656 The Smell of Gunpowder Before the Family Banquet

Ji Qingyan walked over and helped Wang Cuiping wipe her tears.

“Aunty, don’t cry. This had nothing to do with you. No one wanted this to happen.”

“I was careless.” Wang Cuiping wiped her tears and said,

“In the future, unless their biological parents come for them, I won’t send any of them away.”

“Yes, yes, yes. I’m sure you’ll take good care of them.” Lin Yi smiled and comforted her.

“My son is rich. I can afford to raise dozens more, let alone the dozens of children I have right now.”

Zhao Quanfu handed her a piece of paper. “Why are you crying? Your son and daughter-in-law are both here. Aren’t you embarrassed?”

“One of them is my son, and the other is my daughter-in-law. Why would I be embarrassed?” Wang Cuiping said.

“Son, are you going to have dinner with Little Yue tonight? Take a good look at her partner. If his character is bad, don’t let her continue the relationship. I don’t care about you little brats, but you have to find a good family for these little girls.”

“Don’t worry about this. We’ll help you check him thoroughly. Nothing will happen to her.”

Ring!

Just as Lin Yi finished speaking, his phone rang. It was a call from Guo Ningyue.

“Brother, I’ve found the place. It’s called Langtao Sands, you should know where it is, right? Dinner is at 5:30. See you there.”

“Alright, I understand.”

Lin Yi looked at his watch and saw that it was already five o’clock.

“Mom, Ningyue called. I’ll go over and see her now.”

“Go quickly and take a good look at her boyfriend.” Wang Cuiping said, “That girl is not cunning at all. Don’t let others deceive her again.”

Ji Qingyan had a smile on her face. For all these years, she and Uncle Zhao had supported such a big welfare home. They must have been worried sick.

After saying their goodbyes, the two of them hailed a cab and headed to Langtao Sands. Ji Qingyan even touched up her makeup in the car.

It seemed like she was trying to steal the limelight.

In Yangcheng, Langtao Sands was considered a relatively high-end restaurant.

However, the management concept of this place was a little different.

Although the taste of the dishes was not bad, it was not top-notch.

Even a restaurant that was slightly inferior to it might taste slightly better.

However, its boss was someone who knew how to do business.

Because of this, eating here felt better than going to a Michelin-star restaurant.

Secondly, the most important factor to consider was that it was also expensive.

This was definitely enough.

If he treated them to a meal here, to a large extent, it would show his attitude toward them.

At this moment, there were three people standing at the door of Langtao Sands.

In addition to Guo Ningyue, there was a man and a woman.

The boy beside Guo Ningyue was half a head taller than her.

He was wearing a simple casual outfit with a Green Rolex on his hand. His hair was also permed, and he was dressed very formally.

This boy was her boyfriend, Qu Xuanhe.

Beside Qu Xuanhe was a tall girl with an exquisite face.

She was wearing a black dress, flesh-colored stockings, and black high heels. She held a limited edition LV handbag in her hand and did not say a word.

The woman's name was Qu Bing, and she was Qu Xuanhe's cousin. The two of them grew up together and had a good relationship.

This time, she discovered that Guo Ningyue had brought her younger brother to meet her brother and sister-in-law. The Qu family also attached great importance to this matter.

However, they also knew that as elders, it was not appropriate for them to attend such an occasion.

Hence, they sent Qu Bing over to support Qu Xuanhe. Otherwise, he might be bullied by everyone from the girl's side of the family.

"Do you think it's too extravagant for me to have chosen this place?" Guo Ningyue asked softly.

Qu Xuanhe turned around to take a look. "It's alright. It's not very expensive. Moreover, it's a meeting between the brother and sister-in-law. It's only right to be more formal."

“Yes, that’s what I thought,” Guo Ningyue said.

“This is the first time we’re meeting. We have to be more formal. There’s no need to be like this when we meet again.”

Qu Bing stood at the side and did not say anything. What the two of them said made sense.

“Also, don’t be sloppy. My brother and sister-in-law will be here soon,” Guo Ningyue said.

“It’s fine,” Qu Xuanhe said. “I’ve even permed my hair. Don’t I look proper enough?”

“Your posture isn’t perfect. Stop smoking. My brother and sister-in-law don’t smoke.”

“Uh, is this necessary? It’s not like I’m meeting your parents. Can’t young people be more casual with each other?”

“I just want you to leave a good impression on my brother,” Guo Ningyue said.

“Also, don’t act like a rich young master when we eat later. Keep a low profile. My brother and sister-in-law are quite rich. In any case, don’t pretend.”

“Um...”

Qu Xuanhe pursed his lips. How rich could a child who grew up in an orphanage be without the help of his parents?

Could it be that in her eyes, a well-off family was considered rich?

What kind of logic was this?

“I’ll make a call first and ask my brother when they’ll arrive.”

Because Qu Bing was joining them Guo Ningyue did not want to keep her waiting.

