

## Real Daughter 71

### Chapter 71 Best Actor Mu Ran

Lin Yin dodged easily and walked closer to the mother and daughter. She lowered her voice and said slowly, "I told you to look after your precious daughter. I'm afraid you haven't seen true viciousness!"

Lin Yin picked up the teapot and smashed it in front of Su Fei.

"Ah!"

Although she was not hurt by the flying porcelain pieces, the hot water from the teapot still splashed on Su Fei's calf.

"How dare you!" Chu Yun raised her hand to slap Lin Yin, but Lin Yin grabbed her wrist tightly.

"You said that I climbed out of a mud pit. I have nothing to lose. If you make me angry, let's go to hell together!" Lin Yin's gaze was terrifyingly cold. Chu Yun panicked under her gaze.

Lin Yin threw Chu Yun back onto the sofa and walked up to the second floor without looking back.

Chu Yun felt a trace of fear because of Lin Yin's gaze just now. She was clearly 17 or 18 years old, so why did she have such an unfathomable gaze?

"Mom, what should I do in the future?" Su Fei hid in Chu Yun's arms and broke down into tears. She said intermittently, "My classmates at school all say that I'm the imposter of the Su Family. She doesn't want to treat me as her sister at all. I really don't know what I should do to satisfy Little Yin."

Chu Yun patted Su Fei's back gently. Thinking of how Lin Yin had confronted her just now, she was also very nervous.

“Looks like we can’t let this little b\*tch stay at home anymore.” Chu Yun looked at Su Fei in her arms and comforted her. “I’ll think of a way to persuade your father to cut ties with Lin Yin completely. Our Su Family can’t tolerate such a little b\*stard!”

There were still tears in the corners of Su Fei’s eyes, but the corners of her lips curled up slightly. As long as Lin Yin could leave the Su Family, she would see what right she had to be arrogant.

The storm between Lin Yin and Shi Dai and Ji Yun gradually subsided, and the entire West Axis Academy was immersed in the school belle election.

“Why do you think everyone is so concerned about this school belle selection event?” As Lu Yan ate lunch, she refreshed the interface of the school belle rankings and realized that Lin Yin’s votes had already exceeded 2,000 votes.

“Maybe it’s because the school belle who gets the first place can film a mini-movie.” Yang Xue often went online and knew more about the school gossip.

“It’s just a movie. What’s there to fight for? I heard that Su Fei even went around looking for people to canvass for votes for her. Look at her. How can she compare to our Lin Yin?!”

Lu Yan felt that such an event like the school belle selection was very boring, but she felt that Lin Yin was indeed the best candidate for the school belle.

“If she’s willing, let her be. Anyway, I’m not interested.” Lin Yin was a little resistant to being the school belle. She didn’t like the feeling of being judged.

“That’s right. It’s a fact that our Lin Yin is beautiful. There’s no need for her to participate in such a boring selection!” Lu Yan also looked like she didn’t care.

“Actually, it’s fine to film a movie, but I heard that the male lead of the movie seems to be Mu Ran!” Before Yang Xue could finish speaking, she saw Lu Yan suddenly widen her eyes and the chopsticks in her hand fell to the table.

“Who is it? Mu Ran!” Lu Yan was suddenly very excited. Zhao Yangxue confirmed again, “Is it that Best Actor Mu Ran? The all-rounded celebrity Mu Ran?”

“That’s right. Otherwise, why would everyone be so enthusiastic?” Yang Xue was also a fan of Mu Ran, but she was the more rational type.

“Mu Ran?” This was the first time Lin Yin had heard this name. She didn’t understand why Lu Yan was so excited.

“Lin Yin, you actually don’t know Mu Ran!” Lu Yan saw the confused Lin Yin and suspected that Lin Yin was from the same world as her.

“Mu Ran is the champion of the world’s most beautiful face! Not only is his acting good and his singing good, but he’s also super handsome!” Seeing that Lin Yin was still very calm, Lu Yan looked at her with a heavier gaze. “Lin Yin, you have to win the championship for this school belle selection!”

Lin Yin looked at Lu Yan, who had a huge contrast from before, and shook her head helplessly. “Didn’t you just say that this selection was very boring?”

