

## Real Daughter 341

### Chapter 341: Mr. Lu 's Woman

The two security officers' gazes landed on Su Fei's butt, who was lying in front of the computer and looking at the surveillance cameras. After looking at each other, the two of them smiled evilly.

Feeling the two hands that had already reached into her legs, Su Fei ignored them completely. She just looked at the surveillance cameras and quickly went through them.

This was the opportunity she could seize now. Even if the hope was very small, she had to give it a try. Otherwise, she could forget about getting rid of Zheng Chao and the others for the rest of her life.

Su Fei was anxious, and so were the two security officers behind her. In this small security officer room, they served Su Fei until she reached her climax.

Just as the two of them were arguing about who should go first, Su Fei saw Lu Zheng. His face was exactly the same as the photos she had just found online. She even saw a few women come out of that private room after the man came out.

Those women happened to be the women who had just discussed Lu Zheng and Meng Shu.

Su Fei was overjoyed and quickly scrolled to the back of the video. Suddenly, the flesh on her chest sank into a warm place. A hot thing pushed open her vagina and inserted.

The disgusting but exciting rhythm made Su Fei sigh in comfort.

Su Fei gritted her teeth and endured the trembling of her body. Her eyes were still fixed on the screen. When she saw that Lu Zheng had brought a woman into a private room and had yet to come out, Su Fei's heart was filled with joy.

She pushed away the security officer who was squinting and enjoying himself. His penis, which was still in her philtrum, instantly slid out.

At the same time, Su Fei pulled her nipple out of another security officer's mouth.

Then, she stood up and put on her clothes in front of the two security officers. She said with a smile, "Alright, Brothers, I should go back. Otherwise, Mr. Lu will find trouble with me later."

How could the two security officers, who had yet to vent themselves, be willing to let Su Fei off?

The two of them went forward and pressed Su Fei against the surveillance cameras. They said fiercely, "B\*tch, are you playing with us?"

As they spoke, the two of them lifted Su Fei's skirt and wanted to force themselves on her. However, Su Fei shouted, "I'm from the Lu Family. Are you sure you want to play with Lu Zheng's woman?"

The security officer's hand was already on the edge of Su Fei's underwear, but he was so frightened that he didn't dare to move.

"Who are you lying to?" A security officer questioned.

They did not know if Lu Zheng was really having an affair with the woman in front of them, but they knew Lu Zheng's status.

Su Fei struggled free from the two of them and stood up slowly. She smiled and said, "If you don't believe me, you can ask Eldest Master Lu. Besides, I'm not a hostess at your clubhouse. You'd better think carefully about what you want to do to me!"

Su Fei's shrewd eyes swept across the two security officers before she sneered. "I let you touch me up and down today and you even stuffed your dirty thing into me. What do you think will happen to you if I tell Mr. Lu?"

Su Fei's confident expression instantly caught the two security officers' attention. The two of them hurriedly pulled up their pants and looked at each other.

Su Fei laughed coldly. "Forget it. Seeing that the two of you served me well just now, I won't argue with you. The next time you see me, you have to be careful of your lifeline. Otherwise, I'll get Mr. Lu to cut off your dirty things for me sooner or later."

Su Fei's warning frightened the two security officers so much that they immediately covered their vital parts and said ingratiatingly, "Aunt, we were blind and offended you. We won't dare to do it again."

Su Fei laughed coldly and said, "At least you guys know what's good for you."

With that, Su Fei left under the terrified and helpless gazes of the two security officers.

However, as soon as Su Fei left, the expressions of the two security officers changed. They spat at the door and scolded, "Stupid b\*tch, she's still the same as those who came to sell themselves. What's with the arrogance! We should have done it first just now. F\*ck!"

As soon as Su Fei left the house, she went straight to the bathroom to tidy up the marks on her body and mess up her hair.

Looking at her pitiful appearance in the mirror, Su Fei walked out of the bathroom with a satisfied expression. Then, she jogged over and barged into the private room where Lu Zheng was with a panicked expression..

Chapter 342: Seducing Lu Zheng

Lu Zheng, who was enjoying the service of a beauty, was shocked. He almost thought that his grandfather had brought someone to arrest him. In the end, when he saw that it was a young girl with disheveled clothes who had fallen in, he relaxed and looked at the door unhappily.

Su Fei used her hands to support her weak body. The clothes on her shoulders fell to her shoulders, revealing her smooth skin.

Her timid eyes were filled with tears as she looked at the two people in the private room in confusion. When she saw that they were both naked inside, Su Fei was so frightened that she immediately stepped back.

It was this panicked retreat that made Su Fei's clothes suddenly slide down and her full breasts appear in front of Lu Zheng.

Her trembling snow-white breasts were decorated with a bright red nipple. Her shy and timid appearance of not even wearing a bra indeed aroused Lu Zheng's desire.

When the woman serving Lu Zheng saw Lu Zheng's interest in the girl at the door, she was instantly dissatisfied.

She stood up without any scruples and scolded Su Fei, "Get lost!"

Su Fei hurriedly covered her eyes and turned around to stand up. In the end, she stepped on her accidentally fallen clothes and fell down, exposing her upper body to the air.

Su Fei screamed and covered the roundness of her chest, looking at the two people opposite her in fear.

Lu Zheng's lips curled into a smile. If he was not wrong, this woman should be here to seduce him. Perhaps she was the new girl from this clubhouse?

However, he had to admit that he was interested in this little girl.

