701 Meeting an Unexpected Sicko

“What’s there to be afraid of?” Yang Guangxia insisted. “If he wins, we can stand proud. If he loses, it’s not like he’ll be embarrassed. Isn’t this a good thing?”

Liang Ruoxu puffed up his cheeks and stood at the side like a punching bag.

She still felt that Yang Guangxia was bullying her.

“Then let’s do the full set,” Lin Yi said, “It’s boring to just do a single event.”

“Kid, you have courage. Haha...”

Liang Ruoxu pursed her lips. He was making a reference to Huaqing Lake massage sets.

“Old Chen, bring two Type 95s over,” Sun Zhou called out.

“Ah? Why two? Didn’t you bring one yourself?”

“To be fair, I won’t use my own gun.”

“Wait here.”

Chen Ziqiang took two Type 95s and handed them to Sun Zhou and Lin Yi.

Lin Yi took the Type 95 and weighed it in his hand. It was quite heavy.

Because of the sage’s wisdom, Lin Yi had some understanding of how to use this thing.

However, this was all theoretical knowledge. This was the first time he had really come into contact with this kind of thing.

“Let me familiarize myself with this gun first,” Lin Yi said with a smile.

“Familiarize?” Everyone was stunned. Sun Zhou asked, “You’ve never used it before?”

“I have some theoretical knowledge, but this is my first time trying it.”

“Um...”

Sun Zhou’s expression changed slightly. He felt insulted.

What was the chief trying to do? Wasn’t it a joke to compare himself to someone who had never touched a gun before?

“Lin Yi, can you really do this? Were you just bragging in front of me?”

“Of course not,” Lin Yi said, “Let me familiarize myself first, don’t panic.”

Lin Yi used the memories in his mind to split the Type 95 into several parts, then reassemble it again.

Lin Yi’s movements weren’t fast. On the contrary, he was rather slow. Even so, he was slowly memorizing the shape and assembly order of each individual part.

He even simulated the fastest possible assembly process in his mind.

Apart from that, Lin Yi also estimated internally that according to this optimized assembly sequence, he should be able to reduce the assembly time to less than 20 seconds.

However, he was unsure if he could defeat Sun Zhou.

He was the King of Guns in this garrison area. His ability was clear to see. He was not someone to be trifled with.

“Okay.” Lin Yi handed the gun to Gao Chong. “Check it. It should be fine.”

“There’s no need to check. It’s fine.”

They had all witnessed the process of Lin Yi assembling the gun.

There was no problem with the disassembly and assembly sequence, so there were naturally no mistakes to check for.

This kind of task was considered mediocre in the garrison area. Even Liang Ruoxu could do it.

However, the problem was that Lin Yi had never come into contact with these things before. He only knew some theoretical knowledge but could already disassemble it perfectly.

This was already very impressive. It was very difficult for ordinary people to do it.

This was because there was always a gap between theory and practice.

“Alright, we can start now,” Lin Yi said.

“Can you really start now?” Sun Zhou said, “Are you sure you don’t want to practice a few more times?”

“No need, it’s not a big problem,” Lin Yi said, “You’re the King of Guns in this garrison, it’s not embarrassing if I lose.”

“Then let’s start now.”

The two of them dismantled the guns and divided them into more than ten parts of various sizes. They placed them neatly on the table and prepared to assemble them shortly.

“Squad Leader, how many seconds do you think Sun Zhou will be ahead of him?”

“More than a minute,” Chen Ziqiang said.

“Huh? More than a minute?”

Chen Ziqiang nodded. “Just now, I estimated that it took him more than three minutes to assemble the gun. However, during the competition, his

speed will definitely be faster, but it is unlikely he will do it in less than a minute and a half. Sun Zhou's record is 21 seconds. I said more than a minute, but this is already a very good result."

"That seems like it is very likely."

As he spoke, Chen Ziqiang took out a timer, wanting to see if Sun Zhou could break his record.

At the same time, both of the contestants finished their preparations. Yang Guangxia asked,

"Are you ready?"

The two men nodded, their expressions intent. "Ready."

"Alright, let's begin!"

With a command, the two of them picked up the parts on the table and began to put them together.

At this moment, Lin Yi's muscles tensed up.

He followed his mental flow as he assembled the gun parts one by one.

"W-what's going on?"

Chen Ziqiang and the others were stunned.

