

Real Daughter 151

Chapter 151 Meeting Wen Ying

Hearing Lin Yin's words, Mu Ran was relieved. She couldn't keep an eye on Lu Ming, so she thought of a way to keep a watch on Lin Yin.

"Okay, I look forward to you guys playing together." Mu Ran smiled and hung up. If Lu Ming wanted to get close to Lin Yin, he had to get past her first.

Lin Yin remembered Mu Ran's words in her heart. The next morning, she asked Lu Yan and Yang Xue to meet in a cafe near the studio.

"What? Prince Charming Mu really said that we can join the production team and film together?"

!!

Lu Yan looked excited. She didn't expect Lin Yin to bring such good news.

"Really? I've never been an actress before. Won't it be very interesting?" Yang Xue also revealed a rare look of anticipation.

Seeing Lu Yan and Yang Xue's reactions, Lin Yin had already made up her mind.

"Sure, then let's go take a look together. Anyway, there's still some time before we start school. Let's just treat it as experiencing the life of an actor."

Lin Yin had always been grateful to Lu Yan and Yang Xue. Now that she had found something that could make the two of them happy, she naturally wouldn't miss the opportunity.

"That's great! When can I start? I have to do skin management in advance. Even if I'm an extra, I have to be in my best state."

Lu Yan was already looking forward to filming with her idol. She had to prepare well.

“I’ll ask Brother Mu Ran later. If there’s no accident, it should be fine tomorrow.”

Afraid that it would affect Mu Ran’s filming, Lin Yin sent him a message on her phone, asking when she could join the production team with her friends.

“Then let’s go for skin care together. Use my card. It’s my treat today!”

Lu Yan pulled Yang Xue and Lin Yin to a gorgeous beauty salon.

As soon as she entered, Lin Yin saw a familiar face.

Wen Ying was also very surprised to see Lin Yin. The incident at the club last time had caused an uproar, but in the end, Lin Yin was actually safe and sound. Poor Yue Ning’s unlucky brother. It took him more than half a month to get out of bed.

Lin Yin knew that Wen Ying and Lu Yue were the same kind of people and wanted to ignore her. She did not expect Wen Yin to take the initiative to greet Lin Yin.

“Miss Lin, long time no see.” Wen Ying’s appearance was charming. She looked very good when she smiled and was especially eye-catching.

“You’re... Wen Ying?” Lu Yan, who had been watching dramas all year round, recognized Wen Ying at a glance. “The female lead of *The Cold Top Student Fell In Love With Me*?”

Although Lu Yan’s voice was not very loud, everyone present could hear her. The corners of Wen Ying’s eyes twitched. She had acted in many low-budget online dramas and the response was very bad, but she still made herself known.

“Hello.” Wen Ying pretended to smile at Lu Yan, but Lu Yan couldn’t help but be puzzled. Was the filter on television too much? Why did she feel that Wen Ying didn’t look that good in person? She wasn’t even half as good as Lin Yin.

Although Lu Yan didn’t say anything, her enthusiasm decreased significantly.

“Long time no see, Miss Wen Ying. How were Lu Yue and Lu Xiao last time? Are they okay?” Lin Yin pretended to be concerned, but it made Wen Ying’s heart turn cold.

Lu Yue and Lu Xiao had eaten something bad at the club last time and ended up in the hospital. Wen Ying looked at Lin Yin’s meaningful smile and felt a little nervous. Could it be this girl in front of her?

Wen Ying didn’t dare to think too much about it. She felt that it was best for her to stay away from Lin Yin. After all, Lu Ming was someone she couldn’t afford to offend.

“There’s nothing else.” Wen Ying didn’t look too good. She raised her hand to tuck her hair behind her ear and said gently, “Miss Lin Yin, my manager is still outside. We’ll talk again when we have the chance. Excuse me.”

Lin Yin didn’t make things difficult for her. Seeing Wen Ying run out in a panic, Lu Yan asked in confusion, “Lin Yin, why do I feel that Wen Ying is a little afraid of you?”

Yang Xue could also tell that Wen Ying was uneasy in front of Lin Yin. “Yes, have you interacted with her much before?”

Lin Yin smiled. “Who knows? Maybe she did something wrong and feels guilty.”

Lu Yan didn’t care, but Yang Xue could tell that things weren’t that simple. It was good that Lin Yin wouldn’t suffer.

Lu Yan was in a good mood and was very generous. The few of them did a series of nursing projects and only walked out of the beauty salon when it was almost dark.

Lin Yin also received Mu Ran's reply. He sent Lin Yin his location and said that she could come over tomorrow morning. The production team happened to be lacking a few people to play the juniors, so Lin Yin and the others could directly pick those roles up.

The three of them agreed on a time to meet tomorrow and went home happily.

Chapter 152 Entering a Trap

When Lin Yin returned to the Su Family, she realized that the atmosphere at home did not seem right.

"You're trash!" Su Zhen angrily threw a document in front of Su Lin.

Su Fei and Chu Yun persuaded him carefully.

Lin Yin looked at Su Lin, who had his head lowered, and felt a little ridiculous. He had left home resolutely before and returned in a sorry state. Now that he was scolded by Su Zhen, he did not dare to refute at all.

Lin Yin felt that she had been blind in her previous life to think that Su Lin was a good brother she could rely on.

Su Lin noticed Lin Yin, who had returned home, and frowned tightly. He didn't want Lin Yin to see him in such a sorry state and give her a chance to tease him.

"Little Yin is back." When Su Zhen saw Lin Yin, his emotions eased a little. The current Lin Yin was the capital that the Su Family could rely on. Su Zhen's attitude towards her was still polite.

When Su Fei saw Lin Yin's calm expression, although she hated her, she did not dare to show it. She glanced at Chu Yun and said to Lin Yin pleadingly, "Sister, come and persuade Dad. It's not good for him to be angry and hurt his health."