At this moment, a voice suddenly came from the door, as if it was looking for someone.

Su Fei looked panicked and hurriedly reached out to close the door. Then, she looked at the two people opposite her with a pleading expression and said, "Uncle, Sister, someone wants to catch me. Can you let me hide here? When they leave, I'll go out. I won't disturb you."

The woman gritted her teeth in anger. They were all women, so she could naturally tell that Su Fei had ill intentions. She was obviously here for her big sugar daddy.

It was not easy for her to have a generous guest like Lu Zheng. How could she let him off?

However, just as she was about to scold Su Fei to go out, Lu Zheng's voice sounded. "Is this a newcomer to your clubhouse?"

How could the woman know? She looked unfamiliar.

The woman did not answer. Just by looking at the woman's slightly puzzled expression, Lu Zheng knew that this girl was not from this clubhouse.

Lu Zheng was interested. He stood up and walked towards Su Fei naked.

Su Fei's gaze landed on the dangling penis between Lu Zheng's legs. She was stunned for a few seconds before she let go of her chest in fear and covered her eyes.

Without any cover, her well-developed chest was revealed. Hence, Su Fei covered her chest in panic. She was extremely busy, which amused Lu Zheng.

Seeing that Lu Zheng was about to approach, Su Fei immediately shouted, "Don't come over. I... I'll call the police. I..."

Seeing that the girl could not say a complete sentence for a long time, Lu

Zheng thought of something and said, "I'm already here. What do you want?"

Su Fei suddenly looked up. The man's hard and erect thing was about to touch Su Fei's forehead.

Su Fei was stunned on the spot and did not react for a long time.

The woman at the side gritted her teeth in anger when she saw Su Fei pretending. She immediately grabbed Lu Zheng's arm and rubbed her full chest against Lu Zheng's. She smiled and said, "Mr. Lu, she's just a wild girl. I'll get her out immediately and I'll continue to serve you? Hmm?"

Lu Zheng had a smile on his face, but he said coldly, "Get out!"

When Su Fei heard Lu Zheng's words, her stunned eyes were instantly filled with tears. She looked like a delicate flower that had been frosted. She was really lovable.

The woman beside her did not expect the young lady in front of her to be so thick-skinned despite her young age.

"Mr. Lu asked you to go out! Didn't you hear him?" The woman looked at Su Fei proudly and scolded.

She dared to snatch her man from her. She did not even look at her own capabilities. She was really overestimating herself.

Su Fei pulled her clothes up sadly to block the view of her chest. Then, she avoided Lu Zheng's lively penis and moved to the side before slowly standing up.

However, just as she was about to open the door and leave, someone suddenly grabbed her arm. She exclaimed and her clothes had already fallen to the ground.

The next second, she was naked in Lu Zheng's arms..

Chapter 343: Hugging Her Legs

Lu Zheng was also a little surprised. This young lady's inside was actually empty. She was not even wearing her underwear.

Lu Zheng's gaze landed on the woman beside him and he said coldly, "I'm asking you to get out!"

The woman's eyes widened. She did not expect that she would be intercepted by a young lady one day.

The woman grabbed Lu Zheng's arm indignantly and said coquettishly, "Mr. Lu, let me serve you."

Lu Zheng's eyes darkened. "Why? I need you to arrange for me to play with women?"

Hearing the strong warning in Lu Zheng's tone, the woman panicked a little. She glared fiercely at Su Fei, who was struggling in Lu Zheng's arms, and reluctantly put on her clothes and left.

Su Fei, who was in Lu Zheng's arms, pushed Lu Zheng angrily and shouted weakly, "You smelly hooligan, let go of me!"

As Su Fei struggled, she glared at Lu Zheng with red eyes.

Lu Zheng looked at the woman in his arms who was like a little rabbit and smiled. "I can let go of you. You'll have to get out now!"

Lu Zheng's words instantly made the girl in his arms give up struggling.

Su Fei looked up with red eyes and begged pitifully, "I beg you, don't chase me out. They're not human. They bullied me. Many of them took off my clothes and even touched me. I'm afraid! Don't worry, when they leave, I'll go out. I won't bother you. Uncle, only you can protect me now."

Such a Su Fei instantly made Lu Zheng want to protect her. A sense of accomplishment from being relied on arose in Lu Zheng's chest.

He had experienced this feeling from Meng Shu more than ten years ago.

However, after the two of them got married for a long time, Meng Shu was no longer as pitiful and doting as before.

The girl in front of him was a little similar to the old Meng Shu, especially her lovable appearance.

Lu Zheng carried Su Fei horizontally to the sofa and placed her on his lap like an adult carrying a child.

Lu Zheng pulled his clothes and placed them on Su Fei's body, blocking Su Fei's exposed skin. However, their lower bodies were close together.

"Don't be afraid. Uncle will protect you," Lu Zheng said softly as he touched Su Fei's smooth hand.

Su Fei looked at Lu Zheng with wet eyes and looked at him sincerely. "Uncle, you're really a good person!"

Lu Zheng looked at Su Fei's smiling face and the corners of his lips curled up slightly. The penis on his lower body could not help but burrow between Su Fei's legs.

Su Fei's expression changed instantly. The next moment, she burst into tears, scaring Lu Zheng.

Lu Zheng quickly wiped Su Fei's tears and smiled helplessly. "Why are you crying like a child?"

Su Fei shifted her hips slightly and grabbed the meat stick of desire. She cried even louder. "I don't like this. Those people used this to bully me too. I'm afraid!"

