

I Get A Random New Occupation Every Week

#Chapter 507 – 509

Chapter 507: The Ultimate Change in Face

“Cancel?”

This surprised Lin Yi.

After all, she hadn't pulled in her net yet. This wasn't the style of a normal gold digger. It was very bad technique.

“Yes.” Wen Shu nodded perfunctorily. “I suddenly feel that there's nothing more to ask about. Besides, I'm really a little uncomfortable now, so I'll have to cancel.”

“That's quite a pity. I originally had something serious to tell you, but it seems like I won't have the chance.”

“Then don't say anything. I'm really not in the mood for an interview today.”

“Alright, you can cancel it if you want.”

Lin Yi didn't mind. After all, what he wanted to tell her wasn't very important.

Even without Wen Shu, he could still find someone else to handle this matter.

What's more, they even had a meal together. No matter how one looked at it, it was not a loss.

The atmosphere in the private room wasn't right, and Lin Yi didn't want to eat anymore.

He pressed the bell and called the waiter in.

“Sir, how can I help you?”

Lin Yi looked at the menu. Li Chuhan hadn't finished eating yet, so he was going to bring some back for her.

“Give me one beef rice and eel rice. I want to pack them up and take them away.”

Seeing that Lin Yi was about to pack the food, Wen Shu's face revealed a look of disdain.

Only someone like him would be able to do such a thing.

Was this the a school canteen?

He had become a bookworm after studying so much.

“Do you want anything other than the beef rice and eel rice?”

“Enen... add a portion of sake. This will do. Please hurry.”

“Alright, please wait a moment.”

After Lin Yi ordered the takeout, the waiter turned around and walked out.

However, the moment the door closed, Cheng Su appeared outside.

“Shu, it turns out you guys are eating here.”

As he spoke, Cheng Su glanced at Lin Yi. He felt that he looked familiar, as if he had seen him somewhere before.

However, after thinking for a few seconds, he could not remember who he was, so he did not pay much attention to this matter.

Seeing Cheng Su standing outside the door, Wen Shu stood up in a panic. She even deliberately pulled her dress down as if to express her innocence.

“He’s the one I wanted to interview, but it’s over. I was just about to leave.”

Wen Shu had a gentle expression and a smile on her face.

Lin Yi was a little familiar with this attitude.

This was because she had treated him like this just now. It was as if she had seen her ancestor and was about to kneel down and lick his boots.

“Since it’s over, let’s go now. There’s no need to stay here. If you’re not full, I’ll bring you to eat something else later.”

“Yes, yes.” Wen Shu held Cheng Su’s arm enthusiastically. “Have you finished eating?”

“I’m not very hungry. I’m mainly here to accompany my father and to interact more with the company’s executives so that I can take over the company’s business in the future,” Cheng Su said.

“Now that my father and the others have finished eating, I was about to go out and wait for them. I didn’t expect to meet you.”

“That’s great. I’ve finished eating too. I’ve been wanting to leave for a long time.”

Cheng Su nodded and looked at Lin Yi.

“Kid, I don’t know who you are, but I’m telling you, you’d better not have any ideas about Shu. She’s my woman. She’s not someone you can touch.”

Looking at the person who suddenly appeared and how close Wen Shu was to him, Lin Yi guessed what had happened and asked with a smile,

“Is this your boyfriend?”

“That’s right. He’s my boyfriend, Cheng Su. And we’re getting married soon.”

As she spoke, Wen Shu raised her head high, like a white swan showing off to Lin Yi.

At this moment, she no longer cared about Lin Yi.

As for her current boyfriend, he had long been cast out of her sight.

When there was no one around, she would send him a breakup message and block his contact information. That would be all.

Lin Yi rubbed his chin. He didn’t do anything. Why did he feel like he was a spare tire in this scenario?

His meal had been really lonely.

“I don’t care what happens to the two of you, but don’t talk to me like that. You’re acting like I’m chasing you,” Lin Yi said.

“Besides, you were the one who asked me out for today’s meal, so watch your words to avoid misunderstandings.”

Wen Shu’s expression froze. She hated Lin Yi to death.

His relationship with Cheng Su had just heated up. She could not let him ruin it!

