cold light flashed across her eyes. There were many parasites in the Ye Family. If her father did not get rid of them, she would have to do it for him.

Chapter 996 Ability (2)

“Don’t bother!”

An elder from the Long Family gave a cold grunt as he strode towards Ye Qingtang. He raised his right arm and grabbed at the space ring on Ye Qingtang’s finger.

“You really have a death wish.” Ye Qingtang stood motionless in the yard. Her bone-chilling look fell on the elder from the Long Family, who was striding over.

The elder from the Long Family was taken aback. He shivered all over. He had merely received a look from the Ye Family’s Eldest Young Lady, yet he felt as if he had fallen into an icy pit.

“This girl is certainly carrying a priceless Dharma treasure on her person!” The elder from the Long Family not only did not feel any fear, but a wild joy appeared in his eyes instead.

Today, all the treasures that the Eldest Young Lady of the Ye Family carried would belong to their Long Family!

“Ye Qingtang, if you dare to resist, I assure you that not a soul will be left in your Ye Family.” The elder from the Long Family looked at Ye Qingtang and spoke coldly.

“Braggart,” said Ye Qingtang.

“Braggart?” The elder from the Long Family was taken aback. He did not know what Ye Qingtang meant or why she had suddenly uttered these mysterious words.

Clank!

The next second, a longsword was drawn.

Clank!

And then sheathed.

This drawing and sheathing of the sword were done in one smooth motion. No one even saw how Ye Qingtang had acted or how she had drawn her sword.

However, as they stared stupidly, the elder from the Long Family emitted a heart-rending wail.

When they looked at the elder from the Long Family again, his mouth was full of blood. The tongue in his mouth had been cut off by the long sword and fell to the ground.

“Braggarts will lose their tongue.” Ye Qingtang stared at the elder from the Long Family. Her lips curved upwards slightly in an inscrutable smile.

This scene completely stunned the senior members and disciples of the Ye Family.

Who would have imagined that Ye Qingtang would be so daring! This was a senior elder of the Long Family...

This Ye Qingtang had dared to cut off the tongue of a Long Family elder in front of the Long Family’s Master, a powerful half-step Yin Yang Perfected Lord!

This would push them and the Ye Family into an abyss from which there was no return!

Naturally, everyone was shocked. In terms of martial arts cultivation, this Long Family elder had already entered the First Heaven of Martial Qi Level Three. Just what kind of powerful Dharma treasure did Ye Qingtang have on her person that even allowed her to cut off the tongue of a powerful cultivator at the First Heaven of Martial Qi Level Three!

At that moment, Duan Tianrao was frowning. “Be careful. Don’t underestimate Ye Qingtang’s Dharma treasure...”

“Ah... it looks like your ex-fiancée is really daring... However, I am curious as to just how powerful her treasure is. Even our Long Family’s elder suffered such a great loss,” Long Rui said with a cold laugh.

“Rui’er, no matter what kind of powerful Dharma treasure Ye Qingtang has, she is ultimately relying on an external source of power. No matter how powerful the Dharma treasure is, it will belong to you in the end,” Duan Tianrao said to Long Rui smilingly.

At that moment, the Long Family Master let out a cold grunt. The terrifying force of the half-step Yin Yang cultivator suddenly permeated the whole area and shrouded the entire Ye House.

“Your Ye Family is outrageously daring. Since that is the case, from today onward, there will be no Ye Family in Lin Town.” The Long Family Master shouted sternly. He was intimidating even when calm, like a lofty and invincible true god, causing everyone from the Ye Family to turn pale and quake inwardly.

“Lord Long, please don’t be angry... Lord Long, please don’t be angry. This girl doesn’t have the sense to appreciate a favor and acted rebelliously. We will certainly punish her severely and hand all the treasures and Dharma treasures on her person over to Lord Long!”

Chapter 997 Ability (3)

After seeing Clan Master Long’s reaction, the senior members of the Ye Family had a change of expression, and one of them hurriedly spoke.

However, Clan Master Long was unmoved. Duan Tianrao took a step forward, and his eyes swept across Ye Qingtang and the members of the Ye Family as though he was looking at ants.

“The Ye family offended Lord Long. I’m afraid whatever you say now is useless...” Duan Tianrao said.

The Third Elder was appalled, and he looked at Duan Tianrao. “Tianrao, no matter what, you used to be Ye Qingtang’s fiancé. Quickly persuade Lord Long...”

