

Real Daughter 331

Chapter 331: Yinyin Is Family

Mu Xiao watched from the side as Lu Ming pretended to be pitiful, his eyes filled with disdain.

Now, he agreed with Mu Ran's previous evaluation of Lu Ming. A 28-year-old man actually seduced an 18-year-old girl. It was simply shameful!

Mu Xiao gritted his teeth in anger and said to Lin Yin, "Yinyin, it's getting late. We have to leave quickly."

Only then did Lin Yin leave with Mu Xiao, leaving Lu Ming with a bitter expression.

On the way, Mu Xiao wanted to ask about Lin Yin and Lu Ming. After all, what happened a few days ago was not a small matter. Everyone who needed to know already knew.

Even Mu Ran had called him several times to complain unhappily over the past few days.

If not for the fact that Lin Yin was going to take the college entrance examination, Mu Ran would probably have come to find trouble with Lu Ming.

Thinking about how he had advised Mu Ran to calm down a few days ago, Mu Xiao almost couldn't hold it in when he saw Lu Ming by Lin Yin's side today.

After sending Lin Yin to the examination hall, the two of them got out of the car and saw Mu Ran wearing a large pair of sunglasses. He stood at the entrance of the examination hall and rushed over excitedly.

Lin Yin looked at Mu Ran in confusion and asked, "Brother Mu Ran, why are you here?"

Zhao Nan, the assistant at the side, said, "Brother Mu Ran took a plane back last night to send you off for your exam."

When Lin Yin heard Zhao Nan's words, her heart rippled.

Although Mu Ran didn't know her identity yet, Mu Ran still treated her sincerely, which warmed Lin Yin's heart.

Perhaps this was the so-called blood kinship?

Even if she did not know the other party's identity, she would still get close to him for some reason because of their blood relationship.

After sending Lin Yin in, Mu Xiao turned to look at Mu Ran and asked, "Didn't you say that you didn't have time to come? Why are you suddenly here again?"

Mu Ran looked at the surrounding students who had been sent over by their families and said with a little heartache, "I was afraid that if you came alone, it would be too shabby. I didn't want Yinyin to go in alone without her family, so I came. If Big Brother wasn't overseas, I would have pulled him over to be her family."

Mu Xiao's eyes flashed slightly as he asked with a smile, "You're treating Yinyin as family?"

Mu Ran replied seriously, "That's right! In the past, when I didn't know Yinyin's identity, I thought that even if the Su Family didn't treat Yinyin well, at least Yinyin still had a home. Now that Yinyin isn't a member of the Su Family, isn't she alone? So I decided that I want to be Yinyin's family and be her strongest support!"

Mu Xiao looked at Mu Ran steadily with an inexplicable smile on his face, making Mu Ran's heart tingle. Mu Ran asked loudly, "Why are you looking at me like that? It's scary."

As he spoke, Mu Ran did not forget to put on his hat, afraid that he would be recognized.

Mu Xiao did not say anything and only said meaningfully, "Yinyin won't be alone. She will have a family to dote on her. You won't be her only backing."

Mu Ran did not understand what Mu Xiao meant. He only nodded firmly and said, "That makes sense. When I'm free during this period of time, I'll help Yinyin find her biological family. However, we'll have to see if that family is good. If they're not good people, Yinyin shouldn't acknowledge them."

Mu Xiao's expression changed slightly and he rolled his eyes at Mu Ran.

When Mu Ran said that, he scolded their entire family, including himself.

"No, Yinyin is such a good girl. Her biological parents and family will definitely not be bad. They will definitely dote on her." Mu Xiao still put in a good word for his family.

Otherwise, with Mu Ran's personality, he might say even worse things.

Mu Ran nodded when he heard this. He secretly hoped that Lin Yin could live happily.

After the examination in the morning, Lin Yin came out and saw a few cars parked at the school gate.

Lin Yin did not expect Mu Ran and Mu Xiao to still be there, and Lu Ming and Lu Jin were beside them.

Mu Ran covered his face with a mask and stood in front of his huge van. He waved at Lin Yin and shouted, "Yinyin, over here!"

When Lin Yin approached Mu Ran's huge van, she received Lu Ming's sad and resentful gaze.

Lin Yin greeted Lu Jin, his wife, and Lu Ming..

Chapter 332: Lunch

Then, Mu Ran pulled Lin Yin into his huge van. “Yinyin, Brother Mu Ran prepared lunch for you. Eat it first. Then, see if you want to take a nap in this car or go back for a nap. Second Brother and I will send you back.”

Mu Xiao suddenly felt that Mu Ran was right to come. He couldn’t pull Lin Yin away, but Mu Ran could.

Seeing Lu Ming’s miserable appearance just now, Mu Xiao suddenly felt a little better.

He dared to snatch his sister. He had to teach Lu Ming a lesson.

Mu Xiao watched as Mu Ran picked up food for Lin Yin. Lin Yin was eating happily and was very gratified. They were family.

It would be even better if Mom, Dad, and Big Brother came together.

Lu Ming, who was standing outside the huge van, felt a little sad. When Lu Yan came out and saw that Lu Ming was also there, she was shocked and said in surprise, “Uncle, you’re here too. It’s amazing!” Ren Xue smiled and said, “Yinyin is in the huge van at the side.”

