Chapter 251: She Is the President of Chaoyang Group

Ji Qingyan walked in from the car while lifting her skirt.

All the men's eyes were fixed on her. Even the women were attracted by her beauty.

"Who is this person? Is she a newcomer to the entertainment industry?"

"It doesn't seem like it. If she is from the entertainment industry, the agency will definitely have prepared a car for her. Why would they let her ride in a Shari?"

"That's right. Such a beautiful person will definitely be the top star in the entertainment industry in the future. The agency would treat her like a treasure. They wouldn't let her come so casually."

"What are you still standing there for? Hurry up and take a photo." A reporter took out a camera and pointed it at Ji Qingyan, snapping wildly.

"I was just saying that Liu Fangfei is the most beautiful woman in this charity banquet. I didn't expect her to be slapped in the face like this."

Seeing that all the cameras were aimed at Ji Qingyan, Liu Fangfei was so angry that she ground her teeth!

"I'm a big star that everyone should be looking at. What right does she have to compete with me?"

"It's actually her?"

Just when Liu Fangfei was at the peak of her anger, her assistant's words surprised her.

"Do you know each other?"

"Sister Fei, she's the Internet celebrity from yesterday. The gown that I was eyeing is the one she's wearing."

"I was wondering why she was riding in a Shari. It turns out she's an internet celebrity here to take advantage of the red carpet," Liu Fangfei said disdainfully with her head held high.

Ji Qingyan was not used to the sight of reporters and onlookers pointing their cameras at her.

She lifted the hem of her dress and walked to the small path outside, wanting to enter from the side.

"As expected, an internet celebrity is an internet celebrity. In front of Sister Fei, she has no aura at all," the assistant said. "After seeing you, they all walked around you."

"This is called self-awareness. Knowing that she can't be compared to me, she automatically stepped aside. She didn't want to embarrass herself."

"However, I still can't swallow this anger. If I could have gotten you her gown, today's charity banquet would have been even more perfect."

“It doesn’t matter. I’ll help you vent your anger.” Liu Fangfei said with narrowed eyes.

“Sister Fei, there are people here. You can’t be impulsive.”

“Don’t worry, I know what I’m doing,” said Liu Fangfei. “When she comes over later, she’ll definitely come and take a photo with me. I’ll humiliate her then!”

“That’s a good idea!” Replied the female assistant. “We must make her regret her actions yesterday!”

While the two of them were talking, Ji Qingyan walked to the hotel entrance and found two people standing at the door, blocking her way.

One of them looked very familiar. It seemed to be the person she had met at the clothing store the day before.

“Do you want to take a photo with me? Sorry, you are not qualified to do so” Liu Fangfei said.

Seeing Liu Fangfei’s cold attitude, the reporters shook their heads.

“As expected, in the entertainment industry, good-looking people are enemies. The moment they meet, they start arguing.”

“But with Liu Fangfei’s status in the entertainment industry, she certainly has the right to say such things to her.”

“That’s right. Not just everyone can take a photo with her.”

“Unfortunately, that beautiful woman is going to be embarrassed here.”

Ji Qingyan raised her head slightly, her expression a little cold.

“I don’t mean to take a photo with her. You guys are blocking my way.”

Eh...

The awkward atmosphere spread throughout the venue. Only then did Liu Fangfei and her assistant realize that they were indeed blocking her way.

“Haha...”

“Isn’t this Liu Fangfei a little too self-righteous? She thinks that just because she has some fame, others will naturally want to take a photo with her?”

“Either she’s overconfident, or she’s too thick-skinned. If it were me, I would have long found a hole to hide myself in.”

The two of them stepped aside and Ji Qingyan quietly walked past them. Liu Fangfei’s face was deathly pale and her chest was heaving up and down. She could not swallow her anger!

“Lady, don’t you know who I am?”

Ji Qingyan turned back. “You’re talking to me?”

“That’s right.”

“I’m sorry, I really don’t know who you are. I don’t think we’ve met before.”

Liu Fangfei was flustered, but she held back her anger and said, “I’m Liu Fangfei, the best newcomer who just won the Golden Rooster Award. You should know who I am now, right?”

“I don’t watch TV, nor do I fawn over celebrities. I really don’t know who you are.”

After saying this, Ji Qingyan walked into the hotel leisurely, not caring about Liu Fangfei at all.

“Haha... What’s wrong with Liu Fangfei? She thinks too highly of herself.”

“She wants to flex her sense of superiority in front of others, but they don’t even know who she is.”

“This slap to the face was too brutal!”

If Liu Fangfei was angry just now, she would be furious now!

Despite her status and fame, she was actually outdone by an unknown internet celebrity!

Outrageous!

“Security, what’s wrong with you!” Liu Yanxi said, “Today’s charity banquet will be attended by people from both the business and political sectors. How could you allow an internet celebrity on the red carpet? What are you thinking!”

“An internet celebrity?”

Hearing Liu Fangfei’s words, the reporters present finally realized Ji Qingyan’s identity.

They had originally thought that she would be a newcomer from a certain agency, but it turned out that she was actually just an internet celebrity.

Even so, this internet celebrity was really too attractive!

Despite this, in front of such a grand charity banquet, an Internet celebrity was indeed not qualified to participate. The hotel’s security standard was really too poor.

At the same time, a few security guards jogged over. “Madam, what did you say just now?”

“Didn’t you see? That woman in the black evening dress just walked in with a swagger.” Liu Fangfei lectured them. “How do you run things? Quickly drag that person out so as not to affect the atmosphere of the party!”

“Right, quickly chase her away, or else we won’t go in!” Liu Fangfei’s assistant said, “Between Sister Fei and that woman, only one of them can stay!”

The two security guards looked at each other and looked embarrassed. “Ms. Liu, do you have to be like this? This can all be discussed.”

“There’s no need to discuss this. I don’t want to appear at the same party with an internet celebrity and lower the level of the party.”

“Alright then, Ms. Liu, this way please,” said the security guard.

“Huh? What do you mean?”

Seeing the security guard asking them to walk on the side path, Liu Sisi and her assistant looked puzzled.

“What do you mean?!”

“Didn’t you say that you don’t want to appear at the same party as the lady just now? In that case, you have to leave.”

Liu Fangfei was furious. “What do you mean? Do you know who I am? How dare you chase me away! I am Liu Fangfei, am I not even as good as an internet celebrity?”

“Ms Liu, you may have misunderstood. That lady just now was not an internet celebrity. She is the president of Chaoyang Group of China. She is today’s honored guest. After weighing the pros and cons, we have no choice but to ask you to leave.”

Chapter 252: The Difference Between a Woman and a Girl

“What... what did you say? She’s the president of Chaoyang Group?!”

Liu Fangfei and her assistant were stunned. They did not expect Ji Qingyan to have such a high status.

“That’s right. The market value of Chaoyang Group has already reached 3 billion. You’ve heard of it before, haven’t you?”

Liu Fangfei had never heard of the name Chaoyang Group. Even so, the figure of 3 billion made Liu Fangfei’s head buzz!

Such a person was not someone she could compare to!

“Haha...”

The mocking laughter came again, and the surrounding reporters and onlookers almost burst into tears.

“Does this Liu Fangfei really think so highly of herself?”

“She’s a female president with a net worth of 3 billion, and this girl actually referred to her as an internet celebrity? Which internet celebrity has such a good temperament? On the other hand, she’s relying on her fame to act arrogant like a country bumpkin!”

“Hurry up and leave. I’ve already pointed out the path for you. Don’t just stand there.”

Liu Fangfei was extremely embarrassed and wished she could find a hole to hide in.

She had been slapped in the face too hard.

“Fei... Sister Fei, what should we do now? Should we leave or not?” The female assistant said awkwardly.

“Why should we leave? I’m still waiting to see Young Master Qin.” Liu Fangfei said, “CEO Yang finally gave me the chance to fight for this, so I give it up so easily.”

Under everyone's watchful eyes, the two lowered their heads and walked in dejectedly.

In the face of benefits, pride wasn't important.

At the same time, Lin Yi drove the car into the parking lot at the side.

Just as he parked the car, Qin Han called.

"Are you at Yun Lan Hotel?"

"How do you know?"

"I saw your Shari." Qin Han said. "I'm at Door C. You can see me as soon as you come in."

"Okay, wait for me there."

