

## **I Get A Random New Occupation Every Week**

651 As Long as I'm Useless Enough, No One Will Want to Use Me

"Are you sure?" He Yuanyuan threatened.

"Yes, yes, I'm sure."

He Yuanyuan, "..."

The scene was very awkward.

Am I not beautiful?

"I'm not criticizing you," Lin Yi said, "Dongdong is a little young, but he's not blind. Why do you have to embarrass yourself?"

"How am I embarrassing myself? The number of people chasing me can form a line that goes around the block! It's just that I don't like any one of them."

"You're just jealous because I don't like you."

"That's not true." He Yuanyuan said, "You're just a kid who don't know anything. Kids are always poor and unreasonable. You're not my cup of tea."

"Then go look for an old man. An old man is mature and stable. He can even offer you a low salary every month. He's perfect for you."

"Senior Sister, look at him. He's always talking smack about me!"

Ji Qingyan looked at the two of them speechlessly. "The two of you should behave more normally. Lingyun Group is such a big business. If it falls into your hands when you behave like this, it'll be doomed."

"Then I'll listen to you and give her some face."

“The two of you don’t have to talk about each other anymore. It’s pointless.”

He Yuanyuan’s expression was bitter. “Senior Sister, you’ve changed.”

Walking out of the cemetery, Ji Qingyan ran her fingers through her hair. “Let’s go out for a walk in the afternoon. I’ll buy something for Dongdong and then go to Yangcheng. How about that?”

“I’m fine with anything. Please arrange it.”

“Sister, you’ve already bought me a lot of clothes. I don’t want anymore. Can we leave now?”

“You want to leave now? Don’t be in such a hurry. Stay with me for another day.”

“But I still want to go. If I stay here, I’ll think of Grandma.”

Ji Qingyan glanced at Lin Yi, who nodded. “Let’s go now. He can get used to the new environment sooner.”

“In that case, I’ll book a flight now.”

“Boss, are you leaving now?” He Yuanyuan asked.

“Yes, what’s the matter?”

“We’ve drawn up a list of enterprises to invest in. One of them is in Yangcheng. Do you want to take a look?”

Lin Yi was silent for a moment. “Let’s see how it goes. If there’s enough time, we’ll go over and take a look.”

“Alright, I’ll inform them first.”

“You guys can make the arrangements, but I’m not sure if I’ll end up going or not.”

In the past, Lin Yi would ignore their investments and let them do whatever they wanted.

However, now, the business that he wanted to invest in was all related to the lithography machine. Therefore, he really had to pay attention.

Even so, he was not always available.

After giving some simple instructions, He Yuanyuan drove back to the company.

Ji Qingyan began to check for tickets, but there were no more flights available.

Lin Yi gave Qin Han a call and borrowed his private jet. He made some simple preparations and flew straight to Yangcheng.

At three in the afternoon, when the three of them arrived at the orphanage, they saw the children playing on the playground.

If it weren't for a sign at the door, anyone who saw them would have thought it was a school and not an orphanage.

“Brother Yi!”

Seeing Lin Yi come over, all the children in the courtyard ran over and surrounded him.

“Hello, Sister-in-Law.”

‘Huh?’

Ji Qingyan was stunned by the term sister-in-law.

It turned out that they all called her sister-in-law. Why were they suddenly calling her this now?

She bent down and squatted in front of a chubby girl, gently pinching her cheeks.

“Why aren’t you calling me sister anymore?”

“My mom said that from now on, we have to call you sister-in-law whenever we see you. We can’t call you sister anymore.”

“Um...”

This made the thin-skinned Ji Qingyan feel embarrassed.

“Do you not like us calling you that? In that case, I’ll call you sister.”

“No, no.” Ji Qingyan pinched the chubby girl’s cheeks. “I like it.”

Before coming, Lin Yi had told Wang Cuiping about the situation. The latter was thus aware that the two of them would be dropping by.

Hence, she had reminded the children in the courtyard to address her as sister-in-law.

This further solidified her identity.

Although she was a little embarrassed, Ji Qingyan was still happy.

Suddenly, it felt like their relationship was out in the open.

How nice.

Not long after they arrived at the courtyard, Wang Cuiping and Zhao Quanfu walked out of the building.

“This is Dongdong, right?”

Lin Yi nodded and smiled. “Greet them as Mom and Dad.”

Wang Dongdong nervously retreated and hid behind Ji Qingyan. He only dared to look at Wang Cuiping and Zhao Quanfu from the corner of his eye.

“Don’t be anxious. The child has just arrived. He’s shy and will take some time to adapt.”

Wang Cuiping was very experienced in dealing with such matters.

After such a huge incident, the child had to undergo a period of familiarization.

It was normal for him to act this way.

“Let’s go. Don’t stand here. Let’s go in first. The food is ready, so let’s eat,” Wang Cuiping said.

“Wait a few more minutes. Ningyue will be here soon,” Zhao Quanfu said.

“Is Ning Yue coming too?”

“Doesn’t she always do this? Every time you come back, she will come back and visit,” Zhao Quanfu said with a smile.

“Brother, Sister-in-Law.”

At this moment, Guo Ningyue’s voice came from behind. She jogged over and held Ji Qingyan’s arm with a smile.

