

## Real Daughter 61

### Chapter 61 Betting Against Results

Su Zhen and Chu Yun, who had just entered the house, saw Su Fei with tears on her face and hurriedly ran to Lin Yin, questioning her angrily.

“What can I do?” Lin Yin smiled mockingly when she saw the loving family of three standing in front of her.

“Protect your precious daughter well! I’m just a rough person with a poor background. If she appears in front of me again as an eyesore, I can’t guarantee what terrifying thing I would do!”

With that, Lin Yin left the living room on the first floor without looking back. The Su Family’s behavior made her feel suffocated.

In Su Zhen and Chu Yun’s eyes, Su Fei would always be that high and mighty little princess, while she was only worthy of living a lowly life. They did not even want to give her a chance to live.

When she returned to the bedroom, Lin Yin took out the textbook she had flipped through many times.

The mock examination of West Axis Academy was about to begin. Lin Yin also wanted to see her true ability. Her goal was not only to surpass Su Fei, but to get first place in the entire West Axis Academy. Only then would she have a chance to get into the ideal university and compete better with the Su Family.

The next day, when they arrived at the classroom, Shi Dai and Ji Yun returned to class after knowing that Su Fei was back for class.

Beside her, Lu Yan whispered to Lin Yin, “I heard from Gong Ze’s lackey that Shi Dai and Ji Yun are in trouble. Their entire family came to apologize to the Gong Family and visited for a few days before they saw Gong Ze in person.”

Lu Yan looked in the direction of Shi Dai and Ji Yun and smiled. She said to Lin Yin, "Guess what that brat Gong Ze said?"

Lin Yin looked at Gong Ze and realized that he was sleeping again. She asked Lu Yan helplessly, "Their attitude is already so humble. He can't possibly not let them come to school, right?" Lin Yin felt that Shi Dai and Ji Yun were girls after all. With Gong Ze's personality, he probably wouldn't keep pursuing the matter.

"He didn't stop them from coming to school, but that kid said that they didn't only offend him." Lu Yan had a smile on her lips as she said to Lin Yin, "Gong Ze asked Shi Dai and Ji Yun to apologize to you. If you don't pursue the matter, he won't make things difficult for them anymore."

Lin Yin was a little surprised. When she met Shi Dai and Ji Yun this morning, the two of them looked like they wanted to swallow her up. She couldn't tell that they were apologizing.

"I don't think they're willing to apologize to me." Lin Yin shook her head helplessly at Lu Yan. "If Gong Ze says that, I'm afraid they will only hate me even more."

"If they hate you, so be it. Who do they think they are?" Lu Yan said nonchalantly. "Just wait. There will definitely be a good show after class. They don't dare to offend Gong Ze. If they still dare to target you, I'll let them see someone even scarier than Gong Ze!"

When Lin Yin saw Lu Yan's eager expression, her heart warmed. This was the first time someone wanted to stand up for her, but Lin Yin had already made up her mind. Those who made life difficult for her would not have a good ending.

After class, Shi Dai and Ji Yun indeed walked to Lin Yin's desk. However, it was too far-fetched to say that they were apologizing. Ji Yun could still be better, but Shi Dai could not hide her jealousy of Lin Yin.

"Lin Yin, do you dare to bet with me?!" Shi Dai's expression was very bad, as if talking to Lin Yin was her limit.

“Why should I bet with you?” Lin Yin turned around and realized that Gong Ze was not in the classroom now. No wonder the two girls in front of her were so arrogant. They were indeed Su Fei’s friends. Their duality was extraordinary.

“If you can beat me and Ji Yun in the mock exam, we’ll leave this class. If you can’t beat us, then you’ll run errands and buy drinks for the entire class every day!” Shi Dai did not seem to plan to discuss it with Lin Yin at all.

“Don’t you have any shame?!” Lu Yan couldn’t stand it anymore.

She thought that they were here to apologize to Lin Yin, but she had still underestimated how shameless a person could be.

Lin Yin was also thinking about the completely unfair bet that Shi Dai was talking about. She smiled and said, “Compete with me in studies? Why? Are your results very good?”

Lin Yin’s eyes were filled with disdain. Shi Dai was furious at her contempt and said, “In any case, she’s better than you. An idiot who came out of a mud pit still wants to compare herself to us!”

Lu Yan was about to get up when Lin Yin stopped her. There were still many students in the classroom who had not gone out. Everyone seemed to be busy with their work, but they were actually secretly sizing up Lin Yin and Shi Dai.

## Chapter 62 Warming Friendship

“Xiao Yin, Dai’er is just being kind. After all, she can increase your enthusiasm for learning.” Su Fei stood behind Shi Dai and Ji Yun and said very gently to Lin Yin, “Whether you compete or not, the mock exam will still carry on. Why don’t we see your scores directly when the time comes? Whoever scores higher will have the final say, okay? When the time comes, the students in the class will testify for you!”

Lin Yin looked at Su Fei, who was smiling fakely, and felt disgusted. She was really considerate, afraid that she would disagree. “I can bet with you, but I don’t need you to leave.”

Lu Yan was a little anxious, but Lin Yin gestured for her not to worry. “Whoever loses will have ‘idiot’ written on their faces and they have to run ten rounds on the field, how about that?”

Ji Yun was a little hesitant, but Shi Dai was not worried at all. "Alright, it's a deal. Don't go back on your word!"

Su Fei noticed the gazes of the surrounding students and reprimanded Lin Yin weakly, "Xiao Yin, you're all girls. Isn't it a little too much to write on your faces?"

Lin Yin sneered. "Is it too much? It's just writing 'idiot'. Aren't your usual words of scolding me much worse than this?"

