

Real Daughter 431

Chapter 431: Rumors

The speaker was unintentional, but the listener was interested.

Su Lin looked at Shi Dai and asked, "What happened yesterday?"

Shi Dai blurted out what had happened yesterday and added, "I think there must be something between the Mu brothers and Lin Yin, but I can't find out.

Anyway, I just think it's strange."

Su Lin's eyes darted around before he said, "Shi Dai, can you send me that video?"

Shi Dai looked into Su Lin's eyes and hesitated for a moment. She just wanted to get something on her and warn Lin Yin not to go overboard. She had never thought of giving the video to anyone else.

However, on second thought, there didn't seem to be anything that couldn't be released on that video, so after thinking for a while, Shi Dai finally gave the video to Su Lin.

Su Lin had thought that there would be something good, but he did not expect that it was just the Mu brothers and Lin Yin standing together and talking.

To be honest, Su Lin was still a little disappointed.

But even so, the next day, the news that Lin Yin was two-timing and seducing Mu Heng and Mu Xiao and that the Mu brothers were fighting for a woman spread.

The news became more and more ridiculous. Soon, the matter of Mu Heng and Mu Xiao waiting downstairs for three nights was exposed.

At the end of the rumors, there were even people who started to say that Lin Yin was already pregnant with the Mu family's child and was prepared to marry into a rich family.

Even if Lin Yin had the World Sheng Corporation, the Mu Family was one of the eight big families. It was not something that Lin Yin's small World Sheng Corporation could compare to.

When Old Master Mu and Old Madam Mu found out about this, they were both shocked and a little angry.

How could brothers fight over a woman in the dignified Mu family?

With the help of a servant, Mu Ning persuaded the two angry elders, "Grandpa,

Grandma, there must be a misunderstanding. Eldest Brother and Second Brother are not the kind of people that would like just about any girl, let alone the same girl. "

Seeing that the two elders still looked displeased, Mu Ning sat at the side and held Old Madam Mu's hand. She said gently, "Besides, Ah Ning has seen that girl called Lin Yin. She looks upright and is capable. She doesn't look like a girl who knows how to play tricks. Moreover, I heard that that girl is close to the Third Master of the Lu Family now. Perhaps the scandal with Brother is a misunderstanding. "

Old Master Mu snorted and said, "She's quite capable. She even hooked up with Lu Ming. I think we should get someone to investigate this girl's background. What if the child in that girl's stomach is from the Lu Family? Our Mu Family doesn't do anything like raising children for others."

Old Madam Mu also mocked, "Ah Ning, you're still too naive. Our Mu family is not a small family. Even the girls from families in the center of the new city area of the capital racked their brains to marry into our family, let alone those poor girls who came out of nowhere."

Mu Ning looked at the two elders and sighed. "Grandpa, Grandma, I know you're worried that Eldest Brother and Second Brother will be deceived, but I still think there must be a misunderstanding because as far as I know, Third Brother and Lin Yin also know each other. I think Brother and the others might just treat Lin Yin as their sister."

Hearing that even Mu Ran was familiar with Lin Yin, the mockery on Old Madam Mu's face deepened. "Good move. She actually hooked up with the three sons of the Mu Family. I think this girl is the kind of girl who spreads her net everywhere with the goal of marrying into a rich family. I definitely won't let her succeed."

Old Madam Mu was a little agitated and even coughed.

Mu Ning quickly went forward and patted Old Madam Mu's back with a worried expression. She said worriedly, "Grandma, you can't be too agitated. Why don't you leave this matter to Ah Ning? Ah Ning will investigate for you. Don't be angry first."

Old Master Mu, who was at the side, said, "Get Mu Cheng to investigate. His sons had caused such an unseemly thing. As a father, he has to discipline them himself. He keeps being a hand-off shopkeeper and hides in peace. Does he really think it's so easy to be a father?"

Old Master Mu was also angry at Mu Cheng for hiding far away from Ye Wen all these years.

She did not care about the Mu Corporation's business or the family's matters.

She did not even care about her son.. How could she just guard a crazy wife?

Chapter 432: Mu Yun's Interrogation

Mu Ning's eyes flashed slightly. She wanted to continue speaking, but when she saw Old Master Mu's determined expression, she wisely chose to shut up.

When Mu Cheng received Old Master Mu's call, he was patiently feeding Ye Wen dinner.

He handed the bowl in his hand to the nanny and walked out of the room with his phone. He picked up the call with a puzzled expression.

In Mu Cheng's opinion, it was impossible for Old Master Mu to call him if there was nothing important.

As soon as Mu Cheng picked up the call, he was scolded by Old Master Mu.

After straightening out the matter, Mu Cheng frowned slightly.

He did not care much about his sons' matters, but that was because he knew their characters. He did not think that his sons needed him, their father, to interfere.

However, Mu Cheng was still a little surprised to hear that Mu Heng and Mu Xiao had taken a fancy to the same girl.

The little girl that Mu Xiao had brought back previously appeared in his mind, the girl who looked a little like Mu Xiao.

The little girl had picturesque eyebrows and a gorgeous appearance. She was a beautiful child, especially her eyes. Although they were a little melancholic and low, there was not much turbidity in them that was corroded by secular desires. Instead, they were beautiful and clean.

