

## Real Daughter 321

### Chapter 321: Show Mercy

Zhao Zhi was so angry that his face was red, but he did not dare to say anything to Lin Yin. He just stood beside Zheng Chao resentfully.

Lin Yin was clearly talking about Zhao Zhi, but Su Fei's mood was even worse because Lin Yin was practically calling her a bitch. She was so angry that she cursed Lin Yin in her heart.

Zheng Chao felt uncomfortable when he saw Lin Yin not giving him any face. But it didn't matter. Hadn't Su Fei despised him like this in the past?

'What about now?'

Su Fei was still like a dog that he could trample on as he pleased.

It was fine. He had patience. He would wait until Lin Yin fell from the high clouds, just like Su Fei now.

At that time, he would definitely torture Lin Yin and let her know that she, Lin Yin, could not afford to offend Zheng Chao.

Zheng Chao returned to his seat with a faint smile on his face.

At this moment, when Hu Ba, who was late, saw Lin Yin's attitude, the muscles on his face twitched twice. He went forward and asked with a smile, "I wonder how my guests offended you. Can you give me face and let these guests go?"

Hu Ba didn't know Lin Yin, but looking at Lin Yin's posture, she must have come from an unusual family, so he lowered his posture.

Lin Yin looked up at the man in front of her. He didn't look old and was in his forties. How did he become Zhou Wei's godfather?

These gangsters' relationships were really messy.

"Hu Ba?" Lin Yin's voice was very soft, but it was cold and intimidating.

The lackey beside Tiger Scar said bluntly to Lin Yin, "Where did this brat come from? You actually dare to call Brother Ba by his nickname. Do you have a death wish?"

As soon as the underling finished speaking, Sun Biao kicked the underling's waist, and his hands fell on the ground and broke.

Sun Biao continued to step on the underling's chest. The underling instantly vomited blood and lay on the ground hugging Sun Biao's leg, begging for mercy.

Sun Biao said evilly, "Is my great-aunt someone you can casually point at? If you continue to show off, I'll cripple you!"

Hu Ba hurriedly said, "I didn't discipline him well. Please show mercy. I'll teach him a lesson later and calm her down."

Sun Biao glanced at Lin Yin and received her nod. Only then did Sun Biao loosen his grip.

Lin Yin looked at Hu Ba and said, "You don't have enough face to deal with the person I want to deal with. However, I have something to ask you. If you give me the answer I want, I can give you face. "

Hu Ba looked at Lin Yin and knew that this woman was here to cause trouble.

However, he, Hu Ba, had been in entertainment venues for so many years. He was really not afraid of such a little girl.

Hu Ba said with a smile, "It's not convenient to talk here. Why don't we move to the private room inside?"

Lin Yin had the same intention. She nodded and stood up lazily. She smiled at

Tiger Scar and said, "Lead the way!"

Tiger Scar respectfully invited Lin Yin away, and the people who were suppressed by Sun Biao and the other bodyguards were also taken away.

Everyone began to guess Lin Yin's identity.

"Which family is this beautiful girl from? Why is she so arrogant?" "That's right. I've never seen her before. She looks very unyielding."

"I've never seen Brother Ba so easy to talk to before. It seems like she has a powerful background!"

"I heard from them just now that this woman's name is Lin Yin. Why do I feel that it sounds familiar?"

"You don't say. I think it's a little familiar too. I seem to have heard it somewhere! No! I've seen it before. I remember now. Isn't the new chairman of the Shisheng Corporation called Lin Yin?"

"Could it be her? My parents said that this Lin Yin is a ruthless person. She directly took 70% of the Su Corporation's shares. She's too fierce!"

"I heard that too. She's still a high school student, but she's already the chairman of a corporation. She's too scary. No wonder she's so confident!"

"Fortunately, I didn't offend her just now. Otherwise, I would be in trouble. I'll probably have to wait for my parents to beg Lin Yin to let me go."

“That’s right. She’s not on the same level as us. If our parents come, they’ll probably have to bow down to Lin Yin and please her. She’s naturally unyielding! ”

“Anyway, I’ll remember this face. In the future, if I see Lin Yin, I’ll hide far away. I don’t dare to provoke her!”

“You don’t dare, and neither do I. I heard that she has the Lu and Mu families behind her..”

Chapter 322: Confrontation

Listening to everyone’s discussion of Lin Yin, Su Fei’s heart was filled with jealousy. While she was distracted, her swollen face was slapped again.

Su Fei looked up angrily at Zheng Chao, who had hit her, and asked with red eyes, “Why did you hit me?”

Zheng Chao sneered at Su Fei. “So what if I hit you? Are you unconvinced?” Su Fei lowered her head to hide the surging humiliation and hatred in her heart.

Seeing Su Fei like this, Zheng Chao’s anger toward Lin Yin dissipated a little.

He could step on the eldest daughter of the Su Family. One day, he could also step on the other daughter of the Su Family.

Lin Yin, who had followed Hu Ba to the private room, sat calmly in her seat and said, “Hu Ba, you can come in alone.”

Hu Ba smiled and followed suit.

In his territory, he didn't think Lin Yin could do anything to him.

Soon, only Lin Yin, Hu Ba, and Sun Biao were left in the room.

"I wonder what you want to ask me?" Hu Ba looked at Lin Yin like a wolf in sheep's clothing and asked.