“Sister-in-Law, you’re getting more and more beautiful. I’m so envious.”

“You’re just like your brother. You only know how to flatter people.”

“No, hehe, I’m really envious. Not only are you good-looking, but your figure is also good. I’m drooling.”

“You look even more like your brother now.”

Lin Yi, “...”

Was why he getting targetted?

“Let’s go. Everyone’s here. Let’s go in and eat.” Zhao Quanfu called out, “Your mother has made delicious food for you. The dishes will get cold soon.”

“Let’s go.”

When they reached the third floor, they saw more than ten dishes on the table. There were prawns, crabs, pork ribs, and beef. These were all special dishes in the eyes of ordinary people.

“Yueyue, what are you busy with nowadays?” Ji Qingyan asked casually.

“Hehe, I’m a streamer.”

“Streamer?”

Lin Yi and Ji Qingyan were a little surprised.

Did she want to be in the same business as her brother?

“That’s quite interesting. After work tonight, I’ll go and broadcast it for a while. It’s only been half a month, but I’ve already earned more than 2,000 yuan. If I work hard, I might earn more than my main job.”

“But that’s not a long-term solution.”

“Why don’t you join me or your brother’s company? We won’t treat you badly.”

Guo Ningyue chuckled. “I know that you and my brother won’t treat me badly, but if the company finds out that the sister of the dignified President Lin still has to work in the company to earn money to support herself, won’t it embarrass my brother?”

“You’re already a big girl, why don’t you have any shame?” Wang Cuiping scolded jokingly.

“Your brother and sister-in-law’s money doesn’t come from thin air.”

“Isn’t the orphanage now supported by my brother? I’m also a member of the orphanage. Isn’t it natural for my brother to support me?”

“Don’t say such embarrassing words. Your brother was really unlucky in his previous life to have a sister like you.”

“Mom, I think you’re absolutely right.”

“Daughter, I have to say something about you. Although your brother is rich, you have to work hard too. Otherwise, won’t you become a piece of trash?”

“Isn’t it good to be a beautiful piece of trash?” Guo Ningyue said shamelessly.

“When I was young, you guys always reminded me to learn to be smarter so that I wouldn’t be used by others once I grew up. I’ve also figured it out now. As long as I’m useless enough, no one will want to use me.”

With that, Guo Ningyue looked at Lin Yi. “Brother, I hope you can give me a chance to be this piece of trash.”

“I’ll put the soles of my shoes on your face.”

“Mom, look at my brother. He’s going to hit me.”

“You can’t blame your brother for this,” Wang Cuiping said.

“The two of you are only one year apart, but look at your brother. He has already brought back my daughter-in-law. When are you going to bring back a son-in-law for me?”

“I have a boyfriend. I’ll bring him back for you to meet.”

“When did you get a boyfriend? Why didn’t I know about this?”

Wang Cuiping and Zhao Quanfu were shocked.

Compared to Lin Yi, the two of them were more concerned about Guo Ningyue.

After all, she was a girl. If she met a bad person, she would be at a disadvantage.

“I met him at work. His family is quite well-off.”

“Little Yue, have you told them about our situation?” Wang Cuiping asked.

“You have to understand one thing. Although the orphanage is rich, it’s all your brother’s money. You have to explain our situation to them.”

“Your mother is right,” Zhao Quanfu added.

“Don’t go looking for rich and handsome people. These people are unreliable. You have to marry someone who’s dutiful and treats you well.”

“Uncle is right.” Ji Qingyan nodded firmly.

“What nonsense are you spouting?” Wang Cuiping complained.

“My son is good-looking and rich. He treats my daughter-in-law quite well.”

“Lil Yi is an exception. We have to look at the overall situation.”

“You’re right.”

“Don’t worry. I’ve told the other party about my situation. I’ll protect myself. In any case, don’t worry. I’ll bring him back for you to meet and inspect.”

“Let your brother and sister-in-law handle this matter. They’re knowledgeable and have better perception than me.”

“Okay.”

The family ate happily until night time.

However, when they left, Lin Yi and Ji Qingyan left Wang Dongdong behind.

From now on, he would be living here. Although they couldn’t bear to part with him, and he wasn’t used to it, they still had to accept reality.

There were some things that humans could not do.

“Brother, it was not easy for you and my sister-in-law to find time to come here. Stay here and hang out for a few more days,” Guo Ningyue said after they left the orphanage.

“I don’t mind, but your sister-in-law has a lot of things to do. You have to ask her if she can stick around.”

Guo Ningyue held Ji Qingyan’s arm.

“Sister-in-law, I know you’re busy with work. Stay here for another day. Let’s hang out tomorrow, then have dinner with my boyfriend at night. Help me check him out. If you and my brother think it’s okay, I’ll continue dating him. If not, we’ll break up.”

Ji Qingyan looked troubled. “It’s fine for us to stay for another day, but your brother and I can’t make decisions for you when it comes to relationships. You have to make the decision yourself. We can only give you advice.”

“It’s okay, I’ll listen to you two,” Guo Ningyue said. “Last time, I brought my boyfriend back. If my brother wasn’t here, I wouldn’t have known that his character was so bad.”

“Alright, I’ll help you check him tomorrow,” Lin Yi agreed.