Hence, Mu Cheng refused to believe that such a girl would seduce Mu Heng and Mu Xiao at the same time.

However, since it was Old Master who had spoken, Mu Cheng could put on an act and investigate the girl's background.

Besides, this girl was brought back by Mu Xiao. Mu Xiao must be quite satisfied with this girl. It was better to take this opportunity to find out about the girl. If Mu Xiao really got together with that girl in the future, there would be no need to investigate again.

Therefore, Mu Cheng agreed readily that he would handle this matter well and investigate Lin Yin's background.

Seeing that Mu Cheng did not refuse impatiently this time, Old Master Mu was a little satisfied. He said in a low voice, "At least you still have the self-awareness of a father."

After hanging up, Mu Cheng thought about it. After all, this was the girl Mu Xiao liked. He felt that it was necessary to tell Mu Xiao.

Hence, Mu Cheng informed Mu Xiao to come over and asked Mu Heng to come along.

After that, Mu Cheng returned to the bedroom and took the bowl from the nanny again. He gently fed Ye Wen.

Seeing the spoon in front of her, Ye Wen only opened her mouth mechanically. Her gaze stayed on the rag doll in front of her as she whispered in a muffled voice, "My good daughter, my Little Tian Tian. Mommy is full. I'll come and feed our Little Tian Tian later."

Mu Cheng sighed in her heart. More than ten years had passed, but Ye Wen showed no signs of getting better. This made Mu Cheng very worried.

When Mu Heng and Mu Xiao arrived at the villa, the two of them looked at each other and knew why Mu Cheng asked them to come here at this time.

They didn't expect this matter to become like this, so they had already gotten someone to investigate who was spreading the rumors. They had also quickly gotten someone to block the channels of the news.

It was just that they couldn't clear the memories of those who already knew.

Mu Cheng wiped Ye Wen's hands and instructed the nanny to watch over Ye

Wen, who was chatting with the doll in her hand. Then, she went to the study.

Mu Cheng asked bluntly.

After Mu Heng and Mu Xiao looked at each other, they saw conflict in each other's eyes. They were thinking about how to tell Mu Cheng about this and were even conflicted about whether they should tell him about Lin Yin's background.

After all, he was their father. Mu Cheng knew that something was wrong when he saw their expressions.

If they really fell in love with the same girl, their expressions would definitely not be like this.

"Tell me honestly, what are the two of you hiding from me?" Mu Cheng narrowed his eyes and questioned his two sons.

Seeing that her two sons were still silent, Mu Cheng's expression was also a little displeased. "If you don't say anything, I can only ask the female lead of this matter, Lin Yin, about it."

Originally, Mu Cheng only wanted to tell Mu Xiao that he would investigate Lin Yin, but looking at his two sons' strange expressions, it was obvious that there was something going on, so Mu Cheng could only threaten them. "Dad, don't investigate!" Mu Xiao hurriedly stopped him..

Chapter 433: The Crazy Ye Wen

Mu Xiao's rare loss of composure instantly made Mu Cheng's expression turn even more serious. "Why can't we investigate? What are the two of you doing? Could it be that it's really as the rumors say? The two of you are so ridiculous that the two of you share a woman? You even got that girl pregnant?"

Mu Cheng knew that this was unlikely, but in order to force the two young brats to tell the truth, he could only say this.

“Dad, it’s not like that! Yinyin isn’t such a girl. Don’t talk nonsense.” Mu Heng frowned deeply, thinking about how to tell his father.

Mu Xiao could not hold it in anymore. He made up his mind and said, “Yinyin is

Tian Tian!”

Mu Cheng, who was still questioning her sternly just now, was instantly stunned.

He asked in disbelief, “What did you say?”

Since she had already said it, Mu Heng did not hide it anymore. “Yinyin and I did a DNA test. Yinyin is our biological sister, Tian Tian!”

Mu Heng was a little stunned. He asked in disbelief again, “Are you sure? Lin Yin is Mu Tian? Lin Yin is my biological daughter? Your biological sister?”

It was not that there were no girls who claimed to be their daughter all these years, but every DNA test brought about disappointment, so Mu Heng did not dare to look forward to it anymore.

He was even slowly accepting the fact that his daughter was dead.

As a result, when Mu Heng said it now, Mu Cheng did not dare to believe that his daughter could really be found.

Mu Heng said firmly, “I’m sure. This is the result of my DNA test.”

As he spoke, he handed the photo in his phone to Mu Cheng.

Mu Cheng's hand trembled as he took the cell phone. When he saw the results, Mu Cheng's eyes turned red.

It turned out that there was a reason why Lin Yin looked like Mu Xiao. There was also a reason why he felt an inexplicable sense of familiarity when he first saw Lin Yin.

This was all because Lin Yin was his and Ye Wen's biological daughter.

Excitement and joy lingered around Mu Cheng. He said anxiously, "Then what are you guys doing here? Hurry up and bring her back?"

Mu Heng and Mu Xiao looked at each other helplessly and said, "Yinyin, she doesn't want to come back?"

Mu Cheng's excited mood was instantly filled with disappointment. She asked in confusion, "Why? Is Tian Tian angry that we lost her?"