“Hubby, don’t listen to his nonsense. I didn’t ask him out. He forced me to come out. Out of respect for my boss, I had no choice but to agree.”

With that, Wen Shu looked at Lin Yi coldly. "Mr. Lin, although I'm just a reporter, I'm not the kind of person you think I am. I hope you won't slander my character."

"Also, don't think that you can shout at me just because you have some money. My boyfriend and I are not afraid of you. I hope you can give us the respect we deserve."

"Shu, a person like him is not worthy of my respect. Let's go and ignore him."

"Yeah, sure."

Wen Shu had no intention of stopping. She didn't care if her relationship with Lin Yi ended here.

In a while, she and Cheng Su would get married.

She was about to start living a comfortable life. With Didi's current size, she didn't even need to bother with Wu Zhaoyou.

Why should she worry about the work he arranged?

Just as the two of them left, the door of the private room behind them was pushed open.

Cheng Shuang, Tian Yan, and the other executives of Didi walked out with tipsy faces, chatting and laughing.

Cheng Shuang was a little surprised to see the woman beside her son. Then, he frowned slightly.

Although he didn't know her identity yet, her temperament was very ordinary. It was fine to play with her, but it was absolutely impossible to think about her entering the doors of the Cheng family.

At the same time, Wen Shu also saw Cheng Su's father.

She wanted to avoid this meeting and visit him with a gift another day, but in the end, she could not avoid it.

Could this be fate?

God also wanted her to marry into the Cheng family, so was he using this method to force her to meet her future father-in-law?

At the thought of this, Wen Shu blushed and became nervous and uneasy.

She quickly organized her thoughts to avoid leaving a bad impression on her future father-in-law.

“What are you shouting about? Don’t you know this is a public place?” Cheng Shuang said.

“I met an ignorant person and taught him a lesson. It’s fine now.”

With that, Cheng Su stood aside and let Wen Shu out. He wanted to introduce her to his father so that his father would temporarily relax his control over him. In the future, he would be even more carefree.

However, before Cheng Su could introduce her, he heard Tian Yan say in surprise,

“Chairman Lin, why are you here?”

Chapter 508: The Man Who Stands at the Top

After hearing how Tian Yan addressed Lin Yi, Cheng Su was stunned. He was Cheng Shuang’s son and knew Tian Yan’s identity.

Even the senior vice president of Didi had to speak politely to her.

However, this arrogant woman actually called that man Chairman Lin. What was going on?

At the same time, the other executives who walked out also saw Lin Yi.

The tipsy expression on their faces immediately turned respectful. Everyone, including Cheng Shuang, nodded slightly and bowed.

“Chairman Lin.”

This scene surprised Lin Yi.

“Why are you guys here? I was just thinking of going to Didi to check on you guys.”

Among Didi’s executives, Lin Yi only knew Tian Yan and Cheng Shuang. It was quite a coincidence to meet them here.

“I just finished working overtime. Since I have nothing to do, I thought I’d treat everyone to a meal.” Cheng Shuang chuckled.

“Chairman Lin, why didn’t you tell me that you were here? It would have given me a chance to receive you.”

“I still have some other things on hand. I wanted to go over to your place after I was done. I didn’t expect to meet you in advance.”

“Chairman Lin, are there any other projects you want to acquire? Do you need our help?”

“I’m not investing in a project. I want to build a Hope School in Beiqiao Town, so I came to observe the surroundings.” Lin Yi said.

“You guys go about your business. Don’t worry about me. I’m going back after dinner.”

“Alright, alright, Chairman Lin. We’ll send you off.”

“No need, I can walk by myself. You guys focus on your own matters.”

“Then we won’t disturb Chairman Lin anymore.”

Their conversation left Cheng Su and Wen Shu in a daze.

However, through the way his father and the other executives addressed Lin Yi, Cheng Jian realized something.

He knew a little about the company’s acquisition and knew that the mysterious major shareholder’s surname was Lin.

Unless he was totally wrong, this Mr. Lin might be this man in front of him!

“Dad, is he the mysterious shareholder who gained majority ownership in Didi?” Cheng Su asked fearfully.

“That’s right!”

Cheng Shuang’s expression immediately changed. “Did you say something rude to Chairman Lin just now?!”

