

## **Real Daughter 131**

### Chapter 131 Too Scheming

After separating from Lu Yan, Lin Yin did not return to the Su Family immediately.

After seeing Lu Yue today, Lin Yin couldn't wait to ask Gong Ze if there was a misunderstanding between them back then.

Lin Yin thought for a moment and found Gong Ze's contact number on her phone. She called him.

"Lin Yin?"

!!

Gong Ze sounded a little surprised. It was obvious that he did not expect Lin Yin to take the initiative to contact him.

"What's wrong? What's the matter?" Gong Ze's voice was filled with concern and anticipation.

"Do you have time? I want to talk to you about Lu Yan."

Lin Yin's tone was calm. Gong Ze paused and his voice came from the phone.

"Okay, send me the location. See you later."

After hanging up, Lin Yin found a café and sent the location to Gong Ze. She sat there and waited for him.

In less than ten minutes, Gong Ze appeared at the entrance of the café.

“Sorry, you’ve been waiting for a long time, right?”

Gong Ze was wearing a dark gray sweater jacket and black jeans. He looked very casual, but he looked much friendlier than usual.

“Not long. I ordered two glasses of lemon water. Do you need anything else?”

Lin Yin had a good impression of Gong Ze. He was not as irritable and cold as the rumors said. In Lin Yin’s eyes, Gong Ze was a straightforward boy.

“No need.” Gong Ze sat opposite Lin Yin, his eyes a little nervous. He took a sip of lemonade and asked, “What’s the matter regarding Lu Yan?”

Lin Yin had talked to Gong Ze about Lu Yan before, so she didn’t beat around the bush and asked directly, “I heard you mention Lu Yan’s cousins last time. Are you still in contact with them?”

Gong Ze shook his head and explained, “The school we’re attending is different. We don’t contact each other much. We just greet each other if we meet each other.”

Lin Yin was secretly happy. It seemed like her guess was correct. Lin Yin stared into Gong Ze’s eyes and asked, “Have you been with Lu Yue?”

“What?” Gong Ze did not understand Lin Yin’s words. He frowned slightly and confirmed, “Lu Yue? Why would I be with her?”

When Lin Yin heard the answer she wanted, she felt a little upset. It was clearly a misunderstanding, but it had troubled Lu Yan for so long.

“I heard from Lu Yan that you were with Lu Yue in junior high school.” Before Lin Yin could finish speaking, Gong Ze interrupted her.

“Why did that girl Lu Yan slander me like this? She could have misunderstood me to be with anyone, but it had to be Lu Yue.”

Gong Ze already had a bad impression of Lu Yue. When he heard Lin Yin’s words, he felt even more disgusted.

“Maybe she didn’t misunderstand.” Lin Yin wanted to know the truth and continued to ask, “When you were in junior high, did you get close to Lu Yue for a period of time?”

Gong Ze’s expression was ugly. He hated being misunderstood by Lin Yin. When he heard Lin Yin’s question, he started to recall carefully.

“There really seems to be a period of time like this.” Gong Ze sighed. “Lu Yue kept telling me about Lu Yan for a while. I was worried about Lu Yan, so I talked to her more during that period of time.”

As soon as Gong Ze finished speaking, he immediately added, “But not long after, I found her too annoying and said a few harsh words to her. I said that she was quite disgusting for always following me. After that, she stopped pestering me.”

When Lin Yin heard Gong Ze’s words, her heart trembled. Lu Yue was really amazing. She could actually twist the truth to this extent. It was clearly Gong Ze who disliked her, but she could actually think of a way to make Lu Yan misunderstand. Lin Yin thought of Lu Yue’s face and couldn’t help but grit her teeth.

Gong Ze noticed Lin Yin’s increasingly cold expression and asked guiltily, “Lin Yin, what did Lu Yan tell you? Why did she think that I was with Lu Yue?”

“Lu Yan has always thought that you hate her.” Lin Yin’s tone was very calm, but she already had a plan in her heart. She had to make Lu Yue pay the price for her actions.

“I hate her?” Gong Ze looked shocked. He shook his head and said to Lin Yin, “She’s the one who hates me, right?”

“I heard from the servants of the Lu Family that Lu Yan threw away all the things I gave her. Moreover, she threw the breakfast I usually gave her into the trash can.”

Gong Ze suddenly recalled many things from the past and his tone was a little lonely. “Lu Yan was very abnormal at that time. She was clearly so obedient in the past, but later on, she always went against me. Could it be because she thought I liked Lu Yue?”

Chapter 132 Misunderstanding Resolved

Lin Yin shook her head and said to Gong Ze, “I think there are many misunderstandings between the two of you. It’s best if you talk to each other face to face.”

Gong Ze sighed. “I want to, but that girl Lu Yan looks like a hedgehog when she sees me. It doesn’t make sense at all.”

“It’s because of this that you two fools have been deceived for almost three years...”

Lin Yin knew that Lu Yan and Gong Ze were not good with words, but if Lu Yue had not interfered, the two of them would not have come to this point.

!!

Seeing that Gong Ze was still a little confused, Lin Yin explained patiently, “Lu Yue and Lu Yan said that you hate her very much and even said that you two are together. Think about it carefully. Did you not realize that you were used by her?”

Gong Ze had always been slow when it came to relationships. In his eyes, if they were on good terms, they would be together. If they were not on good terms, they would fight. There were no such schemes and plots.

“F\*ck, the reason why Lu Yan changed so much is because she thinks I hate her?” Gong Ze was originally very angry, but for some reason, his mood suddenly plummeted.

“You can say that. Lu Yue has actually been bullying her. Lu Yan is timid. It can be understood that this is a way for her to protect herself.”

Lin Yin knew that Lu Yan’s dark punk outfits were just to hide her true self.

