

I Get A Random New Occupation Every Week

Chapter 24: Close the Curtains

“Why did you put the coffee back?” Standing upstairs, Ji Qingyan asked.

“When I saw your stockings and coffee together, I instantly didn’t want to drink it.”

“You haven’t been to other women’s homes before, have you?” Ji Qingyan ridiculed.

“How did you know?”

“Women’s stockings are all kept in the refrigerator. This way, they are more durable,” Ji Qingyan said.

5

“Besides, those stockings are unopened, they’re all new. What are you afraid of? Your thoughts are running wild.”

“Forget it, I’ll have a glass of water.”

Seeing that Lin Yi didn’t drink the coffee in the fridge, Qingyan could not help but laugh.

It looked quite cute.

“Sure, make whatever you want. I’ll be taking a shower later, it might take some time. My laptop is on the dining table, so feel free to use it.”

“Ok.”

Soon, the sound of running water could be heard from upstairs.

Lin Yi was bored, so he got up and walked around the villa. The air was fresh and the scenery was pleasant.

When he came yesterday, Lin Yi was still envious of Ji Qingyan’s villa.

However, now he didn’t feel that way anymore.

All of Jiuzhou Pavilion was his, so there was nothing to be envious of anymore.

Lin Yi had nothing to do, so he took Ji Qingyan’s laptop and found a movie to kill time.

About twenty minutes later, the sound of running water came to an end, and the door opened.

“There’s a new email for you on the computer,” Lin Yi said.

Ji Qingyan’s voice came from upstairs. “It should be a business document. Don’t worry about it, just keep doing your thing.”

“It doesn’t seem to be a business email from your company.”

“It’s not a business email?”

“It seems to be a delivery notice from a certain merchant. Your 36D Black Lace underwear has been delivered.”

2

For the next ten seconds or so, there was nothing but silent.

2

“No, don’t worry about it.”

Ji Qingyan felt like she was going crazy.

If it’s been delivered, then it’s been delivered. Why did you use your email to remind me of it?!

Why did you send the goods at this time?!

Are you trying to kill me?!

In reality, Ji Qingyan would get this reminder every time she bought something, but she didn’t take it seriously before this.

“President Ji, there’s another email on your computer...”

Before Lin Yi could finish his sentence, he heard the sound of footsteps coming from the second floor.

Ji Qingyan ran in front of Lin Yi with a towel wrapped around her body. She grabbed the laptop from Lin Yi and peeked at it.

It was junk mail.

“It’s just junk mail. Why did you call me?”

"You can't blame me for this," Lin Yi said innocently. "I was about to tell you that it was junk mail when you came down."

1

Lin Yi looked at her up and down. "You didn't buy something shady, right? Were you afraid that I'd see it?"

"What are you talking about? I'm not the kind of person you think I am."

"Then why are you so nervous?" Lin Yi smiled. "Did you buy an electric boyfriend?"

"Electric boyfriend? What is that? Can a boyfriend charge?"

1

Ugh..

"Let's change the topic, let's not talk about the boyfriend." Lin Yi said

"You haven't made yourself clear yet, so why should we change the topic?" Ji Qingyan replied.

"I don't want to change the topic either, but I don't mind if you stay naked, Lin Yi said with a shrug.

Ji Qingyan lowered her head abruptly and noticed that the clip on the towel was a little loose. It did indeed look like she was naked.

"Don't look at it so blatantly."

"It exposed itself. What could I do?"

Ji Qingyan also knew that she was in the wrong. Thus, she carried her notebook and went upstairs.

When she came down, she had already finished tidying up.

She was wearing a beige body-hugging dress that accentuated her curvy figure.

Her hair was tied up in a bun and there was a diamond brooch on her chest. One look and one could tell that it was expensive.

"What do you think of this outfit? Give me some advice." Ji Qingyan asked.

“Why do I feel like you’re not going to a class reunion? It’s more like a beauty contest.”
Ji Qingyan said

1

“That’s exactly what I want. A lot of girls are going. I can’t let them beat me.” Lin Yi said

3

Lin Yi thought about it and realized that Ji Qingyan had a point.

People nowadays were very materialistic and judged others by their looks. It was understandable why she was dressed like this.

1

“I think it’s pretty good. Let’s go if you’re ready.”

“If I remember correctly, you still owe me eight s-squats.”

“Don’t worry, I didn’t forget.” Ji Qingyan’s face was a little red.

“It’s just eight s-squats. I’ll return it now so you won’t have to use it again.”

“Since you said so, I won’t stand on ceremonies.”

With that, Lin Yi leaned back on the sofa like a grandpa. “Please start your performance.”

2

Ji Qingyan pulled the stool over and was about to start when she suddenly stopped what she was doing.

“Go close the curtains and check if there’s anyone outside.”

Lin Yi was speechless. “You’re just doing an s-squat. Why do you make it sound like you’re having an affair?”

1

“Have you forgotten the last time my dad saw me? My mom called me a few times after the incident, and I’m about to be shamed,” Ji Qingyan said.

1

“If someone else sees me again, I might as well drop dead.”

“Alright, since you’ve said that, I’ll just work hard and close the curtains.”

“You’re the one who’s having fun, alright?”

“Don’t say that either. As the president of a company, keeping your promise is a most basic character trait you should have.”

“Tsk, you only know how to make excuses.”

Lin Yi closed the curtains on both sides of the floor-to-ceiling windows. The brightly lit villa turned dark in an instant.

Ji Qingyan held onto the chair, her face slightly red. She twisted her plump waist and did eight s-squats.

Compared to the first time, Ji Qingyan’s movements were much better, and her figure was exquisite.

Ji Qingyan’s movements were indeed more attractive than those of the female streamers.

“I’ve fulfilled my promise. We’re even.”

“Ok.”

“Wait for me for a while, then we’ll set off.”

Ji Qingyan went into the fridge and took out a pair of black stockings. After this, she put them on her slender legs to accentuate her slender figure.

After putting them on, Ji Qingyan looked at herself in the mirror in a smug manner. She was very satisfied with her appearance.

“Let’s go to Zhonghai Hai Luhui.”

Zhonghai Hai Luhui was a five-star restaurant that specialized in seafood. It was awarded three Michelin stars in the previous year.

The taste and consumption were top-notch.

Before leaving, Lin Yi pointed at the curtains. “Aren’t you going to open it?”

“No, it’ll be dark by the time I get back. I’ll save myself the effort.”

Lin Yi nodded and walked out first.

However, he stopped as soon as he stepped out of the house.

“Why aren’t you moving?” Ji Qingyan asked from behind.

“I just saw someone I know.”

“You have friends who live here?”

“I just met him yesterday, but you might be more familiar with him.”

Ji Qingyan looked up and realized that her parents were standing in the courtyard.

1

“Are you two done?”

Antai was grinning from ear to ear when he saw Lin Yi.

“Look, wasn’t I right? Isn’t this guy so good-looking?”

“He really is. He’s half a head taller than Qingyan, and they look good together,” Song Minghui, Qingyan’s mother, said with a smile.

Ji Qingyan was stunned. “You... when did you guys come?”

“We’ve been here for more than ten minutes,” Jii Antai said. “The curtains were drawn in the room, and we were afraid of disturbing your work, so we didn’t dare to go in.”

1

Ji Qingyan wished she could find a hole in the ground to hide in. What she was most afraid of really came true.