Lin Yi's movements weren't slow at all. On the contrary, he was extremely fast.

Halfway through the competition, he was already ahead by one part.

He was at least a second faster!

Yang Guangxia tilted his head and exchanged glances with Mo Hongshan.

Lin Yi's speed was beyond their expectations.

He had only practiced once, but he was already so fast?!

That was unlikely.

“Done!”

Seeing Lin Yi put the assembled Type 95 on the table, everyone was silent.

As Sun Zhou was still missing two parts, he was almost two seconds behind.

“1-18 seconds...”

Chen Ziqiang’s eyes widened in disbelief.

“18 seconds?”

Yang Guangxia and the others were also in disbelief.

The record for the garrison area was held by Sun Zhou at 21 seconds, and this record had been laid untouched for many years.

Lin Yi actually broke it today?

Sun Zhou was dumbfounded, and his eyes became unfocused.

He had played with guns for so many years that he even wished he could hug them when he slept.

However, now, he had actually lost to a layman. This outcome was unacceptable to him.

Lin Yi’s eyes met Liang Ruoxu’s in midair. The latter smiled happily and secretly gave him a thumbs up.

“Sun Zhou, what’s wrong with you?” Gao Chong said.

The chief was still waiting for him to regain their pride. Unexpectedly, he had dropped the ball.

Sun Zhou's expression collapsed. He felt like he was suffering in silence.

He was just an ordinary person. Who would have thought that he would suddenly meet this sicko?!

"That's enough." Yang Guangxia waved his hand nonchalantly. "Next, the 50-meter fixed target."

With that, Yang Guangxia looked at Lin Yi. "Do you need to prepare this?"

"There's no need for that. Let's just start."

"Are you that confident?"

"When I was a kid, I used to shoot birds with a slingshot. The principles are pretty much the same."

"Keep bragging, kid." Yang Guangxia waved his hand. "Everyone gets ten bullets. Let's start now."

Sun Zhou took a deep breath and felt the pressure on his body multiply.

He knew that when it came to live ammunition, he would definitely win.

Still, he had lost when it came to gun assembly.

In this round, he had to do his best to get a great result. The more ahead he was, the better.

Only then could he redeem himself!

Otherwise, even if the chief didn't punish him, Brother Gao would do it.

Taking a deep breath, Sun Zhou straightened his expression and pulled the trigger.

50m fixed target competition,

The competition had officially begun!

702 May I Ask for Your Contact Information

A series of explosions sounded.

Zhang Xiaoyu and Yan Ci were so frightened that they covered their ears.

For these people who had never actually seen live shooting before, the sound was indeed a little loud.

“What’s your score?” Gao Chong asked.

“Four 9-point rings, six 10-point rings, making for a total of 96 points.”

“This result is not bad,” Yang Guangxia said.

Sun Zhou chuckled, feeling very satisfied with his results.

During training, his top score was 96 points.

It was very good that he could achieve this results today without using his personal gun.

“Brother, I’m done. It’s your turn.”

“Okay.”

Liang Ruoxu quietly walked to Lin Yi’s side. “Can you do it or not? Have you ever done this before?”

“Uh... are you talking about shooting? I’ve not shot anything in terms of combat. Normally I shoot something at ladies.”

“Can you think about the time and place? You’re still not being serious at such a time.” Liang Ruoxu rolled her eyes at Lin Yi.

“You don’t have to shoot one shot at a time like Sun Zhou, but remember, you have to place the butt of the gun on your shoulder. Although the recoil of the Type 95 isn’t that great, it’s difficult for ordinary people to withstand it. In short, don’t get injured.”

“Stop worrying. Go back and sit down.”

“I’m doing this for your own good. You really don’t know what’s good for you.”

Liang Ruoxu stood beside Yang Guangxia, feeling like a punching bag.

She didn’t want to talk to Lin Yi anymore, but she was afraid that something would happen to him. She was feeling extremely conflicted.

Lin Yi picked up the Type 95 and did as Liang Ruoxu said by placing the butt of the gun against his shoulder.

Although he looked decent, in the eyes of Sun Zhou and the others, Lin Yi’s posture was not standard.

It was impossible for him to get good results like this.

It would already be considered good if he didn’t miss the target.

Lin Yi took a deep breath. His eyes narrowed as he focused his gaze on the target 50 meters away.