Lu Yan’s eyes instantly lit up. “Yinyin is out too?”

Lu Ming answered before Ren Xue could. “Yes, she’s eating inside. Do you want to eat with her? I brought you food too.”

When Lu Yan heard Lu Ming’s words, she nodded and said, “Of course.”

As she spoke, Lu Yan took the lunch box from Lu Ming and said to Ren Xue,

“Mom, I’ll go find Yinyin for lunch!”

Before Ren Xue could say anything to Lu Yan, she saw that her energetic daughter was already knocking on the car window beside her.

Ren Xue smiled and said to Lu Ming, "You brought Xiao Yan's food over. Shouldn't you introduce the dishes?"

Actually, Ren Xue was very surprised when Lin Yin came out and walked to another car.

In her opinion, Lin Yin and the two boys from the Mu family did not seem to be that close. At least, she thought that they would not be as close as she was with Lu Ming.

In the end, she did not expect Lin Yin to choose the two boys from the Mu family.

At this moment, Ren Xue was very curious about Lin Yin's relationship with the Mu family.

If Lin Yin was the person Mu Ran liked, Mu Xiao shouldn't be waiting here with her, so there must be something strange going on.

At the side, Lu Ming nodded at Ren Xue and said, "Second Sister-in-law makes sense."

Lu Ming did not hide his intention of using Lu Yan to get close to Lin Yin at all. He went forward and stood behind Lu Yan.

Coincidentally, Lin Yin opened the car door and let Lu Yan in, so Lu Ming followed her in.

Mu Ran's huge van was not small. However, five people entered at once, making it seem a little crowded.

Mu Ran said unhappily, "Lu Ming, why did you come in?"

Lu Yan was Lin Yin's good friend. Mu Ran could accept the two of them coming in for a meal, but why did Lu Ming come in?

Lu Ming explained without blushing or panting, 'My Xiao Yan wants to eat with her classmate, so I naturally have to accompany her. After all, I made the food. As the chef, I naturally have to come in and ask for her opinion.'

Lu Yan looked at the lunch box in her hand in shock. She opened her mouth in surprise and said, "Uncle, did you make this yourself?"

Lu Ming looked at Lu Yan's surprised face and said, "That's right. Otherwise, who do you think did it?"

Lu Yan's heart was pounding. She had never thought that she would one day be able to eat the food personally cooked by her uncle.

Lu Yan carefully placed the lunch box on the small table in the car, looking like she was paying tribute. Then, she muttered to herself with an exaggerated expression, "I really didn't expect that I would be able to eat my uncle's food one day. It's unbelievable."

Lin Yin smiled at Lu Yan and said, "Is it really? You look very frightened."

Lu Yan looked at Lin Yin and nodded seriously. "Yes. Previously, Uncle said that his cooking can only be enjoyed by his wife. How can I not be frightened?!"

When Lin Yin heard Lu Yan's words, she instantly choked and coughed non-stop. The people beside her also became anxious.

Mu Xiao patted Lin Yin's back. Mu Ran scooped soup for Lin Yin with a worried expression, while Lu Ming handed Lin Yin a glass of water.

After everyone was busy, Lin Yin stopped coughing. Her face was red as she glanced at Lu Ming, who had been looking at her.

Lin Yin felt a little guilty. She had eaten a lot of cooking that only his wife could enjoy..

Chapter 333: Banner

Mu Ran said disdainfully, "I wonder if it's edible. Only his wife can enjoy it. If his culinary skills aren't good, won't he be hurting his future wife specifically?"

Mu Xiao ignored Lu Ming and only urged Lin Yin, "Yinyin, eat your own food. Take an early lunch break after eating. You still have an exam in the afternoon."

Lin Yin didn't dare to look up at Lu Ming, so she could only listen to Mu Xiao. She lowered her head and silently called Lu Yan to eat with her.

Lu Ming naturally took out the food he had made from the lunch box and said with a relaxed expression, "Xiao Yan is joking. I made the food for my family. Yinyin, try it too? You're Xiao Yan's classmate, so you're considered family as well."

Mu Ran snorted and said, "Lu Ming, listen to yourself. Is what you said reasonable? Who's family with you?"

Lu Ming looked at Lin Yin and asked faintly, "Yinyin, what do you think?" Lin Yin smiled awkwardly and said, "Yes, Xiao Yan and I are family."

Compared to something that only his wife could enjoy, Lin Yin felt that it was more comfortable to eat this meal as Lu Yan's family.

Lu Ming smiled and placed the prepared dishes on the small table. They were filled to the brim. He even picked up food for Lin Yin arrogantly in front of Mu Ran and Mu Xiao.

Compared to something that only his wife could enjoy, Lin Yin felt that it was more comfortable to eat this meal as Lu Yan's family.

Lu Ming smiled and placed the prepared dishes on the small table. They were filled to the brim. He even picked up food for Lin Yin arrogantly in front of Mu Ran and Mu Xiao.

At this moment, Lu Yan suddenly realized that the atmosphere here seemed a little off.

She seemed to have been used by her uncle again.

Lin Yin also felt that the atmosphere at the event location was a little uncomfortable, so she could only say, "There's still an exam in the afternoon. Lu Yan and I still have to eat and rest quickly. What do you think?"

