

Radom Noew 51

Chapter 51: Fighting Landlords is Also Popular in Africa?

"It's ruined!"

Qingyan's face turned ugly. No matter what, this was a gift Lin Yi had prepared for her grandfather.

No matter what the problem was, it was up to her grandfather to decide how to deal with it!

It was not up to him to do anything!

"Qing Yan, this is the rule of the antique world. If you come across a fake one like this, you have to destroy it on the spot," Fu Zhengping said.

1

"Ah..."

Ji Yongqing sighed secretly.

Although the painting was fake, it looked pretty good. He could take it out and look at it normally.

Now that the painting was destroyed, it was too late to say anything.

"Don't be angry. Let me handle this."

Ji Qingyan paused and turned to look at Lin Yi. She suddenly felt like she was being protected.

"Handle this?"

Fu Zhengping shrugged. "It's just a fake painting that I tore up. I'm following the rules."

Old Man Liu walked out and said.

"Mr. Lin, you're not in the right. Just let it go so you don't lose face."

"This is none of your business."

That cold sentence scared Old Man Liu so much that he didn't dare to say anything more.

"Are you the person-in-charge of Didi's operations in Yanjing?" Lin Yi asked lightly.

"That's right. Do you have a problem with that?"

"It's nothing," Lin Yi said. "I just wanted to tell you that your operating license has been revoked."

Huh?

Lin Yi's words stunned everyone.

Especially Fu Zhengping, who started laughing as if he had just heard the funniest joke in the world.

"Lin Yi, are you trying to make me laugh?" Fu Zhengping asked.

“You think you can talk nonsense just because you have some money?”

“I own 20% of Didi’s shares. Do you think I have the right to say that?”

Everyone was shocked!

“What, what did you say! You own 20% of Didi’s shares?!” Fu Zhengping exclaimed.

“That’s right.”

“Haha...”

Fu Zhengping laughed again. “I think you’re trying to make me laugh. There’s a limit to what you can say.”

“Lin Yi, what are you talking about?”

Ji Qingyan pulled Lin Yi aside. “Don’t mess around. This isn’t the time for jokes. You can’t scare Fu Zhengping.”

Lin Yi smiled and whispered into Ji Qingyan’s ear.

“If I really own 20% of the shares, will you let me feast my eyes at night?”

Ji Qingyan’s face turned red and she said indiscernibly.

“You’re going to die. Why are you saying that?”

Lin Yi laughed and looked at Fu Zhengping and the others.

“I know you guys don’t believe me, but you can call Cheng Shuang and tell him that I’m Lin Yi. He’ll give you an answer.”

Fu Zhengping wasn’t sure what to say anymore. He took out his phone suspiciously and dialed Cheng Shuang’s number.

A few seconds later, the call was answered.

“Director Cheng, I’m Fu Zhengping, Didi’s operator in Yanjing.”

“I know, say what you have to say quickly. I’m in a meeting.”

“Director Cheng, don’t worry, I just want to ask, do you know someone named Lin Yi?”

“What did you say? Lin Yi?”

“That’s right, he’s right beside me.”

Cheng Shuang raised her voice, “I order you to treat Director Lin well. He’s the second-largest shareholder in our company. If you don’t treat him well, I’ll immediately revoke your operating license!”

“He... he’s really Didi’s shareholder?”

Fu Zhengping was dumbfounded as his legs went soft!

“Of course. Director Lin holds 21% of our company’s shares. If you don’t treat him well, Director Lin will have the right to revoke your license as an agent without my permission!”

“But this man said that he only holds 20% of the shares. Could it be that I have just met someone with the same name?”

“That’s because I gave Director Lin Zhang Daqian’s famous painting, ‘The Picture of the Peach Blossom’. Director Lin didn’t want to take advantage of me, so he transferred 1% of the shares to me! That’s why he owns 20% of the shares now!”

Bang!

Fu Zhengping’s phone fell to the ground. His head was buzzing, and he felt like the sky was falling.

Ji Qingyan looked at Lin Yi in disbelief. How powerful was this man in front of her?

He was so young, and he was an orphan. How could he buy so many of Didi’s shares?

After all, this did not only require money, but also means and the ability to mediate the deal.

Normal people did not have that ability to do such a thing.

“Now, as Didi’s second-largest shareholder, I announce that your operating rights have been revoked.” Lin Yi put his hands in his pockets and said condescendingly.

“Of course, there might be a breach of contract fee involved. I’ll inform Didi’s legal department to handle this matter.”

“Lin Yi, don’t go too far!”

Tianxin couldn’t hold it in any longer and yelled, “There’s no need to completely kill them!”

“You’re Qingyan’s boyfriend, after all. Don’t you care about family at all?” Anrong exclaimed.

“If Qingyan asked, I’d agree to anything, but you guys can’t go around making request,” Lin Yi said.

“Now, after we’re done talking about Fu Zhengping, let’s talk about the rest.”

“What else do you have to say after you stripped Zhengping of his operating license?!” Tianxin roared.

Her parents’ company was already in dire straits.

Fu Zhengping was her biggest source of income. If he collapsed, she would be in a very difficult position!

If she could, Tianxin wished that Lin Yi would die on the spot.

“Just now, he tore up the painting that I gave to old Mister Ji in front of so many people. Shouldn’t he compensate me?”

Hiss—

The crowd remembered Fu Zhengping tearing up the painting.

Didi’s CEO had clearly stated that he gave his painting to Lin Yi.

This meant that the painting he gave to Ji Yongqing was authentic!

Judging from the current market, he would have to fork out at least 200 million in compensation!

“No, don’t...”

Fu Zhengping’s face was pale, and he was so scared that he peed his pants.

“I... I didn’t do it on purpose. Director Lin, please give me a chance. If I knew that the painting was real, I would never have torn it up!”

“What’s the point of saying all this now? Can you not be sentenced if you say you’re sorry after killing someone?”

Fu Zhengping grabbed Yang Tianxin’s hand tightly.

“Tianxin, you have to help me. Otherwise, I’m really finished!”

“Get lost!”

Yang Tianxin shook Fu Zhengping off and said coldly,

“From now on, we have nothing to do with each other. You go your way and I’ll go mine. You want me to help you pay off your debt? Dream on!”

Fu Zhengping hugged Tianxin’s legs tightly. “Tianxin, don’t leave me. I was so good to you before. You can’t abandon me now!”

“Ptui! Stay away from me. Don’t dirty my dress!”

“You can’t be so heartless! You said you’d be with me forever!”

“Cough cough cough...”

Lin Yi coughed lightly. “Men have gold under their knees. If you’re a man, get up. It’s not worth it for a woman like this.”

“Lin Yi, what do you mean?” Tianxin said angrily.

If it wasn’t for him, Fu Zhengping would not be in this situation today, and she would still be able to live the life of a rich lady!

But now, it was all over!

“Hehe, don’t be angry. The show has only just begun.”

Lin Yi tightened his grip on Qingyan’s waist and said in a low voice,

“Tell your family to bring all the guests to the side. I have something else to tell your family.”

“Okay.” Qingyan nodded, not understanding what he meant. “Got it.”

Soon, all the guests were taken to the side.

Only the Ji family was left in the courtyard.

“Grandson-in-law, what are you trying to say? Why are you being so mysterious?” Ji Yongqing asked.

“It’s about your granddaughter, Tianxin Yang.”

Tianxin looked at Lin Yi suspiciously. “Stop playing tricks. If you have something to say, say it quickly!”

“Don’t worry,” Lin Yi said.

“You took my car to the Peninsula Hotel Yesterday, right?”

Tianxin’s expression changed slightly. “My friend and I are were going to play cards there. Isn’t that allowed? Is it against the law?”

“Then you’re really something. You actually invited two black guys to play cards with you,” Lin Yi said with a smile.

1

“Is fighting landlords also popular in Africa?”

Chapter 52: I’m the Didi Driver, Here to Pick You Up

Tianxin was in a complete daze.

She had never dreamt that Lin Yi would find out about this!

“You... you’re talking nonsense!”

Tianxin’s body was shaking, and she could not even speak properly.

“Am I talking nonsense? If I’m really talking nonsense, why are you so nervous?” Lin Yi said with a smile.

“We’ve already reached this point. Were Tianxin and the two black men fighting the landlord, or did they do something unspeakable? I’m sure you’ve already made up your mind, so I won’t say anything more.”

Everyone’s eyes fell on Tianxin.

Ji Yongqing was especially angry, his body trembling.

“Bastard, how could our Ji family produce such a shameless thing like you?”