With the perfect system, Lin Yi’s strength far exceeded that of ordinary people, and he could clearly see his target.

In his mind, he calculated the wind, the direction of the wind, the gravitational force, and the energy loss of the bullet during the motion.

Although many things were normally negligible, they would still affect the final outcome.

Lin Yi didn’t want to cheat his way through this. He wanted to be perfect!

Bang!

Lin Yi pulled the trigger and the bullet shot out, but his body was like a statue, totally unflinching!

He did not take any recall.

“True enough.”

Mo Hongshan thought to himself.

He was the only one who had fought with Lin Yi before, so his words carried the most weight.

Lin Yi’s body was as hard as an iron plate. The recoil of the Type 95 was nothing to him.

After the first shot, Lin Yi frowned slightly. He seemed to hit a 9-point ring, which was not ideal.

Whoosh!

Taking a deep breath, Lin Yi muttered to himself, “I’ll try another shot. That should be enough.”

Thinking of this, Lin Yi pulled the trigger again!

Bang!

Another shot. Lin Yi’s expression was calm. The outcome was as he had expected.

10 points!

Bang! Bang! Bang! Bang!

Another series of shots rang out.

Lin Yi fired faster and faster.

His speed even surpassed Sun Zhou.

“Okay, let’s see the results.”

“Brother Lin, I’ll go take a look for you.” Zhang Xiaoyu said eagerly.

Originally, this kind of thing had to be done by professionals, but this competition was just for entertainment, so the rules did not matter.

“Little girl, what’s the score?”

Zhang Xiaoyu stood in the distance and even gave a proper salute.

“One nine-point ring, one ten-point ring. The rest are missing.”

“Huh? Did he miss the target?”

“That’s normal,” Gao Chong said. “After all, he has never been in actual combat. It’s already pretty decent for him to get a 9 and a 10-pointer.”

“Hmm, that can’t be right,” Lin Yi said, “My aim is quite accurate.”

“Are you unconvinced of your loss?” Yang Guangxia said with a smile. He had finally won a round.

“No,” Lin Yi said, “Zhang Xiaoyu isn’t very experienced, I’ll go take a look myself.”

“You really won’t give up until you reach the Yellow River. Stay here. I’ll get Little Chen to check it.”

“Yes, Chief!” Chen Ziqiang said.

Chen Ziqiang quickly left, and Sun Zhou heaved a sigh of relief.

If he lost this round again, he would be too ashamed to face anyone in the future.

Although he had lost a round before this, he had regained his pride now.

There would be moving targets and flying targets later. Lin Yi would definitely not be his match, so he would not have to be scolded anymore.

“Chief,” Chen Ziqiang greeted.

“Alright, come back after you’re sure.”

Yang Guangxia looked at Lin Yi and said.

“I’ve already confirmed it. You should be convinced now, right?”

“What’s there to be proud of? You pulled the King of Guns over to compete with me. It’s not embarrassing for me to lose.”

“You’re right.” Yang Guangxia chuckled.

“You’re not even Sun Zhou’s match when it comes to fixed targets, so let’s not compete in the moving and flying targets. Otherwise, you’ll just embarrass yourself.”

Sun Zhou was smug. At least he did not embarrass the leader.

“Thank you, old man.” Lin Yi said.

“Let’s hurry up and eat. It’s already noon. I’m starving.”

“Let’s go eat.”

“Chief, wait for a moment please.” Chen Ziqiang jogged back.

“What’s wrong? Is there anything to discuss?”

“This brother didn’t miss the target just now,” Chen Ziqiang said with some difficulty.

“He didn’t miss the target? Then why are there only two bullet holes?”

“Because the rest of the bullets were fired through that hole in the 10-ring.”

As soon as these words were spoken, the expressions of everyone present became unnatural.

If that was the case, wouldn’t that prove that he had hit 99 points?

“Are you sure?”

“I really make any mistakes. This little girl didn’t check it properly.” Chen Ziqiang said with a bitter expression.

“If he really scored 99 points, he would have slightly surpassed Old Sun’s results.”

Liang Ruoxu and Yan Ci looked at Lin Yi.

The surprise in her beautiful eyes had already reached an extreme level.

This was his first time actually shooting, yet he surpassed the King of Guns in the garrison area.

What kind of person was this?

“Uh... I think I won this round again.”