Mu Ran immediately smiled and said, "Yes, Yinyin is right. Lu Ming, stop fooling around. Yinyin and Lu Yan still have exams in the afternoon. If you hadn't come, Yinyin would probably have finished eating by now."

As he spoke, Mu Ran looked at Lu Ming proudly with a fearless expression.

Mu Xiao smiled and looked at Lu Ming with interest.

Lu Ming was not angry. He smiled and said, "Yinyin is right. I'll listen to

Yinyin."

Lu Yan sighed silently at the side. She seemed to be invisible. How pitiful.

On the other hand, Lin Yin turned her gaze to Lu Yan and said, "Xiao Yan, eat quickly."

Lu Yan instantly felt extremely touched. Indeed, Yinyin doted on her the most. She was much more energetic when she ate.

After two days of the college entrance examination, Lin Yin's biggest problem was not the difficulty of the questions, but the fact that she had to face these jealous men every day. Lin Yin was really helpless.

The moment she left the examination hall, Lin Yin felt that her embarrassing scene became even more exciting.

It was unknown where Mu Ran learned this move from, but he pulled up a banner with the words: Congratulations to my beautiful sister, Lin Yin, for finishing her exams!

Beside her, there were people in red who were actually beating gongs and drums. That scene was simply eye-catching.

Beside her, Lu Ming and Mu Xiao each held a bouquet that was almost a meter tall.

The surrounding onlookers looked at this group of people curiously and discussed among themselves from time to time.

Lin Yin turned around and planned to sneak away. In the end, even though the brim of his hat was covering his eyes, Mu Ran, who was still sharp-eyed, shouted at Lin Yin, "Yinyin, here!"

Everyone looked at Lin Yin. Lu Yan and Yang Xue were laughing so hard that they couldn't straighten their backs.

Even Ji Yun and Shi Dai looked at Lin Yin mockingly and said, "Lin Yin, your family is really interesting. They're sending you a banner!"

Lu Yan was instantly unconvinced. The person who sent the banner was Mu Ran! If Shi Dai and the others knew that it was Mu Ran who sent it, they would probably even put the trash Mu Ran sent into the safe to show off.

Seeing that Lu Yan was about to speak, Lin Yin hurriedly pulled Lu Yan back.

There were so many people now. If Mu Ran's identity was exposed, it would be lively later.

After being pulled by Lin Yin, Lu Yan calmed down a little. She only glared at Shi Dai and Ji Yun warningly.

Lin Yin couldn't leave, so she could only brace herself and walk up to Lu Ming and the other two.

The two men with the flowers fought to hand the flowers to Lin Yin, not giving in at all.

Lin Yin looked at Lu Ming and Mu Xiao with a bitter expression and said, "Why are the two of you messing around with Brother Mu Ran?"

Mu Ran immediately pushed away the two men holding the flowers and pouted at Lin Yin.. "Yinyin, how am I fooling around? This is so glorious! It's festive!"

Chapter 334: Picking Lin Yin Up

Lin Yin looked at Mu Ran helplessly and said, "Brother Mu Ran, quickly tell them not to make such a big commotion. Otherwise, I'll be on the news again tomorrow."

As soon as Lin Yin said that, many reporters immediately surrounded them for an interview. The few of them were squeezed and could only brace themselves to deal with it. The scene became a little chaotic.

At the school gate, Su Fei, who had been wearing a hat and sunglasses, followed the crowd out.

She had been in a mess during the past two days of exams. She did not even know how to do the most basic questions.

However, Su Fei could not do anything. During this period of time, Zheng Chao and the others had been tormenting her, especially Zhao Zhi. He almost treated her as his personal plaything. She did not have time to revise at all.

At this moment, she was hiding in the crowd and looking at Lin Yin jealously.

Even though Lin Yin's side was a little messy, Su Fei still saw the two men holding the flowers.

One was Lu Ming, who had a monstrous power, and the other was the famous genius doctor, Mu Xiao. Such outstanding two men were actually willing to lower themselves and pick Lin Yin up so openly.

How could Su Fei not be jealous of such treatment?

Unlike her, who was secretly afraid of seeing Zheng Chao, Zhao Zhi, and the others.

When she saw Chu Yun, Su Fei rushed over.

Chu Yun gave Su Fei a bouquet of flowers and congratulated her. "Feifei, congratulations on completing your high school studies."

Su Fei only accepted the bouquet perfunctorily and left school with Chu Yun in a hurry.

On Lin Yin's side, someone knocked off Mu Ran's hat and someone quickly recognized her.

"Mu Ran, it's the big star Mu Ran!"

"Everyone, come and see. It's Mu Ran!"

Hence, Mu Ran was quickly surrounded by everyone. Lu Ming had a smile in his eyes and took advantage of the chaos to pull Lin Yin into his car.

Under Mu Ran's anger and Mu Xiao's surprised gaze, Lu Ming took Lin Yin away, making the Mu brothers so angry that they wanted to beat Lu Ming up.

The fact that Mu Ran appeared at the event location to cheer for her sister immediately became a trending topic, and Lin Yin was beautifully pulled out and exposed.

Mu Heng looked at Lin Yin, who was on the news every other day, and reprimanded Mu Ran for fooling around.

Fortunately, after the exam, everyone discovered Mu Ran. If it caused chaos when they entered the examination hall, things would be huge.