“Grandpa, listen to me. It’s not what you think. Don’t listen to his nonsense!” Tianxin kneeled in front of Ji Yongqing and cried.

“Nonsense? Do you think Lin Yi is so free to make up lies?”

Ji Yongqing snorted, “If he really framed you, show me the evidence. If he’s really talking nonsense, I’ll kick him out!”

“Old Mister Ji, I have a few videos on my phone. I’ll send them to Qingyan’s phone later, and the truth will come out,” Lin Yi said lightly.

“The rest is your family’s matters. I can’t get involved, so I’ll leave first.”

Qingyan was very curious. The hotel’s user information was very confidential, so how did Lin Yi get it?

Was he not too resourceful?

“Grandpa, I admit that I went to the hotel with my two black friends, but we really didn’t do anything. We were just discussing business.”

“Just now you said you were playing cards with your best friend, and now you’re talking about business with a black person. Do you really think I’m old and stupid?”

Ji Yongqing snorted. “An Tai, help me to go back.”

“Got it, Dad.”

“Grandpa, you have to believe me...”

Slap!

Before Tianxin could finish her sentence, Fu Zhengping stood up and slapped her in the face.

“Tianxin, I’ve been so good to you. I’d buy you anything you wanted. How dare you cheat on me? I’ll f*cking kill you!”

“Fu Zhengping, you son of a bitch! How dare you hit me?” Tianxin cursed. “If your stuff didn’t work, I wouldn’t have found another man!”

The two of them started fighting, but Lin Yi was not in the mood to pay attention to these common-sense things. Thus, he turned around and walked out.

Ji Qingyan walked behind him. She could not just leave after what happened to the Ji family.

However, Lin Yi was leaving, and she had to see him off.

“Lin Yi, thank you,” Ji Qingyan said softly as she stood beside the car.

“For what?”

“You asked me to take the guest to the side just now for the sake of the Ji family’s image. Otherwise, the Ji family’s reputation would be damaged.”

“What’s there to thank?” Lin Yi said indifferently. “You, on the other hand, should not interact with them in the future. You don’t want to get infected.”

“Don’t worry, I won’t do that.” Ji Qingyan said. “I still have to thank you. You were forced to come with the gift for my grandfather, and you spent so much money on it.”

“You don’t have to worry about that. Just make a few more orders and take care of my business.”

Lin Yi got into the car, and Ji Qingyan waved him off as she watched him leave.

Seeing Lin Yi’s taillights disappear before her eyes, Ji Qingyan was a little confused.

Normally, a man would ask her to do a few more squats or something to feast her eyes on.

However, he was just asking her to make a few more orders?

Bah Bah Bah Bah!

What were you thinking, Ji Qingyan!

Shameless!

Lin Yi opened the APP and prepared to accept the orders after leaving East Lake Villa.

The mission was now at (11/20). He just needed to get a few more five-star reviews and he would be able to get the proficiency points.

He had a lot of acquaintances around him who often took taxis. He just needed to spend more time and get nine more five-star reviews and he would be able to complete the mission.

However, the mission the system gave him was to experience life. Lin Yi did not really want to take advantage of his acquaintances.

He treated them like insurance cards, such that if he could not complete the mission in time, he could just ask them for another order.

“You have a new order. Please pay attention to it.”

Lin Yi grabbed another order from the platform when he saw the mission given out. He was very satisfied with the Buddhist order.

He looked at the location and saw that it was nearby Huayi, so quickly he drove over.

...

At that moment, a girl with a backpack and a suitcase walked out from the Huayi District.

She had a ponytail and a round face, looking very cute.

The girl's name was Tao Yuan, and she was a student at China University of Finance and Economics. She was just about to call a car back to school.

“Yuan Yuan!”

Tao Yuan, who was walking towards the door, turned her head instinctively when she heard someone calling her name.

She saw a boy wearing a black casual suit running towards her.

“Ma Rui, why are you here?”

Tao Yuan said in surprise when she saw the person running towards her, but she wasn't very happy.

“I heard from Xiao Jing that you're going back to school today, so I've been waiting at your door preparing to pick you up.”

After saying that, Ma Rui prepared to grab Tao Yuan's suitcase.

“No need. I've already called for a car, so I won't take your car.”

Both of them were students from the University of Finance and Economics, and they were both majoring in the same subject.

Tao Yuan also knew that Ma Rui had been pursuing her.

However, a spoiled rich second generation like him had never been her type.

She allowed Ma Rui to shamelessly pursue her for more than half a year, but Tao Yuan never gave him a chance.

“Yuanyuan, my dad bought me a new Audi A6. He just brought it back yesterday, and it hasn’t even been taken by an outsider yet. You’ll be the first passenger,” Ma Rui said, as if showing off.

“Then I’m not interested. You go first. The car I ordered will be here soon.”

“Yuanyuan, you’re the belle of the University of Finance. Taking Didi isn’t befitting of your status at all. Take my A6 instead. It’s much better than those trash domestic cars.”

“As long as you are driving it, I don’t care what kind of car it is,” Tao Yuan said.

“It’s different,” Ma Rui said. “This is an imported A6, not a domestic one. Moreover, it’s an Audi. The seats are all made of real leather, so it’s very comfortable to sit on it. It definitely can’t be compared to a domestic car. Why don’t you come with me?”

Hearing the conversation between the two, the passersby on the side were also discussing animatedly.

“This girl is really interesting. She didn’t want to sit in a luxury car like the Audi, but she insisted on getting a Didi instead. She really doesn’t know how lucky she is.”

1

“Sigh, if an Audi came to pick me up, I would have gotten straight in.”

1

“Who’s Mrs. Tao with the tail number 4389?”

As the two were talking, they suddenly heard someone speaking at the door.

They looked up and saw a silver supercar!

Moreover, the person who was speaking was the driver of the Supercar!

Tao Yuan was stunned when she heard Lin Yi call her name.

How did this person know her name?

She walked past the crowd and whispered to Lin Yi:

“Hello Sir, my number ends in 4389.”

“Then get in the car.”

“Huh? Get in the car?” Tao Yuan was stunned.

Lin Yi nodded. "Didn't you call for a Didi? I'm the Didi driver and I'm here to pick you up."

Chapter 53: This Was the Life

"Yuan Yuan, did you order this car?"

Ma Rui was confused.

Did she not just order a Didi? When did she order a Pagani?

What was going on?

Tao Yuan was also confused, but she still said,

"Yes, I ordered it. It should be better than your Audi A6."

"Yes, it is better than my Audi..."

The crowd started laughing.

"This kid was bragging just now, saying that his Audi is better than whatever car she ordered. That's a slap in the face, isn't it?"

Ma Rui was extremely embarrassed, but he could not refute.

The guy's car was enough to buy dozens of A6s. He did not even have the chance to reply.

Tao Yuan took her luggage and got into Lin Yi's car, completely ignoring Ma Rui.

Looking at Lin Yi up close, Tao Yuan's eyes were full of stars.

This guy was really handsome!

"Little Bro, you're already driving a sports car, so why are you still driving for Didi?" Tao Yuan asked in a very ladylike manner, completely opposite to her attitude towards Ma Rui.

"Living on my own, experiencing life."

"Little Bro, you're really good."

"Thank you for the compliment."

Lin Yi didn't have as many thoughts as Tao Yuan did. He'd be grateful if she would just give him a five-star rating.

The University of Finance wasn't too far from Huayi, and they arrived at their destination in less than twenty minutes.

Tao Yuan held her phone in her hands as she struggled with her thoughts for a while before mustering up her courage.

"Little Bro, can I add you on WeChat?"

"Add you on WeChat? Why?"

Tao Yuan's face turned slightly red as she said indiscernibly.

"Do you believe in love at first sight?"

"Love at first sight?" Lin Yi pursed his lips. "The fare is only 30 yuan or so. You don't have to go that far to play the love card, do you?"

"No, no, that's not what I meant."

Tao Yuan got out of the car shyly and paid the fare of 32 yuan.

It didn't take long for Lin Yi to receive Tao Yuan's fare and her five-star review.

He looked at his watch and realized that it was almost six o'clock. He was not hungry, so he decided to take a few more orders.

Whenever he was hungry, he would call it a day.

Over the next hour or so, Lin Yi received three orders.

All of them were male passengers, but he only received one five-star review.

Lin Yi, however, was satisfied. The mission had reached 13/20, and he was close to completing it.

By then, it was past seven in the evening, and he felt a little hungry. However, he did not go to the Peninsula Hotel. Instead, he ate something on the side of the road and went home.