“Kid, you’re really a freak. Is this really your first time shooting a target with live ammunition?”

“Really, I’ve never been to a place like this before.”

Yang Guangxia smiled bitterly. He had wanted to train him today.

He didn’t expect his subordinates to be trained by him.

What was going on?

“I don’t care about the results. I don’t want to compete anymore. Let’s hurry up and eat. I’m really hungry.”

Liang Ruoxu shook her head, not knowing whether to laugh or cry.

Lin Yi was the first person in history who dared to speak like this in front of Mr. Yang.

“Let’s go eat then.”

“Let’s go.”

Yan Ci and the others didn't plan to join the meal. There were other things to do at the station, so they couldn't waste too much time.

Even so, Lin Yi had left a deep impression on her.

This man was very different from what she had imagined.

He was already so capable, so why did he still want to be a streamer?

This was also a blow to her talent.

"Hello, may I ask for your contact information?"

Before leaving, Yan Ci asked Lin Yi.

703 A Secret Conversation

Liang Ruoxu tilted her head and glanced at Yan Ci.

Lin Yi had already covered his face like this, so why was she still asking for his contact number?

Lin Yi also looked at Yan Ci. The parts that should be big were big, and the parts that should be thin were thin.

It was not a problem for Lin Yi to give her his contact information.

Liang Ruoxu rolled her eyes and thought to herself, 'It's hard to change a dead person's mind.'

After getting Lin Yi's number, Yan Ci smiled and left with her team.

Lin Yi and Zhang Xiaoyu were then brought to the canteen.

"Where did you learn these skills? Who taught you?" Yang Guangxia asked at the dining table.

"No one taught me." Lin Yi said casually.

“You know my situation. I’m an orphan. I can’t even feed myself. How could I find the time to learn these things?”

“Don’t tell me it’s because you’re talented.”

“That’s possible. Haven’t you heard of the saying that parents worship the heavens and have boundless powers?” Lin Yi said.

“God closed one door for me, so he opened another window for me. It’s only right that I have great talent.”

“Kid, stop joking with me.” Yang Guangxia said, “I don’t think I can get anything out of you, so let’s just have a good drink today.”

After three rounds of wine and five dishes, the meal ended at two in the afternoon.

“Mr. Yang, we’ll leave first. We’ll come back another day,” Liang Ruoxu said.

“Okay, go.”

Liang Ruoxu nodded, waved goodbye to Yang Guangxia, then left.

“How is it? Are you injured?”

When they returned to base, Yang Guangxia asked.

“Chief, you can tell?” Mo Hongshan probed.

“You used your full strength, but you still weren’t his match. Lin Yi definitely used that technique. If he hadn’t admitted defeat and saved you some dignity, you would have been both injured and embarrassed.”

Mo Hongshan smiled honestly. “He’s not injured, but there are quite a few bruises on his body. Although he’s quite thin, his physical fitness is definitely top-notch. When my fist hit him, it was like punching a rock. Ordinary people don’t have this kind of physique.”

“Heh...”

Yang Guangxia laughed and muttered in his heart, "But he's not an ordinary person at all."

"Alright, I'm done here. You guys can go back first."

"Got it, Chief."

Mo Hongshan and Gao Chong walked out of the room. Yang Guangxia was sitting in a rocking chair, holding a fan and fanning himself with his eyes closed.

About ten minutes later, Yang Guangxia sat up again. He took out an old phone and dialed Liang Xianghe's number.

"You old brat, why are you calling me... Sigh, are you still regretting your move?"

It was obvious that Liang Xianghe was playing chess.

"Just now, Little Mi came to my place."

"She doesn't visit you often." Liang Xianghe said, "How's your body? Did anything happen to you?"

"I'm fine. I feel like I won't die for another eight to ten years."

"That means that kid's skills are not bad. He pulled you back from the gates of hell."

"But just now, Little Mi came with him. Then, I wanted to test his skills and find someone to train him. Guess what happened in the end?"

"Did you hurt him?" Liang Xianghe asked.

"Let me tell you, I can look past this matter, but if our Little Mi is unhappy, then it's out of my hands. Don't come pleading to me."

"Kid, what are you thinking? That's not what I wanted to discuss." Yang Guangxia said.

“Originally, I wanted to find someone to train him and see how strong his foundation was. Now, the person I selected ended up being trained by him instead. I’ve been utterly embarrassed.”

