

Real Daughter 371

Chapter 371: Arrogance

This was the first time Zhou Ping had come to beg Su Fei, and she was not used to Su Fei's aggressive and arrogant appearance. In the past, when Su Fei saw her, she would politely and respectfully call her Aunt.

"Feifei, what you said is wrong. Didn't you see the situation at that time? At that time, even if you had the money, no one might have worked with you? Isn't our Zheng Family helping you in times of difficulty? It's fine if you're not grateful, but now you actually locked Zheng Chao up. Aren't you repaying kindness with ingratitude?" Zhou Ping said with hatred.

Zheng Feng, who was at the side, immediately pulled Zhou Ping back and asked her not to speak. Zhou Ping had not come the previous two times, so she did not know how arrogant and difficult Su Fei was to deal with now.

As expected, when Zheng Feng's gaze turned to Su Fei, Su Fei's face was already quite ugly.

"Repaying kindness with ingratitude? Hahaha!" Su Fei laughed as she stared at Zhou Ping viciously.

If not for the fact that she did not want more people to know about her matters, Su Fei would have wanted everyone present to know what heartless things their good son had done.

Su Fei's concealment made the people in front of them think that their son might have just offended Su Fei verbally.

Especially Zhou Ping. She had always thought that Su Fei hated Zheng Chao because she hated the Zheng Family for breaking off the engagement.

"Zhou Ping, just based on what you said, let me tell you, your son won't have an easy time in my hands." Su Fei's eyes were filled with dark hatred.

Zhou Ping did not expect Su Fei to dare to be so arrogant. She raised her hand and pointed at Su Fei as she scolded, "Su Fei, you little b*tch, how dare you speak to me with such an attitude! Do you really think you can do whatever you want just because you've hooked up with the Lu Family? I'm going to call the police. You restricted other people's personal freedom. I want you to go to jail!"

Su Fei put down her crossed legs and stood up with a smile. She took two steps closer to Zhou Ping and said faintly, "Is that so? Sue me. Do you want me to help you dial the call?"

As she spoke, Su Fei frowned slightly and smiled at the butler beside her.

"Butler, do you know the number of the police chief in the new district? Godfather even told me previously that if we encounter any trouble, we can look for Chief Liu to deal with it."

The butler said respectfully, "Miss, I remember the number. Do you want me to call him now? According to the usual speed, Chief Liu will send someone over in about ten minutes."

Zhou Ping's heart trembled. Before she could react, Zheng Feng slapped Zhou Ping hard. The crisp sound frightened everyone beside her.

Even Zheng Feng and his wife did not dare to do anything to Su Fei, let alone them. All of them stood at the side in silence, thinking that if Zheng Feng and his wife could protect Zheng Chao, they could also plead for their son.

From the looks of it, this hope was a little slim. They might have to think of another way to save their son.

Zhou Ping did not expect Zheng Feng to hit her in front of so many people. She exploded on the spot and scolded Zheng Feng, "Did I say something wrong? I don't believe that there's no law in this world. Didn't Su Fei, that little b*tch, hook up with Lu Zheng? She's a goddaughter. They might have an unclear relationship."

As she spoke, Zhou Ping ignored Zheng Feng's obstruction and warned Su Fei, "Su Fei, if you don't let my son go, I'll go to Lu Zheng's wife and tell her those shameful things about you. Let's see if Lu Zheng will protect you or his wife."

Su Fei waved her hand slightly. The bodyguards beside her went forward and grabbed Zhou Ping, who had been attacking Su Fei. Even Zheng Feng, who was at the side, was restrained.

Su Fei walked to Zhou Ping's side. Her cold eyes landed on Zhou Ping's red face. Then, she used all her strength to slap her.

Zhou Ping was stunned by the slap. She turned around and looked at Su Fei in disbelief. "You dare to hit me?"

"So what if I hit you? Can't the Lu Family's treasure hit you?" A deep voice sounded in the living room.

When Su Fei heard the voice, her ruthless expression suddenly turned sweet.. She hugged Lu Zheng's arm, who was already standing beside her, happily and said sweetly, "Godfather, why are you here?"

Chapter 372: Maid

Even in front of everyone, Lu Zheng still scratched Su Fei's nose without any scruples and said dotingly, "I heard that someone blind came to provoke the Lu Family's treasure. As her godfather, I naturally have to come and support the Lu Family."

Su Fei said happily, "Godfather is the best to Feifei."

Lu Zheng enjoyed Su Fei's childish words. Then, he looked coldly at the two people under control and said sinisterly, "It's said that someone wants to go to my wife and maliciously fabricate my relationship with my goddaughter. I want to see how bold she is."

As he spoke, Lu Zheng called out to the person beside him and said, "Send these two down. Teach them how to speak!"

Zheng Feng was instantly frightened and immediately begged, "Mr. Lu, please forgive us. We know we were wrong. We really know we were wrong."

Seeing that Lu Zheng's expression did not change and he even retracted his gaze from them, Zheng Feng turned to Su Fei and begged, "Feifei, quickly plead with Mr. Lu. We really know our mistake..."

Su Fei only smiled obediently at Lu Zheng. "I only listen to Godfather. I'll do whatever Godfather says."

Lu Zheng was very satisfied with Su Fei's obedient appearance.