Lin Yin sat on the sofa and looked like she was watching a show. She said slowly, "How can I persuade him? Whoever caused the trouble should resolve it. What's the use of looking pitiful?"

Su Lin looked at Lin Yin fiercely and snorted. "I don't need you to make sarcastic remarks here!"

"Shut up!" Su Zhen was already filled with anger. He said to Su Lin in exasperation, "There's already a dispute in the West Suburb Forest Bay. You didn't even ask me and signed the contract. Why don't you think about it? Would that old fox from the Jiang Family leave such a good thing to you? You're simply extremely stupid and incurable!"

Su Lin was already angry with Su Zhen and wanted to discuss a business deal to show off in front of Su Zhen. He did not expect to be schemed against by Jiang Hui and have Forest Bay's hot potato handed to him.

When Lin Yin heard about the Jiang Family, she suddenly fell silent. In her previous life, the Jiangs seemed to have gotten involved in a human life lawsuit. In the end, the company declared bankruptcy.

However, in her previous life, Su Zhen did not seem to have anything to do with the Jiang Family. Perhaps it was because Su Lin was anxious to succeed that he provoked the Jiangs.

Lin Yin looked at the angry Su Zhen and suddenly had an idea. She looked at Su Lin, who had a dark expression, and slowly said, "Actually, the land in the West Suburb Forest Bay is a good investment."

Lin Yin knew that in her previous life, the Jiang Family had gone astray step by step because they gradually profited from the land in the Western Suburbs of Forest Bay.

When Su Zhen heard Lin Yin's words, he looked at her in confusion. "How did you know?"

Lin Yin smiled and didn't explain further. She said calmly, "I've interacted with many people, so I always hear rumors."

Su Zhen's eyes lit up. The people Lin Yin usually interacted with were all big bosses like Lu Ming and Mu Heng. Su Zhen was a little excited and felt that Lin Yin's words were credible.

Lin Yin wanted Su Zhen to misunderstand. Although she didn't know why the Jiang Family had fallen, no one who was related to them had a good ending.

"You mean that your brother did nothing wrong?" After Su Zhen finished speaking, Su Lin looked at Lin Yin in confusion. He did not think that Lin Yin would be kind enough to speak up for him.

"He might have done it by mistake, but this might be a good start." Lin Yin's eyes were filled with laughter. "Anyway, the contract has been signed. Why don't we let Brother do it for once? I believe there will be a result soon."

Su Lin did not understand why Lin Yin would say that, but it was obvious that Lin Yin's words shook Su Zhen.

"Dad, just give me a chance. I'll do my best!" Su Lin had no choice but to give it a try.

Su Zhen looked at the calm Lin Yin and his anger dissipated. Perhaps Lin Yin really knew something.

"Alright, within a month, if you discover that the situation is amiss, retreat early and minimize our losses."

Su Zhen shook his head. He had always put in a lot of effort to nurture Su Lin, but he did not seem to have much talent in business. Su Zhen had no choice. After all, Su Lin was the only heir of the Su Family.

Seeing that Su Zhen had calmed down, Chu Yun quickly led Su Lin and Su Fei out of the hall. Recently, Su Zhen's attitude had dissatisfied Chu Yun. It was as if other than Lin Yin, there was no one else.

"Little Yin, how have you been? How's CEO Lu?"

Su Zhen's smile disgusted Lin Yin.

Chapter 153 Starting Filming

“The Yue Family will hold an anniversary banquet next week. At that time, many famous and wealthy families will go to support you. Daddy will accompany you then.” Although Su Zhen felt that Lu Ming was not bad, he still did not give up and wanted to introduce Lin Yin to more people.

It was the Yue Family again...

Lin Yin thought for a moment. Yue Chi’s incident last time didn’t seem to have affected Lu Ming at all. Moreover, Yue Chi and Lu Ming’s relationship had always been good. The two of them had cooperated on many projects. Lu Ming should be attending the Yue Family’s banquet this time.

“Okay, I’ll be there.”

!!

Su Zhen nodded in satisfaction. The more he looked at Lin Yin, the more pleasing she became.

When she returned to the bedroom, Lin Yin was a little vexed. It was very difficult for her to get close to Yue Chi now, so she had almost no chance to collect evidence. She could only improvise when they met. Sooner or later, Yue Chi would be punished, and the girls who had been harmed by him would be saved.

The next morning, Lu Yan arrived at the entrance of the Su Family very early.

As soon as Lin Yin got into the car, she saw Lu Yan and Yang Xue, who were dressed exceptionally beautifully.

“Lin Yin, although you have a good foundation, isn’t your face too plain?” Lu Yan put on a cuter style of makeup. Ever since Lin Yin changed her aesthetic taste, Lu Yan had become prettier.

Yang Xue also put on lip gloss. “However, if Lin Yin really puts in the effort to dress up, I’m afraid she’ll even overshadow the female lead.”

Lin Yin looked at the two of them with exaggerated expressions and smiled. "Alright, Brother Mu Ran seems to be acting in a school drama. We're just going to act in a small role. We probably don't have many lines. Don't expect too much."

"No way. You don't even know what drama Prince Charming Mu is filming?" Lu Yan looked at Lin Yin in surprise. "This is the second school drama Prince Charmed Mu and Goddess Lan Xin are working on. It will definitely become popular!"

"That's right. These two people have an astonishing number of fans. Even if we're just cannon fodder, many people will see us." Yang Xue didn't expect Lin Yin to be so indifferent to entertainment news.

"Lan Xin?" Lin Yin found this name familiar. She felt that she had done a lot of charity activities, but Lin Yin was not sure about the rest.

"Lin Yin, you're not as well-informed as the guard at the entrance of our school. Lan Xin is the national goddess. Don't tell me you don't even know her?" Lu Yan looked at Lin Yin as if she was looking at an alien.

"I didn't even know about Mu Ran before. What's there to be surprised about?"