“Your men were trained?” Liang Xianghe was surprised at first, then, he laughed out loud.

“Lin Yi is actually quite powerful. This probably happened because you were careless. No matter how you feel, you need to send Little Gao out if you plan to suppress him.”

“I already sent Little Mo out, but in the end, he was still not his match. If I sent Little Gao out, he’d have been defeated in three moves.”

“What did you say? Even Little Mo wasn’t his match? Are you sure we’re talking about Mo Hongshan and not someone else?”

“Who else could it be besides him?”

“That’s unlikely. I know Little Mo’s strength. He’s an expert even on a national level. It’s impossible for him to lose to Lin Yi.”

“That’s why I called you. Lin Yi’s strength is really impressive.”

“Little Mo didn’t fight him seriously, right? If he used his full strength, he could make Lin Yi vomit blood in one move.”

“He already used his full strength, but guess what? Lin Yi knew how to exert his strength too. Little Mo couldn’t fight back at all when facing him. He was suppressed the entire time, and his body is now covered in bruises. On the other hand, Lin Yi is fine.”

“Can Lin Yi use it too?”

“Indeed, I’m certain.” Yang Guangxia said,

“That ancient method of exerting strength has been passed down from generation to generation. If no one taught him, it’d be impossible for him to learn it.”

After a few seconds of silence, Liang Xianghe said,

“So, what are you suspecting?”

“Do you think Lin Jingzhan secretly came back and taught him these things?”

“That’s unlikely. With the situation over there, it’d be difficult for him to come back.” Liang Xianghe said.

“Things would have been fine a few years ago, but he’s been in a semi-missing state all these years. If he doesn’t appear of his own volition, no one will be able to find him. Moreover, I reckon that he wouldn’t have thought that he had a son.”

“How is that woman now? Any news on her?” Yang Guangxia asked.

“Not yet. It’s as if she simply disappeared,” Liang Xianghe said deeply.

“Could she really just disappear?”

“I can’t say for sure.” Liang Xianghe sighed.

“But I don’t think it’s possible. Lin Jingzhan might not know that he had such a son, but it’d be impossible that she would give him up. Even if it was just for this son, she’d have lived well. Therefore, I can’t shake the feeling that she is still in some corner of this world, and that we just haven’t found her yet.”

“Then do you think it’s possible that she came back and taught Lin Yi this ancient method of exerting strength? After all, the Qin family was a famous family back then.”

“That’s hard to say.” Liang Xianghe said.

“I’ve learned a lot about Lin Yi from my daughter-in-law and Little Mi. Lin Yi is very shrewd and his thoughts are far more meticulous than an ordinary person’s. Even if something like this really did happen, he wouldn’t reveal anything, so it’s really hard to verify.”

“You’re right.” Yang Guangxia said.

“Alright, that’s all for now. I’ll take a nap first. I’ll call you if anything else happens.”

“Okay.”

After hanging up, Liang Xianghe fell into deep thought.

“What are you thinking about? It’s your turn.”

Opposite Liang Xianghe sat a short-haired old man on a small stool. Beside him was a pot of tea. It was Liang Xianghe’s former class monitor, Ye Futian.

Although his surname was also Lu, he was completely unrelated to Lu Xuan, one of the Four Young Masters of Beijing.

In terms of status in Huaxia, Lu Changkong was slightly superior to Liang Xianghe.

He was the one who supported Liang Xianghe in promoting the reformation of the pharmaceutical industry.

“Old Squad Leader, let me tell you something.”

“What is it?” Lu Changkong asked calmly. “Is this about Lin Jingzhan?”

Liang Xianghe shook his head. “It’s not about Lin Jingzhan. It’s about his son.”

“That kid Lin Yi has also mastered the technique to exert force in his dantian. Even Mo Hongshan lost to him.”

704 Your Pig-Like Teammate Is Online

“He knows about this too?”

Lu Changkong was surprised.

Liang Xianghe nodded. "That's why Old Yang and I suspect that the woman might have come back and told him about this technique of exerting strength."

"That's impossible. Don't make wild assumptions." Lu Changkong said.

"Although the Qin family is a big family, she doesn't know these things. It's impossible for her to teach Lin Yi. The Qin family has already declined, and the others in the family naturally wouldn't do this, so your guess can't be right."

As he spoke, he moved his chess piece. "Check."