“I didn’t know that the reward for first place is to film a movie with Mu Ran! No wonder Su Fei is trying her best to win against you!” Seeing that Lin Yin still didn’t take it seriously, Lu Yan said to her earnestly, “Lin Yin, it’s up to you whether we’re sisters or not. I don’t have any other wishes. You have to be the female lead and give me a chance to get close to my idol, okay?”

Chapter 72 Ideal Female Lead

“Please, I’m going crazy at the thought that Mu Ran might stand with someone like Su Fei! Lin Yin, you can’t let her taint my idol!” Lu Yan looked at Lin Yin expectantly.

“Then let’s wait and see the results of the votes.” Lin Yin looked at Lu Yan’s sparkling eyes and couldn’t bear to reject her, but she also didn’t want to film the mini-movie, so she could only push the matter back.

“It’s fine as long as you say that!” Lu Yan took out her phone and sent the same message to some of the student group chats in West Axis.

Lin Yin looked over curiously. When she saw the content of Lu Yan's message, her eyelids twitched.

Vote for Lin Yin in the school belle selection. Take a screenshot and you can receive a red packet of 5,000 yuan."

"Lu Yan, isn't this a little too much money?" Lin Yin didn't understand Lu Yan's actions. She didn't know if Mu Ran was worth investing so much money for.

"This is nothing. As long as I can see Mu Ran, I'll even donate a building to West Axis!" Lu Yan glanced at Lin Yin, who was still in shock. She patted her shoulder gently and explained, "After you see my idol, you'll understand that Mu Ran's beauty is definitely worth this price!"

"Okay, whatever you say is right." Lin Yin smiled and looked at Lu Yan helplessly. Unknowingly, Lin Yin had already treated her as a very close person.

"Go back to the classroom with Yang Xue in a while. I'm going to the library to borrow a few books." Since she was bored, Lin Yin planned to study university classes in advance.

"Alright, your face is good-looking and your studies are great as well. You really don't give others a way out." Lu Yan deliberately looked at Lin Yin reproachfully. Then, she turned around and said to Yang Xue, "Let's go. We can only turn our anger into our appetite and buy some more snacks."

The corners of Lin Yin's lips curled up unconsciously as she watched Lu Yan and Yang Xue leave with a smile. Then, she tidied up and stood up to walk towards the library.

At this moment, on the other side of West Axis Academy, two furtive men walked over from the path south of the library.

"Ancestor, can't you just wait for the results obediently?" Mu Ran's manager, Wei Yuan, looked around carefully, afraid that someone would approach them.

“No, I’ve put in all my effort into this work. I want to choose the female lead myself.” Mu Ran’s voice was clean and pleasant, with a hint of youth.

Wearing a baseball cap and a black mask that covered half of his face, Mu Ran only revealed a pair of slightly upturned peach blossom eyes.

“I understand. It’s your first time coming into contact with writing a script, so you’re even more careful. However, this female lead doesn’t have many scenes. It’s mainly her back view. You can just choose a school belle-level female student. You don’t have to make a trip yourself.”

Wei Yuan looked at Mu Ran worriedly. Although he covered most of his face, as long as it was his face, they would definitely be able to recognize him at a glance. After all, Mu Ran’s image and temperament were too outstanding.

“What do you know? The female lead I want not only has to be beautiful, but she also has to have a noble and elegant temperament.” Mu Ran thought for a moment and described seriously, “She should have long black hair, fair skin, and a beautiful but arrogant back view...”

Mu Ran was describing it vividly when she suddenly saw a young girl walking towards the library. Her gaze was immediately attracted by her.

“Brother Wei, look, I’m talking about that feeling.” Mu Ran looked at Lin Yin’s back and felt that she was completely in line with her expectations of the female lead.

“Have you heard of the back view killer? Their back view is good-looking, but it doesn’t necessarily mean they’re good-looking. You’re still... Hey!” Before Wei Yuan could finish speaking, he saw Mu Ran chasing after the girl.

“Student!” Mu Ran caught up to Lin Yin and shouted at her.

Lin Yin turned around and saw Mu Ran, who was wearing casual clothes and had a slender and well-proportioned figure. From his clothes and age, he should not be a student of West Axis Academy.

“What’s the matter?” Lin Yin asked in confusion when she saw the man looking at her in a daze.