Lin Yin didn't beat around the bush and asked directly, "Do you know Chu

Yun?"

Hu Ba's stunned expression flashed across his eyes. Then, he smiled and said,

"I really don't know. Who is this Chu Yun?"

Lin Yin looked at Hu Ba, who was obviously trying to hide it, and asked, "Then do you know Zhou Wei?"

Hu Ba, who was already mentally prepared, was a little calmer this time. He said naturally, "I think I've heard of him. He seems to be a regular customer of our shop. However, I've had less contact with him. I wonder if this counts as knowing him?"

Lin Yin played with her cell phone and stared at Hu Ba opposite her with her sharp eyes. When Hu Ba felt a little uncomfortable, Lin Yin said, "Hu Ba, there's a price to pay for talking nonsense."

Hu Ba had lived for so many years and was not frightened.

Faced with Lin Yin's warning, Hu Ba only smiled and said, "Little girl, you'll be stuffed if you're so arrogant. It's better to keep a low profile."

"Then I'll say this too. I have to get an answer today. Otherwise, I won't be able to keep a low profile!" Lin Yin's faint smile was imprinted on her face, and she looked calm.

Hu Ba's eyes turned cold. Since they could not negotiate, there was no need to maintain a superficial casualness.

As soon as Hu Ba's door opened, the people outside started fighting.

Sun Biao immediately went forward to join the battle. For a moment, all kinds of commotion spread.

Outside, Su Fei heard the commotion inside and became excited. Was there a fight?

She had heard that this Hu Ba had the backing of a big shot.

It would be best if Lin Yin provoked some impressive big shot and was killed.

No! She should die after suffering humiliation like her.

Thinking about it made Su Fei feel happy.

She had to let Lin Yin taste the damage she had suffered. Only then would it be fair.

On the other hand, Lin Yin was a little surprised. She did not expect that the thugs under Hu Ba were not too trashy. They could actually withstand Sun Biao and the others.

Hu Ba looked at Lin Yin, who was still calm, and said with a smile, "Little girl, you'd better get your people to stop and leave secretly. Otherwise, if there's any broken arms or legs later, you can't blame me."

Hu Ba only said that, but the thugs had already taken out many knives and axes from the dark. The people in the outer hall who were watching the show began to scream and run out.

Just as the battle was about to turn incandescent, a group of men in black suddenly surged in from the door.

Everyone was instantly frightened and hid to the side because they realized that the group of men in black were actually carrying guns.

Su Fei and the others did not expect to encounter such an exciting scene. They all thought that this was the power of the nightclub owner.

It seemed like Lin Yin had kicked an iron plate this time.

Su Fei thought happily to herself that there would be a good show to watch.

She was so excited that she could not even feel the heat on her red and swollen face.

However, she did not expect that the person who came was Lu Ming.

The people who were still fighting inside were shocked by the sudden appearance of a group of armed men in black and stopped what they were doing.

Lin Yin was about to ask what was going on outside when Lu Ming pushed the door open with a murderous aura and kicked Hu Ba aside..

Chapter 323: I'm Fine

Then, the frost on Lu Ming's face dissipated and he put on a worried expression. He pulled Lin Yin and asked, "How is it? Did it hurt you?"

When he heard that Lin Yin had brought people to the Charm Club, Lu Ming was a little worried. Fortunately, he was here. Otherwise, if anything had happened to Lin Yin, he wouldn't have been able to take it.

Lin Yin smiled at Lu Ming and said, "I'm fine."

Lu Ming heaved a sigh of relief and was a little angry. Lin Yin actually came to take the risk herself and was unwilling to ask him for help.

This made Lu Ming feel a little disappointed and afraid.

He scratched Lin Yin's nose in annoyance, but in the end, he couldn't bear to criticize her.

Seeing the two of them flirting in front of him, Tiger Scar held his aching waist and glared at Lu Ming. "Where did this Young brat come from? How dare you behave atrociously in my territory!"

At this moment, the lackeys outside the house were about to inform their boss, who did not know what had happened inside.

In the end, the black muzzle of the gun was pressed against his head, and he shut up on the spot.

At this moment, Hu Ba realized that something was wrong. Why was it so quiet outside?

Hu Ba asked Lu Ming coldly, "What did you do?"

Lu Ming turned around and looked at Hu Ba coldly. He said in an imposing tone, "Of course, I'm going to destroy your shop."

Hu Ba suddenly smiled and said fearlessly, "You two are really a couple. Even your tone is the same. Kid, let me tell you, if you want to destroy my shop, you should think about yourself first. Don't get yourself into trouble because you're a hero saving a damsel in distress."

Lu Ming was originally quite angry, but when he heard the person opposite

him say that he and Lin Yin were a couple, Lu Ming was in a good mood and said, "On account of your good judgment, I'll leave your corpse intact later."

Hu Ba sneered in disdain. He did not think that Lu Ming had the ability to touch him. He had a backer.

However, the next second, Lu Ming's silver pistol was aimed at Hu Ba, scaring him so much that the flesh on Hu Ba's face trembled irregularly.

At this moment, Hu Ba finally understood why it was so quiet outside. Everyone must have had a gun pointed at them.

Looking at the black muzzle, Hu Ba swallowed nervously and looked in Lin Yin's direction for help.

As someone who had been in the entertainment industry for decades, Hu Ba could tell that this person with the gun was very obedient to the little girl in front of him.

