

RESTRICTED SUPERSTAR

Chapter 6 The First Ball in Life

The game restarted, and Gao Xiaodong took the center position.

The real stance is like a center forward, with almost no movement.

After possessing D-level football skills, Gao Xiaodong also knows how to run and what offside is, but he can't run. Wait in the restricted area.

Gao Xiaodong is really too fat, and his moving speed is ridiculously slow, as long as the ball cannot be passed to his feet, he will not be able to touch the ball.

Soon the teammates in class 13 were disappointed with him and stopped passing the ball to him. The players in class 4 were relieved and completely regarded Gao Xiaodong as air.

The only person who thinks Gao Xiaodong is useful is captain Sun Haitao. In the first two passes, although Gao Xiaodong didn't touch the ball hair, Gao Xiaodong standing in the ball crowd is like a hippopotamus standing in a pack of wolves. He can't even get close to him. As long as he passes the ball to Gao Xiaodong's head, others will never be able to compete with him. It's just that the footwork of the thirteenth class members is poor, and the pass is not so accurate at all. The only one who is accurate is Sun Haitao.

In addition, Sun Haitao also saw that Gao Xiaodong has improved a lot compared to the first game. He can stop the ball and pass it out. This gave Sun Haitao the idea of passing the ball to Gao Xiaodong himself, but now he is the pinnacle of the back line. He was also worried that he would be counterattacked after he went up.

It wasn't until the last five minutes of the game that the players in class 4 were exhausted physically, reducing their offense and the defensive pressure of class 13 was reduced. Sun Haitao made up his mind to give it a try to see if Gao Xiaodong had the ability to push the ball into class 4. door.

Sun Haitao asked Wu Lei to retreat to fill his position, and he quickly dribbled the ball forward to assist.

The players in Class 4 knew that Sun Haitao was good at the ball, so they hurried forward to intercept, but Sun Haitao didn't stick to the ball. After he cooperated with Zhong Hao, he went in from the side, and then passed the ball to the penalty area to find Gao Xiaodong.

The ball is passed very well, and the speed of the ball is not fast. A normal player who has played the ball just needs to judge the direction and jump forward, and the ball can be hit. But Gao Xiaodong is not a normal person, he even missed the head.

Fuck! This can all be missed!

Pig!

He's dumber than a pig!

Sun Haitao was very satisfied with his pass, and felt that he would definitely hit it. Seeing that Gao Xiaodong missed it, he was so angry that he kicked a piece of turf away, but after thinking about it, Gao Xiaodong had never kicked a ball before. It's normal to not be able to grab points.

Gao Xiaodong was also very sorry, he was right about where the ball landed, but his body couldn't keep up, so he could only watch the ball fly by in front of him.

In the last minute of the game, Zhong Hao launched an attack and passed the ball to Sun Haitao in the midfield. Sun Haitao passed two people in a row, and he found that Gao Xiaodong was the only one in the penalty area.

NND, what about the others! Sun Haitao had no choice but to kick the ball towards Gao Xiaodong.

The defenders of Class 4 didn't take Gao Xiaodong to heart, but they couldn't let him grab points. The No. 4 central defender wearing an Argentine jersey tried to squeeze Gao Xiaodong out of the way, but he was only over 100 catties. The fat bounced off, Gao Xiaodong didn't even shake his body.

The speed of the ball was not fast, but it was very accurate, and it flew towards Gao Xiaodong's head.

In reality, Gao Xiaodong has never practiced his heading skills for a day, but at this moment, Gao Xiaodong skillfully stood on his heels, exerted strength from his waist, and tapped his forehead, the ball changed direction and flew straight to the lower right corner of the goal.

Hold the grass! It's up! I'm going to head the ball now? The system is simply a super teacher! Gao Xiaodong rubbed his forehead and stared at the ball with wide eyes, to see if he could catch his first shot in his life.

The speed of the ball is not fast, but the distance is too close, and the amateur goalkeeper has no ability to react at all. When the goalkeeper of class 4 makes a move, the ball has already flown into the net.

1:1

Gao Xiaodong miraculously equalizes the score for Class 13 with his first shot.

Fuck! Come in!

It actually entered!

The fat man scored a goal!

Damn it! You're fucking lucky!

So handsome! A goal!

...

Those who know the ball on the sidelines cheer and applaud,

The little girls in Class 13 even screamed.