“You... can you not cause me more trouble?!” Wei Yuan caught up to Mu Ran, panting. Fortunately, there were not many students around the library during the lunch break. Otherwise, someone would definitely recognize him.

Wei Yuan also noticed Lin Yin in front of Mu Ran. When he saw the girl’s bright and beautiful face, he was slightly shocked. Even though he had been in the entertainment industry for many years, he had rarely seen someone with such an outstanding appearance as the girl in front of him.

“You... look like someone I know.” Mu Ran looked at the girl’s exquisite face in a daze. The sudden words confused Lin Yin and Wei Yuan.

### Chapter 73 Autograph and Photo

Lin Yin felt that this sentence sounded familiar and thought of Lu Yan’s uncle, Lu Ming. He had said the same thing when he first saw her. Could it be that she really had a common face?

Wei Yuan’s forehead broke out in cold sweat because of Mu Ran’s words. He did not expect the publicly acknowledged male idol to use such an old-fashioned way to strike up a conversation.

“Well, student, I’m Chen Yi Entertainment’s manager, Wei Yuan. Your image and temperament are very outstanding. Are you interested in joining us?” Wei Yuan handed Lin Yin a business card, but Lin Yin waved at him.

“I’m still in school. I’m not interested in these things.” After Lin Yin rejected her, she was about to go to the library when she was stopped by the man in the baseball cap.

“Student, your image meets my standards for the female lead. Can you film a school mini-movie with me?” Mu Ran did not want to miss the girl in front of her.

“Mini-movie?” Lin Yin sized up the man in front of her in confusion.

Although Mu Ran was wearing a big black mask and his baseball cap was pulled down very low, his exposed eyes were exceptionally eye-catching.

“Are you...” Lin Yin was interrupted by Wei Yuan.

He lowered Mu Ran’s hat a little and explained in a panic, “Student, this place is too conspicuous. Let’s find a place with fewer people to talk, okay?”

Although Lin Yin was a little unwilling, she still walked over when she thought of Lu Yan’s crazy pursuit of Mu Ran.

Lin Yin followed Wei Yuan and Mu Ran to a small pavilion at the back of the library.

Seeing that there was no one around, Mu Ran took off her mask and introduced herself enthusiastically to Lin Yin.

“Hello, I’m Mu Ran. Nice to meet you.”

Lin Yin looked at the man’s exquisite facial features and understood Lu Yan’s actions. Mu Ran did have the ability to make people unable to look away.

“Hello, I’m Lin Yin.” The surprise in Lin Yin’s eyes was fleeting. Mu Ran was a little surprised by her calmness.

It was not because he was narcissistic, but because most young girls of Lin Yin’s age pursued him strongly. Mu Ran felt a little unnatural when he suddenly met such a calm person.

Wei Yuan did not dare to relax and kept looking around carefully. If someone took a photo of Mu Ran hitting on a young lady in high school, the entire company would explode tomorrow.

“Are you interested in filming a movie with me? There aren’t many scenes, so it won’t take up too much of your time.” Mu Ran’s voice was very gentle. Coupled with his flawless face, it was really difficult to refuse.

“I’m indeed not interested in filming...” Lin Yin pondered for a moment and took out the blank notebook in her backpack. She asked, “However, can you help me sign this? My deskmate is a loyal fan of yours!”

Hearing that she wanted an autograph, Wei Yuan frowned slightly. Mu Ran hated autographs and photos the most, so he usually rejected them for him.

Wei Yuan was about to stop her when he saw Mu Ran take the notebook from the girl’s hand with a smile and write seriously. He even drew a small smiley face beside his signed name.

Wei Yuan was still in shock when an even more unbelievable scene happened in front of him.

“Let’s take a photo together!” Mu Ran picked up her phone and took a selfie with Lin Yin. She said to her, “We can exchange contacts and I’ll send you the photo.”

Out of courtesy, Lin Yin exchanged contact details with Mu Ran. Wei Yuan looked at the abnormal Mu Ran and his heart raced. Could it be that his little ancestor had taken a fancy to a female high school student?

“Student, we’ll contact each other again if there’s a chance.” Afraid that things would get worse, Wei Yuan hurriedly put on a mask and hat for Mu Ran and dragged him back to the car.