Lu Yan really couldn't hold back the anger in her heart. She scolded Su Fei, "Stop disgusting people here. Who are you putting on a hypocritical act for?!"

Su Fei's slender eyebrows furrowed slightly. She smiled at Lu Yan and said very politely, "Student Lu Yan, you don't know this, but my sister is worse at home. This is because you're here. Otherwise, she wouldn't be so easy to talk to."

When Lu Yan saw Su Fei's coy and pretentious posture, the corners of her eyes twitched. She sympathized with Lin Yin. If she was with such a person every day, she would have broken down long ago.

"I also think she's a little easy to talk to today." Lu Yan glanced at Lin Yin and walked closer to Su Fei. She said in an unfriendly tone, "If it were me, I wouldn't care about your bet. It would be good to make the eyesore directly disappear."

Su Fei was a little afraid. She didn't want to offend Lu Yan at all. She forced a smile and turned around to pull Shi Dai and Ji Yun out of the classroom.

"Lin Yin, why did you agree to them?" Lu Yan sat beside Lin Yin and asked in confusion, "You don't have to worry. If it really doesn't work, I'll tell my uncle that they bullied me and expel them. Letting them stay in school will really affect my mood."

Lin Yin smiled and said to Lu Yan, "Do you think your youngest uncle will believe that someone bullied you in school?"

Lu Yan pursed her lips. "Anyway, I can't stand them. Actually, there are many ways to chase them out of West Axis Academy."

Lin Yin knew that as long as she asked, Lu Yan would definitely help.

Shaking her head, Lin Yin said to Lu Yan briskly, "It's fine. Actually, hating someone doesn't mean you have to make them disappear. Isn't it better to see them reap what they sow?"

Lu Yan felt the coldness in Lin Yin's eyes and rubbed her eyes suspiciously. She looked at Lin Yin again and realized that she was also smiling at her.

Lu Yan suddenly realized that it was because Lin Yin was too beautiful and very close to her that she forgot the first time she saw Lin Yin. At that time, she had thrown a boy who was even taller than her to the ground.

Lu Yan nodded in relief. There was no possibility that her friend would get bullied.

"Then are you confident that your results will be better than theirs?" Everything else was fine, but Lu Yan couldn't help with her studies at all.

"Don't worry, Shi Dai is just a bad student. She's so confident because Ji Yun's results are slightly better," Lin Yin said calmly.

"They're too shameless. Two of them are competing against you!" Lu Yan was a little angry, but she had no say in the results.

"It's fine. The exam is coming soon. Just wait and watch the show."

Seeing how confident Lin Yin was, Lu Yan gradually relaxed.

“Are you free after school? Let’s go see Yang Xue. I heard that she’s sick.” Lin Yin called her in the morning when she saw that Yang Xue didn’t come. Yang Xue’s mother said that Yang Xue had a cold, so she didn’t come to school.

“Alright, Yang Xue looks thin and small. The two of us have to train with her well in the future to improve her physique.”

Before Lu Yan met Lin Yin, she didn’t have any sincere friends. Almost everyone who approached her was trying to build a relationship with the Lu Family. As time passed, Lu Yan completely lost the intention to make friends.

### Chapter 63 Visit

Lu Yan only took the initiative to get to know Lin Yin at first because she felt that she was quite powerful and had a fun personality.

Unexpectedly, after interacting with her, she realized that Lin Yin had many good qualities. She was not like the people around her, she had no intention of deliberately catering to her.

Lu Yan was very happy to be friends with Lin Yin. It was the same for Yang Xue. Although she was timid, she was neither servile nor overbearing. She did not flatter or curry favor with powerful people. Lu Yan also admired her simplicity and kindness.

After school, Lin Yin and Lu Yan found Yang Xue’s home according to the home address in the school records.

It was a very ordinary apartment building. The two of them bought some milk and fruits and arrived at Yang Xue’s door.

“Coming!”

Lin Yin and Lu Yan knocked on the door. A middle-aged woman’s voice came from the room.

“You are?” The person who opened the door should be Yang Xue’s mother. She looked a little similar to Yang Xue and had delicate facial features. She looked like a very kind and gentle person.

“Hello, Auntie. My name is Lin Yin. We’re Yang Xue’s classmates. We heard that she was sick, so we came to take a look,” Lin Yin said very politely. Lu Yan also greeted the woman obediently.

Lin Yin was fine. She was a very beautiful and smart girl, but the other person beside her was dressed differently. Although Chen Jing was very surprised, she still warmly invited Lin Yin and Lu Yan into the house.

“Sit down first. Yang Xue might still be sleeping. I’ll get you some fruit juice.” Chen Jing was very happy that her daughter could make friends and was especially warm towards them.

“Lin Yin, Yang Xue’s mother is so gentle, unlike my mother. In comparison, one’s an angel and the other is a demon.” Lu Yan looked at Chen Jing in the kitchen with some yearning.

“In my eyes, you and Yang Xue are about the same.” Lin Yin glanced at Lu Yan beside her and felt that Lu Yan’s mother’s aesthetic standards should not be worse than hers.

“Lin Yin, don’t discourage me. It took me a lot of courage to dress up like this.” Lu Yan recalled the first time she dressed up like this. She was almost beaten out of the house by her mother. It was only when her youngest uncle stopped her that this conflict was resolved.

“Actually, you don’t have to care about what others think. It’s fine as long as you like it.” Lin Yin felt that everyone had their own preferences, so although she also felt that Lu Yan’s outfit was a little different, she didn’t want to interfere with her choice.

“My youngest uncle said the same thing as you. Although he’s usually strict, he’s quite indulgent towards me in these small matters.” Although Lu Yan was a little afraid of her youngest uncle, she knew very well that her youngest uncle was mostly thinking for her.

“Really? I hope I can become someone like your youngest uncle in the future.”

