

Real Daughter 526

Chapter 526: Video Call

Despair flashed across her heart. She did not want to die. As long as Zhou Li asked, she did not have to die. She did not know why Zhou Li was unwilling to let her go.

“Why must I die? I’m not an official member of your organization. There’s actually no need to abide by the rules of your organization, right?” Chu Yun had a sorrowful expression.

Zhou Li did not expect Chu Yun to guess it. Yes, he did not intend to let Chu Yun live.

Now that Lin Yin had returned to the Mu family, the Mu family would definitely do their best to investigate what had happened back then.

Chu Yun was also an important figure. As long as the Mu family found out that Chu Yun had even done a paternity test, they could guess some problems. If the Mu Family found out about something else and accidentally ruined that person’s plan, not to mention Chu Yun, even he would probably die.

Therefore, in order for him to live, he could only let Chu Yun die.

“Chu Yun, only a dead person can keep a secret. Don’t blame me for being heartless.” Zhou Li finally made a decision.

When Chu Yun heard this, she smiled bitterly in despair, as if she wanted to accept the final outcome of her life.

After a while, Chu Yun looked at the wall and asked in a pale voice, “Can I ask you one last thing?”

“Speak!” Zhou Li’s voice came from the other end of the phone.

“Help me save Su Fei, okay? I know you don’t believe that she’s your daughter, but can you save her first? As for whether she’s your daughter or not, you can verify it later,” Chu Yun begged with a sad expression.

Zhou Li was silent for a moment before replying, “Okay!”

“Is my eldest daughter alright?” Chu Yun suddenly calmed down, her tone carrying an ethereal sense of emptiness.

“She’s doing quite well. She lives a life of affluence and has a grandma that dotes on her.” Zhou Li answered Chu Yun’s words in two or three simple sentences.

However, he still did not believe that Chu Yun’s two daughters were his children. After all, he had taken precautions every time.

He was afraid that if he accidentally left a child outside, he would be in a terrible state.

“That’s good!” Chu Yun’s face turned paler and paler, as if she could not find anything else to say.

In the end, Chu Yun only said, “You saved my life. After today, it’s paid off.” After it’s paid off, they would be equal.

Chu Yun’s face was pale and her eyes were red. Her cell phone slipped from her hand.

Xiao Ming immediately picked up his phone and said nervously, “Master Zhou, then we...”

Zhou Li said directly, “Deal with her. Don’t make her suffer too much. Also, don’t let your aunt know about what happened today, understand?”

Xiao Ming glanced at Huo Ge, especially when he saw the video call in Huo Ge’s hand. He had a complicated expression and said, “Uncle, don’t worry. I won’t tell you.”

“Zhou Hai, you know what I mean, right?” Zhou Li said. He clearly knew that Huo Ge was also listening.

At this moment, Huo Ge was holding the video call in his hand and pointing it at Chu Yun, who was lying on the ground with a deadpan expression and lifeless eyes. He smiled evilly and said, “I naturally know what Master Zhou means. Don’t worry, I won’t say a thing.”

As for whether his mother knew or not, it was none of his business. After all, he didn’t say anything. He just video-called his mother, right?

Xiao Ming looked at the evil smile in Hog’s eyes and sighed silently for Master Zhou.

After Zhou Li hung up, Huo Ge smiled and picked up his phone. He looked at his mother and said, “How is it? Is what I showed you exciting?”

The woman with sharp and heavy makeup on her face smiled coldly and said sternly, “Good son, you know what Mom wants to see, right?”

Huo Ge nodded naturally. “Don’t worry, I understand. However, I want the management rights of Linshan.”

“Okay!” The woman replied bluntly. Then, she sneered cruelly and hung up.

On the other side, Chu Yun had yet to realize that her life could not end easily.

He put away his cell phone and was about to put it in his pocket when he suddenly received an unfamiliar call from the capital.

Huo Ge was a little curious. Usually, no one knew about this number.

He swiped the answer button and had just placed it by his ear when he heard a familiar voice. “Huo Ge, it’s Lin Yin.”

The corners of Huo Ge's lips curled up slightly, and he asked with an interested smile, "Little Yinyin? Let me guess. Our Little Yinyin asked someone for my phone number.. Don't tell me you miss me?"

Chapter 527: Leave Her Alive

Lin Yin had been thinking about Chu Yun, who was still in Huo Ge's hands, so as soon as she got someone to find Huo Ge's contact information, she wanted to ask Huo Ge for Chu Yun while she was in the toilet.