Mu Xiao patiently told her about what happened to Lin Yin at the Su Family, making Mu Cheng dote on Lin Yin even more.

Mu Cheng slumped into a chair and said guiltily, "It's my fault for not protecting Tiantian well, that's why she was left outside and suffered so much. I also made her suffer different treatment in the Su Family. No wonder she's unwilling to believe us and come back now."

The Mu father and sons were all worried, not knowing how to get Lin Yin to come back.

After a moment of silence, Mu Cheng still said, "No matter what, we have to make Tian Tian come back. After all, the Mu family is Tian Tian's home. I'm worried about letting Tian Tian continue to wander outside alone."

Mu Heng and Mu Xiao nodded in agreement. At this moment, the door of the study was suddenly pushed open.

Ye Wen was barefooted. She looked at the Mu father and sons with widened eyes and asked sharply, "Where did you take my Tian Tian? Did you steal my Tian Tian? Return Tian Tian to me! Return Tian Tian to me!"

As Ye Wen spoke, she rushed towards the three of them as if she was going to beat up the human traffickers.

Mu Cheng immediately hugged Ye Wen tightly and said anxiously, "Ah Wen,

Tian Tian will be back. Wait a little longer, okay?"

This was the first time in so many years that Mu Cheng had said this so confidently.

However, Ye Wen could not listen at all. She shouted at Mu Heng and Mu Xiao with a ferocious expression, "You damn bad people, return my daughter to me! Return my Tian Tian to me!"

Mu Heng said sadly, "Mom, I'm Mu Heng! I'm your son, Mu Heng!"

Ye Wen stared at Mu Heng with her red eyes. Then, she shook her head hard and denied, "No! I don't have a son. I only have a daughter. She's gone! She's gone! I remember now. She was taken away by the nanny! You're that nanny, right? You're returning Tian Tian to me, right?"

Ye Wen looked at Mu Heng in front of her with anticipation. Then, she struggled free of Mu Cheng and was about to kneel down to Mu Heng..

Chapter 434: Bribe

Mu Cheng quickly hugged Ye Wen and said with heartache, "Ah Wen, believe me. I'll bring Tian Tian back for you. Believe me."

Ye Wen did not pay attention to Mu Cheng at all. She just stared at Mu Heng with red eyes. Then, bean-sized tears rolled down her face. She looked at Mu Heng pleadingly and cried, "As long as you return Tian Tian to me, I'll give you everything! Okay? Return her to me?"

Mu Heng looked away sadly, not daring to look at his mother. Mu Xiao was also feeling terrible.

However, Mu Heng's actions agitated Ye Wen again. Her originally crying expression suddenly changed, and her voice was hysterical. Even the veins on her neck were visible. "Return her to me! Return Tian Tian to me!"

Mu Xiao was afraid that Ye Wen would be too agitated and quickly went forward to comfort her. In the end, Ye Wen was overly emotional and fainted.

Mu Cheng carried Ye Wen to the sofa in the bedroom and Mu Xiao went forward to check on her.

After forcefully feeding Ye Wen some sedatives, the father and sons sat at the side dejectedly.

After a while, Mu Xiao said, "You still have to treat your heart. I think we should persuade Yinyin to go home as soon as possible. Perhaps Mom's illness will improve."

Mu Cheng and Mu Heng nodded in agreement.

However, how to convince Lin Yin became a headache for the three of them.

An old man who had been in the world for decades, a business big boss who dominated the business world, and a sly old fox who was full of schemes, the three of them were actually helpless against Lin Yin.

Although Mu Heng and Mu Xiao stopped the rumors from spreading, the news of Lin Yin seducing the Mu brothers and even getting pregnant still spread like wildfire in the circle.

When Lin Yin found out that the news came from Su Lin, the corners of her lips curled into a cold smile. She did not expect that before she could find trouble with Su Lin, Su Lin would find trouble with her first.

Since that was the case, she would not stand on ceremony.

It had been long enough for the Su Family to jump around for a while.

Su Lin was still watching Lin Yin's show, but before he could be happy for long, he was called back by his father.

As soon as Su Lin arrived at the company, he was scolded by Su Zhen. "You pig brain, why didn't you investigate those officials who opened the back door before you participated in the project? Now, all the Zheng family's projects involve official bribery. All the money invested is wasted."

Su Lin was shocked on the spot. "How could this be? Why did they suddenly investigate strictly? Besides, I invested in these projects with the Zheng Family. A few of them were given to us by the Zheng Family. How would I know that they were all secretly operated? I thought they were all bidding normally." Su Zhen was so angry that his head hurt.

Not only did they not earn any money this time, but it was very likely that they would all go in.

Before Su Zhen could think of a countermeasure, an investigation team had already come to the company to investigate.

Most of the projects this time were signed by Su Lin, so Su Lin was quickly arrested.

Su Zhen had no choice but to call Su Fei over. He said to Su Fei amiably, "Feifei, have you and Eldest Master Lu been doing well recently?"

Su Fei did not know why Su Zhen suddenly spoke so gently, but she still replied with a smile, 'Yes.'

In fact, Lu Zheng had not come to see Su Fei for a few days. Su Fei was also anxious, but she did not dare to go to the Lu Family to look for Lu Zheng, afraid that if she met Lu Ming, she would face another disaster.