Lin Yin looked at Tiger Scar's pleading gaze and shrugged, indicating that she was helpless.

Hu Ba had no choice but to look at Lu Ming and say, "You can't kill me. The boss behind me is one of the eight aristocratic families. If you dare... Ah!" A gunshot sounded. Hu Ba was shot in the calf and knelt on the ground.

Lu Ming said with a cold expression, "Is that so? Eight aristocratic families?"

Tell me, which one is it? This way, I can find my way to seek justice for my Yinyin,"

Hu Ba wailed as he listened to Lu Ming's words. His heart felt a little cold. He began to realize that he seemed to have provoked someone he shouldn't have.

Hu Ba looked at Lin Yin with sweat all over his forehead and said loudly, "Fine, I'll say it, okay?"

For Hu Ba, the most important thing now was to keep his life.

Lin Yin pulled Lu Ming back and said, "Brother Lu Ming, I still have something to ask him. Can we pause for a while?"

Lu Ming enjoyed Lin Yin calling him Brother Lu Ming. He nodded repeatedly and said gently, "Okay! I'll do as you say!"

Hu Ba, who had saved his life, heaved a sigh of relief.

After Lu Ming tied Hu Ba to the chair, he said to Lin Yin, "I'll wait for you outside."

Lin Yin looked at Lu Ming's back as he left, her heart filled with tenderness.

This man had a sense of propriety and was suitable to advance and retreat. It really made her feel safe.

Retracting her gaze, Lin Yin looked at Hu Ba and said, "Answer it yourself."

Hu Ba endured the pain of his wound and said, "Zhou Wei is my godson on the surface, but in fact, his godfather is called Zhou Li. That Chu Yun was Zhou Li's former lover. That's all I know."

Lin Yin frowned in disbelief and asked, "Is that all? Are you sure?"

Hu Ba thought for a moment and really could not think of anything else. He said with a pained expression, "Grandaunt, I'm just the person Zhou Li arranged to watch over Zhou Wei here. I don't know anything else." "Chu Yun has a daughter. Was she born with Zhou Lisheng?" Lin Yin asked..

Chapter 324: Big Brother's Territory

Hu Ba frowned and said, "I really don't know about that. I only know that Chu Yun and Zhou Li were together for a period of time. I'm not sure about the rest "

"You just said that you have the backing of the eight aristocratic families. Which one is protecting you?" Lin Yin continued to ask.

Hu Ba's expression flickered a few times.

Lin Yin smiled and said, "Why don't I get him to come in to talk to you?"

Hu Ba instantly trembled and hurriedly said, "It's the Lu Family." Lin Yin was stunned. How could it be the Lu Family?

"What's the relationship between the Lu Family and Zhou Li?" Lin Yin's expression darkened.

Seeing Lin Yin's expression change, Hu Ba panicked a little and said, "I really don't know what their relationship is. This place belongs to the eldest young master of the Lu Family, and I'm just a guard. As for Zhou Li, it's just because I knew him before, so I helped Zhou Li and looked after Zhou Wei."

"If you dare to lie, you know the consequences." Lin Yin looked at Tiger Scar fiercely.

Tiger Scar said with a bitter expression, "How can I dare to lie now? My life is in your hands."

Lin Yin looked at Hu Ba's sincere expression as if he was really not lying.

This way, Lin Yin could relax a little. If Zhou Li got involved with the Lu Family, it would be difficult.

Lin Yin walked out. When Lu Ming saw Lin Yin come out, he went forward and asked, "Have you asked?"

Lin Yin nodded slightly and said, "Hu Ba said that his backer is your brother. But from what he said, what I want to know has nothing to do with your brother. "

Lu Ming did not expect this matter to involve his brother, which surprised him.

However, Lin Yin's words made Lu Ming a little happy. This meant that Lin Yin was explaining to him.

No matter what, Lu Ming was in a good mood.

"Since it's someone that's working for your brother, why don't we forget about it? Otherwise, you and your brother will be estranged," Lin Yin persuaded.

Lu Ming said disapprovingly, "We still have to teach him a lesson. If I hadn't arrived in time today, who knows what would have happened."

Lin Yin nodded slightly and said, "Alright, you deal with it."

As she spoke, Lin Yin turned around and saw a group of people standing at the door.

All the people under Hu Ba were surrounded in a corner by Shen Yu and his

men.

Sun Biao watched from the side with a carefree expression.

Seeing that Lin Yin and Lu Ming had finished speaking, Sun Biao went forward and asked Lin Yin, "Boss, are you going back?"

Lu Ming glared at Sun Biao. Going where? Lin Yin was going back with him later.

Before Lin Yin could speak, Lu Ming said, "Sun Biao, go back first. Yinyin and I will go back together."

Sun Biao looked at Lin Yin and asked for her opinion.

After Lin Yin nodded at Sun Biao, Sun Biao left with his men. Then, Lu Ming said to Shen Yu, "Bring the people inside away later."

Shen Yu nodded at Lu Ming and brought a few people in.

Lu Ming grabbed Lin Yin's hand and said, "Since it's my brother's territory, we have to drink a few glasses and make him bleed."

With that, Lu Ming brought Lin Yin to the bar counter under everyone's gaze.

The bartender looked at the imposing Lu Ming and was so afraid that he hid in the corner, not daring to make a sound.