“Brother Wei, I’m not done talking. Why do you have to pull me away?” Mu Ran saw that Lin Yin had already entered the library and felt a little regretful.

“You still want to talk? If you continue chatting, are you going to start exchanging your home address?” Wei Yuan felt uneasy and looked at Mu Ran with a probing gaze. “Little Ran, tell me the truth. Are you interested in that little girl just now?”

Mu Ran was a little surprised to hear Wei Yuan's words. How could he have such thoughts about a girl who had not graduated from high school?

Rubbing the bridge of her nose, Mu Ran sighed. "Brother Wei, am I such a beast in your heart?"

"No, but you're too enthusiastic towards that young lady." Wei Yuan felt a little relieved when he heard Mu Ran's words, but when he thought of the girl's demonic face like Mu Ran's, he was still a little worried.

#### Chapter 74 The Only Female Lead

"I just feel that she's quite friendly. I don't mean anything else. Don't worry..." Mu Ran thought of Lin Yin and was a little dazed. Why did her aura make him feel unfamiliarly familiar?

"Brother Wei, she must be the female lead in my movie." Mu Ran admired Lin Yin's casual and confident state and felt that she was the most suitable candidate for the female lead in her heart.

"The young lady already said that she's not interested." Wei Yuan noticed Mu Ran's resentful gaze and quickly changed his words. "I'll find an opportunity to contact her again."

Lin Yin didn't tell Lu Yan about meeting Mu Ran, afraid that she would be too excited. Instead, she planned to give her a surprise after school.

However, before school ended, Lu Yan received bad news.

"Damn it! Who did this?" In order to help Lin Yin canvass votes, Lu Yan kept sending out red packets. Lin Yin had already surpassed Su Fei, who was ranked second, by more than a thousand votes, but she was suddenly disqualified.

Lin Yin looked at Lu Yan beside her and realized that her photo had turned gray.

"They reported that my votes were fake?" Lu Yan realized that Lin Yin's photo was no longer included in the voting category. She scratched her head in frustration. "It must be Su Fei! She's jealous that your votes are higher than hers, so she found a way to report you and make you lose your right to run!"

Lin Yin's expression was very calm and she did not look sad at all. "In a sense, my votes are indeed fake."

Looking at the smiling Lin Yin, Lu Yan shook her arm in despair. "You can't do this! Lin Yin, I don't want to see my idol appear in the same scene as Su Fei!"

"Lu Yan, have you ever thought that even if I don't film the movie, you'll still have a chance to meet your idol?" Lin Yin had a plan in her heart. She saw that Mu Ran was a good person. When he was filming the movie, she would take the time to introduce him to Lu Yan. It was not impossible.

Before Lu Yan could react, she heard an ear-piercing female voice coming from the classroom door.

"Our Feifei has already become the only candidate for the school belle. Someone is actually still dreaming!"

When Shi Dai heard Lin Yin and Lu Yan's conversation, her tone was mocking. "If you want to see Best Actor Mu Ran, why don't you come and please us more? Feifei is soft-hearted. She might help you get an autograph."

Su Fei, who was beside Shi Dai, could not hide the smugness in her eyes. She said apologetically to Lin Yin, "I heard that Best Actor Mu Ran doesn't give his autograph to people easily. I'm afraid I can't help you with this."

Lin Yin thought of Mu Ran's smiling face when she signed for her and was a little stunned. Mu Ran didn't like to sign autographs? Which person who didn't like to sign autographs would draw a smiley face after signing?

Seeing that Lin Yin had been distracted, Su Fei thought that she was disappointed and quickly said shyly, "Sister, don't be too sad. When I start filming the movie, I can bring you along to see the world."

"Stop pretending. It's a pity that you're not an actress. There's not a day that you're not acting!" Lu Yan couldn't stand Su Fei, but she couldn't change the fact that she might be filming a movie.

“Feifei, if you become famous, you must bring me to see Mu Ran.” There was a hint of yearning in Shi Dai’s eyes. She glanced at Lin Yin and Lu Yan and said to Su Fei, “I heard that Mu Ran is much better looking than on screen!”

“Besides, Best Actor Mu Ran has always had a good reputation in the industry. It’s not easy to see him just because you’re rich and powerful.” It was very difficult for Shi Dai to make Lu Yan unhappy. She knew that there were many things about Mu Ran on Lu Yan’s social media account, so she deliberately used words to provoke her.