“Hehe, it’s settled then. I’ll look for you tomorrow morning.”

“Tomorrow is Monday, right? Aren’t you going to work?” Lin Yi said.

“Since you’re so rich, why would I still work? Wouldn’t that be slapping your face?”

With that, Guo Ningyue took a taxi and left with a smile. Lin Yi was speechless.

“Sigh, why do I have such a shameless sister?”

“You’re her brother. Shouldn’t you reflect on yourself?”

652 System, Oh System, the Older You Get, the More Evil You Become

“I think the two of us should get under the covers and have a good talk.”

“Hehe, you’re dreaming.”

The two of them took a taxi back to the hotel. After washing up, Ji Qingyan returned to her room to rest.

“Aren’t you going to sleep?”

Seeing that Lin Yi was still sitting on the sofa without showing any reaction, Ji Qingyan asked.

“Go to sleep first. I still have some other things to deal with.”

“Then I’ll leave you alone.”

There were a lot of things happening in Lingyun Group. Longxin was going to be listed on the market, along with the development of the photolithography machine and a new phone system. It was normal for Lin Yi to be busy, so Ji Qingyan did not think too much about it. She yawned and returned to her room to rest.

Lin Yi leaned back on the sofa and brought up the system page in his mind.

“Start a new profession.”

[Old Class Completion Rate: 100%. New Class can be activated.]

[New Class Activated (Yes/No)]

“Activate.”

[Experience Job: Online Streamer.]

[Profession Completion: 0%]

[Host, please receive a professional gift bag. 10 million yuan, solar battery cell phone.]

“Receive.”

As usual, the 10 million yuan cash reward was quickly transferred to his account.

As for the solar cell phone awarded by the system, it would probably be delivered to him soon.

However, what made Lin Yi more curious was which platform the system would let him stream on.

Regardless, this was not a big problem since he would be doing direct broadcasts all the same.

At the same time, Lin Yi’s gaze stopped on the system page.

After completing the profession of individual shopkeeper, there were now five achievement badges on his profile.

Different color badges were displayed across the page. He had no clue what use they had.

Clang! Clang! Clang!

Just as Lin Yi was thinking about these things, there was a knock on the door.

Lin Yi had a feeling that his reward had arrived.

After all, this was a proper hotel. Logically speaking, no one would come to give him a small card.

He got up and opened the door. A woman in a high-cut cheongsam stood outside. Her legs were long and slender, and her figure was round. She was undeniably a beauty.

“Sir, this is your delivery. Please sign for it.”

“Which delivery company are you from? Why are you dressed like this?”  
Lin Yi took the package and said, “Is it the type that offers rooms that are red and romantic?”

“You’re funny, sir.”

Lin Yi, on the other hand, was calm. With Ji Qingyan by his side, a woman of this level was no longer worthy of his attention.

However, the system’s operation seemed to be getting more and more flirtatious.

In the past, they were all proper couriers. Now, it had sent a woman in a cheongsam.

After locking the door, he returned to the sofa with his phone.

“F\*ck!”

Lin Yi had just sat down on the sofa when he saw Ji Qingyan opening the bedroom door a crack and staring straight at him.

“You didn’t even make a sound when you woke up. You scared me.”

“Why aren’t you sleeping in the middle of the night? What are you doing so sneakily?”

“I’m picking up a package,” Lin Yi said seriously.

‘A man of integrity is not afraid of shadows. Why would I be afraid of you?’

“Who delivers packages in the middle of the night?”

Ji Qingyan narrowed her eyes like a shrewd little fox.

“I heard it in my room just now. It’s a delivery from a woman.”

“Uh, it was indeed a woman.”

“Let me see what you got.”

“It’s just a phone. What’s there to see?”

Lin Yi casually opened the package. As he expected, it was a new iPhone, identical to the one he was using now.

“Your phone isn’t broken, so why did you buy a new one?” Ji Qingyan crossed her arms in front of her chest. “You were not sleeping in the middle of the night because you were waiting for this phone, right?”

“Um...”

Lin Yi couldn’t think of a retort because it was true.

“Tell me, why did you buy a new phone? Were you going to do something bad behind my back?”

“What the hell are you saying?” Lin Yi was speechless.

A woman’s imagination was really rich. She could even think of this.

“The store was closed. I plan to livestream in the future, so I bought a new phone for this purpose. Its battery is just more durable.”

“Huh? You want to be a streamer?”

“That’s right. Otherwise, why would I be idle?”

“Have you thought it through properly? Are you willing to rely on your looks to make a living?”

“What do you mean by relying on my looks to make a living? I’m just experiencing life.”

“If you livestream, the female audience will go crazy and spam your livestream.”

“I can’t help it. My looks can’t be changed. In truth, I didn’t want to do this either.”

“Then wear a mask,” said Ji Qingyan.

Ji Qingyan did not say much about Lin Yi being a streamer.

After all, he had never done things according to logic.

Moreover, after this incident, Lin Yi probably didn't have the mood to run the shop anymore. It seemed like a good choice to change his identity and experience a new part of life.

“Wear a mask?”

“Didn't I always wear a mask when I visited your shop after you first opened it?”

“It's your turn.”

“Uh, okay.” Lin Yi said.

“I want to be strong. I can still make a living without relying on my looks.”