Su Fei held Lu Zheng's penis tightly, making him gasp. He said patiently, "My little ancestor, be gentler!"

Su Fei seemed to have suddenly realized something and quickly let go of Lu Zheng's penis with a red face. She looked at Lu Zheng timidly with her dark eyes.

Lu Zheng panted slightly before his expression turned ugly. He asked with a dark expression, "Who are they?"

Lu Zheng was very dissatisfied. The young lady he had just taken a fancy to was actually played by someone else first. He naturally felt uncomfortable.

Su Fei mumbled a few times and stammered, "It's my classmate, Zheng Chao, and his group of friends. Actually, Zheng Chao used to be my fiancé. Later, he took a fancy to Lin Yin and broke off the engagement with me. It's just that I didn't expect that he wouldn't be able to catch up to Lin Yin himself and would pester me again. He even asked someone to bully me and film a video of me." With that, tears streamed down Su Fei's face. She looked so pitiful.

However, Lu Zheng's focus was not on Su Fei's crying. Instead, he asked, "Is the

Lin Yin you're talking about the chairman of the Sheng Corporation, Lin Yin?"

Su Fei nodded at Lu Zheng with tears in her eyes and replied in a choked voice, "Yes, it's that Lin Yin. Because Lin Yin and Lu Ming were together, Zheng Chao was abandoned and came to find trouble with me. I'm really sad. Lin Yin has already snatched my father's Corporation away. Now, Zheng Chao is still looking for trouble with me because of her abandonment. I don't know how I provoked Lin Yin to be bullied like this.."

Chapter 344: Pretending to Be Stupid and Naive

A smile appeared on Lu Zheng's lips. He looked at Su Fei and asked, "So, you're the eldest daughter of the Su Family who was brought back by the wrong person previously?"

Su Fei looked at Lu Zheng in surprise and asked innocently, "How did you know?"

Lu Zheng was amused by Su Fei's ignorant expression and teased, "I know everything. Of course I know."

Su Fei widened her teary eyes at Lu Zheng and sighed sincerely. "Uncle, you're amazing!"

Lu Zheng smiled and rubbed Su Fei's shoulder with his hands. He smiled and said, "Uncle has something more powerful. Do you want to see it?"

Su Fei nodded at Lu Zheng in confusion. Her cute eyes were filled with innocence, making Lu Zheng feel inexplicably guilty.

Speaking of which, this girl was even younger than his daughter.

At the thought of his daughter, Lu Zheng put away some evil thoughts, but the desire in his body did not lessen because of this.

Lu Zheng reached under Su Fei's clothes and gently held the soft flesh on Su Fei's chest.

Su Fei panicked and looked at Lu Zheng timidly. She whispered, "Uncle, don't be like this. I'm afraid!"

Lu Zheng knew that Su Fei must have been violated previously. From her words, he could even guess that the young lady had probably been gang-raped by her so-called fiancé.

Even though this made Lu Zheng's heart ache a little, the image of the girl being violated by so many people appeared in his mind, and the desire in his heart intensified.

Lu Zheng asked nicely, "Do they rub your nipples like this as well?"

Such a straightforward question made Su Fei blush. She nodded timidly and held Lu Zheng's hand that was messing around her chest tightly.

Lu Zheng smiled and tightened his grip. He asked in a hoarse voice, "Then what was your reaction?"

Su Fei frowned and pointed at her lower body innocently and naively. Her soft voice whispered, "It'll be wet here. It's so uncomfortable and strange. But they hurt me later. I feel terrible. I hate them and I'm afraid of them."

Lu Zheng's Adam's apple bobbed as he asked with strong desire, "What's your name?"

Su Fei lowered her head and her gaze landed on the clothes that bulged on her chest from time to time. She replied, "My name is Su Fei. My parents and brother call me Feifei. Uncle, you can call me Feifei too."

"Feifei, do you think Uncle is a bad person?" Lu Zheng asked as he stared into Su Fei's eyes.

Su Fei thought for a while before answering, "As long as Uncle doesn't treat

Feifei like those people and stab her with a stick, Uncle is a good person."

Su Fei knew very well that even if Lu Zheng's power in the Lu Family was not as strong as Lu Ming's, it was still quite easy for Lu Zheng to investigate her, so Su Fei chose not to hide it.

On the other hand, when Lu Zheng heard Su Fei's words, he became excited. This girl was interesting.

Just hearing Su Fei say that others were playing with her made Lu Zheng feel like he had opened the door to a new world.

Lu Zheng's hand slowly slid down and lingered at the hole that was already dripping with honey. Su Fei was so frightened that she quickly grabbed Lu Zheng's hand.

Su Fei looked at Lu Zheng sadly and begged, "Uncle, I don't want it! It hurts!" Lu Zheng coaxed her with a rare good temper. "Feifei, be good. I won't let you suffer."

Su Fei stubbornly held Lu Zheng's hand tightly and shook her head with a frown. "Uncle, I'm afraid. I don't want it!"

Lu Zheng's expression changed slightly. "Didn't you say that Uncle is a good person? Those people are bad people. You don't let them play with you, but Uncle is a good person. Isn't it bad if you don't let Uncle play?"

Lu Zheng did not care if Su Fei was really naive or if she was deliberately pretending to be stupid to cater to him. In short, he had to have fun today.

Su Fei sat on Lu Zheng's lap, her chest heaving as she looked at him, but she did not say anything.