Lu Yan felt depressed, but Lin Yin’s expression was still very calm.

Looking at the smug Su Fei and Shi Dai, Lin Yin suddenly changed her mind. She had no intention of being the female lead in a movie, but when she saw Su Fei and Shi Dai deliberately showing off in front of Lu Yan, Lin Yin felt very upset.

Lin Yin didn’t say anything. She just wanted Su Fei to think that she was definitely going to be the female lead of the movie. Only then would she experience the despair and loss she had in her previous life.

After school, Lu Yan was a little unhappy. Lin Yin comforted her and didn’t notice the man who was looking at them not far away from the road.

Lu Ming’s sports car stopped by the roadside. When he saw Lu Yan and the girl beside her, his cold eyes moved slightly.

Lu Ming recognized Lin Yin. She was the girl who had sat in his car with Lu Yan last time. Although she looked to be only 17 or 18 years old, Lu Ming felt that Lin Yin had a calmness and wisdom that did not match her age.

Chapter 75 Curious About Her

“Uncle!”

Lu Yan noticed Lu Ming on the other side of the road and waved at him.

Lin Yin followed Lu Yan and walked over to greet Lu Ming. "Hello, Uncle."

Lu Ming nodded slightly and said to Lin Yin, "Get in. I have time today to send you home."

Lin Yin and Lu Ming thanked him and sat in the back of the sports car with Lu Yan. Fortunately, Lu Ming was driving himself today. Otherwise, she might have been betrayed by Lu Yan again.

Lu Yan could tell that Lu Ming seemed to be in a good mood. She asked carefully, "Little Uncle, do you know Mu Ran?" Lu Yan knew that Lu Ming did not pay attention to any entertainment news, so she did not have much hope.

"Yes, I know," Lu Ming said calmly.

Hearing Lu Ming's answer, Lu Yan widened her eyes in surprise and continued to ask, "Really? Do you know him? Can you talk to him?"

"If you could use the interest you have on this on your results, you wouldn't have been ranked last all year round." Lu Ming's voice was low, but there was no displeasure.

"Little Uncle! Why is your tone becoming more and more like my mother's?!" Lu Yan pouted and pulled Lin Yin as she asked, "Do you think my little uncle will have menopause at his age?"

Lin Yin choked on Lu Yan's question. Looking at the black eyes that glanced over from the rearview mirror, Lin Yin broke out in cold sweat for Lu Yan and changed the topic. "Lu Yan, actually, I saw Mu Ran and even asked for an autograph for you."

Lin Yin took out the autograph Mu Ran had given her from her bag and handed it to Lu Yan.

Lu Yan's face was filled with disbelief. She took the notebook from Lin Yin's hand and shouted in surprise when she saw the signature.

“Ah ah ah! Lin Yin, you’re simply amazing! This is really Mu Ran’s signature! He doesn’t easily give people his autograph! How did you do it?!”

Lu Yan carefully held the notebook and looked at Mu Ran’s confident and powerful handwriting. The smile on her face became even brighter.

“I met him by chance. Let’s see if there’s a chance for you to meet him in the future.” Lin Yin looked at the happy Lu Yan and felt very happy.

“That’s great, Lin Yin! I announce that from now on, you’re the number one fairy in my heart!” Lu Yan kissed Lin Yin’s cheek, making her smile helplessly.

Lu Ming noticed the two girls fighting in the back row and his doubts deepened. He noticed something special about Lin Yin.

Compared to the carefree Lu Yan, the elegance and confidence revealed by Lin Yin’s actions were difficult to imitate. Moreover, her style of doing things was definitely not like that of a simple-minded girl.

Lu Ming parked the car in front of the Su Family’s house and watched Lin Yin enter the house before starting the car.

Lu Yan was still immersed in the joy of getting Mu Ran’s autograph. As Lu Ming drove, he asked Lu Yan casually, “Your good friend Lin Yin is the biological daughter of the Su Family?”

Lu Yan put away her notebook and replied to Lu Ming, “Yes, the Su Family mistakenly bringing back the wrong daughter has caused a commotion. Everyone should know, right?”