To be able to command so many people, and all of them were armed, he was definitely not a simple man.

Lu Ming looked at the bartender who was hiding in the corner like a quail and said indifferently, "Two cups of your specialty drinks."

The bartender swallowed before walking over with trembling hands.

Lin Yin smiled and said, "You don't have to be nervous. He won't do anything to you."

The bartender laughed dryly, then lowered his head and quietly went about his business.

Lu Ming turned to look at the crowd who were looking at him and Lin Yin silently and frowned slightly.

At this moment, Su Fei wished she could hide.

Beside Lin Yin was a big boss who could control the entire venue, and the man beside her was like a mouse seeing a cat when he saw Lu Ming. He did not dare to make a sound.

Such a comparison made Su Fei extremely jealous..

Chapter 325: Touching Her Head

Lu Ming's gaze swept across the room indifferently, scaring everyone present into a cold sweat.

After all, the people who had pointed guns at them were still there.

At this moment, Lu Ming was like a demon in their eyes.

Hence, no one dared to move.

Lin Yin smiled and said, "You look like a demon. Everyone's afraid of you."

Lu Ming suddenly smiled. When the people opposite saw the devil smile and look away, everyone took a deep breath.

"It's fine as long as you're not afraid of me. I don't care about the others," Lu Ming said to Lin Yin with a smile.

The smile on the devil's face instantly made everyone realize how much Lu Ming valued the woman in front of him.

Zheng Chao, who was originally looking forward to trampling on Lin Yin when she went bankrupt, thought in fear that fortunately, he had not done anything yet.

It depended on Lu Ming's attitude towards Lin Yin. Even if Lin Yin was poor, she was not someone he could bully.

Unless the Lu Family fell, but how could this aristocratic family that had been around for a hundred years fall just like that?

At this moment, Zheng Chao seemed to have suddenly thought of something. Perhaps not. Didn't a big family fall 20 years ago?

Later on, he heard that it had been divided up and there was no news of it now.

However, Zheng Chao was just thinking about it. He looked at the noble man sitting at the bar and pushing the wine in front of Lin Yin with a smile.

In order to avoid unnecessary trouble, Lin Yin rarely drank. After all, alcohol messes the brain up.

However, with Lu Ming by her side today, Lin Yin became bold. She picked up her wine glass and tasted it slowly.

A sweet fragrance instantly bloomed on the tip of Lin Yin's tongue. It was mellow and sweet.

Lin Yin's eyes lit up slightly. She smiled and said, "This tastes good. Looks like your brother has good taste."

Lu Ming took a bite too. It tasted good, but it was not strong enough.

But thinking that this was what Lin Yin liked, Lu Ming liked this wine a little more.

With Lu Ming's company, Lin Yin drank a few more glasses.

Her face was red and her steps were fleeting. Her charmingly naive appearance amused Lu Ming.

Lu Ming took the opportunity to pinch the flesh on Lin Yin's face and asked softly with a doting expression, "Yinyin, are you okay? Do you want to go back?"

Lin Yin shook her cute little head and pointed at Lu Ming with a silly smile.

"We're not going back. Let's continue drinking. It's delicious!"

Lu Ming smiled and rubbed Lin Yin's head, but Lin Yin pushed him away.

Lin Yin muttered, "Don't touch my hair. It's like touching a small animal. I'm not a puppy or kitten."

Lu Ming replied patiently, "Okay, okay, okay. I won't touch it!"

Unexpectedly, Lin Yin suddenly looked up at Lu Ming. Her lips pursed and her eyes turned red. Then, she said with an aggrieved expression, "But you've already touched it."

Lu Ming hummed softly and dragged out the last word. He pretended to be serious and asked, "Then what should we do?"

Lin Yin pointed at Lu Ming's head with her index finger and smiled. "I'll touch yours too. We're even!"

Lin Yin's voice was not soft. Everyone heard it. They widened their eyes and looked at the ignorant Lin Yin.

How could the dignified young master of the Lu Family, such a domineering and noble person, lower his noble head and let Lin Yin touch him?

Even Shen Yu and the bodyguards behind him silently looked at the bold Lin Yin.

Everyone felt that it was impossible for Lu Ming to lower his head and let Lin Yin touch him in public.

Su Fei also looked at Lin Yin in disdain. She mocked Lin Yin for being arrogant because of her favor, so she was waiting to see Lin Yin make a fool of herself.

At this moment, Lu Ming was so happy that he was about to explode.

Lin Yin actually wanted to touch his head. This was the first time Lin Yin had made such an intimate request.

Seeing that Lin Yin's mouth was about to continue to flatten, Lu Ming leaned his head into Lin Yin's palm. His speed was so fast that it was as if he was afraid that if he was late for even a second, Lin Yin wouldn't want to touch him.

Lin Yin did not stand on ceremony and rubbed Lu Ming's head happily.

Everyone widened their eyes in shock as they watched the unbelievable scene in front of them.

Lu Ming was actually so shameless for Lin Yin.

If it was in the past, who would have thought that the dignified Young Master Lu would take the initiative to stick his head out and let a drunk girl touch him?

Shen Yu and the bodyguards instantly turned their heads away. It was better for them to not see such a scene. Otherwise, if Lu Ming mentioned it one day, they would be in trouble..

Chapter 326: Patient Coaxing

At this moment, the drunk Lin Yin did not sense everyone's thoughts at all. She was immersed in the soft touch in her hand and thought of the obedient golden retriever. She stroked it happily.