Since Chu Yun had said that that day, Chu Yun must know who was behind it. Therefore, she had to get Chu Yun.

"Huo Ge, I really need Chu Yun. You don't need a lunatic to earn money. I'll pay a high price to buy her, okay? Give me a price," Lin Yin said bluntly.

Huo Ge looked at Chu Yun, who was sitting on the ground, and said regretfully,

"Tsk, I want to help you too, but you're late. Someone has already decided."

Lin Yin frowned and said anxiously, "I'll pay double how much the other party offers! Give Chu Yun to me for a while, just for a while, okay?"

"Sigh, I really can't help you. I've already accepted the other party's money. Now that she's no longer mine, I can't do it." Huo Ge continued to refuse.

Lin Yin was a little angry. "Are you doing it on purpose? You don't want to give Chu Yun to me at all, right? Is there a relationship between you and Chu Yun? Are you the one behind Chu Yun?"

Huo Ge did not expect Lin Yin's perception to be so sharp that she could guess something.

However, what Lin Yin said was still a little off. He was not the mastermind. The mastermind was his father, who could not control his lower body.

“You’re going overboard. You can’t accuse me just because I didn’t give it to you. How old was I more than ten years ago? Why? Do you think I, a six-year-old child, kidnapped you and threw you away? Can you be reasonable?” Huo Ge said indignantly.

Lin Yin knew that she was anxious, but she really wanted to find Chu Yun. She wanted to find the person behind Chu Yun and know why those people snatched her away and threw her away.

“Just one sentence. Are you going to give her to me or not?!” Lin Yin asked simply.

“Aiya, I really want to give it to you! If you had agreed to sleep with me earlier today, she would probably be in your hands now. Look at you, it’s late, right?” Huo Ge was fueling Lin Yin’s anger.

Hearing Lin Yin’s anger on the other end of the line, Huo Ge said with a smile, “How about this? I’ll leave her alive and throw her out. Whether you can find her or get what you want will depend on your luck.”

Lin Yin thought for a moment. That was fine. As long as Chu Yun was not dead, she would have a way to make Chu Yun speak.

“But...” Huo Ge dragged out the last word and continued, “You have to promise me something. ”

Lin Yin asked warily, “What is it?”

“I haven’t thought of it yet. Anyway, you owe me something and a promise. Don’t worry, it won’t be anything immoral or crazy. I just like the feeling of you owing me.” Huo Ge smiled.

“Not sleeping with you?” Lin Yin asked.

“Hahaha! There are many women who want to sleep with me. I don’t need you.” Huo Ge smiled until his eyes narrowed.

“Alright! I promise you! However, if I can’t get what I want, you have to be careful. Not only is it not easy to get the promise you want from me, but I’ll also make you uneasy for the rest of your life,” Lin Yin threatened in an indifferent tone.

“You’re so fierce. Be careful no one wants you in the future,” Huo Ge teased.

“You don’t have to worry!” Lin Yin said. “Remember to tell me when she’s released so that I can start looking for her.”

Lin Yin had never made a loss, but this time, in order to find out why Chu Yun had snatched her away, Lin Yin could only do this.

As soon as Lin Yin hung up, Hogo smiled and shook his head, cursing inwardly. “No one wants someone with a bad temper.”

When Xiao Ming saw that Huo Ge had finished his call, he immediately asked, “Brother, what should we do with this woman now?”

Master Zhou wanted this woman to die less painfully, but his aunt clearly did not want this woman to die so easily, so Xiao Ming was waiting for Huo Ge’s decision and order.

“Leave her alive!” Huo Ge said lightly.

When Chu Yun, who was still waiting for death, heard Huo Ge’s words, she immediately looked in Huo Ge’s direction in disbelief.

Xiao Ming also asked suspiciously, “Are you sure?”

After all, be it Master Zhou or Aunt, they both wanted this woman to die. It was just that the process was different.

“Positive! But...” Huo Ge paused and smiled. “Gouge her eyes, pluck her tongue, pierce her eardrums, and chop off all her fingers. Ensure that she’s deaf, mute, blind, and unable to write..”

Chapter 528: Lu Ming Visits

Every word that Huo Ge said made Chu Yun feel like it hurt so much that she could not breathe, before she could even bear it.

Chu Yun felt that rather than that, she might as well die.