Wen Shu’s eyes widened and her body trembled uncontrollably.

He never expected Lin Yi to have such an identity!

Now, Didi’s valuation had already reached 30 billion USD. How rich was he to be able to buy out of Didi’s capital?

Compared to Lin Yi, Cheng Su was nothing in front of him.

“Dad, I didn’t do it on purpose.” Cheng Su swallowed nervously. “If I had known that the person in front of me was Chairman Lin, I wouldn’t have dared to say such a thing even if I had a hundred guts.”

“I’ll deal with you when we get home!”

Cheng Shuang snorted and looked at Lin Yi respectfully.

“Chairman Lin, I’ve spoiled him since he was young. I’ll educate him well. I hope you won’t be angry.”

“Do I look like such a petty person?” Lin Yi said, “Don’t take it to heart. Do your job well and try to create more benefits for the company.”

“Yes, yes, yes. We will definitely work hard. Don’t worry, Chairman Lin.”

Seeing Cheng Shuang’s attitude toward Lin Yi, Wen Shu’s heart was pounding.

A big shot like Cheng Shuang was already powerful enough, but in front of Lin Yi, they seemed to be nothing.

Was this the power of capital?

This was the real man who stood at the peak!

“Who is this woman?”

After talking to Lin Yi, Cheng Shuang looked at Wen Shu unhappily.

“Dad, she’s my girlfriend. She’s a reporter from the TV station,” Cheng Shuang said.

“Hello, Uncle.” Wen Shu said, “I didn’t expect to meet you here. I didn’t prepare a welcome gift for you. I hope you don’t mind. I’ll visit you another day.”

“Girlfriend?”

Cheng Shuang said unhappily, “Look at what she’s wearing! There’s no need for you to visit. You’re not suitable for my son. I hope you won’t appear by my son’s side in the future.”

After saying that, Cheng Shuang looked at Cheng Su. “Look at you, then look at Chairman Lin. Both of you are about the same age. Why is the difference between you so big?! Are you blind?! Let me tell you, from today onwards, I’ll cut all your credit cards and force you to change your bad habits!”

“Dad, if you cut my credit cards, how am I going to live?” Cheng Su said.

“In truth, I was not serious about her. I was just playing around. I wanted you to temporarily relax control over me. With my net worth, how could I possibly marry her?”

Wen Shu stood rooted to the ground as if she had been struck by lightning. She could not believe her ears.

“You... you were just playing with me.”

“What else do you think?” Cheng Su said.

“You were just a shield for me. Did you really think I’d marry you? Aren’t you just a small-time reporter?”

“You’ve gone too far!” Wen Shu cried.

She had fantasized about the beautiful scene after marriage. She had never expected these thoughts to be bubbles that would suddenly burst.

“Alright, alright. Don’t argue in public. Go back home.” Lin Yi waved his hand impatiently.

“If there’s a scandal, you’ll be in the headlines tomorrow.”

“Got it, Chairman Lin. We’ll leave now.”

Lin Yi nodded and watched Cheng Shuang and Tian Yan leave.

The reason why he did not leave was because the takeaway was not ready yet.

However, Wen Shu did not leave. She stood at the door and wiped her tears.

“Mr. Lin, I’m heartbroken. Can you talk to me?”

“I don’t think I can since my takeout is almost ready. I have to go.”

A few minutes later, Lin Yi took his takeout and strode out.

Wen Shu tugged at her dress and followed Lin Yi out.

Downstairs, Wen Shu was about to settle the bill. She wanted to leave a good impression on Lin Yi, but she was told that the bill had already been paid.

Hearing this news, she was secretly delighted.

If she really had to pay the bill, her savings would be emptied.

“Mr. Lin, let me send you back,” Wen Shu said from behind.

Because Lin Yi didn’t drive, this was her chance.

“No need. There are so many cars by the roadside. I can just take a taxi.”

Hearing Lin Yi’s tone, Wen Shu could understand.

She had said a lot of rude words, so it was normal for him to be unhappy.

“Mr. Lin, didn’t you just say that you have something important to tell me? Do you think we can continue the interview?” Wen Shu said.

“Hmm, it’s a little inappropriate to do it here. Why don’t we find a place to continue the earlier interview?”