Gong Ze did not speak for a long time. After calming down, he slowly raised his head and said with a bitter voice, “My mother even asked me to protect Lu Yan well. What was I thinking at that time?!”

Lin Yin could tell that Gong Ze was blaming himself. He had always treated Lu Yan’s abnormality as the little girl’s rebellion, but he did not expect that all of this was related to him.

“It’s not your fault. Lu Yue must have done a lot of things you don’t know about. Otherwise, the misunderstanding between you and Lu Yan wouldn’t be so deep.”

Lin Yin could tell that Lu Yue was a very scheming girl. Lu Yan and Gong Ze were simple and were not her match at all.

“I just hate Lu Yue, but I didn’t expect her to treat Lu Yan so badly. If she wasn’t Lu Yan’s sister back then, I wouldn’t have bothered with her.”

Gong Ze regretted it now. He really wanted to go back in time and protect Lu Yan again.

“It’s fine. I’ll arrange for you to meet Lu Yan tomorrow. You two can have a good talk and the misunderstanding will be resolved.”

Lin Yin was very glad that Lu Yan was willing to tell her about the past. Otherwise, she didn’t know how long Lu Yan would be down because of these groundless things.

The next morning, Lin Yin arranged to meet Lu Yan at Shenglin Bay. Of course, she also brought Gong Ze along.

Lu Yan was a little surprised to see Gong Ze. She had always been a little resistant to interacting with Gong Ze, but Lin Yin did not give the two of them a chance to quarrel.

“Lu Yan, there are many misunderstandings between you and Gong Ze. Believe me, you two can have a good talk. There will be a conclusion soon.”

Lin Yin gestured for the two of them to enter the living room alone to chat while she turned into the garden.

“Hello, Miss Lin Yin.”

Aunt Song was resting in the garden. When she saw Lin Yin walk in, she smiled and stood up to welcome her.

“Aunt Song, the flowers in this garden are all so beautiful.”

Lin Yin had already become a frequent visitor to Shenglin Bay and her relationship with Aunt Song had become much closer.

“Although President Lu doesn’t enter the garden much, I’m also taking care of it carefully. I hope the future mistress of Shenglin Wan will like it.”

Aunt Song could tell that Lu Ming treated Lin Yin very differently, so she paid more attention to her.

“They’ll like it. It’s beautiful here.”

Lin Yin was attracted by the colorful flowers and did not notice the deeper meaning in Aunt Song’s words.

“CEO Lu is usually busy with work. Sometimes, he doesn’t eat properly at all.” Aunt Song looked at Lin Yin’s face that was even more moving than a flower and was happy. “Miss Lin Yin, can you do me a favor?”

“Go ahead.”

Aunt Song smiled and said, “Can I trouble Miss Lin Yin to send the prepared lunch to President Lu later? He never eats the food when the servants bring it over.”

Lin Yin was in a difficult position. Although Lu Ming treated her very well, Lin Yin felt that the two of them were not close enough for her to naturally deliver lunch to Lu Ming.

“CEO Lu’s stomach isn’t too good, so he’s more at ease with the things prepared at home. Miss Lin Yin, please make a trip.”

Seeing Aunt Song’s expectant expression, Lin Yin couldn’t refuse. Aunt Song had been taking good care of her while she was in Shenglin Bay.

“Alright, leave it to me when you’re done.”

Hearing Lin Yin’s answer, Aunt Song smiled happily.

Chapter 133 Send Him Food

“Thank you, Miss Lin Yin. I’ll go to the kitchen to take a look. I’ll bring it to you when it’s ready.”

Lin Yin sat in the garden for a while. When she saw Lu Yan and Gong Ze walking out of the living room, she stood up to welcome them.

“We’re done. How was your conversation?”

Lin Yin looked at the two of them, who were clearly in low spirits, and comforted them. “Alright, let’s forget about the past. Don’t be like enemies the moment you meet again.”

!!

Lu Yan's eyes were a little red. She must have just cried. Due to Lin Yin's influence, Lu Yan no longer wore makeup like before. She looked a little aggrieved now and looked more like a little girl.

"Lu Yue is simply a bastard!" Lu Yan asked Gong Ze about the many things that had upset her for a long time, but Gong Ze was completely unaware.

"She pretended to be close to Gong Ze in front of me and even deliberately told me that he hated me."

Lu Yan sniffled and bumped Gong Ze beside her with her arm. "You're also an idiot. You think I'm angry with you and you ignored me."

Gong Ze and Lu Yan talked about many things in the past. In the end, they realized that the two people who were originally concerned about each other thought that they hated each other under Lu Yue's deliberate schemes.

"Aren't you the same? We're both idiots. We misunderstood each other for so long..."

Gong Ze sighed and said to Lin Yin, "Thank you, Lin Yin. I was already a little slow in this aspect. If it weren't for you, I would have foolishly thought that Lu Yan deliberately distanced herself from me. Now that I think about it, it's really ridiculous."

"It's good that the misunderstanding has been resolved." Lin Yin relaxed a little when she saw the two of them reconciled. "Next, we'll settle scores with Lu Yue and make her pay for what she did."

"But we don't have evidence either. It's been too long." Lu Yan wanted Lu Yue to be punished more than anyone else, but Lu Yue was still a member of the Lu Family after all. She didn't know what to do.

"There's no need for evidence. It's actually very simple to punish someone."

Lin Yin's eyes were dark. Lu Yan and Gong Ze couldn't help but shiver.

“Miss Lin Yin, CEO Lu’s lunch is ready. The driver is waiting for you at the entrance.”

Aunt Song walked out of the kitchen and handed an exquisite meal box to Lin Yin.

“Lin Yin, are you going to deliver food to my little uncle?”

When Lu Yan heard Aunt Song’s words, her eyes widened in surprise.

Lin Yin nodded helplessly. Gong Ze was a little puzzled. “Why are you bringing him food?”