“Just kill me! I’m begging you, just kill me!” Chu Yun knelt towards Huo Guo. Her blood-stained and dirty hand was about to touch Huo Gels pants when he kicked her to the side.

“Go ahead and be happy. If someone hadn’t bought your life, you would still have died after enduring all this. Now that you’ve obtained a life for no reason, you’re still not satisfied?” Hogo sneered.

“I’ll leave her to you. With my current identity, it’s not suitable for me to look at things that are too bloody. If the murderous aura is too strong, it’ll taint my aura. It’s not clean.” Huo Ge said as he walked out the door.

After opening the door, Huo Ge said, “You two, go in and help. Remember to keep your voices down.”

The two of them answered and went in to close the door. After a while, there was a muffled scream.

Without changing his expression, Huo Ge stretched.

When Chu Yun was thrown out, she was already covered in blood.

“Why is it so serious?” Huo Ge frowned slightly, then pointed at the two of them and said, “The two of you, watch over her. Throw her somewhere with fewer people. Don’t let her die. She’s been sold but we haven’t received the money.”

Xiao Ming, who was inside, wiped the blood from his hand and said regretfully, “What a pity. This eye could have been sold for some money, but there’s too much bacteria in this lousy place. We didn’t send it back in time after digging it out. It’s a waste.”

Huo Ge did not answer. Instead, Xiao Ming continued to ask, “Brother, what do you think we should do with the people who were handed over by the human traffickers? I don’t know if it’s because Sister-in-law reported them that day. I heard that the investigation at the border has become even stricter recently.”

“Then sell it to other organizations here. After giving the goods to them, everyone should stop for the time being. We’ll talk about it after some time,” Huo Ge said with a frown.

Xiao Ming went down to make arrangements. Huo Ge sent Lin Yin a message:

I’ve released her. Let’s see how capable you are. Remember your promise to me!

Lin Yin received a message from Hugo and snorted. Then, she sent a message to Sun Biao and the others to organize someone to look for Chu Yun.

Lu Ming finally returned to the country after the closed project ended. He wanted to give Lin Yin a surprise, but he realized that Lin Yin was not at home.

Lu Ming sent Lin Yin a message: Xiao Yinyin, where are you? What are you doing?

Sitting in the Mu family’s living room, Lin Yin replied without thinking: At the Mu family’s house, drinking tea.

Lu Ming was slightly shocked. He had only been away for a few days. Why was Lin Yin so close to the Mu family? She went straight to the Mu family for tea so late?

Lu Ming turned around and walked towards the car that had just turned off. He drove quickly towards the Mu Family.

On the way, Lu Ming did not forget to ask Shen Yu to report what had happened to Lin Yin recently.

When he found out that Lin Yin had been attacked by criminals in front of the Mu family's villa while he was away and that she had been kidnapped and saved today, Lu Ming felt terrible.

"Why didn't you save her?" Lu Ming questioned coldly.

The reason why he did not take Shen Yu away was because he was afraid that the people from Country D would find Lin Yin again, so he asked Shen Yu to protect her secretly.

In the end, he did not expect such a thing to happen.

On the other end of the line, Shen Yu also said aggrievedly, "Miss Lin Yin went to the Mu Family. Our people didn't dare to get too close, afraid that the Mu Family would find out. Moreover, we thought that nothing would happen in the Mu Family. We didn't expect it to become like this."

Lu Ming was so angry that his temples throbbed.

On the other hand, Shen Yu continued to explain, "When Miss Lin Yin was kidnapped, our people were shaken off by Miss Lin Yin. Later on, we found out that Miss Lin Yin went to the slums."

Lu Ming didn't know why Lin Yin wanted to get rid of Shen Yu's people. There must be something she didn't want others to know.

But even so, Lu Ming blamed himself for not protecting Lin Yin well.

Lu Ming did not want to listen to Shen Yu's explanation anymore and sped up towards the Mu family.

Lin Yin was still watching television with her family. Their family was happy, but she was still thinking about how to tell them that she was going back first. She was not prepared to really get along with the Mu family as a family.

Especially since the Mu family clearly wanted her to stay the night, Lin Yin really did not know how to speak.

Just then, Lu Ming appeared.

When Mu Ran heard Lu Ming coming over, she ran to the video screen by the door with a vigilant expression and questioned Lu Ming on the screen, "Lu Ming, what are you doing at my house?"