Lin Yi wasn't surprised that Qin Han would show up here. Even someone of Ji Qingyan's status had accepted the invitation, let alone a family like the Qin family.

Lin Yi parked the car and walked to Door C where he saw Qin Han in a black suit.

"Old Lin, don't tell me. After you put on the suit, you look even more like a scumbag," Qin Han said with a laugh.

"F*ck off, I'm a decent person."

"What kind of f*cking decent person will visit those happy ending parlors every day?"

"Aren't you the same? Didn't you recommend Huaqing Lake to me a few days ago? You even asked me to get the emperor set while I was there. That's what you said, right?"

"Yeah, I'm not a decent person. I admit it."

"F*ck! You're really a businessman."

"Alright, let's not argue anymore," Qin Han said.

"You have so many good cars that you don't drive. Why did you drive Shari here? There are so many pretty girls here today. You can't show off by driving a Shari."

"With my current level, I've long surpassed the level where I need to show off with my cars."

"Yes, yes, yes. You're flexing in front of me again." Qin Han put his arm around Lin Yi's shoulder and winked.

"I noticed. You're really good at this. You're really really good at this."

"What's wrong with you? Are you sleeptalking now?" Lin Yi asked.

"F*ck, it's just the two of us. What's with point of acting like a gentleman?" Qin Han said.

"Do you still remember? A few days ago, a young lady friend of yours was blackmailed by an old hooligan who drove a BMW."

"I remember. What about it?"

"After that, I changed my tastes and got to know a few young ladies. It really opened up a whole new world for me." Qin Han sighed.

"I f*cking patted her butt and she immediately knew what pose to take next. If it were those young ladies, they would f*cking turn around and ask me why I patted their butt. You really know how to enjoy yourself."

"I'm one of the richest kids in China, and I'm only learning this now. I've wasted all these years." Qin Han said.

"That's why I'm just an elementary school student in front of you," Qin Han said. "I have a young woman in my room. She doesn't have the body or looks that suit my tastes. Do you want her? You can have her."

"I'm not interested. You can keep her."

"Stop pretending. Put on your suit jacket. You're still a scumbag."

"Fuck off." Lin Yi tidied up his suit. "I'll go in first. You can keep yourself company."

"Okay, don't leave later tonight. I'll find a place for us to have a drink."

"Not interested."

"Visitng the parlor again?"

"That's something to consider," Lin Yi said. "I'll get the imperial set when I'm free."

"Nice."

Qin Han had helped him out a few times before, and it was just a membership card, so he was returning the favor now.

"Mr. Lin."

He'd just sent Qin Han off when he heard someone greet him.

He turned around and saw that it was Guo Rui.

Lin Yi was a little surprised by Guo Rui's appearance.

She was a professor at the drama school, so it was unexpected for her to be here.

Guo Rui's outfit was gentle and elegant, with black high heels and a light-colored strapless dress. The colors matched well, and she had her own unique take on how to wear it.

"What a coincidence, running into you here." Lin Yi said with a smile.

"Are you surprised?"

"A little, indeed." Lin Yi said with a smile.

"Apart from being a professor at the Drama Academy, I'm also the vice president of the Chinese Literature and Sports Association. I was invited here today."

Guo Rui looked Lin Yi up and down and said with a smile, "But Mr. Lin, are you dressed like this to run errands?"

"Uh..."

Lin Yi smiled, "I followed a friend here."

"Since Mr. Lin doesn't want to talk about it, I won't ask anymore." Guo Rui pointed to the second floor.

"My husband is here today, so I won't talk to you anymore. Call me if you need anything. I'll leave first."

"Okay."

Lin Yi watched as Guo Rui walked up to the second floor. He was going to meet up with Ji Qingyan on the first floor.

However, Qin Han, who had just reached the second floor, overheard Lin Yi and Guo Rui's conversation.

It was also at this time that Qin Han saw Guo Rui walking past him.

This bird was only semi-old and still had her charm.

Even though she was old, her figure was still very well maintained. She stuck out where she should stick out and curved where she should curve.

He was so f*cking awesome!

"What the f*ck, he actually hooked up with the vice president of the Chinese Literature and Sports Association. He even played her a song after he was done. He's so f*cking awesome."

1

The venue of the charity banquet was bigger than Lin Yi had imagined, and there were a lot of people there. However, after searching for a long time, he still couldn't find Ji Qingyan.

Buzz, Buzz, Buzz...

Lin Yi's phone rang. It was a WeChat message from Ji Qingyan.

Ji Qingyan, "I met a few friends at the venue. We're discussing something on the second floor. We'll look for you later. There are a lot of pretty girls at the venue, so I'll give you a break to check them out."

Lin Yi smiled and put his phone back into his pocket.

This Ji Qingyan was getting more and more naughty.

Lin Yi didn't plan on strolling around since Ji Qingyan wasn't around. He found a corner and sat down. He wanted to fill his stomach first.

A few second-generation rich kids surrounded Liu Fangfei in the middle of the crowd, trying to curry favor with her.

"Miss Liu, I've seen your previous period dramas. Your acting is too good. In the next few years, the domestic film industry will be yours."

“Young Master Zhou, you’re too kind. I’m just a newbie. I can’t compare to those seniors,” Liu Fangfei replied casually.

The person she called Young Master Zhou was called Zhou Zihao. He was the general manager of Zhonghai Jiade Industrial, and the chairman was his father.

Liu Fangfei had some understanding of Zhou Zihao’s situation. He was worth more than one billion dollars, but in a city like Zhonghai, one billion dollars was really not a lot.

The amount of money under his control was even more limited. It would be almost impossible for him to promote her to a higher position.

Apart from Qin Han, no one else was qualified to be her target!

“Why did the driver come in?” Liu Fangfei’s assistant asked.

“Who?”

The assistant pointed at Lin Yi in the corner. “He was the one who scolded me at the clothing store yesterday!”

“So it’s her driver!”

Seeing Lin Yi, Liu Fangfei immediately thought of Ji Qingyan!

If it wasn’t for that woman, she wouldn’t have been so embarrassed!

“I’ll go take a look.” She said as she walked over to Lin Yi with a glass of red wine in her hand

I can’t handle her, but I can take it out on you!

Chapter 253: Your Mother Is In My Room

Liu Fangfei slowly walked towards Lin Yi with a glass of wine in her hand.

Her assistant, Zhou Zihao, and the others followed behind to watch the show.

Lin Yi raised his head when he saw someone approaching. One of them looked familiar. It seemed to be the retard who wanted to buy Ji Qingyan’s dress yesterday.

The person standing next to her was probably her master.

When she was a meter away from Lin Yi, Liu Fangfei deliberately leaned forward.

She took the opportunity to pour all the red wine in her glass over!

“Damn it, you set me up!”

Lin Yi turned his body to the side and perfectly avoided the red wine.

Liu Fangfei panicked. She thought that she could pour the red wine over Lin Yi so that she wouldn’t fall down and later sue him for molestation.

She didn’t expect this guy to be so skilled!

Ah!

Liu Fangfei screamed and fell to the ground. She was in an extremely sorry state!

Her scream attracted everyone's attention and they all looked at Lin Yi.

However, they didn't pay too much attention to her after they found out that she was a small celebrity.

There were as many celebrities in Zhong Hai as there were carps crossing the river. It wasn't worth wasting time on them.

The people present were all financial bosses, and female celebrities were just playthings in their eyes.

They were not worth their concern.

"Miss Liu, are you okay?"

Seeing Liu Fangfei fall to the ground, Zhou Zihao quickly went up to help her up. He pointed at Lin Yi and shouted,

"What's wrong with you? You knew Miss Liu was going to fall, but you didn't help her?"

"Help her? What does it have to do with me?"

"You're talking nonsense! You're the one who tripped me, and you're saying it has nothing to do with you!" Liu Fangfei said, pretending to be wronged.

"You're talking nonsense. You should at least find a better excuse," Lin Yi said. "If your legs get weak, you'll have to look for the person you slept with yesterday. You can't blame me, can you?"

"You!"

Liu Fangfei was so angry that she couldn't speak. She didn't expect this guy to speak so rudely!

"Kid, you better watch what you say!" Zhou Zihao said. "The person standing in front of you is Miss Liu Fangfei. Watch your mouth!"

"Miss? Which club? I'll go and support them when I'm free."