Before Lin Yin could answer, Lu Yan pulled Gong Ze in as she spoke. “Go quickly. Gong Ze and I are fine now.”

Looking at the two of them leave, Lin Yin smiled. It seemed that the problem between them had been resolved.

In the house, Lu Yan watched from the window as Lin Yin left in the car. A sly smile appeared on her face.

“What’s your uncle’s relationship with Lin Yin? They seemed to be very familiar with each other at the birthday party last time.”

Gong Ze was a little unhappy to be interrupted by Lu Yan. He felt that Lin Yin and Lu Ming’s relationship was probably not that simple.

“It’s hard to say what their relationship is. Anyway, if you want to woo Lin Yin, I think you have no chance.” Lu Yan could tell that Gong Ze had a good impression of Lin Yin.

“What nonsense are you talking about?” Gong Ze was a little embarrassed. “I’m just worried that Lin Yin will be deceived.”

“You mean to say that my little uncle is a liar?”

Hearing Lu Yan’s words, Gong Ze hurriedly explained, “Of course not. I, I just feel that the age difference between them is a little too big...”

In Gong Ze’s heart, Lu Ming was a very successful person. He had a reliable personality and was extremely capable at work. However, he had always treated him as an elder and did not think that he would have anything to do with Lin Yin.

“What era are we in? Age isn’t a problem.”

Lu Yan originally did not think that Lu Ming and Lin Yin were suitable, but when she thought about how Lin Yin might marry into the Lu Family in the future, she could not help but be happy. With Lin Yin standing with her, who would dare to make things difficult for her in the future?

Lin Yin, who had arrived at Lu Ming’s company, still did not know that in Lu Yan’s heart, she had already become her soon-to-be aunt.

This was the first time Lin Yin had come to Lu Ming’s company.

“When will Jiang Chen and my company reach this scale?” She sighed softly.

Lin Yin was very confident. In her previous life, Jiang Chen had used less than a year to successfully let the entire country see his shocking business acumen. It shouldn’t be long before their company improved.

“Hello, do you have an appointment?”

When the receptionist saw that Lin Yin was dressed extraordinarily, although she was curious about her identity, she did not dare to be negligent.

Chapter 134 Unexpected Surprise

When Lin Yin heard the receptionist's words, she thought for a moment and called Lu Ming.

"What's wrong? What's the matter?"

Lu Ming's voice came from the phone after two rings.

"Um, I'm on the first floor of your company. Can you get Assistant Shen to pick me up?"

"Okay, wait a moment. Someone will be down soon."

Lu Ming's voice was obviously surprised. Lin Yin hung up and sat on the sofa under the lead of the receptionist.

"Have some water and wait." The receptionist was very polite to Lin Yin. After all, a person who could get Assistant Shen to come down to welcome her must not be that simple.

However, the receptionist did not expect that in less than ten minutes, the person who rushed down from the CEO's private elevator was Lu Ming himself.

"Little Yin, you've been waiting for a long time, right? I was in a meeting just now."

Lin Yin got up from the sofa. Seeing that Lu Ming was obviously anxious, she said slowly, "Not long. Aunt Song asked me to bring you lunch."

Lin Yin shook the lunch box in her hand gently, and a look of surprise appeared on Lu Ming's face.

"Let's go upstairs first."

Lu Ming happily brought Lin Yin upstairs. Many employees looked at them curiously and secretly guessed Lin Yin's identity.

“Oh my god, thank goodness I’m smart. That young lady is obviously not an ordinary person.” The receptionist who had just received Lin Yin heaved a sigh of relief. From the looks of it, if she dared to neglect Lin Yin, wouldn’t she be chased out of the company immediately?

“That’s right. I’ve worked for the Lu Corporation for three years, but I’ve never seen President Lu so gentle.” An employee who was present just now chimed in from the front desk. “Could that young lady be President Lu’s girlfriend?”

“No way?” The receptionist was a little surprised. The young lady just now looked to be about 17 years old, but when she thought of her fairy-like face, she was a little suspicious. “President Lu can’t be so beastly, right? That girl just became an adult, right?”

“Alright, stop talking nonsense. Let’s just do our jobs. It’s best not to interfere in the boss’s matters.” The employee who spoke to him did not dare to continue discussing Lu Ming’s private matters. After all, everyone had experienced Lu Ming’s temper.

Lin Yin followed Lu Ming into the president’s office.

“Sit.” Lu Ming took the lunch box from Lin Yin’s hand and gestured for her to sit on the sofa.

“Hurry up and eat.” Lin Yin helped Lu Ming open the lunch box and carefully placed the cutlery aside.

Lu Ming looked at Lin Yin, who was concerned about him, and his heart throbbed inexplicably. Although the young lady was young, she was very serious about taking care of others.

“Lin Yin, you...” Lu Ming hesitated. Looking at Lin Yin’s still young face, he swallowed the words he was about to say.

“Thank you for coming.” Lu Ming picked up the cutlery and felt that the food in front of him was much tastier than usual.

Lin Yin sat at the side awkwardly, feeling that the atmosphere between the two of them was a little unclear.

“Aunt Song is very worried about your health. She was afraid that you wouldn’t eat on time, so she asked me to send food over.”

Lin Yin explained deliberately. She felt that Lu Ming was looking at her strangely.

“Got it. I’ll eat well in the future.”

Lin Yin felt that Lu Ming was no longer as serious and cold as usual. He really looked like a big brother next door.

As Lu Ming ate, Lin Yin sat silently at the side.

Lu Ming ate elegantly, making people look over. Under his slender fingers, the simple cutlery looked much more exquisite and expensive.

Lu Ming quickly finished his food. Lin Yin realized that she had been staring at him for a long time and turned her head away in embarrassment.