Chapter 529: Knowing Her Identity

Lu Ming said politely, "I'm here to visit Uncle Mu and Aunt Ye and pick Yinyin up."

When Mu Ran heard that Lu Ming was going to bring Lin Yin back, he instantly exploded. "Lu Ming, don't think I don't know what you're thinking. You want to take our Xiao Yin away, right? Let me tell you, no way!"

The Mu family looked at Lin Yin in unison, making Lin Yin's heart tingle.

Lin Yin smiled awkwardly and said, "I did have an appointment with Lu Ming. I have something to discuss outside. I'll go back today."

Ye Wen looked reluctant. Mu Cheng sighed slightly and asked someone to open the door for Lu Ming.

Mu Ran looked disapproving. Mu Cheng looked at Mu Ran sternly and said,

“Mu Ran, you can’t be so rude to a guest.”

Mu Ran was so angry that her cheeks puffed up. “Dad, you don’t know Lu

Ming’s dirty thoughts. He’s staring at our Yinyin. He must have ill intentions.”

Mu Xiao asked gently, “Yinyin, are you planning to return to your apartment tonight?”

Lin Yin nodded and said, “That’s right. It’s getting late. I should go back. I have something to do at the company tomorrow.”

The Mu family’s faces were filled with disappointment. Mu Ran was about to step forward to say something when Mu Heng pulled him back.

When Lu Ming came in, he could feel that the atmosphere in the room was not right.

He entered the house without changing his expression and greeted Mu Cheng and Ye Wen first.

Ye Wen looked unhappy and turned her face away angrily. Mu Cheng said politely, “It’s been hard on you to pick Yinyin up so late.”

Lu Ming was surprised. Why was Mu Cheng so intimate with Yinyin? This was completely like an elder’s love for a junior.

Alarm bells rang in Lu Ming’s heart. He was anxious to know what had happened between Lin Yin and the Mu family during the few days he was away.

Now, the feeling the Mu family gave him was that he was snatching someone from the Mu family. Lin Yin had been divided into the Mu Family’s territory.

“Yinyin and I are neighbors. It’s on the way. It’s not difficult,” Lu Ming said with a smile.

However, Lu Ming was extremely nervous. He was afraid that the three Mu brothers would have tricked Lin Yin home while he was away.

Lin Yin hurriedly went forward and smiled. “That’s right. Lu Ming and I are neighbors and we happened to have an appointment to discuss something. It’s just nice for us to go back together.”

Lu Ming was a little puzzled. When did he agree to talk to Lin Yin?

However, when he turned his puzzled gaze to Lin Yin, she secretly winked at him.

Lu Ming immediately nodded heavily in understanding. “Yes, Yinyin is right.

We still have something to discuss, so we won’t disturb your family.”

Mu Ran looked dissatisfied and even gritted his teeth. “You’ve already disturbed us. A lot.”

Mu Heng stopped pulling Mu Ran along. Mu Xiao’s gaze was not very friendly either. Ye Wen was even more unhappy and pulled a long face. Only Mu Cheng was still polite to him with a smile.

Lu Ming felt that he had unintentionally offended the Mu Family, but he did not understand why.

Could it be that she was blaming him for snatching away the Mu family’s future daughter-in-law?

If that was the case, Lu Ming felt that he could only offend her.

Lin Yin smiled at the Mu family. “Then I’ll go back first.”

Ye Wen looked at Lin Yin sadly and said pitifully, "Tian Tian, remember to come back to see Mom, okay? Mom is waiting for you at home!" Lin Yin smiled and nodded.

Lu Ming was stunned. Tian Tian? Mother? What was going on?

Before Lu Ming could figure it out, Lin Yin called Lu Ming to leave. It was not until the two of them got into the car that Lu Ming asked with a puzzled expression, "Did Aunt Ye treat you as her daughter, Tian Tian?"

Lu Ming knew about the Mu family and also knew that Mu Cheng and Ye Wen had a younger daughter called Mu Tian.

In just 18 years, Mu Tian disappeared. Everyone who knew about this said that Mu Tian had probably died long ago.

Only the Mu family was still secretly looking for Mu Tian year after year.

Lin Yin nodded, then shook her head.

"What do you mean by nodding and shaking your head?" Lu Ming asked in confusion.

Lin Yin pondered for a moment and said frankly, "I nodded because the Aunt Ye you mentioned really treats me as her daughter. I shook my head because I'm not just treated like her daughter, but I'm indeed Mu Tian."