“It's settled then.”

“Go to bed.”

“I have other things to do.”

“What are you so busy with? Hurry up and sleep.”

Initially, Lin Yi did not want to sleep, but Ji Qingyan did not give him a chance and brought him back to the bedroom.

Lin Yi was no longer in the mood to tease Ji Qingyan either. He took his phone and returned to bed.

The phone given by the system was not much different from a normal phone.

The only difference was that there was a new program in it.

Douyu Livestream.

As a live streaming platform, Lin Yi had some impression of Douyu.

Previously, when he was driving for Didi, he had fetched a female streamer. It seemed like she was from Douyu.

Apart from that, the streamer named Zhang Xiaoyu he met a few days ago seemed to be from this platform too.

He did not expect to become one of them one day.

[Have the female streamer perform Divine Dragon Tail Swing and reward them 1 million RMB. Reward: 100,000 proficiency points.]

“Huh?”

Seeing the mission given by the system, Lin Yi rubbed his chin.

What did it mean by Divine Dragon Tail Swing?

It had been a long time since he watched a live broadcast. Did they develop a new trick?

Lin Yi took out his phone and searched for the term.

But after reading the explanation on Baidu, Lin Yi was even more confused.

“Divine Dragon Tail Swing, one of the Eighteen Dragon Subduing Palms, recorded in the Yi Sutra.”

Was the system crazy?

It wanted the female streamer to perform the Eighteen Dragon Subduing Palms?

Which retarded female streamer knew how to do this?

Lin Yi vaguely felt that things might not be simple, so he asked in the group of four.

Lin Yi, "Do you know what a dragon's tail is?"

The first to reply was Gao Zongyuan.

Gao Zongyuan, "Brother Lin, are you going to have sister-in-law put on an act?"

Liang Jinming, "Brother Lin is mighty. You have good luck with women."

Lin Yi, "What is the point of this performance? I don't even know what this is."

Gao Zongyuan, "If you act tough, you'll be struck by lightning. If you pretend to be innocent, you'll be attacked. Don't you know what a dragon's tail is?"

Lin Yi: "I really don't understand."

Gao Zongyuan, "That's easy. I'll get someone to perform for you."

Soon, Gao Zongyuan sent him a WeChat video.

It was very noisy on the other side. It seemed like they were in a bar.

Qin Han and Liang Jinming were beside him.

Then, Gao Zongyuan stood on the coffee table and said loudly,

"Girls, Brother Lin wants to see what a dragon's tail swing is. You'll be rewarded if you dance well."

With Gao Zongyuan's reputation, he would definitely attract hundreds of people in the bar.

"Is this Brother Lin one of the four young masters of Zhonghai?" A girl in a strapless dress asked.

“Of course. Who else could it be?”

“Hehe, I know how to do that.”

“So do I.”

“Let me do it, let me do it.”

Knowing that Lin Yi was going to watch the dragon wag its tail, more than ten girls in shorts and short skirts stood in a row.

They spread their legs slightly and began to move their butts rhythmically. The scene was very erotic.

“Brother Lin, did you see that? This is called the Divine Dragon Tail Swing. It’s not bad, right?”

“Young Master Gao, ask Young Master Lin if he wants to see anything else. I know how to open the dragon spine as well.”

“It’s so boring to have a divine dragon swing its tail. I even know how to swing a scorpion’s tail. This is even more exciting.”

“There’s no need for that,” Lin Yi smiled and hung up.

“System, system, the older you get, the more evil you become!”

Although he was complaining, he still had to complete the mission.

Opening the Douyu app, Lin Yi quickly familiarized himself with the platform and prepared to find a female streamer who could help him complete the mission.

“Lin Yi...”

Just as Lin Yi was about to complete the mission, he heard Ji Qingyan calling out his name on another bed.

“What’s wrong? Can’t sleep?”

“Do you think your streamer is better looking than me?”

“Is there a need to ask? Of course you’re prettier than them. Did you wake up in the middle of the night just to ask me this?”

“Since I’m so pretty, why are you not sleeping in the middle of the night and instead watching female streamers?”

“Uh... That’s a question worth thinking about.” Lin Yi jumped off the bed, and before Ji Qingyan could react, he was already under her covers.

“I won’t see anyone tonight, just you.”

653 How Long Must This Go On?

Ji Qingyan shyly pushed Lin Yi.

“I’m just not letting you look at other girls. Who asked you to crawl into my bed?”

“I just want to see your beauty.”

“You just want to take the opportunity to be a hooligan. Yueyue was led astray by you.”

“Since you don’t want me to look at female streamers, I naturally have to see you. No matter what, I have to see something.”

“Just sleep well. Don’t be naughty.”

“What are you talking about? If I wasn’t going to do anything, why would I come to your bed? To think about life?”

“Hooligan, you... Ah, pinch me gently.”

...

The next morning.

Warm sunlight streamed in from outside, and Ji Qingyan snuggled in Lin Yi's embrace. She slept exceptionally comfortably.

Piap!

Lin Yi slapped Ji Qingyan's butt.

"Get up. It's past eight."

Ji Qingyan twisted her body. "I'll sleep for a while longer. You can get up first."

