

Real Daughter 191

Chapter 191: Can't Leave

"I'm sorry, Brother Mu Xiao."

Lin Yin was in a difficult position, and the smile on her face was a little bitter.

Mu Xiao did not expect Lin Yin to reject him so bluntly. He did not understand why Lin Yin did not want to change her current life even though she was clearly not doing well in the Su Family.

"Little Yin, you don't have to feel pressured. It's just a test. Whether it's true or not won't change our current relationship. I've said it before. Even if you're not my biological sister, I hope to be closer to you."

Mu Xiao explained to Lin Yin. He thought that Lin Yin was worried that the test results would disappoint him.

Actually, when Lin Yin knew that she was not Chu Yun and Su Zhen's biological daughter, she could roughly confirm that she was very likely the youngest daughter of the Mu family.

"Wait until I go to university. Brother Mu Xiao, I don't want my life to change too much now." Lin Yin thought for a moment and continued to say to Mu Xiao, "After I go to university, I'll go for a blood test with you. Give me some more time, okay?"

Although Mu Xiao was anxious, he still respected Lin Yin's decision.

"Alright, if you need any help, you can tell me."

Mu Xiao kept feeling that the girl in front of him had a heavy burden in her heart. Although she was young, she was mature and seemed to have a lot of secrets.

Lin Yin thought for a moment. Mu Xiao had indeed helped her in many things. He was also someone she could trust. Lin Yin took out her phone and handed Mu Xiao the photo of Chu Yun she had taken.

“Brother Mu Xiao, can you help me take a look and see if there’s anyone you know in this photo? Or can you think of a way to help me investigate the identities of the people here?”

Lin Yin felt that Mu Xiao knew much more people than she did. He also had contact with many aristocratic families. Her aimless search would definitely not be as good as Mu Xiao’s help.

Mu Xiao looked at the photo and observed everyone carefully. His gaze stopped on a woman’s back.

“This person looks like my mother.” Mu Xiao pointed at the woman’s back in the photo and said to Lin Yin, “I once saw my mother wearing this long dress. I don’t remember anyone else. This photo should have been taken when my mother was very young.”

Lin Yin was a little surprised to hear Mu Xiao’s words. She was just giving it a try and did not expect the woman in the photo to be Mu Xiao’s mother.

“Brother Mu Xiao, do you have any impression of this man?” Lin Yin pointed at the man staring at Mu Xiao’s mother, feeling that this man’s identity was very important.

Mu Xiao looked at the photo carefully again, but there were no memories of this man in his mind.

“I don’t remember, but my mother should know him.” Mu Xiao could also tell that the man’s gaze had been on his mother and felt that he probably knew her.

Lin Yin knew that Mu Xiao’s mother’s health was not good, but she really wanted to know the identity of the man in the photo.

She was about to ask Mu Xiao if she could see his mother when she heard Mu Xiao say, “I can bring you to see my father. He might know the man in the photo.”

Lin Yin nodded. Perhaps this would be better. After all, Mu Xiao's mother's emotions were unstable and she could not be agitated.

"Really? Thank you, Brother Mu Xiao."

Mu Xiao didn't know what Lin Yin wanted to do, but he still wanted to support her.

"My father has been accompanying my mother in the villa on the outskirts of the city. He's also there to handle work matters. If you don't have anything on later, I can bring you there now."

Lin Yin and Mu Xiao went to the villa where Mu Qi and Ye Wen lived. The car drove for a long time until the number of cars on the road began to decrease. After passing through a forest, they saw a corner of the villa.

"My mother likes a quiet environment, so my father chose to let her stay in a relatively remote villa. She won't be disturbed usually." Mu Xiao drove the car into the villa.

Lin Yin realized that although the villa was very big, there were not many servants in the courtyard. It seemed that Mu Xiao's mother did like silence.

"Uncle must love Auntie very much." Although Lin Yin had yet to see Mu Xiao's parents, from his description, she felt that Mu Xiao probably loved his wife very much.

"That's right. My father has always loved my mother deeply. If not for that accident, our family might have been even happier."

Lin Yin could hear the sadness in Mu Xiao's tone. Although she felt terrible, she didn't want to leave the Su Family yet. She hadn't taken revenge on them in her previous life, so Lin Yin wouldn't let them off so easily..

Chapter 192: Indeed Recognize

The villa was very quiet. When the servants saw Mu Xiao, they only nodded politely and made almost no sound.

“Uncle Wang, is my father in the study?” Mu Xiao spoke to an old man in his fifties.

“Yes, Second Young Master.” Uncle Wang glanced at Lin Yin inadvertently and said to Mu Xiao, “Master heard that you would be back and has been waiting for you in the study.”

“Okay, I’ll go up and look for him now.” Mu Xiao brought Lin Yin upstairs. Uncle Wang watched the two of them leave and thought that Lin Yin was the girlfriend Mu Xiao had brought back. He was very happy.

Old Master had been worried about his sons’ marriage. It seemed like there would be good news for the Mu family soon.

Lin Yin followed Mu Xiao upstairs and realized that the decoration of the entire villa was very warm. It seemed like they had spent a lot of effort on Mu Xiao’s mother’s emotions.

Mu Xiao knocked on the study door gently. A deep male voice came from the door.

“Enter.”

Lin Yin followed Mu Xiao into the study and saw the man sitting on the swivel chair at the innermost corner.

He did not look like an old man. Lin Yin realized that Mu Xiao’s father was not much different from the man she had seen in the family photo previously. It was as if time had not left many marks on his face. He was still tall and serious, but his eyes looked sharper.