Lu Yan and Yang Xue looked at each other and shook their heads helplessly. It seemed like there were too few things that could interest Lin Yin.

The three of them quickly arrived at the filming location according to the location given by Mu Ran. At the entrance, they saw Wei Yuan, who had come out to welcome them.

"Hello, Brother Wei." Lin Yin greeted Wei Yuan. "Please come out and pick us up. Where is Brother Mu Ran now?"

Wei Yuan knew that Lin Yin was coming over to film, and he had mixed feelings. On the one hand, he felt that Lin Ying was a good seedling and should find an opportunity to try acting more. However, on the other hand, he was really worried that Mu Ran, that little ancestor, would have other intentions for Lin Yin. When the time came, not to mention Lin Yin, just Mu Ran alone would be enough for him.

“It’s what I should do. Mu Ran is still filming. Let’s go. I’ll bring you guys to change your makeup. We’ll go straight to the set later.”

Wei Yuan politely led Lin Yin and the others to change their clothes. The three girls looked not at all out of place in their school uniforms.

“You guys are more suitable to dress like this.” Wei Yuan looked at the three young girls in front of him and couldn’t help but sigh. It was good to be young. Although Mu Ran looked like a student, she was still a little more mature than Lin Yin and the others.

Lu Yan changed into her clothes and asked Wei Yuan excitedly, “Will we act with Prince Charming Mu later?”

“Yes. Although you don’t have any lines, you will appear on different occasions and interact with the male and female leads and the second female lead.”

Yang Xue was also looking forward to it. Lan Xin was an actress she liked very much. She was looking forward to her appearance with Mu Ran.

“Let’s go. You guys can watch from the side later. You should only have your scenes at noon.”

Lin Yin and the other two followed Wei Yuan to the filming location. Before they could approach, Lin Yin saw a familiar face.

“Wen Ying?”

Lin Yin looked at Wen Ying, who was also wearing her school uniform in the distance, and was a little surprised. She was actually involved in this movie.

“She’s the second female lead. According to the original novel, she’s acting as a willful young lady.” Lu Yan noticed Lin Yin’s gaze and explained with a smile, “She’ll be no different from her. She’ll be acting as herself.”

Chapter 154 Purposely Targeting

The few of them approached and happened to catch the director shouting for them to stop. Mu Ran immediately saw Lin Yin walking over not far away and ran over with a smile.

“Little Yin! You’re here.”

Mu Ran attracted the attention of many people, including Wen Ying, who was touching up her makeup.

“Why is it her again?” When Wen Ying saw Lin Yin’s face, she frowned unhappily. Seeing Mu Ran’s especially enthusiastic attitude towards Lin Yin, Wen Ying felt very upset. This Lin Yin was really too much of an eyesore.

!!

“Brother Mu Ran, you look quite young in this.” Lin Yin looked at Mu Ran, who was wearing the same school uniform as her, and couldn’t help but smile.

“Little Yin, I’m only 22 years old. Do I usually look that old?” Mu Ran was very happy to see Lin Yin arrive. In front of her, Mu Ran could be at ease, lest Lu Ming came to cause trouble again.

“Teacher Mu.”

A gentle and pleasant female voice sounded from behind. Lin Yin turned around and saw a tall girl with a ponytail, fair skin, and bright facial features.

“Wow, a goddess!”

Lu Yan tugged at the corner of Lin Yin’s shirt excitedly.

Lan Xin was originally looking for Mu Ran to rehearse her lines for the next scene. When she saw the young girls beside him, she smiled kindly.

“Goddess, can you give us an autograph later?” Lu Yan was very excited. Yang Xue, who was beside her, was also looking forward to it.

“Of course. Just look for me in the lounge later.” Lan Xin was very gentle. She spoke like a big sister next door.

Mu Ran looked at Lu Yan’s exaggerated expression and deliberately said, “Little Yan, you’re not thinking of changing idols in front of me, are you?”

Lu Yan paused and shook her head hard. She said to Mu Ran and Lan Xin, “Of course not. I’m a loyal fan of the two of you. I even chose you for last year’s Best Screen Couple voting!”

When Lan Xin heard Lu Yan’s words, she lowered her head in embarrassment. Mu Ran was indeed the ideal Prince Charming for many girls, and she was no exception.

“Lan Xin, these are the little girls I know. I brought them out to play because they’re bored during the holidays.” Mu Ran was also very polite to Lan Xin.

After Lan Xin heard Mu Ran’s words, she carefully sized up the three girls in front of her and her gaze stopped on Lin Yin.

The girl in front of her was really too outstanding. Even though Lan Xin was used to seeing all kinds of female celebrities in the entertainment industry, Lin Yin’s appearance still stunned her.

The girl in front of him had exquisite facial features and an outstanding temperament. It was difficult to look away at a glance.

After Lan Xin, Lin Yin, and the others greeted each other, the director called them over to film.

The next scene was between Lan Xin and Wen Ying. Lin Yin, Lu Yan, and Yang Xue watched from the side.

“Lin Yin, do you think Wen Ying has something against Lan Xin? Her acting skills weren’t very good before. Why do I feel like she’s really hostile to Goddess Lan?”

Lu Yan watched as Wen Ying pushed Lan Xin hard. She couldn’t help but sweat for her.

“I’m sorry, Director Zhang. Let’s do it again. I wasn’t in a good mood just now.”

Wen Ying liked these scenes that targeted Lan Xin. Although Lan Xin was more famous than her, Lan Xin came from an ordinary family. She was worlds apart from her.

Lan Xin was pushed by Wen Ying again and again. Every time, she used a lot of strength. Her expression did not look good either.

Lin Yin could not stand Wen Ying deliberately targeting Lan Xin.

“Isn’t Wen Ying a little too much? Can’t anyone tell?” Yang Xue couldn’t stand it anymore. She didn’t know why the director didn’t stop Wen Ying’s unreasonable actions.