Qu Bing's expression was a little unnatural. She gently touched Qu Xuanhe and whispered while Guo Ningyue was on the phone,

“What’s wrong with your girlfriend? Is she trying to intimidate you?”

“Hmm? What do you mean by that?”

“She reminded you that their family is rich.”

“Didn’t you have dinner with Ningyue before? Don’t you know what kind of person she is?”

“Ningyue is indeed not bad, but the stuff she’s saying today is so unpleasant.” Qu Bing said.

“Our Qu family has been doing business for so many years, but we’ve never dared to say that we’re rich in front of outsiders. She’s obviously trying to intimidate us.”

“Well ...”

Qu Xuanhe did not know what to say. He also felt that Ningyue’s words were a little too much.

It was not that he looked down on them, but it was already pretty good even if children from orphanages did not study in famous schools.

In this society, it was probably harder for them to ascend to the heavens than to be ‘rich’.

After all, in a big city, having a few million yuan was really nothing. At most, it was just a small amount of money.

Just like what her cousin said, the Qu family did not even say that they were rich. It was even more inappropriate for Ningyue to say that.

“Alright, let’s not talk about this for now. We’re already here and we are meeting for the first time. We’re going to get married.”

“No one is stopping you from getting married.” Qu Bing said.

“But today’s meal is a little like you meeting their parents. I’ll definitely help you fight this battle. I can’t let her brother criticize you and bully you.”

Qu Xuanhe glanced at his cousin. “You dressed like this today on purpose, right?”

“How is it? I’m dressed well, right?” Qu Bing said.

“I wanted to wear black at first, but your aunt said that it would be too high-profile, so I changed to a pair of flesh-colored clothes.”

“My dear sister, you have to keep a low profile and hold your glib tongue. Today is not about business. It’s about harmony.”

“Look at what you’re saying. You make me sound like a she-devil.” Qu Bing said.

“We’re talking about the matter and not the person. If you’re too high-profile, I won’t get any words in.”

“Who can be so high-profile when they see someone with an aura as powerful as Boss Qu?” Qu Xuanhe teased.

“Hmph, as long as you know this.”

“Alright, stop talking. Ningyue is here.”

After hanging up the phone, Guo Ningyue walked over. “My brother said he’ll be here soon. There’s a traffic jam on the way. My brother and his girlfriend have been living in Zhonghai for a long time. They haven’t been back to Yangcheng for a long time, so they’re not very familiar with the road conditions here. I gave them the wrong time to start driving.”

“It’s fine. It’s just a few more minutes. It’s not a big deal.”

Qu Bing stood at the side and did not speak. He must feel superior to the locals here because he lived in Zhonghai.

Still, Yangcheng, was not bad either.

She hoped that they would not be too arrogant later.

Otherwise, she would have to say something.

657 Who Is Mr. Lin Yi?

A few minutes later, a taxi stopped in front of the restaurant. Lin Yi and Ji Qingyan alighted from it.

The Qu siblings' expressions froze in an instant.

Qu Xuanhe, 'Ningyue's sister-in-law is so good-looking?'

He had never seen such a graceful and noble aura from his cousin.

Qu Bing, 'Ningyue's brother is so handsome?'

His cold and aloof attitude was enough to shake the world!

"Brother, Sister-in-law."

When Guo Ningyue saw the two of them coming down, she went up to them and subconsciously held Ji Qingyan's arm.

"Let me introduce you. This is my brother, Lin Yi, and this is my sister-in-law, Ji Qingyan."

Then, she introduced the two of them. "Brother, Sister-in-Law, this is my boyfriend, Qu Xuanhe. This is his cousin, Qu Bing."

"Hi."

"Hi."

Both sides extended their hands to greet each other.

Qu Xuanhe secretly glanced at his cousin, feeling that she had been slapped in the face.

Guo Ningyue's sister-in-law had an extraordinary aura!

She didn't seem to be lying at all.

Qu Bing ignored Qu Xuanhe and stole a glance at Lin Yi.

Could an orphanage also nurture such a distant and cold boy?

They were both men, but why was her disappointing cousin so much worse off?

Could it be because of his parents?

Lin Yi and Ji Qingyan were not people who liked to show off, but when they came for a meal, the Qu family welcomed them at the door.

This was not bad. It meant that he cared a lot about Guo Ningyue.

All in all, the initial impression was very good.

"Brother, let's go in and talk."

"Let's go." Lin Yi nodded.

The five of them entered the restaurant one after another.

Guo Ningyue led Lin Yi and Ji Qingyan forward.

Qu Xuan pulled Qu Bing and deliberately walked in the back.

"Sis, what do you think of her brother and sister-in-law?"

"Their attitude is quite good. They don't seem to be putting on airs," Qu Bing commented.

"But from their tone and expressions, I feel that their conditions should be good."

"Even if it's not bad, it shouldn't be comparable to the Qu family." Qu Bing said.