However, even though she was anxious, Su Fei did not show it in front of Lu Zheng because she knew very well that if Su Zhen knew that her relationship with Lu Zheng had faded, he would definitely not treat her so politely like now.

Su Zhen hurriedly nodded and said happily, "That's good! That's good! It's like this, Feifei. All the projects that we cooperated with the Zheng Family previously went wrong. Now that your brother has been arrested, do you think there's a way to beg Eldest Master Lu to save your brother?"

Su Fei frowned slightly. "Only the Zheng Family's project has problems?"

Su Zhen nodded repeatedly and said, "Only you can help your brother now.

Otherwise, your brother will definitely go to jail."

"The Zheng family actually dares to scheme against us!" Su Fei said angrily.

In her opinion, if it wasn't for the Zheng Family's scheme, how could everything have gone wrong because of the Zheng Family's project?

Chapter 435: Invitation

After hearing Su Fei's words, Su Zhen also felt that they had been schemed against by the Zheng Family. He said angrily, "I was wondering why the Zheng

Family was so kind as to give all the projects to us. So they were planning this.”

Su Fei’s eyes flashed with a sharp glint. She did not really want to care about Su Lin’s life or death, but she had no choice. The Su Family was now her backing, so if the Su Family fell, she would naturally lose a helper.

Su Fei said to Su Zhen, “Dad, go back first. I’ll think of a way to deal with

Brother. As for the Zheng family, I’ll make them pay the price.”

With Su Fei’s guarantee, Su Zhen returned with a little peace of mind.

Lin Yin listened to the report and smiled in her heart. Did Su Zhen think that this matter could be resolved by finding Su Fei?

She did not expect Su Zhen, who had lived for decades, to become so naive.

This time, Lin Yin had directly pushed the matter to the Anti-corruption Bureau, and the evidence was conclusive.

“Secretary Li, help me make an appointment with Lu Ming. We have some cooperation to discuss with the Lu Corporation,” Lin Yin said to Li Sheng.

Li Sheng looked at Lin Yin in confusion and asked uncertainly, “President Lin, is there a need to be so official about meeting President Lu?”

In Li Sheng’s opinion, if Lin Yin wanted to see Lu Ming, wasn’t it just a phone call?

Lin Yin glanced at Li Sheng angrily and said, “This is official business. It has to be official, understand?”

Li Sheng nodded as if he understood, but he still said, "President Lin, according to the normal procedures, if we ask President Lu out, it might not be as fast as your call."

"Secretary Li, you seem to be a little talkative?" Lin Yin sized Li Sheng up with an unfathomable gaze.

Li Sheng immediately shut up and smiled awkwardly. "I'll arrange it immediately."

On the Lu Corporation's side, Shen Yu was slightly stunned for a few seconds when he saw the Shisheng Corporation among the invitations.

Especially when he saw the word Lin Yin, Shen Yu was at a loss. He glanced at Lu Ming, who was dealing with work.

If Miss Lin Yin wanted to see CEO Lu, wouldn't it be a matter of minutes? With his understanding of Lu Ming, if Lin Yin wanted to see Lu Ming the next second, Lu Ming might fly back from overseas.

So, what was Miss Lin Yin playing at?

Was it a stinky couple's fun?

Unable to guess, Shen Yu sent the electronic invitation letter for Lin Yin to meet Lu Ming to Lu Ming's phone. Then, he stood beside Lu Ming and said softly, "CEO Lu, Miss Lin Yin wants to see you."

Lu Ming looked up and frowned as if he did not hear her clearly. "What are you talking about?"

If Yinyin wanted to see him, she could have just called. Why did she need Shen Yu to convey it?

Shen Yu looked at Lu Ming steadily, then pointed at the cell phone in Lu Ming's office innocently and said, "CEO Lu, look at your phone."

Lu Ming looked at his office phone in confusion, then picked it up and turned it on. He really saw that Lin Yin wanted to meet him as the President of the Shisheng Corporation to discuss a collaboration.

Lu Ming was stunned at first, then puzzled. In the end, there was only a dotting smile.

Since Yinyin wanted to play like this, he would accompany her.

Lu Ming said to Shen Yu, "Arrange a time. I want to have a good talk with the President of the Shisheng Corporation. Remember, the atmosphere has to be better, understand?"

The atmosphere had to be better. How could it be considered a better atmosphere?

Shen Yu scratched his head. He had arranged so many business meetings for Lu Ming, but Lu Ming had never specially instructed him to look for a place that had a better atmosphere, so he had no experience at all!

Shen Yu agreed with a bitter expression. Just as he was about to make arrangements, he heard Lu Ming say from behind, "Hurry up. It's best if it's tonight. By the way, if it's tonight, you have to arrange a flight back for me now."

Shen Yu forced a smile. He had been by Lu Ming's side for so many years, but this was the first time he had seen Lu Ming arrange a cooperation meeting in such a hurry.

However, after Shen Yu looked at his cell phone, he said with a troubled expression, "CEO Lu, we still have a banquet to attend tonight. Are you sure you want to return to the country now?"

Lu Ming looked at Shen Yu with a puzzled expression and even urged, "Of course we'll postpone the banquet. Do you think this banquet can compare to the cooperation between the Lu Corporation and the World Sheng Corporation?"