Lu Yan pursed her lips and whispered to Lin Yin and Yang Xue, “I saw some news that the Wen Family seems to have invested in this drama. Otherwise, with Wen Ying’s reputation, how could she act with Mu Ran and Lan Xin?”

“Other than her family background being inferior to Wen Ying, Goddess Lan Xin is much better than her in every aspect.” Yang Xue was a little dissatisfied that Lan Xin was treated differently.

Lin Yin also sympathized with Lan Xin’s situation. She was clearly better than Wen Ying in every way, but she was deliberately targeted because of her poor family background. Mu Ran walked back to the filming location from the lounge and was puzzled to see that Lan Xin and Wen Ying were not done yet.

“Isn’t it just a simple argument scene? Why did it take so long to film?”

Mu Ran asked Director Zhang in a low voice and saw a troubled expression on his face. “Wen Ying doesn’t seem to be in a good state. She keeps asking for a reshoot. There’s an even more intense argument scene later. I wonder if the filming will succeed.”

Mu Ran’s appearance made Wen Ying restrain herself a little. Lin Yin also noticed that Wen Ying had been looking in the direction of Mu Ran, intentionally or otherwise.

Chapter 155 Admiration for Her

“Brother Mu Ran, how’s your relationship with Lan Xin?”

Lin Yin’s voice was very soft and only she and Mu Ran could hear her.

“It’s quite good. Lan Xin is very serious at work. She’s a good actress. It’s quite easy to film with her.” Mu Ran’s tone was very natural and he did not realize what was wrong.

“What about Wen Ying?”

Lin Yin realized that Mu Ran didn’t seem to know that Lan Xin and Wen Ying had a good impression of him.

“It’s alright. What’s wrong?” Mu Ran didn’t know what Lin Yin meant.

However, Lin Yin had already understood the real reason why Wen Ying was targeting Lan Xin. It was probably related to Mu Ran.

Wen Ying and Lan Xin’s scene was finally finished. Although there were protective measures, Lan Xin’s body still hurt from Wen Ying’s push.

“Brother Mu Ran, it’s our scene later. You have to guide me more.”

Wen Ying’s tone was coquettish. Lan Xin stood at the side with a lonely expression.

Wen Ying and Mu Ran's family backgrounds were similar, but she could not integrate into their world no matter what.

Lan Xin sat at the side to rest, but her gaze was fixed on Mu Ran and Wen Ying.

"Your acting skills are very good. Can you share your filming experience with me?" Lin Yin looked at Lan Xin, who was sitting alone at the side, and walked over with a smile.

"I don't have much experience either. I just try my best to get myself into character. It's also a sense of faith and trust in my role." Lan Xin didn't have the airs of a big-name celebrity. Perhaps it was related to her personality, but Lin Yin felt that there was a power in her that could comfort people.

"You'll definitely become even more famous in the future. No one can stop you."

Lin Yin was telling the truth. In her previous life, Lan Xin was also very famous. She, who did not pay much attention to entertainment news, had also heard of her name.

"Thank you." Lan Xin looked at Lin Yin gratefully. This beautiful girl made Lan Xin feel very close. "May I ask how you and Teacher Mu met?"

Lin Yin saw that there was no one else around. Lu Yan and Yang Xue had been watching Mu Ran film. She leaned closer to Lan Xin and whispered, "Brother Mu Ran filmed a mini-movie before. I was in it too."

Lan Xin seemed to have suddenly thought of something. She widened her eyes in surprise and said, "You're the female lead of that mini-movie?"

Lin Yin nodded. She knew that the mini-movie she filmed with Mu Ran had caused quite a stir at that time. Everyone was very curious about who the female lead was.

However, in the end, many entertainment accounts confirmed that the female lead was not from the entertainment industry. However, the production team had sealed the news very well. No one could guess that the person was Lin Yin.

Lan Xin looked at Lin Yin with admiration. She had seen that mini-movie before. Although Lin Yin did not have many scenes, it was impressive.

“You’re very talented. If you want to enter the entertainment industry, I can help provide you with some resources.”

Lan Xin was very enthusiastic, but she suddenly realized Lin Yin’s identity and felt that she had overestimated herself. How could someone who could be friends with Mu Ran lack resources? Lin Yin was probably the daughter of a rich family. She was just out filming to pass the time.

“I’m sorry, I don’t mean anything else,” Lan Xin explained nervously. “My family used to be in debt. I came out to film to earn money. Sometimes, I’m a little utilitarian.”

“It’s nothing. Any dream deserves respect. There’s nothing wrong with wanting to earn money.”

After hearing Lan Xin’s words, Lin Yin admired her even more. In her previous life, Lan Xin had done many public welfare projects. Her family background was average, so her actions were even more respected.

Lan Xin chatted with Lin Yin happily. This was the first time she felt that someone could hit it off with her so well.

“Little Yin, it’s your turn next.” Mu Ran finished filming with Wen Ying and walked over to call Lin Yin and the others.

“It’s a small scene where you help stand up for Lan Xin’s character. Wen Ying’s character always bullied Lan Xin. You couldn’t stand Wen Ying’s actions and secretly pushed her into the pool.”

After hearing Mu Ran's words, Lin Yin's eyes lit up. This kind of act of standing up for others made Lin Yin look forward to it. Wen Ying had used the excuse of filming to make things difficult for Lan Xin just now. It seemed like she had to be more serious and film a few more takes.

Lin Yin looked a little excited. Mu Ran and Lan Xin were a little worried. Lin Yin didn't look like she was going to film, but to avenge her.

Everything was ready. The director's request was very simple. He only needed Lin Yin and the others to push Wen Ying into the pool indignantly. Lin Yin and the others were looking forward to the act of doing a good deed without leaving a name.

Chapter 156 Watch Her Make a Fool of Herself

After Wen Ying saw Lin Yin, her arrogance towards Lan Xin disappeared. For some reason, Wen Ying felt that Lin Yin's gaze made her shiver.