"Haha..."

The people around Lin Yi laughed out loud. This guy was really interesting.

He dared to say something like that in such a situation.

Zhou Zihao narrowed his eyes and said in a deep voice,

"I order you to apologize to Miss Liu, or I'll make you suffer!"

"What? Are you the lobby manager? Do you want me to take away the dishes after you finish eating too?"

"You!"

Zhou Zihao was so angered that his eyes were wide open. "Let me tell you, I'm the general manager of Jiade Industrial, and the chairman, Zhou Yuankang, is my father. With my father's network in Zhong Hai, it's more than enough to kill you!"

"Then hurry up and find your father. I want to see how he kills me."

The people around were watching the farce in front of them with great interest.

Jiade Industrial of the Zhou family had a certain reputation in Zhong Hai. Its market value was over one billion.

Moreover, the man in front of him didn't seem to be a rich young master. It would be interesting to see how he was going to quell Zhou Zihao's anger.

Zhou Zihao took out his cell phone and started to make a call.

However, no one picked up after calling several times.

Zhou Zihao was also a little anxious. Why couldn't he get through to his father at such a critical time?

"Young Master Zhou, if the call doesn't go through, then forget it. It's not a big deal," Liu Fangfei said.

Liu Fangfei was skilled at this game. She used the card of playing hard to get.

Liu Fangfei's thoughts were also very simple.

She hadn't contacted Young Master Qin yet, but it would still be good to use this sucker help vent her anger.

"How can you let it go so easily? I have to help you vent your anger today!"

Liu Fangfei's goading worked. Not only did Zhou Zihao not give up, he was even more enraged.

"My dad might be busy. I'll call my mom and ask her to send some people over."

As he spoke, Zhou Zihao dialed his mother's number, but there was still no answer.

"Make way!"

Just as the situation was getting awkward, a shout was heard.

Everyone turned around and realized that the person who walked over was the famous Young Master Qin!

Everyone was a little surprised. It was very unusual to see Qin Han at this time.

The charity banquet had not officially started yet, while the truly famous people were all discussing matters on the second floor.

However, Young Master Qin had come down at this time. Could it be for something important?

Qin Han walked over to Lin Yi, his face cold and unfriendly.

He'd just finished his preparations and was about to go straight to let off some sexual tension when he heard his subordinate report that someone had provoked Lin Yi.

Qin Han was so angry that he pulled up his pants and came out.

Liu Fangfei's face lit up when she saw Qin Han coming over.

She came here today to get to know Qin Han. She was worried that she wouldn't be able to find him, but she didn't expect him to appear at this time!

Could it be that he knew that she was being bullied, so he rushed over?

"Hello, Young Master Qin."

Seeing Qin Han, Liu Fangfei bowed slightly, displaying the temperament of a young lady from a wealthy family.

Glancing at Liu Fangfei, Qin Han rolled his eyes, seemingly a little familiar with who she was.

"You must be that Liu Fangfei."

"I didn't expect Young Master Qin to still remember me. It's such an honor."

The expression on her face was calm, but Liu Fangfei's heart was ecstatic.

She had heard from people in the industry that Qin Han had a unique preference for female celebrities in the entertainment industry.

Moreover, she was the hottest little starlet at the moment. As long as she performed well here, she should be able to leave an impression on him.

She now had a way into the Qin family.

Liu Fangfei looked pretty good, or else she wouldn't have been able to make a name for herself in the entertainment industry.

If it was the Qin Han of the past, he might have been a little interested in her.

However, now, under Lin Yi's influence, Qin Han's taste had changed.

He might have been able to look at her once, but now he wasn't interested anymore.

"Young Master Qin, you're here."

Zhou Zihao greeted Qin Han. They were both rich heirs of Zhong Hai, and they had previously shared some interactions.

They weren't on the same level as Qin Han. Although they had drinks together, the latter forgot about it the next day.

"What's going on?" Qin Han asked with a cold face.

"Young Master Qin, here's the thing." Zhou Zihao said,

"This guy deliberately messed with Miss Liu, and he even said some crazy words and refused to apologize. I'm calling my mom to get someone to teach him a lesson!"

"Calling your mom?" Qin Han's expression changed slightly. "The call didn't go through, right?"

“Huh? How did Young Master Qin know?” Zhou Zihao asked curiously.

“Cough, cough, cough...”

Qin Han coughed a few times and said lightly,

“Because your mother is in my room. If you have something urgent to ask her, go to the presidential suite upstairs.”

Chapter 254: I Want to Pursue Ji Qingyan, Please Make Way

PFFFT!

Lin Yi couldn't help but burst out laughing.

Qin Han, you're the one who's awesome!

The others weren't as brave as Lin Yi, but they forced themselves to smile.

This news was too explosive!

If someone dared to report it, it would definitely be trending on Weibo.

“Although your mother is in my room, don't misunderstand,” Qin Han said.

“Your mother and I are discussing a project worth 200 million dollars, and it's about to be finalized. Once the project is completed, your Zhou family's stock will definitely rise.”

“I, I see.” Zhou Zihao said awkwardly, “Since you are discussing business, I won't disturb you.”

Zhou Zihao was so embarrassed that he felt ashamed.

He had no time to worry about Liu Fangfei's matter. It was better to leave as soon as possible.

“Wait.” Qin Han said with a cold face, “You want to leave before this matter is settled?”

“Young Master Qin, I have already explained everything to you,” Zhou Zihao said in confusion.

“You two are involved in this matter, right?”

“Young Master Qin, please calm down. Although he secretly tried to trip me, nothing happened to me. You don't have to be angry over such a small matter. It's bad for your health,” Liu Fangfei said gently.

Seeing Liu Fangfei's flirtatious look, everyone broke out in a cold sweat for the man in the suit.

People like Qin Han were truly unrestrained.

Judging from Liu Fangfei's expression, it was likely that there was something ambiguous going on between the two of them.

Now, with so many people present, Young Master Qin probably wouldn't let him off easily for the sake of his own reputation.

“What the hell is wrong with you!”

Qin Han looked at Liu Fangfei and scolded, "Did you try to sabotage him in secret? Are you even worthy of being tripped by him?"

Liu Fangfei froze, her head buzzing from the scolding.

She didn't know him very well, but with her fame and looks, the situation shouldn't be like this.

Qin Han's gaze swept over Liu Fangfei and Zhou Zihao slowly, and he said coldly,

"Let me tell you, Lin Yi is my brother. You two better behave yourselves. If I lose my temper, neither of you will be able to stay in Zhong Hai anymore!"

"Got it, got it."

Liu Fangfei and Zhou Zihao said with trepidation.

"Old Lin, let's go. I'll take you upstairs and we'll come down after the banquet starts."

"Alright, I guess it'll be quieter up there."

Under everyone's watchful eyes, Lin Yi went to the second floor of the hotel.

It was only when he reached the second floor that Lin Yi realized that there was a different world here.

On the second floor, there was an open garden that looked up toward the sky. Lin Yi glanced at it lightly. There were about thirty people gathered together in groups of twos and threes. Ji Qingyan was also there, chatting and laughing with the two middle-aged women.

"Alright, I don't have anything else to do. You can go ahead and continue,"

"You'll be bored if I leave. Do you want me to arrange a few girls for You?" Qin Han said.

"It's fine. You should go and visit Zhou Zihao's mother."

"We're the same. Let's not talk about each other anymore." Qin Han stood up and said, "Since you don't need me to accompany you, I'll go up and have some fun. Call me if you need me."

"Okay."

Qin Han left, and Lin Yi sat down in the coffee shop on the second floor. He ordered a cup of coffee and waited for Ji Qingyan to come over.

It was just a huge coffee shop, and he looked a little lonely by himself.

"Have you prepared the gift for President Ji?"

Just as Lin Yi was sipping the coffee, he saw a young man walking over alongside his men not far away .

The man who spoke was wearing a white shirt and black slacks. His hair was combed and he wore a gold wristwatch on his wrist. He walked with a breezy aura.

The man's name was Zhao Zhengyang. His father, Zhao Tianhong, was the founder of the Tianhong Foundation and the organizer of this charity banquet.

The reason why the Zhao family's charity banquet could attract so many celebrities from the business world was because the Zhao family had power and status that was not inferior to the Qin family.

This was also the reason why the Tianhong Foundation had been running for more than ten years and was becoming increasingly popular.