After Lin Yin was satisfied, Lu Ming helplessly grabbed Lin Yin's hand and said softly, "Be good. Let's touch it when we get back, ok?"

The nightclub, which should have been filled with music, was actually quiet at this moment. Everyone sighed and pricked up their ears to listen to Lu Ming's gentle and doting voice. They were shocked and their gazes landed on Lin Yin, waiting for her reaction.

After all, Lu Ming had already compromised so much. Lin Yin would probably stop while she was ahead.

Unexpectedly, Lin Yin still looked at Lu Ming unhappily with an accusing expression. She pouted and said unhappily, "Return my dog to me!"

Lu Ming held Lin Yin's hand helplessly and pinched the soft flesh on his cheek with his slightly rough hand. He said gently, "Come back with me and I'll return your dog to you."

Lin Yin tilted her head and looked at Lu Ming with her watery eyes. She asked innocently, "Really?"

Seeing such a cute Lin Yin, Lu Ming's heart softened. His hand lingered on Lin

Yin's face and he chuckled. "Really, I've never lied to you."

Lin Yin nodded in a daze and said, "Alright, I'll go back with you. You can't lie to

Lu Ming smiled and gently pulled Lin Yin to his side. He smiled and said, "I'm not lying to you. If I lie to you, I'm a puppy."

With that, Lu Ming held Lin Yin's hand and left in an absolutely protective manner, as if he was holding the hand of a child.

Everyone in the shop was left in a mess under the dim light.

Everyone was doubting themselves. Just now, Lu Ming, the all-powerful Lu Ming, actually said such childish words to coax Lin Yin. This was too difficult to accept.

Hence, the scene of Lu Ming and Lin Yin was spread by someone.

In a short period of time, the news of Lu Ming coaxing a drunk little girl home at a nightclub spread like wildfire.

Shen Yu looked at Lu Ming, who was gently tidying Lin Yin's hair in the backseat, and asked, "Boss, someone posted the matter between you and Miss

Lin Yin online just now. Do you need me to deal with it?"

Lu Ming looked at Lin Yin, who was lying on his lap, his eyes filled with love.

Without looking up, he said, "You don't have to deal with it. This is good."

Shen Yu, who had been Lu Ming's assistant for so many years, naturally would not miss the glint in Lu Ming's lowered eyes and the evil smile on his lips.

Shen Yu smiled in his heart. He should have known that this would happen.

Actually, when he was at the nightclub, he had already noticed those people's cameras. When he wanted to stop them, Lu Ming stopped him. Lu Ming must have been prepared to spread the news about Lin Yin and him.

However, this nightclub was Eldest Master's business after all. Presumably, the old residence would know about this soon.

As Shen Yu had expected,

Just as Lu Ming placed Lin Yin gently on the bed, Old Master Lu called.

Lu Ming glanced at his cell phone and ignored it. He carefully helped Lin Yin take off her shoes and covered her with the blanket.

It was not until the second call that Lu Ming was free. He sat at the side and picked up the phone.

Old Master Lu's loud voice instantly came from the cell phone. "Young brat, I asked you to get married, but you actually brought home those shady women from the nightclub outside."

Lu Ming frowned slightly and questioned coldly, "Who said she's a shady woman? Did Big Brother say that?"

Old Master Lu's furious voice continued, "Is there a need for anyone to say this? The news of you bringing a nightclub woman home has already spread like wildfire. Come back immediately."

Old Master Lu was afraid that Lu Ming would really have an unclear relationship with the women in the nightclub. If that woman had a child, it would be even more unclear.

Therefore, Lu Xian had to make Lu Ming go home today to prevent the girls from the nightclub from climbing into his bed.

When Meng Wan heard Old Master Lu's words, she instantly relaxed.

When she saw the video of Lu Ming coaxing Lin Yin, she was crazy with jealousy.

However, when she saw the word nightclub, she had an idea and immediately told her brother-in-law, Lu Zheng, about it..

Chapter 327: Protecting Lin Yin

Coincidentally, Lu Zheng also knew that his nightclub manager had been taken away by Lu Ming and was feeling frustrated.

Old Master Lu had a strict upbringing. If he knew that he opened a nightclub, he would definitely be the one being reprimanded.

Therefore, Lu Zheng could only suffer in silence.

Unexpectedly, Meng Wan suddenly came over and said that Lu Ming had coaxed a young lady away from the nightclub under his name.

Lu Zheng was happy. Lu Ming had ruined his place. He had vented his anger by complaining to his grandfather about Lu Ming's scandals.

Therefore, Lu Zheng brought Meng Wan to look for Lu Xian.

Lu Ming rejected Lu Xian's order to go home immediately and said sharply,

"Yinyin is not a shady woman. I was the one who brought her to support Big Brother. Why didn't Big Brother mention this?"

When Lu Xian heard Lu Ming's words, he immediately turned to look at Lu

Zheng and asked, "Is this nightclub yours?"

Looking at Lu Xian's dark expression, Lu Zheng immediately panicked.

“Grandpa, how is that possible? Third Brother must be joking.”

Lu Zheng was about to explain when Lu Ming’s voice continued. “Brother, you know very well if I’m joking. Could it be that I went to the wrong place?” Lu Zheng’s eyes immediately lit up. Lu Ming was giving him a way out.