Lin Yin, Lu Yan, and Yang Xue secretly walked behind Wen Ying and pushed her into the pool with all their might. Before the director could stop her, Lin Yin deliberately shouted in surprise, "Aiya, I'm sorry. I seemed to have walked weirdly just now. Director, I'm sorry. Let's do it again."

Although Wen Ying was picked up by the staff in time, she still inevitably choked on a few mouthfuls of water. She looked at Lin Yin on the shore and clenched her fists underwater.

"One more time!" The director knew that Lin Yin had been introduced by Mu Ran. Seeing her temperament, he probably couldn't afford to offend her. He didn't criticize Lin Yin and filmed it again.

Wen Ying was pushed into the water by Lin Yin again. Before Lin Yin could react, Lu Yan pretended to fall and shouted, "I'm sorry, Director. I was distracted. Let's do it again."

Director Zhang's expression did not look too good as he watched Lin Yin and the others fool around and come up with various reasons to reshoot several times.

Everyone present could tell that Lin Yin and the others were deliberately targeting Wen Ying. However, recalling how Wen Ying had made things difficult for Lan Xin just now, everyone did not say anything.

Compared to Wen Ying's usual arrogant and despotic self, the approachable Lan Xin was more liked by everyone.

"Sister Xin, Miss Lin Yin is quite righteous. Someone is finally standing up for you."

Lan Xin's assistant had always hated Wen Ying. Because of her status, she did not dare to argue with her. Lin Yin's actions made her feel much better.

"Don't talk nonsense." Lan Xin was afraid that others would hear her and hurriedly stopped her assistant.

Lan Xin had long noticed Lin Yin's actions. It was impossible not to be touched. After staying in the entertainment industry for nearly five years, this was the first time someone was willing to stand up for her.

However, Lan Xin was a little puzzled. Why was Wen Ying, who was usually not to be trifled with, so honest? Although she looked angry, she did not dare to say anything to Lin Yin. It seemed like Lin Yin and her friend's backgrounds were not simple.

"Director Zhang! They're doing it on purpose!" Wen Ying's manager could not stand it anymore. She had already filmed it six or seven times, and Wen Ying had completely become drenched.

Director Zhang was also in a difficult position. Wen Ying was the daughter of the investor. It was obvious that Lin Yin, was not to be offended, but he did not know her background.

"Where's Mu Ran?" Director Zhang wanted to ask Mu Ran about the background of those three girls who dared to offend Wen Ying so openly.

"Little Ran went to the washroom." Wei Yuan was also a little surprised to see Lin Yin's actions. He did not know how Wen Ying had offended this little ancestor and was pushed into the water by her again and again. Even Wei Yuan felt cold just by looking at it.

“Director Zhang! We have to get those brats to apologize to Wen Ying. Even if they don’t know how to act, they can’t do this!”

Seeing that they had finally finished the part where she was pushed into the pool, Wen Ying’s manager was still indignant and wanted to stand up for Wen Ying.

“Little Li, watch your words.” Wei Yuan smiled and looked at Wen Ying’s manager with a meaningful gaze. “Director Zhang, how can Little Ran’s friend be a child of an ordinary family? There’s still the second daughter of the Lu Family among the three of them. Please be accommodating. Young girls are a little mischievous.”

Director Zhang’s pupils trembled slightly. Fortunately, he could keep his composure. The Lu Family was much more terrifying than the Wen Family. The worst thing the Wen Family could do when offended was to withdraw their investment. If they offended the Lu Family, it would probably be difficult for him to film in the future.

“It’s fine. They’re young girls. Their acting skills are already very good at this age. They’re worthy of praise.”

Wen Ying’s manager looked at Director Zhang’s hypocritical flattery and pursed her lips helplessly. However, if it was someone from the Lu Family, she could not afford to offend them. She could only watch as Wen Ying continued to be bullied by them.

As soon as Mu Ran returned to the filming venue, he realized that the atmosphere was a little off. Wen Ying’s expression was terrible. Lin Yin and the others seemed to be in the mood and especially enjoyed the filming process.

Looking at the silent Lan Xin, Mu Ran sat down beside her and asked softly, “What’s going on now? Why is the atmosphere so depressing when it’s just a short shot?”

Seeing Mu Ran approach, Lan Xin sat up straight nervously. She looked at Lin Yin and explained with a smile, “It’s nothing. Perhaps Miss Lin Yin is a little nervous and they had to take a few more shots.”

“Why would she be nervous?” Mu Ran smiled and whispered to Lan Xin, “Little Yin was famous in the entire production team last time. She’s simply a demonic newcomer. She’s super capable. Otherwise, I wouldn’t want her to come so badly. Lin Yin is really talented in acting.”

Chapter 157 Can Help

Mu Ran praised Lin Yin generously. He did not realize that Lan Xin’s eyes seemed to have been dyed with a warm color. Looking at Lin Yin, who was deliberately making things difficult for Wen Ying, Lan Xin could not believe it. It was only their first meeting, but she had helped her vent her anger despite the criticisms of others. What kind of person was this Lin Yin?

Mu Ran watched from the side and also realized something. It seemed like Wen Ying had offended Lin Yin somehow. She was obviously deliberately making things difficult for Wen Ying.

Although Mu Ran did not agree with Lin Yin’s actions, looking at Lin Yin’s willful appearance, Mu Ran actually felt that she was a little cute.

Lin Yin was not an unreasonable person. It was probably Wen Ying, that had the temper of a brat, who provoked her first.

Wen Ying was on the verge of breaking down. She had finally finished her scene with Lin Yin. It was a scene that was clearly less than ten minutes, but she had filmed it no less than twenty times.

Wen Ying was furious. When she saw Lin Yin walk towards Mu Ran after filming, she was even more jealous.

“How was it? Did you have fun?” Mu Ran asked helplessly.