Lu Zheng sighed slightly and continued to coax her. "Feifei. if you have fun with me, I'll help you teach those who bullied you a lesson, okay?"

Su Fei's eyes lit up. She looked at Lu Zheng and asked happily, "Really? Uncle will help me bully them back?"

Lu Zheng smiled and nodded at Su Fei.. "I'll keep my word!"

Chapter 345: Standing Up for Su Fei

Hearing Lu Zheng's promise, Su Fei thought for a while before letting go of Lu Zheng's hand. She whispered shyly, "Alright then. If it's Uncle, it's fine if it hurts a little. However, Uncle, you can't lie to me!"

Without the force from Su Fei's hand to stop him, Lu Zheng slid his hand across the girl's furry mound in satisfaction and slowly probed the honey cave with his fingertips.

The girl cried out in panic. The clothes that were originally covering Su Fei's body fell off, and her snow-white breasts appeared in front of Lu Zheng.

Lu Zheng smiled and opened his mouth to bite one of the nipples, gently comforting the girl in his arms.

After the girl fell in love, Lu Zheng pressed Su Fei to the ground and coaxed her to kneel on the ground.

Su Fei's ignorant and obedient appearance simply aroused all of Lu Zheng's desires. It was only when Su Fei fell to the ground weakly that Lu Zheng let her go.

Su Fei, who had been through hundreds of battles, was able to fool Lu Zheng with ease. She did her best to look pure and lustful.

After that, Su Fei said to Lu Zheng with a flushed face, "Uncle, why are you taking so long? Those people from before couldn't even last a few minutes."

Su Fei's seemingly innocent words completely satisfied Lu Zheng's vanity. As if he had picked up a treasure, Lu Zheng hugged Su Fei tightly and said gently, "That's because Feifei is too seductive, so Uncle is more amazing."

As he spoke, Lu Zheng's hand was slightly down. He gently rubbed the redness and swelling of Su Fei's lower body and asked, "How is it? Does it hurt? Uncle will rub it for you?"

Su Fei buried her face in Lu Zheng's arms in embarrassment and said coquettishly, "Uncle, you're so annoying!"

Lu Zheng continued to stroke Su Fei lovingly. The two of them rolled together shamelessly.

It was not until the two of them were satisfied that Lu Zheng carried Su Fei to the bathroom to wash up.

Su Fei was wearing the expensive clothes Lu Zheng had gotten someone to buy. She was overjoyed. She kissed Lu Zheng on the cheek and turned her head shyly away from Lu Zheng.

Lu Zheng laughed until his chest was trembling. He hugged Su Fei and kissed her non-stop. Then, he said, "Let's go. Uncle will bring you to teach that group of Young brats a lesson!"

Su Fei's eyes lit up. She looked at Lu Zheng and said, "Uncle, you're so good to me!"

Lu Zheng pinched Su Fei's little face. "Then you have to repay Uncle well, understand?"

Su Fei nodded firmly and said, "Okay! I'll learn more techniques in the future to make you feel better, Uncle!"

Lu Zheng nodded at Su Fei. "In the future, you can only say such things in front of me. You can't spout nonsense in front of others, understand?"

A faint light flashed in Su Fei's eyes. Then, she covered it with a coquettish smile and nodded obediently. "I understand!"

As soon as Lu Zheng brought Su Fei out, he gestured and a few men in suits appeared beside him.

Su Fei looked at the man beside her in shock and asked curiously, "Have they always been here? Are they protecting Uncle? Then just now..."

Lu Zheng knew what Su Fei was surprised about and interrupted, "Yes, they've always been around. But they only block men and not women, especially such a cute little girl like you. They won't stop you from coming in."

Su Fei lowered her eyes and gently punched Lu Zheng's chest.

With these bodyguards by her side, Su Fei was even more confident.

Zheng Chao and the others usually would not have fun until the next day, especially since the college entrance examination had just ended today, so Zheng Chao and the others would have even more fun today.

Therefore, when Su Fei pushed open the door of the private room, she saw that Zheng Chao and the others were still there, and it was a mess inside.

There were a total of eight people in Zheng Chao's group, and there were at least fifteen women gathered inside.

A few of the girls who accompanied them were naked. They knelt on the ground and let these people bully them. Their bodies were green and purple, and none of them were unscathed.

Zhao Zhi was riding on a woman's body. When he turned around and saw Su Fei, his eyes instantly flashed with a cold light.

Just now, Su Fei had escaped from him in front of so many people, causing him to be mocked for not being able to control his own bitch. It was too embarrassing.

Hence, he had called a few women in just now and played with them ruthlessly. Up until now, a few had already been carried out..

Chapter 346: Dealing With Zheng Chao and Zhao Zhi

Zhao Zhi pulled out his sex device from under the kneeling girl and stood up straight. He mocked Su Fei, "Yo, my little bitch is back. Why? Did you go out for a walk and realize that only we can satisfy your desires?"

As he spoke, the people beside him laughed. Their laughter was filled with disdain and contempt.

Zhao Zhi turned around and looked at the people behind him. Seeing that Zheng Chao did not react, he smiled and said, "Brother Chao, I told you, such a b\*tch will run back obediently and beg me to teach her a lesson. Aren't I right?"

Hearing the people inside humiliate Su Fei, Lu Zheng laughed coldly. He did not expect youngsters to be so arrogant these days.

Su Fei was trembling with anger, but Zhao Zhi stepped forward arrogantly. The dirty thing that had yet to soften appeared in front of Su Fei without reservation.