"The 99 Blue Enchantresses that were flown back from the Netherlands have been prepared. Secretary Wang is in the elevator right now, and they will be delivered soon."

The person who spoke was Zhao Tianyang's senior assistant, Qu Nan.

The trivial matters were all handled by Qu Nan.

"Alright, let's wait here for a while. When the flowers are delivered, we will start our act!"

"Director Zhao, Ji Qingyan is famous in the circle for being hard to woo. What if she doesn't give you any face?"

"In this world, there are no women who are hard to woo. Those who say that women are hard to woo are those who are not well-equipped." Zhao Zhengyang sneered, "The reason why she's hard to get is because others have lacked the sufficient hardware. This doesn't apply to me."

"You're right, Director Zhao." Qu Nan smiled. "You're one of the best in Zhong Hai. I can count the number of people who can be compared to you on one hand."

"That's why I've put on such a big show. It won't be a problem for me to take down Ji Qingyan."

Lin Yi took a sip of his coffee and couldn't help but smile.

There was going to be a good show to watch later.

Not long after, a woman in a black dress came out of the elevator and handed the rose and diamond ring to Zhao Zhengyang.

Looking at the beautiful Blue Enchantresses and the dazzling diamond ring, Zhao Zhengyang was full of confidence. It wouldn't be a problem for him to take down Ji Qingyan.

He took a deep breath and looked around. He found Lin Yi not far away and bent down.

"Go and clean them up. I don't want anyone to disturb me, but remember, don't use extreme methods and send them away with money. I don't want Ji Qingyan to know that I'm prone to violence."

"Got it, Boss Zhao. I'll go now."

With a nod, Qu Nan walked up to Lin Yi and said politely,

"Sir, can I discuss something with you?"

"What is it?"

"Our Director Zhao wants to use this place to gift flowers to a lady later. Can you give way? But don't worry, we will pay you."

"Pay?" Lin Yi said faintly. "How much?"

Seeing that Lin Yi was a money-minded person, Qu Nan relaxed a lot.

For rich people, things that could be solved with money were no big deal.

Qu Nan took out 500 dollars from his pocket. "This is your reward. I hope you can accept it."

"Are you kidding me?" Lin Yi said expressionlessly. "I've already booked a room at the Yun Lan Hotel, but you think I still need your 500 dollars? Are you trying to get rid of a beggar?"

Qu Nan looked at Lin Yi and sized him up. He realized that this person wasn't ordinary.

Just like he said, no one could afford to stay here with the standard of Yun Lan Hotel.

"I'm sorry, I was being rude."

Qu Nan's expression didn't change as he took out another stack of money from his bag.

"I don't know how much this is, but it's at least 2,000 dollars. It should be enough to pay for you to leave this area for ten minutes."

"2,000?"

Lin Yi shook his head and smiled. "I can leave if you want me to, but I'll only leave the cafe for 50,000 dollars. If you do that, ten days won't be a problem, let alone ten minutes."

Chapter 255: Show Off Again

Qu Nan frowned, his expression unfriendly.

Taking 2,000 dollars and asking him to leave for ten minutes was already quite a lot. He was actually asking for 50,000 dollars. Who gave him the courage?!

"Sir, there is a limit to everything. I hope you have some self-awareness," Qu Nan said.

"50,000 dollars is not too much. I see that you guys are spending money and also have diamond rings. I'm guessing you want to confess to some girl. If you can't even give up this little money, how are you going to woo her?"

"You sure know how to judge the situation, Kid. I'll give you 50,000 to pay you to get out of here!" Zhao Zhengyang suddenly said.

"No problem." Lin Yi chuckled. "I can tell that you're a bright person. No wonder you're the boss. You're much better than your men."

"I like people like you who can talk."

Zhao Zhengyang took out his checkbook and wrote a string of zeros before handing it over to Lin Yi.

"You should be satisfied now, right?"

"Boss, I see that you have a full heaven, a square earth, a ruddy complexion, and an excellent temperament. Today is a prosperous day for you, so a small matter like wooing a girl should be a piece of cake for you."

“Haha, your eyesight is pretty good.” Zhao Zhengyang said with a smile. “You’ve taken the money too. Let’s go now. Don’t delay my business.”

“Alright, alright, alright. I’ll be far away. I wish you success in your courtship!”

Lin Yi took the check and left, heading towards the sky garden.

“Yo, whose handsome guy is this? He’s so handsome.”

The person who spoke was a middle-aged woman in front of Ji Qingyan. She was slightly chubby and her eyes were filled with admiration.

“He’s really not bad. The suit on him is even more tantalizing than the fresh meat on TV.” Another tall woman said.

Ji Qingyan turned around when she heard the conversation between her two friends. She was surprised to find that it was Lin Yi they were speaking about.

Was he bored down there? Did he come looking for her?

She had indeed made him wait for a long time.

“Lin Yi, you’re here,” Ji Qingyan said apologetically. “It’s been a long time since we last met, so we just talked for a while.”

Lin Yi walked over with a smile and put his arm around her waist.

“It’s nothing. I just came to see you.”

“Yo yo yo, so this handsome little guy is here to see you.” The chubby woman said.

“I knew it. Among all the women here, Qingyan is the only one worthy of this handsome little guy.”

“Oh my, Sister Zheng, what are you talking about?” Qingyan’s face was red. It wasn’t because they were joking, but because Lin Yi had his arm around her waist.

It was too embarrassing with so many people watching.

This guy was getting more and more daring.

“Alright, alright, you two head down first.” The woman called Sister Zheng said,

“The charity banquet is about to start. We’ll go down too. Let’s talk about business another day.”

Ji Qingyan nodded shyly. “Sister Zheng, Sister Xiao, we’ll head down first.”

“Okay, go on.”

The woman called Sister Zheng waved her hand and smiled as she watched Lin Yi and Ji Qingyan leave.

At the same time, Zhao Zhengyang and Qu Nan stared at Lin Yi and Ji Qingyan with their mouths agape.

“What’s going on?! Why did that man take Ji Qingyan Away? !”

“I... I don’t know either!” Qu Nan said in confusion!

“Damn it, we were played by him!” Zhao Zhengyang said in exasperation, “He already knew that the person I was going to chase was Ji Qingyan, and he actually played this trick on me!”

Thinking of the incident just now, Zhao Zhengyang could not help but get angry!

And he even gave him 50,000 dollars!

He was played like a fool!

“Director Zhao, what should we do about this? Are we just going to let it go?” Qu Nan asked.

“Look at that smooth-talking face of his. He’s obviously a gigolo,” Zhao Zhengyang said.

“The charity banquet will start soon. We can’t let him delay our matter. I’ll deal with him when I have the chance!”

...

After leaving the hanging garden, Lin Yi held onto Ji Qingyan and walked down the stairs.

“Teacher Lin, there’s no one here anymore. You’ve been clutching onto me for so long. Can you let go?”

Ji Qingyan didn’t mind letting Lin Yi hold her, but she was a little embarrassed.

“Keep your voice down, we have to continue acting. Hold on a little longer.”

“Huh? What acting?” Ji Qingyan asked curiously.

“I was waiting for you at the coffee shop on the second floor. A retard wanted to go after a woman and gave me fifty thousand dollar. He told me to leave as soon as possible so that I wouldn’t get in their way. I listened to him and left with the money,” Lin Yi said honestly.

With Ji Qingyan’s intelligence, she was able to see through it easily.

“Was the girl he was chasing me?” Ji Qingyan asked tentatively.

“I don’t know. The diamond ring and the roses are already ready. I was afraid that you would be envious, so I took you away.”

Lin Yi’s actions made Ji Qingyan laugh so hard that she rocked back and forth.

Although Lin Yi didn’t say it explicitly, he had wrapped his arms around her waist. Unless something else had happened, she must be the one being talked about.

Most importantly, he took 50,000 dollars from the guy. That person would probably die from anger.

The two of them went downstairs and Ji Qingyan said in a low voice,

“Teacher Lin, we’re already on the first floor. Can you take your hands off me?”

“If you don’t keep up the act for a while longer, you might have to deal with the whole matter.”

“You only know how to take advantage of me.” Ji Qingyan rolled her eyes at Lin Yi. “If you really want to hug me, I’ll give you a chance in the future. There are too many people here. Let go.”