“It’s alright, but I can’t seem to get used to it,” Lin Yin said deliberately, causing Mu Ran to knock her forehead lightly.

Mu Ran smiled and said, “Tell me, how did she offend you? I’ll help you vent your anger.”

Lan Xin looked at the two of them being intimate and was envious.

“Ahem, Little Yin.” Wei Yuan noticed Mu Ran’s overly intimate attitude towards Lin Yin and was afraid of attracting attention. He hurriedly interrupted, “There’s another scene between you two next weekend. Just remember to come over again.”

Lin Yin nodded. She had originally wanted to accompany Lu Yan and Yang Xue and join in the fun. She targeted Wen Ying because she could not stand her bullying.

“Come over and play when you have time. With you guys on the set, I feel much more relaxed.” Mu Ran liked the feeling of interacting with Lin Yin. He felt like he could always relax, like he was with his family.

“Okay.” Lin Yin thought of the Yue Family’s banquet next week and asked, “Brother Mu Ran, will you go to the Yue Family’s banquet in three days?”

Lin Yin knew that although the Yue Family, the Mu Family, and the Lu Family did not seem to be close, they were inextricably linked to each other, so everyone would give them face at such a large banquet.

“I still have to film, but my brother should be there.” Due to Mu Ran’s special status, he almost never participated in such occasions. It just so happened that he did not like such occasions as well.

“Will you go too?” Mu Ran didn’t know how the Su Family treated Lin Yin and asked worriedly, “If you don’t like that kind of occasion, you can actually reject it. If you have any difficulties, remember to tell me.”

Lin Yin shook her head. She was very happy that Mu Ran cared about her like this.

Lan Xin accidentally overheard the conversation between Mu Ran and Lin Yin. When she heard Lin Yin mention the Yue Family, Lan Xin’s expression clearly did not look good.

Lin Yin noticed Lan Xin’s abnormality and asked with concern, “Sister Lan Xin, what’s wrong? Are you feeling unwell?”

Although Lan Xin's expression was terrible, she still shook her head. "I'm fine. I'm probably too tired. I'll go rest."

With that, Lan Xin stood up and walked towards the minivan. The assistant behind her looked at Lin Yin as if she wanted to say something but hesitated.

Seeing Lan Xin's reaction, Mu Ran shook her head sympathetically. "I heard from the people in the industry that Yue Chi seems to be pursuing Lan Xin. From her reaction, it should be true."

"Yue Chi again?" Lin Yin frowned slightly and asked Mu Ran, "Yue Chi likes Lan Xin?"

"To put it nicely, he likes her. But Yue Chi's character has long spread."

Mu Ran's expression was very calm, and Lin Yin was a little anxious. "Brother Mu Ran, aren't you going to help Sister Lan Xin?"

"Me?" Mu Ran was confused and asked in confusion, "Why should I help her? There are too many things in the entertainment industry. She'll have to face them herself sooner or later."

Lin Yin was really anxious for Lan Xin. She did not expect Mu Ran to be so slow in this aspect. Lan Xin clearly had a good impression of him, but Mu Ran was so cold to her.

Lin Yin thought for a moment and decided to find an opportunity to talk to Lan Xin. Perhaps she could help her.

"Brother Mu Ran, give me Sister Lan Xin's contact information."

Mu Ran nodded and sent Lan Xin's contact information to Lin Yin. He felt that Lan Xin had a good impression of Lin Yin. The two of them might be able to get along.

Time passed quickly on set. With Lin Yin and the others around, Wen Ying became much more obedient. Mu Ran and Lan Xin's filming went smoothly.

Chapter 158 Yue Family Banquet

After the filming ended, the Lu Family's driver sent Lin Yin and Yang Xue home.

Su Zhen bought a lot of clothes and jewelry for Lin Yin, but Lin Yin was not touched. She knew that Su Zhen did this to make her look more valuable. After all, he had done the same in her previous life.

In the blink of an eye, it was the Yue Family's anniversary banquet. Su Zhen brought the entire family to attend.

Lin Yin saw an unexpected person at the banquet.

!!

"Sister Lan Xin, why are you here?"

Lin Yin realized that Lan Xin's expression was very bad and couldn't help but recall the rumors Mu Ran spoke about.

"Little Yin." A trace of surprise flashed across Lan Xin's eyes when she saw Lin Yin. She felt very reserved on such an occasion, but the moment she saw Lin Yin, Lan Xin actually felt relieved.

When Lan Xin's assistant saw Lin Yin, it was as if she had seen her savior. Lan Xin did not want to attend the banquet, but she was threatened by Yue Chi. Lan Xin had no choice but to compromise.

Reporters were not allowed to enter the Yue Family's banquet. Lan Xin's assistant was afraid that Yue Chi would take the opportunity to bully Lan Xin. She was a little afraid at first, but when she saw Lin Yin, she felt inexplicably at ease. The young lady in front of her, who was not even 20 years old, exuded an exceptionally powerful aura.

"I got an invitation too."

Lin Yin noticed Lan Xin's uneasiness and felt that her appearance here probably had something to do with Yue Chi.

That bastard Yue Chi was really restless. He had only been discharged from the hospital for a few days, but he was already targeting Lan Xin.

Lin Yin looked around the venue and did not see Mu Heng or Lu Ming. She only saw Lu Yue and Yue Ning not far away.

Lin Yin realized that Lu Yue and Yue Ning were clearly avoiding her gaze. It seemed that the lesson last time had allowed Lu Yue and Yue Ning to behave for a while.

"Little Yin, if you have nothing else to do, stay with me. I don't know anyone in the entire venue. I'm a little nervous here." Lan Xin could only feel at ease when she was with Lin Yin.

Lin Yin understood what Lan Xin meant. How could Lan Xin, who had seen so many big occasions, be nervous? What she was really worried about was probably being harassed by Yue Chi.