Buzz...

Just as he drove back to the Jiuzhou Pavilion, Lin Yi's phone rang.

It was a WeChat message from Wenhui Song.

"Lin Yi, I'm going to work tomorrow. Can you come pick me up?" Wenhui asked

Lin Yi was a little stunned when he saw the message.

Something bad happened during the day, and she was still sending him a WeChat message?

"Did you get the money? I'll go pick it up tomorrow." Lin Yi said

"What money?" Wenhui asked. There was an emoji at the back.

"Your brother scratched my car. It's two million yuan for repairs." Lin Yi said

Song Wenhui, "Lin Yi, I like funny people like you. Wenwu is your brother-in-law, why would a family joke like that?"

Lin Yi, "Who's your family? Are you still living in your dreams?"

Song Wenhui, "Ah, I know you're still upset about what happened during the day, but that was just to test you. Now that you've passed our family's test, we're already boyfriend and girlfriend.

"I have to go to work tomorrow. Come pick me up and take me to work."

Lin Yi, "Wake up, it's not dark yet."

"Alright, stop joking. If you didn't like me, you wouldn't have come to the blind date, right? So from the moment you arrived at the teahouse, our relationship was already set."

"Stop Dreaming, two million in compensation. If you are even a penny short, you'll have to wait for the court summons."

Lin Yi blocked Song Wenhui after replying.

Lin Yi shook his head. These low-end gold diggers had no bottom line at all.

He went home and took a comfortable shower. Lin Yi watched the live stream for a while, then went to play a few rounds of video games to kill time before closing his phone and lying down.

The next morning, when Lin Yi opened his eyes, it was already past seven.

There were two new WeChat messages on his phone.

Xia Xinyu, "Yi Bro? Are You There?"

Xia Xinyu, "I'm going out today. Can I call you for a car?"

Seeing Xia Xinyu's message, Lin Yi remembered that it was the female streamer who had accompanied him shopping that day.

This kind of business had to be done. A five-star review was all but his.

Lin Yi, "What Time?"

Xia Xinyu replied very quickly, almost instantly.

Xia Xinyu, "We can leave at nine, but do come to our neighborhood half an hour earlier. If it's not convenient, I can come find you."

Lin Yi: "No need, 8:30, see you then."

Xia Xinyu: "Yes, yes, thank you, Bro Yi."

Lin Yi did not understand. You guys had to pay for the trip, so why were you thanking him.

He looked at the time and realized that it was only past seven o'clock. Lin Yi was not in a hurry, so he got up slowly and washed up. Then, he went to the Peninsula Hotel for breakfast before heading toward the Tianyi house where Xia Xinyu was staying.

Lin Yi saw Xia Xinyu waiting at the door a few dozen meters away from the Tianyi House.

He noticed that the girl was dressed much more mature than she was a few days ago.

She was wearing a cool beige dress with a necklace around her neck. It was the finishing touch.

There was also white packet in her hand. Lin Yi did not know what it was.

When she saw Lin Yi's car approaching, Xia Xinyu got into the passenger seat, attracting many envious gazes.

“Yi Bro, don’t worry, I’ll order now.”

Knowing that Lin Yi was here to experience life, Xia Xinyu took the initiative to order after getting into the car. She did not dare to delay.

Soon, Xia Xinyu’s order was displayed on her phone.

Lin Yi was stunned for a moment when he saw the destination. “You’re going to the Zhong Hai International Racetrack?”

“Yes, yes.”

Xia Xinyu nodded. “The authorities have organized an event. They invited three streamers to go in for a live outdoor broadcast. I finally got a chance to go in.”

Lin Yi smiled. The live broadcast was already in his territory.

However, Zhou Haitao was still smart. The Red Sea had not yet receded, so it was a good decision for them to have some live broadcasts.

“I’m leaving. Sit tight.”

“Okay.”

Xia Xinyu picked up the white bag beside her. “Yi Bro, it’s too hot. I brought you some fruit in case you’re thirsty. Have a taste.”

“You’re quite sweet.” Lin Yi said. “Put it aside for now. I’m driving, so I can’t eat it.”

“It’s okay, I’ll feed you.”

Xia Xinyu used a small fork to pierce a watermelon and brought it to Lin Yi’s mouth.

Lin Yi didn’t stand on ceremonies and ate it in one bite.

“So sweet.”

“Hehe, as long as Yi bro likes it.”

Driving a luxury car with a beautiful girl feeding him watermelons.

This was the life!

Chapter 54: Let Me See How Great His Reputation Is

They then drove to the Zhong Hai International Circuit.

After parking the car, the two of them got out of the car together.

“Oh my God, there are too many luxury cars here.”

Looking at the rows of supercars in the parking lot, Xia Xinyu felt that her eyes were not big enough.

When he first saw the few supercars parked next to them, Lin Yi did not notice anything at first.

Only after he took a closer look did he find that they looked familiar.

The Lamborghini seemed to be Qin Han's.

Was he here to play again?

"Let's go. It's just a few supercars. Don't make a fuss."

"Okay."

Xia Xinyu smiled with narrowed eyes.

"Yi Bro, these cars don't seem as valuable as yours, but I've never seen so many cars except at the Auto Show."

Lin Yi shook his head with a smile, not saying anything else.

"Why should I leave? Unless you call the leader out here."

"It's the same even if you call out the leader. I'm just informing you in advance so you don't waste your time here."

They had not even reached the door when they heard the sound of an argument.

"Why does that sound familiar?" Xia Xinyu muttered.

"We'll find out when we go in."

The two followed the sound.

There were more than a dozen people standing there.

The ones arguing were a man and a woman. The rest of the people looked like assistants.

"Why are they arguing?" Xinyu asked in surprise.

Lin Yi looked up.

The girl in the lead was dressed very fashionably.

She was wearing black denim shorts, revealing her snow-white thighs.

Her looks weren't bad either, around 85 points.

The other guy who was arguing was the same.

He was wearing a military green jacket, North Carolina Air Jordan 1's, dyed yellow hair, and diamond earrings. He was dressed fashionably.

Seeing the two people arguing, Lin Yi found the scene a little familiar.

But that was all.

"Do you know those two?"

Xia Xinyu nodded.

“That girl’s name is Ren Zixuan. She’s one of the top outdoor streamers on DouYu.”

“That Guy’s name is Sun Rui. He’s also a big-shot outdoor streamer in DouYu. He normally takes care of me. The reason I’m here today was all because of his application.”

Lin Yi nodded. No wonder he looked familiar. They were both Douyu streamers.

He’d probably seen their live broadcasts before, but he didn’t have a deep impression of them.

“Rui Bro, what happened?”

Sun Rui turned around when he heard someone speaking.

“Xinyu’s here,” Sun Rui greeted.

“What happened? Why are you fighting?”

“What else could it be? Miss Ren said that today’s live broadcast quota has changed from three to one, and she wants to kick us both out.”

“Don’t slander me. I didn’t say that, the owner of the racetrack said that. If you don’t mind wasting time, just wait here. In any case, I don’t care. If they don’t let you in later, don’t say that I didn’t warn you,” said Ren Zixuan.

“Why did such a rule come out?”

Xia Xinyu asked,

“This event was organized by the race track’s higher-ups. Even if they changed their minds at the last minute, they should have informed us in advance. How could there be no news of this at all?”

“It was all because Miss Ren got into Young Master Qin’s good books. In the entire Zhong Hai, who would dare not give Young Master Qin respect? That’s why they made such a move,” Sun Rui replied.

“Anyway, I’m not planning to leave. Before I do leave, I have to get an explanation from the race track’s owner.”

1

“Sister Xuan, the race track is so big. Won’t it be good for the three of us to broadcast live together?” Xia Xinyu said carefully.

“Hehe, what do you mean by the three of us broadcasting live?” Ren Zixuan crossed her arms in front of her chest, “With my popularity in the Douyu outdoor category, why should I broadcast with you guys? Do you guys deserve to stand in the same place as me to broadcast live? Why don’t you take a look at yourself before suggesting such a thing!”

At this moment, a girl wearing jeans and holding a few badges walked up to Ren Zixuan.

“Sister Xuan, it’s done. We can go in with these badges. Young Master Qin is waiting inside.”

“Xiao Jia, you came at the right time. These two are still waiting to go in. Tell them about the situation here.”

The girl named Xiao Jia looked at Sun Rui and Xia Xinyu with disdain.

“Don’t even think about going in.”