Currently, the Third Elder was panic-stricken and clearly could not think through what could be said and what could not.

Indeed, Long Rui’s expression darkened instantly after hearing what the Third Elder said.

Duan Tianrao shook his head. “The engagement between Ye Qingtang and I had already been broken two years ago. Our engagement back then was none other than an error made by my father at the spur of the moment. My father believed that in Lin Town, only Ye Qingtang was suited to be the future Mistress of the Duan Family. There were no feelings between Ye Qingtang and me. Moreover, given Ye Qingtang’s martial skills and talent, how is it possible for her to be the Mistress of the Duan Family... You mentioned this incident simply to insult me on purpose!”

“This...”

The Third Elder was dumbstruck. What he said was due to the urgency of the situation, and he completely did not think that Long Rui was still present and that such words would only achieve the opposite effect.

“If there’s anything, blame it on the fact that your Ye family produced an ignorant and arrogant Eldest Young Lady with plain martial skills. She thought she was unbeatable after gaining a great treasure. How ridiculous!” Duan Tianrao cast Ye Qingtang a cold look.

After Duan Tianrao said that, Clan Master Duan and other members of the Duan family marched into the Ye residence's courtyard.

After learning that the Clan Master of the Long Family went to the Ye residence, Duan Yangjing, who was previously humiliated, carelessly treated his injuries and hurriedly led a group of people from the Duan Family over. He wanted to see exactly what kind of Dharma treasure Ye Qingtang had and all the more wanted to see the outcome of Ye Qingtang and the Ye Family!

"How lively it is today." Ye Qingtang looked at the Long and Duan Family and laughed softly.

"Humph, Ye Qingtang, You will definitely die today!" Duan Yangjing looked at Ye Qingtang coldly, wanting to shred Ye Qingtang into millions of pieces.

Nonetheless, Ye Qingtang could not even be bothered to reply to the Duan Family.

"Ye Qingtang, hurry! Kneel down and admit your mistake! Do you really want to harm us and the Ye Family!!"

"Ye Qingtang, you bastard! Hurry up and apologize by taking your own life!!"

Several senior members of the Ye Family seemed to still be a little hopeful as they hollered at Ye Qingtang in fury, as though the Long Family would let them off as long as Ye Qingtang died.

At this instant, they could not care about Ye Qingtang's life.

"Even if she apologized by taking her life, it is useless," Clan Master Long said calmly. His martial aura did not reduce a bit and instead became even stronger.

Under this overwhelming aura, the members of the Ye Family were aghast, and their faces were as pale as those of corpses. It was as though their bodies were pressed down by a giant mountain in the skies, and they were unable to move.

"Full of bullsh*t." Ye Qingtang looked at Clan Master Long and said coldly.

"Insolent bastard, you have a death wish!" Clan Master Long shouted coldly and subsequently walked towards Ye Qingtang.

Swoosh!

A superior yellow-grade sword with a magical luster was unsheathed by Clan Master Long

Chapter 998 Three Steps (1)

There seemed to be a treasure with extremely powerful offensive abilities on Ye Qingtang, and Clan Master Long did not underestimate her. All he wished was to kill Ye Qingtang with a strike and retrieve her treasure and space ring once she died.

"Tang Tang!"

Clan Master Ye Ling shouted and handed a top yellow-grade sword to Ye Qingtang immediately.

With things as such, it was already impossible to achieve a thaw with the Long Family. Ye Ling was, of course, aware of Long Family's thoughts and plans. However, in the entire Ye Family, there was simply no one who could oppose Clan Master Long except perhaps Ye Qingtang...

However, Ye Qingtang did not even have any intention to receive the sword. She looked at Ye Qingtang and chuckled softly. "Father, take not a musket to kill a butterfly."

After hearing what Ye Qingtang said, Ye Ling was completely dumbfounded. Going against a half-step Yin Yang Perfected Lord, yet... take not a musket to kill a butterfly?!

"Young one, die!"

In an instant, the superior yellow-grade sword in Clan Master Long's hand slashed down at Ye Qingtang.

The speed of this blow was extremely fast, and everyone could barely see it with their naked eyes. All they saw was a cold sword shadow flashing by.

Boom!

A loud sound erupted.

Before everyone's eyes, Clan Master Long's sword slashed down at Ye Qingtang's left shoulder...

Before everyone could react...

"You... only have this much power?"

Ye Qingtang looked at Clan Master Long, who was inches away from her, and her lips curled into an unknown smile.