Thinking of Lu Yan, Lin Yin coughed lightly and said to Lu Ming, “You told me about Lu Yan before. I’ve already figured it out.”

Hearing Lin Yin’s words, Lu Ming’s expression became a little more serious. He put down the cutlery in his hand and slowly asked, “Why did Little Yan become like this?”

“Lu Yue and Lu Xiao.” Lin Yin did not hide it from Lu Ming. She felt that compared to the twins, Lu Ming clearly cared more about Lu Yan.

“They affected Lu Yan’s childhood greatly.” Lin Yin could tell that Lu Ming was clearly a little angry and added, “Especially Lu Yue. She did a lot of things to hurt Lu Yan when she was in school.”

Lu Ming's expression was very ugly. It would have been fine if it were anyone else. After all, Lu Yue and Lu Xiao were also children of the Lu Family. As an elder, he could not educate them too severely.

"Little Yan should learn to be stronger. Only then can she protect herself."

Chapter 135 Can't Be Hasty

Lu Ming had experienced too much. He knew the dark side of this world. No one's protection was meticulous. Only one's own strength was the most stable insurance.

"But now, I hope Lu Yue can be punished accordingly." Lin Yin and Lu Ming had different thoughts. If they dared to hurt her friend, they had to be prepared to be her enemy.

Lu Ming looked at the girl's serious expression and did not refuse. Instead, he asked in a low voice, "What do you want me to do?"

Lin Yin shook her head. "I don't need your help. Lu Yue is your niece after all."

!!

Lin Yin knew that Lu Ming would not target Lu Yue and Lu Xiao just because of a child's conflict, so she did not intend to let Lu Ming do it.

"I only hope that when I really confront Lu Yue and Lu Xiao, you can believe me and choose to stand on my and Lu Yan's side."

Lu Ming looked at the serious girl in front of him and could not help but smile.

It seemed like Lin Yin had underestimated her place in her heart. Perhaps even Lu Ming did not realize that he had already completely sided with Lin Yin.

“Sure. As long as it’s not too serious, if my brother makes a move, I won’t hesitate to protect you.”

Lu Ming knew what Lin Yin was really worried about. As an outsider, she would probably be the one with the worst outcome if she participated in the Lu Family’s dispute, especially Lu Yue and Lu Xiao’s father, Lu Zheng. He was definitely not easy to deal with.

Lin Yin admired Lu Ming’s intelligence. It was easy for her to talk to him.

“That’s good. Uncle, I’ll let Lu Yan grow up. She won’t be at the mercy of others in the future.”

Lin Yin and Lu Ming had the same goal. They were all thinking for Lu Yan.

“Actually, you don’t have to be so stressed. If you have anything to say, tell me in time.”

Lu Ming felt that Lin Yin had a maturity and calmness that was different from children her age, but it was this feeling that made Lu Ming even more curious about Lin Yin’s past. What kind of experience could make a young girl who had just reached adulthood have such a brain?

“Okay, I understand.” Seeing that Lu Ming had finished eating, Lin Yin got up and put away the lunch box. “Then I’ll go back first. Uncle, take care of yourself.”

“I’ll send you down.” Lu Ming stood up with Lin Yin, but she stopped him. “No need, Uncle. Go ahead. I’ll go down myself.”

Lin Yin rejected Lu Ming and left the CEO’s office alone.

The huge office seemed to have become even colder because of Lin Yin’s departure. Lu Ming sat back in his office chair, reluctant to let the girl leave. If only she could stay by his side.

Lu Ming resisted the urge to call Lin Yin back and looked at the document again. He couldn’t be anxious yet. The little girl was still in school. They would have plenty of opportunities to get along in the future.

Lin Yin drove on the road in the Lu Family's car. There were many people on the commercial street, and the driver's speed was not very fast.

"I have something on. Just stop here."

Lin Yin saw two familiar figures in the western restaurant and got out of the car by the roadside.

Lin Yin approached carefully and frowned when she saw the two girls in the French window. "Why are the two of them together?"

In a high-end western restaurant, there were two girls sitting by the window. One of them had exquisite makeup and an arrogant attitude. The other was actually Su Fei.

The two people that Lin Yin felt did not know each other were sitting together at this moment. After thinking for a while, Lin Yin entered a grocery store on the street and bought a black cap and black-framed glasses. She changed her appearance briefly and entered the Western restaurant where Lu Yue and Su Fei were. While they were not paying attention, she found a seat close to them and sat down.

Lin Yin was already wearing casual clothes. If she disguised herself simply and one did not look too closely, they would not be able to recognize her. Lin Yin sat behind Su Fei. Lu Yue was not familiar with her, so it was even harder for her to recognize her.

The dining room was very quiet. Lin Yin could roughly hear their conversation.

"I'm really happy that Miss Lu Yue called me out." Su Fei's tone was a little excited. When she received Lu Yue's call, she did not believe it at first, but when she saw Lu Yue in front of her, she could not help but feel excited. Lin Yin and Lu Yan were on good terms. If she could build a good relationship with Lu Yue, would she have a chance to get close to Lu Ming?

"Oh, I know your sister, Lin Yin." Lu Yue observed Su Fei's expression carefully. She could tell that Su Fei and Lin Yin were two completely different types of people.

When Su Fei heard Lin Yin's name, her body clearly stiffened, but she quickly covered it with a smile. "Really? My sister is much better than me, and there are many people who know her."

#### Chapter 136 Common Enemy

"You don't seem to have a good relationship with your sister, do you?"

Lu Yue had heard of the joke at the Su Family's birthday party. She knew that Su Fei must have a grudge against Lin Yin, but she just couldn't resist. After all, Lin Yin didn't look easy to deal with at all.

"No, actually, it's quite good. Dad and Mom treat me very well, but my sister has a bad temper and is too extreme. Her attitude towards me is usually worse," Su Fei said without changing her expression. Lin Yin, who was behind the seat, couldn't help but snort. It seemed like Su Fei had slandered her a lot outside.