Liang Xianghe quickly used his knight to defend and said, "Old Squad Leader, do you mean when you said he might have learned it himself?"

"This might be possible." Lu Changkong said.

"This ancient method of exerting force did not appear out of thin air. It was also developed by our predecessors. It's also possible that he could comprehend it himself."

"If that's the case, he's truly amazing."

"Well, he's Lin Jingzhan's son. It's not surprising that he would do all these things."

...

After Lin Yi and the other two left the garrison area, Zhang Xiaoyu left dejectedly.

Brother Lin had a close relationship with the mayor. Moreover, the two of them were a perfect match. She could not be a third wheel here.

"I'm surprised you gave out your contact information so easily. Are you interested in the director?" Liang Ruoxu said.

"I'm just visiting the pond. It doesn't necessarily mean I have to feed the fish. She might be useful at some point."

“You never change.”

“What am I to do? I’m wearing a mask and sunglasses, but they still can’t resist my damn charm. Sigh…”

“Eh…”

Liang Ruoxu said disdainfully, “Don’t disgust me.”

“You’d better be mindful of your lifestyle. If a repeat of what happened last time occurs, I want to see how you clean up your mess.”

“Look at what you’re saying. You’re talking as if I really did something to that woman. Be reasonable, she’s a director at the television station. She might be useful at some point,” Lin Yi said.

“Mortals like you won’t understand my good intentions.”

“Whatever, do as you see fit. Yan Ci is just a director of a TV station. Whether or not she gets any airtime is for me to decide.”

“F*ck, they say that a woman’s heart is the most poisonous. I believe it now,” Lin Yi said.

“I went to Huaqing Lake, so you asked them to close down. The director of the television station asked me for my phone number, and now you want to remove her too. You’re too jealous. It’s scary.”

“Do you think I want to worry about these things? You don’t know how to appreciate my kindness.”

“Don’t make me angry, or I might just sleep with you.”

“Don’t you dare. Do you think the guns in my house are for show?”

“You think the gun in my pants is rusty?”

“Don’t talk so much nonsense with me.” Liang Ruoxu spat.

“I’ll leave for now. I still have a lot of things to do. By the way, Uncle Chen will be taking a plane to Zhonghai tomorrow morning to hold a registration ceremony for the research and development center. If you have time, do drop by.”

“Alright, I’ll see how it goes.”

“Do as you see fit.” Liang Ruoxu tidied her hair. “I’ll be leaving first.”

Ring!

Before Lin Yi could reply, the phone in his pocket rang.

She looked at her phone and realized that it was a call from Chen Yan.

However, since Liang Ruoxu was here, Lin Yi didn’t pick up.

Chen Yan, this little girl, usually did not contact him at all.

As such, he knew that there would not be good news this time around. In order to avoid unnecessary trouble, he did his best to avoid Liang Ruoxu’s inevitable questions.

“Alright, if you have something to do, you can leave first.”

Lin Yi turned around and walked towards his car.

“Wait a minute.”

Liang Ruoxu called out to Lin Yi from behind.

“What’s wrong? Did you need me?”

“Who called you? What are you doing behind my back?”

“Does I look like I’m hiding something? You must be hallucinating.”

“Let me see who called.”

Liang Ruoxu instinctively felt that the person who called Lin Yi must be someone special.

Otherwise, there was no need to go behind her back.

“You’re really just hallucinating. It’s just a scam call. Why are you so concerned? Hurry up and go do your work.”

“Give me your phone. Let me see.”

“Um...”

Liang Ruoxu walked up to Lin Yi with her bag in hand and took his phone.

To her surprise, the person who called him was Chen Yan.

“Huh? Why did she call you for no reason?”

This made Liang Ruoxu even more suspicious. Even if there was something happening, she should have called her. Why did she call Lin Yi instead?

“Maybe it’s a misdial. It’s no big deal.”

Liang Ruoxu frowned slightly. There was indeed a possibility that she had called the wrong number, but the chances of this being the case were low.

Buzz buzz buzz!

Lin Yi’s phone rang again. It was a WeChat message from Chen Yan.

“Brother-in-law, why aren’t you answering my call? Are you busy? Call me back quickly. There’s something going on.”

“Um...”

Afraid that the air would suddenly turn quiet, Liang Ruoxu looked at Lin Yi unhappily, then handed the phone over.