“You said it yourself. I’ll write it down in my notebook.”

“I’ve never seen you so focused on company matters, yet you can’t stop taking advantage of me.”

“I can’t help it. Not everyone has a fat waist like this.”

“Alright, there are too many people here. Let go of me.” Ji Qingyan said embarrassedly.

Lin Yi also knew that Ji Qingyan was thin-skinned, so he finally pulled back. Then, the two of them stood aside and waited for the charity banquet to begin.

Soon, the big shots who were discussing business on the second floor came down one after another, and the charity banquet officially began.

Under everyone’s watchful eyes, Zhao Zhengyang walked up to the stage, holding the microphone and sweeping away the haze from his face, as if nothing had happened.

“Welcome, everyone, to our Tianhong Foundation’s charity banquet. I now announce that the charity banquet has officially begun!”

As soon as Zhao Zhengyang finished speaking, a soothing waltz sounded in the venue, and the crowd automatically dispersed to both sides.

Lin Yi looked around and said, “What the hell? Isn’t this the charity banquet? Why are they dancing?”

“The banquet title is just for show. According to the procedure, there will be an opening dance, followed by the charity auction. The money from the auction will be donated to the hope project. That’s the gist of it.”

“It’s all just a formality.”

“I think it’s flashy too, but the upper class love it. Otherwise, how can you differentiate yourself from the ordinary people?” Ji Qingyan said helplessly.

Pairs of men and women walked into the centre ballroom under a soothing waltz and started dancing.

Some were hugging other people’s wives, some were holding hugging other people’s husbands, some were hugging their goddaughters, and some were hugging their own godsons. In short, a pair of strange couples were dancing crazily in the ballroom, causing Lin Yi’s head to hurt.

“President Ji, can I have the honor of having a dance?” A man in his thirties invited.

“You’re very unlucky,” Lin Yi said lightly.

Lin Yi’s words made Ji Qingyan’s heart tighten with sweetness.

It felt good when he helped her chase away these boring people.

Chapter 256: Ji Qingyan’s Little Joy

The bald man paused when he saw Lin Yi. He smiled.

“Mr. Lin, I know that you and Young Master Qin are good friends, but I didn’t mean anything by inviting President Ji to dance. I hope you don’t misunderstand.”

"I wouldn't go so far as to misunderstand, but it's not easy to ask President Ji to dance."

"Is there anything else you need?"

"Of course."

Lin Yi pointed at his face. "Do you think you're more handsome than me?"

"Okay, I don't think so..."

Lin Yi pulled on the sleeve of his suit again, revealing the Patek Philippe's 175th anniversary wristwatch.

"Do you think you're richer than me?"

"Yeah, I don't think so either."

"Then why don't you go dance a little? Get lost."

The bald man didn't dare to retort after being scolded by Lin Yi. He couldn't afford to offend such a person, so he could only leave dejectedly.

"Just get rid of him. Don't scold him," Ji Qingyan said in a low voice.

"Looking at his stupid hair, I can tell that he's not a good person. I'm already being polite."

Ji Qingyan's heart was sweet, and her smile was cute.

"Then tonight, I will leave the people who invite me to dance to you. You must help me block them," Ji Qingyan whispered.

"Don't you want to go up and give it a try?"

"I want to, but I don't know how to do it." Ji Qingyan pouted and said.

"I only learned a little when I was in university. And you don't know, but the PE teacher at that time was too much. He said that my body was made of steel and I couldn't turn. I am still angry when I think about it now."

"Wait, who did you dance with when you were in college?"

"Classmates."

"You even danced waltzes with boys?"

Seeing Lin Yi's jealous look, Ji Qingyan's heart was filled with joy.

"It's not what you think," Ji Qingyan explained.

"There are a lot of girls who took my class, so there are a lot of girl pairs in class. My partner was my roommate back then, and I even stepped on her shoes."

"You have the nerve to say that?" Lin Yi didn't know whether to laugh or cry.

"You don't have the right to say anything about me. At least I know how to dance a little, while you on the other hand don't know anything. Hmph."

“Yes, yes, yes. You’re the best, you know everything.”

Ji Qingyan chuckled. “Since my skills are limited, I’ll leave this difficult task to you. If you can’t stop those people, I’ll go up and dance with them.”

“You’re openly threatening me.”

“That’s right, it’s a threat.” Ji Qingyan said proudly with her head held high.

At that moment, a graceful figure walked over. Lin Yi realized that it was Guo Rui.

She stood in front of Lin Yi and said gently,

“Mr. Lin, may I invite you to dance with me?”

“Hmm?”

Ji Qingyan wasn’t happy at all. She was like a tigress ready to fight.

“I’m sorry, but he’s already invited me. I’m afraid he can’t accept your request.”

Ji Qingyan couldn’t reject someone on Lin Yi’s behalf, so she could only say this.

Guo Rui was stunned. The two of them were talking and laughing, but they didn’t have any intention of dancing. Why were they going to dance the moment she arrived?

Ji Qingyan raised her skirt and stood up. She stretched out her delicate hand as if she was declaring war.

“Let’s go.”

Lin Yi was stunned. You can’t even dance, so why did you invite me?

And Guo Rui, your husband is here, why did you come to join in the fun?

Sigh, being too handsome is a burden.

Helpless, Lin Yi stood up and held Ji Qingyan’s hand. He walked slowly to the center of the dance floor.

“Why did you invite me if you don’t know how to dance? Aren’t you afraid of being exposed?” Lin Yi said.

“That woman doesn’t look like a good person to me. She might be trying to take advantage of you,” Ji Qingyan said angrily.

Lin Yi didn’t know whether to laugh or cry. Ji Qingyan’s temper was a like a tigress’.

She was protecting her food.

“What do we do now? Are you sure you want to dance?”

“We’re already here, so we just have to make the leap,” Ji Qingyan said nervously.

“But don’t be nervous. Just do as I say.”

Lin Yi didn’t know what to say to describe Ji Qingyan anymore.

I should be the one saying this.

“Reach out your left hand and grab my hand,” Ji Qingyan ordered in a low voice.

“And then?” Lin Yi smiled and cooperated.

“Hold my waist with your right hand.”

“I know how to do that.”

“You’re going to die. I told you to hold my waist, not go any further down.”

“Sorry, sorry, it’s an occupational disease.”

The two got into position. Ji Qingyan took a deep breath and cheered herself up.

A smart person like Lin Yi would definitely know how to do this. As long as he was careful, there shouldn’t be any big problems.

“Listen to my commands. Let’s dance together and try not to make any mistakes. Otherwise, we’ll embarrass ourselves.”

“Forget it, you should follow me.”

“You know how to waltz?”

Lin Yi didn’t answer Ji Qingyan’s question, but used his actions to show her the answer.

Under Lin Yi’s lead, Ji Qingyan danced in the middle of the dance floor.

At that moment, Ji Qingyan’s mind was blank.

She couldn’t imagine herself being able to waltz to this extent.

However, she also knew that this was all thanks to Lin Yi.

If it wasn’t for him, she probably wouldn’t even have been able to dance a complete eight beats.

Still, why was he able to dance a waltz so well?

Why did he know so many things?

And she didn’t know anything?

At that moment, Lin Yi and Ji Qingyan had become the focus of the entire venue.

Under the allure the black evening dress, Ji Qingyan was like a swift and graceful swallow-tailed butterfly, her graceful dance winning the hearts of the audience!

After the dance, the applause from the audience was thunderous. They were all captivated by their dance moves.

Lin Yi brought Ji Qingyan back to her original seat.

However, Ji Qingyan’s nervousness hadn’t settled down yet.

It felt like everything that happened just now was a dream.

If Lin Yi hadn't brought her along, she might never have experienced that kind of recklessness.

"Lin Yi, why are you so good at waltzing? Have you studied this before?"

"I taught myself. Do you believe me?"

"I do." Ji Qingyan nodded.

"If you believe that, aren't you afraid that I'm tricking you?"

"Because you're smart." Ji Qingyan looked at Lin Yi with a smile. "Usually, men who cook well aren't stupid."

"I can't argue with that. I'll cook you a meal as a reward."

"Okay." Ji Qingyan said happily. "But I can't let you cook again this month. We've already agreed that I'll cook you a meal first."

"Deal."

Zhao Zhengyang narrowed his eyes when he saw the two of them talking and laughing.