“Su Fei, aren’t you despicable? I treated you well just now, but you didn’t appreciate it. Now, you’re running back. Don’t tell me you think I really lack a disobedient dog like you?”

At this moment, Zhao Zhi was completely unaware of the person outside the door and only attacked Su Fei arrogantly.

“Zhao Zhi, don’t go overboard!” Su Fei’s voice trembled slightly. Her lack of confidence pleased Zhao Zhi.

Previously, Su Fei would only listen to him when he threatened her with videos. Unexpectedly, today, he only mocked her a little, but Su Fei’s tone was so soft. It seemed like Su Fei had figured something out after running out.

Hence, Zhao Zhi became even more arrogant. He pointed at his sex organ that had yet to soften and ordered Su Fei, “You want me to not go overboard? Sure! Kneel down now and lick it properly. Do your job as a female dog and I’ll let you off!”

Su Fei ignored Zhao Zhi and only looked at him in disgust. This angered Zhao

Zhi.

Zhao Zhi had thought that Su Fei had thought it through and would be obedient in the future, so she came back.

He did not expect Su Fei to still dare to look at him with the same disdain as before. He was instantly unhappy.

On the other hand, Zheng Chao walked up and sized Su Fei up with a smile. "It seems like you're not satisfied with Zhao Zhi alone. It's fine. Why don't the three of us go together? You'll definitely be satisfied, Feifei, right?"

As he spoke, Zheng Chao wanted to pull Su Fei's arm, but Su Fei retreated in fear.

Seeing that Su Fei still dared to retreat, Zheng Chao's expression turned ugly. He raised his hand and slapped Su Fei's face.

However, before Zheng Chao's slap could reach Su Fei's face, his abdomen was hit heavily. He was sent flying backward and lay on the ground in pain.

In an instant, the remaining people in the private room stood up and walked out of the door.

Zhao Zhi had just shouted, "Damn it..." Then, like Zheng Chao, he was kicked to the ground.

At this moment, a few men in black suits appeared behind Su Fei, and a man in casual clothes wrapped his arms around Su Fei's waist, as if he was looking at ants in the private room.

Zhao Zhi lay on the ground and shouted, "Where did these hooligans come from? Do you know who you hit? It's the eldest young master of the Zheng Family, Zheng Chao. Let me tell you, you'll be finished!"

Lu Zheng hugged Su Fei and looked at the few people on the ground and the men around them with a sinister smile.

"The Zheng Family? Where did this small family come from? Why haven't I heard of them?" Lu Zheng's words were filled with arrogance.

Zhao Zhi did not expect that the other party was not afraid at all even though he had already mentioned the Zheng Family.

Zheng Chao was helped up by his good friends. He looked at Lu Zheng, who was obviously not young, with hatred and mocked, "Su Fei, I didn't expect that after you went out for a while, you would curry favor with a middle-aged man. You're indeed cheap. Anyone can f\*ck you."

Su Fei's eyes were instantly filled with tears as she looked at Lu Zheng pitifully. Lu Zheng's heart ached so much that he used his hand to wipe Su Fei's tears and coaxed her, "Be good and stop crying. Uncle will help you teach this dog that can't speak a lesson."

As he spoke, Lu Zheng waved his hand and the bodyguards beside him surrounded Zheng Chao.

Several people who wanted to help Zheng Chao were kicked to the corner by the men in black and did not dare to move for a long time.

Looking at Zheng Chao, who was only left with his underwear and was beaten to the point of vomiting blood on the ground, Su Fei felt relieved..

Chapter 347: Meeting Lin Yin

When Zhao Zhi saw that the other party had even hit Zheng Chao, he instantly became more obedient. He secretly crawled towards his clothes, wanting to put them on.

Su Fei looked at Zhao Zhi coldly, then turned to look at Lu Zheng with an aggrieved expression. She pointed at Zhao Zhi and said, "Previously, he didn't let me wear clothes. Can I not let him wear clothes now?"

Lu Zheng scratched Su Fei's nose dotingly and said, "Okay!"

Lu Zheng only said "okay" before the bodyguard beside him went forward and grabbed the naked Zhao Zhi to kneel in front of Lu Zheng.

Zhao Zhi did not know Lu Zheng's identity, but he had always known that a wise man knew when to retreat. He immediately kowtowed to Lu Zheng and begged for mercy. "Sir, I know my mistake. Let me go!"

Lu Zheng ignored Zhao Zhi's begging and only looked at Su Fei and asked,

"How do you want to punish them?"

Su Fei opened her big eyes and looked at Lu Zheng in confusion. She said awkwardly, "I don't know either. Uncle, why don't you teach me?"

Lu Zheng was very satisfied with Su Fei's childlike innocence and cuteness. He immediately said, "Alright! Why don't I lock them up first? When the time comes, Uncle will teach you how to punish bad people, okay?"

Su Fei looked at Lu Zheng with bright eyes and nodded vigorously.

When Zhao Zhi heard Su Fei's tone, he gritted his teeth in hatred.

Su Fei was indeed not a good person. If he had known earlier, he would have played Su Fei to death first and not be caught now.

Lu Zheng waved his hand and brought Zheng Chao and the others away, not even letting them wear their clothes.

Su Fei leaned into Lu Zheng's arms. As soon as she went out, she bumped into Lin Yin and the others next door.

Lu Yan widened her eyes and looked at Su Fei in Lu Zheng's arms, her face filled with disbelief.