Lu Ming's eyes widened slightly as he looked at Lin Yin in disbelief, as if he wanted to see any trace of Lin Yin joking in her eyes..

Chapter 530: Gift

Seeing Lu Ming's stunned expression, Lin Yin smiled and said, "You don't have to be surprised. This is the truth. The girl you think died 18 years ago, the girl who was less than a month old, miraculously didn't die after she was thrown into the smelly ditch and was even found."

Lu Ming retracted his surprised gaze and muttered, "Smelly ditch?"

"That's right. I was thrown into a smelly ditch. It seems like my life is quite tough. I didn't die even then," Lin Yin said with a self-deprecating smile.

Lu Ming's heart ached. Then, he was a little glad. He turned to look at Lin Yin and said, "Fortunately, you survived."

If not for the pity of the heavens, a little baby who was less than a month old and was taken away and thrown into a smelly ditch would have died.

"Forget it. It's good that I'm alive." Lin Yin looked up and smiled at Lu Ming.

Lu Ming was puzzled. "Then why didn't you stay in the Mu family? Why did you lie and say that you had an appointment with me?"

Lin Yin sighed and said listlessly, "I'm not ready to interact with the Mu family yet, so I want to get used to it and think about how to deal with it."

Lu Ming nodded. Lin Yin had just ended her relationship with the Su Family and now that she had found her family, she really needed some time to get used to it.

However, the Mu and Su families were still different. Compared to Su Zhen and Chu Yun, Mu Cheng, and Ye Wen's family was really different.

He believed that Mu Cheng and Ye Wen would be a good pair of parents, but the Old Master and Old Madam of the Mu Family were not that easy to get along with.

There was also the adopted daughter, Mu Ning. Based on his previous contact with that girl, she did not seem to be an easy person to deal with.

Lu Ming shook off his worries. In his opinion, no matter what happened to his girl, he would be on her side.

Therefore, if Lin Yin was unhappy when she returned to the Mu family, he did not mind taking her away and letting her live happily.

However, all of this depended on Lin Yin.

“Alright, let’s go home. I came back from a business trip and brought you a gift.” Lu Ming smiled.

Lin Yin looked up curiously, her round eyes bright in the dark car. “What gift?”

“You’ll know in a while,” Lu Ming said as he leaned towards Lin Yin. After he fastened Lin Yin’s seatbelt skillfully, he said, “Let’s go. I’ll bring you home to open the gift.”

Lin Yin looked ahead with curved eyes.

Now that she had found her family and had someone willing to accompany her, she even had two to three good friends. This was unimaginable to Lin Yin in her previous life.

Therefore, Lin Yin was very happy at this moment. It was the kind of happiness that came from the bottom of her heart.

When they returned to the apartment, Lu Ming opened the door of Lin Yin’s house with Lin Yin.

Lin Yin smiled and said, “You’re so proficient, it’s as if this isn’t my home anymore.”

“If you think it’s unfair, then it’s your turn to enter my house so skillfully next time. If one house isn’t enough, then two, three, four, until you’re satisfied.” Lu Ming smiled dotingly.

Lin Yin smiled suspiciously. “You have so many houses? What if I want ten thousand?”

Lu Ming sighed softly and said, “If that’s the case, I can only work hard to earn money.”

Lu Ming said indecently, while Lin Yin looked like she couldn’t be bothered with him, but there was a casual smile on her lips.

Lu Ming didn’t know why he could be so shameless in front of Lin Yin. He treated this as the power of love that made him shameless.

If the subordinates and employees who were used to seeing him smile and look serious saw him like this, they would think that he was a different person now. They might even suspect that someone was impersonating him.

“So, where’s the gift?” Lin Yin turned around and asked Lu Ming for a gift righteously.

Lu Ming looked at Lin Yin with a smile. He first turned on the air conditioner. When the temperature in the room dropped a little, he turned off the light familiarly and the room was instantly dark.

Just as Lin Yin was curious about what Lu Ming was going to do, bright starlight suddenly appeared in front of her and scattered throughout the room, like stars in the sky.

Lu Ming’s gentle and magnetic voice sounded in Lin Yin’s ear. “When I was on a business trip, I saw this local plant, so I brought it back.”

Lin Yin reached out to reach the stars that were scattered beside her, but when she touched them, they were extinguished. Lin Yin was shocked and immediately retracted her hand, standing rooted to the ground helplessly..