Gao Xiaodong didn't hear any of this. At the moment of scoring the goal, Gao Xiaodong's mind went blank, only the urge to run, so he started to run wildly. Although it was not much more than a running snail, he was indeed desperate. run.

Sun Haitao ran to Gao Xiaodong first, followed by Zhong Hao who was closer, then Song Xiaobo, Song Dabo, Zhang Shanhu, Yu Lei who was the farthest, and Zhu Daqiang who was standing on the sidelines... Everyone in Class 13 ran towards Gao Xiaodong , It took seven or eight people to overwhelm him on the turf.

the sidelines

The little girls in class 13 pointed to Gao Xiaodong who was pressed down on the arhat and talked a lot.

Gao Xiaodong is so good, he scored a goal.

He must be the best player in our class.

Wow! No wonder he invited the squad leader to watch the game. He wanted to show off.

Does the fat man want to chase the monitor?

Toad wants to eat swan meat, but he doesn't look in the mirror.

I heard that he just wanted to invite the squad leader to watch the game. We are all playing soy sauce.

...

The girls were talking loudly, and Zhao Xiyuan, the class monitor who was applauding excitedly at the goal, also heard it.

Zhao Xiyuan didn't think too much about coming to cheer for the team, she just felt that she was the leader of the first class, and since the students in the team had requested it, it was right to come to support the class. She never thought that Gao Xiaodong would have such an unreasonable idea. very unhappy.

Zhao Xiyuan's best friend Li Xiu said to Zhao Xiyuan curiously: I didn't expect this stupid fat man to know that he has a crush on beautiful women.

Zhao Xiyuan slapped Li Xiu's arm, Damn it, you're making fun of me too.

Li Xiu said with a smile: This stupid fat man is quite courageous, I don't know if he dares to confess his love to you?

Zhao Xiyuan frowned, and said, It's boring, the game is over, let's go back.

Li Xiu smiled and said, I also want to see if this stupid fat man has any amazing performances.

Zhao Xiyuan said: If you want to see, you can stay here and watch, I'm going back to study.

Zhao Xiyuan turned around and left.

Seeing that Zhao Xiyuan was leaving, Li Xiu hurriedly followed, and said, Who wants to see his ugliness, I still haven't finished the test papers.

Gao Xiaodong is still in the joy of scoring a goal, unaware that he has become the object of disgust of the goddess in the class.

The game ended after the kick-off in the middle circle of Class 4. The students in Class 4 were indignant because they were equalized by Class 13 at the last moment. The students in Class 13 regarded the tie as a victory when they escaped from death. After the game, they decided to have a big meal. Celebrate.

The place to eat is still the Red Rose Hotel. Before ordering, Sun Haitao told everyone that as the hero who scored the equalizer, Gao Xiaodong will be the first to move his chopsticks today, and no one is allowed to grab it.

However, when Gao Xiaodong wanted to eat the first dish of cucumber mixed with pig ears, a cold electronically synthesized voice appeared in his mind, During the body transformation period, players are not allowed to eat foreign food.

Damn, it's too deceitful. Gao Xiaodong almost said, No, I'll just take a bite.

Gao Xiaodong couldn't resist the temptation of delicious food, so he took a piece of pig ear and put it in his mouth, but before chewing twice, Gao Xiaodong felt nauseated, turned around quickly, Wow, not only the pig ear he just ate, but also the pig ear he ate yesterday He vomited out all the undigested food.

Fuck! What's wrong? Fatty.

Fatty, are you tired?

Fatty, did you catch a cold or something?

Fatty, are you pregnant?

Everyone asked with concern.

system! You are too poisonous. Gao Xiaodong cursed inwardly, but had to put on an uncomfortable look, saying: Maybe I'm too tired, but I won't eat today and lose weight. Save some for my brothers.

Gao Xiaodong hadn't finished speaking when he saw chopsticks flying on the dining table, and a few seconds later, a plate of cucumber and pig's ears was gone.

Gao Xiaodong really couldn't bear the pain of watching others gobble up the delicious food, he clutched his stomach and said, Brothers, eat slowly, I'm not feeling well, I'll go back first.

Zhu Daqiang ate the spicy chicken that was just served, and said: Eat some, don't lose weight, the meat that is so easy to grow, what to lose.

Sun Haitao chewed a piece of chicken bone and said, Eat some, losing weight is not a matter of a day or two.

No, the most important thing to lose weight is willpower. I must persist. Eat, I'm leaving.

Gao Xiaodong resisted the thought of having another bite, and left the hotel quickly.