Not mentioning a half-step Yin Yang Perfected Lord, in Ye Qingtang's eyes, anyone below a Yang Lord was no different from an ant. Even if she remained at the same spot for him to kill her, a Yin Lord could barely injure her at all, much less a so-called half-step Yin Yang Perfected Lord.

"You..."

At this instant, Clan Master Long's expression changed slightly. His sword struck Ye Qingtang accurately, but it was as though he hit diamond. How could this be?!

"You have a death wish!"

Clan Master Long shouted coldly, and without thinking further, the superior yellow-grade weapon slashed down at Ye Qingtang once again.

This time, Clan Master Long used almost all his primordial qi, and a frightening primordial qi covered the superior yellow-grade sword. An extensive sword gleam that looked like it could destroy the world slashed down at Ye Qingtang's crown.

Boom... Boom, boom!! Right after, an alarming explosion erupted, causing one to shudder and eardrums to hurt.

At the very moment when everyone returned to their senses, they could not help but be completely dumbfounded.

The senior members and disciples of the Ye Family were dumbstruck and seemed to have forgotten to breathe. Duan Tianrao was all the more horrified while Clan Master Duan and the Duan Family members looked as though they just saw a ghost.

Clan Master Long, a half-step Yin Yang Perfected Lord, waved a superior yellow-grade sword and slashed it down at Ye Qingtang's crown with all his might, but Ye Qingtang did not even blink an eye.

Ye Qingtang stared at Clan Master Long and said without emotions, "Too weak."

Clan Master Long was in disbelief.

"Do you know... you messed up my hair?" Ye Qingtang's brows were slightly furrowed.

"What did you say...?!" Clan Master Long reddened. As a dignified half-step Yin Yang Perfected Lord, he attacked Ye Qingtang with all his might, yet she said that his sword messed up her hair?!

In the next second, with the flick of a wrist, Ye Qingtang had already held Clan Master Long's superior yellow-grade sword in her hands.

Chapter 999 Three Steps (2)

"You wish to injure me with this lousy piece of metal?" As Ye Qingtang spoke, she exerted power in her palm, and a crisp "clang" sounded. Under everyone's watch, Clan Master Long's superior yellow-grade weapon crushed.

This crush directly turned the sword into fine powder...

"This... is impossible..." Clan Master Long was aghast.

"It's my turn." Ye Qingtang looked at Clan Master Long and said with a light chuckle.

After hearing what Ye Qingtang said, Clan Master Long was alarmed. Almost instinctively, he retreated backward quickly and pulled a distance from Ye Qingtang.

"If you can withstand my three steps, I'll pardon your Long Family," Ye Qingtang said without emotions.

"Three steps?!"

Everyone at the scene was taken aback and completely could not comprehend what Ye Qingtang was saying.

"This is the first step." With that, Ye Qingtang moved her leg and took a small step forward.

This one step had such oppressive air like that of the very first aura since the creation of the universe, and it seemed to reverse Heaven and Earth.

Everyone watched in disbelief and did not know what happened other than the fact that Clan Master Long shuddered and that his complexion was ghastly pale.

"Not bad. This is the second step."

Immediately, an unknown smile formed on Ye Qingtang's face as she took another step forward.

As she took the second step, blood actually seeped out of Clan Master Long's mouth.

“Very good. This is the third step.”

Afterward, Ye Qingtang moved her legs once again and made the third step.

“Ow!”

As Ye Qingtang took her third step, a mouthful of blood spewed out of Clan Master Long’s mouth.

“Father!”

Long Rui was startled. Her father was a half-step Yin Yang Perfected Lord... How could this be...

At this very instant, disbelief was etched on everyone’s faces. A Yin Yang Perfected Lord actually used three steps to cause a half-step Yin Yang Perfected Lord to vomit blood!

“It seems that the so-called unparalleled mighty Clan Master Long is unable to withstand my three steps.” Ye Qingtang shook her head in disappointment.

Clank!

Very quickly, there was a sound of an unsheathed sword.

The Regicide Sky Blade appeared in Ye Qingtang’s hand.

“Your Long Family likes Dharma treasures a lot. What do you all think about this sword then?” Ye Qingtang held the Regicide Sky Blade in front of Clan Master Long.

“This... black-grade... black-grade weapon?!”

After seeing Ye Qingtang’s Regicide Sky Blade, everyone at the scene was beyond shocked, much less Clan Master Long.