When the man saw Mu Xiao, he put down the document in his hand. A smile slowly appeared on his serious face, and his voice became warmer. "Little Xiao is back."

When Mu Yi heard his son call and say that he wanted to bring a friend to see him, he started to look forward to it. When he saw the girl behind Mu Xiao, he was even happier.

It seemed that her son might really have brought his girlfriend back. This was the first time Mu Qing had seen his son bring a girl home, and he could not help but feel a little excited.

"Dad, this is Lin Yin, my friend."

"Hello, Uncle." Lin Yin greeted Mu Qi obediently.

Mu Qi looked up at Lin Yin. When she saw the girl's facial features carefully, her eyes revealed a hint of surprise. This girl's appearance was actually 70 to 80% similar to Mu Xiao's, and she was also very similar to his wife when she was young.

"Dad, you also realized that Little Yin looks a little like me, right?" Mu Xiao noticed the surprise in Mu Xiao's eyes.

Mu Qi nodded, but she quickly adjusted her emotions. "You found a beautiful young lady. She looks compatible with you."

Lin Yin looked at Mu Xiao awkwardly, but she realized that he had no intention of explaining.

"Dad, Little Yin and I came here this time to ask you for help."

Mu Xiao handed the photo in Lin Yin's cell phone to Mu Xiao. "Is the person in the photo my mother?"

Mu Xiao looked at the woman Mu Xiao pointed out and nodded. "Yes, I was the one who gave this gown to your mother."

Mu Qi's gaze was very gentle, as if he had recalled some things from the past. Lin Yin noticed that Mu Qi's gaze changed when he saw the man looking at Ye Wen.

"Uncle, do you know him?" Lin Yin pointed at the man, hoping to obtain some new discoveries from Mu Feng.

"Yes, how can I not know Zhou Li?" Mu Qi thought for a moment and said to Lin Yin, "Are you related to this person?"

"No, it's just that there are some family matters that might be related to him. I want to ask you if you know what kind of person he is?"

Mu Yi felt that the little girl in front of him gave him a very intimate feeling and he was inexplicably unguarded against her.

"This person's name is Zhou Li. He has always been my competitor. Although you're a junior and I shouldn't say it, he's indeed a sinister person."

Mu Yi sighed softly. "I fought with him for a long time. In the end, he failed and almost got into a lawsuit. Later, he went overseas."

Lin Yin had gained a lot from Mu Qi. At the very least, she knew this man's name.

"Uncle, has this person called Zhou Li been married before?" Lin Yin realized that Mu Qi's expression was clearly a little ugly.

"I don't think so. I'm not afraid of you laughing at me. When he was young, he had always liked Mu Xiao's mother, but he didn't manage to snatch her from me. In the end, he even lost his business. It's retribution."

Lin Yin realized that although Mu Qi's tone was very relaxed, he was clearly very hostile to this man called Zhou Li. However, for some reason, he seemed to be deliberately hiding something from her.

After that, Mu Xiao kept chatting with Lin Yin about useless pleasantries, as if he really treated her as Mu Xiao's girlfriend and was very enthusiastic about her..

Chapter 193: Welcome With a Smile

"Little Yin, are you still in university?" Mu Qi felt that the girl in front of her looked young and wondered if she had any thoughts of getting married.

Lin Yin was in a dilemma and did not know if she should tell Mu Qi the truth.

She hesitated and did not know how to reply when she heard Mu Xiao say, "Little Yin is still in high school."

Mu Qi's expression suddenly darkened. He looked at his son with a complicated gaze, as if he was saying, "I didn't expect you to be such a beast to actually attack such a young girl."

"Little Yin, are you an adult?" Mu Xiao looked a little nervous, looking at Mu Xiao as if he was a criminal.

"I'm an adult, Uncle. I just turned 18 years old this year." Lin Yin also noticed the change in Mu Xiao's expression. Although she didn't know why Mu Xiao didn't explain, she had no intention of lying.

"Oh, it's fine if you're an adult." Mu Qing coughed lightly and continued, "Get along well. There's no hurry for anything else. We'll talk about it when you go to university."

Mu Xiao also had a smile on his face, as if he did not care about being misunderstood by his father.

Mu Qi wanted Lin Yin to stay for dinner, but Lin Yin knew about Mu Xiao's mother's situation and sensibly rejected him.

When she left with Mu Xiao, Lin Yin was a little curious about the woman protected by Mu Xiao. If she was really her mother, would her condition improve after seeing her?

“Little Yin, don’t misunderstand. My father is a very thoughtful person. If I didn’t let him think that you’re my girlfriend, he probably wouldn’t have told you so much,” Mu Xiao explained to Lin Yin as he drove.

Lin Yin understood Mu Xiao’s actions. She could tell that Mu Xiao’s father still had reservations about her, including the conversation today.

“I understand, Brother Mu Xiao. Thank you for being willing to help me.” Lin Yin was really grateful to Mu Xiao. Although she had always been against help from others, she trusted Mu Xiao very much. Perhaps it was really because she treated him as her brother.

“Little Yin, I hope you understand that I really want to help you. And I really hope that you can come home with me.”

Mu Xiao felt that Lin Yin was very likely his biological sister, but seeing her concerns, Mu Xiao did not intend to force her.

He had many chances to do a blood test with Lin Yin, but Mu Xiao did not want to lie to Lin Yin. He hoped that Lin Yin could really accept him and not be brought back to the Mu family because of a report. How was that different from what the Su Family had done before?

“I know, Brother Mu Xiao. After I’m done with what I need to do, I’ll definitely go to the hospital with you for a test.”