In the entire West Axis Academy, everyone knew how powerful the Lu Family was. Lin Yin also understood the general situation of the Lu Family. Lu Yan's youngest uncle, Lu Ming, was the most important person in the Lu Family. He had an outstanding business sense, was decisive, and was strict and smart in doing things. He was an elite talent that was rarely seen in a thousand years.

"Don't. I don't want another person to be most afraid of!" Lu Yan looked at Lin Yin and felt that her personality was indeed similar to her youngest uncle's.

"Come and drink fruit juice." Chen Jing finished squeezing the fruit juice and walked out of the kitchen. She said to Lin Yin and Lu Yan on the sofa, "I'll help you call Yang Xue out."

"There's no need. Auntie, let her rest well." Lu Yan had a good impression of Chen Jing. She felt that the woman in front of her was her ideal image of a mother.

Chen Jing was in a dilemma when Yang Xue's bedroom door was gently pushed open.

"Lin Yin, Lu Yan? Why are you here?" Yang Xue heard a voice outside the room, but she did not expect it to be Lin Yin and Lu Yan.

"We heard that you fell sick, so we came to take a look." Lin Yin saw that Yang Xue looked a little haggard and asked worriedly, "How is it? Is it serious?"

"It's fine. I'm already much better. I can go to school tomorrow." Yang Xue was very touched. She had never dreamed of making friends in West Axis Academy. It was Lin Yin and Lu Yan's appearance that made her gradually stop feeling inferior and stop being afraid of being bullied.

Chen Jing could tell that the three girls were really close. Looking at the children chatting happily, Chen Jing smiled and went to the kitchen to prepare food. She was very happy that Yang Xue could make such good friends.

Chen Jing's cooking skills were very good. Yang Xue's father was very busy with work and rarely came home. Lin Yin and Lu Yan ate happily.

“Auntie, your food is really delicious.” Lu Yan praised Chen Jing as she picked up the food.

#### Chapter 64 Pick-up Line

Lu Yan was telling the truth. Although the Lu Family’s chefs were all internationally famous culinary masters, Lu Yan had always felt that although the dishes on her dining table were exquisite, they were always lacking a flavor.

Today, after eating the dishes made by Yang Xue’s mother, Lu Yan understood that what her family lacked was this kind of harmonious atmosphere.

There were many etiquettes at the Lu Family’s dining table. As the family sat far apart, it was impossible for such a warm scene of them helping each other take food to appear.

“Eat more if it’s delicious!” Chen Jing was also very happy to see Lu Yan eating happily. She pushed the food closer to her and asked, “Little Yan, in your family does your mom cook or does your dad cook?”

The atmosphere at the dining table suddenly fell silent. Yang Xue explained to Chen Jing awkwardly, “Mom, Lin Yin and Lu Yan’s families probably have special helpers or chefs to cook for them.”

Chen Jing was also a little embarrassed. She saw that Lin Yin and Lu Yan were very down to earth and forgot that the students of West Axis Academy had extraordinary family backgrounds.

“Aiya, my mom wants to cook, but she’s just at the level of blowing up the kitchen.” Lu Yan was afraid that everyone would be awkward, so she hurriedly eased the atmosphere. “Once, my mom found it interesting and wanted to try making cookies. In the end, she made a plate of black unknown objects. Even our dog won’t eat them.”

Although Lu Yan usually looked like she overlooked tiny details, she was actually very attentive to other people’s emotions.

Chen Jing also looked at Lu Yan gratefully. Although she came from a good family, she did not have the airs of a daughter of a wealthy family.

Chen Jing looked at the two girls in front of her gently and said gently, "If you like Auntie's cooking, come often. Her father is busy with work and we're usually the only ones at home. It's lively for the two of you to come."

"Okay, Auntie, I was waiting for you to say this!" Lu Yan ate a few more mouthfuls of the home-cooked dishes on the plates.

Because Yang Xue had just recovered, Lin Yin and Lu Yan didn't let Chen Jing send them downstairs.

As soon as they arrived downstairs, Lin Yin noticed a black Rolls-Royce sedan parked by the roadside.

Seeing Lin Yin and Lu Yan approach, the driver in the car walked out and nodded at Lu Yan. He called out in a low voice, "Second Miss."

"Uncle? Why are you the one picking me up?" Lu Yan looked into the car window in the back row. She had only sent a message to the driver. She did not expect that the person who came to pick her up was her busy youngest uncle.

"It's on the way." A low and gentlemanly voice came from the car. The window slowly lowered, and a cold and elegant face with deep facial features appeared in front of Lin Yin.

This person was Lu Yan's uncle, Lu Ming? Lin Yin was a little surprised. His appearance was a little too outstanding. Thinking of the evaluation of Lu Ming in the business world, Lin Yin felt that the man in front of her was almost perfect in terms of ability and appearance.

"Lin Yin, let's go together. My youngest uncle is a very good person." Lu Yan looked at Lu Ming, as if asking for his permission.

"Get in." Lu Ming's voice was a little lazy. He glanced at Lin Yin and turned away calmly.

Lin Yin couldn't refuse. Just as she was about to get into the car, she saw Lu Yan sit in the passenger seat first and blink at Lin Yin apologetically.

Even if she was afraid of her youngest uncle, she couldn't push her friend into a fire pit, right? Lin Yin frowned slightly. She didn't dare to delay for too long, so she sat carefully beside Lu Ming and leaned against the car door as far away from him as possible.

Lin Yin told the driver her home address and the entire car was strangely quiet.

Lin Yin looked at Lu Yan curiously. She usually looked like a bad girl, but in front of Lu Ming, she was actually as obedient as a kitten.

She couldn't help but chuckle. Lin Yin felt that Lu Yan was much cuter now.