A black-grade weapon was not what a yellow-grade weapon could be compared to; even millions of top yellow-grade weapons were inferior to the lowest level black-grade weapon!

No one thought that Ye Qingtang even possessed such a weapon!

“Clan Master Long... and everyone here.”

Ye Qingtang’s eyes swept the crowd, and she snickered softly. “A sword should be used this way.”

As Ye Qingtang finished her sentence, the Regicide Sky Blade in her hand waved down.

Swoosh!

A scarlet gleam rushed into the sky.

Before everyone’s shocked eyes, that sword gleam completely shattered the headquarters of the Duan Family and Long Family into ruins.

SSSSS...

Everyone gasped at the sight.

“Outrageous... The level of the treasure on this lady is actually this frightening!”

At this instant, several Long Family elders were seething. In their eyes, the reason why Ye Qingtang could harm Clan Master Long, a half-step Yin Yang Perfected Lord, was only because of the treasure on her!

Chapter 1000 Three Steps (3)

Realization dawned on the masses after hearing what the elders of the Long Family said.

Ye Qingtang even possessed a black-grade weapon. She must have a matching Dharma treasure on her!

If they possessed such a Dharma treasure, it was not impossible to injure a half-step Yin Yang Perfected Lord...

“Rui... Quickly notify your Grand Master...” Clan Master Long looked at his daughter, Long Rui, and said.

“Grand Master?” Long Rui’s eyes glistened upon hearing Clan Master Long.

Her Grand Master, also her father’s Master, was Qinglin Sect’s Grand Elder. His martial skills had already entered the Yin Yang Perfected Lord realm. If the Grand Master came, he would definitely be able to kill a Yin Yang Perfected Lord easily and, afterward, be able to get the Yin Yang Perfected Lord’s black-grade weapon and Dharma treasure...

Long Rui used her mind power immediately.

A moment later, Long Rui opened her eyes and exclaimed in delight. “Grand Master is in the vicinity!”

Her Grand Master was the previous Grand Elder of Qinglin Sect and was the most powerful figure in Qinglin Sect. He has been traveling around in recent times, and it was not strange for him to be nearby Lin Town.

“The previous Grand Elder of Qinglin Sect...”

It was only at this moment when everyone first realized that Clan Master Long actually had a Master at the Yin Yang Perfected Lord realm. That previous Grand Elder of Qinglin Sect had extraordinary skills and was a true Yin Yang Perfected Lord!

A moment later, space seemed to be twisted, and time seemed to have stopped.

A white-haired elderly suddenly appeared in the sky above Lin Town. As he walked in the air, it was as though an immortal had arrived.

The martial aura emitted by the elderly was extremely oppressive, causing everyone to lose their minds and instinctively wish to escape from this place.

“Grand Master!”

Long Rui raised her head and looked into the sky. Noticing the elderly, she broke out in elation.

Her Grand Master was Qinglin Sect’s previous Grand Elder and a true mighty Yin Yang Perfected Lord.

“Master!”

Seeing that the elderly had arrived, Clan Master Long immediately gave the elderly a full bow.

When Clan Master Long was young, he cultivated in Qinglin Sect and became a personal disciple of this elderly.

Upon seeing a true Yin Yang Perfected Lord, the members of the Ye and Duan Family were extremely silent and even slowed down their breathing, afraid that they would alarm this extraordinary presence.

“Grand Master...”

Long Rui looked at the elderly in the air and was about to say something but was interrupted by the elderly. “I already know about it. There’s no need to repeat.”

Subsequently, the elderly’s eyes landed on Ye Qingtang. After inspecting her for a while, his eyes shone. “You are Xuanling Sect’s disciple, Ye Qingtang.”

He was aware that Ye Qingtang obtained the Fiendcelestial Beast in the Hell of Avicinaraka mystic realm and had seen Ye Qingtang’s wanted portraits before; thus, he could recognize her immediately.

Ye Qingtang did not refute him.

“I already know of your actions in the Hell of Avicinaraka mystic realm... Young one, the Long Family shares a deep relation with me. What you did today is already a huge offense. However, if you hand the Fiendcelestial Beast over, I can pardon your sins. How about that?” The previous Grand Elder of Qinglin Sect looked at Ye Qingtang and said slowly.

“Fiendcelestial Beast...”.

Everyone was taken aback by what the elderly said. They had never heard of a Fiendcelestial Beast and did not know what kind of presence a Fiendcelestial Beast was.