However, he was a little puzzled.

It would have been fine if Mu Ran had gone to see Lin Yin, but why was Mu Xiao messing around as well at this time?

Looking at Mu Xiao holding the flowers and smiling on the phone screen, Mu Heng was filled with doubts.

Mu Xiao seemed to treat Lin Yin too well.

Mu Ran liked Lin Yin, but what about Mu Xiao?

Could it be that he was also interested in Lin Yin?

No, it must not be like that. It was impossible for Mu Xiao to snatch her away from Mu Ran, and it was impossible for him to like the person his brother liked.

Moreover, if it was only the person Mu Ran liked, Mu Xiao would not have done this for the person his brother liked.

It seemed like Mu Xiao had a little secret.

After Lu Ming picked Lin Yin up, his mood improved a little. There was joy in his eyes and he could not hide it.

Lin Yin asked in amusement, "Are you that happy? You can stop smiling soon."

Lu Ming turned to look at Lin Yin and said happily, "Why aren't I happy? So many people tried to snatch you from me, but I won, so I'm happy!"

Lin Yin shook her head helplessly and said, "It's not what you think. Brother Mu Ran and Brother Mu Xiao treat me as their sister. I only treat them as brothers, so..."

Before Lin Yin could finish speaking, Lu Ming hurriedly parked the car by the side of the road. Then, he turned around and looked at Lin Yin with a burning gaze. "Yinyin, are you explaining to me because you care about what I think?"

Lu Ming did not care if Mu Xiao and Mu Ran treated Lin Yin as their sister. He only cared if Lin Yin had him in her heart.

Therefore, he was very excited when Lin Yin naturally explained her relationship with the Mu brothers to him just now.

At this moment, Lu Ming was also very excited. He looked at Lin Yin without blinking, waiting for her answer.

Lin Yin was a little confused by Lu Ming's burning eyes..

Chapter 335: Kiss in the Car

If Lu Ming hadn't said that, Lin Yin wouldn't have known that she had subconsciously explained to Lu Ming.

She was afraid that Lu Ming would misunderstand her relationship with Mu Ran and Mu Xiao.

Lin Yin knew very well that she relied on and liked Lu Ming a little, but she did not expect that she had already reached the stage where she cared so much about Lu Ming.

This sudden revelation made Lin Yin panic. She lowered her head at a loss, not daring to look into Lu Ming's eyes, which seemed to be able to see into her heart.

Lu Ming regretted being so straightforward. He was afraid that Lin Yin would not be able to accept it and retreat.

Lu Ming raised Lin Yin's face slightly and said gently, "Yinyin, follow your heart, okay?"

Lin Yin looked at Lu Ming's obviously gentle gaze and felt less uneasy. She just looked at Lu Ming in a daze and then watched as Lu Ming approached her.

It was only when his warm and slightly dry lips covered hers that Lin Yin came back to her senses and wanted to retreat.

How could Lu Ming let Lin Yin retreat at this moment? He quickly undid the seatbelt.

Lu Ming leaned towards Lin Yin and unbuckled her seatbelt. His hot palm reached for her slender back and pulled her towards him domineeringly.

A light kiss landed on Lin Yin's lips. Lu Ming's movements were very clear, as light as if Lin Yin was a fragile treasure in the world. He couldn't bear to use force on her.

Lin Yin's heart beat faster and faster. She couldn't help but close her eyes and feel the ambiguous touch Lu Ming brought with her.

Seeing Lin Yin's eyes close, a smile appeared on Lu Ming's lips. His gentle kiss gradually deepened as he licked and nibbled slowly, his agile and hot tongue slowly probing Lin Yin's tightly shut lips.

Lu Ming was like a patient hunter slowly luring his prey into a trap.

It was not until Lin Yin was breathless from the kiss and her red lips parted that Lu Ming stuck his tongue between Lin Yin's lips and pried open her teeth domineeringly. Then, he swept the sensitive roof of Lin Yin's mouth, causing her to pant.

That unfamiliar moan shocked Lin Yin so much that she instantly opened her eyes and stared blankly at the handsome face inches away.

Lin Yin couldn't control her heartbeat anymore. This was the first time the temperature on her face had risen so high. She pushed Lu Ming in panic, and the tongue in her mouth resisted Lu Ming's invasion.

In the end, Lu Ming grabbed Lin Yin's hand that was trying to push him away and sucked Lin Yin's tongue, which was trying to push his tongue out, into his mouth. He entangled Lin Yin's tongue and did not let her resist.

The sound of their lips touching was especially loud in the small car, making Lin Yin close her eyes again.

This action undoubtedly allowed Lu Ming to do whatever he wanted.

The light kiss just now quickly turned into a storm.

Lu Ming grabbed the back of Lin Yin's head hard and kissed her until she was dizzy. She collapsed into Lu Ming's arms.

After an unknown period of time, Lu Ming finally let go of Lin Yin's red lips in satisfaction.

His rough fingers rubbed Lin Yin's red lips greedily as he helped her wipe the bright water stains on her lips.

Her voice was slightly hoarse as she said, "Yinyin, you're so tempting."

Lin Yin was so embarrassed that her neck turned red. She said in a low voice,

“Stop talking nonsense. Otherwise...”

Lu Ming smiled evilly and asked, “Otherwise what?”