“However, from their words and actions, coupled with their appearance, I can tell that they should be working in a relatively high-end industry. The people they interact with are all people of status. Otherwise, they wouldn’t be so free to deal with us.”

“I guess this is why Ningyue reminded me to be more proper.”

“That might be it,” Qu Bing said.

“But don’t be afraid. Although the Qu family isn’t rich, we still have some assets. Don’t let them bully you.”

Although Lin Yi was handsome, Qu Bing did not lose her head.

She could not forget the important issue.

“I can’t compete. In terms of aura, I’m definitely not as good as him.”

“Be more confident, you’re even 1.8 meters tall.”

“He’s more than 1.8 meters tall,” Qu Xuanhe said. “And Ningyue’s sister-in-law seems to be taller than you as well.”

Qu Bing rolled her eyes at her disappointing brother and complained in her heart,

“Not only is she taller than me, but she’s also bigger in places that should be bigger than me. I’m so angry. How did she develop like this?”

The siblings muttered to each other for a while and had a rough guess about Lin Yi and Ji Qingyan’s identities.

They should be high-end white-collar workers, such as a designer or pilot. They should be moderately well-off and of decent status.

However, at this level, he could not be considered rich even in Yangcheng, let alone in Zhonghai.

Guo Ningyue was really protective of her family. She even described such conditions as rich.

“Brother, I booked a table late today. I couldn’t find a private room, so we can only eat in the hall,” Guo Ningyue said apologetically.

“It doesn’t matter where we eat. We’re not outsiders,” said Ji Qingyan with a smile.

From the moment she got out of the car and saw Qu Bing, she had a feeling that today’s meal would not be simple.

It seemed that his sister-in-law could no longer be invisible.

No matter what, she had to help her sister-in-law to strengthen her reputation.

“Are... are you President Ji?”

As soon as they entered, before the five of them could take their seats, they heard someone speaking from behind them.

She turned around and saw a middle-aged man with a big belly standing behind her.

“Are you President Sun?”

Ji Qingyan still had some impression of the middle-aged man behind her, but she did not really remember who exactly he was.

They seemed to have worked together before. She could not remember the details, but she acted very natural.

This was how adults interacted. They didn’t even need to know who it was. As long as they had a rough idea, they could chat for a while.

“It really is President Ji.” The middle-aged man walked up to greet her. “Are you here to inspect the group’s Yangcheng branch?”

“I’m not here on official business. I’m here to have a meal with my sister-in-law.”

“So it’s a family banquet.” The middle-aged man smiled and said, “President Ji, it’s not often you come to Yangcheng. I’ll take care of this meal. Give me a chance to treat you.”

“You can’t do that. We’re not strangers, so you don’t have to do this.”

The middle-aged man did not continue on this topic.

“Then I won’t disturb you anymore, President Ji. If there are any projects in Yangcheng in the future, you have to take good care of me.”

“That’s for sure.”

“Alright, that’s all for now. After a while, I’ll head to Zhonghai to visit President Ji. At that time, you have to give me a chance to treat you to a meal.”

“No problem.”

After seeing the middle-aged man off, the Qu family was stunned for a while.

Although they didn’t know who the middle-aged man was, they could tell from his clothes that he was somebody significant.

Even so, he still spoke politely in front of Ningyue’s sister-in-law.

This was a little unusual!

When they arrived at the reserved seats, the five of them sat down. Lin Yi casually asked,

“Do you know that man?”

“I don’t have much of an impression of him. Last year, there was a project at the branch company. I think the green design project was outsourced to them.”

“But I really can’t remember exactly what happened.”

With that, Ji Qingyan looked at Guo Ningyue and said, "If you don't want to go to Zhonghai in the future, you can stay in Yangcheng. We have a branch company here. Just give me a call when you want to join us."

She had her own selfish motives for doing this.

She was telling the other party that their conditions were not bad and that they could not bully Lin Yi's sister in the future.

Ji Qingyan had taken the lead in this battle of wits and courage.

"Got it, Sister-in-Law." Guo Mingyue chuckled.

However, she did not catch the underlying meaning behind her words. She only felt that Ji Qingyan was being nice to her.

Similarly, Qu Xuanhe realized that the two of them were quite compatible.

Other than Lin Yi, Qu Bing also understood what she meant, but she didn't say anything.

Ji Qingyan's identity made her a little wary.

She wanted to dig deeper into this first.

The Qu family business also had a few branches, but she didn't know who's company was bigger.

Now, Qu Bing was certain that Ning Yue was not lying.

Her sister-in-law's family background was indeed not bad.

With this, the matter seemed to be clear.

Her brother was an orphan. He must have been supported by her sister-in-law to have his current life.

After all, their looks were also very compatible.

“Brother, Sister-in-law, the food here is not bad. Have some,” Qu Xuanhe said as he pushed the menu over.

“You guys can order as you like. We are free and easy about this. Anything is fine.”

Lin Yi’s expression relaxed, not paying much attention to this matter.

With Ji Qingyan around, he was no longer needed.