“How’s her personality usually?” Lu Ming’s voice was steady, and he sounded like he was just chatting.

“Very good. Not only is Lin Yin beautiful, but her grades are also good. She’s also very loyal...” As Lu Yan spoke, she suddenly felt a little strange. When had her little uncle ever asked about someone like this?

“Uncle! Don’t tell me you like Lin Yin?”

Lu Ming found Lu Yan’s reaction funny and couldn’t help but tease her. “Why? Do you think I’m not worthy of your friend?”

Lu Yan did not notice the smile on Lu Ming’s lips. She thought about it seriously for a moment and replied, “Everything else is fine, but Little Uncle, will it be difficult to communicate with Lin Yin because of the age gap?”

The smile on Lu Ming’s lips was a little stiff. He turned his head slightly and said to Lu Yan, “I think it’s necessary to discuss your studies with Second Brother.”

“Don’t, Little Uncle. If you want to say it, say it. Why did you drag my father out?”

Lu Yan suddenly felt a little discouraged. She had already been warned by her parents many times because of her studies. If her little uncle went to add fuel to the fire, her future days would be even worse.

“Then you should work harder yourself. You have good taste in making friends, but why can’t you figure it out when it comes to yourself?” Lu Ming felt that although results didn’t represent everything, for the current Lu Yan, having higher results was always beneficial to her in all aspects.

#### Chapter 76 Invitation Again

Lin Yin, who had returned to the Su Family, heard Su Fei and Chu Yun’s laughter as soon as she entered.

Su Zhen saw the high-end sports car that had just sent Lin Yin back and looked at her with joy.

“Xiao Yin, come over quickly. Your sister was chosen to be the female lead of Mu Ran’s movie!” Su Zhen’s face was filled with a smile.

He saw that Su Fei had a chance to appear on the screen and that Lin Yin had a chance to hook up with a rich person. He was very proud. Su Zhen wanted to see his two daughters be of value to the Su Corporation the most.

“Young Miss, come and sit. I made your favorite dishes. Eat more later.” Aunt Li could tell that Lin Yin still could not integrate into the Su Family, so she was especially concerned about her.

“Okay, thank you, Aunt Li.” Lin Yin washed her hands and sat down beside Su Fei.

“Little Yin, you won’t blame me for snatching your chance to film with Best Actor Mu Ran, right?” Su Fei said timidly, looking at Lin Yin with an aggrieved and innocent gaze.

“What do you mean you snatched it away? It’s clearly because you’re much stronger than her!”

When Chu Yun saw that Su Fei looked afraid of Lin Yin, he felt very frustrated. She was clearly the little princess she had doted on for more than ten years. Why was she so afraid of a poor girl who came out of nowhere?

“Hey, don’t say that. Little Yin isn’t bad-looking either. She’ll definitely be able to find a good family in the future.” Su Zhen looked at Lin Yin. His biological daughter was definitely outstanding in terms of looks. Su Zhen would definitely use Lin Yin’s looks to obtain more benefits.

Lin Yin sneered. She thought of her parents who had betrayed her again and again in her previous life and her heart began to ache again.

“Of course I’m not as outstanding as Sister. Moreover, how can my attainments in acting compare to Sister?”

Lin Yin looked at Su Fei’s gradually frozen smile and said slowly, “I’m not interested in acting at all. Sister, work hard.”

“What do you know?! It’s definitely the highest starting point to be able to act with Mu Ran. If Mu Ran and Feifei’s faces appear on television at the same time, how beautiful would that scene be?! They might even become a screen couple or something. Our Feifei will become a big star!” Chu Yun fantasized unrealistically.

Su Fei thought of Mu Ran's exquisite and handsome facial features and felt a little shy. She muttered to Chu Yun, "Mom, I already have Brother Zheng Chao..."

"My daughter is beautiful. What's wrong with her having more suitors?" Chu Yun looked at Su Fei, who had a rosy face, as if she had become a famous celebrity.

Lin Yin was shocked speechless by Chu Yun and Su Fei's blind confidence. Although Su Fei looked alright, if she appeared on the screen at the same time as Mu Ran, with Mu Ran's demonic looks, wouldn't Su Fei be instantly turned into dust?