The girl named Xiao Jia took out a piece of paper from her pocket and took out a stamp.

“Look, this is an exclusive live broadcast license. It has nothing to do with the two of you. Go back to where you came from.”

“What right do you have? We agreed that there would be three of us, and now you’re playing this game. This is too much,” Xia Xinyu complained.

“If you want to blame someone, blame yourself for not being able to do it,” Ren Zixuan said proudly.

“If the two of you had my popularity, I would be the one left behind. It’s a pity that there are no ifs in this life.”

“Ren Zixuan, don’t think that you’re great just because you’ve latched onto Young Master Qin’s thigh!” Sun Rui snorted coldly.

He was well aware that today’s live broadcast was going to be ruined. He was just a little angry about it.

Before this, his popularity could still compete with Ren Zixuan in the outdoor category.

If she got this opportunity, she might become the true top sister of the live broadcast world. If he wanted to compete with her after this, he would not stand a chance.

“If you have the ability, go and hug her too!”

Ren Zixuan said, “I’m not afraid to tell you that I can come here for a live broadcast because of Young Master Qin. With just one sentence, I was able to deal with the senior management of the race track such that they let me do an exclusive live broadcast here. You guys could never do something like this!”

“You!”

“Brother Rui, calm down,” Xia Xinyu persuaded.

“It’s already come to this. Let’s go. She has Young Master Qin’s support. We can’t compete with her.”

“Damn it!”

Sun Rui scolded, “Let’s go. I’m responsible for this. I’ll find a place to treat you and your friends to a meal later.”

“No need, no need. Brother Rui, you’ve taken care of me. Let me treat you.”

“How can I let you treat me? Let me do it.”

“Are the two of you done? If there’s nothing else, please go out and continue talking. Not only am I going to do a live broadcast here today, but I’m also going to interview Young Master Qin alone. Don’t be an eyesore then,” Ren Zixuan said.

Xia Xinyu didn’t dare to say anything. After all, she was just a small-time streamer and had no right to say anything.

“Rui Bro, let’s go.”

“Let’s go. Don’t bother with her.”

“No need to go,” Lin Yi said lightly. “We’re already here, so let’s broadcast here today.”

“Huh?”

Ren Zixuan looked at Lin Yi. “Who are you? You sure have a big mouth, don’t you? Don’t you know who Young Master Qin is? In Zhong Hai, the grass on the grave of someone who doesn’t show Young Master Qin respect is more than two meters tall.”

“Then call him over. Let me see how great his reputation is.”

1

Sun Rui sucked in a breath of cold air.

“Xin, Xinyu, isn’t your friend a little too bold? That’s the famous Young Master Qin!”

Chapter 055: Boss Lin! You’re here!

“This...”

Xia Xinyu was at a loss for words and did not know how to explain this.

Although both of them were rich second-generation kids, the rich second-generation were divided into different levels.

Young Master Qin was a top-class playboy in Zhong Hai. There were very few people who could be compared to him.

Even if Brother Yi drove a car worth more than twenty million yuan, he should not be a match for Young Master Qin.

“Yi Bro, calm down.” Xia Xinyu held Lin Yi’s hand. “It’s just a small matter. There’s no need to be angry with them. Let’s go.”

“This has nothing to do with you guys. I just want to see how great Young Master Qin’s reputation is.”

“Ha...”

Ren Zixuan snorted. “There really are all kinds of birds in the forest. Is It Young Master Qin who can’t carry a knife, or are you rich kids too arrogant? Do you think you can ignore Young Master Qin just because you have a few coins in your pocket?”

“Then go ask him. Is it because he’s arrogant or because I’m arrogant?”

Lin Yi turned around. “You two, come with me.”

Xia Xinyu and Sun Rui exchanged glances.

“Xinyu, is your friend really capable of bringing us in?”

“I... I’m not too sure either, but Brother Yi is indeed not an ordinary person.”

“Then what do we do now? Should we go in?” Sun Rui did not know what to do.

With Young Master Qin backing Ren Zixuan, he could not afford to provoke her.

If he really went in, he would definitely make Young Master Qin unhappy. It would be difficult for him to survive in the live broadcast circle in the future if this were to happen.

“Let’s go!”

Xia Xinyu took a deep breath. “Brother Yi has already said this. Even if there is a mountain of knives and a sea of fire ahead, I will go with him!”

“Are you sure there is no problem?”

“I don’t know either, but Yi Bro said it, so I’ll believe him!”

“Alright, I’ll believe him too!”

Seeing the two of them walk in together with Lin Yi, Ren Zixuan gloated,

“Don’t say I didn’t warn you two. It’ll be embarrassing if you get beaten up later.”

“Xuan Sis, stop talking nonsense with these losers. Let’s go in too. When they get kicked out, we’ll record the whole process and show it to the netizens in the live broadcast room. This scene will definitely be popular.”

“You’re right. Let’s go in too.”

After entering the racing track, the two groups separated.

“My God, the racing track is too cool.” After entering, Xia Xinyu couldn’t help but be shocked.

“This is one of the best racing tracks in the world. It at least ranked among the top three. If there’s a chance, I want to come here to watch a race just once, then die without any regrets,” Sun Rui said.

“I think that the popularity of today’s live broadcast will definitely explode. The only regret is that no one is competing here. Otherwise, the effect would be even better.”

“It’s already very good that we managed to get in. You should be satisfied with that,” Sun Rui said.

“Hurry up and set up the live broadcast equipment. Hurry up.”

Xia Xinyu was still a little nervous. “Brother Yi, are you sure there’s no problem with this?”

“Just keep your heart steady. Go according to your original plan. With me here, no one can chase you guys away.”

“Thank you, Yi Bro.”

Lin Yi found a place to sit down in the stands and was about to call Zhou Haitao.

Zhou Haitao could still deal with people like Ren Zixuan.

However, the moment he picked up his phone, he saw people walking toward him from afar.

There were about twenty of them, and many of them were familiar faces.

Besides Ren Zixuan, Qin Han and Zhou Haitao were also among them, whispering to each other. No one knew what they were talking about.

Seeing Qin Han and Zhou Haitao walking over, Lin Yi put away his phone with a smile.

Since they were already here, he did not need to make any calls.

“Xinyu, look, Young Master Qin and Ren Yuxuan are here!” Sun Rui said nervously.

Xia Xinyu, who was fiddling with the broadcast equipment, looked in the distance.

Indeed, she found a large group of people walking toward her.

“Brother Yi...”

Xia Xinyu rushed to the stands. “Young Master Qin and Ren Zixuan are here. What should we do now?”

“Just come. Don’t panic. Just continue with your work.”

“But Young Master Qin seems to have a good relationship with the leaders here. Will they...”

“Qin Han is useless here. Don’t worry about anything. Just do your own thing.” Lin Yi said.

“I... I understand...”

Even though he said that, Xia Xinyu was still very nervous. She did not have the mood to tidy up the equipment anymore.

At the same time, Ren Zixuan, Qin Han, and the others were walking towards Lin Yi.

“Young Master Qin, Manager Zhou, I was supposed to be the exclusive streamer today, but those two people actually barged in. You guys should take care of them.”

Qin Han raised his head and looked at Xia Xinyu and Sun Rui not far away.

“These two people should be the other two streamers, right?” Qin Han asked.

“Yes, that’s them.”

“Didn’t you tell them that today’s event had become an exclusive live broadcast?”

“I’ve already told them, but Xia Xinyu brought someone who directly brought them in. Moreover, the man was quite unreasonable and didn’t listen to my words at all,” Ren Zixuan said.

“He also said that he wanted to know what kind of reputation you had and what qualifications you had to let me come here alone to live broadcast.”

Qin Han laughed. “This is interesting. In the whole of Zhong Hai, it’s rare to find someone who won’t give face me face.”

“Young Master Qin, calm down. I’ll handle this matter.” Zhou Haitao smiled and said.

“It saves you the trouble of wasting your breath.”

“You’re the manager here, so your words are naturally more powerful than mine. But there’s someone who won’t give me face, so this matter can’t be easily settled. I have to go myself to see who’s so bold.”

“I think so too. These rich kids these days, I really should show them who is the grandchild and who is the master. They seem to want to show off with just the few coins in their pockets.”

Qin Han stretched out his big hand and held Ren Zixuan’s waist as he walked toward Sun Rui and Xia Xinyu.

1

“You two, who let you in?” Qin Han asked in a low voice, “Didn’t I tell you that today is the exclusive live broadcast?”

Seeing the cold-faced Qin Han, Sun Rui was so scared that he began trembling.