“Then I’ll just order whatever I want.”

“Order some fruit and add more mangoes. My brother likes to eat mangoes,” Guo Ningyue said.

“Okay.”

Qu Xuanhe flipped through the menu and was about to call the waiter when he was surprised to hear a middle-aged man say in the restaurant,

“May I know who is Mr. Lin Yi?”

658 A Wife’s Honor Depends on Her Husband

They heard someone call Lin Yi’s name.

Ji Qingyan, Guo Ningyue, and the others all turned to look at him, wanting to know what was going on.

The other customers in the restaurant paused when they heard Lin Yi’s name and looked over.

Lin Yi was also puzzled. He had never done business in Yangcheng before, so no one here should know him, right?

“That’s me.” Lin Yi raised his hand.

Seeing that someone had replied, the middle-aged man walked over with a waiter.

“We don’t know each other, do we?”

“Mr. Lin, it’s like this.” The middle-aged man smiled and said.

“Secretary Wu called us just now and said that the meal is on him. He asked us to take good care of you.”

“Secretary Wu?”

“Yes, the head of our municipal committee, Secretary Wu Zhaoyou.”

Lin Yi admired Wu Zhaoyou’s ability.

Without telling him his whereabouts, he already figured out that he was eating here. With this level of ability, it was only natural for him to become a leader.

Qu Xuanhe and Qu Bing exchanged glances.

Both of them were shocked.

The Qu family also did business, so they naturally knew who Wu Zhaoyou was, but they were not at the level where they knew him personally.

“No need, we’re just having a family banquet. There’s no need to take care of us.” Lin Yi said indifferently.

“That won’t do. Secretary Wu called me personally. We will have to serve you well. Otherwise, my shop won’t be able to operate in the future.”

As he spoke, the male boss looked at the waiter beside him. “Go upstairs and open the private room specially prepared for the city leaders. They won’t continue eating here anymore.”

The male boss’s words made Qu Bing’s heart skip a beat.

She also had her own business. When she had important guests, she would invite them here for a meal.

He also knew that there was a luxurious private room prepared for the provincial and city leaders.

However, from the beginning to the end, they had never eaten there and did not know what it was like.

However, when it came to Ningyue's brother, he had no intention of going at all, but he was still forced to move.

What exactly did he do? Why was Secretary Wu treating him like this?

Moreover, wasn't he from Zhonghai? How could he have such great influence in Yangcheng?

After thinking about it, Qu Bing still could not figure out why Ningyue's brother enjoyed such treatment.

Could it be that he had another identity?

This... this was impossible.

"Mr. Lin, the private room is ready. Let's go over now," the male boss said respectfully.

Lin Yi shrugged and looked at Ji Qingyan. "I don't think I can refuse anymore. Let's move over."

"Yes, yes." Guo Ningyue nodded and said, "The private room is more quiet."

The Qu siblings stood up nervously, especially Qu Bing. She had originally wanted to support her brother, but now it seemed that she could not even hold on herself at all!

After all, they had to reserve a table in advance before coming here while the other party was directly invited to a private room.

That was the difference in status.

However, just as Lin Yi stood up and was about to go upstairs, he suddenly saw a few middle-aged men approaching.

“Hello, may I ask if you are President Lin of Lingyun Group?” A man in a light blue shirt said.

“You know who I am?”

The middle-aged man extended his hand. “Let me introduce myself. I’m Ma Youxiang from Yangcheng North Wind Technology. I watched the entire press conference about the Chip 2.0. I’m really impressed.”

“Um...”

Lin Yi was a little surprised. Did his reputation extend to Yangcheng?

At this moment, another middle-aged man extended his hand.

“President Lin, I’m Zhao Weidong from Red Cheng Entertainment. Previously, someone maliciously shorted Didi. You were able to spend hundreds of billions to employ a counterattack. I’ve been in the industry for so many years, but I’ve never had such boldness. I was really impressed.”

Spending 100 billion...

Hearing these words, the Qu siblings were dumbfounded.

What did he do? Why was he so financially powerful?

If he really relied on the girl beside him to make a fortune, he probably wouldn’t receive such treatment.

“You’re too kind.”

Lin Yi’s expression was calm. On the other hand, Ji Qingyan was overjoyed.

Lin Yi was being praised, and she felt proud.

After a few simple words, the four of them arrived at the private room upstairs.

Although the decoration downstairs was already very exquisite, it was still far from the level of the decor upstairs.

Any one of the ornaments inside cost more than five figures. This also amazed the Qu siblings.

It was indeed a private room fit for leaders. It was completely different!

If it wasn't for Ningyue's brother, they might never have the chance to eat here in their life.

"Brother, isn't your reputation a little too impressive? You actually got Secretary Wu to personally arrange a meal for us." Qu Xuanhe asked.

"A while ago, I built a Hope School here and paved a village road. He probably wants to express his gratitude for this."

"That's very impressive. Most people wouldn't have been able to do either of those things."