When the people beside them saw that Zheng Chao and his wife were like this, they hurriedly apologized and left. The living room quickly returned to silence, leaving only two or three servants cleaning and disinfecting the place where those people had just stood.

Lu Zheng pulled Su Fei onto his lap and anxiously covered the softness of Su

Fei's chest. "Did you miss Godfather these few days?"

Su Fei pushed Lu Zheng's hand away shyly and whispered, "There's still someone."

Lu Zheng smiled until his eyes curved. His eyes narrowed into a line, but he did not hide the desire in them. "Don't worry, they'll be very mute."

Lu Zheng's words were filled with a strong warning, scaring the servants who were kneeling and wiping the ground. All of them had their backs facing Lu Zheng, wishing they could turn invisible.

"But I'm shy." Su Fei said shyly as she stuck out her full chest and squeezed Lu Zheng's palm.

Lu Zheng bit Su Fei's ear in a good mood and said softly, "Then why weren't you shy the last time you raised your butt at me and asked for my big meat stick?"

Su Fei's face swelled. She pushed Lu Zheng angrily and said coquettishly,

"Godfather! You're so bad. I won't show you the surprise I prepared for you."

Lu Zheng widened his eyes in surprise. "Baby Feifei prepared a surprise for Godfather?"

Su Fei nodded shyly. Then, she said, "Let them leave first."

Lu Zheng was in a good mood and dismissed everyone in the villa. Then, he watched as Su Fei left like a rabbit.

When Su Fei appeared again, her maid outfit made Lu Zheng's high desires even stronger.

The pleated skirt that barely covered her thigh and the flesh-colored skin on her chest that was faintly exposed by the big ribbon made Lu Zheng swallow unconsciously.

Su Fei knelt piously and obediently beside Lu Zheng's leg. She looked at Lu

Zheng with her doe-like eyes and whispered timidly, "Master, I'm your maid,

Feifei. Do you need me to help you clean up now?"

Lu Zheng did not know what Su Fei wanted to play and only nodded subconsciously.

Su Fei knelt on the ground, then retreated a little away from Lu Zheng. She

pretended to pick up a clean cloth and knelt on the ground to wipe the ground.

Lu Zheng did not say anything, but his gaze followed Su Fei. It was not until Su Fei turned around and her naked lower body appeared in front of Lu Zheng that Lu Zheng knew what this little vixen was up to.

As Su Fei wiped the ground, her voluptuous buttocks twisted, and even her tender hole was faintly visible in front of Lu Zheng.

Suddenly, Su Fei touched her butt in surprise and looked back at Lu Zheng in fear. Her eyes were filled with tears as she said softly in embarrassment, "Master, you can't look at me like this. If you do this, I..

Lu Zheng approached Su Fei and knelt on the ground. His hot palm had already grabbed Su Fei's exposed butt and was kneading it hard. He said in a low voice, "What will happen to you?"

Su Fei was extremely shy. She said angrily, "If you look at me like that, it'll be wet and sticky. I'll feel uncomfortable."

"In front of Master, a little maid like you actually dares to be unrestrained.

You're guilty of a heinous crime. Tell me, how do you want me to punish you?" Lu Zheng also played along with Su Fei..

Chapter 373: Maid Wiping the Ground

Seeing that Su Fei's expression was filled with fear, she said sadly, "It's my fault. I shouldn't have been so unrestrained. I'll let Master deal with me."

Lu Zheng's hand reached into the hole behind Su Fei a few times and he said dirtyly, "Why are you so tight? Are you blaming Master for not playing with your hole?"

Su Fei's eyes were already covered in tears. Tears streamed down her face. "Master, I know my mistake. Master, please spare me."

“Why are you stopping? Continue wiping your ground. Don’t think that just because you seduced me, you don’t finish your work.” As Lu Zheng spoke, he stabbed his hand into Su Fei’s anus and stirred it nastily.

Su Fei’s forehead was covered in sweat from the pain. Her entire upper body fell to the ground and she wailed.

Lu Zheng slapped Su Fei’s butt a few times. His other hand kept digging into Su

Fei’s back hole until her butt was red. After the back hole opened and squirmed, Lu Zheng said happily, “Little b*tch, get up and work. Otherwise, Master will kill you now.”

Su Fei supported her upper body with tears in her eyes. She turned around and looked at Lu Zheng as she cried, “I’ll start work immediately. I hope Master will take pity on me and be gentle.”

Looking at Su Fei’s expression, Lu Zheng almost couldn’t control his urge. He wished he could skin Su Fei immediately and press her under him to f*ck her.

Lu Zheng swallowed and raised his hand to touch Su Fei’s chest, squeezing it hard. The force was so strong that Su Fei could not help but moan.

“What’s your name, little b*tch? If you moan again without Master’s permission, I’ll punish you,” Lu Zheng said fiercely as he grabbed Su Fei’s chest.

Su Fei looked at Lu Zheng with tears in her eyes and said aggrievedly, “I understand, Master.”

As she spoke, Su Fei held Lu Zheng’s hand and placed it on the big bow in front of her chest. She said fawningly, “Master, pull my bow. It’s strangling me so much.”

Lu Zheng’s eyes landed on the bow on Su Fei’s chest. Then, he pulled it slightly. The moment the bow spread, her obscene chest bounced a few times in front of Lu Zheng. Her nipples even swayed in front of Lu Zheng’s eyes, making him stare.