Lin Yi got up and washed up. Not long after, there was a knock on the door. Guo Ningyue walked in in a long white dress.

"Huh? Where's my sister-in-law?"

"Still sleeping in there."

"How long did you guys go at it? It's not like you don't have a chance to do it at home. Why are you acting like those young college students?"

"You don't understand," Lin Yi said, "The hotel feels different from home."

"Maybe I'm just too immature."

Creak...

Ji Qingyan opened the door. "Don't listen to your brother's nonsense. We didn't do anything yesterday. We just slept a little late."

"If you didn't do anything, why did you go to bed late? To have a heart-to-heart conversation?"

She was speechless.

Guo Ningyue chuckled and walked up to Ji Qingyan.

“That’s enough, Sister-in-Law. You don’t have to explain. We’re all adults. It’s normal.”

Ji Qingyan wanted to cry but had no tears. She reckoned that no matter how much she explained, this girl would not believe her.

“I’m going to wash up and put on makeup. I’ll eat later.”

“There’s no hurry,” Guo Ningyue said.

“Sister-in-Law, where do you want to go? I’ll take you there.”

“Ask your brother about that. I’ll follow him.”

“Brother, what do you want to do?”

“I’m tired of Yangcheng, so I don’t really want to travel anywhere.” Lin Yi said.

“I’ll go to visit that company today. If there’s anything that suddenly comes up, I might have to run around a bit.”

“Then I’ll go with you, but don’t forget what you promised me.”

“What is that?”

“Sister-In-Law, look at my brother. He forgot what he promised me.”

Ji Qingyan wiped her face. “Didn’t you agree to meet Yueyue’s boyfriend today to check on him for her? How could you forget such a thing? Are you really her brother?”

“Hahaha...” Lin Yi smiled awkwardly, “Actually, I remember everything. I just wanted to test your memory.”

“Hmph, don’t try to deflect the blame.”

“That’s how my brother is. He doesn’t have any other skills, but his ability to pass the blame is first-rate.” Guo Ningyue said.

“When I was in school, a girl wrote him a love letter and my mother found out about it. Then, he insisted that the love letter was for me. My mother thought that I was gay and almost brought me to see a psychiatrist.”

Ji Qingyan could not help but laugh. There was nothing she could do with this pair of siblings.

“You still have the cheek to say that? Who walked around without looking and fell into a mud pit, then went back and said that I pushed her?”

“You’re my brother. What’s wrong with you taking the fall for me?”

“You’re my sister. Isn’t it natural for you to take the blame for me?”

“Sister-In-law...”

“Alright, that’s enough.”

“When you were in Zhonghai, you bickered with Yuanyuan every day. Now that you are in Yangcheng, you are bickering with Yueyue too. How can you be like this?”

“I have to let her know the dangers of the world so that when she goes out in the future, she won’t be deceived.”

Ji Qingyan couldn’t do anything about Lin Yi either, because she was no match for him from the start.

After the two of them washed up, they went down to the hotel lobby for breakfast, then prepared to go to the orphanage.

“Brother, if you and Sister-in-Lawdo don’t want to hang out, I’ll go to work.”

“Are you still working as an accountant at that mall?”

“Yes, I haven’t changed jobs.” Guo Ningyue said.

“My salary has already risen to 6,000 yuan. Moreover, Sister Wang from the unit said that after I get my Intermediate Accountant Certificate, my salary will increase by 800 yuan.”

Lin Yi nodded. “Is work tiring?”

“I’m not that tired,” Guo Ningyue said. “If I were, I wouldn’t have the time to do livestreams.”

“It’s good that you’re serious about your work, but if you’re tired, don’t torture yourself. I can afford to take care of you.”

“Got it, Brother.”

“Go to work,” Lin Yi said, “You don’t have to work, but if you do, you have to take it seriously and not slack off.”

“Gotcha.”

Guo Ningyue hailed a cab for the two of them. After sending Lin Yi and Ji Qingyan off, she gestured by her ear.

“Brother, don’t forget what I told you. Wait for me to call you.”

“Even if I forgot, your sister-in-law wouldn’t forget. Stop wasting time and go to work.”

“I know, I know. I’m just worried.”

The two of them took a car to the orphanage.

There were not many children in the courtyard today because most of the children had been sent to school, including Dongdong.

The rest were children under the age of seven. Their kindergarten classes were handled here.

“Mom, is there anything I can do to help? I happen to be free today.”

“Nothing. There’s nothing for you to worry about. My daughter-in-law is busy with work. It’s not easy for her to find time to come to Yangcheng. Take her out for a stroll.”

“Auntie, you don’t have to worry about me. It doesn’t matter where I go.”  
Ji Qingyan smiled.

“I don’t need your help. Do whatever you want. Make yourself at home. Don’t feel restrained.”

“Okay.”

“Lil Yi, Daughter-in-Law, come here.”

Zhao Quanfu waved at them from the other side of the corridor.

“What’s wrong?” Lin Yi walked over and asked.

“I’ll put you two to work.”

Zhao Quanfu brought the two of them to the room on the inner side. There were three portions of materials on the table, which were held together with plastic clips typically used to dry clothes.

“Is someone here to adopt a baby?”

“Mhm.” Zhao Quanfu nodded. “Three families have come to look for us. They’re all infertile and want to adopt a child. Help me verify the information and see if there are any problems.”