He knew very well how bad Lu Ming was. If he did not give Lu Ming a good outcome today, Lu Ming would definitely fight to the death.

Lu Zheng gritted his teeth. He had originally wanted to stack the deck against someone in front of Lu Ming through Meng Wan. He did not expect that Lu Ming would be in control now.

He had miscalculated. If he had known, he would not have come.

Afraid that Lu Ming would mention the boss behind that nightclub, Lu Zheng could only say loudly into the receiver of the phone, “That’s right, Third Brother. You must have gone to the wrong place.”

When Lu Ming heard Lu Zheng’s voice, his gaze landed on Lin Yin’s face. He smiled and said, “Brother, then you’re really something. You wanted to ask me out, but you didn’t come and even gave me the wrong address. Yinyin almost fell out with me and thought I was some indecent person.”

Lu Zheng’s eyes widened in shock. Lu Ming was simply going too far. He was too shameless.

Before Lu Zheng could finish speaking, Lu Ming spoke again. His words were filled with a warning that only Lu Zheng could understand. “Brother, if you give me the wrong address next time and make Grandpa and Yinyin misunderstand something, I won’t be polite.”

Although what happened today was an accident, after all, something almost happened to Lin Yin in Lu Zheng’s territory, so giving Lu Zheng a warning was considered a punishment.

In his heart, Lin Yin could not suffer any grievances.

Lu Zheng gritted his teeth in anger and turned to Lu Xian. "Grandpa, it's my fault for causing Third Brother to be speculated be like this."

Lu Xian did not expect this matter to be a mistake. He looked at Lu Zheng angrily and said, "How old are you? You're still so rash."

Lu Xian was just joking. As long as Lu Ming did not provoke any shady women, everything was fine.

The Lu Family was a wealthy family, so they naturally had high requirements for the girls they married. Not everyone could enter.

With that in mind, Lu Xian continued to smile at the microphone and asked, "Ah Ming, is the Yinyin you mentioned the young lady who looked down on you previously?"

Lu Ming said, "Yes, Grandpa! Fortunately, I was smart just now and said that the nightclub is Big Brother's business. Otherwise, the young lady would definitely think that I wanted to do something bad to her. Then I won't have a wife and you won't have a new granddaughter-in-law."

When Lu Xian heard this, he glared at Lu Zheng, causing Lu Zheng to smile apologetically.

On the other hand, Lu Ming did not feel like he was talking nonsense at all. In his opinion, if the people outside dared to criticize Lin Yin, he had plenty of ways to deal with them.

But Lu Ming still didn't want his family to misunderstand Lin Yin. He couldn't let them misunderstand at all.

Lu Xian's tone softened. "When are you going to bring the little girl back for

Grandpa to see?"

Lu Ming stroked Lin Yin's face with his fingers and said in a gentler tone, "Soon. "

Seeing that the college entrance examination was about to begin, it was very close to the time when Lin Yin agreed to consider their relationship.

Hearing Lu Ming's affirmative tone, Lu Xian's mood instantly brightened.

However, Meng Wan was extremely jealous. She clearly wanted Old Master Lu to have a grudge against Lin Yin, but she did not expect Lu Ming to be so protective of Lin Yin.

Seeing that Lu Xian had hung up, Meng Wan said worriedly, "Grandpa Lu, are you really at ease letting Ah Ming and Lin Yin interact?"

Chapter 328: Scheming Against Lu Ming

Lu Xian sighed slightly and said, "Wan'er, I know your feelings for Ah Ming, but you can't force this relationship. Since Ah Ming already has another girl he likes, let him go. As for that girl's character, we'll naturally know when we meet."

Lu Xian knew Meng Wan's personality very well, but in the past, on account of Meng Wan's devotion to Lu Ming and the fact that Lu Ming did not have a girl he liked, Lu Xian was willing to matchmake the two of them.

But now that his grandson already had a girl he liked, he was not an unclear elder who insisted that his grandchildren get married and have children according to his wishes.

He was just old and wanted to see his grandson marry a girl with a clean background. He did not ask for much else.

Meng Wan did not expect that even Lu Xian, who had always thought highly of her and Lu Ming, would lose his determination and actually take the initiative to ask her to give up on Lu Ming.

Meng Wan grabbed the corner of her shirt indignantly. The life of riches was clearly in front of her. How could she be willing to give up?

The Lu Family was the head of the aristocratic families. Her sister had already married into the Lu Family to be a rich lady. How could she be willing to give up the opportunity to enter the family and fall behind her sister for the rest of her life?

Meng Wan looked like she was about to cry. She looked at Old Master Lu with a hurt expression and said sadly, "Grandpa Lu, you've watched me grow up. Lu Ming and I have been childhood sweethearts since we were young. How can I give up just like that? Grandpa Lu, you know me. I'm the most suitable for Ah Ming."

Lu Xian only sighed slightly and said, "Sigh, I'm old. It's better for you young people to settle your own matters."

With that, Lu Xian stood up and left, leaving behind the resentful Meng Wan and Lu Zheng, who was also in a bad mood.

"Brother-in-law, what should we do?" Meng Wan asked indignantly.

Lu Zheng's expression darkened as he said, "Isn't she just a young lady who has just reached adulthood? She's from a small family. Can't you handle her?"

Meng Wan blushed at Lu Zheng's words, but she did not know how to retort.