“Dad, Mom, let me explain. I was changing just now, so I closed the curtains. It’s not what you think.”

“No need to explain. We’ve been through this before, and you’re a big girl now. It’s normal for things like this to happen. We understand,” Minghui said.

1

Lin Yi could tell from her kind eyes that her daughter had finally grown up.

1

“Mom, what are you thinking? It’s really not what you think. I was just changing.”
Minghui said

2

“Okay, okay, okay. I won’t talk about it anymore. I’ll treat it as you changing your clothes.”

Ji Qingyan was helpless. She would not be able to clear her name even if she jumped into the Yellow River today.

“Okay, but why are you making that expression? I know you’re thin-skinned, so let’s not talk about this,” Song Minghui remarked.

“You’re already so grown up, so just be careful. We won’t get involved.”

At that moment, Ji Antai interrupted, “Old woman, I think they’re going out. Let’s not stay here anymore. If there’s anything, we can talk about it later.”

Song Minghui nodded and looked at Lin Yi kindly. “Lin, you’re with our Qingyan now, so we won’t treat you as an outsider anymore. Her grandfather’s birthday is the day after tomorrow. You have to come.”

3

“Okay, okay...”

Lin Yi couldn’t refuse in front of his elders, so he nodded and agreed.

As for whether he would go or not, he would decide later.

“Alright, then we won’t bother you anymore. Go out and have fun.”

After giving them some advice, Ji Antai and Song Minghui got in the Audi A6 and left.

2

Ji Qingyan was speechless. She wanted to die.

Did the two of you come all the way here to humiliate me?

“President Ji, are you leaving or not?”

“Yes, of course I’m leaving!” Qingyan did not want to stay here any longer.

“Please place an order.”

Qingyan, “???”

Can you not comfort me so badly at a time like this?!

1

At the end of the day, anger was temporary, and Ji Qingyan still placed the order.

Some things were just a matter of principle, and since Lin Yi didn't want to waive the order, she wouldn't force him.

The order was successfully taken, and Lin Yi sent Ji Qingyan to the central hall.

“Wait for my call tonight.”

“OK, I'll be there.”

Lin Yi was about to turn around and leave when a push message came from the app. It was a five-star review from Ji Qingyan.

“Not bad, not bad at all. You're pretty well-behaved.”

Just then, the system's notification sounded.

[Congratulations, host. Safe driving for 100 kilometers. Reward 200,000 experience points.]

1

[Job completion: 55%. Reward: 21% of Didi company shares!]

Looking at the reward displayed in his mind, Lin Yi realized that he was not just seeing things!

It was indeed 21% of the shares!

It had only been a short while!

Yet, he had actually become Didi's boss?

21% of the shares was not humongous, but it was not a small amount either.

Excitement!

..

Yangcheng, Didi's headquarters, CEO's Office!

Ring, Ring, Ring...

CEO Cheng Shuang's phone rang.

"Alright, I understand. I respect your choice and hope to have the opportunity to work together again in the future."

"I need their contact information. Just send it to me via private email."

After a simple call, Cheng Shuang hung up and called his secretary in.

"Director Cheng, are you looking for me?"

"Inform the executives above the level of general manager to come to the meeting room for a meeting."

"Got it, Director Cheng. I'll go inform them now!"

Ten minutes later, all the executives of Didi Company arrived at the meeting room.

Cheng Shuang looked at everyone and said,

"I just received a call. The two shareholders of our company have sold their 21% shares to a person named Lin Yi. I need to send someone to contact him. It would be best if he could be invited to our company as a guest."

"They actually bought 21% of the shares in one go!"

The executives could not believe their ears.

With Didi's current valuation, buying 21% of the shares would cost at least 10 billion!

1

Who was this mysterious tycoon called Lin Yi?

He bought so many shares without a peep and became Didi's second-largest shareholder?

"That's right, this news is absolutely true," Cheng Shuang said.

“But I don’t have much information, because all the transactions were completed over the phone.”

“No way, such a big deal was completed over the phone? Isn’t that a bit too hasty?”

“It’s very likely that some secret consortium made a move, but that’s just my guess,” Cheng Shuang said,

“Now, I only know his name is Lin Yi, from Zhonghai. Contact Number: 152 * * * * *”

“Cheng, leave this task to me. My home is in Zhonghai, and I am familiar with the environment there.”

The speaker was a woman in her thirties, with wavy hair and a white suit, she gave off the air of a working woman.

The woman’s name was Tian Yan. She was Didi’s vice president, and Cheng Shuang thought highly of her.

“Alright, I’ll leave this task to you. Try your best to understand the situation there. It’d be best if you could invite him to Yangcheng.”

“I’ll try my best.”

..

Lin Yi wasn’t in a hurry to leave. Instead, he looked up Didi company situation on his phone.

The headquarter was in Yangcheng, and its market value was around 50 billion yuan.

If he sold his shares, he would be able to get at least 10 billion yuan out of it.

Lin Yi thought about it. With his current situation, there was no need for him to cash out.

He was not short of money either. He could just treat them like egg-laying hens.

Wouldn’t it be great to get a few hundred million yuan in dividends every year?

Looking at the attribute panel, Lin Yi was delighted to find that his job completion rate had reached 55%.

He only needed to complete another 35% to unlock a new job!

However, the system had clearly stated that there would be a generous reward when the job completion rate reached 100%.

It was better to wait until the completion rate reached 100% before unlocking a new job.

After making the plan, Lin Yi prepared to drive back to Jiuzhou Pavilion.

It was already his home, so he had to go there and take a look.

“I’m ready to take orders, from Starbucks to Jiuzhou Pavilion area.”

Xu Yang couldn’t believe it. Did she really hear him right?

Luck with women came from the heavens, and she had just been blessed with the favor of a rich second generation!

1

“Oh, okay.”

With that, she opened the door and got into Lin Yi’s car under everyone’s envious gazes.

“H-hello.”

Xu Yang looked very reserved as she got into Lin Yi’s car.

It was her first time riding in super a car in her twenty-plus years of life.

She found everything new, but she did not take any photos because of her pride.

There was a handsome guy beside her, so she had to be more reserved.

“Hello,” Lin Yi replied.

“I’m Xu Yang, nice to meet you.”

“Yeah, nice to meet you too,” Lin Yi replied simply as he continued driving.

“I’d like to ask, why did you choose me? And where are you taking me?”

Xu Yang was very careful as she spoke. The person sitting next to him was a rich second-generation kid driving a Pagani.

It was her first time meeting someone like that, and she could not afford to make him unhappy.

Now that he had taken the initiative to extend her an olive branch, her life might just change forever!

“I chose you?”

Lin Yi looked at Xu Yang. “Didn’t you call me via Didi? You should have chosen me, right?”

“And you’ve already written down your address. You said you were going to Jiuzhou Court. Why are you asking me where I’m going?”

“Huh?”

Xu Yang was confused. “W-what did you say? You’re a Didi driver?”

“Yeah, why?”

“Who drives a sports car to do Didi?” Xu Yang asked.

2

“New service.”

“F*ck!”

Xu Yang cursed. “I was so happy for nothing. All I did was order a Didi.”

Lin Yi was speechless. His expression changed so quickly.

1

After learning Lin Yi’s identity, Xu Yang took out her phone and took hundreds of pictures.