"Okay." Lin Yin nodded and stood naturally beside Lan Xin. Anyway, there was no one she was familiar with, so Lin Yin couldn't be bothered to deal with them.

The last time Lan Xin heard Mu Ran's manager, Wei Yuan, she thought that Lin Yin was from the Lu Family. However, when she saw the couple who had just entered with Lin Yin, she understood that she had misunderstood.

Knowing that Lin Yin was not from the Lu Family, Lan Xin felt even closer to Lin Yin and her tone relaxed when she chatted with her.

When the number of people in the venue gradually increased, Lin Yin saw Lu Ming. Beside him stood a tall and elegant man.

"That's Yue Han and Lu Ming from the Lu Corporation. They're both big shots that ordinary people can't afford to offend." Lan Xin noticed Lin Yin's gaze and explained to her kindly.

Lu Ming saw Lin Yin and walked towards her.

“Little Yin.” Lu Ming felt a little uncomfortable when he heard from Lu Yan that Lin Yin had gone to Mu Ran’s set to film, but he didn’t take the time to look for Lin Yin.

Lan Xin and her assistant looked at Lu Ming in surprise, not knowing his relationship with Lin Yin.

“So this is Miss Lin Yin,” Yue Han said politely to Lin Yin. “Miss Lin was frightened last time. I apologize to Miss Lin on behalf of my brother.”

Yue Han picked up the red wine from the waiter’s tray and finished it in one gulp. Lin Yin was hesitating if she should accept it when Lu Ming said faintly, “Little Yin is still young. CEO Yue, I should drink this glass with you.”

When Yue Han saw Lu Ming’s actions, a smile appeared in his eyes. He really treasured her. It seemed like Lu Ming treated this little girl very differently. He had to take her more seriously.

Lan Xin was even more surprised by what was happening in front of her. Just now, she had thought that Lin Yin’s background was not that powerful. Now, she could make Yue Han apologize and Lu Ming drink. Lan Xin sized up the expressionless little girl in front of her and felt that Lin Yin was not as simple as she looked.

Lu Ming couldn’t spare time to accompany Lin Yin. There were many people he needed to socialize with at the banquet.

“Little Yin, you’d better stay in the hall of the venue. The Yue Family Home is very big. Don’t walk around.”

Lu Ming knew that although Yue Chi didn’t dare to deliberately target Lin Yin, it was inevitable that he would do something behind her back. It was always good to be more careful.

Lin Yin nodded. She understood Lu Ming's concerns and knew that Yue Chi was a petty person to begin with. She had made him suffer so much, so he naturally didn't want to let her off. However, with Lu Ming around, Yue Chi definitely didn't dare to do anything openly.

Lan Xin noticed Lu Ming's concern for Lin Yin. After Lu Ming and Yue Han left, she asked softly, "Does CEO Lu like you?"

Chapter 159 Lan Xin Is Missing

Hearing Lan Xin's words, Lin Yin was slightly stunned. Lu Ming liked her? Lin Yin shook her head and nodded in confusion.

Actually, she could feel that Lu Ming had a good impression of her, but Lin Yin was not sure if Lu Ming treated her as a junior like Lu Yan.

Seeing Lin Yin's reaction, Lan Xin smiled beautifully.

"It's okay. You're still young. There's still time to talk about some things in the future." Lan Xin looked at Lu Ming, who was not far away, and whispered to Lin Yin, "But President Lu has a good character. There hasn't been any negative news about him for so many years, but everyone thinks it's possible he doesn't like anyone."

!!

Lan Xin thought of Lu Ming's expression when he looked at Lin Yin just now and couldn't help but sigh. Perhaps only a girl like Lin Yin could gain the favor of someone like Lu Ming.

"Little Yin, I'm going to the washroom." Lan Xin smiled and left. The assistant behind her saw Lan Xin walking away and pulled Lin Yin aside mysteriously.

"Miss Lin Yin." The assistant looked around warily and found a quiet corner before she dared to continue. "I need your help with something."

When Lan Xin's assistant saw Lu Ming and Yue Han's attitude towards Lin Yin, she had an idea. If Lin Yin was willing to speak up for Lan Xin, she should be able to resolve Lan Xin's current problem.

"Tell me." Lin Yin could roughly guess what the girl in front of her was about to say.

"Actually, Sister Lan Xin has been harassed by Yue Chi recently." The assistant spoke very softly, afraid that others would hear her.

"In the beginning, it was just flowers and gifts. Now, Yue Chi is getting more and more overboard. He keeps pestering Sister Lan Xin and sometimes even threatens her on purpose. This time, if Sister Lan Xin doesn't come, Yue Chi will ruin several of Sister Lan Xin's endorsements."

The assistant felt aggrieved. She could tell that Lan Xin was actually very afraid and she couldn't help.

"Did Yue Chi do anything?" Lin Yin knew Yue Chi's personality and believed Lan Xin's assistant's words. However, this was not enough evidence that he was harassing Lan Xin.

"He does. Sister Lan Xin doesn't dare to be alone with him at all. He hasn't found a chance, but who knows what will happen in the future?"

The assistant had heard from the people in the industry that the female celebrities Yue Chi had taken a fancy to had all left the industry for various reasons. Who knew what had happened to them? There was no news of some of them, and they did not even know if they were dead or alive.

"Miss Lin Yin if you can talk to Mr. Yue Han, can you speak to him to not let Yue Chi continue disturbing Sister Lan Xin?"

Lin Yin felt that although the assistant in front of her was kind, she was a little too naive. Although Yue Han looked upright, Lin Yin didn't think that he would care about a female celebrity at all and couldn't interfere.

Lin Yin looked in the direction where Lan Xin had left and was a little worried. Yue Chi must have wanted her to attend the banquet so he could do something.

“Let’s go to the washroom and see why Sister Lan Xin hasn’t come out for so long.”