“Call her back. Let me see what she wants.”

“What could she possibly want from me? She must have encountered some difficulties in her studies and now wants me to guide her.”

“Am I that gullible?” Liang Ruoxu asked.

“With her intellect, any teacher in the school could explain it to her. Does she really need to ask you?”

“Of course. Since she wants help with her questions, she has to find someone with high standards, don’t you agree?”

Liang Ruoxu glared at Lin Yi.

“You two must be up to something. Call her back first. I’ll listen to what she has to say.”

“Seriously, I’m upright and not afraid of shadows. Why would I be afraid of making this call?”

Lin Yi called Chen Yan back. As soon as the call connected, he heard Chen Yan’s chattering.

“Brother-in-Law, what are you up to? Did I disturb you?”

“No, go ahead.”

“Hehe, I’m at the airport. I’ll be boarding the plane shortly and will be in Zhonghai in two hours. Come and pick me up later.”

“Huh? Aren’t you guys flying tomorrow? Why are you coming over now?”

“Let’s go to Huaqing Lake.” Chen Yan said.

“I’m sneaking over early. Let’s play for a while. My sister won’t let me see you, so we have to be quiet. She can’t learn that I arrived at Zhonghai ahead of time.”

‘Um...’

Lin Yi shivered, feeling a murderous aura in the air.

“Child, what are you talking about? You’re a university student and the daughter of a public official. How can you casually go to Huaqing Lake? Don’t you have any shame?!”

“Um...”

Chen Yan was stunned. “Brother-in-Law, have you turned over a new leaf? When we were chatting previously, didn’t you tell me that you would bring me around Zhonghai when I visited? You also said that my sister is a busybody and definitely won’t let us go, which is why you would bring me there in secret. Why have you changed your mind? You weren’t like this in the past, so I can only assume the love has faded, right?”

705 A Weird Angle

“F*ck!”

Lin Yi cursed in his heart.

Couldn’t you have called a few minutes later?

Just as Lin Yi thought that Liang Ruoxu was about to explode, he suddenly realized that she had stopped moving.

She turned her head and saw that Liang Ruoxu’s eyes were filled with tears. Then, she quietly touched them before walking toward her car.

‘Huh? Why is this woman crying? This is very unlike her.’ Lin Yi muttered in his heart.

“Just wait. I’ll pick you up when you get here.”

Lin Yi caught up to Liang Ruoxu and got into the passenger seat just as she started the car.

“Get out. I’m leaving.” Liang Ruoxu tilted her head and said, holding back her tears.

“Why are you crying?”

“It’s none of your business.” Liang Ruoxu wiped his tears again. His eyes were red.

Her tears fell one by one, and she looked like she couldn’t stop them from pouring.

“Aren’t I just taking her to Huaqing Lake? Didn’t you know that I went there in the past?” Lin Yi said casually, “What’s the big deal?”

“I don’t want to talk to you. I’m leaving. Get out of the car.”

“Why are you leaving?” Lin Yi said, “We’re not going anymore, so why are you acting like this? Aren’t you embarrassed?”

Lin Yi really couldn’t understand. Was there a need to do this?

Women were such strange animals.

“Who cares that the two of you are going to Huaqing Lake?” Liang Ruoxu cried even more sadly.

“I was doing this for your own good. What right do you have to say that I’m nosy? You can do whatever you want in the future. You can be with whoever you want as well. I can’t control you.”

“Uh... So that’s what this is about.” Lin Yi laughed. “I was just joking. Don’t I always tease you about this as well? I was no mean than when I’m teasing you to your face.”

“That’s different.” Liang Ruoxu sobbed.

“You can say whatever you want about me in front of me, but you can’t say anything bad about me in front of other people.”

“Alright, alright. You’re already in your thirties, yet you’re still crying so bitterly. I won’t talk about you behind your back anymore. You’re the best.”

“You don’t even know what you’re saying. I don’t believe you. You might have even spoken ill of me in front of someone else.” Liang Ruoxu wiped his tears again.

“Anyway, you can do whatever you want in the future. I can’t be bothered with you. There’s no need for all this fuss.”

“Why do you sound so jealous?”

“Don’t talk nonsense. I am not.”

“Are you sure?”

“No... Boohoo...”

Before Liang Ruoxu could say anything, Lin Yi kissed her and covered her mouth.

“Boohoo...”