“Huh?”

Wen Shu was overjoyed and pointed to the hotel not far away in embarrassment.

“Let’s go there. It’s quiet. There’ll be no one there. No one will disturb us.”

“Sure, let’s go ahead. It looks pretty good.”

“It’s good that you’re satisfied.”

“Yes, go ahead. I’ll go back and get some sleep. I’ll do the interview with you when I feel better.”

Chapter 509: Where There’s Sunlight, There’s Darkness

“Mr. Lin, aren’t you coming with me? If you’re tired, you can rest in the hotel.”

Wen Shu looked at Lin Yi pitifully. At this point, she felt that Lin Yi should understand what she meant.

And she had thought it through.

After Lin Yi left with her, she didn’t ask for anything else and just let him enjoy himself.

Once he slowly started to acknowledge her, then she would eventually make some small requests.

In short, she could not push her luck.

“Forget it. I’ve already booked a hotel. Besides, I don’t lack women. I really can’t think of a reason to go to a hotel with you.”

With that, Lin Yi waved his hand. He wanted to hail a taxi, but he saw a brown Panamera stop in front of him.

The person in the car was the vice president of Didi, Tian Yan.

“Director Lin, do you need a lift?” Tian Yan smiled.

“Let’s go.”

Lin Yi got into Tian Yan’s passenger seat while Wen Shu stood rooted to the ground like a fool.

“Why didn’t you leave?” Lin Yi asked in the car.

“Aren’t we in Yangcheng? Your car is in Zhonghai, so I wanted to wait here for a while. If you didn’t have a ride, I was going to bring you back. I was right.”

Seeing Tian Yan, Lin Yi sighed. This woman really understood men’s hearts.

“No wonder you became a vice president at such a young age. Most people don’t have your ability.”

“Chairman Lin is older than me and his achievements are hundreds of times greater than mine. This is nothing.”

“I can’t help it. I’m a man with a cheat code.”

Tian Yan smiled. “That’s right. Your achievements are really as though you cheated. I never thought that someone could fully invest in Didi.”

“Although I bought the company out, there’s no need to flatter me like this. I’m not used to it.”

“As a subordinate, I have to flatter the leader. Otherwise, how can I survive in the workplace?”

“The next time you see me, just wear a shorter skirt. It’s a lot more useful than flattery.”

Tian Yan smiled. “If it’s paired with black silk, will I be promoted and get a raise?”

“Little Tian, you’ve finally figured out the intentions of the leader. I’m thankful.”

Tian Yan's figure was a little more voluptuous than Ji Qingyan's. When she smiled, her chest would tremble, wave after wave.

"By the way, I have a mission for you. Go back and deal with it quickly."

Seeing that Lin Yi was about to talk about serious matters, Tian Yan straightened her expression.

"Chairman Lin, please speak."

"Do you remember a few months ago, I signed a three-billion-dollar order with Cisco under Didi's name?"

"I remember."

"Cisco is about to deliver the goods now. Go back and tell the public relations department to stir up news of this. The bigger the commotion, the better."

"Director Lin, are you going to invest in Cisco's stocks?" Tian Yan asked in an experienced manner.

"According to the current market analysis, this wave of operations will cause Cisco's shares to rise to the limit within the next week. It'll almost be time to harvest."

"Got it, Chairman Lin. I'll go back and arrange this now to maximize our benefits."

"Sounds good."

Tian Yan nodded and drove away after sending Lin Yi to the hotel.

Aside from Cisco, the two of them didn't talk about anything else. They just made small talk.

In Lin Yi's opinion, if a woman like Tian Yan was eyeing them, most men would probably not be able to control themselves.

Back at the hotel, Lin Yi saw Li Chuhan in her hotel pajamas, reading a medical lecture.

"Have you eaten? Are you hungry?"

"Not really."

When women said this, it basically meant that they were very hungry.

"I brought you takeout."

“Are you going to take a shower? I’ll draw your bath.”

“No, you should eat first. I can make it myself. It’s not a big deal.”

“Yeah.”

Lin Yi went into the bathroom and was about to take a shower when he saw Li Chuhan’s underwear hanging on the dryer.

“What the f*ck? Am I in an alternate dimension? Are all women who study medicine so fearless?”