Lu Zheng grabbed Su Fei's small nipple and crushed it ruthlessly. He said with a dark expression, "This little b*tch actually dared to seduce her Master. Her crime is unforgivable."

Su Fei trembled in pain. Then, she pushed Lu Zheng's hand away forcefully and turned around with a crying expression to pick up the cloth to wipe the floor again. "I don't dare to seduce Master. I'll work hard now."

Lu Zheng looked at his empty hands and the tyranny in his heart that he wanted to conquer gathered even more.

Seeing that Su Fei was about to wipe the ground and his hand was about to slide out of Su Fei's back hole, Lu Zheng immediately approached Su Fei. The finger that was about to leave the hole immediately stabbed into Su Fei's back hole again.

Lu Zheng moved the other finger forward in dissatisfaction. When he touched the sticky hole, he inserted it rudely.

With just two fingers, Lu Zheng occupied two of Su Fei's holes. No matter where Su Fei crawled, the remaining two fingers did not leave. It was only when Su Fei fell to the ground and moaned loudly for Lu Zheng that Lu Zheng pulled his hand away and replaced it with his hot penis.

For the entire afternoon, Su Fei was forced to crawl forward with the penis behind her. She wiped the floor of the villa, not even sparing a corner.

In the end, the hot semen shot towards Su Fei's face. Her youthful face coupled with the obscene milky-white liquid made Lu Zheng feel a sense of accomplishment.

Lu Zheng stood up and tidied his clothes. He looked down at Su Fei, who was lying on the ground with a passionate expression.

The girl's eyes were slightly closed, and her rosy cheeks were stained with his bodily fluids. The maid was still dressed obediently, but her chest was filled with ambiguous bite marks, and her two nipples were still standing shakily.

It had already flipped under the pleated skirt at her waist. In a muddy black forest, the swollen hole was still moving slightly, as if it was calling for someone to come again.

Lu Zheng cursed under his breath. "Slut!"

Then, Lu Zheng walked towards the door with a satisfied expression. He did not forget to say to the butler, who had been guarding the door, "You can enter when Missy lets you in. Oh right, find some time to put a softer carpet on all the floors in the living room.."

Chapter 374: Prison

How could he be satisfied after playing such a fun game once?

The butler immediately replied, "Yes."

It was not until she heard the sound of a car starting in the courtyard that Su Fei opened her eyes with a smile. It seemed like Lu Zheng was really satisfied today.

Su Fei got up and rubbed the bruise on her knee. She slowly got up and held the railing of the stairs as she walked towards the bathroom upstairs.

After washing up, Su Fei went out to get someone to clean up the living room and brought them to the basement of the villa.

As soon as she opened the heavy iron door, wails came from inside. Su Fei did not need to guess to know that Zhao Zhi was completing his daily mission.

She did not know how many people it was today, but Zhao Zhi could still call out. It seemed like he was not too tired.

After a turn, Su Fei entered a luxuriously decorated room. This was the viewing room that Lu Zheng had specially decorated for her. As for the content of the viewing, it was naturally a living erotic palace separated by glass.

Zheng Chao and the others pressed Zhao Zhi down for a piston exercise. Even though the area behind Zhao Zhi was bleeding, it was still stabbed by someone. It was so painful that the expression on his face was ferocious.

“Zhao Zhi, what do you think? Does it feel good?” Su Fei said excitedly.

It had been 20 days. Every day, he had to be slept with by his former classmates and brothers, making Zhao Zhi no longer have the arrogance he had when dealing with Su Fei.

Seeing Su Fei, Zheng Chao and the others stopped and looked at her pleadingly. “Feifei, I know I was wrong. Let us out. In the future, we’ll be your slaves to atone for our sins.”

In the past twenty days, their mission was to play with Zhao Zhi three times a day, but how could they have the stamina to play with men every day?

Three times a day. A normal man would be squeezed dry, okay?

Su Fei looked at Zheng Chao, who was still in Zhao Zhi’s body, and smiled. “You don’t want to play with Zhao Zhi anymore?”

Zheng Chao nodded repeatedly.

Su Fei only smiled and said, “Since you’re willing, from today onwards, Zhao

Zhi will be liberated. You’ll replace Zhao Zhi.”

Zheng Chao was immediately stunned on the spot. At least his dignity as a man was still there when he was on top.

If he became the one below, then...

Zheng Chao looked at the skinny Zhao Zhi under him and was afraid. He immediately thrust Zhao Zhi's back hole a few times in front of Su Fei, drawing more blood.

Such force hurt Zhao Zhi so much that he howled and trembled in pain.

"Feifei, there's no need. I think it's fine now," Zheng Chao immediately said with a smile.

Su Fei smiled sinisterly. "It's too late. I don't like to take back what I say."

Zheng Chao stood there in a daze and walked away. Zhao Zhi, who was suppressed by the few of them, seemed to have found hope of survival.

Because if this continued, he suspected that he would die under these former good brothers one day.

"Feifei, please spare me. The person who bullied you the most previously was Zhao Zhi. Don't worry, I'll teach him a lesson for you," Zheng Chao said with a fawning expression. In order to show that he was obedient, he even grabbed Zhao Zhi's hair and gave him a few fierce slaps.