She only stopped when there was nothing left to take pictures of.

“Your company is quite interesting. You actually have a luxury car business. Is it to create a sensation?” Xu Yang said casually.

“Who said this car belongs to the company?” Lin Yi said, “This car belongs to me.”

“Stop acting cool. Do you think you can get me just by saying that? Dream on!”

Lin Yi was speechless. “Do I look like I’m acting cool to you?”

“Bro, do you think I don’t have a brain?” Xu Yang said.

"I've lived for so many years, but I've never heard of a rich second generation coming out to run Didi. You're just a stinking laborer. It's convenient to promote the company, so stop bragging. You can't fool me."

"What do you mean stinking laborer?" Lin Yi said. "Aren't you a laborer too?"

"I may be a laborer, but my profession is much more advanced than yours," Xu Yang said,

"People like you should go and try to trick those ignorant girls. You're not my type, so you don't have the right to flirt with me."

Creak —

Lin Yi stepped on the brake, almost throwing Xu Yang out!

"What the hell is wrong with you? Why are you hitting the brakes so hard?!" Xu Yang cursed.

"If you were so awesome, you could have bought your own car. Why did you call for a Didi?" Lin Yi said. "I'm sick of seeing your plastic surgery face. Don't ruin my appetite for dinner. Get lost."

"You stinking bastard, how dare you scold me? Who do you think you are? I'm a consumer and I'm God. Believe it or not, I'll give you a bad review!"

1

"It doesn't matter."

Lin Yi felt like he was out of luck. He thought that it was on the way, so he accepted the order. However, he didn't expect to meet such a mood killer.

"Didn't you tell me to get lost? I won't get lost!" Xu Yang said arrogantly. "Not only will I give you a bad review today, I'll also call in to complain!"

"You can report me all you want, but if you don't get out, I'll kick you out."

Lin Yi's cold face made Xu Yang a little nervous.

If she got into a fight and got their clothes dirty, she wouldn't be able to apply for a job at nine provinces pavilion.

1

"Alright, just you wait, I won't let this matter rest!"

“I’ll wait.”

After Xu Yang got out of the car, Lin Yi sprayed perfume into the car for quite a while.

He barely managed to cover up the b*tchy smell.

2

He had not driven far when he received a system notification on his phone. It was a bad review.

It had to be Xu Yang, and Lin Yi didn’t care. Why would he be afraid of that?

Just as he was about to reach the Jiuzhou Pavilion, Lin Yi’s phone rang. It was an unfamiliar number.

“Is that Lin Yi?”

A middle-aged man’s voice came from the other end.

“It’s me.”

“What’s wrong with you? How dare you scold a passenger? The person’s complaints were all sent to the headquarters, and I got scolded so badly. If there’s a next time, I’ll deduct money from your deposit account!”

Lin Yi guessed who the caller was from the tone of his voice.

It was probably Didi’s regional agent, or else they would not have spoken to him in such a tone.

“Deduct whatever you want. Do you think I’m short of money?”

“Oh boy, you’ve grown up. Believe it or not, I will ban you from operating.”

Lin Yi smiled. If it were the past, such a threat would still work on him.

However, now that he was a big shareholder in Didi, why would he be afraid of this?

“If you dare to stop me from working, I hope you think about the consequences,” Lin Yi narrowed his eyes and said lightly.

Chapter 27: He Was the Stupid Driver

Lin Yi ended the call and drove to Jiuzhou Pavilion. The security guard at the door welcomed him in.

“Hello, Mr. Lin.”

“Thank you for your hard work.”

When Lin Yi drove to Villa Number One, he saw a fat middle-aged man running over, panting.

“Hello, Mr. Lin. Let me introduce myself first. I’m the property manager of Jiuzhou Pavilion, Zhou Xuan.”

“Hello.” Lin Yi extended his hand.

“Hello, hello.” Zhou Xuan shook Lin Yi’s hand in a flattered manner.

He didn’t expect the rich man who bought nine villas in one go to be so easy-going.

“Mr. Lin, our property services include a personal butler service. We are making arrangements for the candidates and will try to send them to you as soon as possible,” Zhou Xuan said.

“I’ll take you to familiarize yourself with the environment today.”

“Don’t worry about the environment. I’ll take my time to look around later,” Lin Yi said.
“Let’s take a look inside first.”

“Okay, okay, okay. Follow me, Mr. Lin.”

Lin Yi pushed open the door and entered. The modern and simple design style was in line with Lin Yi’s aesthetic standards, and he was very satisfied with it.

“Mr. Lin, all the stone materials in the nine villas are from the surface mines in the Alps. The Louvre, Versailles, and Notre Dame are all made of this material.”

“The furniture in the house is made of mahogany, which is a rare wood species. Without a private relationship, these things are normally do not pass customs.”

“Furthermore, the chandelier on top of the head is also made of natural crystals. The golden lines on the handrails of the staircase are also painted with pure gold powder.”

“And...”

Zhou Xuan explained everything in detail. In short, it was expensive!

Everything in the villa was of the highest standard in the world. Even a tiny screw was no exception.

Only then did Lin Yi truly understand what it meant to be inhumane!

Under Zhou Xuan’s guidance, Lin Yi realized that the developer was very considerate.

Not only did they prepare daily necessities, they even prepared the tea, rice, oil, salt, soy, vinegar, and tea in the kitchen with great detail.

This was not something that an ordinary high-end residential area could provide.

In reality, this was not something that was available from the very beginning.

It was something that the property manager had specially gone off to purchase after learning that Lin Yi had bought the house here.

Ring, Ring, Ring..

Zhou Xuan’s phone rang at this moment.

“Okay, okay, okay. I got it. I have to ask Mr. Lin’s opinion first.”

“For me?” Lin Yi asked after Zhou Xuan hung up the phone.

“Mr. Lin, the thing is, we’ve urgently selected a few personal butlers for you. They’ve already passed the interview, so it’s up to you to decide who to keep them.” Zhou Xuan explained,

“For what now? What do you need me to do?” Lin Yi asked

“After today’s final round of interviews, we’ve selected six people who are currently in the property office. If you have time now, we don’t we go and take a look together?” Zhou Xuan said with a smile.

2

“If Mr. Lin doesn’t have much time, we can do it another day.”

“Don’t worry, it just so happens that I’m free now. I’ll go and take a look later.”

“Okay, then I’ll have to trouble Mr. Lin. This way, please.”

...

The property office of Jiuzhou Pavilion was located in a two-story building. In order to avoid disturbing the scenery of the residential area, it was set up across the road, next to the sales office.

At this time, there were five young women with different styles sitting in the conference room on the second floor of the building.

1

They were all between the ages of 25 and 30.

There were cute girls with ponytails, cool girls, quiet and virtuous young women, young and slim female college students, and so on...

2

In short, any style of women could be seen here. Their goal was to satisfy Lin Yi’s preferences to the greatest extent.

On the second floor, a man and a woman were sitting in front of the deputy general manager’s office.

The man was in his forties, and his body was thin. He was the deputy general manager of the Jiuzhou Pavilion, Pei Hao.

There was a young woman next to him. It was Xu Yang, whom Lin Yi had met earlier.

“What’s wrong with you? Didn’t I tell you to come earlier? To be late for such a big thing... If Zhou Xuan were here, you’d already be out of the running,” Pei Hao said.