After a quick shower, Lin Yi walked out and sat on the sofa with Li Chuhan.

“Do you still have other matters to deal with? You can take care of yourself first. I’m not in a hurry,” Li Chuhan said gently.

“Tomorrow, I’ll go and clean Auntie’s grave first. This is a big matter that can’t be delayed. As for the relocation of the grave, we can do that whenever we can find the time.”

With that, Lin Yi looked at Li Chuhan. “Do you believe in feng shui? Do I need to pick an auspicious day?”

“No, no,” Li Chuhan said. “I don’t really follow feng shui beliefs. You can pick any date you prefer.”

“Alright, then we’ll just head to the cemetery first. We’ll leave tomorrow morning.”

“Thank you.”

“Don’t keep saying thank you. Just bring me along for the surgery in the future.”

“Okay.”

Because there were two beds inside, there was no ambiguity about where they would sleep.

However, with Li Chuhan’s personality, she wouldn’t feel anything even if they slept on the same bed.

Lying on the bed, Lin Yi was chatting with Ji Qingyan on WeChat when he saw a friend request.

He opened it and saw that it was from Wen Shu.

“This woman really doesn’t give up.”

Muttering under his breath, Lin Yi ignored her.

However, a few minutes later, Wen Shu called.

“Mr. Lin, I’ve added you on WeChat. Can you accept it?”

“If you have something to say, just say it.”

“Actually, it’s nothing.” Wen Shu said, “I just broke up. I’m in a bad mood and was drinking outside when I thought of Mr. Lin.”

“What wine did you drink?”

“I bought beer. I wanted to get drunk so I could feel better.”

“That’s enough. Beer is boring and expensive. Go buy two bottles of Niulan Mountain Erguotou. I guarantee that one mouthful will make you dead drunk and you will forget everything.”

“Y-yes...”

“Believe me, you can’t go wrong. In fact, buy two bottles. It’ll be more economical and affordable.”

With that, Lin Yi hung up and continued chatting with Ji Qingyan.

...

The next morning, when Lin Yi woke up, he realized that Li Chuhan had washed his socks.

This woman was virtuous. Other than being a little cold, she did not seem to have any flaws.

After getting up, the two of them had a simple meal and drove to Beiqiao Town.

“There will be a truck following us.”

On the highway, Li Chuhan said.

"I managed to get these guys to help us. Their truck is filled with paper money which we can use it when we get to the grave. Drive slowly when you're on the highway. If you step on the accelerator, you might lose the truck behind us."

"Got it. I'll slow down."

About two hours later, Li Chuhan turned the car into a side road. Dust flew everywhere. As soon as he got out of the car, she saw that the red G63 was covered in dust.

"This road seems alright, it's not as bad as you say," Lin Yi said.

"The road over there is too dilapidated. There are also a few waterways. Cars can't enter, so I circled around for dozens of kilometers and finally got in this way."

"What's with the detour?"

"This is already considered good. There's about a kilometer of road in front of us. There are deep ruts, but with the G63's ability, this shouldn't be an issue. The truck behind might struggle though. If we have them follow us in, we'll probably have to pay extra."

"Uh, let's tip them then. I've bought quite a lot. I don't think our car can hold it all."

"Yeah, another hundred will be enough," Li Chuhan reminded, afraid that Lin Yi would be at a disadvantage.

According to Li Chuhan, it was about another 20 kilometers to Beiqiao Town.

However, the twenty-odd kilometers of road was not just a simple dirt road, but also a dangerous mountain path that was only about four meters wide.

If they were in the wrong car, they had to be careful.

With his and Li Chuhan's skills, it wouldn't be a problem as long as they were careful. However, if it were Ji Qingyan, she would have to stop the car on the spot and call for help.

With Li Chuhan's skill, it took her more than an hour to travel this 20 kilometers and see the shadow of the river.

According to Li Chuhan, the bridge into the town was in front of them, which meant that they were not far from Beiqiao Town.

However, at this moment, Lin Yi stopped talking.

This was the so-called easy path that they had been talking about. If it was that difficult path, what would it be like?

The sunlight outside the window was dazzling.

It was true that where there was sunlight, there would definitely be darkness.