Hearing Lin Yin’s words, the assistant was a little anxious. She had been so focused on asking Lin Yin for help that she had forgotten that it was really dangerous for Lan Xin to be alone in the Yue Family.

Lin Yin walked into the bathroom and indeed, Lan Xin was nowhere to be seen.

“Oh no, Miss Lin Yin, what should we do?” The assistant also realized the seriousness of the problem and asked Lin Yin in a daze.

“Don’t be anxious. What we can confirm is that Lan Xin didn’t return to the venue on the first floor. Follow the opposite direction and let’s search separately.”

Lin Yin did not dare to make a fuss. At such a banquet, Lan Xin would only become a topic of conversation for everyone’s entertainment. No one would worry about her safety.

Lin Yin and Lan Xin’s assistant exchanged contact details. The two of them went in different directions to look for Lan Xin.

Lin Yin knew that even if Yue Chi wanted to do something to Lan Xin, he wouldn’t dare to do it in front of so many people.

Looking around, Lin Yin suddenly noticed a sparkling accessory at the corner of the stairs leading to the second floor.

Lin Yin walked closer and picked up the thing on the ground. It was an earring Lan Xin had worn today.

Lin Yin felt that Yue Chi would not be bold enough to capture Lan Xin directly. He had probably asked someone else to call her over. Lan Xin’s rejection was fruitless, so she had no choice but to deliberately throw down an earring.

Lin Yin held the earring in her hand and saw that the stairs on the second floor were empty. While no one was paying attention, Lin Yin quietly walked up.

The second floor should not be accessible to guests, but it was precisely because of this that it was most likely the direction Lan Xin had left.

Chapter 160 Outstanding Acting Skills

The Yue Family's villa was too big. Lin Yin didn't know how to continue looking. Just as she was hesitating about where to go, she heard the conversation between two servants in the corridor.

"That was Lan Xin just now, right? I've seen her act before. She's an absolute goddess!"

A male attendant who looked to be in his twenties said in confusion, "Where is she going with Aunt Dong? She doesn't look too good. What's going on?"

Another slightly older servant was a little annoyed by his question. "Don't ask what you shouldn't ask. Aunt Dong is the old butler of the Yue Family. We can't talk about her casually."

!!

The young male servant was still unwilling to give up. He said bitterly, "Don't tell me Young Master Yue has taken a fancy to her again. My goddess is really unlucky."

"Tsk, I told you to shut up." The older servant looked around warily, afraid that others would hear him. He said softly, "Young Master Yue has many ways to torture people. You'd better shut your mouth tightly and don't speak nonsense!"

Lin Yin hid in the dark. Listening to the conversation between the two servants, she determined that Lan Xin must have been deceived by Yue Chi.

Lin Yin thought for a moment and pretended to be weak. She walked out of the dark and deliberately let the two servants see her.

The two servants were a little surprised to see someone, but when they saw Lin Yin's bright and moving face clearly, they let down their guard.

"Miss, are you lost? I can bring you back to the venue." The young servant was very polite and felt that the girl in front of him should be the daughter of one of the guests downstairs.

Lin Yin pretended to be confused and asked, "Brother Yue Chi asked me to come. Do you know where he is now?"

When the two servants heard Lin Yin's words, they looked a little regretful. How could such a beautiful girl be unlucky enough to be related to Yue Chi?

"Young Master Yue should be on the fourth floor. Do you need me to help you inform him?" The older servant was more rational and said to Lin Yin.

"There's no need. I'll find Brother Yue Chi myself." Lin Yin smiled innocently at the two servants and hurriedly walked upstairs.

"Sigh, Young Master Yue is really too much. If there's such a beautiful girl who likes me, I'll wake up laughing in my dreams."

"Alright, stop dreaming. Hurry up and help on the first floor."

After the two servants left, Lin Yin had already reached the fourth floor.

There were not many rooms on the fourth floor. Lin Yin calmed down and listened carefully, but the soundproofing of the room was too good and she did not discover anything.

"How big is the Yue Family?" Lin Yin frowned. After thinking for a moment, she braced herself and knocked on a door.

Before long, the door was opened.

A young man in casual clothes leaned against the door and asked Lin Yin softly, "You are?"

Lin Yin didn't know the man in front of her. His facial features were very outstanding and he was even more handsome than some celebrities. He was the kind of face that could be remembered by anyone. He shouldn't be from the Yue Family, but why was he in the Yue Family's room?

"I want to look for Brother Yue Chi..." Lin Yin whispered as she observed the man's expression.

"Yue Chi?" When the man heard the name Lin Yin mentioned, a faint smile appeared on his lips. "Why are you looking for him? Where's your family?"

Lin Yin realized that the man in front of her was clearly dissatisfied with Yue Chi's attitude. She probed, "Brother Yue Chi called my sister over and she's not back yet."

When the man heard Lin Yin's words, his expression changed slightly. He wanted to say something, but he seemed to find it troublesome. "You should go down. Your sister might go back later."

Lin Yin hurriedly pulled the door that the man was about to close. "Brother, help me. Just tell me which room Yue Chi is in."

Mu Xiao looked at the girl in front of him carefully and found her familiar, but he couldn't remember.

"What's your name?"

Lin Yin hesitated for a moment, not planning to lie to the man in front of her. "My name is Lin Yin. Brother, help me. I won't tell anyone that you told me."

When Mu Xiao heard Lin Yin's name, his deep eyes moved slightly. He took out his phone and scrolled through his chat with Mu Heng. As expected, he saw the photo Mu Heng had sent. It was the young lady in front of him.

Lin Yin was the girl Mu Heng had said Mu Ran liked. Mu Xiao changed his attitude and smiled at Lin Yin.
“Okay, I can bring you there.”

Lin Yin looked at the man in front of her gratefully. Under his lead, the two of them arrived at the innermost room.

“Yue Chi is in this room. You can...” Before Mu Xiao could finish speaking, the little girl in front of him suddenly changed her expression and kicked open the door in front of her.