"Damned gigolo, how dare you set me up? I will definitely not forgive you!"

Chapter 257: Being Pretty Is the Same if You Turn Off the Lights

The dance didn't last long, ending in less than an hour.

On the other hand, Guo Rui looked at Lin Yi with a smile on her face. She found the girl next to him quite interesting.

She looked just like those girls who were just starting to fall in love.

After the dance ended, the attendees all sat down on the chairs at the side.

Next up was the highlight of the night, the charity auction.

In Lin Yi's memory, this was the first time he'd ever attended such an event.

"Did you participate in auctions when you came here in the past?"

"I'll bid for anything interesting," Ji Qingyan said. "But you and I shouldn't bid for anything at this auction today."

"What's wrong? You can't buy anything here?"

"It's not that we can't, it's that we don't have to," Qingyan said. "We have our own foundation. Why should we give them the money and take it home their goods just for charity? Won't it be the same if we just give it to our own foundation?"

"That makes sense too."

Lin Yi smiled. This Ji Qingyan was quite good at housekeeping. She even paid attention to such minute details.

There were a total of eight items in the auction, and most of them were calligraphy and antiques. There was even something similar to feng shui that the middle-aged nouveau riche loved.

Under Ji Qingyan's instructions, Lin Yi sat by the side and watched the show. He had no intention of bidding.

Qin Han, on the other hand, bought a calligraphy and painting for 7.39 million, but judging from his expression, he didn't seem to be interested in them at all. He was just there to support the auction.

About two hours later, the last item was sold, signaling the end of the auction.

One by one, the participants left, and so did Ji Qingyan and Lin Yi.

Lin Yi originally planned to bring Ji Qingyan to Jiuzhou Pavilion, but since she didn't have a change of clothes, and she naturally couldn't wear her evening gown the entire time, they eventually went back to Yunshui Villa.

"You're finally back."

When they got home, Ji Qingyan took off her high heels, undid her black hair, and laid down comfortably on the sofa.

Her long black hair fell like a waterfall, adding a different kind of beauty to her.

"There's mango juice in the fridge. If you want to have some, you can get it yourself. I need to rest for a while," Ji Qingyan said.

"Do you want me to massage you?"

"I don't want that. You're definitely trying to take advantage of me."

"You say that like I've never seen a woman before." Lin Yi opened the fridge and took out some mango juice, ready to drink it.

Ji Qingyan, who was slumped on the sofa, sat up after hearing Lin Yi's words, as if she was on steroids.

"You haven't told me yet, what's with the woman who asked you to dance?"

"She just asked me to dance, isn't that normal?" Lin Yi said.

"Other men can ask you to dance, but no woman can ask me to dance? You're denying them my beauty!"

Ji Qingyan rolled her eyes. This seemed to make sense.

"Alright, I won't pursue this matter."

After resting for a while, Ji Qingyan went upstairs to take a shower while Lin Yi lay on the sofa.

"This is for you. Go take a shower."

Ji Qingyan stood on the second floor and threw a towel at Lin Yi.

“No way, do you want to take a shower now? I’m not ready yet.”

“Pervert, you have no shame.” Ji Qingyan spat. “Go take a shower in the bathroom downstairs.”

“I’ll go later, I don’t want to move now.”

“You’re so lazy.” She pouted. “I put your pajamas in your room, don’t forget to change later.”

“Got it. Go take a shower and stop nagging.”

“Hmph, you’re the one who’s nagging.”

Ji Qingyan ignored Lin Yi and went into the bathroom.

After a busy day, Lin Yi lazily took a shower. He then brushed his teeth in the bathroom and then went back to his room to sleep.

Over the next week, Lin Yi’s life was relatively peaceful. There were no changes in the school’s class schedule.

His mission was already at 15/20. According to the schedule, he would be able to complete the task in three days.

Apart from that, the Lingyun Foundation had officially started operating.

Within a week, eight orphanages had received a total of 6.89 million from the Lingyun Foundation.

Among these eight orphanages was the Blue Sky Welfare Institute, where Lin Yi used to live.

Apart from that, the Lingyun Foundation also planned to help 24 orphanages in the next month, spending a total amount of 20 million dollars.

Although the money was spent like running water, it was a gratifying experience for Lin Yi.

The foundation had been officially started, and Lingyun Capital had officially started operating. There were already two companies that had received a total of 24 million dollars via angel investment from Lingyun capital.

As for the future earnings, no one knew.

Lin Yi never thought that he would make a profit from these companies.

Investing capital was a gamble. Even if he lost out, it would be nothing out of the ordinary.

What really caught Lin Yi’s attention was that the progress of the few projects at Longxin wasn’t as fast as he had imagined.

During this period of time, Sun Fuyu and Lu Ying were extremely busy.

The two of them flew to more than ten cities around the world to recruit people for the photolithography project.

They had already contacted 28 top experts in the chip field to develop the photolithography project together.

However, it was far from enough to rely on these people. The two of them were still working hard on this matter.

According to He Yuanyuan's report, in just this one week, Lingyun Capital's expenses had reached 100 million!

Even a senior CFO like her felt that this was an astonishing figure.

Only Lin Yi didn't think much of it. The money he spent would return soon, so there was no need to worry.

He got up in the morning and drove to school.

"Good morning, Brother Lin," Song Jia said.

"Why are you always earlier than me?" Lin Yi greeted with a smile.

"Actually, Sister Su is here too, but she went to a meeting," Song Jia said. "Oh right, Brother Lin, Sister Su told me to tell you that you have to substitute for the second period of swimming class in the morning."

"Huh? Substitute for swimming class?"

"That's what Sister Su said. I think it's Director Wang from the Physical Education Research Group who asked you to substitute for her."

Lin Yi, "???"

Were all the female students in the teachers' university crazy?

They asked him to take the aerobics class, and now they were asking him to handle the swimming class.

What a bunch of angels!

"Lin Bro, why do you look so bitter? Most of the students in the swimming class are female. This is a good opportunity for you to feast your eyes." Song Jia said with a wink.

"Let me tell you a little secret. After Sun Xiaoyu graduated, the new campus belle of the university also signed up for swimming class. Hehe..."

"Who cares if there is a campus belle or not?" Lin Yi said nonchalantly. "I just love education."

"Lin Bro, you're too good at pretending," Song Jia complained. "You even act like you dislike the campus belle. Wang Ran is very pretty."

"What's the use of being pretty? Isn't it all the same if you turn off the lights?"

"But her figure is about the same as Sis Su's, and... Ah, ah, ah, ah, Lin Bro, why are you leaving? I'm not finished yet."

"I'm going to prepare for class."

Chapter 258: Book a Place for You At the Crematorium

Lin Yi received a round of applause when he arrived at the swimming pool during the second morning period.

“Welcome, Teacher Lin, to our swimming class.”

Lin Yi felt that these girls were scarier than the aerobics class when he saw them.

“I’m just here for a class. What are you guys so excited about?”

“Teacher Lin, you don’t know this, but we’ve been hoping that Teacher Ding would get sick all this time. Finally, our dream came true. Teacher Ding caught a cold and took the day off.”

Lin Yi, “...”

Even going so far as to hope that Teacher Ding would get sick?

Lin Yi had a feeling that if he stayed in school for too long, the lives of the other teachers would be in danger.

“Alright, enough with the blabbering. Let’s begin class.” Lin Yi said.

“Yeah, yeah.” The girls’ eyes lit up.

For them, this swimming class was even more exciting than opening a package.

They might even have a chance to see Teacher Lin’s abs.

Just thinking about it made them unable to close their legs.

Because of the special nature of the swimming pool, students weren’t allowed to come in early before class. They had to be led by the teacher.

Lin Yi discussed it with the teacher in charge of the swimming pool, who allowed them to enter after registering.

“Go and change your clothes first. We’ll gather outside after you’re done.”

The school had a very strict management system for the swimming pool, and the teacher had to lead them every step of the way.

Lin Yi found it troublesome as well, but it was the rules, and he could only follow them.

“Got it, Teacher Lin.”

There was still a big gap between the swimming classes in the university and what he had imagined,

Boys couldn’t only wear shorts, and they had to wear clothes on their upper bodies as well. Girls’ swimsuits were flat-angle one-piece swimsuits, and two-piece swimsuits were forbidden in the school.