Lu Ming noticed the girl's reaction and looked at her.

The girl in his eyes was bright and dazzling. Her fair skin seemed to be glowing in the night. Her facial features were exquisite and she had a noble aura, making Lu Ming unable to look away.

Lin Yin noticed Lu Ming's gaze and sat up a little uncomfortably. She smiled politely at him and asked, "What's wrong? What's the matter?"

Lu Ming noticed that he had lost his composure and looked away. He explained, "You're a little like a friend of mine."

"Little Uncle, no one uses such an old-fashioned pick-up line anymore," Lu Yan noticed the two people in the back row and said casually.

Sensing Lu Ming's stern gaze, Lu Yan shrank her neck and made a silent gesture.

Chapter 65 Forgetting Justice When Met With Benefits

Lu Ming's car stopped at the entrance of the Su Family's villa. After Lin Yin thanked him, she got out of the car and walked into the courtyard.

The Su Family couple and Su Fei, who had just finished dinner in the living room, happened to see Lin Yin get out of the luxury car.

Chu Yun held her arm and frowned slightly. She said disdainfully, "Hmph, she still said that she's going to her classmate's house. She probably went out to fool around. She's from a poor background. She's nothing presentable!"

Su Zhen also noticed the luxury car that sent Lin Yin back. Limited edition cars like this were definitely not something that could be bought with just money.

"Alright, stop talking. There are people of all sorts of family backgrounds in West Axis. It's better to befriend some rich and powerful classmates than to interact with those poor people." Su Zhen didn't care if Lin Yin went to make some rich friends. He couldn't wait for Lin Yin to befriend someone who would help the Su Family's business.

"But Lin Yin went to Yang Xue's house." Su Fei pretended to be confused and asked Chu Yun in confusion, "Yang Xue lives in Lin Yuan District. Does her family have such a car?"

"Bullsh\*t. Even our family can't afford that car!" When Chu Yun heard Su Fei's words, it seemed to confirm her guess. She was about to say something when Lin Yin walked into the hall.

After changing her shoes, Lin Yin noticed the Su couple and Su Fei's gaze. She asked them in amusement, "Why? Don't tell me you were specially waiting for me here?"

"We're afraid that you'll bring something dirty home!" Chu Yun's tone was very stiff, as if Lin Yin was covered in things she hated.

"Is that so?" Lin Yin glared back at Chu Yun, her tone cold. "I don't think the house is that clean to begin with!"

"You!" Chu Yun was so angry that she wanted to attack, but she was stopped by Su Zhen. "Can you all behave yourselves?!"

Su Zhen hated the oppressive atmosphere at home. Thinking of the luxury car just now, Su Zhen's tone softened a little. He said to Lin Yin, "Your mother was just worried about you. Who sent you back just now?"

"Lu Yan, my deskmate. Why don't I even have the right to make friends?"

Lin Yin looked at Su Zhen and realized that when he heard Lu Yan's name, his eyes clearly lit up a little. His tone of speaking to Lin Yin was much better. "Little Yin, are you talking about the second daughter of the Lu Family?"

Lin Yin did not reply. She knew Su Zhen's personality too well. In her previous life, he was a despicable person who curried favor with the rich and forgot his righteousness when he saw benefits.

"Alright, the Lu Family is good. Little Yin, you have to get along well with them." Su Zhen smiled at Lin Yin.

However, when she saw Su Zhen's smile, Lin Yin felt disgusted. "We're very close. There's no need for you to worry."

Lin Yin turned around and went upstairs. Only Chu Yun and Su Fei, who looked unhappy, and Su Zhen, who was smiling, were left in the hall.

"Old Su, look at you. A member of the Lu Family convinced you. Look at how unruly and smug she is. I won't be able to stay in this house any longer!" Chu Yun felt suffocated at the mention of Lin Yin. She didn't want Lin Yin's status at home to be higher than Su Fei's.

"What do you know?! The Lu Family is someone the entire West Axis Academy can't afford to offend. If Lin Yin builds a good relationship with their family, there will be many benefits in the future!"

Su Zhen glanced at the silent Su Fei and said calmly, "Feifei, you should learn from Lin Yin and make more friends with better family backgrounds. These connections will be very helpful to you when you enter society in the future!"

Su Fei responded to Su Zhen's words on the surface, but her hands were clenched tightly. When she saw Su Zhen walk upstairs, Su Fei's tears fell like beads with a broken string.

Chu Yun noticed Su Fei's emotions and hurriedly sat beside her. She comforted her softly, "Don't take it to heart. Your father was just confused!"

"Mom." Seeing that Chu Yun cared about her, Su Fei cried even harder, "Am I not like Yinyin at all? Dad's starting to like her, but I'm an outsider in this family."

Looking at poor Su Fei, Chu Yun's heart felt like it had been rubbed hard.

A trace of heartache flashed across her eyes, and she explained patiently to Su Fei, "Silly child, I only have you as my daughter in this life. No matter what Lin Yin is, she's not worthy of entering our Su Family!"

When Su Fei heard Chu Yun's words, her emotions gradually stabilized. She looked up with watery eyes and said coquettishly to Chu Yun, "Mom, I know I should actually leave, but I really can't bear to leave you."

"Don't talk nonsense. If anyone has to leave, it's that little b\*tch Lin Yin!" Chu Yun liked Su Fei's obedient and sensible personality. Lin Yin's stubborn and strong personality was not like her biological daughter at all.

Chapter 66 Sisterhood

Chu Yun and Su Fei looked like mother and daughter in the living room downstairs, but Lin Yin was preparing for the mock exam in the bedroom.

Although she was completely confident that she could surpass Shi Dai and Ji Yun in terms of results, her goal had always been to be first in the cohort of West Axis Academy.