“Don’t mention it, Brother Hao. I met a retarded Didi driver on the road. We quarreled on the way, and he even kicked me out of the car. Otherwise, I would have arrived long ago.”

In the past, Xu Yang worked in a KTV, and Pei Hao was a regular customer there.

Because he was generous, they got to know each other very quickly. She even added him on WeChat.

After this, Xu Yang had asked Pei Hao to contact him for this job.

“Alright, let’s not talk about this anymore, but let me remind you, if you succeed in applying for the position of personal butler, you are not allowed to make such mistakes again!”

“Brother Hao, don’t worry. As long as you can help me get this job, I will definitely not let you suffer any losses.”

“The final decision on this matter is not up to me. I can only put in a good word for you and give you some advice. In the end, it’s up to Mr. Lin.”

Pei Hao narrowed his eyes and sized Xu Yang Up.

“Even so, I feel that the other candidates’ conditions are not as good as yours. Your chances of getting this are still very high.”

“I think so too. Which of those coquettish b*tches out there can compare to me?”

1

Xu Yang puffed out her chest and in a very confident manner.

If she could get this job, it would be a huge advantage for her.

This way, she would have better opportunities to rise to the top.

Thinking of this, Xu Yang could not stop smiling.

She was slowly but surely getting into the high life. Just thinking about it was enough to satisfy her!

Ring, Ring, Ring –

Pei Hao’s phone rang at this time.

“Okay, I got it.”

After a simple reply, Pei Hao hung up the phone. Then, he stood up and patted Xu Yang’s butt.

“Let’s go. Zhou Xuan has already brought Mr. Lin over. Let’s go to the meeting room first.”

“Brother Hao, don’t worry. I will definitely not let you down.”

“Don’t just say it. Use your actions to show it.”

“I know.”

The two of them left the office together and went to the meeting room next door.

When he saw the other five women, Xu Yang’s expression was filled with disdain. She did not take these people seriously at all.

You think you can compete with me?

Look at yourself!

A few minutes later, the door to the meeting room was pushed open and Lin Yi and Zhou Xuan walked in one after the other.

“It’s you!”

Upon seeing Lin Yi, Xu Yang’s anger flared up.

Thinking about what happened just now, she could not help but get angry!

A stinky person actually came here!

What qualifications did he have?

Pei Hao panicked. Was this idiot crazy? She actually dared to talk to Mr. Lin like that!

“Xu Yang, what are you doing!”

As a qualified personal butler, it was a core principle to not show one’s emotions!

3

Xu Yang actually shouted here. What kind of etiquette was this?!

“Brother Hao, he is that brainless driver that I met on the road!”

Chapter 28: Ji Qingyan’s admirer

“What’s wrong with this woman? Why is she here?” Lin Yi asked

He had not expected to run into Xu Yang here, either.

She looked like she was here to apply for a job as a personal butler.

2

“What does it have to do with you where I am? How dare you show your face Here? Do you know what kind of place this is?!”

Xu Yang crossed her arms in front of her chest and looked at Lin Yi arrogantly.

The thought of being scolded out of the car made her furious.

Slap!

Pei Hao could not take it anymore and slapped Xu Yang in the face.

“Are you f(cking crazy? How dare you talk to Mr. Lin like that?!”

Xu Yang was stunned. “You... Why did you hit me...”

“Mr. Lin is the owner of the Jiuzhou Pavilion. Why do you think I hit you?!”

“H-he’s the owner of the Jiuzhou Pavilion?!” Xu Yang’s jaw dropped, and her eyeballs almost popped out of her head.

“He’s just a Didi driver. How can he be the owner of the Jiuzhou Pavilion?” Xu Yang said. “I came here in his car, and there’s even an order history on my phone.”

“Can’t he buy a villa in the Jiuzhou Pavilion if he drives for Didi?” Lin Yi asked back.

2

“This...”

Suddenly, Xu Yang had a moment of realization.

Perhaps she had misunderstood from the beginning.

That Pagani Zonda might really be his car, and he might only be driving for Didi to experience life!

“M- Mr. Lin, I know I’m wrong. I hope you won’t lower yourself to my level. Please give me another chance.”

“Zhou Xuan, get this person out. The meeting room is filled with the smell of trash. It’s a little pungent.”

The other women couldn’t help but snicker. Mr. Lin was really humorous.

If they could work for such a tall, rich, and handsome man a job, they would even take less pay!

“Ms. Xu, you’re not welcome here. Please leave quickly, otherwise I’ll have to call security.”

Xu Yang turned around and looked at Pei Hao. This was her last lifeline.

“What are you looking at me for? Get lost!”

Pei Hao cursed. If Mr. Lin found out that he knew her, he might be implicated as well!

Without any explanation, Pei Hao pulled Xu Yang away so that he would not be implicated!

The meeting room became quiet after this. The few women who came to apply for the job were all restless.

They had to leave a good impression on Mr. Lin so that their chances would be higher.

“Mr. Lin, the remaining five are the personal stewards we’ve selected for you,” Zhou Xuan said.

Lin Yi looked at the five of them. They were all decent looking, but their temperaments seemed a little lacking.

“None of them are satisfactory.” Lin Yi shook his head:

“Let them all go back. Give each of them 5,000 yuan. Don’t make their time coming here have been for nothing. I’ll reimburse you later.”

Zhou Xuan shook his head secretly. He had carefully selected the five women here, but Mr. Lin wasn’t satisfied with any of them. The taste of rich people was really particular!

The five women were very disappointed that they weren’t chosen by Lin Yi. Although they could get 5,000 yuan as compensation, it was still a pity that they could not stay.

After returning home alone, Lin Yi walked around once more and took a comfortable bath. He enjoyed it very much.

Buzz Buzz Buzz...

At around 9 pm, Ji Qingyan sent a WeChat message.

“Come pick me up at Zhongtang Hailu. I’ll be done soon.”

“Okay!”

After hanging up, Lin Yi took his car keys and drove to the hotel parking lot.

“When are you coming out?” Lin Yi asked through WeChat.

“Right away. Give me a few minutes. There’s a place to rest in the lobby. You can go sit there for a while.” Ji Qingyan said very considerately.

“Okay.”

Bored, Lin Yi went to the lobby and ordered a cup of coffee. He turned on his phone and started to kill time.

1

A few minutes later, the elevator door opened and a dozen people came out.

“Yan Yan, we haven’t had a gathering together for a long time. Let’s find a place later to have round two.”

The woman who spoke was half a head shorter than Ji Qingyan and her face was slightly red. It was obvious that she had drunk quite a lot.

“It’s getting late. I have to go back.”

“What are you afraid of? With our escort, Ding Yi, here, we will definitely be able to send you back safely after the games. Don’t worry.”

After this, a man named Ding Yi, who was wearing a casual suit and a cartier watch, smiled and said,

“Yan Yan, we haven’t seen each other for a few years. It’s not easy to get together, so we should have fun. We might not have the chance again in the future.”

“I still have work to deal with when I go back, and I’ve already called for a car.”

“A car? Using Didi?”

“Yes.” Ji Qingyan nodded and said.

“Yan Yan, Didi is not safe these days,” the short woman said. “It’s been reported on the news several times. If they meet a good-looking girl, the driver will often plot against them.”