Lu Zheng did not expect to meet his niece when he came out to cheat. He immediately let go of Su Fei's waist and asked with a smile, "Xiao Yan, you're here too? Are you out to play?"

Although Lu Zheng and Lu Jin were not close, Lu Zheng still had to act like an elder in front of the younger generation.

Lu Yan's gaze sized up Lu Zheng and Su Fei. Then, she asked in disbelief,

"Uncle, what did you mean by hugging my classmate just now?"

Lu Yan had always been afraid of Lu Zheng. She kept feeling that Lu Zheng was not a good person.

If Lu Zheng had hugged someone else instead of Su Fei, Lu Yan would not have dared to ask.

Lu Zheng's scalp instantly went numb. He never expected that Su Fei was Lu Yan's classmate. It was difficult to explain now.

Moreover, he was also afraid that Lu Yan would spout nonsense in front of his grandfather.

For the first time, Lu Zheng, who had always been cold, did not dare to face Lu Yan. He quickly explained, "I... I saw that Feifei is quite cute, so I acknowledged her as my goddaughter. I heard that someone was bullying Feifei, so I came over to take a look today."

Although Lu Zheng's words were not convincing, Lu Zheng felt that this was the best reason why he had hugged Su Fei just now. It seemed normal for father and daughter to be closer.

Lin Yin sized up Su Fei ambiguously. With Lu Zheng backing her up, Su Fei was not afraid of Lin Yin's gaze and looked back righteously.

Lin Yin had Lu Ming as her backer, and now she, Su Fei, also had Lu Zheng as her backer. Lu Zheng was even Lu Ming's brother. With this relationship, Su Fei felt that she was already above Lin Yin.

This realization made Su Fei feel that she was even more arrogant in front of Lin Yin. She completely ignored the extreme disdain in Lu Yan's eyes.

"Uncle, does your wife know about you acknowledging your goddaughter?" Lu Yan asked weakly.

Lu Zheng laughed dryly and said casually, "I know. I originally planned to tell everyone in a few days. I didn't expect you to know first."

At this moment, Lu Zheng had no other choice but to say this.

Lu Yan did not dare to look at Lu Zheng, but she looked at Su Fei coldly and chuckled. Then, she said, "Yinyin, let's go. Your eyes will get dirty just looking at some people."

Lu Yan did not believe Lu Zheng at all.

When Lu Zheng heard Lu Yan's words, his gaze instantly turned to the girl beside Lu Yan. He sized her up without restraint.

Just now, Lu Zheng's attention had been on Lu Yan and he had neglected the others. When he saw Lin Yin, Lu Zheng's eyes lit up..

Chapter 348: Goddaughter Su Fei

So the girl in front of him was Lin Yin. She was indeed a rare beauty. No wonder his third brother was also charmed.

Lu Zheng's gaze made Lin Yin slightly unhappy. Su Fei was also a little angry.

Su Fei had always known that Lin Yin was good-looking, but Lu Zheng, this damn man, had just been intimate with her. Now that he turned around and stared at Lin Yin, how could Su Fei feel comfortable?

Lu Yan also sensed the unpleasant gaze in Lu Zheng's eyes and stood in front of Lin Yin. Even though she was a little afraid, she still protected Lin Yin with a determined expression and asked, "Uncle, what are you looking at?"

Lu Zheng retracted his gaze and sized up Lin Yin. He smiled and said, "I've always heard Ah Ming mention Lin Yin. I'm just curious about what a girl who can make your uncle fall head over heels for her looks like. Xiao Yan, what's with your tone? Does Uncle even need your permission to look at someone?"

Lu Zheng adjusted his mentality and quickly returned to his previous attitude towards Lu Yan.

Lu Yan looked at Lu Zheng's cold expression and did not dare to speak.

Lu Yan swallowing her anger made Su Fei instantly happy.

This Lu Yan had always been domineering in front of her in the past. Now that she saw Lu Yan like this, Su Fei felt like she had turned things around.

Su Fei asked with an aggrieved expression, "Lu Yan, you just said that looking at some people will dirty your eyes. Are you talking about me? I know you've never liked me, but you still say that about me in front of your uncle, I still feel a little sad.

When Lu Zheng heard Su Fei's words, his expression darkened. He scolded Lu Yan, "Lu Yan, is this your upbringing? Since I've acknowledged Feifei as my goddaughter, you're cousins. You shouldn't talk about your sister like this. Apologize to Feifei!"

Lu Zheng had never liked Lu Jin's family, and he did not even like Lu Yan very much, so he took the opportunity to reprimand them. In Lu Zheng's opinion, there was no problem at all.

Lu Yan widened her eyes and looked at Lu Zheng in disbelief.

In her opinion, no matter how close she and Lu Zheng were, they would still be closer than Su Fei, who was not related by blood, right?

Lu Yan looked at Lu Zheng angrily. Even though she was afraid, she still said her thoughts. "I didn't say anything wrong. Why should I apologize?"

Lu Zheng snorted. "Looks like when I have time, I'll have to talk to your father about your education. It's the father's fault when a child misbehaves! Looks like your father didn't set a good example for you!"

Lu Yan was so angry that her face turned red. However, because of her habits of ten years, she couldn't say anything to contradict Lu Zheng.

Su Fei smiled and said innocently, "Lu Yan, so your entire family is crooked

Lu Zheng did not care if Su Fei's words were true, but Su Fei's words spoke Lu Zheng's mind.