The top student in West Axis could be directly admitted to Nuo Pu University, which was the top aristocratic university in the country. Only the top student in all the aristocratic high schools in the country had a chance to be admitted.

In the next few days, Lin Yin revised seriously. Yang Xue's results were not bad. She lent Lin Yin a lot of learning materials, hoping that Lin Yin could use her results to defeat Shi Dai and Ji Yun.

The West Axis mock exam lasted for three days. Lin Yin was very satisfied with her performance. She had already revised almost all the questions. Not to mention surpassing Shi Dai and Ji Yun, Lin Yin was confident that she could even compete for the first place in the year.

On the day the results came out, Lin Yin was pulled by Yang Xue and Lu Yan to the corridor where the results were released.

"Lin Yin, don't be afraid. If they dare to make things difficult for you, I'll teach them a lesson for you!" Lu Yan didn't dare to look at the rankings.

She had heard that Lin Yin's results before she transferred schools were very ordinary, so she was a little worried that Lin Yin would fail.

Lin Yin looked at the first row of the rankings. As expected, her name was at the top of the entire rankings. Lin Yin was not excited, because everything was according to her plan.

"Lu Yan, look!" Yang Xue was originally looking for Lin Yin's name in the middle of the rankings. When she realized that Lin Yin was actually first place, she couldn't control the excitement in her heart and suddenly shook Lu Yan's arm.

"Oh my god! Lin Yin, you're good. I was worried for you for nothing!" Lu Yan was also very surprised that Lin Yin got first place. However, looking at how confident Lin Yin usually was, this outcome seemed to be expected.

"Impossible!"

Shi Dai's voice sounded behind them. Lin Yin and the other two turned around and saw the terrified Shi Dai, as well as Ji Yun and Su Fei.

“How is that possible?! There must be a mistake. How could you get first place?!” Shi Dai’s hands were trembling. She did not believe that Lin Yin could improve so quickly in such a short period of time.

“Little Yin, I know you want to beat Shi Dai, but we all know your standard. You shouldn’t have copied.” Su Fei seemed to persuade Lin Yin kindly. “We won’t hold you responsible for cheating. Let’s call off this bet.”

“Don’t you have any shame?! Lin Yin is the top student in the cohort! Who can she copy off of?” Lu Yan really couldn’t stand Su Fei’s pretentious face. If she wasn’t Lin Yin’s sister, she would have gone over and slapped her.

“But Lin Yin’s results have always been...” Su Fei didn’t dare to get into a conflict with Lu Yan. Her tone was a little aggrieved, but Lu Yan interrupted her.

“But my ass! You have to admit defeat. If you can’t admit it, get lost from West Axis Academy!” Lu Yan looked at Shi Dai and Ji Yun with an unfriendly gaze.

“Whether to write the word on your faces and run ten rounds or leave West Axis, the two of you can choose!”

Lin Yin looked at the uneasy Shi Dai and Ji Yun and turned to the other students present. “Some of you have witnessed our bet, and some of you don’t know. Shi Dai and Ji Yun bet against me to compete with our results. Now that they’ve lost, they should fulfill your promise!”

Some of the bolder students around them began to heckle. Everyone was looking forward to seeing the usually domineering Shi Dai punished.

“Little Yin, you’re too much. It’s clearly a small joke between classmates. Dai’er and Ji Yun are girls after all. You shouldn’t humiliate them like this!” Su Fei stood in front of Shi Dai and Ji Yun, acting like a sister.

“If I were the one who lost, would you still say that this was a small joke between classmates?” Lin Yin took a step forward and sized up Su Fei’s face, wanting to tear off her hypocritical mask.

“Of course I will. Don’t forget that you’re still my sister.” Su Fei wanted to hold Lin Yin’s hand, but she avoided her.

“Our Miss Su Fei is really beautiful and kind.” Lin Yin glanced at Shi Dai and Ji Yun behind Su Fei and said slowly, “Alright, I’ll give you a chance to save your good sisters. If you’re willing to run for them, it’ll be reduced to three laps.”

Lin Yin noticed the panic on Su Fei’s face and continued, “No way, is this still not enough? Three laps is already enough. We still have to run four laps for the usual physical fitness test.”

Su Fei’s face was pale. Wouldn’t it be embarrassing for her to run three laps around the field alone? The elegant princess image she usually tried her best to maintain would be completely overturned.

Chapter 67 Gap

When Shi Dai and Ji Yun heard Lin Yin’s words, they were a little shaken.

Running ten laps was too much, but if Su Fei was willing to run three laps for them, this matter could be easily resolved.

Shi Dai looked at Su Fei and realized that her face was pale and she had no intention of speaking. She felt a little uncomfortable.

If she were Su Fei, she would definitely help her good friend bear the burden without hesitation, but Su Fei had no intention of doing so.

Su Fei felt Shi Dai’s gaze and turned around to look at her. She realized that she was looking at her in disappointment. Su Fei had mixed feelings.

Shi Dai came from a good family and was very simple-minded. She usually helped her a lot. Su Fei did not want to lose a friend who always stood up for her.

However, she definitely could not embarrass herself in front of the entire school. Thinking of these two outcomes that she could not accept, Su Fei looked at Lin Yin resentfully.

“Why are you so vicious? We treat you as a friend, but you deliberately sow discord between us!” As Su Fei spoke, she held Shi Dai’s arm and explained, “Dai’er, this is all Lin Yin’s scheme. She’s envious of our relationship, so she wants us to be estranged. Don’t fall for it!”

Shi Dai was also at a loss. She looked at Su Fei, who was about to cry, and comforted her. “Don’t worry, I won’t. I’ll always treat you as my best friend.”