Lu Yue was also a smart person. She could tell what Su Fei was thinking, but she did not care at all. As long as they all hated Lin Yin, that was enough.

"Really? If you two sisters are so close, I don't have to talk to you anymore. My impression of Lin Yin isn't that good."

Lu Yue said this on purpose. She had long known that they were on bad terms, so there was no need to hide her hostility towards Lin Yin.

Su Fei's eyes lit up. She pretended to be concerned and asked, "Did my sister offend Miss Lu in any way? I apologize on her behalf. After all, she was born in the slums. It's normal for her to not know the rules."

Hearing Su Fei's words, Lu Yue could not help but smile. It seemed that this girl who was pretending to be weak was not such an innocent person.

It seemed like she had been speaking up for Lin Yin, but she had actually slandered her. However, this was good. Lu Yue was still worried that Su Fei would be too stupid and affect her plan. It seemed like she was a good partner.

“Teach her the rules if she doesn’t know them. Do you think I’m right?”

Lu Yue thought of Lin Yin acting high and mighty in front of her and wanted to throw her to the ground.

Like Lu Yan, she was always an eyesore. From a young age, the elders had always seen Lu Yan. Lu Yue was jealous of her. Everyone thought that Lu Yan was obedient and cute, but no matter how hard she tried, she would always be ignored.

Therefore, she had always treated Lu Yan as a servant. However, she did not expect that as Lu Yan grew up, she would start to break free from her control. What Lu Yue could not accept the most was that Lu Yan actually became closer and closer to Gong Ze, whom she had a crush on for many years.

Looking at Lu Yan who was with Gong Ze, Lu Yue was simply crazy with jealousy. She used Gong Ze’s concern for Lu Yan to deliberately approach Gong Ze. In the end, that fool Lu Yan really believed her lie and misunderstood Gong Ze.

Lu Yue did not feel guilty at all. Seeing Lu Yan give up on herself, Lu Yue felt happy. However, that Lin Yin was too much of an eyesore. Her appearance began to change Lu Yan. It was impossible for Lu Yue to ignore this. She wanted to push Lin Yin into the abyss before Lu Yan changed.

“Of course Miss Lu is right, but I don’t dare to offend Sister Lin Yin.” Su Fei was testing Lu Yue. If she couldn’t deal with Lin Yin, she didn’t believe that the Lu Family couldn’t deal with Lin Yin.

“It’s good that I understand what you mean.” Lu Yue understood Su Fei’s thoughts. Just like how she hated Lu Yan, Lin Yin was so beautiful that Su Fei could not help but be jealous. Lu Yue took a sip of the fruit juice on the table and asked slowly with a smile, “I heard that you were in contact with Brother Yue Chi?”

Su Fei was a little surprised. She did not expect Lu Yue to know so much.

“Yes, Young Master Yue wants me to ask Sister out to meet her, but Sister and I have some misunderstandings now. How can she be willing to listen to me?”

Lu Yue heard a satisfied answer. As long as Su Fei also wanted to trick Lin Yin out, everything would be easy.

“I was also entrusted by Brother Yue Chi. I didn’t expect Lin Yin to be so arrogant.” Lu Yue’s slender fingers gently brushed across the edge of the cup. “It seems like she won’t come out even if we invite her.”

Su Fei’s eyes were a little excited, and her voice became louder. “Miss Lu, I’ll do my best to cooperate with you and try to let Sister meet Young Master Yue.”

Looking at Su Fei, who was obviously impatient, Lu Yue continued, “Since you’re so sensible, everything will be easy. Tomorrow night, think of a way to trick Lin Yin to the largest entertainment club in Xin City. I’ll arrange it in advance. As long as she goes in, she can forget about coming out alive.”

The smile on Lu Yue’s face was a little exaggerated. Her lips were thin to begin with, and when she smiled, they became a crack, making her look a little unsettling.

Su Fei was a little worried. She had already seen Lin Yin’s methods. The current Lin Yin was not so easy to fool.

However, she was unwilling to give up this opportunity no matter what. If she could work with Lu Yue, her chances of winning would be higher. It would only be more difficult for her to deal with Lin Yin alone.

Chapter 137 Deliberately Hooked

“Alright, I’ll do everything I can to deceive Lin Yin tonight. I’ll leave the rest to Miss Lu.”

Lin Yin only slowly sat up straight after Su Fei and Lu Yue left.

“These two people are really like each other...”

A trace of coldness flashed across Lin Yin's eyes. She was originally worried about how to find Yue Chi, but she didn't expect him to come knocking on her door. It saved her the trouble. The people she wanted to deal with were all gathered together.

!!

Su Fei and Lu Yue actually planned to give her to Yue Chi. Lin Yin did not understand. She had only interacted with Lu Yue twice, but she was actually trying so hard to harm her. It seemed that some people were really born evil.

Lin Yin knew that it was not so easy to take revenge on Yue Chi. Only by finding irreversible evidence would Yue Chi receive the punishment he deserved.

It seemed like she could only take the risk herself to find Yue Chi's flaw.

Lin Yin remembered Yue Chi's perverted hobbies in her previous life. There should be some videos of the victimized girls on his computer and phone. As long as she found this evidence, she would have a chance to overthrow Yue Chi.

Lin Yin prepared some small self-defense supplies and went to the pharmacy to buy some laxatives. She made up her mind to meet Yue Chi tonight.

When they returned to the Su Family, Su Fei welcomed Lin Yin warmly as soon as she entered.

"Sister, why are you only back now?" Su Fei held Lin Yin's hand fawningly, but Lin Yin shook her off.

"What's the matter?"