Secretary Shen, it looks like you still have to improve.."

Chapter 436: Meeting at the Wrong Place

Shen Yu had a bitter expression. There were many high-ranking officials, nobles, and business big bosses at the banquet today. Most of the participants were wealthier than the Shisheng Corporation.

Shen Yu shook his head slightly. She was indeed charming. Their CEO Lu had already fallen for her and could not extricate himself.

Lu Ming looked at Shen Yu, who was standing at the door, in disdain and said loudly, "Secretary Shen, why are you still standing here?"

Shen Yu immediately nodded and went to his troubles.

In order not to have any accidents, Shen Yu directly posted a request for help on one: MY DOSS wants me to arrange a business meeting that has a good atmosphere. I'm asking for suggestions from all of you. By the way, my boss likes the boss of the other corporation.

As soon as Shen Yu's question was posted, various comments appeared.

[Look at yourself. Do you need to ask us for help? Your boss is clearly wooing their boss and asking you to arrange a vibey date!]

[That's right. How is this a business meeting? Listen to me. Arrange for a themed hotel for your boss. Believe me, your boss will be grateful to you!]

[Where are you from? I can introduce you to some very interesting hotels. I guarantee that after your boss enjoys them, he will increase your salary the next day.]

[Don't be too ridiculous. If the other party's boss doesn't have this intention, wouldn't it be terrible? Everyone, be human! Don't ruin the poster's job!]

[What do you know? Those who can be bosses are all straightforward. Believe me. A sexy hotel is quite romantic. If you're afraid of being too embarrassed, you can arrange for them to be at a couple's bistro first to warm up. When the romance gets to the point, it will naturally be done!]

Looking at the bold and ridiculous suggestions of the netizens, Shen Yu was enlightened.

His abstinent boss probably wanted to have sex, so he should indeed arrange for some adult business meetings for his boss.

At this moment, Shen Yu suddenly understood. No wonder Miss Lin Yin suddenly wanted to ask CEO Lu out through him, his secretary.

Role-playing was on the rise. Miss Lin Yin must also want to have fun!

The more Shen Yu thought about it, the more he felt that he had guessed correctly, so much so that he forgot that Lin Yin was just an 18-year-old girl who had just passed the college entrance examination.

She had also forgotten how her boss usually carefully restrained his desire for Lin Yin.

Soon, Li Sheng received a message from Shen Yu and said to Lin Yin, "President

Lin, the Lu Corporation has set the time at seven tonight. They said that

President Lu will pick you up personally."

Lin Yin said directly, "Tell Shen Yu that there's no need for CEO Lu to pick me up. I'll go straight to him."

After Shen Yu received Li Sheng's message, he conveyed Lin Yin's intentions to Lu Ming. Lu Ming said happily, "Alright, that's settled."

In Lu Ming's opinion, it was convenient for Lin Yin to look for him directly. Didn't the two of them live next door?

When the time came, he would just dress up and wait for Yinyin downstairs.

It'll have quite a good atmosphere.

As soon as Lu Ming got off the plane, he went straight home. He chose a young-looking casual suit and even styled his hair handsomely.

When she went out, she did not forget to put on perfume. Then, she came to Lin Yin's building and sent a message: Yinyin, I'll wait for you downstairs!

Lin Yin, who had received the message, sat in the waiting room of the Lu Corporation. She was a little stunned and sent a message with uncertainty: "Which downstairs are you at?"

Lu Ming replied matter-of-factly, "Of course the downstairs of the neighborhood we live in together. Didn't you say you were looking for me? You don't have to go to my house. I'm waiting for you downstairs."

Lin Yin looked at Lu Ming's reply and looked up speechlessly at the scenery outside the Lu Corporation's window. Then, she lowered her head and typed: I'm in the waiting room of your corporation.

When Lu Ming saw Lin Yin's reply, he was stunned on the spot. It was not easy for Yinyin to ask him out, but the two of them actually went to the wrong place.

Lu Ming sent Shen Yu a message: How did you arrange my meeting with President Lin? Half of your performance bonus for this month will be deducted.

Shen Yu, who was lying in bed enjoying the air conditioner at home, instantly felt his heart turn cold. Wasn't it not seven o'clock yet? Why was his performance deducted? He felt so wronged.

However, Lu Ming ignored the message Shen Yu sent to ask why because he was in a hurry to pick Lin Yin up..

Chapter 437: Lu Corporation's Rules

When he arrived at the Lu Corporation, Lu Ming saw his little girl looking around at the entrance of the Lu Corporation.

When Lin Yin's gaze turned to where Lu Ming's car was parked, she walked towards him.

Lin Yin's outfit today was indeed a little different from usual. It was a professional woman's outfit. The well-tailored suit matched with a tuxedo dress accentuated Lin Yin's good figure.

Especially the way Lin Yin walked quickly towards the car and the frequency at which she twisted. Lu Ming's adam's apple unconsciously bobbed, and his eyes were glued to Lin Yin's curvaceous body.

At first, it was just his imagination. Later, Lu Ming's mouth went dry. He wanted to push his luck and wanted to remove the layer of clothes on Lin Yin's body to see the beauty inside.