"I've seen the news too." Another girl said, "Qingyan, with your figure and face, even a driver without any inappropriate thoughts would be seduced and forced to commit a crime. I think it's better to let Ding Yi send you."

When they were in school, the two of them were like a beautiful couple. Now, the gang were trying their best to set them up.

"It's okay. The Didi driver is my friend. Don't worry," Ji Qingyan explained.

"Yanyan, you're really amazing. You even know friends at this level."

Ji Qingyan's classmates could not understand her behavior at all.

She graduated from a famous school and came from a wealthy family. Her path to starting a business was smooth, so how could she know friends who drove Didi?

1

People of such low status weren't even in the same world as Ji Qingyan.

Ji Qingyan nodded with a smile. She didn't say anything else, but instead looked around.

Then, she saw Lin Yi on the sofa in the lobby.

"Lin Yi."

Lin Yi stood up when he saw Ji Qingyan walking toward him. "Let's go."

"Yan Yan, is he your friend?"

Ji Qingyan's female classmates were all stunned when they saw Lin Yi.

He was so handsome that he could easily debut at a C-level position!

"No wonder Yanyan would make such a friend. It's because he's handsome enough."

"Yeah, if it were me, I wouldn't mind making this friend either."

The boys couldn't stand it anymore when they saw the girls whispering to each other.

"At the end of the day, you guys graduated from a famous school. You're behaving a bit too much like a nymphomaniac, aren't you?"

The person who spoke was Wu Yongbo. He had been Ding Yi's roommate in college, and they were very close.

“We’re just admiring him.”

“What’s the point of being handsome?” Wu Yongbo said nonchalantly. “No matter how handsome you are, you’re still a Didi driver.”

“What’s wrong with being a Didi driver?” Lin Yi asked back.

“Nothing.” Yongbo smiled playfully. “I just think you’re lucky to have a friend like Qingyan.”

“What’s wrong with making friends with her? I’m not a bootlicker. I don’t feel honored.”

“Qingyan, your friend isn’t that capable, but he’s got quite the temper.” Yongbo smiled. “He drives for Didi, yet he’s got a sense of superiority.”

1

Chapter 29: Didi Is Only for Entertainment

Ji Qingyan’s expression changed slightly.

“He has enough wealth.”

“Qingyan, don’t joke around. What wealth can a person driving for Didi have?” Wu Yongbo said.

“With Brother Yi’s level, he easily crushes him.”

“What are you talking about?” Ding Yi said, “He is still Qingyan’s friend. We have to be polite when we speak. There are three hundred and sixty lines. Every line has its own champion. There is no distinction between noble and lowly professions. We cannot look down on others.”

“Haha, what you said is right. Although there are no distinctions between noble and lowly professions, there is a distinction between noble and lowly salaries,” Wu Yongbo said.

“You have a PhD from Harvard. After you returned to China, you received 60 million in venture capital. A few days ago, you even took out a fully-equipped Mercedes-Benzes G-glass. I reckon that even if he drives for Didi for the rest of his life, he will never be able to afford such a car in his lifetime.”

The group of women nodded one after another. The words were not pleasant to hear, but they were very reasonable.

Ding Yi had just returned from overseas, and the venture capital had come to him on their own accord. With just a few words, he had received 60 million dollars.

Although he was handsome, he might not be able to earn so much money in his lifetime.

Therefore, his words were indeed a little arrogant.

Ji Qingyan was speechless and even felt a little embarrassed.

If she had known that they would be like this, she would not have attended this class reunion.

“It’s getting late. Let’s go back,” Ji Qingyan said.

The two of them walked out together, and Ding Yi and the others followed.

Di Di —

Just as they walked out, they saw a white Mercedes-Benz G-class with its headlights turned on.

“This car is really beautiful.”

A few women could not help but exclaim, “My husband loves this car, but he was short of money and ended up buying a domineering car.”

“Everyone says that owning a Mercedes-Benz G-class is every man’s ultimate dream. Ding Yi, it seems that you also had such feelings!”

“I also bought it blindly,” Ding Yi said. “The main thing is that this car is not considered expensive. It is only slightly more than two million yuan, which is within my budget.”

“Haha, Brother Yi, you are already very pretentious when you say that. A car that is slightly more than two million yuan, and you still say that it is not expensive? Aren’t you trying to anger me?” Wu Yongbo teased.

“To be honest, after I work hard for a few more years, I’ll buy a sports car to drive. That’s a man’s ultimate dream.”

“I remember when I was in university, you said that your favorite car is the Pagani Zonda. After you buy it, you have to let us experience what it feels like to ride in one,” Wu Yongbo said.

“Forget about the Zonda.” Ding Yi said regretfully, “The price of the son of the wind is now as high as 28 million yuan in the country. Even if I work hard for my whole life, I might not be able to drive it. At most, I’ll buy a Lamborghini. I don’t even dare to think about the Zonda.”

“Damn, damn, damn. Ding Yi, look, there seems to be a Zonda parked there!”

Hearing the other boy’s words, Ding Yi and the others looked over.

It immediately caused waves of exclamations.

“Oh my God, it really is the Zonda!”

Ding Yi and the others walked over, wanting to take a closer look. This supercar had a price of 28 million dollars.

“Ding Yi, is this your ultimate dream?” A girl asked.

“That’s right,” Ding Yi said enviously. “This car has a 6.0L dual-supercharged V12 engine with a maximum power of over 700 horsepower and a 0-100 speed of 3.2 seconds. There are only a few of them in China. I didn’t expect to meet them in Zhong Hai.”

“There are too many rich people in Zhong Hai,” Wu Yongbo said. “Although we are all successful in our careers now, in the eyes of the top rich people, we are probably nothing.”

“Yeah.” Ding Yi smiled. “Let’s just earn some money. If we can’t afford a Zonda, we should at least buy a Lamborghini to play with.”

“Cough cough cough…”

Lin Yi coughed a few times as he stood behind them.

“You’ve been watching for so long. You should be done, right? Can you give way?”

“What, you want to look at it too?”

Wu Yongbo teased. “Go ahead, but don’t touch it. If you damage it out, you’ll make Qingyan suffer.”

Lin Yi pressed the car keys in his pocket.

Pagani’s xenon headlights lit up, and the gull wing door opened slowly like a wing.

Ding Yi and the others were stunned by this action.

“F*ck, what’s going on? The owner is here?”

Ding Yi frowned slightly. “Maybe the owner is unhappy to see us standing here. Let’s stand back.”

“It’s possible. This car is almost 30 million dollars. If it is damaged, not only will the owner feel sorry for it, we won’t be able to afford the compensation.”

“Exactly.”

Ding Yi and the others stepped back. If they offended the owner of the car and got scolded again, it would not be worth it.

“Kid, the owner of the car is here. What are you still doing there? Get out of the way quickly. Don’t embarrass yourself there.”

Ji Qingyan was embarrassed to death. How could she have such a bunch of arrogant classmates!

“Let’s go.”

“Okay.”

Lin Yi and Ji Qingyan got into the car together, leaving Ding Yi and the others dumbfounded.

“Kid, what are you doing? If the owner sees you, you won’t even know how you died...”

Wu Yongbo stopped mid-sentence.

Because they saw the car keys in Lin Yi’s hand!

They froze on the spot as if they were struck by lightning.

“This... This Car Is Yours?”