Lin Yin's tone was cold. She was looking forward to Su Fei's next performance. Lin Yin wanted to know what Su Fei would do to trick her into going to the entertainment club.

“Sister, I heard from Shi Dai that Yang Xue seems to have been working at the largest entertainment club in Xin City recently. Do you know?”

Lin Yin observed Su Fei’s expression, wanting to determine if she was lying.

“Really?” Lin Yin didn’t know if what Su Fei said was true, but she had planned to go along with Su Fei.

“Yes, Yang Xue’s family background is average. She seems to earn a lot from working there.” Seeing that Lin Yin was a little curious, Su Fei hurriedly pretended to be concerned. “But it’s quite chaotic there. Aren’t you on good terms with her? I’ll accompany you to take a look tonight. It won’t be good if a girl like her gets into trouble.”

Lin Yin raised her eyebrows slightly. She felt that Su Fei was still very stupid. If she hadn’t deliberately fallen for it, how could she have deceived her?

“Then I’ll call Lu Yan and Gong Ze along.” Lin Yin took out her phone, but Su Fei hurriedly stopped her.

“It’s best not to call them. Yang Xue is a girl after all. The fewer people who know about her working at the club, the better.”

Su Fei’s panic was completely exposed to Lin Yin.

“Alright, I’ll go with you tonight.” Lin Yin saw the obvious joy in Su Fei’s eyes and did not understand how she had been deceived by this fool in her previous life.

At night, Lin Yin followed the happy Su Fei to the entertainment club in the new city.

“Let’s go, Sister,” Su Fei said enthusiastically to Lin Yin, her eyes filled with anticipation.

Lin Yin looked around. To ensure that nothing went wrong, she secretly turned on her phone and sent her location to Lu Yan. She even sent her a message.

[Lu Yan, I'm at the Xin City Entertainment Clubhouse. Send me a message every half an hour. If I don't reply, think of a way to call the police to save me.]

[Lin Yin, why are you there? Are you alright?]

[It's fine now. Do as I say. I'll explain it to you later.]

Lin Yin put away her phone. After all, most of the people in the club would stand on Yue Chi's side. She had to prepare for the worst in advance.

"Lin Yin, what a coincidence to meet you here." Lu Yue smiled when she saw Lin Yin and Su Fei.

Lin Yin didn't speak to her. She was clearly plotting against her, but she still pretended to be hypocritical.

"Sister, introduce her to me." Su Fei looked at Lin Yin helplessly, as if she didn't know Lu Yue at all.

Although she was stupid, her acting skills were not bad and she knew to get rid of suspicion in advance.

"Didn't you say that Yang Xue was here?" Lin Yin had no intention of acting with them.

"Yes." Su Fei was a little nervous. She took out her phone and flipped through it. "I'll help you ask. Don't be anxious."

With that, Su Fei walked towards the washroom at the side, obviously wanting Lin Yin and Lu Yue to be alone.

"Lin Yin, many of my friends and I are playing here. I'll bring you over to get to know them." Lu Yue held Lin Yin's arm intimately and pulled her inside.

"Why should I know your friends?" Lin Yin frowned. She hated it when Lu Yue approached her.

## Chapter 138 Lu Yue's Friend

"Let's go. Our circle is not big. It's always good to get to know more people. The first time I saw you, I felt close to you. Otherwise, I wouldn't have treated you as a friend."

Lu Yue hid her feelings perfectly. At this moment, she looked like a little girl who wanted to befriend Lin Yin.

Lin Yin was pulled into a private room by Lu Yue.

As soon as she entered, Lin Yin looked around the room. The private room was not big, but the decoration was very luxurious. There were a total of two men and two women sitting inside. When they saw Lin Yin and Lu Yue, they stopped talking and looked at them.

Lin Yin, the blonde girl sitting on the left, had seen her in the mall. She heard from Lu Yan that she was the youngest daughter of the Yue Family, Yue Ning.

Beside her sat a beautiful girl with black curly hair. Lin Yin seemed to have seen her a few times in television advertisements. She should be a slightly famous actress.

Lin Yin had never seen the two boys opposite her before. They both looked like second-generation heirs.

"Yo, not bad, Sister Xiaoyue. You brought another beauty." The man in exaggerated clothes among the two boys stood up and walked towards Lin Yin. He was about the same age as Lin Yin and had curly chestnut-colored hair. He seemed to be very interested in Lin Yin.

"Cut it out. Lin Yin is my friend. Show me some respect."

As if she was afraid that Lin Yin would be bullied, Lu Yue shielded her behind her and scolded the smiling boy in front of her, "Wen Yu, you've just returned to the country. Lin Yin is a famous person who has been on the news. You'd better not offend her."

Lu Yue seemed to be speaking up for Lin Yin, but she actually put Lin Yin in a difficult position.

“Is that so? Is she as famous as Sister Wen Ying?” Wen Yu glanced at the girl with black curly hair in the seat and turned to ask Lin Yin, “Your name is Lin Yin, right? I think you’re prettier than Sister Wen Ying. You should be very famous in the country, right?”

Lin Yin felt that although the boy called Wen Yu looked a little frivolous, he was not smart enough. Seeing that he did not have any ill intentions, she was about to answer when she saw Wen Ying slowly get up from the sofa.

Wen Ying walked forward and sized Lin Yin up carefully. She turned to Wen Yu and deliberately rebuked, “I think you’ve been overseas for too long. I’ll get Brother Mu Ran to educate you well one day.”

When Lin Yin heard Mu Ran’s name from the girl, she was a little surprised, but on second thought, they were both in the entertainment industry after all, so it was not surprising that they knew each other.

“Don’t, Sister Wen Ying. I don’t want to offend Brother Mu Ran.” Wen Yu scratched his head and sat back down in frustration.

“You’re Lin Yin. You’re quite beautiful. Do you have any plans to act?”