“No problem.”

Growing up in an orphanage, Lin Yi was familiar with this and knew what to do.

“Alright, I’ll leave this to the two of you. Some of the children’s beds are broken, so I have to clean them up.”

“Okay, go.”

After giving his instructions, Zhao Quanfu left while Ji Qingyan picked up the three sets of materials on the table.

She immediately felt sentimental toward the children and couldn't bear to send them away.

"Are you feeling uncomfortable?"

"Yes, I can't bear to do this."

"Don't worry. Their situation is much better now," Lin Yi said.

"With me supporting the orphanage, I don't have to worry about money anymore, so my mother changed the rules. She won't send away children over the age of three unless they want to leave."

"What about those under three?"

"They're under three years old and their consciousness hasn't developed yet. Therefore, Mother Wang is willing to find them a good family," Lin Yi said.

"After all, no matter how good an orphanage is, it is still just an orphanage."

## 654 Human Nature

"You're right." Ji Qingyan nodded.

"But what if the child is adopted and the foster parents don't treat the child well?"

"You don't have to worry too much about that," Lin Yi said.

“The adoptive parents of the child are usually locals. Every few months, they will drop by and visit. If they find that the situation is not good for the child, they will normally bring the child back immediately. Due to this, nothing has happened for so many years. After all, those who come here to adopt children are typically infertile. At worse, their family conditions might not be the best, but no one has ever abused any of the children.”

Ji Qingyan nodded, understanding what Lin Yi meant.

If someone didn't like children, they wouldn't come to adopt kids in the first place.

Thus, there shouldn't be much to worry about.

“Then how do we verify the information?”

“We call the police station,” Lin Yi said, “Tell them that you're from Blue Sky Welfare Institute. They'll help you get all the information about the adopter. From there, we'll have to analyze carefully if we want to proceed with the adoption.”

“Alright, leave it to me.”

There were only three adoption documents, so the workload was not too heavy. In less than half an hour, Ji Qingyan was done with everything.

However, Wang Cuiping or Zhao Quanfu had to personally go to the police station to collect the specific verification materials to prevent them from being leaked.

“Lin Yi, one of them seems to be quite well-off. Their family owns a business, and they even specifically said that their wife is infertile and especially likes children. The children shouldn’t suffer in such a family.”

“Huh? His wife is infertile?”

Lin Yi, who was playing games, sat up from his chair with a strange expression.

“What’s wrong? Is there something wrong?”

“Generally speaking, those who come here to ask for a child are all because the men have problems. There aren’t many women who suffer from infertility.”

“Ah? Is there a difference?”

“There’s a big difference,” Lin Yi said, “I’ll give you an example and you’ll understand.”

“If you and I, uh... let’s not curse ourselves . Let me give you another example.”

“If Qin Han and his wife have problems and they still want children, what do you think they will do?”

“They’ll adopt a child,” she replied matter-of-factly. “Just like these three couples.”

“What do you think will happen if Qin Han’s wife is infertile?”

“What else can they do? They will definitely have to adopt a child.

Neither side is to blame.”

“Wrong!” Lin Yi said, “Qin Han will find another person.”

“Huh? No way?!”

Ji Qingyan widened her beautiful eyes, feeling as if her worldview had been shattered.

“It’s true.” Lin Yi said.

“Even if he had a child with another woman, no matter what, she’s still his biological daughter. Why would he adopt a child who he shares no blood relationship with?”

“Based on what you said, it’d be no different for women. If you have a child with another man, isn’t the child still part of your bloodline?”

“It’s your bloodline, but which man would be willing to spend money to support someone else’s child?” Lin Yi said.

“In addition, due to the gentle and emotional nature of women, they typically don’t let other boys touch them. Do you understand what I mean?”

“I understand.” Ji Qingyan pursed her lips. What Lin Yi said made sense, but she still needed some time to digest it.

Ji Qingyan took the document that Lin Yi was suspicious of.

“What about this?”

“I’ll make a call and find out.”

Lin Yi wasn't sure if there was a problem, but it was only a phone call. It was good to investigate these things carefully.

Lin Yi looked at his phone. When he came to Yangcheng, he had saved the number of the Secretary of Yangcheng, Wu Zhaoyou.

Now that the Beiqiao Town project was ongoing, it should be fine to call in a favor.

“Hi, Mr. Lin, we haven't contacted each other in a long time,” Wu Zhaoyou said politely and warmly.

Wu Zhaoyou was very grateful toward Lin Yi.

He had only asked for five million yuan from the city, but he had given 15 million yuan. This was also huge for his political achievements.

Other than that, he also knew that Lin Yi and Liang Ruoxu had a close relationship.

No matter what, there would be no harm in building a good relationship with Lin Yi.

“It’s been a long time indeed.” Lin Yi smiled. “Secretary Wu has been doing well recently, right?”

“Everything’s fine. I was thinking of going to Zhonghai to have a drink with you.”

“That sounds good,” Lin Yi said, “Secretary Wu, I called you today mainly because I need your help with something.”

“No problem. If you have anything to say, just say it. In Yangcheng, my words still carry some weight.”

“Help me investigate a person called Zhang Wenbao. He owns a company called Green Control Environmental Protection. Help me check if this family is clean.”