Not only would they lose all aesthetic appeal, their assets would also lose a lot of points.

Hence, there was no chance for him to enjoy the waves here. He could only look at their legs.

However, in a school like this, looking at one's legs could lead to malnutrition as well.

Even so, Lin Yi was able to find the girl named Wang Ran.

It was hard to not notice her in the crowd. Her figure and looks were too prominent.

Wang Ran's looks were impeccable. Her hair was straight and dark, while she didn't appear any worse off than Xiaoyu. Despite this, she was a little shy, and would keep her head down most of the time.

She would blush occasionally when she met Lin Yi's gaze.

Lin Yi pushed open the door of the swimming pool after the group had gathered.

At the same time, the sound of playing could be heard coming from the swimming pool,

There were a few foreign students playing and swimming in the pool.

However, these people were dressed very differently from the students who came to class.

The men were shirtless while the women wore revealing bikinis, and they didn't seem to notice anything wrong with them.

"Hey, George, are you sure you can't attend the Chinese language class later?"

The person who spoke was a young black man named Lorca. He was a student majoring in Chinese language and literature in the university.

Splash...

George climbed up from the pool and wiped the water off his body.

"I'm not going," George said. "I recently saw a very beautiful Chinese girl. I want to pursue her and make her my girlfriend. She will be coming to class soon, so I'm going to wait for her here."

"Oh my God, no way." Roca's had an exaggerated expression. "You've only been in China for two years, and you've already gotten fourteen Chinese girlfriends. Don't tell me you're going to look for another Chinese girl?"

"Of course," George said. "That girl is very beautiful. I must conquer her."

"Are you sure?" Roca said, "Beautiful women have very bad tempers."

"How is that possible? Look at my well-developed muscles. which girl won't like me?" George said confidently, "As long as I express a little bit of affection for her and send a few flowers afterward, I can guarantee that I can take her down."

George combed his hair. "In case you didn't know, Chinese women have no resistance against us."

"As expected, Italian romance is not just a saying," Roca said. "But when you take down good prey, you have to know how to share."

"No problem. I'll invite you to share it with me when I get the girl."

“I wish you success. Don’t make me wait too long.”

As the two were talking, Lin Yi walked in with the students from the swimming class.

The boys automatically turned their heads when they saw the foreign girl in a bikini. They were too embarrassed to look at her.

“What’s wrong with these people? According to the school’s rules, everyone who comes here has to wear the same swimsuit, right?” Lin Yi asked.

“Also, isn’t the swimming pool closed to the public during the summer and winter holidays? How did they get in without any other teachers supervising them?”

“Teacher Lin, they’re international students. The school’s management is more lenient toward them, and they can enter and leave the swimming pool at any time,” Wang Ran said in a low voice.

“What kind of f*cking rules are these?”

“We... We don’t know either. Okay, I think it’s the principal’s rules.”

F*ck, what kind of f*cking rules is Zhao Qi setting?!

Wang Ran was scared out of her wits. Lin was too fierce and scary.

Would she get scolded if she didn’t swim well later?!

George, Lorca, and the others looked at the crowd when they saw Lin Yi bringing the students in.

“Hey bro, did you see that?” George said. “The girl next to the male teacher is the one I like. Isn’t she pretty?”

Roca’s eyes widened when he saw Wang Ran, his face revealing his excitement.

“This girl is too pretty! I swear to God, she’s the most beautiful Chinese woman I’ve ever seen.”

“Don’t worry, she’ll be mine soon. I’ll share her with you.”

“I’ll remember you, buddy. I’ll share mine with you when I get a new prey too.”

“No problem, it’s a deal.”

George wiped the water off his body as he walked over to Wang Ran.

“Hey, Teacher.”

George greeted Lin Yi with a smile, then turned to Wang Ran.

“Nice to meet you, classmate. I’m George, an international student studying Chinese language and literature. I’m from Italy. Can I be friends with you?”

Wang Ran was shocked. She didn’t think that these people were here for her.

“Lin... Teacher Lin.”

Wang Ran hid behind Lin Yi, too scared to speak.

“Who let you in?” Lin Yi said. “According to the rules of the university, students are not allowed to enter the swimming pool unless it’s during summer or winter break. Don’t you know this?”

George looked at Lin Yi with an incredulous smile.

“Oh my God, Sir, are you new here? I’m an international student, not a Chinese student. We have the right to come and go as we please.”

“Are you different from others?”

Chapter 259: Drink the Water in the Pool

Lin Yi said, “I’ll give you a warning. Next time, you’re can’t enter the pool without a teacher’s supervision.”

George shrugged with a nonchalant expression.

“Teacher, I hope you can be polite to us. We’re international students and we have to swim. We’re romantic Italians. If we can’t swim, we’ll die.”

“Do you need me to book a bed for you at the crematorium?”

“We’ll even prepare two wreaths for you!”

“Yes, yes, yes, we’ll see you off with a set of trumpets.”

“Then I’ll have to find a few black people to carry you coffins.”

The female students present weren’t easy to deal with. Due to Lin Yi’s presence, they weren’t afraid of anything.

“Sir, I’m talking to this student. Please don’t restrict my freedom of speech,” George said angrily.

“Don’t you even know about human rights in China? This place is too backward.”

“But I don’t want to talk to you!” Wang Ran stood behind Lin Yi and continued,

“I don’t like foreigners. Please stay away from me.”

“Beautiful lady, I know you’re shy, but it’s okay. You won’t want to reject me anymore after we spend some time together,” George said.

“Italy is a romantic country. It’s much better than the unromantic Chinese people.”

“F*ck, what the f*ck are you talking about?” The boys at the scene scolded. “Stop f*cking acting cool!”

George spread his hands. “Am I wrong? Italy is the publicly recognized romantic capital of the world. The Renaissance era began in our country. I don’t think I’m wrong.”

“Renaissance my ass. Get lost quickly. You are not welcome here!”

“Right, when I make a move, you will be crippled!”

“Come on, hit us.” George spread his arms. “I can guarantee that as long as you make a move, the school will definitely expel you.”

“Right, right, right. Come and hit us.” Roca said, “Don’t they say that Chinese kung fu is very powerful? Let us experience it. I really want to be hit.”

“F*ck!”

The boys present clenched their fists tightly, and it looked like flames would spew out of their eyes.

They were not afraid of fighting, but it would not be worth it if they were expelled over this.

Moreover, it was not like such a thing had never happened before.

Unless it was absolutely necessary, they could not be impulsive.

Seeing that the boys present were not moving, George and Roca’s expressions became even more uncaring. They said fearlessly,

“What’s wrong? Didn’t you want to fight just now? Why aren’t you daring to move now? Don’t you have the courage to do so?”

“Don’t f*cking show off. I just don’t want to lower myself to your level!”

“If you’re timid, then just say it. Why use such a reason to explain?”

George smiled, his eyes full of disdain. He then said to Wang Ran

“Classmate, as you can see, Chinese men are not romantic and have no backbone. Don’t you want to consider me?”

“Well, then I don’t like foreigners either. Don’t harass me!” Wang Ran said angrily.

“I’m not harassing you,” George said. “I just want to have a swimming lesson here. This isn’t considered harassing you, right? Haha...”

“Oh yeah!”

Roca and the others cheered when they saw George dealing with the Chinese students without changing his expression.

“Students, if you want to learn how to swim, you can come to our side. I’m very skilled, I can teach you.”

Lin Yi rubbed his chin. “I don’t have a good temper. If you get out now, you might still have a chance.”

“Why?”

George pretended to be innocent. “Why is your temper so bad? Is it that hard to admit that we’re better than you? Are you afraid that we’ll beat you?”

Lin Yi laughed. “You’re not going to get out, are you?”

George shrugged, “Teacher, we’re international students. We have special privileges. You should be happy we even want to study here. You’ll be able to teach us foreign students. This is an honor for you...”

Bang!

Lin Yi raised his foot and kicked George.

“Why don’t you know your place? Do you think I’m your mother?”

Lin Yi was far stronger than George, and the latter lost his balance and was kicked into the pool.

“Teacher Lin is so handsome! He’s so manly!”

“I like this type of guy.”

“So what if he’s an international student? This is the result of showing off in front of Teacher Lin !”

“After hearing Teacher Lin’s scolding, I suspect he must have graduated from Zaun.”