Lin Yin was determined to resolve the Su Family’s matter as soon as possible. Perhaps she could really make Mu Xiao’s mother return to normal. This was what she wanted to see.

After being sent back to the Su Family by Mu Xiao, Lin Yin was greeted by a smiling Su Zhen the moment she entered.

“Little Yin is back.” Su Zhen was obviously very happy and was very enthusiastic about Lin Yin. “Do you know that you were right? The land in West Suburbs Forest Bay is really profitable.”

Su Zhen pulled Lin Yin to the sofa and said impatiently, “I heard from your brother that the momentum is very good now. We might earn a lot. Little Yin, you’re really our lucky star.”

Lin Yin also smiled. Everything was going according to her plan.

“That’s good. Dad, you must let Brother do well. Perhaps this will have a huge impact on the Su Family’s business. Brother will also show his skills in front of the shareholders because of this.”

“That’s right. Those old things always think that Su Lin is not good. This time, let them see how my son is not good.” Su Zhen had always wanted to hand the company to Su Lin to manage, but his previous ability was indeed not good. If he could manage to make a few big deals, he would be able to stand firm in the company in the future.

“I’ll definitely get your brother to thank you tomorrow. Today, he and Jiang Hui’s son celebrated together. Your sister went too.”

Hearing Su Zhen’s words, Lin Yin was a little surprised. She did not expect Su Fei to be so impatient. That was good too. If she was involved in this mess, things would be even more exciting.

“There’s no need, Dad. It’s good as long as Brother and Sister are happy. I still have to go to Lu Yan’s house tomorrow. I might not be back tonight.” “Alright, there’s nothing I have to worry about for you. Rest well.”

Su Zhen still had a smile on his face. After Lin Yin turned around, her expression was terrifyingly cold. This was her good father. Her right hand was still wrapped in gauze, but he didn’t care at all. All he thought of was earning money.

Although Lin Yin did not have many expectations for Su Zhen and Chu Yun, their actions still made her heart turn cold..

Chapter 194: Humiliated

Su Fei rushed to the venue she had arranged with Jiang Nian and saw Jiang Nian, a few unfamiliar men, and Su Lin sitting beside Jiang Nian.

“Brother?” Su Fei was a little surprised to see Su Lin. She did not expect Su Lin to appear here.

“Feifei, why are you here?” Su Lin was also very surprised. He did not expect his sister to come.

“By the way, I forgot to tell you. Feifei was bored alone, so I asked her to come too.” Jiang Nian seemed to be explaining to Su Lin, but he did not care at all.

Su Fei sat beside Su Lin awkwardly, but she heard Jiang Nian say unhappily,

“Didn’t you miss me? Why don’t you come over?”

Su Lin’s expression was ugly, and Su Fei was a little embarrassed, but she still sat beside Jiang Nian.

“Feifei, the project your brother and I are participating in this time should be very successful. We’ll cooperate a lot in the future. With you around, I trust Su Lin a lot.”

Su Fei noticed that Su Lin looked unhappy. Jiang Nian’s attitude towards Su Lin was not very respectful either. She quickly said, “Brother Jiang Nian, my brother has always been very capable. It will definitely be very successful if you two can work together.”

Jiang Nian did not reply to Su Fei. Instead, he pulled her to drink with him. Su Fei was forced to drink a few glasses and her face began to turn red.

“Brother Jiang Nian, I really can’t drink anymore.” Su Fei looked at the wine glass Jiang Nian handed her and hurriedly rejected it.

“You’re out to play. It’s only interesting if you drink a few more glasses.” Jiang Nian had no intention of letting Su Fei off. The others present were also coaxing her. No one cared about Su Fei’s situation.

Su Lin’s expression was very bad, but he did not dare to offend Jiang Nian directly. He looked at Su Fei with more blame. Su Lin did not understand why Su Fei came. Jiang Nian clearly had no intention of respecting her.

Seeing that Su Fei was already drunk, Jiang Nian became more and more impudent. He placed his hand on Su Fei’s shoulder, his tone filled with contempt for her.

“My sister is drunk. I’d better bring her back first.” Su Lin couldn’t help but stand up and say to Jiang Nian.

“What’s the hurry? Isn’t Feifei quite happy?” Jiang Nian was a little dissatisfied with Su Lin’s attitude.

If he really liked Su Fei, Su Zhen would probably send her to his bed overnight. He did not know why Su Lin cared so much about an adopted daughter.

“I’m really not exaggerating. Feifei will feel very uncomfortable when she drinks too much. I’m afraid that she’ll ruin everyone’s mood.” Su Lin went forward and hugged Su Fei. He whispered beside Jiang Nian, “I’m just afraid that you won’t have enough fun. I just heard from the Manager that there are many newcomers in this clubhouse. I’m afraid that you won’t be able to relax with Feifei around.”

Jiang Nian enjoyed Su Lin’s words. He did not expect Su Lin to be so sensible. It seemed that even if he married Su Fei in the future, he would not be affected by her. No one in the Su Family dared to offend him.

Jiang Nian smiled and silently let Su Lin and Su Fei leave.

After walking out of the private room, Su Fei was still awake, but she felt that Su Lin looked very unhappy, so she did not dare to speak.

It was not until Su Lin placed her in the car that she asked softly, "Brother, are you angry?"

Su Lin was already in a bad mood. When he heard Su Fei's words, he was even angrier.

"Angry?" Su Lin stood outside and looked down at Su Fei, who was sitting on the seat. His tone was obviously dissatisfied. "What are you thinking? Can't you tell Jiang Nian's attitude towards you? Why did you have to come and be humiliated?"

