

I Get A Random New Occupation Every Week

Chapter 11: I'm the Only One at Home

"Of-of course you can, I just didn't think of it."

Jiangdong smiled awkwardly.

"There's a lot of things you didn't think of, but you'll learn of them later."

Lin Yi ignored Jiangdong and smiled at the lobby manager.

"I'm really sorry, I'll go downstairs and move the car now."

"Okay, okay, I'll have to trouble you."

Lin Yi and the lobby manager went downstairs as the others looked at each other. Then, they got up quickly, wanting to go downstairs and see what was going on.

They went downstairs and found a lot of people gathered in front of the car to take photos.

Lin Yi walked over, and the crowd automatically dispersed. Their eyes were full of envy and jealousy.

"My God, he's so handsome and so rich. This is too unreasonable!"

"He must have given God a present when he was reincarnated."

1

Lin Yi didn't care about the comments from the people around him. He moved the car and stuck his head out of the window.

"You guys can continue eating. I have something to do."

"Since the main character has left, I won't be eating either." Wang Ying said. "I'm leaving too."

"Sister Ying is going home?"

"Yes."

"Then I'll send you home. I have nothing to do."

2

“Thank you, Yi.”

The two had been very close when they were at the company.

Now that Lin Yi was driving a supercar, she naturally wanted to see what it felt like.

They got into Lin Yi’s car and left under everyone’s watchful eyes.

“Yi, I didn’t know you were the second generation of a rich family. It’s so hard to live an incognito life.”

Wang Ying took photos as she spoke.

It was her first time riding a supercar, so she had to take a few photos as a memento.

“Money is just a worldly possession. Experiencing life is the most important thing.”

2

“I remember now. Aren’t you an orphan? Where did you get so much money?”

“Uh, inheritance.”

5

“I see.” Wang Ying nodded.

“But you just said that you drive for Didi now. Is that true?” Wang Ying couldn’t believe it.

“Of course it’s true.”

Lin Yi took out his phone. “My registration information is all there. Sister Ying, do you want to place an order to support me?”

With their relationship, Lin Yi would never accept Wang Ying’s money.

However, the system’s mission was for him to pick up two beauties with 85 points or more.

Although Wang Ying was a little old, her charm didn’t decrease. Otherwise, she wouldn’t have been named the number one beauty of Chaoyang Group.

2

If Wang Ying placed the order, it would not be difficult for him to complete the mission.

“Since you’ve already said that, so if I don’t place the order, I’ll be taking advantage of you.” Wang Ying said as she held her phone.

“Don’t worry, Sis is placing the order now. Watch out, lest someone else takes it away.”

“No problem, I’m watching.”

Soon, a notification appeared on the phone. Wang Ying placed the order successfully, and Lin Yi accepted the order immediately.

However, there was no notification at all.

What was going on?

Could it be that Wang Ying wasn’t a beauty with an 85 or higher score?

She was only 29, so it was better for her to get married earlier!

[Scan completed. The passenger’s overall score is 84, not meeting the requirements of the mission!]

2

Lin Yi was speechless!

Was the system not being a little too strict? Could it not give him an extra point?

Where was he going to meet so many high-scoring beauties?!

“Yi, why are you still in a daze?” Wang Ying asked.

“Ying Jie, I want to ask you something.” Lin Yi asked as he drove.

1

“What is it?”

“What do you think you can do to increase a woman’s charm?”

The system had already said that Wang Ying’s overall score was only 84 points. It must have considered many aspects before giving her the score.

That was why it was possible to increase one’s charm through other means.

However, Lin Yi didn't know if this little hack would succeed, so he could only give it a try.

"Increase a woman's charm?" Wang Ying was a little puzzled. What kind of strange question was that?

"I'm just asking. If Sister Ying doesn't know, then forget it."

"The so-called increase in charm is to make yourself more attractive. This is a compulsory course for every woman," Wang Ying said.

"How do you improve it?"

Lin Yi was curious to see how confident Wang Ying was.

"Don't worry," Wang Ying said with a smile. She opened her bag and took out two pairs of unopened silk stockings.

One pair was flesh-colored, and the other pair was black.

"Tell me, which one do you think is good-looking?"

"Ahem, ahem, Sister Ying, I don't think it's appropriate to ask me such a question."

"What's there to be afraid of? There's only the two of us in the car." Wang Ying smiled and said, "Choose one."

"Uh... The black ones are better."

"Okay, wait."

As she said that, Wang Ying opened the black silk stockings and slowly put them on her legs.