George fell into the water and created a big splash. Roca and the others were shocked.

None of them had expected that this Chinese man would actually attack international students like them!

“Could it be that he doesn’t want to work anymore?!”

“George, are you okay?”

Seeing George climb up, Roca ran over to see if his companion was injured.

“I’m fine!”

George said with his eyes wide open, “How dare you treat me like this? You can forget about this class!”

“You don’t want to let me continue this class? Who do you think you are?”

George didn’t say anything but responded to Lin Yi with actions.

George’s back was facing the pool. He took off his swimming trunks and peed inside.

Ah!

The girls screamed and turned their heads around.

“F*ck you, hooligans!”

“Haha, If you don’t mind, you can continue with the lesson,” George laughed and said.

“We’re leaving now, isn’t that exactly what you want?”

“Haha...”

Roca and the others laughed. “I happen to want to go to the bathroom. Let’s settle this here.”

Under George’s instructions, Roca and the others stood by the pool and took off their swimming trunks without hesitation.

“Fuck!”

The boys couldn’t help it anymore, “Fuck them!”

“Don’t move, take the girls to the side,” Lin Yi said lightly.

There wasn’t a single expression on his face.

“Got it, Miss Lin.”

The girls stood to the side under the escort of the boys.

Although they were all girls, their tempers weren’t small either, and they had the aura of fighting for their lives.

Lin Yi, on the other hand, sat at the side calmly, as if nothing had happened.

Half a minute later, George and the others put on their swimming trunks and waved. “Hey, friends, let’s go. Don’t disturb their swimming class.”

“I really want to see them swimming in there, but I don’t think we have a chance.” Lorca said. “There are other ingredients in there. I think they’ll have a better time swimming.”

George shrugged. “That’s a possibility.”

“Did I tell you to leave?” Lin Yi said.

“Didn’t you say that we weren’t allowed to have classes here?” George said innocently:

“We’re leaving now. Isn’t that what you want?”

Lin Yi smiled. “You can leave if you want. Drink the water in the pool.”

Chapter 260: Quit While You’re Ahead

“What did you say?! You want us to drink all the water in the pool?!”

George snorted. “Did I hear that right?”

“You didn’t mishear,” Lin Yi said. “I’ll leave the matter here today if you do. If you don’t drink it, none of you are leaving.”

“Hehe, not only will we leave today, but we’ll also walk out right in front of you!” George said.

“Also, I’ll tell the principal about the kick you gave me just now. You’ll just have to wait to be expelled.”

George waved at Roca and the others. “Let’s go, we don’t want to disturb their class.”

“Let’s go, let’s go back to the party. Haha...”

Lin Yi got up from his seat expressionlessly and stood in front of George and the others.

“Let me see if you can walk out.”

George and Lorca didn’t look too friendly. “Do you want to fight?”

“Yes, I do,” Lin Yi said.

“Although we are students from the university, we are international students. We are different from the weak Chinese students. If you go too far, we will fight back.”

“Slap!”

Lin Yi didn't waste any more words and slapped George's face. The latter fell to the ground after being slapped!

“F*ck, beat him up!”

George cursed as he shouted at Roca and the others!

“F*ck, how dare you try to challenge our Teacher Lin? Do you think we're all useless?!”

This time, the boys couldn't take it anymore. These guys could bully them, but they couldn't bully Teacher Lin!

“Stay there, this is none of your business.”

After saying that, Lin Yi moved as well!

He saw Roca rushing at him and kicking him in the face!

Ah!

A scream was heard as Roca was kicked more than ten meters away!

Wang Ran and the others were stunned, “Lin, Lin Yi is too powerful, that move was too cool.”

“Go, Lin Yi!”

“Lin Yi, I love you!”

“Lin Yi, your eight-pack abs are so cool, can I lick them?”

In less than three minutes, the six foreign students were all knocked to the ground by Lin Yi. They groaned and struggled for a long time, but they couldn't get up.

Seeing the miserable state George and the others were in, the foreign female students screamed in fear.

They ran away from the swimming pool as if they had seen a ghost.

At this time, George and the others were dumbfounded. None of them could even land a blow. How could Lin Yi be so powerful?

He actually knocked them all down!

“You... What are you doing?” George said nervously as he saw Lin Yi walking over.

“Let me tell you, I'm an international student. If you beat me up, the school will definitely fire you!”

“No one dares to fire me in this university.”

Lin Yi squatted down, grabbed George's hair, and walked to the edge of the pool. Along the way, George's screams echoed throughout the entire swimming area.

“I told you to drink the water in the pool, and I won’t go back on my word.”

Lin Yi grabbed George’s head and pushed him into the pool!

Wuuuuu... Wuuuuu...

Bubbles floated up from the bottom of the pool. George kept struggling, but he couldn’t break free from Lin Yi’s grasp!

Ten seconds later, Lin Yi pulled George up.

“Are you full?”

“I, I know I’m wrong. Please don’t do this to me.”

George felt like he was going to die in those ten seconds.

This Chinese man was too terrifying. He was almost sent to meet his God.

“One should take responsibility for one’s actions. Continue drinking if you know you’re wrong.”

Lin Yi turned around and looked at Roca and the others. “And you guys. Do I have to do it myself?”

“No, no need, we’ll do it ourselves.”

Roca and the others crawled to the edge of the pool and popped their heads in to take big gulps.

“This is so f*cking satisfying! I’ve always hated these foreign students!”

“F*ck, we normally let them show off, but today we’re going to make them suffer a lot!”

“Teacher Lin is so handsome, I saw his abs just now!”

“This old man’s maiden heart!”

“Nonsense! What are you all doing?”

Just as everyone was celebrating, a shout sounded. Everyone looked towards the door and saw that the person who entered was a middle-aged man in his forties. They immediately quieted down and no one dared to laugh.

The man who entered was called Feng Jiadong. He was the executive vice-principal of the university. He was responsible for the international students in the school.

Feng Jiadong didn’t know what happened at the swimming pool. If it wasn’t for the girls who ran out, he wouldn’t have rushed over at this time.

“Principal Feng, you’re finally here. He hit us. Hurry up and take care of him. We’re going to sue him!” George shouted.

“I already know the whole story,” Feng Jiadong said.

“Stand aside for now. I’ll handle this. Then, I’ll give you an explanation.”

“Who the hell told you to get up?”

Lin Yi cursed, "You forgot about the pain, didn't you?"

George and the others were scared out of their wits. They fell to the ground instinctively and stuck their heads into the pool again.

However, they didn't gulp down their drinks like before.

"Teacher Lin, what is the meaning of this?!" Feng Jiadong roared, pointing at George and the others.

"They're international students, can't you tell?!"

"Of course, but so what if they're international students?" Lin Yi retorted. "Are you giving them the privilege to be so pretentious in school?"

Feng Jiadong's expression froze. If he admitted to them being treated differently, he wouldn't be able to defend the reason for doing so.

"They're international students, and I'm only giving them humane treatment! What do you mean by privilege?!"

"If you say that, then I understand what you mean."

Lin Yi smiled. "I don't have any external interest, I just like sleeping with other people's wives. Principal Feng, can you give me some humane treatment in that case too?"

Pfft!

"Haha..."

The boys and girls couldn't help but burst out laughing.

Lin Yi was awesome!

"Teacher Lin, please be mindful of your identity!" Feng Jiadong shouted.

"They are students, you are a teacher!"

"Alright then." Lin Yi pointed at a few boys not far away, "You guys are good-looking, don't you like cuckolding? Principal Feng has given up his family for everyone, and he wants to give you some humane treatment after. Why don't you thank Principal Feng?"

"Lin... Teacher Lin, don't be like this..."

A tall boy pointed at a pretty girl beside him. "My girlfriend is here, let's talk about this when there's no one else around."

"Teacher Lin, his wife's not that young anymore. We aren't really into that." One of the guys said.

"F*ck you guys! You guys don't even cherish the chance we give you."

Seeing Lin Yi talking and laughing with the other guys, Jiadong was so angry that he vomited blood.

"Lin Yi, let me tell you something. I'll take this matter seriously. Not only will you be expelled, you'll also have to bear legal responsibility for this!"

Lin Yi smiled calmly. "Principal Feng, I'm being reasonable here. I'm giving you enough respect. Quit while you're ahead. Don't make things unpleasant."