This was the first time Su Fei had seen Su Lin so angry. In the past, Su Lin had always been gentle. Even if she made a mistake, Su Lin would forgive her immediately.

Unable to hold back the tears in her eyes, Su Fei released all the grievances in her heart.

"Feifei, I'm not blaming you. I just hope you can protect yourself."

Su Lin saw Su Fei's tears and the anger in his heart was extinguished. He could not bear to see Su Fei suffer.

"Brother, I have no choice. Dad and Mom care more and more about Lin Yin. At home now, I have no status at all." Su Fei sobbed softly. Thinking of Lin Yin's smugness, the tears in her eyes flowed uncontrollably.

"If Lin Yin wants to chase me out of the Su Family one day, Mom and Dad will probably agree. Brother, I'm really too afraid. If they don't want me anymore, where should I go?"

Su Fei was really worried. She couldn't wait to rely on someone. In the past, she wouldn't have been willing to be looked down on by Jiang Nian, but now, she really didn't have the confidence.

Everyone's attitude towards her began to change because of her identity. Even her former good friends gradually stopped contacting her..

Chapter 195: Let Her Get Married

Su Lin's heart ached for Su Fei. He knew that Lin Yin's appearance had made Su Fei suffer, but Lin Yin was really not easy to deal with. Su Lin had also suffered from her.

"Feifei, don't worry. I'll think of a way. Just stay at home. No one will chase you out."

Su Lin knew that Lin Yin had always been a hidden danger buried in the Su Family. With her around, both he and Su Fei would be threatened. This time, his business was successful, and his father even chalked up the success to Lin Yin.

Su Lin did not understand why his father would trust Lin Yin so much even though it was his decision. Su Lin felt uncomfortable.

"What can I do? I'm very afraid when I see her now. I keep feeling that she won't let me off!"

Borrowing her drunkenness, Su Fei said all the dissatisfaction in her heart. She hoped that Su Lin could help her. Lin Yin made her feel a great sense of danger. Su Fei did not want to live like this for a day.

"Hasn't Lin Yin always lived in the slums? I'll ask around tomorrow. I don't believe she doesn't have any flaws."

Su Lin already had a plan. Although he did not gain anything from Chen Tao last time, he did not believe that Lin Yin would always be wary of him. As long as she was not vigilant enough, she would definitely expose herself.

Su Fei nodded. Other than trusting Su Lin, she had no way to deal with Lin Yin.

“The designated driver will be here in a while. Go home with Brother. I’ll tell

Dad.”

Su Fei did not refuse. Compared to returning to the Su Family where Lin Yin was, it was easier for her to stay with Su Lin.

Su Zhen was a little dissatisfied when he received his son’s call. After all, Su Fei was not young anymore and it was not good for Su Lin to always be with her.

Lin Yin came downstairs and heard Su Zhen and Su Lin’s conversation. She walked up to Su Zhen and said to him, “Dad, are Brother and Sister not coming back?”

Su Zhen nodded and looked at Lin Yin, who was obviously in trouble. “Little Lin said that it’s too late. He asked Feifei to stay at his place for the night and he’ll send her back tomorrow.”

Lin Yin’s eyes darted around and she deliberately said with a worried expression, “Dad, there’s something I have to tell you.”

Lin Yin looked worried, and Su Zhen became a little nervous.

“There are rumors outside that Brother and Sister’s relationship is not simple. I know that’s impossible, but if this continues, I’m afraid it will affect Brother’s reputation.”

Lin Yin seemed to be very worried that Su Lin would be affected by this matter. Seeing the anger on Su Zhen’s face, Lin Yin held back her laughter and lowered her head quietly.

“Nonsense!” Su Zhen was worried about this. After all, Su Fei was the adopted daughter of the Su Family. If word got out that Su Lin and Su Fei were related, wouldn’t the Su Family become a joke in everyone’s eyes?

“I’ll get Su Lin to send Feifei back now.” Su Zhen was about to make a call when he was stopped by Lin Yin.

“It’s okay, Dad. We know it’s impossible for Brother and Sister. But in order to prevent others from talking, we can solve the problem from the root.”

Su Zhen looked at Lin Yin, looking forward to what she would say next.

“As long as either Brother or Sister gets married, won’t the rumors that everyone is talking about be resolved?”

Su Zhen’s expression was a little serious, but Lin Yin was right. He did not dare to completely trust Su Lin and Su Fei.

The previous birthday banquet had already made Su Zhen get to know his children again. They were definitely not simple-minded people. Solving the problem from the root was indeed the best way now.

“Your brother’s career is rising now. He shouldn’t start a family immediately. Feifei can.

Seeing the hesitation in Su Zhen’s expression, Lin Yin hurriedly advised, “I heard that Sister has a good relationship with Jiang Nian. The Jiang Family is also quite capable. Sister won’t suffer if she marries over. Moreover, our family has business dealings with the Jiang Family to begin with. If we can become in-laws, it will be very helpful for our future business.”

Su Zhen nodded. Although he did not agree immediately, Lin Yin could already tell that he was tempted.

It was impossible for Su Zhen to give up such an opportunity to benefit the Su Family’s business.

Lin Yin wanted to tie Su Fei to the Jiang Family. As long as the Jiang Family got into a lawsuit and declared bankruptcy, Su Fei’s life would not be easy. Lin Yin had been looking forward to it for a long time.

When she returned to the bedroom, Lin Yin received Jiang Chen's message. Ever since Mu Heng joined, their company had gradually gotten on track..