As he spoke, Lu Ming did not forget to rub Lin Yin’s red and hot face. A certain part of his body hurt badly, but Lu Ming knew very well that he had to take it slow, or he would scare the little girl in front of him.

Lin Yin looked up at Lu Ming, who was obviously a little mean. “Otherwise, I’ll ignore you in the future.”

After saying that, Lin Yin regretted it. Such a tone and such words made her sound like a little girl who was throwing a tantrum with her boyfriend.

Lu Ming simply loved Lin Yin’s shy look. He pulled Lin Yin into his arms and smiled happily.

Lin Yin’s face pressed against Lu Ming’s trembling chest. She was embarrassed and angry, but there was also a hint of sweetness, making her happy..

Chapter 336: Waiting For You At Home

Lu Ming couldn’t bear to let go of Lin Yin, but he didn’t dare to do anything rash, so he could only hug Lin Yin quietly, trying to reduce the restlessness in a certain part of his body in such a quiet way.

However, Lu Ming had underestimated Lin Yin’s attraction to him.

Even though Lin Yin was in his arms and did not move, his desire did not decrease but increased, burning him until he could not help it.

In order to avoid hurting Lin Yin, Lu Ming finally pushed her away. He endured the restlessness in his heart and sent Lin Yin home first.

Only after he went back to relieve his desires did he dare to look for Lin Yin.

Lin Yin looked at the man standing at the door who had already changed into another set of clothes and felt a little embarrassed.

After being reborn, she was not an innocent little girl. Naturally, she knew what Lu Ming was doing just now.

The two of them tacitly did not mention what had just happened. Lu Ming asked calmly and naturally, "What are we having for dinner?"

Lin Yin relaxed slightly. She sat on the sofa and looked at Lu Ming. "The students in the class said that they were going out to relax together, so I'm going over to gather later."

Lu Ming felt a little disappointed, but when he thought about how he still had a lot of time with Lin Yin in the future, he let go.

"Then I'll send you there later," Lu Ming said naturally as he sat beside Lin Yin.

Lin Yin's heart, which had just relaxed, suddenly rose to her throat again, and her entire body stiffened.

Looking at Lin Yin's nervous expression, Lu Ming suddenly felt a little amused. Why did Yinyin look cuter the more he looked at her?

Lu Ming's large palm gently covered Lin Yin's small hands. The moment Lin Yin was about to pull away, he held Lin Yin's small hand gently but tightly and said, "Yinyin, don't be so nervous. I won't do anything to you."

Lin Yin suddenly recalled touching Lu Ming's head. She looked guilty, but her gaze drifted to Lu Ming's head uncontrollably.

"You still want to touch my head?" Lu Ming teased.

Lin Yin felt even more embarrassed by Lu Ming's words. She quickly shook her head and said, "I didn't think that way."

Lu Ming smiled and gently stroked Lin Yin's hand. "You don't have to be embarrassed. I promised to come back that day and let you touch me. I won't go back on my word. Do you want to touch me now or later tonight?"

Lin Yin was annoyed by Lu Ming's words. She looked at Lu Ming and said, "You're not allowed to speak anymore! I was drunk, why are you so persistent?"

Lu Ming pinched Lin Yin's cheek dotingly and said softly, "Whether you're drunk or not, as long as I made a promise, I'll keep it."

Lu Ming's gaze was fiery as it lingered in all directions where Lin Yin could see, making it impossible for Lin Yin to escape.

Seeing that the temperature between the two of them was getting higher and higher and the atmosphere was getting more and more ambiguous, her phone suddenly rang, scaring Lin Yin so much that she hurriedly pushed Lu Ming away.

Lin Yin picked up the phone and said with an unnatural tremble in her voice,

"Okay, I'll be there soon."

After hanging up, Lin Yin looked at Lu Ming and said, "Lu Yan is already waiting for me downstairs. I want to go over first."

Lu Ming sighed helplessly and said, "Then I'll wait for you at home?"

Lin Yin looked up at Lu Ming in shock and said suspiciously, "You're going to wait for me at my house?"

Lu Ming said matter-of-factly, "Of course."

Lin Yin hesitated for a moment before saying, "Actually, you can go home first."

Lu Ming sighed slightly and said, "My home is also your home. I'll be waiting for you at home wherever I go. There's no difference. However, since you don't want me to stay here, I'll listen to you."

After Lu Ming finished speaking, he looked at Lin Yin sadly. His gaze was like an abandoned resentful woman looking at her heartless husband, making Lin Yin wonder if she had hurt Lu Ming.

Lu Ming stood up sadly and looked back three times with a reluctant expression as he moved towards the door.

Lin Yin had a headache. She was clearly not the kind of person who was soft-hearted, but when she saw Lu Ming like this, she could not help but want to follow Lu Ming's wishes.

Lin Yin sighed slightly and said, "Alright, then wait here. However, I'm not sure when I'll be back."

Lu Ming's mood instantly improved. He said happily, "It's fine. Let me know before you come back.. I'll pick you up!"

Chapter 337: Class Party

When Lu Ming sent Lin Yin down, his expression was very similar to a wife sending her husband off to work, making Lin Yin almost laugh a few times.

Downstairs, Lu Yan looked at Lin Yin, who had been personally sent out by her uncle, and shook her head in disbelief. She muttered, "As expected, everything has its vanquisher!"