The last sentence was industry jargon, but Wu Zhaoyou naturally understood what he meant. He wanted a full investigation.

Otherwise, the materials from the Public Security Bureau would be sufficient.

“Alright, leave this to me. I’ll get someone to investigate him now.”

After hanging up, Lin Yi looked at Ji Qingyan.

“Done. Let’s wait for the news.”

“Okay.”

Ji Qingyan nodded.

“If there’s really a problem, we have to take this matter seriously.”

“Needless to say,” Lin Yi said, “We can’t let them take advantage of the orphanage.”

In the afternoon, the police station called to request the orphanage to pick up the results of the investigation.

Initially, Lin Yi wasn’t in a hurry. It didn’t matter if he took it back a day earlier or later.

However, Ji Qingyan could not wait any longer. She dragged Lin Yi out, wanting to know the results of the investigation as soon as possible.

Helpless, Lin Yi could only bring Zhao Quanfu to the nearby police station.

“Uncle Zhao, the information on the three families is here. Everything looks pretty good.”

The person in charge was a young lady and spoke very politely.

“Sorry to trouble you.” Zhao Quanfu smiled honestly.

“I’m sorry to keep pestering you.”

“This is our duty. You guys are also serving society. We have to actively cooperate with each other.”

“Thank you, thank you.”

After thanking him, the three of them walked out of the police station.

Zhao Quanfu looked at the information in his hand. “Everything seems to be in order, especially with that person called Zhang Wenbao. His family seems to be quite rich. The child shouldn’t suffer.”

Lin Yi was about to speak when his phone rang.

It was a call from Wu Zhaoyou.

“Mr. Lin, the person you asked me to investigate is quite clean. He doesn’t have a criminal history and has a one-year-old son. His company isn’t big and can’t compare to your Lingyun Group. Unless there’s a special reason, I don’t think there’s a need for your group to partner with his company.”

Obviously, Wu Zhaoyou had misunderstood this matter.

He thought that Lin Yi wanted to work with this person, which is why he had asked him to investigate him.

“You said he had a son?”

“Isn’t that what the information said? I think he was one year and three months old.”

“Alright, I understand. Thank you, Secretary Wu.”

Lin Yi hung up the phone, but both Ji Qingyan and Zhao Quanfu had overheard their conversation.

“This family has a child?”

“Lil Yi, what’s going on?” Zhao Quanfu asked.

“Didn’t the information say that she’s infertile? Why does it say that they have a child here?”

“It was fake,” Lin Yi said.

“This family’s connections seem to be quite good since they could actually hide this news. If I didn’t get Wu Zhaoyou to investigate, I don’t think anyone else would have been able to discover this.”

“This family is too much.” Zhao Quanfu cursed.

“They must have ulterior motives. We can’t hand the child over to them.”

“That’s for sure.”

Ring!

Lin Yi’s phone rang again. It was Wang Cuiping.

“Son, have you retrieved the results of the investigation? Are there any issues?”

“Don’t worry, we’ll tell you when we get back,” Lin Yi said.

“Alright, come back quickly. They’re already here and want to take the child away now.”

“Who is it? What’s his name?” Lin Yi frowned.

“His name is Zhang Wenbao. Didn’t you read their profile this morning? You should have an impression of this person, right?”

“I have a little more than that.” Lin Yi said with a faint smile.

“Mom, tell them to wait in the courtyard. We’ll head back now.”

“Alright, hold on tight. He’s waiting here.”

“Let them wait.”

After hanging up, Lin Yi looked at the two of them and said,

“Let’s go. That Zhang guy has arrived. Let’s go ask him what’s going on.”

“Let’s leave quickly. This person is too despicable. He actually fabricated fake information to lie to the orphanage. We have to get to the bottom of this.”

The three of them returned to the orphanage and met Zhang Wenbao and his wife in the director’s office.

The couple was dressed more fashionably than Lin Yi.

The man was wearing a white shirt, blue slacks, and black leather shoes.

The woman was wearing a floral dress and holding an LV bag in her hand, looking very rich.

“Son, you’re back. Where are the results of the investigation? Let me take a look,” Wang Cuiping said.

Lin Yi handed over the three reports, and Wang Cuiping picked out Zhang Wenbao’s. She looked through it a few times, but didn’t find anything wrong.

“Principal Wang, we should be qualified, right?” Zhang Wenbao said with a smile.

“Everything’s fine. There’s no problem.”

“You don’t have to worry about that. We’re also family members who lead decent lives. If we weren’t desperate, we wouldn’t have come to you.”

“I understand.” Wang Cuiping nodded and said,

“We can proceed to the next step, but you can only adopt children under the age of three. I’ve told you this before. There should be no problem, right?”

“No problem, no problem,” the couple said happily.

“Mom, wait a minute,” Lin Yi said.

“Anything else?”

Lin Yi nodded and looked at the couple.

“According to the report, there’s indeed nothing wrong with them, but I had nothing to do, so I rechecked their backgrounds. You should have a one-year and three-month-old son, right?”

“Well ...”

The two of them panicked. Neither of them expected Lin Yi to find out such information.

“This, sir, what are you talking about? I don’t understand.”