Chapter 196: Working Hard to Learn

Jiang Chen also hired some employees. He sent a message to Lin Yin to tell her that the company's project had already started to make money.

Lin Yin was very happy. Everything was within her expectations, but school was about to start. Lin Yin was still a little worried about Lu Yan's homework.

The next morning, Lin Yin agreed to go to Shenglin Bay with Lu Yan.

It had been a while since Lu Yan revised her homework. It was not long before school started. Lin Yin wanted her to revise properly.

Lu Yan was also very hardworking. Ever since Lin Yin started tutoring her, her learning ability had improved a lot. Even without Lin Yin's supervision, she could still revise very well.

"Lin Yin, at my current level, do I have a chance of going to Nuo Pu University like you?"

Lu Yan knew that with Lin Yin's usual results, she could be directly admitted to Nuo Pu University. Of course, she also hoped to go to the same university as Lin Yin.

"It's a little difficult, but it's not completely hopeless." Lin Yin also hoped that Lu Yan could achieve better results.

“Then I can choose a design major. With my mother’s guidance, I should be able to be accepted by the school according to my specialty.”

Lu Yan also liked design very much. She did not know if it was because of her mother, but Lu Yan was also very talented in this aspect.

“Yes, that’s fine. Then work hard and stabilize your results. You should be able to be successfully accepted.”

Lin Yin and Lu Yan revised many subjects together. It was only when Lu Yan lay on the table in exhaustion that Lin Yin let her go.

As soon as Lu Ming entered the room, he saw the two little girls studying seriously. His heart ached when he saw how tired they were.

“Little Yin, Yan Yan, you’re going to university soon. Is there any school you want to go to?”

When Lu Yan saw her uncle, she thought about it and felt that Lu Ming might

be able to help a lot in school.

“Lin Yin should be able to be guaranteed admission to Nuo Pu University. I want to go to the same school as her.”

When Lu Ming heard Lu Yan’s words, he had a plan in his heart. “Nuo Pu University is a private aristocratic university. If you want to go, you don’t have to work so hard. I can directly apply for a spot for you.”

“Really? Young Uncle, everyone says that the principal of Nuo Pu University is very strict and won’t easily make an exception to admit students. Can you really do it?”

Although Lu Yan knew that her uncle was very capable, the principal of Nuo Pu University was also famous for being a stick-in-the-mud. He was not the kind of person who would give people special privileges. Otherwise, the quality of the students of Nuo Pu University would not be so high.

This was because every student was recruited for their outstanding ability. They were not qualified to enter the school just because of their family background and financial resources.

“Of course. I have twenty percent of Nuo Pu University’s shares. There’s no difficulty in getting the two of you to go there.”

Lu Ming’s tone was very calm, but Lu Yan and Lin Yin were both very surprised.

Although she knew that Lu Ming was a rare business genius, she did not expect him to be involved in so many different fields.

“Sure, Uncle. If I had known, I wouldn’t have revised so hard.”

Before Lu Yan could finish speaking, she felt a chill. She carefully looked at Lin Yin. As expected, she was staring at her. The fake smile on Lin Yin’s face did look a little scary.

Lu Yan shrank her neck and explained to Lin Yin, “I was joking. I still have to learn. I have to rely on my own hard work.”

Only then did Lin Yin’s gaze ease up a little. She said to Lu Ming, “Even if she successfully entered Nuo Pu University with your help, if Lu Yan doesn’t work hard herself, she will be eliminated quickly. She might as well try her best now.

I think Lu Yan still has a lot of potential.”

When Lu Ming heard Lin Yin’s words, he nodded in agreement. “You’re right. Then continue to study hard. Let me know if you need anything. I’ll try my best to help you.”

Lu Yan looked at her Young Uncle, who was not firm in his stance, and sighed helplessly.

It seemed like if Young Uncle was really with Lin Yin, he would probably become the type who listened to his wife completely. She still had to build a good relationship with Lin Yin. Offending Lin Yin now was even more terrifying than offending Young Uncle.

Lu Ming had just walked out of the living room when his cell phone suddenly vibrated. When he saw the caller ID, he frowned. When they reached the garden, Lu Ming picked up the call.

“Hello, Big Brother.”

Lu Ming placed the phone to his ear and Lu Zheng’s smiling voice came through the phone.

“Ah Ming, I heard from Little Wan that you have a woman in Shenglin Bay?”

When Lu Ming heard Lu Zheng’s words, the displeasure on his face deepened. “When did Big Brother have the time to care about my private matters?”

Chapter 197: Impressed by Her

Lu Zheng smiled to hide the dissatisfaction in his heart. “I’m just concerned about you. Grandpa misses you and wants you to come home this weekend.”

Lu Ming snorted and said with a smile, “Why would Grandpa want to see me for no reason? Brother, just say it. Did you say something to Grandpa again?”

“Ah Ming, you really know me,”

Lu Zheng's tone was still very relaxed, as if he was not worried that Lu Ming would be angry at all. "Little Wan and her sister are always talking about you. I'm annoyed when I hear it, so I asked them to talk to Old Master. Little Wan is quite smart and Old Master likes her too. I hope you can take it to heart and think about it."

Lu Ming's expression turned even worse. He did not expect them to target his grandfather.

Lu Ming's tone was cold, and his attitude towards Lu Zheng had clearly become impolite. "Brother, you'd better control Meng Wan. If she appears in front of me, I can't guarantee what she will do. When the time comes, you and Sister-in-law won't be able to blame me."