“Is it not allowed?” Lin Yi asked.

“Aren’t you a Didi driver? How can this car be yours?!”

“Who said you can’t drive for Didi when you own a Pagani?” Lin Yi said with a smile.
“Don’t let poverty limit your imagination.”

Ding Yi and the others froze on the spot!

Their faces were filled with awkwardness, and they wanted to find a place to hide in.

Using Pagani to drive Didi? You rich kids sure know how to play!

They soon saw the headlights of the Pagani turn on.

“As expected, someone who can get Qingyan is not an ordinary person. Sigh...”

“That’s what I’m saying. With Qingyan’s status, how could she ride an ordinary Didi? Thus, her boyfriend is a top-tier rich kid. Driving Didi is just for entertainment.”

..

“Lin Yi, I’m sorry. I didn’t know they’d be so snobbish.” Qingyan said apologetically.

“It’s fine.” Lin Yi said indifferently. “Should we go home?”

Qingyan thought for a moment. “I drank a glass of red wine just now, so I’m a little dizzy. Let’s go out for a walk so I can sober up.”

“That’s fine too. Let’s go out for some fresh air and get rid of the smell of alcohol.”

Ji Qingyan fiddled with her phone. “I’ve already placed the order. Hurry up and snatch it.”

“Uh... okay.”

Lin Yi didn’t intend to charge her at first, but since she had placed the order on her own accord, he didn’t refuse.

Ji Qingyan’s order was displayed on the phone very quickly, and Lin Yi grabbed it firmly.

[System mission: received a five-star rating. Reward: 100,000 experience points (6/10)]

Lin Yi noticed that he had received six five-star rating since he started using Didi.

He was now on the seventh mission. If everything went as planned, he would be able to complete the mission tomorrow.

100,000 experience points meant 10% of the job completion rate!

Just thinking about it was exciting!

Chapter 30: Do They Dare to Stop My Car?

Lin Yi hummed a tune as he brought Ji Qingyan to the beach.

There weren't many people on the beach at night, and the white waves were very eye-catching under the lights.

Lin Yi looked to his right and saw his own Jiuzhou Pavilion.

If others wanted to see the ocean, they had to drive here. If he wanted to see it, all he had to do was open the window.

The life of a rich man was so boring.

"Turn your head away."

Ji Qingyan said after they parked the car.

"Huh? You want to change into a swimsuit?"

"I don't have a swimsuit with me. How could I change into it?" Ji Qingyan said, "I want to take off my stockings and walk on the beach."

"If you just want to take off your stockings why are you acting as if you are changing your clothes?"

"I'm wearing a skirt, so of course you have to turn your head away."

"It's not like you have a vacuum inside, what's there to be afraid of?"

Qingyan pinched Lin Yi's waist. "What kind of person do you think I am?"

"You women are really weird animals. If others see you wearing underwear, you will scream and call them indecent. On the beach, you can wear a bikini and let others look at you. Isn't that weird?"

4

"How can it be considered the same?" Ji Qingyan said. "Everyone on the beach wears that. Besides, I've never worn a bikini before."

"Why don't you just take it off now? That way, we'll be even and you can also get change."

“Thug!” Ji Qingyan said. “If you don’t turn around, I’ll go down and change.”

“No, you should stay in the car.”

Lin Yi turned his head to avoid Ji Qingyan calling him a thug again.

However, he could see the reflection from the car window.

He took off his black stockings, revealing Ji Qingyan’s snow-white legs.

3

He had to admit that Ji Qingyan was very sexy when she took off her stockings.

He’d better enjoy this scene by himself.

“Let’s go for a walk on the beach.”

“No problem.”

When they reached the beach, Ji Qingyan took off her high heels. The sea breeze blew against her long hair. For a moment, it was hard to tell which was more beautiful, her or the sea.

“By the way, there’s something I want to tell you,” Ji Qingyan said after walking for a while.

“What is it?”

“Just now when we were having dinner, my dad called. He said that I must take you to Grandpa’s birthday.”

“What do you think?” Lin Yi asked

“I know you didn’t want to go, and I refused on your behalf, but they didn’t agree and insisted that I bring you over, so…” Qingyan said shyly.

“Are you going to pretend that I am your boyfriend then?” Lin Yi asked.

Qingyan nodded shyly.

“I’m at a disadvantage.” Lin Yi said

“I didn’t say that I was the one suffering a disadvantage, but you were the one who complained first.”

“Alright, since you put in so much effort to perform the squats, I’ll go with you and help you deal with them.”

“At least you have a conscience.”

After walking for a while, Ji Qingyan felt much better.

“The sea breeze at night is a little cold. Let’s go back first.”

“No problem.”

Ji Qingyan held her phone. “I’ll make an order first.”

“No need, this trip is free for you. All the orders I’ve taken in the past few days came from you, I can’t keep picking your wool.” (TL Note: Chinese idiom to mean keep taking advantage of.)

“Tsk, you’re the one with wool.”

The two returned to the car and headed toward Ji Qingyan’s Yunshui Villa.

“Eh, why are all the lights on in Jiuzhou Pavilion?” Ji Qingyan asked curiously.

“Isn’t that normal?” Lin Yi said. “Otherwise, it would be so dark and creepy.”

“You don’t know, do you?” Ji Qingyan said.

“The Jiuzhou Pavilion is the most luxurious villa in Zhong Hai. There are a total of nine villas of different styles. The cheapest one cost more than 800 million yuan. It’s been built for more than half a year, but because of the high price, it hasn’t been sold. Therefore, at night, almost all the lights in Jiuzhou Pavilion are turned off. This is the first time I’ve seen lights from Jiuzhou Pavilion on at night.”

“I’ll drive closer then. I’ll take you there.” Lin Yi said

“Sure, it’s a way to burn time anyway.” Ji Qingyan said

Lin Yi and Ji Qingyan arrived at the entrance of the pavilion together.

“Our company took part in the bidding for this piece of land back then, but we didn’t have enough budget, so we were rejected in the first round. I didn’t expect it to be end up bring turned into a mansion like this.” Ji Qingyan said

“At the end of the day, you’re a female CEO. You don’t have to be so envious, do you?”

"I'm not envious of the house, but I heard that the scenery inside is very beautiful, and the plants are all rare species." Ji Qingyan combed her hair to the side, "I heard that the swimming pool inside uses air-transported water. I don't know if it's true or not."

"What's the big deal? I'll show you around and you'll see for yourself."

"Stop, stop, stop, stop." Ji Qingyan quickly stopped Lin Yi. "This is private property. Do you think this is an ordinary residential area? You can't just go in like that."

Lin Yi smiled. "I'm driving a Pagani Zonda. Would they dare to stop my car?"

"Don't say that you're driving a Pagani Zonda. Even if you're driving a Boeing 747, they will stop you as long as you're not the owner of one of the Jiuzhou Pavilion residences."

"I don't believe you."

"I think you're being overconfident." Ji Qingyan rolled her eyes at Lin Yi and said, "Just take a look from outside. Don't have any unrealistic thoughts."

"Don't say that. What if I really can go in?"

"If you really can go in, I'll go for a swim and let you feast your eyes on the sight." Ji Qingyan said with a smile.

She wasn't afraid of swimming naked, let alone going for a swim.

3

"Then I really have to give it a try."

Lin Yi started the car and drove toward the door.