A rich second generation like Qin Han was not someone he could provoke.

Xia Xinyu was also a little scared.

She had long heard of Qin Han’s great name, but this was the first time she was facing him directly.

She did not expect this person’s aura to be so strong.

It was too scary.

“What are you shouting for? I was the one who brought them in.”

Qin Han and the others looked up when they heard someone talking in the stands.

They happened to see Lin Yi.

“Young Master Qin, it’s him!”

Ren Zixuan pointed at Lin Yi and said, “He was so arrogant just now. He didn’t think about you at all!”

“Exactly. He thought that just because he was pretty, he could start acting all high and mighty. He didn’t even think about his own status,” Ren Zixuan’s assistant added.

Xia Xinyu and Sun Rui were both terrified.

Brother Yi had met the second-generation rich kid of Zhong Hai.

How was he going to end this?

“Chief Lin! You’re here!”

Chapter 56: You Dare to Teach Young Master Qin a Lesson?

At first, Zhou Haitao thought that he’d made a mistake.

He didn’t think that the person in the stands was really Director Lin!

“Director Lin? !”

Xia Xinyu, Sun Rui, and Ren Zixuan were all surprised by the way Zhou Haitao addressed Lin Yi.

They thought that they were hearing things.

“Old Lin, why are you here?”

Qin Han paused for a moment before walking over to greet Lin Yi with a smile on his face.

“I was just taking my friends for a walk when I ran into you guys.”

Ren Zixuan widened her eyes. “Young Master Qin, do you guys know each other?”

“Of course we know each other. I’m the owner of the Zhong Hai Circuit, how could we not know each other?”

Hiss—

They were dumbfounded!

After learning of Lin Yi’s identity, Xia Xinyu and the other two were all dumbstruck!

Brother Yi was the owner of the Zhonghai Racetrack!

How much would it cost to buy such a huge racetrack?

“Old Qin, that Ren Zixuan? Is she a friend of yours?” Lin Yi asked faintly.

“She’s not really a friend, she’s just a toy.”

In Qin Han’s eyes, a person like Ren Zixuan was like a disposable toy. There was nothing special about her.

“That’s easy to say. I don’t want to see her anymore. Tell her to get lost.”

“No biggie.”

Qin Han turned around and said to Ren Zixuan, “Let’s go. this is none of your business.”

Ren Zixuan and her team were all stunned. Things had changed too quickly for them to react.

“Young Master Qin, didn’t you say that I would be doing a live broadcast here? I’ve already agreed with the people in the live broadcast room that I would be doing an exclusive live broadcast here today. If I can’t do it today, my broadcasting career will be over.”

“Then it’s your own fault.”

Qin Han said, “I understand Old Lin’s character. If you didn’t act tough in front of him, he wouldn’t have bothered with a small figure like you. If you acted tough before this, now, even if you have tears in your eyes, you have to continue acting tough. Hurry up and get lost. Otherwise, I’ll call security.”

“Got it, got it.”

Ren Zixuan said nervously. Qin Han was a temperamental person. No one could mess with him.

Seeing Ren Zixuan and the others leave, Lin Yi raised his eyes and looked at Zhou Haitao.

“Is this how you do things? We agreed to call three people, so we’ll do things according to the rules!”

“Chief Lin, I...”

Zhou Haitao had a bitter look on his face. He looked like a mute who could not express his bitterness.

If it wasn’t for Young Master Qin’s appearance, he would not have done this!

“Alright, don’t say too much. This is my fault,” Qin Han said. “Who would have thought that female streamer was a friend?”

“Why can’t I have streamer friends?”

“That’s not what I meant. Her looks are okay, but her front isn’t big, and her butt isn’t perky. She shouldn’t be your type.” Qin Han winked and said.

“Do you need me to introduce you to a few foreign horses? It’ll be much more exciting.”

Xia Xinyu wanted to cry, but no tears came out. She might be a little young, but she still had some assets. They did not need to ridicule her like that.

“I’m afraid that I’ll come back sick. You should do something that brings glory to the country,” Lin Yi replied.

“You, on the other hand, have to follow the rules in the future. You’ve ruined the good reputation of the racetrack.”

Sun Rui was shocked to see Lin Yi Teaching Qin Han a lesson.

Who was this friend of Xinyu’s?

How dare he teach the famous Young Master Qin a lesson?

How f*cking awesome!

“Fine, fine, fine. You’re the boss here. Whatever you say,” Qin Han said.

“It’s good that you’re here today. Let’s run a couple laps. My hands are itching for it.”

“No matter how many times we race, you’ll always lose to me. There’s no need to humiliate yourself.”

“Fuck, you only beat me once, don’t be pretentious,” Qin Han laughed.

“I changed my starting habits after the last run, and I’ve improved my entry skills by quite a lot. It won’t be that easy for you to beat me again.”

“Come on then, my hands are itchy too.”

He then threw the car keys to Zhou Haitao. “Get someone to bring my car in.”

Qin Han threw the keys over as well. “Mine too.”

“I’ll get someone to do it right away.”

Sun Rui pulled Xia Xinyu along as Lin Yi and Qin Han warmed up.

“Don’t just stand there, turn on the livestream first. We’ll both lose out if we miss it.”

Lin Yi’s Pagani and Qin Han’s Lamborghini were soon driven in.

The two of them got into the car one after the other, ready to fight!

“Old Lin, let’s bet something, or else it’ll be boring,” Qin Han said.

“What do you want to bet?” Lin Yi asked

“100,000 a second,” Qin Han said. “A total of five laps. What do you think? We’ll give the other party a few hundred thousand for the few seconds between us. What do you think?”

“No problem.”

Sun Rui was not in a good mood when he saw the two of them casually making this bet.

He had only ever heard about how extravagant the lives of these rich kids were before this, but he’d finally seen it for himself today.

As usual, Zhou Haitao was the starting point.

The countdown ended, and the two sports cars roared like wild beasts as they charged forward!

Under Lin Yi’s guidance, Qin Han’s skills had indeed improved.

However, he was still lacking in front of the experienced driver, Lin Yi. He had only gone a few dozen meters before the distance between them was pulled apart.

Xia Xinyu and Sun Rui’s blood boiled as they watched.

It was too exciting.

In the end, after five laps, Qin Han was left 21 seconds behind.

Lin Yi was on a completely different level.

“How are you feeling?” Lin Yi smiled as he got out of the car.

“You’re so f*cking sick. I trained hard for days, and I still can’t outrace you.”

Lin Yi’s level was already at the top of the professional level.

Meanwhile, Qin Han was only at the top of the amateur level, so he could not compare to Lin Yi.

Qin Han took out a check from his pocket and signed his name.

“I admit defeat. Here’s 2.1 million.”

Lin Yi took the check and handed it to Haitao. “There’s a scratch on my car. Get someone to fix it for me.”

“Fuck, what’s going on? Did someone scratch your car? Did you find out who it was?” Qin Han asked.

“It’s nothing. Don’t make a fuss.”

Lin Yi wasn't going to let Song Wenwu pay for the repairs because they could not afford it.

However, he had to teach them a lesson.

Haitao took out his phone and took a picture of the damaged area.

"Lin, I'll contact the factory afterwards and ask them to send an engineer from abroad so that they can fix it perfectly without leaving any marks behind."

"Alright, do as you see fit."

Lin Yi said to Xia Xinyu, "You guys stream here. If there's anything you need help with, look for Zhou Haitao. He'll do his best to cooperate with you. I'll be leaving now."

"Thank you, Bro Yi."

"You're welcome."

Qin Han looked at Lin Yi. "You're not going to go to drive for Didi again, are you?"

"Smart, you guessed it already."

Chapter 57: You Have to Have the Best Egg Fried Rice

"F*ck, you're a f*cking pervert! Why didn't you play with the cute live streamer? Why did you leave to drive for Didi?"

"You don't understand. I'm enjoying myself. Do you want to join me?"

"I'm not going. Those girls get hot as soon as they get in my car. Who can stand it?"

"Maybe it's because you're a monkey with a lot of money and are easy to fool," Lin Yi joked.

"Get lost, get lost, go and drive your Didi. I'll take your car one day and give you a bad review."

"If you give me a bad review, I'll beat you to death."

The two laughed and chatted for a while before Lin Yi drove away.

After leaving the racetrack, Lin Yi looked at the progress of the mission.

With the good review from Xia Xinyu, it was now at (14/20). It would not be a problem for him to complete the mission today or tomorrow at the latest.