When Yang Xue heard this, she smiled until her eyes narrowed into a line. She praised, "Yinyin and your uncle are really compatible. They're both so good-looking!"

Lu Yan nodded in agreement. "I agree with this."

However, when Lu Yan's satisfied little face met her uncle's cold face, her heart suddenly skipped a beat. She didn't seem to have done anything, right? Why was her uncle so unhappy?

Could it be that her call just now interrupted something good for Uncle?

Lu Yan shivered in her heart and chuckled at Lu Ming. Then, as soon as Lin Yin got into the car, she immediately asked the chauffeur to drive. Otherwise, if she stayed any longer, she would feel like Lu Ming was going to skin her alive.

After Lu Ming's figure gradually disappeared, Lu Yan asked, "Yinyin, were you and my uncle doing something just now?"

Lin Yin did not expect Lu Yan to be so sharp that she could guess it.

Lin Yin smiled awkwardly and said, "You're thinking too much. There's no such thing."

Lu Yan looked at Lin Yin suspiciously for a few times before throwing it to the back of her mind. Anyway, ever since she was young, her uncle had always been so cold. She wouldn't lose much if he looked at her a few times. It was fine.

The three of them arrived at the large private room reserved by the class. There were already many people inside.

When many students saw Lin Yin and the other two arrive, they went forward to greet them warmly.

Lin Yin was now the chairman of the Sheng Corporation, and Lu Yan was a member of the Lu Family. These two people were both people they wanted to curry favor with.

As for Yang Xue, they could curry favor with her for the sake of Lin Yin and Lu

Yan.

This was the first time Yang Xue was surrounded by these enthusiastic students. She did not know how to release her limbs.

Shi Dai, who was sitting on the sofa, watched in disdain as her classmates flattered Lin Yin.

In the past, when Su Fei was still the eldest daughter of the Su Family, these people had tried to please her a lot. Now that Su Fei was in trouble, these people immediately turned around to please others. They were all despicable.

However, when she thought of Su Fei, Shi Dai sighed in her heart. After all, they were good sisters who grew up together. Now that the Su Family had been defeated, she could not help but feel a little sad.

However, she had recently heard that Su Fei's father and brother's business was doing well, so Shi Dai was also looking forward to Su Fei's family making a comeback.

At that time, it would be best if Su Fei suppressed Lin Yin again.

Ji Yun looked at Lin Yin calmly. She and Su Fei used to get along well, but it was only limited to good friends.

Moreover, ever since she found out that Su Fei had degenerated, she felt disgusted whenever she thought of Su Fei.

Therefore, this time, Lin Yin had caused the Su Family to be in this state. She did not have any other opinions about Lin Yin. It was just a matter of who won.

However, after all, she had a conflict with Lin Yin before, so Ji Yun still could not express her goodwill to Lin Yin.

Shi Dai sneered at Lin Yin, who was surrounded. Then, she turned to look at Ji

Yun and asked, "Did you contact Feifei today? I didn't contact her, and I don't know if she'll come later."

Ji Yun only glanced at Shi Dai indifferently and said, "She probably won't come."

Before she came, she heard her brother talking to his group of friends. He said that the boys in Zheng Chao's class had an event and Zheng Chao had invited many boys to attend.

Ji Yun felt that if she was not wrong, Su Fei would most likely be brought to that place to play with those boys.

Hearing Ji Yun's answer, a hint of disappointment flashed across Shi Dai's face. She did not expect that Su Fei would not come to this graduation gathering.

"Didn't the class say that they would hold a graduation trip after the results are out? I wonder if Feifei can't come then? Actually, I've been looking forward to the graduation trip for the three of us. I've been looking forward to it for a long time." Shi Dai's words were filled with disappointment.

Such a low mood infected Ji Yun, but she quickly threw those thoughts to the back of her mind..

Chapter 338: The Room Next Door

Lin Yin and the other two were surrounded by the students in the class in the middle of the private room. It was peaceful.

Apart from a few, everyone was having a good time. They played games, sang, and danced.

This was the first time Lin Yin had felt the recklessness and ostentatiousness of youth among her classmates.

This was something Lin Yin had never experienced in her previous life.

As for Lu Yan, who had completely let go of her temper, she was crazy the entire night.

During the Truth or Dare segment, Yang Xue was sent to the private room beside to confess to the most handsome boy.

Yang Xue did not expect herself to be so unlucky. Her face instantly turned red as she stammered, "Um, can I not go?"

Shi Dai said sarcastically, "That won't do. We don't have a drinking session today, and we can't punish you with alcohol. So, you can only go. Otherwise, you won't be able to afford it!"

Lu Yan snorted at Shi Dai and said, "So be it. What's there to be afraid of? Let's go, Xiao Xue. I'll go with you. It's just a confession!"

Yang Xue's face was red as she was pulled up by Lu Yan. The group of people walked towards the room next door.

However, when the students in the class walked into the private room beside them, everyone was silent for a few seconds.

Neither of them had expected such an accident.

Shi Dai watched the scene in front of her in disbelief.

Zheng Chao, Zhao Zhi, and the others were in the room. Even Ji Yun's brother was there.

Some of them were sitting on the sofa in well-dressed clothes, while others were stripping down to their underwear and playing with the girls who only had their underwear left.