"Are you crazy? You really want to go in?" Ji Qingyan shouted.

"You're a rich kid after all. Isn't it embarrassing to be chased out?"

"It's okay. I'm a thick-skinned person. I'm not afraid of embarrassment."

"But I'm afraid of being embarrassed!" Ji Qingyan said, "Hurry up and leave. I was just joking. Why did you take it seriously?"

"You already said that it would be a feast for my eyes. If I didn't take it seriously, wouldn't I be a monk?"

"Pervert." Ji Qingyan ridiculed, "But try as hard as you want, there's no way they will let you in."

“How would you know if you don’t try?”

Ji Qingyan was speechless. She could not persuade him anymore.

Was Lin Yi not a little too conceited?

He would be at a massive disadvantage!

As Lin Yi drove to the entrance of the Jiuzhou Pavilion, Ji Qingyan was nervous.

She did not know what would happen next, but it would not be good.

At this moment, Ji Qingyan saw more than a dozen people running out of the duty room. They were all wearing security uniforms and had serious expressions on their faces.

Her heart was beating fast.

The management of the Jiuzhou Pavilion was too strict. They sent out such a huge force just to stop Lin Yi?

What if Lin Yi started fighting with them!

At that moment, she saw more than a dozen security guards standing in two rows, saluting to the car!

The most surprising thing was that the door opened automatically.

No one came to stop them!

Chapter 31: I bought the entire Jiuzhou Pavilion

Ji Qingyan was stunned. This was completely different from what she had expected!

“Why is the door open? And why are these people saluting you?”

“Maybe it’s because I drive a Pagani.”

Ji Qingyan was speechless.

Was the Jiuzhou Pavilion not the most secure villa in Zhong Hai?

Just because Lin Yi drove a Pagani, they let him in?

Was that not a little too presumptuous?

After driving to the villa area, Lin Yi found a place to park his car and prepared to take Ji Qingyan out for a walk.

Although it was already dark, the villa area was brightly lit. It did not affect the view at all. On the contrary, it gave off a tranquil feeling.

“Let’s go, let’s go for a walk.”

It took Ji Qingyan quite a while to accept reality.

After getting out of the car, Ji Qingyan’s eyes were attracted by the scenery in the villa.

Standing in the villa area was like being in a tropical rainforest.

“Lin Yi, look! There’s fruit on the tree!” Ji Qingyan said excitedly when she saw the fruit.

1

This was the first time she had seen a fruit tree in the villa area.

“Don’t make a fuss. If you want some, I’ll pick some for you.”

Ji Qingyan shook her head. “I don’t want to eat it, I want just want to look at it.”

The two walked on for a while and saw a man-made river about five meters wide.

Below a constructed wooden bridge were colorful koi swimming in groups, which made for a very natural beauty.

Lin Yi had done a lot of research on fish. With just one look, he could tell these Koi were imported from Japan.

The bigger ones were sold for at least 100,000 dollars each.

The fish in this pond would not have cost less than a few million dollars.

After crossing the artificial river, they spotted a 300-square-meter swimming pool in front of them. It was the largest outdoor swimming pool in Zhong Hai.

1

“Ahem, ahem, President Ji, you said that if I could bring you in, I’d be able to feast my eyes on a certain sight. Isn’t it time to fulfill your promise for the beautiful scene in the swimming pool?”

Eh..,

Ji Qingyan was so embarrassed that she wanted to die. She felt that this world was filled with deep malice toward her.

It was like this the last time they went to the Peninsula Hotel, and now it was like this again.

What the hell!

Although I am a woman, I still want to protect my dignity!

“There’s no swimsuit here. How can I swim? Let’s talk about it another day.” Ji Qingyan said with a smile, as if she was acting cute.

Seeing the clear pool water, Ji Qingyan really had the urge to give it a try.

It had been a long time since she last swam, and her skills were a little rusty.

It was just that the conditions did not allow it.

“That’s fine too. I’ll write this down in a notebook. We’ll talk about it later.”

“Don’t worry, I, Ji Qingyan, am a woman of my word. I can’t believe you have to write it down in a notebook. You stinking men are all perverts.”

“Hey, hey, hey, don’t take your anger out on me. I’m just urging you to be a woman of your word.”

“Tsk.” Ji Qingyan said. “This place is too big. I don’t think we’ll be able to finish touring in such a short while. Let’s go back first.”

“We’re leaving already? Aren’t we going to the villa to look around?” Lin Yi asked.

They were already at the door, and Lin Yi did not want to leave anymore.

It took an hour to travel to and from Jiuzhou Pavilion and Yunshui Villa.

If he had the time, he might as well enjoy it.

“Go to the Villa?” Ji Qingyan was surprised.

“Set aside those unrealistic thoughts. We’re already lucky to be able to go to the courtyard. If you dare to go inside the villa, you’d be trespassing. Be careful, or you’ll be arrested.”

“There’s no one in the villa. What are you afraid of?” Lin Yi said. “A twenty-something-year-old is too cowardly.”

Ji Qingyan was speechless. “This has nothing to do with cowardice. It’s against the law, okay?”

“Didn’t you say that the Jiuzhou Pavilion was the most luxurious villa in Zhong Hai? Don’t you want to go in and see it yourself?”

“Of course I do.” Ji Qingyan teased. “But this is a matter of principle. I don’t do bad things, but when you’re arrested, I can help you find a lawyer.”

“What a coward.”

Lin Yi walked toward Villa Number One.

Ji Qingyan was dumbfounded.

Was he crazy?

Was he really going in?

Seeing that the situation was not quite right, Ji Qingyan trotted over in her high heels. She followed Lin Yi’s footsteps and pulled his arm back.

“You’re going to die. Let’s go.”

Lin Yi did not move. Instead, he put his hand on the fingerprint lock.

Di –

Welcome home.

In an instant, it was as if the world had gone silent.

Ji Qingyan looked at Lin Yi in disbelief. “W-what’s going on?”

“What else could it be? It’s just a welcome home message.”

“T-this is your house?”

“I just bought it yesterday.”

Ji Qingyan suddenly understood. No wonder the security guards came out to salute him when they saw Lin Yi’s car.

It wasn't because he drove a good car, but because he was the owner of this place!

She pinched the soft flesh around Lin Yi's waist and said angrily, "You lied to me."

"Mainly because you didn't ask me." Lin Yi smiled. "Let's go in and take a look around."

"I think you're trying to trick me."

After that, Lin Yi and Ji Qingyan walked in together.

Ji Qingyan had been to many villas in the past few years, and she always thought that her Yunshui Villa was not far off.

Even if some villas were more advanced than Yunshui Villa, the level of sophistication would be limited.

However, compared to the Jiuzhou Pavilion, Yunshui Villa was not even worthy of a second glance.

This place was worthy of being called the number one mansion!

"Lin Yi, you must have spent a lot of money to buy this villa, right?" Ji Qingyan asked curiously.

"I don't know the details, it's about a few billion."

The house was given by the system, but Lin Yi could not say that he did not spend money and instead just gave a random number.

"You're lying to me again."

"How am I lying to you? Isn't the villas in the Jiuzhou Pavilion worth a few billion?"

"I'm in real estate, you can't lie to me." Ji Qingyan said.

"The most expensive villa here, the first villa, has a selling price of about 1.2 billion. How could it be possible to spend several billion? So much money would be enough to buy the entire Jiuzhou Pavilion."