“There’s no need to act at a time like this,” Lin Yi said, “Do you think it’s that interesting?”

At this moment, Wang Cuiping trusted Lin Yi.

It turned out these two people were lying!

“Mr. Zhang, I hope you can give me a reasonable explanation. This is not what’s written on your application!”

The couple looked at each other with solemn expressions.

“Alright, I’ll tell you the truth.” Zhang Wenbao said.

“We do have a son, but there’s something wrong with his eyes. He needs a cornea change, so we were going to adopt a child and change my son’s cornea.”

“We’ve visited all the orphanages in Yangcheng. Only you have children around the same age as my son. Moreover, the food and treatment here seem to be quite good. You raised the children to be fair and fat, which is why I came here.”

After falling out with each other, Zhang Wenbao and his wife immediately changed their expressions, revealing the faces of unscrupulous people.

“Since things have come to this, I won’t say anything else. 500,000 yuan for your child shouldn’t be too small a sum, right?”

“You b\*stard!”

Ji Qingyan could not help but curse.

“Are you even human? How could you say such things?”

Zhang Wenbao looked at Ji Qingyan in disbelief. He felt that this beautiful woman was making a mountain out of a molehill.

“I’m telling the truth, and this is in line with your interests. Why not? 500,000 yuan is not a small sum. It’s more than enough to buy an orphan.”

“Don’t tell me you guys want to ask for an exorbitant price?” Zhang Wenbao’s wife said.

“We’re not as shameless as you!”

“Young lady, what are you saying? Who are you calling shameless!”

Paick!

Lin Yi raised his hand and slapped Zhang Wenbao’s wife.

“Watch your f\*cking mouth. Don’t point at her.”

“Why did you hit her?”

Zhang Wenbao helped his wife up. “Isn’t he just an unwanted orphan? He can donate his cornea and contribute to my son’s life. He should count himself blessed.”

“Get lost, get lost now!”

Wang Cuiping was so angry that her body was trembling. She pointed at Zhang Wenbao and his wife and scolded.

“Fine, we won’t go to your place. Let’s go visit a few more orphanages. Some people can’t wait to sell their children to us.”

“I’m afraid you won’t have a chance to do this.” Lin Yi said.

“You’re already here. Do you think I’ll let you go so easily?”

“What do you mean? Are you going to detain me?”

“I can’t be bothered to talk nonsense with you. You can just tell the police later.”

Zhang Wenbao looked at Lin Yi coldly, “Do you think I’m afraid of you? If I don’t even have the connections to back me up, wouldn’t I have wasted my time working all my life?”

“You’re bragging so much.” Lin Yi chuckled.

“I know the secretary of Yangcheng, Wu Zhaoyou, and even he’s not as pretentious as you.”

“W-what did you say? You know Secretary Wu?”

In Yangcheng, although Zhang Wenbao was not a famous figure, he was still quite rich. He could name all the leaders in Yangcheng.

Naturally, he knew who Wu Zhaoyou was.

“What else? How else would I be able to find out so much about you?” Lin Yi said.

“This kind of thing usually won’t last long, so don’t worry. I’ll tell Secretary Wu to put you guys in jail for three to five years.”

Zhang Wenbao and his wife were completely dumbfounded.

They stood rooted to the ground, trembling. Every minute and second was torture for them.

Not long after, the people from the police station arrived at the orphanage and arrested the two of them.

The chief walked up to Lin Yi and said politely,

“Mr. Lin, Secretary Wu has already informed us of the situation. We will handle this matter seriously.”

“Thank you.”

“It’s no trouble. It’s what we should do.”

After Zhang Wenbao and his wife were taken away, Lin Yi’s phone rang. It was a call from Wu Zhaoyou.

There were many people in the room, so Lin Yi went to the corridor and picked up the phone.

“President Lin, I heard from my subordinates that you’ve come to Yangcheng?”

“I just arrived today. There are a few investment projects my company is interested in, so I came to take a look at them.” Lin Yi smiled. “I also came to see my parents.”

Lin Yi wasn’t surprised that Wu Zhaoyou knew his whereabouts.

The chief of police had already seen him. After he left, he would have immediately reported this news.

“That’s good. When you have time, come to my place so that I can do my best as a host.”

“Secretary Wu, you’re too kind. I’ll call you tomorrow to meet up.”

“Then it’s settled. I’ll wait for your call.”

“Okay.”

After a simple chat, Lin Yi hung up.

When he returned to the office, he saw Wang Cuiping sitting weakly on the chair.

“Son, it’s all thanks to you this time. Otherwise, something would have really happened. I never expected this to happen to our orphanage.”

In the past, social security and laws were not as strict as they were now. There had been a significant amount of negative news regarding orphanages.

However, over the years, supervision had become stricter, and such incidences were rare.

Moreover, for so many years, the children who left the orphanage had a good life. They were not abused, so Wang Cuiping and Zhao Quanfu let down their guard.

They had never expected such a thing to happen to them.

“Wasn’t this just a coincidence? Don’t get angry, it was just an accident,” Lin Yi comforted.

Wang Cuiping wiped her tears.

“I don’t care if it’s an accident or not. In the future, I won’t let any of the children from the orphanage out. Even if I have to eat chaff and vegetables, I’ll keep them by my side.”