Before she came, Guo Ningyue said that her brother was rich, but Qu Bing didn't believe her.

From the looks of it, this was not an exaggeration.

He really was rich, much richer than the Qu family.

However, to Qu Bing, Lin Yi's treatment was even more shocking.

In Huaxia, there were many rich people who had the money to build roads and schools, but not many of them could be treated like this by the city's head.

Brother Ningyue's identity had probably reached an unimaginable level.

"Brother, since you're so powerful, do you know Qin Han?" Qu Xuanhe asked curiously.

“Very familiar, he’s my little brother.”

Qu Xuanhe, “...”

Qu Bing, “...”

“The famous Qin Han is actually your underling?”

“He borrowed my car before.”

“Brother, you really didn’t show your true colors. I can’t believe Qin Han is your underling.”

“When you go to Zhonghai, I’ll introduce you.”

“You said it, so I’ll remember it.” Qu Xuanhe said, “When I go to Zhonghai, if anyone bullies me, I’ll mention you.”

“Don’t cause trouble for my brother and sister-in-law. They’re serious businessmen,” Guo Ningyue said.

“Hehe, I’m just joking. Don’t worry, I won’t cause trouble.”

“Alright, let’s eat first. Cousin is probably hungry too.”

“I’m fine, but there’s still your brother and sister-in-law waiting to eat. Let’s not wait anymore,” Qu Bing said.

“That’s what I was thinking.”

Then, Qu Xuanhe ordered a few dishes. The rest of the dishes were sent by the boss.

At the final checkout, he didn’t even take the money. He handled the matter very clearly.

During this meal, Qu Bing realized that she had indeed underestimated him.

Although Ningyue's brother and sister-in-law were not ordinary, they did not put on any airs. His attitude when he spoke was very kind.

Moreover, he didn't seem to have any requirements when it came to the Qu Family. All he wanted was for them to treat Ningyue well.

In the end, she even talked to Ningyue's sister-in-law about cosmetics.

In short, the meal was very pleasant.

After dinner, the group parted ways.

After returning to the hotel, Lin Yi reported the situation to Mother Wang, who was was relieved.

"Do we have any plans for tomorrow?" Ji Qingyan asked.

"Wu Zhaoyou has already invited me out. It's not good for me to leave just like that. I'll have a cup of tea with him tomorrow and take a look at the company we're going to invest in. Then, I'll go back tomorrow night."

"In that case, I'll book a flight first."

"Yeah."

The next morning, Lin Yi and Ji Qingyan visited the company they were planning to invest in before heading over to Wu Zhaoyou's place.

This trip wasn't for naught either, as Lin Yi chatted with Wu Zhaoyou about Longxin.

He asked for some targeted policies from Yangcheng, which would have a very positive impact on the future development and layout of the company.

Lin Yi and Ji Qingyan eventually returned to Jiuzhou Pavilion at around eleven in the evening.

"I've been working non-stop today. I feel like I'm about to fall apart."

When they reached home, Ji Qingyan lay on the sofa and said.

“Then I’ll give you a full-body massage. It’ll feel good and relieve your fatigue.”

Ji Qingyan dodged with a grin. “No way. You just want to take advantage of me. I know you too well.”

After getting up, Ji Qingyan went to the bathroom to take a shower. After washing up, she went to bed early.

Lin Yi returned to his room.

“F*ck, I finally have a chance to do a mission.”

659 I Like People Like You Who Like to Act Cool

Lin Yi opened the system page. The system mission was to reward a female streamer one million yuan and have them perform the Divine Dragon Tail Swing.

He didn’t pay much attention to it before, but Lin Yi felt that this mission wasn’t difficult.

Not to mention 1 million yuan, even a tip of 50,000 yuan was enough to make them call him daddy.

What more make them do the Divine Dragon Tail Swing.

He opened the Douyu app and prepared to find a female streamer to complete the mission first.

Lin Yi remembered the streamer named Zhang Xiaoyu. If he remembered correctly, she was a Douyu streamer.

However, Lin Yi did not deliberately look for her. He was prepared to find a new female streamer to do the job.

The only problem was that not all streamers knew this dance. He had to ask first.

When he opened the app, he saw a pop-up notification.

“The Little Sister Who Rides the Waves’ is in the midst of becoming popular. Hurry up and pick the Little Sister in your heart.”

“Impressive. Even this kind of thing has gained popularity.”

Nowadays, live-stream platforms had one activity after another. Activities like this were common in the Internet industry.

In order to earn popularity, one would do anything.

Lin Yi clearly remembered that a certain someone had held a live broadcast a while ago.

The reason for the event was also very strange.

It was actually to celebrate his second uncle and grandfather successfully passing their state test.

When he saw this message, Lin Yi felt disappointed with the organizers of the event.

You could really only get away with such a thing in the Internet industry.

He clicked on the notification and saw a detailed page of the event.

Lin Yi clicked on it and saw a ranking list.