"That's right. I bought the entire Jiuzhou Pavilion."

Ji Qingyan was dumbfounded. Her clever brain was short-circuiting at this moment.

"You... What did you say? You bought the entire Jiuzhou Pavilion?"

"The house was built just to be sold. It shouldn't be surprising that I bought it."

1

“Did you get your money from thin air?”

4

“It’s easier than getting it from thin air.”

2

Ji Qingyan didn’t refute, because she couldn’t find any reason to refute.

No wonder he wanted to experience life on Didi. He must have been too bored.

“I won’t send you off tonight. You can stay here. You can choose whichever room you want to sleep in.”

“Alright then. I won’t stand on ceremonies with you. You can send me to work tomorrow.” Ji Qingyan said, “But do you have pajamas here?”

“I’m the only one living here so there are no ladies’ pajamas. I won’t peek on you though, so you can just sleep naked.”

Chapter 32: GO Get Wang Tianlong

“Who sleeps naked?” Qingyan said embarrassedly.

“You rich people, since you’re so busy.”

Qingyan was speechless. “You’re richer than me, okay?”

Lin Yi found a set of pajamas for Qingyan when they reached the fitting room on the second floor.

“You should wear these, they’re new.”

Qingyan didn’t really care about whether it was men’s and women’s pajamas so long as they fit.

She took the pajamas to the bathroom and prepared to take a shower.

Lin Yi ignored her and went back to the master bedroom to sleep.

After the shower, Ji Qingyan lay in the bedroom, unable to fall asleep.

What was Lin Yi's background? How could he be so rich?

Why had she not heard of him before?

The next morning, Lin Yi woke up early.

After the two washed up, Lin Yi sent Ji Qingyan to the company and received a five-star review.

The mission notification in his mind showed that he was at 8/10 completion.

If he took on two more missions today, the mission would be completed!

He didn't know what kind of explosive reward the system would give him this time.

After sending Ji Qingyan off, Lin Yi drove to Peninsula Hotel.

He had been busy the whole morning and had not eaten yet, so he had to get a bite first.

Just as he drove to the parking lot, he saw Wang Tianlong.

"Boss Lin, you're here."

Lin Yi nodded. "Come and have something to eat."

"I'll get the kitchen to prepare it now."

"No need, I'm just here for breakfast. There's no need to make a big deal out of it. Go Do what you need to do. I'll take care of myself." Lin Yi said

The hotel was already his, and the middle and high-level leaders already knew of his existence. However, the ordinary employees might not even know who he was yet.

It was a good opportunity for him to examine their working conditions.

"Okay, okay, okay, I got it."

Tianlong went back to his work, and Lin Yi went straight up to the second floor.

The second floor of the hotel was a restaurant headed by a three-star Michelin chef. With the size of the Peninsula Hotel, it was definitely worthy of having such high standards.

There weren't many people here for breakfast in the morning, and only half of the tables were occupied.

Lin Yi found an empty seat and looked at the menu. He then ordered a few signature dishes, preparing to sample them.

"Look, that guy is so handsome."

The girls at the next table discussed when they saw Lin Yi.

"He is indeed handsome. I want to get his WeChat."

"Then go. As long as you take the initiative, a story might develop between you two."

Lin Yi's arrival instantly became the focus of all the women in the restaurant, and they would glance at him from time to time.

"What are you looking at?" A man said to his girlfriend.

"Hehe, I just looked at him. He's quite handsome."

"Tsk, he might be a gigolo. All the hosts in the club are that handsome."

"What are you talking about? What's with the attitude, calling a handsome guy a gigolo?"

"I'm just saying."

"I think you're just jealous."

After ordering, Lin Yi handed the menu to the waiter,

"Lin Yi?"

Just as Lin Yi was waiting for the dishes, he heard someone call his name.

Looking at the person who spoke, Lin Yi instantly felt that this world was too small.

Yesterday, Ji Qingyan had just fired Yu Lili, and he didn't expect to meet her at his hotel today.

"What a coincidence, I didn't expect for you to apply here."

"It is indeed quite a coincidence." Yu Lili crossed her arms in front of her chest and looked down at Lin Yi.

“Lin Yi, Oh Lin Yi, I really underestimated you. I didn’t expect you to quietly latch onto President Ji’s thigh. I fired you one step ago, and then you went to complain and asked her to fire me. That’s really something.”

“Do you think it’s appropriate to tell me this now? I’m a guest at the Peninsula Hotel after all. Isn’t it a little inappropriate to treat God like this?”

“Do you think you’re worthy of being called the Peninsula Hotel’s God?” Yu Lili said in disdain.

“Why am I not?”

“You’d better take a hike. You’re just a gigolo for a rich woman. Do you really think you’re a high-class person?”

The waiter ran over to Lin Yi when he saw them arguing.

He whispered in his ear,

“Manager Yu, this customer seems to be quite special. You’d better keep your mouth shut.”

“What’s so special about him? I know his situation.” Yu Lili said venomously.

“He used to be my subordinate. He relied on his good looks to get on the president’s good side. In reality, he’s just a gigolo. If he didn’t have a rich wife to support him, he’d never be able to come to the Peninsula Hotel for a meal.”

Everyone else in the restaurant had looks of disdain on their faces when they heard Yu Lili’s words.

“It’s a good thing I didn’t ask for his WeChat just now. So, it turns out he’s a gigolo who sleeps with rich women. It’s disgusting just thinking about it.”

“You really can’t judge a book by its cover. He looks quite elegant, so I didn’t expect him to be this kind of person. I misjudged him too.”

“We need to learn from this. Don’t just pounce on handsome guys anymore.”

The couple sitting at the other table had different expressions when they learned of Lin Yi’s identity.

“See what I said? He’s just a gigolo. You should believe me now, right?” The man said proudly and contemptuously.

“You’re right about that. I hate men who sleep with rich women the most. They don’t rely on their own hands to work hard, and they only know how to take advantage of opportunities. It’s disgusting just thinking about it.”

“That’s right. Other than being a little better looking than me, he can’t be compared to me in any other way. I wouldn’t go begging a rich woman to support no matter how long I live!”

Lin Yi smiled as he listened to the others gossiping about him.

“I’m too lazy to talk to you. Go get Wang Tianlong.”

“Oh, not bad. You even know our manager’s name. But let me tell you, even if you get Manager Wang here, it’s useless. We still have a relationship, and he won’t do anything to me just because of a low-level client like you.”

“Then you can call him here and let me see his attitude.”

“Alright, for the sake of our former relationship, I’ll make your death a little quicker. I’ll let you see the cruelty of this society.”

Saying that, Yu Lili looked at the waiter beside her.

“Go and call Manager Wang here.”

“No need to call him. I’m already here.”

Wang Tianlong snorted coldly and walked over from not far away.

Yu Lili went up to him and said, “Brother Long, I suspect that this person has been behaving inappropriately. I suggest that the hotel security remove him to avoid affecting the dining environment of the other guests.”

Wang Tianlong’s anger was burning in his heart. He pointed at Yu Lili’s nose and cursed.

“Are you f*cking blind? The person sitting in front of you is the owner of the Peninsula Hotel. Do you think he has been behaving inappropriately? Do you not want to work here anymore? Hurry up, pack your things and get lost!”