Looking at Zheng Chao, who was so afraid of her, Su Fei sneered in her heart.

"Zheng Chao, it's useless."

As she spoke, Su Fei got someone to separate Zhao Zhi and Zheng Chao and locked Zhao Zhi in another room.

Zheng Chao looked at Su Fei in fear and still asked in disbelief, "Feifei, you won't treat me like this, right?"

Su Fei laughed sinisterly and said to the remaining people, "From now on,

Zheng Chao will be your new plaything. It's a little late today, but the mission today will not change. You have to hurry up. Whoever doesn't complete it will be the one below tomorrow."

Zheng Chao did not expect Su Fei to be serious. He shouted in exasperation, "Su

Fei, if you dare to let them touch me, my parents won't let you off."

There was no fear on Su Fei's face. Instead, she got someone to bring Zheng Feng and Zhou Ping in.

Seeing his parents, who were covered in injuries and on the verge of death and had no reaction, Zheng Chao was stunned on the spot for a moment. Then, he roared at Su Fei, "Su Fei, how dare you touch my parents? I'm going to kill you.

I won't let you off."

Su Fei frowned slightly.. "In the past, when I didn't touch your parents, you didn't let me go, did you?"

Chapter 375: Electric Chair

Seeing that no one reacted, Su Fei got someone to take Zheng Feng and his wife away. Then, she said to the people in the same prison as Zheng Chao, "Since you guys haven't started yet, I'll invite you to watch a show. How about that?"

Just as everyone was guessing what tricks Su Fei was going to play again, they saw Su Fei get someone to bring in another person.

When Zhao Zhi saw his mother being pushed in, he struggled to get up. "Mom? Mom! Why are you here? Are you here to save me?"

Zhao Zhi, who had been tortured for so long, wanted to get out and leave this godforsaken place, so much so that he directly ignored the blood on his mother's forehead.

When Zhao Zhi's mother saw her thin son, her eyes fell and she cried miserably. "Ah Zhi, Mom finally found you."

Su Fei kindly locked the mother and son together and smiled. "I'm not a cold-blooded person. Zhao Zhi, if you want to go out, I can let you out, but I

have a condition."

Zhao Zhi's mother immediately knelt down in front of Su Fei and begged,

"Miss, as long as you let Zhao Zhi go, we can do anything you want."

When the people around them heard that Su Fei was actually willing to let Zhao Zhi go, their hopes for survival grew.

Back then, among them, Zhao Zhi bullied Su Fei the most. If even Zhao Zhi could leave, they would definitely be able to leave too.

Su Fei smiled and said, "Back then, Zhao Zhi, you humiliated me and said that my brother and I had an ambiguous relationship and must have slept together. I want to send these words back to you today."

An ominous feeling rose in Zhao Zhi's heart.

Sure enough, Su Fei's words rang out again. "Today, if you have incest with your mother in front of all of us, I'll let you and your mother go. How about that?"

Zhao Zhi's mother was stunned on the spot. Zhao Zhi also looked at Su Fei in disbelief and said loudly, "Su Fei, don't go too far."

The same thought flashed across the minds of the few people at the side. Not only was Su Fei arrogant, but she was also perverted. She actually thought of such a perverted punishment.

“Alright, since you think I’m going too far, then pretend I didn’t say anything. However, if that’s the case, this day next year will be the anniversary of your death,” Su Fei said with a smile. In just a few words, she planned to kill someone.

“Murder is against the law, Su Fei. I don’t believe you really dare to kill me,” Zhao Zhi said as he looked at Su Fei.

“Then give it a try. You’ll know the answer when you get to hell.” Su Fei smiled horrifyingly.

Soon, Zhao Zhi’s torture device was brought up. Su Fei introduced it considerately. “This is a treasure my godfather specially found for me. It’s called the electric chair. Zhao Zhi, the last enjoyment of your life is here.”

Zhao Zhi looked at the strange chair. His ignorance of the electric chair terrified him.

Zhao Zhi’s mother knelt on the ground and begged, but Su Fei ignored her.

“I’m afraid you don’t know how powerful this chair is. Shall I show you?” Su Fei said excitedly.

Then, he got someone to bring over a rabbit that he had prepared long ago. The moment he connected the power, the rabbit that was still alive and kicking suddenly could not move. Then, there was a burning smell in the room.

Seeing this scene, Zhao Zhi peed his pants. Without any cover, the pattering sound instantly made Su Fei nauseous.

Su Fei raised her hand and said, “Get her up there.”

Zhao Zhi was so frightened that he hugged the iron railing and begged, "Su Fei,

I was wrong. I'm sorry. Let me go. I'm begging you."

Zhao Zhi's mother also hugged her son tightly and begged for mercy.

"Since you ignored me when I begged for mercy, I'll ignore your begging today too," Su Fei said coldly.

When Zhao Zhi was pulled to the chair, he went crazy. He struggled with all his might, but he could not stop Su Fei from pressing the switch.

An electric current instantly ran rampant in Zhao Zhi's body, causing him to scream in pain.

As the voltage continued to increase, Zhao Zhi's entire body convulsed in pain.

He shouted at the top of his lungs, "I agree! I agree! Don't increase it!"

Only then did Su Fei let go of the strengthening button and get someone to throw Zhao Zhi back.