On the other side, Ji Yun looked at Su Fei, who was pretending to be weak, with disdain in her eyes. She did not want to be as gullible as Shi Dai. She could tell that Su Fei had wanted to use them from the beginning.

“We’re just asking you to run laps. Those who don’t know might think that we’re asking you to line up and jump off the cliff!” Lu Yan disliked Su Fei’s pretentiousness and mocked them, causing the surrounding students to laugh.

“Fine, we’ll run!” Shi Dai couldn’t stand being looked down on and asked Ji Yun for a black watercolor pen.

After the two of them wrote ‘idiot’ on their foreheads, they ran to the field and began to receive their punishment.

Lin Yin looked at Su Fei, who was standing in front of her, and smiled. “Although your two friends are a little stupid, they’re much more loyal than your hypocrisy.”

Seeing the cold sweat on Su Fei’s forehead, Lin Yin deliberately raised her voice. “Let’s see how long you can pretend. Su Fei, sooner or later, everyone will see your true appearance.”

Su Fei stood rooted to the ground and saw Shi Dai and Ji Yun running in circles on the field. They lowered their heads and were silent. The surrounding students also began to discuss softly.

“The eldest daughter of the Su Family? She’s really bad at being a person. She only knows how to hide when her friend is in trouble.”

“What eldest daughter of the Su Family? She’s no longer it!”

“Hmph, she’s just an imposter. She’s still pestering Zheng Chao all day long and wants to climb up the social ladder!”

“I used to think that she was quite good at pretending. She always looked like she had been wronged every day. Who was she pretending for? She’s really disgusting!”

...

Faced with everyone’s discussion, Su Fei’s shoulders trembled slightly. She looked at Lin Yin with jealousy and hatred.

If not for her appearance, no one would dare to treat her like this!

It was all because of Lin Yin. Not only had she snatched her identity, but she had also become the laughingstock of the entire school!

“Lin Yin, you’ll regret treating me like this sooner or later!” Su Fei glared at Lin Yin and ran towards Shi Dai and Ji Yun on the field.

“Lin Yin, will Su Fei find trouble with you?” Yang Xue saw Su Fei’s gaze just now and was a little worried that Lin Yin would be retaliated against when she returned home.

“Hasn’t she caused enough trouble?” Lin Yin smiled comfortingly at Yang Xue and said patiently, “Don’t worry, she can’t threaten me.”

When Yang Xue saw Lin Yin’s smile, she felt much more at ease. For some reason, from the first time they met, Yang Xue felt that there was a magic about Lin Yin that made her feel like she could be completely trusted.

Lu Yan looked at the three people who had run to the fourth lap on the field and turned to Lin Yin. "After this lesson, they should be more obedient in the future, right?"

Lin Yin shook her head. "Not necessarily. They might hate me even more."

"Are they so stupid that they still dare to continue provoking you?" Lu Yan didn't understand. Lin Yin was clearly easy to get along with, but why did people always target her?

"Yes, there seems to be more than one stupid person like them."

Lu Yan followed Lin Yin's gaze and saw Zheng Chao walking over from afar.

"Lin Yin!" Zheng Chao saw Su Fei and the others on the field and looked at Lin Yin with hostility.

Chapter 68 Anytime

"Su Fei is your sister after all. Aren't you going overboard?!" Zheng Chao's heart ached when he thought of Su Fei's usually weak appearance.

"Overboard?" Lin Yin looked at Zheng Chao and said calmly, "If you think I'm overboard, marry your fiancée early so that she doesn't have to stay in the Su Family and be bullied by me."

"You!" Zheng Chao felt that Lin Yin seemed to know what he was thinking. He had been brooding over the fact that Su Fei had become an adopted daughter. Afraid that Su Fei's identity was not worthy of him, Zheng Chao began to waver about their engagement.

Afraid of being exposed by Lin Yin, Zheng Chao walked up to Lin Yin excitedly, but Lu Yan pushed him away.

"That's right. If you feel sorry for your fiancée, bring her home. Don't embarrass yourself in front of us!"

Lu Yan looked at Zheng Chao with disdain. "You and Su Fei are a good match. One is more shameless than the other!"

Zheng Chao's face turned red. He did not dare to flare up at Lu Yan and said fiercely to Lin Yin, "I want to tell Uncle and Auntie that this is how the biological daughter I brought back treats Su Fei!"

Lin Yin's expression did not change. When Zheng Chao saw Su Fei, who was so tired that she almost fainted on the field, he quickly ran over.

"Feifei!" Zheng Chao caught Su Fei's swaying body. When Su Fei saw Zheng Chao's concerned expression, she choked and said, "I'm fine, Brother Zheng Chao. Don't worry."

Zheng Chao tightened his grip on Su Fei and comforted her. "Don't worry, I won't let Lin Yin off. I won't let you suffer for nothing!"

Su Fei's eyes were red as she looked at Zheng Chao with gratitude and admiration.

Lin Yin and the others also walked towards the field.

"Sigh, I always see such scenes. I really feel sorry for my stomach." Lu Yan couldn't stand such hypocritical scenes the most.

She looked at Shi Dai and Ji Yun, who were already panting not far away, and shouted, "There are only three laps left. Don't dawdle!"

"Enough, stop running!" Zheng Chao looked at Lin Yin angrily and questioned her. "Is your goal to tease your classmates and see them embarrass themselves? Then you've achieved your goal. Stop it!"

Lin Yin looked at Zheng Chao's righteous appearance and couldn't help but frown. "My goal? They were the ones who recklessly came to bet with me. Even if they lost, they were willing to accept punishment."

Lin Yin glanced at Su Fei, who was in Zheng Chao's arms, and said, "Your kind fiancée also said that a bet between classmates can increase one's passion for studying, right?"