It was not that Meng Wan did not want to attack, but she knew very well how powerful Lu Ming was.

Once she chose to attack Lin Yin, Lu Ming would definitely find out.

Meng Wan could torture Lin Yin to death, but she did not want Lu Ming to have something on her, so she had been hesitating about whether to attack.

"Brother-in-law, you know Ah Ming's power. As long as I make a move, it won't take long for Ah Ming to find out about me. If he finds out that I'm such a vicious person, how can he marry me?" Meng Wan said with an aggrieved expression.

Lu Zheng then thought about it. Meng Wan was right.

Meng Wan looked around and said to Lu Zheng, "Brother-in-law, ever since Sister married you, I've always treated you as my family. I thought that if I could be with Ah Ming in the future, I would definitely convince him to get along well with you and unite you brothers. It's just that it seems like my ability is limited."

Meng Wan stole a few glances at Lu Zheng. As expected, Lu Zheng's expression changed.

The Lu Family did not have the so-called eldest son inheritance system. Instead, it was for the capable.

Therefore, among the three brothers of Lu Zheng, Lu Jin, and Lu Ming's generation, the elders in the family had always pushed Lu Ming to the position of the next successor.

This made Lu Zheng feel extremely uncomfortable.

He was the oldest person in his generation and had done well in the Lu Family Corporation.

In addition, Lu Jin was not interested in business. After leaving the Lu Family to establish his own business, he had been nurtured as the heir for the past few years.

But ever since Lu Ming entered the Corporation, all his glory had been snatched away by Lu Ming.

If Lu Ming really took over the Lu Family in the future, he would have to listen to his younger brother, who was more than ten years younger than him. It would definitely be a humiliation to him.

This was also the reason why he had always wanted Meng Wan and Lu Ming to get married. He wanted to plant his eyes and ears beside Lu Ming.

As for whether Meng Wan would be obedient, Lu Zheng was not worried at all, because he had something on Meng Wan. This was the source of his confidence.

Lu Zheng said in a low voice, "Let me think about it."

Meng Wan frowned and nodded obediently. "Okay!"

The scheme here did not affect Lu Ming's heartwarming night.

Lu Ming held a warm towel and gently wiped Lin Yin's face..

Chapter 329: Famous Again

The moonlight enveloped the two of them like water, creating a hazy halo.

The girl on the bed, who had her eyes closed, felt a slight touch on her face. Her feather fan-like eyelashes fluttered twice, then flapped twice like butterfly wings and she opened her eyes.

Lu Ming's handsome and affectionate face was imprinted in Lin Yin's bright eyes.

Lin Yin looked a little dazed. It took her a long time to remember that she seemed to know this good-looking man in front of her. Yes, Lu Ming.

Lin Yin asked in a daze, "Why are you here?"

Lu Ming smiled and gently tapped Lin Yin's head with his fingertips. "I brought you back, you little drunkard. If I'm not here, where can I be?"

Only then did Lin Yin remember something. She seemed to have been drunk just now.

Now it seemed that Lu Ming had brought her back.

It was her fault for letting herself get drunk just because Lu Ming was by her side.

“I wasn’t drunk just now, was I?” Lin Yin asked weakly.

Lu Ming narrowed his long and narrow eyes and asked with interest, “Have you forgotten?”

Lu Ming’s question made Lin Yin panic. She couldn’t help but wonder if she had done something immoral to Lu Ming.

Lin Yin’s gaze instantly landed on herself. Then, she suddenly lifted the blanket and heaved a sigh of relief when she saw that her clothes were intact.

Lu Ming looked at Lin Yin’s actions in amusement. “Are you afraid that I’ll have sex with you?”

Lin Yin looked embarrassed and laughed dryly. “I’m just afraid that I’ll do something bad to you after I get drunk. What if I make you angry?”

Lu Ming smiled and said with joy in his beautiful eyes, “Why would I be angry? Even if you’re awake and have ill intentions towards me, I can’t wait. If you don’t want to tire yourself out, I can send myself to your bed.”

Lu Ming’s words made Lin Yin blush. She secretly sneered at Lu Ming for being indecent and looked a little embarrassed.

Seeing Lin Yin like this, Lu Ming couldn’t continue teasing her. He put the wet towel aside and asked, “How is it? Are you still dizzy? I got someone to make you hangover soup and sent it over. It should be here soon.”

Lin Yin shook her head slightly. “I’m not dizzy anymore. There’s no need for hangover soup.”

As she spoke, Lin Yin got out of bed and said, “Go back first. I’m going to wash up and rest.”

Lu Ming was in a good mood today. During this period of time, Lin Yin had said a lot of things to ask Lu Ming to go back. Lu Ming would always stay for a while.

When Lin Yin said that today, he agreed readily. "Okay!"

Lu Ming leaned over slightly and quickly kissed Lin Yin's face. Then, under Lin

Yin's stunned expression, he smiled and said, "Good night!"

Then, she turned around and left. Lu Ming's behavior surprised Lin Yin.

After Lin Yin washed up, she had time to look at her phone. She did not expect to see so many hot topics about her.

Lin Yin looked at the videos and could not calm down. She actually touched Lu Ming like a dog in front of so many people.

Picking up her phone, Lin Yin quickly sent Lu Ming a message: Why didn't you refuse in the nightclub?