Lin Yi took a bite out of lunch and drove until six o'clock in the evening. By then, he was ready to call it a day.

It was meant to be a life experience, so there was no need to work so hard.

He received eight orders in one day because he was a Buddhist.

Three of the female passengers gave him five stars, while the rest gave him four stars.

Lin Yi was a little puzzled as well. His service was so good, so why was the positive feedback so low?

However, upon seeing that the mission progress was already at (17/20) , Lin Yi was still very gratified.

The rest would be taken care of the next day. There was no difficulty in completing the mission.

Lin Yi raised his head and looked at Thursday. He found that he was near Xuanqing Road and suddenly remembered that it had been a long time since he last ate fried rice in a small shabby restaurant.

The shabby restaurant Lin Yi was talking about was a stand outside that was run by a middle-aged couple.

The main dishes were various kinds of fried rice which were all cheap and very affordable.

It was only a street away from Chaoyang Group, and Lin Yi used to eat there in the afternoon.

When he recalled it, he realized that he had not been there in a few days, so he decided to satisfy his cravings first.

He found a parking spot on the side of the road and walked towards the small alley in front.

There was a temporary shelter not far away, but he noticed that the old couple were closing their stall.

“Auntie Liu, why are you closing so early today?”

The middle-aged woman smiled when she saw Lin Yi. “Yo, Lil Yi is here.”

“I haven’t eaten your fried rice for a long time. I’m here to satisfy my cravings.”

“Do you want to eat egg fried rice or something else?”

“I don’t think I’ll eat anymore since you’ve closed the stall. I’ll come back some other day.”

“It’s that child, Xiaojing. She said that she had no clothes to wear, so the two of us thought that we should close the stall early and fetch her back. Then, we’ll go buy some clothes,” Aunt Liu said.

“It won’t take long to make fried rice. Tell me what you want to eat, and I’ll ask your Uncle Kong to make it for you,” Aunt Liu said with a smile.

“How about this? I’ll go get Xiaojing for you, and you guys make me egg fried rice. I’ll bring her with me.”

“That’s not good. I’ve troubled you several times before.”

Occasionally, Lin Yi would come to buy fried rice after work, and he would help them pick up their children when they were busy.

“Don’t mention it. We’re all on the same side.” Lin Yi turned to leave as he spoke.

“Yi, don’t be in such a hurry to leave, we haven’t even talked about what to eat yet.”

“Make a high-quality egg fried rice, add ham sausage slices, two poached eggs, and a dragon guard spicy strip for me.”

1

“Yo, it’s payday.”

“Even if it’s not payday, you have to be extravagant.” Lin Yi said with a laugh.

Aunt Liu’s daughter was called Kong Jing, and she went to school at Zhonghai First Highschool.

In the high school category, Zhonghai First Highschool was considered a famous school.

Countless students from this school went to Tsinghua and Yan University every year. As long as they weren’t the last in the year, they could at least go to 211.

When he reached Zhonghai First Highschool, he found that the school gate was already full of people and cars. Lin Yi looked around for a while before he found a parking spot.

He looked at his watch. It was already past seven in the evening, but the third-year students had not finished their classes yet. The rows of lights were still on, and they were all studying at night.

He waited for more than ten minutes before the bell rang.

It didn’t take long for the students to come down one after another with backpacks strung over their backs.

Lin Yi waited for a long time, but he did not see Kong Jing come down.

“Hello, classmate. Have the third-year students finished their classes yet?”

Lin Yi grabbed a little boy and asked.

“Let me go,” the little boy replied.

“There are still some on-duty students left,” the third-year girl could not help but speak up, her eyes unable to look away from Lin Yi.

“I see, thank you.”

“You’re welcome.”

Lin Yi waited for a few more minutes, but Kong Jing still had not come down.

He felt that something wasn’t right, so he walked over to the Class One.

“Miss Gu, what do you think we should do about this? Look what my son made her do.”

“He pulled my hair first! He even wrote on my uniform! Otherwise, I wouldn’t have bothered with him!”

“Isn’t that Jing’s voice?”

Lin Yi recognized Kong Jing’s voice, so he quickened his pace and walked over to Class One.

Lin Yi paused for a moment as he entered the class.

Was the woman in uniform on the podium not the Gu Jingshu he had met earlier? !

1

Gu Jingshu was wearing blue jeans and black sports shoes. She was wearing a women’s shirt, which made her appear simple and elegant.

However, he had come to pick up Kong Jing before, and her teacher-in-charge did not seem to be Gu Jingshu back then.

It had only been a few days, and there was already a new teacher.

Jingshu was surprised to see Lin Yi come in from outside.

Wasn't this the super-rich second generation she had met a few days ago?

Why was he here?

"Yi Bro."

Before Jingshu could say anything, Kong Jing trotted over to Lin Yi and stood beside him.

"Your parents are closing up the stall. I've come pick you up today." Lin Yi looked at the middle-aged couple standing not far away, and noticed that their faces were filled with anger.

There was a fatty standing in front of them with a few bloody marks on his face.

That must have been Kong Jing's masterpiece.

"What happened? Did you fight with your classmates?"

"He's the one who bullied me."

Lin Yi's arrival made Kong Jing feel like she had support. She was not afraid anymore and turned around:

"Brother Yi, look at my clothes. They're all marked with oil."

"Alright, I know what happened."

Lin Yi rubbed Kong Jing's head and shielded her behind him.

"Your son was in the wrong, but Jing scratched your son, which was her fault. Let's call it even. Don't hold it against us."

Gu Jingshu was a little surprised. She did not expect Lin Yi to be so easy to talk to.

If it was anyone else, they would have already gone crazy.

"We're even?" The boy's mother asked.

"Open your eyes. What if my son's face is disfigured? He's going to enter the entertainment industry in the future, and this might delay my son's future. Can you take responsibility for that?"

Chapter 58: What Should I Do If Asked to Kneel?

"Yes, I still have to enter the entertainment industry in the future. My future has been ruined by you guys. Can you afford to pay for it?"

Lin Yi walked over and said.

"Classmate, with your looks, it's impossible for you to enter the entertainment industry in the future."

Gu Jingshu held back her laughter. This was too direct.

These parents nowadays really could not see reality clearly. With Lin Yi's looks, even he had not entered the entertainment industry yet, let alone other people.

"What do you mean? Are you saying that my son is ugly?!" The boy's mother shouted.

"You two, why don't you take a look at yourselves? How can you have such unrealistic thoughts? It'll only happen when pigs fly!"

"I'm telling you, stop talking nonsense. If you don't give me an explanation today, this matter won't be over!"

Kong Jing said, "He was the one who bullied me first."

"What's wrong with bullying you? It's your honor to be in the same class as my son. You have to endure the bullying..."

Slap!

Lin Yi didn't say a word as he slapped the woman's face.

"You... you dare hit me?!"

The woman covered her face with her hands, her eyes wide open. She had never thought that Lin Yi would hit her.

"You..." Jingshu shook her head. How many rich kids like Lin Yi had a good temper?

"I'll give you a light slap, but if you keep talking like that, you'll probably end up in the hospital."

"Teacher Gu, take a look. The parent of your students actually dared to be violent in the school. Don't you have to take care of this matter? If you don't give us an explanation, I'll have to look for your principal!" The boy's father said.

"Coward, I beat your wife and didn't even dare to fart. Now, you actually want to sue the principal? Is that all you've got?"

"F*ck, how dare you?" The boy's father then turned to Gu Jingshu. "Teacher Gu, I hope you can handle this!"

Gu Jingshu's expression was serious.

"It's already clear. You guys were at fault first. Even if you look for the principal, it'll be useless."

"Fine, you guys won't handle it, right?" The boy's father was fuming. "Let me tell you, I'm the HR manager of Zhonghan Capital. If you guys don't handle this, I'll inform my colleagues in the legal department to handle it!"

"Zhonghan Capital?"

Lin Yi muttered. The name sounded familiar.

It seemed to be Qin Han's company.

As the second generation of the rich in Zhong Hai, a lot of information about Qin Han was public.

Anyone who frequently browsed internet more or less knew about it.

“Your work won’t affect my judgment!” Gu Jingshu said. “I hope you won’t make a fuss anymore.”

“Okay, then remember what you said today. If I deal with this personally, it won’t just be the two of them, even your school won’t have a good time!”

Gu Jingshu hesitated. In this society, many things were unreasonable.

If they really made a scene, it would probably have a bad effect on the school’s name.

She did not mind it. She could always find another job, but if it affected Xiaojing, it would not be good.