Zhao Zhi looked at his mother with red eyes and tears on his face.

He did not expect that he would fall into such a situation. He actually had to sleep with his mother to exchange for his life..

Chapter 376: Reaping What You Sow

Zhao Zhi knelt in front of his mother and said sadly, "Mom, I'm sorry! I..."

Zhao Zhi's mother also had an embarrassed and helpless expression. In the end, she could only accept her fate and kneel on the ground, allowing her son to violate her in public in order to survive.

Zheng Chao and the others looked at the inhumane scene in front of them in disbelief. Their fear of Su Fei deepened.

Su Fei looked at the mother and son stacked together and felt inexplicably carefree. This revenge satisfied the ruthlessness in her heart and made her laugh excitedly.

Those who dared to bully her people should end up like this.

Su Fei stood up and said to the bodyguard beside her, "Remember, you can only make them stop after you've done enough. If they dare to disobey, continue to let them have a taste of the electric chair."

After the bodyguard nodded, Su Fei glanced at Zhao Zhi and said, "It doesn't count if your mother doesn't take off her clothes!"

Zhao Zhi closed his eyes and followed Su Fei's instructions with trembling hands.

Su Fei smiled in satisfaction. Then, her gaze landed on Zheng Chao and the others, who were watching the show. "You guys have to hurry too. If you can't complete the mission today, I'll let you taste the electric chair."

Su Fei's words made the people beside Zheng Chao tremble. They immediately controlled Zheng Chao, afraid that Su Fei would kill them if she was unhappy.

Zheng Chao struggled and said angrily, "How dare you touch me? When I get out, I'll make you die a horrible death! Ah!! Get your dirty things out! Ah!"

Looking at Zheng Chao, who was already being pressed down and violated, Su Fei felt a little better.

It was these people who taught her that she could humiliate and defile people like this.

So today, she would return all of this to these people and let them have a taste of being bullied.

This was called reaping what one sowed. It was called karma.

Su Fei smiled sinisterly as she left the dungeon. Her laughter carried a hint of demonic evil that echoed in the dark and damp dungeon for a long time.

Su Fei meant what she said. Looking at Zhao Zhi and his mother, who had already done as she asked in the video, Su Fei gave the order and sent Zhao Zhi and his mother home.

She got someone to watch over them. It was impossible for her to let this person who knew her secret be so carefree.

Su Fei, who had slept comfortably for the night, estimated the time and appeared at the school gate in the high-end luxury car Lu Zheng had given her.

As soon as she got out of the car, Su Fei received the attention of her classmates. Su Fei raised her head and greeted her classmates, especially when she saw Lin Yin, who was dressed plainly. Su Fei smiled even brighter.

Lu Yan sneered softly. When she saw Su Fei's three big boxes of luggage, Lu

Yan said sarcastically, "Those who know will say that we're going on a vacation. Those who don't know will think that we're moving. When the time comes, she won't be able to move it and she'll have to make things difficult for us and ask us to help."

Su Fei was not angry. She just smiled and said, "You don't have to worry about that. I brought a bodyguard and a nanny. The luggage won't trouble any classmates."

"Su Fei, are you joking? We're on a graduation trip. Why are you bringing bodyguards and nannies? Did the school allow it?" Lu Yan questioned bluntly.

“Cousin, you don’t have to worry about that. The school teacher agreed. My godfather helped me resolve what you can’t do,” Su Fei said proudly.

Lu Yan was so angry that she scolded Su Fei, “Su Fei, are you shameless? Your surname is Su, and mine is Lu. Who’s your cousin?”

Su Fei did not look embarrassed at all. She smiled and said, “Even if you don’t admit it, I’m still your uncle’s goddaughter. As a member of the second branch of the Lu Family, you can’t control the first branch.”

Lu Yan was so angry that she rolled up her sleeves and was about to teach Su Fei, this shameless person, a lesson. Yang Xue quickly pulled Lu Yan back and whispered, “Forget it. If she dares to be so shameless, it’s useless even if you hit her.”

Lu Yan turned her face away hatefully. She didn’t want to look at Su Fei, this shameless thing.

Shi Dai stood beside Ji Yun and looked at her old best friend in silence, but she was unwilling to go forward.

During the period before the college entrance examination, the Su Corporation went bankrupt and Su Fei did not come to school for a long time.

Later on, she only appeared for a while during the two days of the college entrance examination. Then, Su Fei acknowledged a godfather.

Therefore, they had not interacted for a long time and their relationship had faded a lot..

Chapter 377: Suicide

Of course, Shi Dai had to admit that what happened that night after the college entrance examination had a huge impact on her.

It was also because of this that Shi Dai felt that Su Fei was unfamiliar.

In the past, Su Fei was clearly so dignified and generous, but the current Su Fei was completely different.

At the same time, she could not understand why Su Fei still had the cheek to appear in front of everyone when many of her classmates had clearly seen that scene that day.

If such a thing happened to her, she probably wouldn't be able to live.

Su Fei looked at Shi Dai with smiling eyes. She could also understand the emotions in Shi Dai's eyes, but she didn't care. What was so great about it?

At most, she was just more open.

Su Fei and her classmates waited for the bus to pick up the students to the airport, but the classmates consciously kept a distance from Su Fei, as if they had become two different camps.