Wen Ying had exquisite makeup on her face and her long eyelashes trembled slightly. She looked at Lin Yin with jealousy. It was publicly acknowledged that she had debuted in the entertainment industry with her looks. How could she be inferior to a little girl who had not graduated from high school?

“No.” Lin Yin’s tone was very cold. She could tell that the girl in front of her was a little hostile to her.

“Come, sit here first.” Lu Yue noticed the awkward atmosphere and pulled Lin Yin to sit beside Yue Ning.

“This is Yue Ning. You guys met last time. This is Lu Xiao, my brother.”

Lu Yue introduced the remaining two people enthusiastically. Lin Yin's gaze lingered on Lu Xiao for a moment.

It turned out that this boy was Lu Yue's twin brother. Although he looked a little similar to Lu Yue, his facial features were more flamboyant than Lu Yue's, and there was a hint of cynical arrogance on his face.

Lin Yin nodded slightly. Looking at Lu Yue's friends, she could not help but sigh. The Wen Family, the Lu Family, and the Yue Family were all famous families in New City. Other than the absence of the Mu Family, it seemed that ordinary people could not join this circle.

The few people in the room chatted enthusiastically, but Lin Yin couldn't blend in at all. The notification of a message sounded on her phone, and Lin Yin replied to Lu Yan's message.

Now was not the time.

"Lin Yin, how's your relationship with my uncle?" Lu Yue asked Lin Yin. She wanted to understand Lin Yin and Lu Ming's relationship.

"I know him." Lin Yin was expressionless, but she noticed that Yue Ning leaned over curiously.

"Lin Yin probably met Brother Lu Ming through Lu Yan, right?" Yue Ning did not speak until Lu Yue mentioned Lu Ming's name.

Lin Yin nodded and realized that Yue Ning seemed to heave a sigh of relief. From the way she addressed Lu Ming, she probably had a good impression of him.

Lin Yin was not surprised. Lu Ming was really outstanding. It was normal for him to have admirers.

Lu Yue was also relieved by Lin Yin's reaction. Previously, she had been worried that Lin Yin and Lu Ming's relationship was not ordinary, afraid that she would indirectly offend Lu Ming by scheming against Lin Yin. But now, it seemed that their relationship had not developed so quickly.

Chapter 139 Beginning The Performance

The people in the private room began to sing and play games. The waiter also brought drinks and desserts.

Lin Yin had been observing Lu Yue carefully. She took the initiative to pour the wine. The room was dim, but Lin Yin still saw Lu Yue put a small pill into the wine glass.

The corners of Lin Yin's lips curled up slightly. She had finally waited for Lu Yue's actions, but Lin Yin did not expect Lu Yue to be as creative as Su Fei.

"Lin Yin, let me toast you. We'll be good friends from now on." Lu Yue handed the wine glass to Lin Yin and finished the wine in her hand.

!!

Lin Yin pretended to choke on her wine and poured half of it when Lu Yue was not paying attention.

"Don't be anxious. Just drink slowly." Lu Yue thought that Lin Yin had drunk some and handed her a few tissues with a smile.

Lin Yin took the tissue and placed it at the corner of her mouth. Under the dim light, she seemed to have finished the wine in the wine glass, but in fact, it soaked the tissue.

Lu Yue looked at Lin Yin's empty wine glass in satisfaction and winked at Yue Ning.

"Lin Yin, let me toast you too." Yue Ning picked up the champagne on the table and Lin Yin took another glass.

The two of them finished the wine in their glasses. Lin Yin did not feel uncomfortable. Other than the glass of wine Lu Yue handed her, there was probably nothing wrong with the wine on the table.

Lin Yin thought of what Lu Yue and Lu Xiao had done to Lu Yan and had a plan. While everyone was singing, she placed a small laxative in Lu Yue and Lu Xiao's cups.

Wasn't it just drugging? They should try this feeling too.

Lin Yin watched in satisfaction as Lu Xiao and Lu Yue drank the wine before pretending to be drunk and leaning against the sofa.

"Lin Yin, your alcohol tolerance is too poor." Seeing that Lin Yin was sitting alone on the sofa, Wen Yu kindly leaned over and handed her a cup of honey lemon water.

"Drink this. You'll be more awake later."

Lin Yin took the cup and felt that although the boy in front of her looked unreliable, he did not seem like a shrewd person. She did not know why he was with Lu Yue and Lu Xiao.

"Go do your own thing. I'll bring Lin Yin to the room upstairs to rest for a while." Lu Yue was afraid that Wen Yu would affect her plan. She looked at Lin Yin, who was clearly unconscious on the sofa, and said to Yue Ning, "Little Ning, help me help Lin Yin upstairs."

"Let me help you. You two girls will fall again." Wen Yu kindly helped Lin Yin up, but Lu Xiao stood up and stopped her. "You're a boy. Why are you getting involved? Come and drink."

Lu Xiao knew his sister too well. From the moment Lin Yin entered, Lu Xiao felt that something was wrong with Lu Yue. He pulled Wen Yu away and smiled at Lu Yue. He lowered his voice and said, "Don't go overboard. There's a surveillance camera in the corridor."

Lu Yue nodded and walked out with Yue Ning.

Wen Ying also realized that something was wrong. Lin Yin did not look like she had drunk too much. She walked to Lu Xiao's side and asked softly, "Is Little Yue on good terms with Lin Yin?"

Lu Xiao shook his head and said innocently, "I've only been back for a few days. How would I know?"

Lu Xiao glanced at Wen Yu and said loudly, "Let's do our own thing first. There's a room upstairs. They'll come down after resting."

Lin Yin's entire weight was on Lu Yue and Yue Ning. The two girls dragged Lin Yin, who was deliberately using force, and could not take it.

"She looks quite thin. Why is she so heavy?" Yue Ning looked a little pained. She had never done any physical work, but she felt a little uncomfortable now.