Lu Zheng really wanted to scold Lu Ming. His younger brother was disrespecting him more and more. He had wanted Meng Wan to marry Lu Ming to ease the relationship between the two brothers, but Lu Ming did not give him a chance at all. He was angry but did not dare to say anything to Lu Ming.

"Anyway, Old Master asked you to go back. I've brought the message. It's up to you to go or not."

Lu Zheng was dissatisfied, but his attitude towards Lu Ming was still polite.

After hanging up the phone, Lu Ming had a headache. He had never been afraid of anyone, but his grandfather was old after all. He did not dare to anger him directly. Moreover, Lu Ming had been raised by his grandfather. He did not want to make him unhappy.

Lu Ming turned around and looked at Lu Yan and Lin Yin. He had an urge to bring Lin Yin back to the Lu Family's old residence. His grandfather would definitely like Lin Yin. This way, there would be no reason to force him in the future.

However, these were just Lu Ming's thoughts. After all, Lin Yin was still young, and their relationship did not seem to have reached that stage. Lu Ming sighed softly. It seemed like when he went home this weekend, it was destined to not be too peaceful.

Lin Yin noticed that something was wrong with Lu Ming's expression and walked out of the living room.

“Uncle, did something happen?”

When Lu Ming saw Lin Yin, his expression softened. “Little Yin, didn’t we agree to call me Brother?”

Lin Yin could tell that Lu Ming had something on his mind, so she did not refute him and called him brother obediently.

“Brother Lu Ming, is there anything I can help you with?”

Lu Ming looked at Lin Yin’s obedient expression and his mood improved a lot. He subconsciously said what was on his mind, “Little Yin, if I want to bring you to see my grandfather, are you willing?”

Lin Yin was slightly stunned. Thinking about how Lu Ming had been helping her, she nodded. “If it’s what you want, I’m willing to go with you.”

Lu Ming clearly did not expect Lin Yin to say this. He looked at the girl in front of him happily and resisted the urge to hug her.

“Thank you, Little Yin. I’m in a much better mood.” Lu Ming really wanted to keep Lin Yin by his side forever and not care about anyone’s opinion.

Lin Yin and Lu Yan had been studying in Shenglin Bay. After Lu Ming finished his work, he would return to Shenglin Bay to rest. Even Shen Yu realized that as long as Lin Yin was around, his boss would be especially anxious to go home.

Lu Ming was in a much better mood when he was with Lin Yin and Lu Yan. It was not until they returned to the Lu Family’s old residence on the weekend that he became troubled again.

“CEO Lu, are you feeling unwell?” Shen Yu drove and realized that his boss didn’t look too good. He missed Miss Lin Yin a little.

With her around, Lu Ming smiled a lot more. Even his colleagues realized that their boss's temper had improved a lot recently.

"No, but I'm afraid I'll feel uncomfortable later." Lu Ming pressed his swollen temples. At the thought of facing his grandfather, he subconsciously felt a little nervous.

Shen Yu knew that Lu Ming had been brought up by his grandfather when he was young. Lu Ming had always had a good relationship with his grandfather, but he did not know why he was suddenly so resistant to going home.

Shen Yu did not dare to ask further. He only sent Lu Ming to the Lu Family's old residence while he was led to the side by the servants to rest and wait.

Lu Ming's footsteps were a little heavy, and he had a bad feeling.

As expected, when she entered the lobby, she saw a few people she didn't want to see.

"Ah Ming, you're finally here. Old Master has been looking forward to you."

Lu Ming's sister-in-law, Meng Shu, was also a sexy and charming woman like Meng Wan, but she was not Lu Zheng's first wife..

Chapter 198: Lu Family Old Mansion

Lu Zheng's first wife, Sun Wei, was from a prestigious family like the Lu Family. However, her health had never been good, and she had never had a child. Lu Zheng quickly lost interest in her and never settled down outside. Sun Wei's accumulation of sadness turned into illness and she died before she was 30 years old.

Although Old Master Lu blamed Lu Zheng and brought him to apologize to the Sun Family, Sun Wei was weak to begin with. The Sun Family could not make things too difficult for Lu Zheng, but their relationship with the Lu Family gradually became distant.

The second year after Sun Wei died, Lu Zheng brought Meng Shu back to the Lu Family. Although Old Master was dissatisfied, Meng Shu was already pregnant with Lu Zheng's biological child, a pair of twins.

Even if Old Master was unwilling, he would not go against the Lu Family's bloodline. Meng Shu naturally married into the Lu Family.

However, Lu Ming had never liked this sister-in-law who obviously had impure motives. The entire Lu Family was a little dissatisfied with Meng Shu because of Lu Ming's attitude.

Meng Shu's life was a little better after the Lu Family split up, but she did not dare to offend Lu Ming. She even wanted her sister to marry Lu Ming. After all, the Lu Family's business was still in Lu Ming's hands.

Lu Ming ignored Meng Shu and glanced coldly at Meng Wan and Lu Zheng before walking to Old Master Lu's side.

"Grandpa, why did you ask me to come back?"

Old Master Lu was originally happy to see Lu Ming, but he was still a little angry when he heard Lu Ming's words. "Why? Can't I call you back for nothing?"

"Grandpa, I'm usually very busy with work." Lu Ming was a little helpless. Ever since his grandfather got older, he had become much more willful.

"Busy?" Old Master Lu slammed the teacup on the table and reprimanded Lu Ming, "What are you busy with? You raised a woman in Shenglin Bay and let her bully Little Wan? That child's face has been swollen for more than half a month. You actually let your family suffer so much for that shady girl. Lu Ming, I think you're crazy!"