“Miss Gu, don’t bother with them,” Lin Yi said. “Let them do their thing. If they can even make a splash, I’ll lose.”

Lin Yi patted Kong Jing’s head. “Let’s go. Your parents are waiting for you. Let’s go home.”

“Okay.”

Kong Jing didn’t think as much as Gu Jingshu did. With Lin Yi around, she was not afraid of anything.

Lin Yi left with Kong Jing, and the remaining three people looked at Gu Jingshu.

“Miss Gu, I’ve made it very clear. I Need Kong Jing and her parents to apologize in public tomorrow, and also compensate us with 200,000 yuan in medical fees. Otherwise, you’ll have to bear the consequences!”

“I’m sorry, I can’t do that!”

Lin Yi’s words not only gave Kong Jing courage, but it also filled Gu Jingshu with bravery.

Lin Yi was the owner of the Peninsula Hotel and drove a sports car worth more than 20 million yuan. Why would he be afraid of white-collar workers like you?

“Then let’s just wait and see!”

After saying that, the family of three walked out and saw Lin Yi and Kong Jing in front of them.

“Dad, Look, they are right in front!” The boy said, “That man just beat my mom up. We can’t let him go!”

“Li Dewang, if you’re a man, go teach him a lesson right now!”

“Don’t worry, I’ll go right now!”

The family of three rushed up. “Kid, stop right there!”

Just as they walked out of the school, they heard someone talking behind their back and realized that it was the family of three.

“What’s the matter?” Lin Yi asked.

“Let me tell you, you just beat up my wife. This isn’t over!”

“If it’s not over, then it’s not over. I’ll be waiting for you.”

“Fine, if you’re really all that, then tell me your name. I’ll make you beg to come find me the next day!”

Lin Yi held his phone, but didn’t answer directly. Instead, he asked,

“You’re from Zhonghan Capital, right?”

“What, are you scared? If you are, then kneel down and apologize to my wife right now!”

A lot of people came up to the group upon hearing the argument.

“I’ve heard of this Zhonghan Capital before. I think it’s Qin Han’s company!”

“Is he that rich second generation from Zhong Hai?”

“That’s right, the one who’s so arrogant on the Internet.”

“This man will definitely not have a good ending if he provokes people from Zhonghan Capital.”

Li Dewang put his hands on his waist. “Kid, did you hear that? You should know what kind of power Zhonghan Capital has. I’m giving you a chance now, so don’t waste it.”

“Don’t worry, I’ll make a call.”

Lin Yi called Qin Han as he spoke.

“Your Company’s HR manager wants me to kneel down and apologize to his wife. What do you think we should do about this?”

“F*ck, are you shitting me? How can our company have such a scumbag?”

“Do you think I’m joking with you?”

“Alright, I’ll go find out who this scumbag is. I’ll definitely give you an explanation as soon as possible.”

“Don’t worry, I’ll find out right now!”

Lin Yi hung up the phone and chuckled.

“Just wait, someone will deal with you soon.”

Li Dewang heard Lin Yi’s words clearly.

It was obvious that he was calling someone from his own company.

“You... Who did you call?”

“Qin Han.”

Li Dewang froze for a second before laughing out loud.

“What the f*ck, are you f*cking kidding me?”

Li Dewang was laughing so hard that he could not hold back his tears. "If you said that you would call other executives, I might have still believed you. But you said that you called Young Master Qin himself. Are you kidding me?"

"Why don't you take a look at yourself? What right do you have to know our Young Master Qin?"

"Do you think that our young Master Qin's contact information is so worthless? Young Man, you should be more serious with your bragging."

Chapter 59: Go to Africa

"Believe it or not, the rest is not up to me."

"Haha..."

Li Dewang laughed until his tears came out.

"I think you still don't know who our Young Master Qin is. Even those people who are worth billions can't get our young Master Qin's contact information. Who do you think you are? You even dare to brag about this kind of thing. You wouldn't be able to do such a thing even in your dreams."

Li Dewang's words received the approval of many people.

Qin Han was not only a second generation of the absolutely wealthy in Zhong Hai, he was also a popular internet figure.

How could an ordinary boss be able to get in touch with such a person?

"This kid is really interesting. He actually said he knows Qin Han? That's too funny."

"Haha, if he knows Qin Han, then I also know Trump."

"I think he might have read too many online novels and wanted to slap the face of the male lead, but this is reality, not just a storybook."

"He might have gone mad."

Di Di—

Lin Yi pressed the car key in his pocket, and the Pagani's gull wing door opened, stopping the jeering.

"F*ck, it's the Pagani Zonda! Why didn't I notice it just now?"

"I saw it a long time ago. I even took a few photos."

"This car is worth more than 20 million. Rich people from Zhong Hai I tell you..."

"Let's go, get in the car," Lin Yi said.

"Brother Yi, where's your Shari? I've been looking for him for a long time."

"I don't drive that car anymore. I drive a Pagani now."

Hiss—

“That Pagani is yours?”

“What?!” Li Dewang was dumbfounded. This kid was driving a Pagani?

Was he joking?!

“Can’t it be mine?” Lin Yi asked

Lin Yi and Kong Jing walked towards Pagani under the watchful eyes of the crowd.

Li Dewang felt like an idiot.

How could he threaten the owner of a Pagani?

Ring, Ring, Ring...

Li Dewang’s phone rang. It was an unknown number.

“You must be Li Dewang.”

Zhonghan Capital had always been run by professional managers. Qin Han did not participate much, so he did not know much about the company’s management.

He had to confirm the other party’s identity first.

“That’s me. Who are you?”

“I’m Qin Han.”

“Hello, Young Master Qin.” Li Dewang almost wet his pants from fright. Young Master Qin actually called him on his own initiative!

It was unbelievable.

“Don’t f*cking call me Young Master Qin. You dare to mess with Lin Yi? You want to die, don’t you?” Qin Han cursed.

“Hurry up and pack your stuff and get out of here. Zhonghan Capital doesn’t have a scumbag like you!”

Li Dewang felt like his soul had left his body after being scolded by Qin Han.

Only then did he understand the whole process.

The person driving the Pagani was Lin Yi!

He was not bragging just now!

He had really called Young Master Qin!

“Young Master Qin, please listen to my explanation. I beg you to give me another chance. I’ll go apologize to him right now,” Li Dewang cried.

“I just took out a loan to buy a house and a car. If you fire me, my life will be over.”

“Alright, the Africa branch is short of people. If you don’t want to be fired, then go to Africa.”

1

Qin Han didn't waste any more time and hung up the phone.

Bang!

Li Dewang's phone fell to the ground and he slumped to the ground.

"What happened? Why are you sitting on the ground?" Li Dewang's wife asked.

"We offended someone we shouldn't have. That guy who drives a Pagani really knows Young Master Qin. Young Master Qin fired me without saying anything."

Li Dewang's wife was also dumbfounded. Her intestines were about to turn green with regret.

"What are you waiting for? Go apologize before they leave!"

"Yes, yes, yes, Go apologize!"

Li Dewang grabbed onto his last shred of hope and ran towards Lin Yi.

"Young Master Lin, don't go!"

Lin Yi, who was about to drive away, opened the car door when he heard Li Dewang calling his name.

"What's up?"

Thump!

Li Dewang and his wife knelt down, slapping their mouths non-stop.

"Lin, we know we were wrong. Please give us one more chance. Please don't let Young Master Qin fire me."

"You just happened to meet me today. If I hadn't come, it's possible that Xiaojing's family would have been bullied to death by you two." Lin Yi said.

"If you can't live with the consequences of your actions, then don't do them in the first place. Live with the mess you've created."

Lin Yi closed the car door again and left along with Kong Jing.

Soon, Lin Yi drove Kong Jing back.

"Dad, Mom, I'm back."

"Hurry up and thank your brother Yi," Auntie Liu said.

"I've already thanked Brother Yi," Kong Jing said with a smile. "Mom, Brother Yi changed his car. It's very beautiful."

"Then study hard and work at a big company in the future, then buy a good car."

"Okay."

“Come, Brother Yi.” Kong Jing’s father soon brought a bag to Lin Yi.

“You’re back just in time. It’s just been cooked. so eat it while it’s hot.”

“Okay.”

“Hey, Hey, Brother Yi, it’s on us. Don’t pay for it.”

“How can that be? These are two unrelated matters. I have to pay.”

“You’ve already helped us get Jing back. How can we still take your money?”

“That won’t be possible.” Lin Yi took out a hundred dollars and stuffed it into Aunt Liu’s hand before running back to his car.