"There are many people in the clubhouse. Move quickly." Lu Yue looked around carefully, worried that something would happen if she met someone she knew.

The two of them used all their strength to get Lin Yin onto the bed in Room 3021.

"I'm so tired. Why does my stomach hurt a little?" Lu Yue rubbed her aching stomach. She did not know if she had used too much strength, but she felt a little uncomfortable.

"I told you to get the waiter to carry her, but you didn't agree." Yue Ning wiped the sweat off her forehead and looked at Lu Yue, who looked a little pale. She asked worriedly, "Are you alright? Why do you look so pale?"

For some reason, Lu Yue's stomach hurt more and more. She said anxiously, "I'm fine. Call your brother later. Let's leave quickly."

Yue Ning sent a message to Yue Chi and helped Lu Yue out of the room. Just as the two of them entered the elevator, a man in a black suit walked out not far from the corridor of Room 3021.

"The person who was just sent into the room seems to be Miss Lin Yin, right?"

Shen Yu did not know if he was seeing things, but he did see Lu Yue. He glanced at the room number and turned to enter the VIP room.

#### Chapter 140 I'm Going to Be Unlucky

Lu Ming was discussing business with a few middle-aged men. When he saw Shen Yu enter, he handed him the signed document.

"Enjoy yourselves. I still have something on at the company. Excuse me."

Lu Ming stood up, and the other bosses did not dare to stop him. Everyone knew Lu Ming's temper. No one had dared to send him off for so many years. Lu Ming had already given them a lot of face by coming to the club to discuss work. It was impossible for Lu Ming to participate in the following activities.

Shen Yu left the private room with Lu Ming. After some hesitation, he told him about seeing Lin Yin and Lu Yue.

"You said that you just saw Lin Yin enter 3021?" Lu Ming was a little surprised. He was not surprised that Lin Yin was with Lu Yan, but if it was Lu Yue, things would probably not be that simple.

"Yes, and Miss Lin Yin doesn't seem to be conscious anymore. She was helped in by Miss Lu Yue and another girl."

Shen Yu repeated what he had just seen to Lu Ming.

Lu Ming was a little nervous. He knew that Lin Yin did not have a good impression of Lu Yue and wanted to find an opportunity to avenge Lu Yan.

Lu Ming thought for a moment and chose to call Lu Yan. He didn't want to affect Lin Yin's plan, but he couldn't let Lin Yin be in danger.

"Little Uncle, you scared me to death." Lu Yan's voice sounded from the phone.

Lu Ming looked serious and asked, "Where are you now?"

"I'm at home." Lu Yan didn't know if she should tell her uncle about Lin Yin.

"Where is Lin Yin?" Lu Yan's voice was very serious, scaring Lu Yan.

"She, she should be at home too..." For some reason, Lu Yan felt that Lu Ming's face must be dark at this moment.

"To be honest, Lin Yin might be in trouble."

Lu Ming could tell that Lu Yan was hiding something from him.

"Huh?" Lu Yan had been carefully calculating the time. There were still ten minutes before she should text Lin Yin again.

"Little Uncle, don't tell me you installed a surveillance camera on Lin Yin?" Lu Yan didn't know why her little uncle knew that Lin Yin was in trouble, but he should be on Lin Yin's side.

"I saw Lin Yin at the entertainment club. What's going on?" Lu Ming was a little anxious. There were many people in such a place. It was really not safe for a girl like Lin Yin to be alone.

"You're also at the Xin City Entertainment Club?" Lu Yan felt as if a huge rock had been lifted from her heart. In her heart, her little uncle was more reassuring than the police.

"I'm not sure about the details. Lin Yin asked me to keep in touch with her. She said that if she didn't reply, she would ask me to call the police."

Hearing Lu Yan's words, Lu Ming frowned. Lin Yin's personality was very strong. If she wasn't in danger, she wouldn't have asked Lu Yan to be prepared to call the police.

“Little Uncle, it’s great if you’re here. Protect Lin Yin secretly. I’m also worried that she’ll be in danger.”  
Lu Yan glanced at the clock. It was already the time she had agreed with Lin Yin. She hurriedly said to Lu Ming, “Little Uncle I can’t talk to you anymore. I have to contact Lin Yin.”

Lu Ming put down his phone and Shen Yu, who was beside him, asked anxiously, “Is Miss Lin in trouble? CEO Lu, should we go take a look?”

Lu Ming nodded and walked towards Room 3021 with Shen Yu.

Before they reached the door, they heard a man’s voice in the corridor.

“You really got that Lin Yin here?” Yue Chi had drunk some wine with his friend. He didn’t have much hope for Yue Ning and Lu Yue, but he didn’t expect them to really trick Lin Yin over.

“Alright, consider it as me owing you a favor. Tell that girl from the Lu Family that I’ll thank her personally after I settle Lin Yin.”

Yue Chi’s voice was especially clear in the empty corridor. Shen Yu stole a glance at Lu Ming beside him and couldn’t help but shiver.

The air pressure around Lu Ming was very low. Anyone could tell what Yue Chi meant on the phone. It seemed like this youngest son of the Yue Family was probably going to be unlucky tonight. Shen Yu remained silent at the side. In fact, he had already thought of how to contact the doctor and explain it to Yue Han.

Yue Chi had a smile on his face and couldn’t wait to walk towards 3021. However, he bumped into Lu Ming, who had a cold expression on his face.

“CEO... CEO Lu...”

After Lu Yue and Yue Ning left, Lin Yin began to prepare.

“I wonder if that bastard has any evidence on his phone.”

Lin Yin hid the taser she had bought beforehand under her pillow and placed the rest of the laxative into the red wine on the coffee table.

Lin Yin didn't know if she could find evidence, but Yue Chi would definitely suffer this beating.