He glanced at the top ten participants and felt that the female streamer ranked fifth was not bad, so he entered her live-stream room.

The female streamer’s name was Han Shuang. Her online ID was Little Kitty.

From first impressions, this female streamer named Han Shuang looked pretty good.

Her long hair draped over her shoulders and her nose bridge was high. She could be considered a beauty.

On Douyu, Han Shuang was very famous, but she had a fatal flaw.

She was a little cold, just like her name.

She would give off a distant feeling and always put on airs. It was rare to ever see her smile.

Douyu's administrators had discussed this in private.

With Han Shuang's appearance and temperament, if she was a little more lively and gave the audience just a taste of happiness, she could possibly become the top streamer on the platform.

She would not only be ranked fifth now.

"Thank you everyone for your tips. I'm already in fifth place," Han Shuang said.

"Look at our Kitty. She's still as cold as ever. She's already ranked fifth, but her emotions haven't fluctuated at all."

"Are you kidding me? Kitty is the ice goddess of Douyu. Do you think it's possible to get a smile from her?"

"Sigh, in other streamers' rooms, the viewers can decide what talent they want to see. When it comes to Kitty, it all depends on her mood. This too difficult for me."

On the Douyu streaming platform, Han Shuang was regarded as the ice goddess.

Occasionally, she would reveal a fake professional smile.

Anyone who often watched Han Shuang's live broadcast knew that she would only show a sweet smile if she was tipped more than five super rockets at one time, which was 10,000 yuan.

Because of this reason, others were used to calling Han Shuang an ice goddess.

The people who watched her live broadcast were also called professional bootlickers.

Ordinary bootlickers could not endure this treatment. Han Shuang was indeed too cold.

“Does the streamer know how to do the Divine Dragon Tail Swing?”

Han Shuang, who was streaming, suddenly saw this comment and was a little stunned.

In the business of female streamers, the Divine Dragon Tail Swing was a necessary skill. How could anyone not know it?

It was just that she would not do it easily. She would need to be gifted at least ten super rockets!

Otherwise, those poor losers would benefit.

“It’s very simple. I do,” Han Shuang answered concisely.

“Can you perform the Divine Dragon Tail Swing? I’ll reward you with a rocket later.”

He looked at the nickname of the person who spoke. It was ‘Invisible Chicken Wings’.

A look of disgust and disdain appeared on Han Shuang’s face.

Such ridiculous nicknames were usually used by greasy middle-aged people or poor people who had achieved nothing.

These damn fellows actually came to her for a free show!

Did he think she was a newbie streamer?

It was disgusting just thinking about it!

Those who were truly rich would reward first before making requests.

If she really did it, he probably wouldn't even be able to tip a shark fin!

They were all freeloaders!

Lin Yi's comments attracted ridicule.

"Brother, I think you're dreaming. You wanted to see her do the Divine Dragon Tail Swing, but you want to try to trick her?"

"Do you think the name Kitty Ice Goddess is for nothing?"

"Five super rockets in exchange for a smile. Ten rockets in exchange for a Divine Dragon Tail Swing and you are offering a rocket. Do you want to trick the divine dragon into wagging its tail? What a joke."

"Alright, alright, alright. Get out of here. Don't embarrass yourself here. I'm embarrassed for you."

"Thank you, netizens, for speaking up for me. A scammer like him should be boycotted by the entire internet." Han Shuang squeezed out a smile. This could be considered as giving back to the people in the live broadcast room.

"Oh my God, Kitty is smiling!"

"I've been watching the live broadcast for a few days and I finally saw Kitty smile."

"This wasn't easy to get. When I get my salary, I'll definitely reward you!"

Seeing the crazy comments in the live stream, Lin Yi got goosebumps.

Were these people all masochists?

Han Shuang's smile only lasted for a second before she once again showed her previous seriousness and said coldly,

"This friend is called 'Invisible Chicken Wings'. This kind of move can deceive small streamers, but it's useless in front of me. Please leave my live stream. You're not welcome here."

“Also, an ordinary rocket is not even enough to buy a smile from me. Don’t you think you’re being ridiculous?”

Lin Yi didn’t waste any time and directly turn off the live stream.

This girl was really too arrogant.

After exiting Han Shuang’s live stream, Lin Yi was no longer prepared to watch others’ live streams.

It was better to look for that person called Zhang Xiaoyu. It shouldn’t be a problem for her to act like a dragon and dance.

She continued to scroll down, but she did not find Zhang Xiaoyu on the second page.

There was nothing on page three either.

It was not until he flipped to the fourth page that he found Zhang Xiaoyu. She was ranked 78th.

This ranking was a little low.

In terms of looks, Zhang Xiaoyu was not inferior to Han Shuang.

However, Zhang Xiaoyu did not make a killing as a streamer. Although her income was good, there was still a gap between her and a top streamer like Han Shuang.

She might be waiting to make it big, but circumstances did not allow it.

Other than that, the reason why her results were not good was also related to her user base.