Shi Dai had always known that some boys in the circle were very playful, but

she had never expected them to be so close to her.

Especially when she saw Su Fei kneeling on the ground on all fours with an embarrassed expression and a dog chain hanging from her neck. She was held by Zhao Zhi like a dog and crawled on the empty ground, Shi Dai screamed in fear.

That sharp cry broke the silence.

Su Fei hugged her body in shame and buried her head in her knees. She was so embarrassed that she wanted to die immediately.

The other girls were more calm. After all, they were in the business of prostitution, so they didn't care. Besides, they were still wearing underwear. What was there to make a fuss about?

Ji Yun's brother hurriedly stood up and chased Lin Yin's class out. Everyone returned to the private room with disbelief on their faces.

Shi Dai was unwilling to believe her eyes. Her voice trembled as she asked Ji Yun, "Ji Yun, my eyes seemed to be broken just now. I actually saw Su Fei. Don't you think it's funny?"

When Shi Dai said this, she had an extremely ugly smile on her face.

Ji Yun sighed heavily and said, "Shi Dai, don't lie to yourself. Su Fei is no longer the Su Fei who was still the eldest daughter of the Su Family."

Shi Dai's eyes turned red. She kept shaking her head and said, "I don't believe

Ji Yun sighed helplessly.

Yang Xue grabbed Lu Yan and Lin Yin's hands tightly, feeling a little upset.

Su Fei was a very annoying person, but seeing her former classmate being humiliated like this, Yang Xue felt very upset.

The originally happy group of people was caught off guard by this sudden accident. Everyone stopped thinking about playing wantonly.

On the other hand, Zhao Zhi grabbed Su Fei's hair and forced her to raise her face from the bend of her knees. Facing the group of demons opposite her, the hatred in Su Fei's heart took root and grew into a huge tree.

She wished she could tear these people in front of her into pieces and feed them to the wild dogs.

It was these people who had embarrassed her in front of Lin Yin.

She had once stood above Lin Yin, but after her face was completely torn apart by everyone, she felt that she had completely turned into a pile of mud and was completely stepped on by Lin Yin, that lowly person from the slums.

Her eyes were filled with anger that could burn everything. She wished she could destroy the world with her.

Even if their actions were discovered by their classmates, Zhao Zhi was not afraid. Instead, he looked at Su Fei mockingly and smiled. "Why? You actually feel embarrassed. You've already done it. Are you still afraid of others looking?"

Seeing that Zhao Zhi was about to continue taking off her remaining clothes in front of so many people, Su Fei completely exploded. She pushed Zhao Zhi away, grabbed the clothes beside her, and covered herself before rushing out of the private room..

Chapter 339: Meng Shu's Past

Su Fei ran all the way and attracted the attention of many people.

Even though they knew that there would be some special services in this clubhouse, very few people would see such a woman running in the corridor in her underwear and a dog leash.

However, Su Fei could not care less at this moment. She just wanted to find a place to hide and not be seen.

It was only when she pushed open the door to the emergency exit and hid at the top of the stairs that she couldn't help but burst into tears.

All along, she had never done anything heinous. Why did she have to suffer these inexplicable injuries?

Why could a lowly person like Lin Yin be high up in the air now while she could only be trampled on and humiliated? Why?!

How could the heavens be so unfair!

As Su Fei cried, she vented the frustration in her heart until she calmed down. Then, she sat quietly at the staircase.

After a moment of impulse, Su Fei sat at the staircase and did not move for a long time. She did not know what to do.

She knew that she had embarrassed Zhao Zhi just now. If she went back now, she would definitely be treated even more cruelly by Zhao Zhi.

Su Fei put on her clothes and slowly walked out. She wandered around in this debauchery alone. It was not until she heard the discussion between the women that she stopped and listened attentively.

"I also received a lot of tips. I have to say that Eldest Master Lu is really generous."

“What a joke. That’s the head of the great families, the Lu Family. Lu Zheng is the eldest son of this generation. There’s no way he can finish spending all his money.”

“But I heard that the Lu Family wants the Third Master of the Lu Family, Lu Ming, to inherit the family’s foundation. If the Third Master of the Lu Family comes, he will definitely be able to give more tips.”

“Third Master Lu? If you’re looking forward to Third Master Lu coming, it’s better for you to daydream first!”

“That’s right. I’ve been in charge for so long, but I’ve never heard of Lu Ming coming out to play with women. Give up!”

“That’s right. Even if it’s Eldest Master Lu, you’re lucky to be able to see him today. This is the first time I’ve seen him in so many years.”

“That’s right. With the Lu Family’s old-fashioned upbringing, I’ve never even seen Second Master Lu, let alone Third Master Lu.”

“Hahaha, looks like we can only get some pocket money from Eldest Master Lu.”

“Then you have to keep it well. Eldest Master Lu is married. I heard that his wife came from here. She’s really ruthless.”

“Really? How can a family like the Lu Family accept a woman of our background?”

The women’s voices suddenly lowered, and Su Fei was instantly curious.

Lu Zheng was Lu Ming’s elder brother, and Lu Ming and Lin Yin were so close that Su Fei was curious about everything about Lin Yin.

The woman’s voice was very soft, but Su Fei still heard it.