“That’s not what I meant, Brother Zheng Chao. How would I know that Sister Lin Yin would think of such a vicious punishment?” Su Fei looked panicked. In Zheng Chao’s opinion, she must have been bullied by the domineering Lin Yin in front of him.

“Su Fei, your good friend is still running laps. You’re hiding in someone else’s arms like this, I’m not as vicious as you.” Lin Yin had long seen through Su Fei’s clumsy acting.

Hearing Su Fei’s soft sobs, Zheng Chao suddenly pushed Lin Yin, but someone grabbed his collar tightly.

“Your sidekick, Zhao Zhi, is still lying in the hospital. Why? You can’t wait to accompany him?” Gong Ze’s voice sounded from behind. Zheng Chao struggled, but he could not break free from his restraints.

Lin Yin was supported by Lu Yan.

She was caught off guard just now. When she saw Zheng Chao being dragged by Gong Ze, Lin Yin walked forward and kicked his calf. She said coldly, “If you want to fight, I’ll accompany you anytime!”

“Ah!” Su Fei’s cry of surprise and Zheng Chao’s cry of pain sounded at the same time.

Seeing that Zheng Chao did not have the ability to resist, Gong Ze casually threw him to the ground and warned, “Don’t think that your Zheng family can afford to offend anyone. You’d better restrain yourself in the future. Otherwise, your outcome will only be worse than Zhao Zhi’s!”

Zheng Chao was helped up by Su Fei. He looked at Gong Ze and Lu Yan and was furious, but he gritted his teeth and endured it. He could only leave the field with Su Fei’s help.

Shi Dai and Ji Yun finally finished running ten rounds. Lin Yin didn’t want to make things difficult for them. She said to the sweating Shi Dai and Ji Yun, “You guys abide by the bet. We’ll write off everything!”

When Shi Dai saw Gong Ze beside Lin Yin and thought of how sorry she looked, her heart ached.

Why were Gong Ze and Lu Yan so protective of Lin Yin? She was just a lowly person from a poor background. What right did she have to speak to her so arrogantly?

Lin Yin noticed Shi Dai's angry expression and ignored her. She turned around and left the field with Lu Yan and the others.

#### Chapter 69 School Belle Selection

Gong Ze followed Lin Yin to the canteen. The few of them bought food and sat at the same table.

Lu Yan refused to sit with Gong Ze, and Yang Xue didn't dare to sit with Gong Ze, so Gong Ze naturally sat beside Lin Yin.

The combination of the four people in the canteen was very eye-catching. Lu Yan leaned against Yang Xue and looked at Gong Ze opposite her. She said unhappily, "Why are you following us? Don't you have a lot of underlings? Why, there's no one to eat with you?"

Gong Ze coughed lightly and secretly glanced at Lin Yin beside him. He realized that she had been eating and did not notice him at all. He frowned unhappily and was also dissatisfied with Lu Yan's tone. "Why? I'm not following you. Why do you care about where I'm sitting? Do you own the canteen?"

"Kid, are you looking for a beating?!" Lu Yan stood up from the chair and was pulled back by Yang Xue.

Gong Ze was not afraid at all. He said provocatively, "Little girl, you've grown up. When you were young, you followed behind me all day and called me Brother. Now, you still want to attack me?"

Hearing Gong Ze's words, Lu Yan's face turned red with anger. She broke free from Yang Xue's obstruction and pounced at Gong Ze.

Gong Ze didn't dodge at all. The two of them pulled each other and accidentally bumped into the spoon in Lin Yin's hand.

Slap! The sound of the spoon landing made Lu Yan and Gong Ze stop what they were doing. The two of them looked at the silent Lin Yin at the same time.

Lin Yin said faintly, "Both of you, sit down and properly eat your meal, okay?"

Lin Yin's tone was very calm and there seemed to be a smile on her face, but Lu Yan and Gong Ze felt a chill at the same time.

Lu Yan sat back in her seat. Gong Ze also swallowed nervously.

Yang Xue looked at the gloomy Lin Yin and said, "I'll help you get another spoon."

"Okay, thank you." Lin Yin smiled. Lu Yan and Gong Ze also started to eat silently.

Yang Xue was a little puzzled by their actions. One was the publicly acknowledged school bully, and the other was the delinquent girl in everyone's eyes. Why did they both look a little afraid of the most harmless Lin Yin?

Holding a new spoon, Yang Xue felt that there was an unfathomable mystery about Lin Yin. Although she usually looked kind, when she was angry, she made people shiver.

Under Lin Yin's intimidation, Gong Ze and Lu Yan's relationship became much more harmonious. Yang Xue didn't dare to say anything else. After she finished eating, she started to browse the school forum of West Axis.

"Lin Yin, the video of Shi Dai and Ji Yun being punished to run has been posted on the forum!"

Yang Xue was a little surprised to see the latest content on the forum. She did not expect that what had just happened would be captured and posted on the forum.

"Oh my god, there's such a high-definition photo of their faces. Shi Dai and Ji Yun reaped what they sowed!" Lu Yan also took out her phone and handed the photo of Shi Dai and Ji Yun's faces to Lin Yin.

Lin Yin was not very happy when she saw the photos of Shi Dai and Ji Yun making a fool of themselves.

They were also instigated by Su Fei. Lin Yin felt that compared to Su Fei's scheming, Shi Dai and Ji Yun were not that detestable.

"Lin Yin, this post also has your photo!" Yang Xue refreshed the interface. Lin Yin's photo actually appeared in the top post.

"The school belle selection? Lin Yin, you were nominated as the school belle and you're even in the first place!" Lu Yan also saw Lin Yin's photo, but she said unhappily, "Who took this photo? It's too blurry. It didn't capture your beauty at all!"