It was already past eight o’clock in the evening.

Lin Yi wasn’t going to keep strolling around, he was driving home.

“Hmm?”

He hadn’t driven far when his car stopped at the Chaoyang Group. Lin Yi, who was waiting for the traffic lights, noticed that the lights in the top floor office were still on.

“What’s going on? Is Ji Qingyan still working?”

Lin Yi drove past when the lights turned green, but he turned around at the next intersection.

He had nothing better to do, so he decided to check in on Ji Qingyan.

After parking his car, Lin Yi got into the elevator and went straight to the top floor.

The lights in the other offices were all off, leaving only the corridor and Ji Qingyan’s office lit up.

“No wonder she didn’t call for a cab today. She was working overtime at the office.”

There were several documents on the desk, a pink cup beside it, and a small biscuit in her hand.

She was working overtime but still appeared to be comfortable.

At that moment, Ji Qingyan’s attention was completely focused on the documents, and she didn’t see Lin Yi standing at the door.

“Isn’t this little Missy a little too hard-working? Everyone in the company has left, and she’s here all by herself. Isn’t she afraid?”

Lin Yi quietly took a few steps back, stood in front of the corridor switch, and pressed it.

The lights in the corridor were all turned off in an instant.

A second later, Lin Yi turned the switch back on.

He repeated the action twice.

“Who’s there?!”

Ji Qingyan's voice rang out, but there was a slight tremor in her voice.

Lin Yi didn't say anything, but he tried his best to hold back his laughter.

Da Da Da...

The sound of high heels could be heard soon as Ji Qingyan walked out of the office.

"Who's there? Don't play tricks on me!"

This time, the nervousness in her voice was even more obvious.

Chapter 60: Come Quickly, I'm scared

Lin Yi hid in the corner, not saying a word.

Then, he heard the sound of the door closing, as well as the sound of the door being locked.

Lin Yi crept out from the corner and walked toward the switch again. He did it a few more times, making loud deliberate footsteps in the process.

Buzz Buzz...

Soon, Lin Yi's phone rang. It was a voice message from Ji Qingyan.

"Lin Yi, where are you? I'm at the company. Can you come pick me up?"

Lin Yi frowned. Was this little girl not scared silly? She still had the mood to send a WeChat message at this time?

Did she lose her call function?

Before Lin Yi could reply, Ji Qingyan's call came.

However, Lin Yi did not pick up. He did not want to give himself away.

"I don't have time. I'm working outside."

Lin Yi replied on WeChat.

"Can you stop working? I think there's a bad guy in the company. I'm scared."

There was a sobbing tone in Ji Qingyan's voice. She wasn't just nervous anymore.

Thinking of this, Lin Yi decided not to tease her anymore since she had already realized the seriousness of the problem.

Carrying his egg fried rice, Lin Yi walked towards Ji Qingyan's office.

Dang dang dang..

"Who are you?!"

Ji Qingyan yelled.

“Let me tell you, my boyfriend will be here soon. Don’t think that I’m afraid of you! Get out of my office!”

Lin Yi could not help but laugh.

He always looked like a grown woman, but he did not think that there was such a side to her.

“Since your boyfriend is coming, I’ll leave first.”

Huh?

The voice outside the door sounded familiar to her, and she immediately realized that it was Lin Yi’s voice!

She hurriedly opened the door and saw that the person outside was Lin Yi.

Ji Qingyan threw herself into Lin Yi’s arms.

“Sob, sob, sob... you’re finally here. I think some bad people came to the company just now. You scared me to death.”

However, Ji Qingyan soon realized that something was wrong.

She let go of Lin Yi and looked at him suspiciously.

“I only just sent you a WeChat message, so why are you already here?”

“Because I’ve been outside the whole time.”

Ji Qingyan’s expression turned from grief to anger.

“It was you standing outside! Why were you scaring me?!”

Lin Yi held up his phone.

“Look at yourself. It’s past nine o’clock at night and there’s no one at the company. What if it was not me but someone else? What would you do then?”

1

After being lectured by Lin Yi, Ji Qingyan realized that Lin Yi was doing it for her own good.

“What kind of prank is that? It might have been someone else staying back.”

“Who else has the right to work on the top floor other than the company’s president?”

“You should call me then, but you can’t scare me. I was scared to death just now.”

Ji Qingyan wiped the tears from the corner of her eyes.

She was a little angry at first, but after knowing that Lin Yi was doing it for her own good, she was not angry anymore.

1

“A workaholic like you won’t listen to others if I didn’t do something serious,” Lin Yi said.

“That’s why I need to teach you guys a lesson.”

“I just want to finish all these documents. I don’t want to push them to tomorrow,” Ji Qingyan said guiltily.

“Oh right, what are you holding in your hand?”

“Egg fried rice.”

When she saw Lin Yi buy supper...

Ji Qingyan’s heart was filled with joy.

It was quite romantic. He even knew that she did not eat upon working overtime.

As they sat on the sofa in the office, Lin Yi opened the fragrant packet of egg fried rice and felt his stomach growl.

He took a big bite and put it into his mouth.

He was exceptionally satisfied.

“Huh Huh?”

Ji Qingyan froze at the desk.

Did he not buy it for her?

Did he not know that she hadn’t eaten yet?

He actually ate it himself?

“Cough cough cough...”

Ji Qingyan coughed lightly.

“Is your throat not feeling well? Drink more hot water.”

“It’s already past nine. I’ve been busy until now.”

“I know.”

“But I haven’t eaten yet,” Ji Qingyan said.

“Don’t you have the little biscuit? I only bought one serving. Don’t try to steal my fried rice.”

“A little biscuit can’t fill you up.”

Ji Qingyan walked over. “Give me a bite.”

“You’re the CEO. How can you just eat egg fried rice?”

“I’m not a fairy. Why can’t I eat egg fried rice?”

Ji Qingyan then added, "There's a small alley next to the company. There's a couple inside who sells really delicious egg fried rice. I've bought it several times."

Lin Yi was a little surprised. He didn't expect Ji Qingyan to go there to buy egg fried rice.

"This is Aunt Liu's egg fried rice."

"Really?" Ji Qingyan's expression brightened. "Let me try it."

Lin Yi handed the chopsticks over when he saw how cute she looked.

However, she did not move.

"Why aren't you eating?"

"Feed me."

"I don't want to."

"No, you scared me just now, so you have to feed me."

"You're already an adult, but you're still acting like a spoiled child. I can't do anything to you."

Lin Yi had no choice. He picked up the chopsticks, took a small bite, and fed it to Qingyan.

"Their egg fried rice is still the best," Ji Qingyan mumbled.

"Give me a piece of ham."

"I want another piece of egg."

"Why are you asking people to feed you?" Lin Yi complained, but he still picked up a piece of ham and egg before feeding it to Ji Qingyan.

"Alright, I'm full. Go ahead."

"You're full after just two bites?"

"You've been out for a whole day. You're hungry too. I'm going to eat some biscuits."

"Go ahead. My appetite is not as big as you think."

"I'm not going to eat anymore." Ji Qingyan shook her head. "It's too late. I can't eat too much. Otherwise, my recent yoga practice will have been in vain."

"Okay, you don't have to if you don't want to. Hurry up and pack your things, then we'll go home."

"There's only one document left. I'll leave after reading it."

"Do whatever you want. I'll leave after I finish eating regardless. The decision is up to you."

"Tch, why are you so chauvinistic?"

Ji Qingyan went back to her desk after complaining. She was going to finish reading the last document while Lin Yi was eating.

However, she didn't finish reading the last document until after Lin Yi finished eating.

This was because she couldn't help but look at Lin Yi.

He still came to see her this late at night.

Those people who were lining up to send her flowers must be in the nightclub at this time.

"I'm done. I'm leaving."

"I'm leaving too."

Ji Qingyan didn't plan to finish the last document.

She just needed to come early tomorrow.

With that, she closed her computer and tidied up. She was going to the fitting room to change her clothes and go home.

Ring, Ring, Ring...

Lin Yi's phone rang, and he saw that it was Qin Han.

"I'll take care of that Shabi, so you should take it easy too."

"What's there to be angry about, Young Master Qin?"

"Haha, you're so straightforward." Qin Han laughed.

"What are you doing now? I found a few A-list celebrities. Their bodies and looks are top-notch. You want to come over and have some fun? I'll make it worth your time."

Lin Yi looked up at Ji Qingyan and smiled:

"I have better people around me. Forget about your so-called A-list celebrities."