Such a beastly thought made Lu Ming feel hot.

It was only after Lin Yin knocked on the car window that Lu Ming came back to his senses from his charming fantasy of Lin Yin.

Lu Ming touched his slightly hot cheek and quickly got out of the car. He opened the door of the passenger seat for Lin Yin with a gentlemanly expression.

Lin Yin's suspicious gaze swept across Lu Ming's face. For some reason, she felt that Lu Ming's gaze was a little obscure and ambiguous.

Seeing that Lin Yin did not move, Lu Ming asked in confusion, "What's wrong,

Yinyin? Why aren't you getting into the car?"

Lin Yin looked at Lu Ming and smiled. "I think there's something wrong with you now, Lu Ming? Did you do something just now?"

Lu Ming turned his head to look at the ground in embarrassment. There was something wrong with him, but he did not dare to say what was wrong with him.

He couldn't possibly say that when he saw Lin Yin just now, he had the urge to strip her naked, right?

Then, when he realized that he did not dare to look at Lin Yin and that something was wrong, Lu Ming quickly retracted his gaze and pretended to be calm as he looked at Lin Yin's face. He pretended to be calm and said, "No, it's just that it's been a long time since Yinyin last saw me. I was suddenly a little excited."

Seeing that Lin Yin was still sizing him up with a probing gaze, Lu Ming quickly stuffed Lin Yin into the front passenger seat.

The moment he closed the car door, Lu Ming took a few deep breaths. This feeling was really torturous.

Lu Ming took a break outside the car before returning to the car.

Lin Yin asked in confusion, "Where are we going now? Actually, my original intention was that we could talk in your Lu Corporation's conference room."

Lu Ming immediately replied, "How can that do? Since you're working with our

Lu Corporation, you naturally have to follow our Lu Corporation's rules. Our Lu

Corporation's cooperation discussions are all arranged like this."

Lu Ming spouted nonsense with a serious expression. Then, as if he was afraid that Lin Yin would go back on her word, he turned around and wanted to fasten Lin Yin's seatbelt before setting off.

Lu Ming suddenly turned around and approached her quickly, even reaching out his hand. This made Lin Yin instantly panic. She subconsciously raised her hand to block between her and Lu Ming.

Looking at Lin Yin's panicked expression and her hands that were protecting her, Lu Ming stopped in his tracks. Even his hand that was reaching for Lin Yin stopped in midair.

At this moment, Lu Ming was really a little embarrassed. Although he did have a desire for Lin Yin and wanted to get close to her, hug her, kiss her, and have further contact with her, Lin Yin's defensive actions did embarrass him.

For a moment, Lu Ming felt like he was some kind of pervert. Otherwise, why would Lin Yin be wary of him?

An awkward atmosphere filled the silent space between the two of them. One of them stopped in midair and froze, while the other held his hand in front of his chest.

After a while, Lu Ming broke the silence and said, "I just want to fasten your seatbelt. Don't be nervous."

Lin Yin didn't know what was wrong with her. Lu Ming had clearly done something ambiguous when he was at her house previously, but she was indeed a little nervous just now. She felt that Lu Ming wanted to do something, so she subconsciously did it.

Lin Yin relaxed her hand in embarrassment. Lu Ming obediently fastened Lin Yin's seatbelt and sat back in his driver's seat.

The two of them arrived at the cafeteria that Shen Yu had arranged speechlessly. The moment they entered, the two of them were stunned.

The atmosphere in the entire cafeteria was dark and ambiguous. The key was that there were couples inside..

Chapter 438: Strange Shop

Lin Yin asked in confusion, "Is this the rule of your Lu Corporation's business meeting? It's quite warm."

Lu Ming wanted to scold Shen Yu to death in his heart. Why did he have to arrange for a date at such an obvious place?

Lu Ming smiled at Lin Yin awkwardly and said, "The place Secretary Shen arranges for is sometimes a little strange. Perhaps he thinks you girls like this kind of atmosphere more."

Lin Yin smiled and didn't say anything.

Lu Ming gritted his teeth silently. Then, while Lin Yin was not paying attention, he sent Shen Yu a message: All performance bonuses for this month

will be deducted.

Shen Yu's heart turned cold when he received the message. He could not figure it out. Didn't his boss want to date Miss Lin Yin?

Then why wasn't he satisfied with the place that couples fancy?

Shen Yu scratched his head in distress, bitterly planning which aspect of spending he would cut next month.

After sending the message, Lu Ming looked up at Lin Yin and said, "Let's go. I'll take you somewhere else."

Lin Yin turned to look at Lu Ming and smiled. "Why did you change places? Is there something inappropriate here?"

Lu Ming was dazzled by Lin Yin's bright eyes, especially under such an ambiguous light. Lu Ming felt his heart palpitate.

Lu Ming finally understood. The more he looked at her under the light, the more beautiful she looked.

Lu Ming was about to say something when he saw Lin Yin turn around and walk in.

The attendant inside went forward enthusiastically and asked, "Hello, Miss, are you here with the gentleman behind?"

Lin Yin turned to look at Lu Ming, who was still standing rooted to the ground.

Her lips curled into a smile as she said, "Yes, it's him."