What made people unable to control themselves the most was that during the process of putting them on, Wang Ying unintentionally lifted her skirt, revealing her black leggings. This really made people's thoughts wander.

1

"How is it? Doesn't it feel different?"

"It really does feel different."

After putting on the black silk stockings, it almost appeared like her legs had grown quite a bit, and she became even more attractive.

“System, scan again and see what Wang Ying’s overall score is.”

A second later, the system’s real voice sounded.

[scan completed. The passenger’s overall score is 85, meeting the requirements of the mission!]

8

[Ding, mission completed. Reward: 100,000 experience points, job completion rate: 15%. Reward: one villa in Jiuzhou Pavilion. (Get it from the sales manager!)]

2

“F*ck!”

The name Jiuzhou Pavilion was well-known in Zhong Hai City.

Ever since it was being built, it was considered to be a top-tier mansion. When it was completed, it became the number one mansion in Zhong Hai City just as expected!

Even the richest people on the list would be intimidated by Jiuzhou Pavilion.

It wasn’t that they couldn’t afford it, but in their eyes, it wasn’t worth it to spend hundreds of millions on such an expensive house.

To put it bluntly, they were not rich enough.

Lin Yi could not help but feel excited.

He wanted to buy a house, but the system’s reward came right after.

He had to finish this order quickly and check it out later.

Wang Ying’s heart skipped a beat when she heard Lin Yi swear.

Did he have such a big reaction when he saw her wearing black silk?

This thing really had a fatal attraction!

“Little Yi, focus on driving. We’ll talk when we get home,” Wang Ying reminded shyly.

“No problem.” Lin Yi smiled. “Thank you for your support, Sister Ying. Remember to give a five-star review.”

“That depends on your service.” Wang Ying said with a smile. She was a beautiful young woman.

At first, Wang Ying had bad thoughts about Lin Yi, but now, her bad thoughts were even stronger.

4

Soon, Lin Yi sent Wang Ying home according to the address on his phone and completed his third order.

“Do you want to go up and sit for a while?”

“No thanks, I’m sorry to bother you,” Lin Yi said politely.

“What do you mean bother? My husband is on a business trip and I’m the only one at home,” Wang Ying pretended to be calm.

6

Lin Yi drove off after saying goodbye.

He looked at the time and realized that it was already past seven.

However, Lin Yi had been in sales before, so he knew the rules.

The sales center had a shift system.

During the day, everyone was on standby, and at night, a small portion of the sales team would be left behind until eight o’clock at night.

If he drove fast, he would still make it in time.

After about thirty minutes, Lin Yi arrived at the Jiuzhou Pavilion area.

Like its namesake, there were a total of nine villas in the Jiuzhou Pavilion (TL Note: Jiuzhou translates to Nine Region Pavilion in Chinese.) Each of them faced the river and looked at the sea, appearing magnificent and magnificent.

However, depending on the size, style, and location, the prices of each unit were different.

Even so, the difference in price wasn’t big, so any one of them could be regarded as the king of buildings in Zhong Hai!

Sitting in the car and looking at the view of the Jiuzhou Pavilion, Lin Yi was very satisfied. He would have a place here in the future.

Despite this, he didn't know which building the system had give him.

After enjoying the scenery outside, Lin Yi parked the car and pushed the door open before walking into the sales hall.

Seeing a guest enter, the saleswoman glanced at Lin Yi and her expression changed.

"What are you doing here?!"

Lin Yi was a little surprised to see the person who spoke.

The saleswoman's name was Mengyu. She was Lin Yi's former colleague.

Back in the company, she had pursued Lin Yi crazily. After being rejected sternly, she became the laughingstock of the company and left in anger.

"I want to look for your manager." Lin Yi said with a smile.

This world was too small for him to actually meet her here.

1

"Hehe, our manager has to meet a big client in a while. He doesn't have time to deal with you." Mengyu said.

"But you, what are you doing here? Did you get fired and come here to apply for a job?"

"I got fired today and you already know about it?"

Lin Yi was a little puzzled. Why would she say that so quickly?

"You really got fired?"

Mengyu was just gloating a bit, but she actually hit the nail on the head?

"Yeah." Lin Yi nodded with a smile. "Just help me get your manager please."

"We'll talk about it when I have time." Mengyu said indifferently.

"And let me remind you, don't expect me to put in a good word for you. When you think about our job application, it's all about strength. Don't think that just because you're handsome, you have an advantage."