Hearing Old Master's words, Lu Ming looked at Meng Wan coldly. This woman was really like her sister, willing to stir up trouble.

Meng Wan trembled under Lu Ming's gaze. She held her sister's arm tightly, wishing she could hide.

"Who are you scaring?" The Old Master noticed Lu Ming's gaze and was even angrier at him. "I've never seen you have any feelings for women. What kind of cunning girl can make you like this?"

Lu Ming took a deep breath and tried to look calm. After all, he was his grandfather. It was impossible for Lu Ming to argue with him.

"Grandpa, first of all, there's no shady woman beside me. Moreover, Meng Wan has nothing to do with our Lu Family. If you insist on standing up for her, I'm afraid you'll be disappointed."

Although Lu Ming's tone was calm, no one present dared to refute him. Even the Old Master did not dare to really fall out with Lu Ming.

He was unwilling to go home now. If he fell out with him, with Lu Ming's personality, no one would be able to persuade him.

When Meng Wan heard Lu Ming's words, her face turned pale. Meng Shu felt very uncomfortable. She knew that in Lu Ming's heart, not to mention Meng Wan, even she was not considered a member of the Lu Family.

Lu Ming had always cared for Lu Yan, but he never cared about Lu Yue and Lu Xiao. Meng Shu felt aggrieved, but she could not do anything to Lu Ming.

"Ah Ming, sit down quickly. It's rare for us to be home. It's rare for our family to be together. Don't hurt the harmony."

Lu Zheng stood up to smooth things over, but Lu Ming had no intention of accepting it.

“Where’s Second Brother? Why don’t I see him return?” Lu Ming and Lu Jin had a better relationship, but he knew that Lu Zheng had been secretly dealing with Lu Jin. He could not find anything on his eldest brother, so it was not easy for him to resolve it. He could only provide some help to Second Brother in private.

When Old Master heard Lu Ming’s words, he snorted. “Second Brother is useless. He surrounds that crazy girl Ren Xue every day and doesn’t care about his career. I think he doesn’t care about me at all.”

When Lu Ming heard Old Master’s words, he understood that Lu Zheng did not play a good role in this.

“Grandpa, with your words, Second Brother won’t dare to come back even if he wants to.”

Lu Ming knew that Old Master had never liked Ren Xue. Back then, Second Brother had quarreled with his family for a long time for Ren Xue and almost cut ties with them. It was Lu Jin’s mother who was soft-hearted and could not bear to see her son suffer, so she tacitly allowed Ren Xue to enter the family..

Chapter 199: Forced Marriage

However, Lu Jin’s relationship with the Lu Family had also become distant, especially with his father.

Ren Xue knew that the Lu Family didn’t like her, so she couldn’t be bothered to provoke them. Lu Yan only returned to the Lu Family once after she was born. Seeing that everyone’s attitude towards her was obviously cold, she never returned.

Lu Jin did not want his wife to suffer either. He also had less contact with the Lu Family and would not show his face unless it was something important.

As the Old Master was extremely dissatisfied with the marriage of these two grandsons, he was especially concerned about Lu Ming’s marriage. He introduced many children from famous families to him, but Lu Ming rejected them all.

Lu Ming's parents lived overseas all year round and were very at ease with Lu Ming. They did not want to interfere with Lu Ming's marriage, so Old Master was anxious and had no choice.

Although Meng Wan's family background was average, her sister, Meng Shu, was still considered virtuous and sensible. Meng Shu was usually fawning over the Old Master. As time passed, the Old Master felt that she was a good candidate. After all, she was obedient and sensible. She could manage family matters well and was considered a good marriage partner.

"I'm old now, and I can't control you juniors. Your father used to make me worry a lot. None of you are obedient."

The Old Master was a little agitated and coughed a few times.

Lu Ming hurriedly went forward to calm the Old Master down and softened his tone. "Grandpa, are you so worried about me? Have I done anything wrong since I was young?"

The Old Master calmed down a little. Looking at his dignified grandson in front of him, although he was happy, he could not help but worry.

"Ah Ming, you're indeed very outstanding. Every decision you made since you were young was right. It's also because of you that our Lu family's business is getting bigger and bigger. I won't forget your contributions."

Old Master Lu pulled Lu Ming to his side earnestly and a loving smile appeared on his old face. "But you're almost 30 years old and it's time for you to start a family. Only by starting a family will your career be more stable and you won't have any worries. The media might not spout nonsense if you're always alone. I've seen a report previously that said that your relationship with Assistant Shen is not ordinary. I won't allow anyone to slander my grandson like this, so I made them go bankrupt."

Lu Ming knew about this. At that time, it was because he had drunk a little too much that Shen Yu helped him into the car and was photographed by the reporters. That was why there were such ridiculous rumors.

However, just as he was about to deal with it, he realized that this media outlet had disappeared. Lu Ming originally thought that they were afraid of offending the Lu Family, so they hid. He did not expect that it was his grandfather who was behind it.

Lu Ming felt a warmth in his heart. Old Master still cared about him.

“So, Ah Ming, it’s good for everyone if you get married early. I think Little Wan is not bad. She’s gentle and beautiful. The two of you look good together.”

Before Old Master could finish speaking, Meng Wan, who was sitting at the side, lowered her head in embarrassment. She had been looking forward to this moment for a long time. If she had not seen Lin Yin, Meng Wan might not have been as anxious as she was now.

“Grandpa, you’re old and your vision doesn’t seem to be that good,” Lu Ming said willfully.

The Old Master was so angry that he laughed. “Only you dare to talk to me like that!”