As soon as Lu Ming received Lin Yin's message, the corners of his lips couldn't help but curl up. He replied quite frankly: I like it when you touch my head. Why should I refuse?

When Lin Yin saw Lu Ming's reply, she covered her cell phone with a look of despair.

Lu Ming was willing to endure it, but she was now famous.

First, it was the ungrateful daughter of a rich family. Then, there was the matter of her not being the biological daughter of the Su Family. Then, she replaced the Su Family as the chairman of the Shisheng Corporation. Now, such a thing happened with Lu Ming.

It was probably impossible to keep a low profile now.

Lin Yin covered her head with the blanket. Forget it, forget it. Time to prepare for the exam.

Since she had not obtained any useful information from Zhou Wei, Lin Yin could only focus all her attention on preparing for the college entrance examination.

Old Master Lu looked at the news on his phone and his gaze landed on the words of the chairman of the Sheng Corporation, Lin Yin..

Chapter 330: Delivering the Examination

On the day of the college entrance examination, before Lin Yin could leave, there were already two people standing at the door.

Mu Xiao looked at Lu Ming and his eyebrows had already condensed into a small mountain. He asked unhappily, "Lu Ming, what are you doing here?"

In the past, when he did not know that Lin Yin was her sister, Mu Xiao looked at Lu Ming and Lin Yin with the intention of watching a good show.

Now that he knew that Lin Yin was his sister, Mu Xiao instantly felt that Lu Ming was an eyesore.

Lu Ming did not know what Mu Xiao's sudden hostility meant. Could it be that Mu Xiao had taken a fancy to Lin Yin like Mu Ran?

Lu Ming instantly became vigilant and asked, "Of course I'm here to send

Yinyin to the examination hall. What about you? What are you doing here?"

"I naturally sent Yinyin to the examination hall as well." Mu Xiao looked displeased. Sending a college entrance examination student to the examination hall was something he should do as a family member.

If not for the fact that Lin Yin had yet to reveal her identity, the entire Mu Family would have been here today. What was Lu Ming here for?

Mu Xiao was even angrier when he thought about how his little cabbage had been wandering outside for so many years and was about to be taken away by Lu Ming, this pig, before she even returned home.

The two men's gazes collided fiercely in the air, filled with gunpowder.

Lu Ming was also in an extremely bad mood.

What was wrong with the Mu family? First, Mu Ran snatched his woman, and now that sly old fox, Mu Xiao, came out to snatch him. This made Lu Ming erect a defensive wall in his heart.

Mu Xiao was not a simple-minded person like Mu Ran. He had many tricks up his sleeve and was especially good at pretending. Yinyin might be tricked away.

Lu Ming frowned. It seemed like he had to pay attention to Mu Xiao.

Hence, the two men exchanged intense gazes at Lin Yin's door early in the morning.

As soon as Lin Yin opened the door, she saw such a smoke-filled scene. She asked in confusion, "Why are you guys here?"

Lu Ming and Mu Xiao immediately turned to look at Lin Yin and said in unison,

"To send you to the examination hall!"

With that, the two men narrowed their eyes and looked at each other dangerously.

Lin Yin did not expect to experience the feeling of being sent for an exam in this life, especially with Mu Xiao. Her heart was instantly filled with warmth.

Seeing Lin Yin's gaze land on Mu Xiao, Lu Ming became a little anxious. He stood in front of Mu Xiao and said to Lin Yin, "Yinyin, let me send you to the exam today?"

Lin Yin looked up at the sincere Lu Ming and hesitated. She wanted Mu Xiao to give it to her. After all, Mu Xiao represented her family.

However, looking at Lu Ming's expectant expression, Lin Yin hesitated.

Mu Xiao reached out to push Lu Ming aside, but he could not push Lu Ming away. He, who had always been elegant and calm, was so angry that he shouted, "Lu Ming, don't stand in front of me. Let me tell you, I must send Yinyin to school today."

Now that Lin Yin did not acknowledge their ancestors yet, he was the only family that could show up for Lin Yin.

For the sake of family ties with Lin Yin, he could not let Lu Ming take Lin Yin away. He could not let Lu Ming ruin his chance to nurture family ties with his sister.

Lu Ming, who did not know anything, naturally could not give such an opportunity to Mu Xiao. In his heart, Mu Xiao was his love rival now.

Lin Yin sighed slightly and said, "Brother Lu Ming, I'll take Brother Mu Xiao's car today. I'll take your car tomorrow, okay?"

Lin Yin tried her best to soften her tone and her voice was gentle.

But even so, Lu Ming still felt as if his heart had been pricked by a needle. It hurt so much that he felt terrible.

He looked at Lin Yin accusingly, silently questioning her why she did this.

Could it be that in Lin Yin's heart, Mu Xiao was even more important than him?

Lin Yin knew what Lu Ming was thinking, but it was not a good time to explain, so Lin Yin only said simply, "Brother Lu Ming, I'll tell you in the future. I'll go with Brother Mu Xiao today."

Lu Ming, who had been dealt a blow, was pushed away by Mu Xiao and he watched helplessly as Lin Yin left with Mu Xiao.

However, in the end, Lu Ming still asked indignantly, "Can I really send you tomorrow?"

Lin Yin turned around and looked at Lu Ming. She nodded patiently and said, "Sure, I won't lie."

Lu Ming felt comforted.. At least Lin Yin had not forgotten him, right?