Lu Ming was completely mesmerized by Lin Yin's smile.

When Lin Yin called out to him, Lu Ming subconsciously followed behind her. Wherever Lin Yin went, he followed. He looked like a ghost, no longer his usual cold and abstinent self.

The attendant leading the way looked at the scene in front of him with a smile. He was already used to such a scene.

Even when he was led to his seat, Lu Ming still did not look very sober.

Even if Lin Yin frowned slightly, in Lu Ming's eyes, she looked coquettish and seductive.

“Yinyin, you’re so beautiful!” Lu Ming blurted out.

Lin Yin looked around and smiled. “Lu Ming, if you don’t wake up soon, I’m going to smash this shop.”

When the attendant heard Lin Yin’s words, she was shocked for a moment. In the end, she thought that the girl might be joking and relaxed.

Lu Ming did not understand what Lin Yin was saying. He just leaned forward slightly and looked into Lin Yin’s loving eyes with a slightly misty gaze. He asked in a daze, “Yinyin, why haven’t you grown up? You have to grow up, or they’ll all say that I’m old.”

The attendant pursed her lips and smiled. She glanced at Lu Ming before her gaze landed on Lin Yin. Seeing that Lin Yin didn’t say much, the attendant quickly took out the menu and said to Lu Ming, “Sir, it’s time for you to order.”

Lu Ming frowned slightly and looked at the menu with a strange expression, as if he was thinking about something.

However, he quickly fainted and quickly ordered a few dishes. At this moment, he only wanted to be alone with the girl he liked in front of him.

The attendant was about to leave with the menu when Lin Yin’s cold voice sounded from behind her. “Attendant, I haven’t ordered yet. Do you think it’s appropriate for you to leave like this?”

The attendant turned around in surprise and said, “This gentleman has already ordered for you.”

Lin Yin looked at Lu Ming angrily and questioned, “Lu Ming, you didn’t even ask about my taste and just ordered something for me. I’m unhappy!”

When Lu Ming heard that Lin Yin was unhappy, his eyes cleared. He turned to the attendant and asked curiously, “Why didn’t you give her a menu?”

The attendant had never encountered such a situation. She panicked for a moment before handing the menu in her hand to Lin Yin and glancing at her suspiciously.

Lin Yin looked at the menu in front of her which could be considered to be expensive and asked, "What dish is this?"

The attendant stammered, "It's a dragon-shaped dish cut out by our five-star chef."

Lin Yin nodded and continued to ask, "What about this?"

Chapter 439: Stunned Lu Ming

The attendant answered honestly.

Lin Yin smiled and said, "I didn't expect the price to be so high in such a small shop."

The attendant explained with a smile, "Although our restaurant is small, be it the chef, the ingredients, or the atmosphere, it's top-notch."

As she spoke, the attendant said teasingly, "Besides, a romantic shop like ours is most suitable for couples to understand each other. Otherwise, our reputation wouldn't be so good. Don't you think so, Madam?"

Lin Yin felt that the attendant was looking at her strangely, but she didn't say anything. She just raised her eyebrows and nodded noncommittally before returning the menu to the attendant.

After the attendant left, Lin Yin looked helplessly at Lu Ming, who had been staring at her. "Lu Ming, I always thought that you were the kind of person with a firm mind. I didn't expect you to fall for it the moment you entered."

Lu Ming didn't seem to understand what Lin Yin was saying. He frowned and looked troubled.

Lin Yin sighed softly and looked at Lu Ming. She wanted to see when Lu Ming would wake up on his own.

Lu Ming's eyes were hazy and he was a little stunned. Lin Yin did not speak. Lu Ming lowered his head in distress and said sadly, "Yinyin, do you think I'm an old cow preying on a young girl too?"

Lin Yin chuckled and leaned forward slightly. She supported her chin with her hand and looked at Lu Ming with a wicked smile. "You're indeed ten years older than me. Don't you think you're an old cow?"

A wave of frustration hit Lu Ming's heart. He said anxiously, "But I'm just old. I don't look old. I've taken good care of my figure and my stamina is not inferior to those young men. As for my skills, I haven't practiced them yet, my experience of self-sufficiency is definitely not a short period of time. You can rest assured. If it doesn't work, I can learn..."

Lin Yin was frightened by Lu Ming's cute words and coughed awkwardly. Then, she held back her laughter and covered her face.

In the past, Lu Ming had been shameless in front of her, but this was the first time Lin Yin had seen the adorable Lu Ming.

Especially when Lu Ming made a conflicted expression on his handsome face and spoke about such private and obscure topics seriously. It was simply too fun.

Lin Yin pursed her lips and a nasty smile suddenly appeared on her lips.

"Is that so? Then how are you going to learn? Are you going to find a few girls or boys to learn from? Or are you going to find films and study from them?" Lin Yin asked with a smile.

Lu Ming's dark eyes were suddenly filled with eagerness as they locked onto Lin Yin's gaze. He said with embarrassment and determination, "I'll learn with you! Yinyin, I can learn whatever you like. I'm very good at learning."

Lin Yin felt like she was shooting herself in the foot. She said with a reproachful expression, "Who wants to learn from you? Shameless! Stinky hooligan!"