Lu Jin was a natural hypocrite. When he was young, he was often scolded by his grandfather and father because he could not compare to Lu Jin.

Fortunately, Lu Jin did not have a good relationship with his family because of Ren Xue. Otherwise, his status at home would be even lower.

Lu Yan was so angry that her eyes turned red. She pointed at Su Fei and scolded, "Su Fei, who do you think you are? You're not a member of the Lu Family. How dare you talk about my family matters!"

Su Fei snorted and said, "I'm Godfather's goddaughter. How can I not be considered a member of the Lu Family?"

Lu Zheng scolded Lu Yan loudly from the side, "Lu Yan, look at yourself. You're a big girl, yet you're scolding others so loudly!"

Lu Yan's classmates behind her looked at each other and did not know what to do.

Lu Yan was so angry that her eyes turned red. She hit Su Fei.

She did not dare to hit Lu Zheng, but she still dared to hit Su Fei.

Almost instantly, Lu Yan and Su Fei fought.

At the side, Lu Zheng saw that the little girl he had doted on just now was actually beaten up by his Second Brother's daughter to the point of being unable to fight back. He immediately called for the bodyguards beside him to help.

Lin Yin instantly took a step forward and said loudly with a cold smile, "Eldest Master Lu, don't tell me you want to interfere in the conflict between children?"

Lu Zheng had just raised his hand when he was suddenly asked by Lin Yin. He paused in midair and looked at Lin Yin in disbelief. He questioned, "As the elder of the family, I'm in charge of the younger generation. Why? Can't I control them?"

Lin Yin stared at Lu Zheng coldly and sneered.. "Then Eldest Master Lu, what

are you going to do? Are you going to get someone to catch Lu Yan so that Su Fei can hit Lu Yan easily?"

Chapter 349: Lu Ming Appears

That was what Lu Zheng thought, but after Lin Yin said that, Lu Zheng did not dare to do so.

Lu Zheng covered up and said, "How could I do such an unfair thing? Miss Lin Yin, you don't understand our Lu Family's matters. Don't interfere in my education of the juniors! Interfering in someone else's matters rashly is not something someone raised with a good upbringing would do."

Lin Yin smiled and said in disbelief, "Upbringing? I remember there's a saying that one doesn't teach their children in front of others. I think Eldest Master Lu comes from a wealthy family like the Lu Family and should know this logic. This is also an upbringing as an elder, right? But why don't I see this upbringing from you at all?"

As Lin Yin spoke, Lu Yan had already pressed Su Fei to the ground and slapped her a few times.

Lu Zheng looked troubled as he watched his little lover get beaten up. He wanted to go up and help, but he was pestered by Lin Yin, this troublemaker. He did not know what to do for a moment.

Yang Xue's heart skipped a beat as she watched from the side. Her eyes were fixed on the men in black, afraid that they would bully Lu Yan.

As for Lin Yin, she looked at Lu Zheng with a smile. From the corner of her eye, she saw that Lu Yan was fighting happily and was joyous.

Lu Yan pressed Su Fei to the ground and hit her. She shouted, "Godfather, save me. It hurts!"

These words made Lu Zheng extremely anxious. Seeing that Su Fei's delicate face was scratched by Lu Yan, Lu Zheng could not help but scold loudly, "Lu Yan, stop!"

Then, Lu Zheng looked at the surrounding bodyguards and shouted, "What are you looking at? Hurry up and pull Lu Yan away!"

Those bodyguards immediately picked Lu Yan up. When Su Fei saw that Lu Yan was stopped, she immediately stood up and raised her hand to grab Lu Yan's face.

Lin Yin's eyes turned sharp. She raised her leg and kicked Su Fei's abdomen. Then, she turned around and attacked the two bodyguards holding Lu Yan.

After a few moments, the two bodyguards hung their arms by their sides and leaned to the side, crying out in pain.

Lu Zheng never expected that a small girl like Lin Yin could actually break the arms of his two tall bodyguards.

Lin Yin shielded Lu Yan behind her and looked at Lu Zheng with a sharp and cold gaze as she warned, 'Mr. Lu, you'd better ask for my opinion first if you want to touch my people. Otherwise, I won't be polite.'

Lu Zheng did not expect that at his age, he would be threatened by an 18-year-old girl.

Lu Zheng, who could not stand it anymore, immediately called the remaining bodyguards beside him to go forward and catch Lin Yin. He had to vent his anger.

Lin Yin's classmates were also very anxious, while Shi Dai and Ji Yun watched the commotion from the side.

However, Shi Dai looked at Su Fei from time to time. She could not understand, so she asked in a low voice, "Ji Yun, when did Su Fei become Uncle Lu Yan's goddaughter?"

Ji Yun's eyes were filled with disdain as she whispered, "What goddaughter? She's clearly a little lover. You make it sound dignified and ridiculous." Shi Dai frowned slightly.

On the other side, Lin Yin protected Lu Yan and retreated. Yang Xue also hurriedly went forward to protect her little friend. She was still holding the glass bottle that she had taken from somewhere, ready to attack at any time.

The bodyguards rushed in Lin Yin's direction. At the critical moment, they were kicked out and lay on the ground wailing.

Lu Zheng widened his eyes and looked at Lu Ming, who was protecting Lin Yin and the others. He instantly felt guilty and asked hesitantly, "Third Brother, why are you here?"

Lu Ming looked at Lu Zheng gloomily and asked in a cold tone, "I still have to ask Big Brother, why are you here?"