Even the position in the car was arranged like this, as if there was a magnetic field beside Su Fei. No one would sit beside Su Fei.

At this moment, a classmate suddenly exclaimed, "Everyone, look at the school forum. It's too damaging. Zhao Zhi from the next class is actually fooling around with his mother."

Almost instantly, gasps and doubtful voices sounded from the bus.

"Oh my god, how can there be such a person? He doesn't even let his mother off. He's simply a beast!"

"Damn, this is simply blinding. What is the school's Internet controller doing?"

How can such a thing be posted on the forum?"

"D*mn, isn't this too disgusting? I originally thought that Zhao Zhi was lecherous and just played with female students. I didn't expect him to commit incest."

As soon as this student finished speaking, all the students in the class looked at su Fei.

Only the first few students who went in saw the scene that day, but the people behind all knew after they came out.

Therefore, everyone knew that Su Fei, Zheng Chao, and Zhao Zhi were playing that kind of private game.

Su Fei ignored the gazes of her classmates and just took the bird's nest drink from the nanny beside her leisurely. As she admired the scenery outside the car window, she sipped it, looking elegant and unrelated to the world.

At this moment, Zhao Zhi was about to go crazy.

He did not expect Su Fei to be so ruthless as to kill him.

Faced with the neighbors' greetings and disdain, Zhao Zhi's mother couldn't take it anymore. She went to the kitchen, picked up a knife, and wiped it against her neck.

Instantly, blood gushed out, scaring Zhao Zhi so much that he sat paralyzed at the kitchen door.

Zhao Zhi crawled to his mother's side on all fours and covered his mother's neck with his trembling hands. He shouted deeply, "Mom, hang in there. I'll call an ambulance. I...

Zhao Zhi's mother grabbed Zhao Zhi's hand that was about to make a call. She opened and closed her mouth before saying a few broken words. "No! Dying is... Good! Clean...

Zhao Zhi watched helplessly as his mother fell into a pool of blood. He felt his mother's body turn cold from the warmth before she stopped breathing.

He cried until he was in tears. He couldn't understand why it had become like this.

He just wanted to build a relationship with the Zheng Family so that the family's business could be better and he and his mother could live a better life. Therefore, he became Zheng Chao's dog to please him.

When he found out that Zheng Chao hated Su Fei, he only wanted to bully Su Fei in the beginning to let Zheng Chao vent his anger and regain some dignity for himself.

Because Su Fei had once treated him as if he was a dog.

Yes, it was all that little b*tch Su Fei's fault. It was that little b*tch who harmed him and even killed his mother.

Zhao Zhi picked up his phone with his bloody hand and called Su Fei.

Su Fei looked at the caller ID in her hand. She would remember this number even if she died because at that time, every time she received this call, Su Fei would be humiliated and trembling. What awaited her was all kinds of humiliation.

As soon as the call went through, Zhao Zhi's hateful voice came through. "Su

Fei, you killed my mother. I won't let you have it easy. I'll make you a street rat like me, living a life worse than death."

Su Fei looked out of the window at the rapidly moving trees and said lightly,

'You don't have a chance.'

Zhao Zhi was stunned at first, then just as he was about to laugh at Su Fei's naivety, his vision suddenly darkened and a pair of leather shoes appeared in front of him..

Chapter 378: Graduation Trip

Zhao Zhi looked up in a daze and saw a person pointing a gun at his forehead.

Zhao Zhi instantly understood what Su Fei meant. "You're getting someone to kill me!"

Su Fei held her phone and smiled. "You're not stupid. Do you really think I'll let you off and let you continue to threaten me with my video? Zhao Zhi, you're too naive."

Zhao Zhi put down his mother and was about to run out. However, before he could reach the door, there was a faint sound of air being cut. The next second, blood flowed out from the back of Zhao Zhi's head and he fell into a pool of blood.

The person wiped the blood from the sole of his shoe and opened the liquefied gas opening before leaving the event location.

Two hours later, the news of the incestuous mother and son burning themselves to death spread like wildfire.

Lin Yin and the others, who had just gotten off the plane, received the news of Zhao Zhi and his mother's death as soon as they turned on their phones.

Lin Yin only glanced at it indifferently, then looked at Su Fei, who got out of the car slowly, and retracted her gaze.

After Zhao Zhi and the others were taken away by Lu Zheng that day, they did not appear again, so Lin Yin knew very well that Zhao Zhi and his mother's death must be related to Su Fei.

However, this matter had nothing to do with Lin Yin. Lin Yin did not want to interfere. After all, Zhao Zhi was not a good person. She did not have the heart of a saint to care about such people.

Instead, she was curious about Zheng Chao's outcome. In her previous life, Su Fei and Zheng Chao had a wedding.

If Zheng Chao died at the hands of his wife in his previous life, it would be exciting.

They were lovers in her previous life and enemies in this life. Hahaha, exciting!

Unfortunately, she had not used enough of Zheng Chao as a pawn. She had originally wanted to use him to deal with the Su Family's new business, but it seemed like it was useless now.

However, it did not matter. At most, they would let Su Zhen and the others be free for a while longer.

Lin Yin and the others finally arrived at the hotel where they were staying.

The standard room in the class was reserved for two people. They were so unlucky that Lin Yin was actually arranged to be in the same room as Su Fei.