“Lu Zheng’s current wife, Meng Shu, was said to be the daughter of a rich family. Later, I heard that her family fell from grace and she ended up in our brothel. However, this was a long time ago. I heard about it too. I don’t know if it’s true.”

“Huh? There’s such a thing?! Does that mean that I can also become the wife of a rich family?”

“Look at how capable you are. When you see a man like this, your eyes light up like a dog seeing sh*t. He doesn’t like you !”

“Hmph! Aren’t you going to let me dream? Meng Shu was an escort before, but can’t she still be a rich wife? Can I be uglier than her?”

“That’s right. Which of us sisters isn’t younger than Meng Shu? Why can’t we think about it? Moreover, I heard that ever since Meng Shu hooked up with Lu Zheng, her originally dilapidated family also soared. Now, they’ve already recovered to their former glory!”

“Sigh, she’s really lucky! She’s already a prostitute, but there’s still a man who came to bail her out and even gave her money to support her family. I wonder when I can get such dogsh*t luck!”

The women’s chatter gradually disappeared, and Su Fei’s eyes lit up.

It was also the first time she knew that Lu Ming’s sister-in-law came from such a background.

In that case, she, Su Fei, was even more noble than Meng Shu. At least she had not officially become a woman of those places. At least, in name, she was still the daughter of the Su Family.

Although she was not his biological daughter.

Su Fei’s eyes gradually became firm. If she could take down Lu Zheng, even if Lin Yin really joined the Lu Family in the future, she would still be Lin Yin’s sister-in-law.. Wouldn’t she still be above Lin Yin?

Chapter 340: Monitoring Lu Zheng

Besides, no one knew what the outcome of such a battle between the wealthy families would be until the end.

If something happened to Lu Ming halfway, wouldn't Lu Zheng be the most capable person to take over the Lu Family?

If she got together with Lu Zheng, wouldn't she be the future mistress of the Lu Family?

As the future mistress of the Lu Family, not to mention Zhao Zhi, even Zheng Chao was unable to bear the consequences of failure. They probably wouldn't dare to threaten her, right?

Or could she use the Lu Family's power to directly deal with Zheng Chao and the others?

At the thought of this, Su Fei was instantly excited.

The women had just said that Lu Zheng had appeared here tonight. Su Fei suddenly wanted to try her luck. Perhaps Lu Zheng had not left yet.

Su Fei tidied up her clothes obediently and went straight to the security officer's room.

The two security officers looked at Su Fei in confusion and asked, "Madam, what's the matter?"

Su Fei smiled seductively and said, "I just lost something in the clubhouse, but I don't remember where I lost it. Can you ask the two brothers to help me look at the surveillance cameras?"

The two security officers sized Su Fei up and said righteously, "I'm sorry, Madam. The surveillance cameras involve the privacy of our guests. We can't show you."

Su Fei looked at the two of them and pouted. "But that thing is very important to me. If I lose it, I'll be spanked. Can you really bear to do that?"

When the two security officers heard Su Fei's words, they were instantly stunned on the spot. They had never expected the woman in front of them to be so coquettish to them. The two of them were a little stunned.

Especially when they saw the woman in front of them puffing out her chest intentionally or unintentionally, revealing her proud cleavage, the two of them swallowed their saliva.

How could a normal man resist a beautiful woman who had obviously come knocking on his door? The two of them sized up Su Fei. Their gazes, which had been at a loss at first, slowly turned turbid and lustful.

Su Fei looked at the two men with disdain, but her actions were even more provocative.

She went forward and caressed one of the security officers' chests with her soft hand. She asked softly, "Can I take a look? Brother security officer?"

The fragrance of the woman's body entered the noses of the two security officers and immediately charmed the two men.

The neglected security officer beside her touched Su Fei's butt tentatively and said wretchedly, "Little girl, let me touch you properly. I promise you anything!"

He had not touched a woman for a long time. Now that he had met someone who came knocking on his door, he was extremely excited.

Su Fei endured the disgust in her heart and twisted her butt coquettishly. She sent that round butt into the hands of the security officer behind her and moaned softly, "Good brother, touch it properly. You're making me so comfortable!"

Su Fei's words instantly cut off the rational thread in the hearts of the two security officers. The hand that was originally gently rubbing Su Fei's butt instantly became impudent. They kneaded it a few times and even slapped it hard.

Su Fei yelped cooperatively.

In the past, Su Fei would definitely not have been able to do it.

However, during this period of time, she had been tortured and humiliated by Zheng Chao and the others. Su Fei had long thrown away her so-called self-esteem and shame.

Facing two security officers was a piece of cake for Su Fei.

Just as the two of them were aroused by Su Fei, Su Fei pulled out all four hands that had already reached into her underwear and said angrily with a pout, "You touched me until I'm wet, but you didn't even turn on the surveillance cameras!"

The two security officers immediately said fawningly, "Little girl, there's no hurry. I'll on it for you immediately."

Su Fei instantly smiled and winked at the two of them. She said seductively, "Okay! When I'm done, I'll definitely serve you well. I promise to make you comfortable."

Su Fei's words made the two security officers feel smug. After asking about the time of the surveillance cameras they wanted to see, the two of them located the surveillance cameras at that time.

Su Fei stared fixedly at the surveillance cameras. She was not sure when Lu Zheng arrived and when he left, so she could only watch quickly..