Liang Ruoxu punched Lin Yi’s shoulder, but she couldn’t break free.

After more than ten seconds, Liang Ruoxu suddenly gave up resisting.

Just like that, she let Lin Yi kiss her.

“Ah! Why did you bite me?”

“Who asked you to act like a hooligan?” Liang Ruoxu said while pouting angrily.

“Alright, since you bit me, we can call it even.”

“What do you mean even? How are we going to settle the matter of you acting like a hooligan?”

“Let it rest. What can you do about it? Just sue me.”

“You rascal!”

“Alright, don’t cry,” Lin Yi said, “I’m going to pick her up tonight. Are you coming along?”

“I don’t care about this.”

“You said it yourself.”

“I can’t be bothered with you.”

Lin Yi pinched Liang Ruoxu’s face. “Don’t act like you’ve been wronged.”

“Hey, watch my makeup. Be gentle.”

Lin Yi got out of the car with a smile before getting into his own car.

He looked at the time and realized that it was already past three o’clock. Judging from the time, it was about time to pick up Ji Qingyan and Chen Yan.

When he arrived at the Jiuzhou Pavilion, Lin Yi changed his clothes, then drove to the Chaoyang Group.

“What do you want to eat tonight?”

After getting into the car, Ji Qingyan asked.

“I have something on tonight, so I won’t be eating at home.”

“In that case, I won’t eat anything either,” Ji Qingyan said. “I’m on a diet.”

“You’re not fat, so why are you trying to lose weight?”

“I put on five kilograms of weight,” Ji Qingyan said exaggeratedly.

“Recently, I’ve been eating three meals a day and haven’t missed a single meal. Moreover, I haven’t practiced yoga in forever either. My weight is soaring.”

“I already realized that.”

“You can tell?” Ji Qingyan asked in a panic.

“Then it’s over. I’m sure the others can tell as well. I have to start my diet.”

“I can’t see it. I can feel it.”

“Hmm? Did you notice it when you touched my waist? I feel it too. My pants have felt a little tight recently.”

“Didn’t you notice that it’s tight when you put on your underwear as well?”

“Erm...” Ji Qingyan paused for a moment before continuing, “That’s true.”

Why was Lin Yi’s angle of observation always so weird?

“That’s why it’s important that you continue to eat your dinner.”

“You’re a pervert. It turns out you like big assets.”

“Isn’t that obvious? I don’t have any weird fetishes, so why would I like small assets?” Lin Yi said, “And from a certain point of view, both men and women are the same.”

“Huh? How can we be the same? We don’t share this organ.”

“If you have any questions about this, you can look for He Yuanyuan and ask her to answer them for you.”

“I’m not doing that. It’s definitely not anything good.”

The two of them chatted and laughed as they returned to Jiuzhou Pavilion.

Ji Qingyan did not want to eat, so Lin Yi made her a fat-loss meal before leaving.

When they arrived at the airport, Lin Yi looked around. It was quite a coincidence that this was Liang Jinming's Xinhua Airlines.

Just as he parked the car, he received a call from Chen Yan.

"Brother-in-Law, have you arrived? We've already disembarked the plane."

"I just got here," Lin Yi said, "But what do you mean by we?"

"Uh, I forgot to tell you just now. Two of my classmates came with me."

"Why didn't you say so earlier?"

"It doesn't matter if I said it earlier or later. It'll be fine all the same." Chen Yan said with a smile.

"We're almost at the terminal. I'll see you there."

"Okay."

After hanging up, Lin Yi called Liang Jinming.

"Liang, where are you?"

"I'm at the company. What's the matter, Brother Lin?"

"Xinhua Airlines is yours, right?"

"Right."

"Can you get me a car? I need to pick up a few people."

"Brother Lin, are they beauties?"

"Of course. When have I ever picked up ugly women?"

"Brother Lin is mighty!" Liang Jinming said, "I'll go over now. Oh right, can I also try my luck?"

“Brother, I can create an opportunity for you, but whether you are successful or not will depend on your own ability.” Lin Yi said.

“Also, let me tell you something. If you can take her down, you will be bringing great honor to the Liang family. From then on, you will be the boss of the four young masters of Zhonghai. The three of us won’t be able to compare to you.”

“What the f*ck, is this for real? It must be a high-level target this time.” Liang Jinming said, “Who is this girl?”