1

Lin Yi rubbed his chin. He had just rejected her, so was there a need for all this drama?

3

“Let me explain first. Although I’ve been fired, I’m not here to apply for a job.”

“Then what are you here for?” Mengyu crossed her arms in front of her chest, her expression arrogant.

“Don’t tell me you’re here to buy a house.” Mengyu said.

Lin Yi nodded. “I’m really here to buy a house. That’s why I’m looking for your manager.”

“Lin Yi, stop messing around. We’ve been colleagues for a few months. Do you think I don’t know your situation?” Mengyu said disdainfully.

“You live in an old neighborhood, and you own a shabby Shari. Yet, you say you want to buy a house in the Jiuzhou Pavilion? Can you stop fooling around? Any one of them is worth more than 800 million. What can you afford? You can’t even afford a toilet if I were to try to sell it to you.” Mengyu said.

“Forget it if you don’t believe me. I’ll talk to your manager later.” Lin Yi sighed.

“Haha, do you think our manager works for free? How would he have time to receive you?” Mengyu rolled her eyes. “Who do you think you are?!”

At that moment, the sound of high heels could be heard. A woman in a grey work dress was walking toward Lin Yi.

“Manager Wang.” Mengyu said politely when she saw the woman in the uniform.

“Go Away! I’ll deal with you later!”

Mengyu was stunned after being scolded for no reason.

She didn’t do anything, so why was she being scolded?

After scolding Mengyu, the female manager changed her expression and smiled at Lin Yi.

“You must be Mr. Lin Yi. Let me introduce myself. I’m Wang Hui, the sales manager of Jiuzhou Pavilion. I went to the washroom and couldn’t come out to greet you personally. I hope you don’t mind.”

“It’s okay, you don’t have to be so formal.”

“Should I show you the rooms first? Or should I give you an introduction to the situation here?”

“First…”

Mengyu interrupted before Lin Yi could finish.

“Manager Wang, you don’t have to waste your time on him. He’s my former colleague, and he was fired today. He’s an orphan, and he can’t afford a villa in Jiuzhou Pavilion. It’s a waste of time to show him around a house.” Mengyu said.

1

“What nonsense are you spouting!” Wang Hui glared at Lin Yi.

1

“Go report to the personnel department. You are to stop working here!”

Mengyu was even more confused. She didn’t do anything, and she only said a few words of truth out of kindness. Why did she suddenly get fired?

1

“Wang… Manager Wang, I’m not talking nonsense. I really know him. I know his situation.”

“Know my *ss!”

Wang Hui couldn’t help but swear. “Mr. Lin bought all the villas in the Jiuzhou Pavilion in one go. You say he’s your colleague? Do you think you’re worthy of holding that title!”

“Bought all the villas?!”

Mengyu stared at Lin Yi as if he was an alien.

She hadn’t even left her job for a month, so how did he become rich?

Even if he won the first prize in the lottery, he wouldn’t be that rich, right?

Lin Yi was a little stunned as well.

It turns out it wasn’t just one villa, but nine whole villas!

2

In other words, he would be the owner of Jiuzhou Pavilion from now on, and this place would become his private territory!

4

“Mr. Lin, I’m really sorry. I didn’t manage my staff properly and gave you a bad experience in buying a house. It’s my fault.”

“It’s okay,” Lin Yi said generously.

“Now that Jiuzhou Pavilion is my property, I should wrap up the registration procedures. Can you give me the keys?”

“It’s all ready. Please wait a moment.”

Wang Hui jogged away as she spoke. When she returned, she had nine documents in her hands.

“Mr. Lin, these are all the property rights and the keys to the nine villas. Please keep them well.”

The nine documents in her hands carried a lot of weight.

It turned out that having too many houses was also a problem.

“If there’s nothing else, I’ll leave first,” Lin Yi said politely.

“Congratulation, Mr. Lin.”

“Don’t worry, you guys are pretty busy too, so you can go back to your own matters.” Lin Yi said

Wang Hui walked out anyway, and Mengyu followed behind.

Mengyu was in a bad mood when she saw Lin Yi put all nine documents into his Pagani sports car!

This was a super car!

Why did she try to scold a super rich man?

1

Lin Yi drove back to the Peninsula Hotel and prepared to stay there for the night. He was going to pack up his things and move into the Jiuzhou Pavilion the next day.

Just then, Lin Yi's phone rang. It was Wang Ying.

"Little Yi, did you know? I heard through the grapevine that the old witch and Li Jiangdong were fired!"

2