Su Fei called the hotel manager over with a dissatisfied expression and said, "Are there any presidential suites? I want to book one myself. I'm not used to sleeping with some shady people."

Lu Yan immediately became angry and said angrily, "Su Fei, who are you calling shady? Watch your mouth, or I'll hit you again!"

Recalling how she was pressed down and beaten up by Lu Yan previously, Su Fei's expression turned ugly. Then, she remembered that she was no longer the same as before, so she forced herself not to be angry.

After all, her foundation was still unstable. When she really held Lu Zheng firmly in her hands and became the legitimate wife of the Lu Family, she would teach this little b*tch, Lu Yan, a lesson.

Su Fei ignored Lu Yan and took out a VIP card that Lu Zheng had given her and handed it to the hotel manager.

As soon as the hotel manager saw the card, he immediately went up to her with a smile. "So it's Miss. CEO Lu has already booked a suite for you and instructed us to take good care of Miss."

With that, the hotel manager called the attendant to help Su Fei carry her things.

Su Fei looked at her classmates with a smile and asked, "My godfather owns this hotel. If you need help, just ask. I'll get the hotel manager to help you too." Lu Yan sneered and was speechless.

Although she hated Lu Xiao and Lu Yue's biological cousins, neither Lu Xiao nor Lu Yue liked to show off as much as Su Fei.

Su Fei ignored everyone's opinion of her and turned to leave proudly.

"It's just nice. Yinyin, when the time comes, you can live alone. Yang Xue and I will go and sleep with you," Lu Yan snorted and said.

Everyone did not take it to heart and returned to their rooms to rest.

Su Fei looked at the presidential suite and felt happy. The next second, she took out her phone and took a selfie. After taking a photo, she posted it on her WeChat Moments. She had thought that she would receive a lot of likes like before.

After an hour, there were only a few likes, which dissatisfied Su Fei.

She was now Lu Zheng's goddaughter. Compared to her previous identity as the eldest daughter of the Su Family, she was only higher. In the end, she did not receive as much support as before. These people really did not know how to appreciate favors.

Su Fei angrily threw her phone aside. At this moment, the door was actually opened..

Chapter 379: Scheme

Su Fei was shocked. Just as she was about to call for help, she immediately quietened down when she saw that it was Lu Zheng. She asked coquettishly,

"Godfather, why are you here? Why didn't you say so earlier? I was shocked and my heart almost stopped."

Lu Zheng hurriedly went forward to cover Su Fei's heart and said with heartache, "Come, let Godfather rub it. It won't hurt anymore."

After the two of them fooled around shamelessly for a while, Lu Zheng smoked and played with the soft flesh on Su Fei's chest from time to time. He asked, "I heard that Lin Yin is here this time, right?"

When Su Fei heard the word Lin Yin, she instantly raised her guard and quickly asked, "Why are you asking about Lin Yin? Could it be that Godfather likes Lin Yin?"

Lu Zheng pinched the meat in front of Su Fei punishingly and asked in amusement, "Are you jealous?"

Su Fei pushed Lu Zheng away and sat at the side, saying angrily, "How can you not be jealous? Godfather belongs to me alone. I love Godfather, so I'm naturally unwilling to share you with others."

Lu Zheng threw away the cigarette butt in his hand and hugged Su Fei tightly.

"Little jealous lover, what are you thinking? How can a boring woman like Lin Yin be as attractive as my Feifei? I just don't want Lin Yin and Lu Ming to be together. I want to cause trouble."

Su Fei's eyes lit up slightly. She turned to look at Lu Zheng and asked in confusion, "Actually, I'm very curious. Lin Yin is now the chairman of the Shisheng Corporation. She's capable, good at studying, and beautiful. Why don't you let her be with Lu Ming?"

"The family has already found a wife for Lu Ming, so this Lin Yin can't marry him. Besides, Lin Yin grew up in an environment like the slums. She might have some bad habits. She's definitely not worthy of our Lu Family's children," Lu Zheng said pompously.

Su Fei was overjoyed. Then, she said, "Then, Godfather, how are you going to destroy it? Do you need Feifei's help?"

Lu Zheng refused. "You little vixen, just stay here and let Godfather dote on you. Godfather will handle the rest. I think if something happens to Lin Yin and she's disabled, my third brother won't like her."

Su Fei shook her head and said, "That's not necessarily true. Lin Yin is so good-looking. Even if she's disabled, she's still pleasing to the eye. Perhaps Lu Ming will dote on her even more. When the time comes, he won't be able to let her go."

Lu Zheng did not think that Lu Ming would marry a disabled person, but since Su Fei said so, he was also thinking.

Su Fei lay in Lu Zheng's arms and said, "Didn't Godfather say that Lu Ming was obsessed with cleanliness? Lu Ming doesn't want dirty women, right? Why don't Feifei give Godfather an idea? After all, I've been sisters with Lin Yin for a while and I know her better."

Lu Zheng looked at Su Fei and nodded. Then, Su Fei leaned into Lu Zheng's ear and whispered.

Lu Zheng's expression gradually became interested. Then, he slapped Su Fei's naked butt and reprimanded her softly, "You're so young, but your mind is filled with these dirty things. I'll teach you a lesson!"