Old Master knew that he could not force Lu Ming, so he relaxed his tone. “Then tell me, what kind of person do you like? I can help you.”

Lu Ming thought for a moment and decided to take this opportunity to mention Lin Yin. If Old Master thought that he didn’t have anyone he liked, he would have to go on blind dates.

“I’ve already chosen the person I like. I’m just afraid that you won’t agree, Grandpa.”

When the Old Master heard Lu Ming’s words, he frowned unhappily. “What? Do you really like that wild girl who hit Little Wan?”

Lu Ming was a little unhappy. He nodded. “Yes, but she’s not some wild girl.”

After Meng Wan heard Lu Ming's words, her expression turned extremely ugly. She had thought that Lu Ming was not serious about the little girl. She did not expect Lu Ming to mention that girl in front of his grandfather.

Meng Wan could not sit still. If she really let that girl marry Lu Ming, wouldn't she have no status in the Lu Family in the future?

"Brother Lu Ming, it's fine if you don't like me, but that girl is definitely not a good choice. She has no upbringing at all. She's willful and vicious. You can't be deceived by her."

Meng Wan was a little agitated. When she spoke, her eyes were a little moist. She did look worried for Lu Ming..

Chapter 200: Bring Her Home

Lu Ming turned to look at Meng Wan, and the temperature around him dropped a little.

"Miss Meng, is this how your upbringing is?" Lu Ming paused for a moment and looked at Meng Shu.
"That's true. Your Meng family's upbringing has always been like this."

"!!" Meng Wan could not hold it in anymore. She cried even more anxiously after being reprimanded by Lu Ming.

Meng Shu's expression was also very bad as she looked helplessly at Lu Zheng beside her.

"Ah Ming, I heard from Little Wan that that girl has a good relationship with Lu Yan. She must be very scheming. Don't be deceived by her just because you find it fresh."

Lu Zheng actually hoped that Lu Ming would offend his grandfather because of a woman, but seeing that his wife was aggrieved, he could not stand by and do nothing.

“Brother, even you can’t fool me. She’s just a little girl. Can she fool me?”

Lu Ming noticed the unnatural expression on Lu Zheng’s face and added, “Besides, I, Lu Ming, have always been unwilling to care about that kind of brainless woman. Unlike Big Brother, who’s never been picky.”

“Ah Ming! Even if you like that girl, you don’t have to mock me like this, right?” Lu Zheng stood up angrily and said to Lu Ming and Old Master, “Grandpa, as the eldest brother, I can’t persuade him anymore. I think that girl is very skilled. Grandpa, you don’t have to waste your efforts. Just let Ah Ming do whatever he wants.”

Lu Zheng left the hall angrily. Meng Shu and Meng Wan left with him. Before Meng Wan left, she still looked at Lu Ming reluctantly, but Lu Ming refused to even give her a glance.

“Look at you. You angered your brother so much that he left. Is that girl really that good?”

Old Master Lu sighed. In his heart, Lu Ming was much more important than Lu Zheng.

After living for so long, how could Old Master not tell what his grandson was thinking? Although Lu Zheng looked obedient and filial, Old Master knew that he was the most ambitious. Although Lu Jin and Lu Ming were usually a little rebellious, they were the ones who really took the Lu Family to heart.

“Grandpa, don’t worry. She might not even like me,” Lu Ming said deliberately aggrievedly.

As expected, the Old Master’s reaction was even stronger.

“What? There’s someone who doesn’t like my grandson?”

Lu Ming nodded and said in a troubled tone, "It's not just me. The youngest son of the Mu family is also chasing after her, but she doesn't seem to like anyone."

The Old Master's eyes widened even more. Even the children of the Mu family liked that girl. This made him a little curious about Lin Yin, whom he had never met before. His intuition told him that she was not simple.

"Can't you compare to the Mu family's children?" The Old Master was a little angry. The Mu family's old man had been his opponent since he was young.

The two of them had been at loggerheads in the army. Both of them were ambitious and capable. They admired each other but were not convinced.

Back then, the old man of the Mu Family had a son and a daughter and always flaunted the benefits of having a daughter to him. However, the Old Master had three sons in a row. He was a little indignant and felt that he had lost to the old man of the Mu Family.

When it came to grandchildren, the Lu Family had three more grandchildren. Fortunately, the Mu Family had also given birth to boys and they were not married yet. It could be considered that he had made a comeback.

Now that Lu Ming and the Mu family's child had taken a fancy to the same girl, Old Master would not allow his grandson to lose.

"Ah Ming, bring that child to show me one day. You're so good. There's no reason for her not to like you."

Lu Ming smiled. He knew that it was more useful to mention the Mu family's children than anything he said. Grandpa's competitiveness was all used to compete with the Mu family.

After chatting with his grandfather for a while, Lu Ming returned to Shenglin Bay. Shen Yu realized that his boss looked much better, and he was relieved.

Lu Ming got into the car and wanted to contact Lin Yin and tell her about this, but when he looked at the time, he realized that it was a little late. Afraid that it would affect Lin Yin's rest, he decided to talk about it tomorrow.

Lin Yin, who was preparing to rest on the bed, received a call from Mu Ran.

"Little Yin, there's indeed something fishy Zhou Wei, who stabbed you last time."

Mu Ran's voice was especially clear in the quiet bedroom.

"He used to be called Li Wei. A rich foreign businessman sponsored him. He changed his surname to Zhou out of gratitude. That person was Zhou Li."

When Mu Ran heard that Lin Yin did not answer, she continued, "I heard from Second Brother that you're also investigating Zhou Li. It seems like he's indeed not simple.."