Lin Yin was attracted by Lu Yan and Yang Xue's words and opened the school forum. Only then did she realize that her photo had indeed appeared in the school belle selection competition in West Axis. She had even obtained more than 300 votes and was firmly in the first place.

"Who took this?" Lin Yin frowned slightly. She was not interested in the school belle selection at all.

"It's not me. My photography skills are much better than this." Lu Yan quickly waved her hand.

"It's not me either. I don't like to take photos." Yang Xue hurriedly denied it.

"Aiya, maybe it's some boy who secretly has a crush on you. Look at this photography technique. It's such a bad angle. It's only because you're good-looking. If it were anyone else, let alone being nominated as the school belle, it would be enough to be a horrifying poster." As soon as Lu Yan finished speaking, she turned her gaze to Gong Ze, who was beside Lin Yin.

"Tell me, did you secretly take it because you're coveting our Lin Yin's beauty?!" Lu Yan questioned.

"What right do you have to doubt me? Besides, my photography skills are much better than this, okay?!" Gong Ze also saw the photo and felt that it was indeed not as good-looking as Lin Yin.

Chapter 70 Sister-in-law Will Win

Before Gong Ze could finish speaking, his phone suddenly rang. After the call was picked up, Zhou Ling's voice came from the phone.

"Boss! I've put Sister-in-law's photo on the school belle selection post. I've already informed all the brothers to vote for Sister-in-law. Don't worry, as long as I'm around, Sister-in-law will definitely be first!"

Zhou Ling's voice was very loud, and everyone, including Lin Yin, heard him word for word.

Gong Ze was a little embarrassed. Seeing Lu Yan holding back her laughter, he gritted his teeth and asked Zhou Ling on the phone, "Who told you that Lin Yin is your sister-in-law?"

"Boss, don't be embarrassed. It's been so many years. Do you think I still don't understand you? Last time, you thought that Sister-in-law was the one who gave you a love letter. You were so happy that you even ate the cupcakes that you usually wouldn't eat and almost got into trouble!"

When Zhou Ling heard that Gong Ze did not reply, he continued, "I couldn't tell at that time and almost offended Sister-in-law. I have to apologize to her in person next time!"

Lu Yan burst out laughing and slammed the table uncontrollably. "Hahaha, so you ate that peanut cake because you liked Lin Yin. Not bad, I didn't expect you to be so innocent!"

Gong Ze's expression darkened. On the phone, Zhou Ling was still praising Lin Yin.

After hanging up, it was impossible to tell if Gong Ze's face was red or black. He stood up and walked out of the canteen without a word.

"Lin Yin, amazing. I've known him for more than ten years, but this is the first time I've seen Gong Ze like this!"

Lu Yan thought of Gong Ze's dark and red face and felt relieved. In the past, he had mocked her for her style. This time, she felt relieved to see him embarrassed.

“Lin Yin, I think Gong Ze might really like you.” Yang Xue noticed that Gong Ze was obviously very concerned about Lin Yin’s reaction just now and felt that perhaps Gong Ze’s liking for Lin Yin was serious.

“Lin Yin, don’t tell me you’re interested in that kid too?” Lu Yan stopped laughing and looked at Lin Yin. She felt that a brat like Gong Ze was not worthy of her.

A beautiful and smart person like Lin Yin had to find a top-notch man like her youngest uncle.

“No, I have no intention of falling in love.” Lin Yin didn’t know if Gong Ze had a good impression of her, but in this life, Lin Yin had never thought of getting a beautiful love. She only hoped that everyone who hurt her would be punished as they deserved.

Lu Yan heaved a sigh of relief. She was afraid that Lin Yin would meet a bad person.

Although Gong Ze’s character was not bad, Lin Yin was worthy of someone better.

“However, our school has never held a school belle selection event before. I just saw the selection rules. The voting time is a week. The girl who gets first place in the end seems to be able to participate in the filming of the school’s mini-movie.” Yang Xue looked at her phone, wondering if there would be any benefits for Lin Yin if she got first place.

“School mini-movie? What does that mean?” Lin Yin didn’t understand. She looked at Lu Yan and Yang Xue in front of her with a blank expression.

“Forget it. I’ll explain to Gong Ze and Zhou Ling later. Don’t vote for me anymore. Isn’t there still a week? Someone should surpass me.”

Lin Yin scrolled down the rankings. The second place was Su Fei. She was only 20 votes away from her. She should be very interested in the school belle selection.

Seeing that Lin Yin did not care at all, Lu Yan and Yang Xue lost interest.

When they returned to the classroom, Shi Dai and Ji Yun became much more obedient. Su Fei did not cause trouble for Lin Yin anymore, but Lin Yin knew very well that with Su Fei's personality, how could she be so honest?

As expected, after returning to the Su Family villa after school, Lin Yin heard Su Fei crying as soon as she entered.

Frowning in disgust, Lin Yin walked towards the hall.

"Lin Yin! Why did you let Feifei embarrass herself in front of the entire school?!" Chu Yun scolded Lin Yin as she comforted Su Fei.

"Did I poison her or put a knife to her neck? What does her embarrassment have to do with me?" Lin Yin rolled her eyes at the mother and daughter.

"Do you think everyone is like you, disregarding their family?! Feifei is soft-hearted. By making things difficult for her friend, you're making things difficult for her!" Chu Yun's disgusted gaze wished she could stare a hole through Lin Yin.

"Disregarding their family? It's not appropriate to use those words on me, right?" Lin Yin chuckled and looked at Chu Yun.

These were the most suitable words to describe Chu Yun, someone who could treat their biological like that.

"You vicious little b\*tch!" Chu Yun picked up the cup on the coffee table angrily and threw it at Lin Yin.