You could basically tell that the viewers watching Han Shuang’s live broadcast were all old perverts. They were all stupid and rich.

However, the people who watched Zhang Xiaoyu’s live broadcast were young people filled with curiosity. They liked her item review streams, but their spending power was limited.

It was already very good for her to be ranked in such a large-scale meat sale.

When he entered Zhang Xiaoyu's livestream room, Lin Yi realized that she had also followed the trend of sexiness and changed into a light gray skirt.

Most importantly, Lin Yi realized that she appeared to be much older than before.

She had probably caked herself with a few additional layers of makeup.

It seemed she was going all out for this event.

"Xiaoyu, you can't do this. Your popularity increased so much a few days ago. Why didn't you seize the opportunity?"

"Didn't I meet that handsome guy a few days ago?" Zhang Xiaoyu said.

"I originally wanted to do a live broadcast at his place during the next few days of the competition. I didn't expect him to close down. Boohoo, I'm so pitiful."

"Brother, don't cry. Stand up and continue!"

"Don't be like that. I'm a girl!" Zhang Xiaoyu cried.

"If you hadn't told me, I would have forgotten about it."

"Don't even think about getting first place. Xiaoyu is only so capable. Let's not make things difficult for her. It's not easy for her to cross-dress."

"What are you talking about? Not only do I know how to review goods, but I also have my own unique skills!"

"You have unique skills?"

"Of course." Zhang Xiaoyu said, "Let's not talk about the basics like S squatting. I'm also good at doing the dragon tail dance and so on."

“Then quickly think of a solution. Isn’t that handsome man a rich man who drives a sports car? Think of a way to contact him. He might come and tip you,” the netizen said enthusiastically.

“I heard that there’s a guaranteed contract of three million yuan for this event. Try to invest in publicity later on. If you miss it, you won’t have such a good opportunity in the future.”

“Stop fooling around. He’s so handsome and there are so many girls around him. If he wanted to watch, he would get people to perform for him live. Why would he come to watch a female streamer like me?”

“That might not be the case. There are certain rich people with unique tastes.”

“Tsk, if such a tycoon were really here, I could even perform a hundred Divine Dragon Tail Swings.”

“Xiaoyu, are you crazy? You actually want to do a hundred of them? Can your waist take it?”

“Hehehe, do you think my squats were for nothing?”

Without any warning, Zhang Xiaoyu started to ramp up her bragging.

“Not to mention 100, even 10,000 wouldn’t be a problem. I have a good waist. That’s how confident I am.”

“Hehe, Xiaoyu, I think you’re too arrogant. Be careful not to get slapped in the face.”

“It’s alright. I like to be slapped in the face and in another place, but no one ever comes to hit me. Sigh, I’m so lonely.”

Seeing Zhang Xiaoyu and the netizens’ interaction, Lin Yi smiled and muttered to himself,

“I just like people like you who act cool.”

660 I’m Just a Salted Fish!

Translator: EndlessFantasy Translation

Swoosh!

A stream of super rockets flew up in the live stream and flooded Zhang Xiaoyu's screen.

"F*ck, 100 super rockets! How exciting!"

"He's coming, he's coming, he's coming with the rockets!"

"Ten thousand Divine Dragon Tail Swings. I'll keep my word."

Zhang Xiaoyu was stunned. It was just a casual remark, but she had really exposed a hidden tycoon!

Was this the appeal of selling her flesh?

If other streamers were big and fat koi fish, she would at most be a skinny salted fish. Would anyone really be willing to watch her?

This was too embarrassing!

With the points from a hundred super rockets, Zhang Xiaoyu's popularity rushed straight up to breach the top ten list!

Although she was still a distance away from the nine people above her, this was already very eye-catching.

Then, Lin Yi sent out another hundred super rockets, and Zhang Xiaoyu's live-stream was flooded again.

However, Lin Yi was in a dilemma. One super rocket was 2,000 yuan, while 200 rockets only cost 400,000 yuan.

His money was being spent too slowly.

This time, Zhang Xiaoyu's ranking went straight to fourth place, surpassing Han Shuang!

Although Douyu was the most popular live-streaming platform on the Internet, she gained 200 super rockets in one go!

Such an incident was extremely rare on the live stream platform!

At this moment, Han Shuang's live stream was in an uproar.

“What’s going on? Why did Kitty drop to sixth place?!”

“What’s going on with that streamer called Xiaoyu? There was no such person in the top ten list just now. How did she suddenly jump to fourth place?”

Han Shuang was also a little puzzled. The competition was about to end, so how did someone suddenly race in front of her?

Although the rewards for the first place were generous, the rewards for the top five participants were not bad either. From the beginning, her main goal was to maintain a top-five slot.

Now that she was suddenly overtaken by a small streamer, she could not sit still.

“Everyone, don’t be anxious. I’ll bring you guys to her live broadcast room and you’ll find out the reason.” Han Shuang said.