Su Fei was pressed under Lu Zheng, and her cries quickly turned into obscene moans. However, she stared at the shaking ceiling happily, looking forward to Lin Yin being dirtied like her.

She wanted to see if Lu Ming would still want Lin Yin.

Lin Yin packed her luggage and went down with Lu Yanyang to eat something. It was early July and the sun was hot at two o'clock, so everyone's activities were arranged in the afternoon.

As everyone chatted and laughed, they seemed to have forgotten about the tragedy of their schoolmate being burned to death in the morning.

At this moment, Su Fei, who had changed her clothes, stepped into the cafeteria with a languid expression.

When she saw that most of the people in the cafeteria were her classmates, Su Fei said generously, "Just now, my godfather got someone to send some seafood over. I couldn't finish it alone, so I got someone to prepare it and share it with everyone."

With that, Su Fei called for the attendants behind her to push in a food cart and send a luxurious seafood banquet to everyone at every table. Even those who didn't know her received a portion. Such generous behavior made everyone not know how to face Su Fei.

In the end, other than her indecent private life, Su Fei did not do anything to them, right?

Chapter 380: Dusk Beach

Besides, Su Fei was still Lu Zheng's goddaughter. Looking at the current situation, it seemed like Lu Zheng doted on Su Fei very much.

With such a relationship, there was actually no loss for them to cling to her, right?

Hence, many students began to accept Su Fei's kindness and thanked her.

Lu Yan looked at the seafood in front of her and sneered. "This Su Fei really knows how to use my uncle's money to be a good person."

Yang Xue asked weakly, "Then are we still eating?"

Lin Yin smiled and said, "Yes, why not? She came knocking on my door with good intentions. If I don't eat, won't I not give her face?"

Lu Yan also said, "That's right. It's still our Lu Family's money. It's a waste not to eat it."

As soon as she finished speaking, Lu Yanqi grabbed an entire lobster angrily and stuffed it into her mouth.

Shi Dai looked at the surrounding students who had already started eating and could not make up her mind. On the other hand, Ji Yun, who was at the side, started eating without holding back.

Shi Dai asked in confusion, "Didn't we stop befriending Su Fei? Why are we still eating her food?"

Ji Yun said lightly, "Not befriending her doesn't mean we have to be enemies. I won't be angry with someone like her and make the Lu Family unhappy. Alright, don't be conflicted. You'll be a university student in two months. Don't be so childish as to stay like a child playing house and cut ties just like that."

Shi Dai did not understand this. She frowned at the seafood in front of her and did not eat it.

Just as she was feeling troubled, Su Fei sat beside Shi Dai and said with a familiar smile, "Dai Dai, why aren't you eating? I remember that you like seafood the most. Why aren't you eating?"

Shi Dai did not know how to answer Su Fei. She did not look at Su Fei and just looked at the plate in front of her in silence.

Su Fei smiled and picked up a crab. "I almost forgot. You never liked crabs in the past. Because it was troublesome, you always begged me to help you."

Shi Dai's eyes turned slightly red. She and Su Fei had grown up together. She did not know how she had become like this.

How good would it be if time stopped in the past?

Su Fei placed the prepared crab meat on Shi Dai's plate and smiled as gently as before. "Hurry up and eat. We still have to go out to play later."

Shi Dai still did not make a move. Su Fei sighed and whispered, "I want to explain what happened before to you. That day, I was only bullied by Zheng Chao and the others. Nothing else happened. Later, my godfather came to save me. My relationship with my godfather is also innocent. Whether you believe me or not, I still want to explain it to you."

With that, Su Fei stood up and left.

Everyone's gazes landed on Shi Dai's face, as if they were curious if Shi Dai would eat the crab meat that Su Fei had peeled.

As Lu Yan ate, her curious gaze landed on Shi Dai. "Do you think Shi Dai will

Yang Xue also replied curiously, "I don't think so. Didn't Su Fei scheme against Shi Dai before?"

To everyone's surprise, Shi Dai really picked up the crab meat that Su Fei had peeled and ate it.

Ji Yun looked at Shi Dai speechlessly. In the end, he shook his head helplessly and said, "You'll only come back to your senses if you're really going to be killed by her one day."

Shi Dai did not refute. She just ate in silence, thinking that she would believe her one more time. One last time.

Looking at Shi Dai, Lin Yin couldn't help but think of herself in her previous life. She thought of how she had once lowered her bottom line infinitely to support the Jia Family.

If she had not really suffered a lot, it would have been very difficult for Shi Dai to give up on her good friend who she had grown up with.

After all, no one wanted to believe that their former sisterhood was so fragile.

After lunch, the group played cards and chatted in Lin Yin's room. It was not until the sun gradually set and the sky gradually turned orange that Lu Yan and Yang Xue returned to their rooms excitedly. They picked up their swimsuits and swimming rings and pulled Lin Yin towards the beach.

Lin Yin was tripped by a video call and could only say, "I have something to deal with at the company. You guys go first. I'll be there in a while."

"Then hurry up!" Lu Yan said happily. Then, she pulled Yang Xue and the two of them rushed towards the beach that she had been longing for.

When the two of them reached the beach, Su Fei, Shi Dai, and the others were already standing on one side of the water volleyball court.

Su Fei's hot figure attracted the attention of many men, and several of them were hitting on her..