When Zheng Chao and the others heard Lu Ming's words, they were instantly stunned.

When they heard the conversation between this middle-aged man and Lu Yan just now, they were nervous.

Now that they had Lu Ming as their witness, they had no choice but to believe that this middle-aged man was really Lu Ming's elder brother. In other words, the person they had just provoked was the eldest son of the Lu Family?

Zheng Chao and the others' hearts suddenly turned cold. They all felt that their deaths were not far away. How could they have expected that Su Fei would actually acknowledge Lu Zheng as her godfather?

With so many people here, Lu Zheng naturally could not be afraid in front of Lu Ming. He immediately put on the airs of an elder and said, 'My goddaughter was bullied, so I came over to help her deal with a few little b\*stards. Coincidentally, I met Lu Yan scolding Feifei and hitting her, so as an elder, I have to educate her well..'

Chapter 350: It Hurts My Eyes

Lu Ming laughed coldly and said, "Xiao Yan still has her biological parents.

Whatever mistakes she has, she'll naturally let Second Brother and Second

Sister-in-law educate her personally. It's not your place to interfere, right?"

Lu Zheng was dissatisfied with Lu Ming's tone and said unhappily, "Third Brother, what do you mean? Isn't Lu Yan a descendant of the Lu Family? As an elder, why can't I discipline her?"

Lu Ming stared at Lu Zheng coldly and said in an unfriendly tone, "Brother, you know very well if you're sincere in disciplining her. I don't have to say it here."

Lu Zheng had always been on bad terms with Lu Jin, so he was not very close to Lu Yan.

To say that Lu Zheng was here to discipline Lu Yan, it was more like Lu Zheng was here to deliberately make things difficult for Lu Yan.

Lu Zheng was embarrassed by Lu Ming's words and was furious. In the end, he could only look at the bodyguard beside him and say, "What are you waiting for? Take those dogs away!"

Only then did the bodyguards pull out Zheng Chao and the others who were hiding at the side. Everyone was instantly in an uproar!

Zheng Chao's face was bruised and swollen. He was still wearing a pair of underwear and was covered in injuries.

Zhao Zhi, who was beside her, was naked. He covered the important organs in front of him with both hands and exposed his butt as he dodged in the crowd.

Just now, these people were surrounded by bodyguards and no one noticed. Now that they were pulled in front of everyone, they instantly caused everyone to laugh heartlessly.

Lu Ming did not expect this to happen. He quickly covered Lin Yin's eyes and whispered, "It's dirty. It's not suitable for you to look at!"

Lin Yin looked up slightly and saw Lu Ming's eyes looking down at her. "It's too late. I've already seen it!"

Lu Ming was instantly furious. He sighed helplessly and said, "Remember to forget. Otherwise, it'll hurt your eyes and you'll have nightmares."

Lu Yan was extremely sour at the side. She said with a sad expression, "Uncle,

I'm also afraid of it. Why don't you block my eyes?"

Lu Ming glanced at Lu Yan angrily and said indifferently, "Don't you have hands? Block it yourself!"

Lu Yan pouted and sighed softly. "Yinyin has grown hands too, yet she still has someone blocking her. Sigh, no one loves me!"

It was not until Lu Zheng and Su Fei left with Zheng Chao and the others that Lu Ming put down his hand that was blocking Lin Yin's line of sight.

After saying goodbye to their classmates, Lu Ming finally had time to ask Lu Yan what had happened.

Lu Yan angrily recounted what had just happened. Then, she concluded, "Uncle, you must not believe that Uncle acknowledged Su Fei as his goddaughter. Let me tell you, that Su Fei must be Uncle's little lover!"

Lu Ming had always known that his big brother was dirty outside, but he did not expect that this time, he would actually play with Lu Yan and Lin Yin's classmates.

However, this was Lu Zheng's private matter after all. Lu Ming did not want to interfere. He only instructed Lu Yan, "Stay away from your uncle when you see him in the future, understand?"

Lu Yan nodded and said, "I know!"

After saying that, Lu Yan even said with a look of relief, "Uncle, you don't know, but Yinyin was amazing just now. She rebuked Uncle until he couldn't say anything and let me beat Su Fei up to vent my anger. Yinyin even dislocated the arms of those two bodyguards. She was amazing."

Lu Ming's gaze landed on Lin Yin, and there was nothing but doting and helplessness on his face. In his opinion, as long as Lin Yin was not bullied, she could do anything.

She just hit two of Lu Zheng's bodyguards. It was not anything important.

"Alright, go back quickly. I'll send Yinyin back later," Lu Ming said to Lu Yan.

Lu Yan nodded happily and said to Yang Xue, "Xiao Xue, let's go. I'll get the chauffeur to send you back first!"

Yang Xue nodded. After saying goodbye to Lin Yin, she left with Lu Yan.

Soon, there were only two people left in the corridor. Lu Ming scratched Lin Yin's nose dotingly and said, "If you're so powerful, what should I do? I don't even have a chance to save the damsel in distress."

Lin Yin pulled Lu Ming's hand down in embarrassment and looked around like a thief. Then, she said, "We're in public. Don't touch me. What if others see?"

Lu Ming said indifferently, "So be it. I like you and it's no secret that I want to be with you. I think many people know about this. I'm not afraid that more people will know."

Lin Yin felt a little embarrassed, but what Lu Ming said was true. Many people probably knew that she had an ambiguous relationship with Lu Ming..