“Yes, yes, yes. Let’s go over and take a look. If we find out that she’s up to no good, we’ll report her together and get her live stream permanently banned!”

Han Shuang’s thoughts were similar to that of the netizens.

If there was nothing weird happening inside, she would not have risen so quickly!

Once she got something on this girl, she would report her immediately!

Soon, Han Shuang entered Zhang Xiaoyu’s live broadcast room.

Seeing the screen full of rockets, Han Shuang was instantly dumbfounded!

Someone actually tipped her 200 super rockets!

That would have cost 400,000 yuan!

“Oh my god, cat, look. The person who tipped is called ‘Invisible Chicken Wings’. It’s the person who asked you to perform the Divine Dragon Tail Swing!”

After being reminded by the people in the live broadcast room, Han Shuang realized that it was really the person from before!

Han Shuang’s mind went blank. Her intestines tightened with regret!

If she had listened to him just now and performed the Divine Dragon Tail Swing, these 200 super rockets would have been hers!

With her current popularity, these super rockets would have been enough to help her surpass Bai Bingyu, who was in first place.

Now, it was too late.

‘I actually mocked a tycoon!

‘Am I an idiot?!

‘A total of 200 super rockets!

‘Not to mention Divine Dragon Tail Swings, if he asked me to meet in person, it would not have been a problem for me to perform it naked!’

...

At this moment, in the live-stream room number 188,888, a hot female streamer was sitting in front of her screen.

The female streamer’s name was Bai Bingyu. She was the top female streamer on Douyu. She had only been streaming for a year, but with her impressive figure, she had solidified her position as the top female streamer on the platform.

Almost no one could challenge her position.

She saw that the popularity of her live stream had already exceeded 80 million points, while the second-place streamer was still stuck at about 60 million points.

Bai Bingyu had a smile on her face. It would end in five minutes. The first place in this big event would definitely be hers.

The three million yuan bonus was nothing. The most important thing was the publicity.

“D*mn, there’s a tycoon in that live stream room. He spammed 200 super popular points in a row and launched that female streamer to the top.”

“Are you serious? I want to take a look.”

Seeing the comments on the screen, Bai Bingyu was stunned.

She quickly looked at the rankings and realized that the streamer called Xiaoyu had already rushed to fourth place!

Moreover, her popularity was still rising!

“Brothers, don’t leave. I’ll sing another song for you. Listen to me sing it well.”

“We’ll be back soon. We have to go and watch the tycoon for now.”

Bai Bingyu was furious when she saw the popularity of her live stream decreasing bit by bit.

“You people are really something. You said that you would always support me. Now, you’ve betrayed me so easily. I won’t care about you in the future anymore.”

The ordinary viewers all ran to Zhang Xiaoyu’s live stream.

However, Bai Bingyu was ultimately still the number one celebrity on the platform. She had countless hardcore fans. Even if some people left, it would not affect the overall popularity of her live stream.

She still occupied the throne of first place.

“Bingbing, don’t be afraid. That streamer called Xiaoyu can’t compare to you at all. The first place position will definitely be yours.”

Seeing that her hardcore fans were still sticking around, Bai Bingyu was relieved.

“Brothers, please help me again. I don’t want to lose at the last moment,” Bai Bingyu said coquettishly.

This was her usual method of asking for gifts. Most men would not be able to resist it.

“Stop, stop, stop, stop.”

“Don’t be afraid. Big Brother will do it now. We’ll let her know who the boss is! Do it now!”

“Thank you, Big Brother. I’ll text you on WeChat when you’re done.”

“You said it. You can’t go back on your word.”

“Don’t worry, I mean what I say,” Bai Bingyu said coquettishly.

Bai Bingyu’s lips curled into a smile when she saw the gifts in her room skyrocket.

“Hehe, a little girl who hasn’t even grown her pubic hair yet wants to fight me? What a joke!”

“What the f*ck, what’s going on? How did that female streamer, Xiaoyu, get first place?”

Seeing the rapid fire comments in the live stream, Bai Bingyu looked at the rankings again.

She was surprised to find that the woman called Xiaoyu had already jumped to first place.

“What’s going on? She was fourth just now. It hasn’t even been a minute, so how did she become first?”

Bai Bingyu was anxious. If this girl got first place in this event, many of the fans on the platform would eventually gravitate toward her.

If she did not think of a solution, she might not be able to keep her position as the top female artiste on the platform in the future!

“Brothers, quickly help me. If you help me get first place, I’ll send a private photo in the WeChat group. Please.”

“We can’t take it anymore. 400 super rockets have been spammed in the girl’s stream. We don’t have enough ammunition to fight back.”

“Today, we encountered a godly tycoon. He didn’t even give us a chance to resist!”

“Everyone, don’t be afraid. According to my estimation, 400 super rockets is the other party’s limit. The gap between us isn’t that large. If you guys keep working hard, first place will definitely be mine!”

“Aiya, in truth, I still have 200 million, but...”