Lu Ming did not refute. Instead, he said sincerely, "Yinyin, I'm not a hooligan. I just like you and want to marry you and have children with you for the rest of my life. I'm not just being a hooligan."

At this moment, Lu Ming's eyes were filled with sincerity and worry, afraid that Lin Yin would misunderstand.

Lin Yin did not expect that she would fall for Lu Ming's trick just because she was innocent. In the end, she received Lu Ming's confession.

Lin Yin didn't know how to respond. She whispered, "Getting married and having children is a lifetime thing. Lu Ming, you shouldn't say it casually."

Lu Ming frowned and said, "I'm not casual. Yinyin, I told you that I'll give you all my assets before. I'm serious."

In Lu Ming's opinion, the true feelings of this world were always ethereal, but the material sacrifice was real.

If he wanted to hold someone's hand for the rest of his life, he had to show sincerity, and assets were the most obvious sincerity.

Lin Yin poured a glass of water for Lu Ming and smiled. "You're unconscious now. You should drink some water and think about it slowly. Stop talking nonsense."

Seeing that Lin Yin did not believe him, Lu Ming immediately panicked and raised his voice. "Yinyin, I'm not talking nonsense."

The girl at the table beside her turned around and raised her eyebrows at Lin

Yin. "Sister, I'll help you probe."

Before Lin Yin could stop her, the girl asked Lu Ming, "Handsome, you said you're serious. Why don't you tell me your bank card password now to prove

Lin Yin widened her eyes and stood up to cover Lu Ming's mouth, but she still let Lu Ming say a few numbers..

Chapter 440: Stop

Lu Ming looked at Lin Yin in confusion. Lin Yin was caught between laughter and tears. The girl beside her laughed and said, "Sister, your man is a good one. Yours is sincere. Unlike mine, he's already in a daze, but he still won't tell me his bank password."

As she spoke, the girl sneered at the equally dumbfounded man opposite him.

Lin Yin smiled awkwardly at the girl until she felt a slightly moist itchiness in her palm. Only then did Lin Yin retract her hand in a panic and ask with a slightly straight face, "Lu Ming, what are you doing?"

Lu Ming smiled at Lin Yin. His silly look made Lin Yin lose her temper.

"Next time, don't say your bank card password in front of others." Lin Yin sat back in her seat angrily.

Lu Ming said matter-of-factly, "Yinyin is not others. What's mine is Yinyin's."

The girl beside her was about to die of envy. She asked Lin Yin enviously, "Where did you find such a man? He's clean and honest. He's already so old, but he's still a virgin. Looking at his clothes, he's also from a rich family. He's even devoted to you and wants to give you everything."

Lin Yin didn't know how to answer and only smiled without saying anything.

At this moment, the girl suddenly stood up and walked towards Lin Yin. She sat beside Lin Yin as if they were close friends and sized up Lu Ming with interest. She asked with a smile, "Sister, you have good resources. Why don't you bring me along? I won't snatch your man from you. Does your man have any good friends? Introduce him to me and we'll get rich together?"

Lin Yin only smiled faintly. Then, she looked at the man at the girl's table and asked, "Don't you already have one?"

The girl rolled her eyes at Lin Yin and said, "Sister, there's no point in pretending? I know the rules of the industry. If I succeed, I will give you matchmaker fees. Don't worry."

Lin Yin finally understood why Lu Ming was in a daze the moment he entered. It seemed like this was a shop that did unknown business, and it was specially targeted at men.

Lin Yin nodded as if she didn't understand. Then, she asked innocently, "What industry rules? This is my first time here today, so I don't understand."

The girl instantly distanced herself from Lin Yin and sized her up warily. Then, she smiled and told Lin Yin that there was nothing wrong before getting up and returning to her seat.

However, soon, many girls started to look at Lin Yin. Lin Yin sensed that something was wrong and stood up to pull Lu Ming up to leave, but she was surrounded by the girls.

Lin Yin hid Lu Ming behind her and looked coldly at the person opposite her. "Move!"

The girl from before smiled at Lin Yin. "I didn't expect someone from a different industry to sneak in. Little sister, we don't want to make things difficult for you. It's just that we have to make a living too. It's very difficult for us if you leave like this."

Lin Yin had just thought that this shop might be just targeting male customers with some bewitching drugs to make them willingly pay for this high-priced dish.

Now, it seemed like it wasn't just that. Lin Yin thought that these girls might have joined forces with this shop to do something, but she couldn't understand. Was it that serious?

She only knew that they might be doing something illegal. For example, these girls were alcohol or meal attendants who cooperated with the shop to trick some men into spending a lot.

This was not something that she had to die for. Could it be that these people wanted to kill her? Were they so arrogant?

Lin Yin frowned and held Lu Ming tightly. She looked at the girl sharply. "Then what do you want? To be honest, I still don't know what you're doing. Isn't it inappropriate for you to surround me like this?"

The girl and the attendant looked at each other, as if they were considering.

They were an online organization and usually shared the results of hunting men's assets, but many members had never met before, so the girl had treated Lin Yin as a member of her organization just now.

The girl didn't want to cause trouble, but she was afraid that Lin Yin would tell others what had happened. What if it was exposed?

Therefore, the best way was to make the other party one of them. That way, they would be tied to the same boat..