Seeing that Lin Yin was silent, Su Fei thought that she was jealous of her. Her tone was a little smug. "Sister, I'm sorry. I know you're already sad that you lost the selection. I shouldn't have..."

Lin Yin looked at the coy and pretentious Su Fei and really wanted to splash the fruit juice in her hand on her face. She suppressed her disgust and said, "Sister, you don't have to worry about me. It's better to put on more facial masks before filming a movie, lest there are too many flaws on your face."

Lin Yin looked at Su Fei, who was so angry that she couldn't speak, and her appetite improved. After quickly filling her stomach, she returned to the bedroom on the second floor.

Her phone suddenly rang. Lin Yin saw that it was an unknown number and answered the call.

"Hello, Miss Lin Yin. I'm Mu Ran's manager, Wei Yuan."

Wei Yuan's tone was very polite and his attitude towards Lin Yin was very enthusiastic. "I want to ask if Miss Lin has thought about it. Do you want to try to participate in the filming of the micro movie?"

"I'm sorry, I really don't have any plans to film a movie, and I don't want to show my face on the screen." Lin Yin rejected Wei Yuan's invitation.

After her rebirth, her goal had always been to take revenge and do her best to destroy the Su Family. Therefore, before she matured, Lin Yin did not want to be in the limelight.

When Wei Yuan heard Lin Yin's words, beads of sweat appeared on his forehead. He was also a famous top manager of Chen Yi Entertainment. If Mu Ran, that little ancestor, hadn't said that the female lead had to be Lin Yin, he wouldn't have had to beg a girl who hadn't graduated from high school.

Hearing Lin Yin's rejection, Wei Yuan thought for a moment and said into the phone, "Actually, even if you participate in the filming, you don't have to show your faces!"

#### Chapter 77 Selection Result

Afraid that Lin Yin would refuse, Wei Yuan quickly sped up. "Miss Lin, actually, you don't have to worry about all this. Our filming is mainly done on your campus. Although you're the female lead, there aren't many real scenes. Almost all of them are from the back. With makeup, special effects, and filters, no one should be able to recognize you. There's no need to worry about these things!"

Lin Yin recalled Lu Yan's love for Mu Ran and was a little hesitant. She paused for a moment and asked, "I'm not a professional actor. How long will the filming take? If I participate in the filming, I'm afraid I'll cause you trouble."

Seeing that Lin Yin's attitude had softened, Wei Yuan hurriedly persuaded, "No, Mu Ran and I will be very happy if you can join us. The filming time won't be long. You just need to use your spare time, about three days. As long as you agree, I'll arrange it immediately."

When Lin Yin heard Wei Yuan say so much in one go, she couldn't help but laugh. "But didn't you hold a school belle selection for this role? I wasn't chosen. Isn't this a little troublesome?"

"Those are all small problems. You're the female lead that Mu Ran has personally chosen. No one will question you!"

In the end, Lin Yin agreed to Wei Yuan's filming invitation not only for Lu Yan's wish, but also to let Su Fei have a taste of disappointment.

The next morning, Lin Yin arrived at West Axis Academy and heard everyone discussing the results of the school belle selection.

Lu Yan knew that Lin Yin knew Mu Ran in private, so she no longer cared about Su Fei and Shi Dai showing off. During the lunch break, Lu Yan called Lin Yin and Yang Xue together.

“Have you guys heard?” Lu Yan had a mysterious expression on her face. She lowered her voice and said, “In order to canvass for votes, Su Fei actually secretly contacted many boys from other classes online. Zheng Chao accidentally discovered some texts with an ambiguous tone. Now, the two of them seem to be breaking up!”

Lin Yin went out early in the morning and did not notice Su Fei. She did not know that she would go so far to win votes.

“Su Fei even reported you for faking the votes. Isn’t it even worse for her to do this?” Yang Xue and her classmates from the publicity department had asked around. It was indeed Su Fei who reported Lin Yin for buying votes.

“Tsk, at most I’m just spending more money. She called them Brother so coquettishly, but she didn’t get more votes than me in the end!”

Lu Yan didn’t like Su Fei’s actions, nor did she shame her for her lack of bottom line. She thought for a moment and said, “However, it would be a pity if Su Fei really broke up with Zheng Chao. These two people have the ability to make me nauseous. They’re clearly a perfect match!”

“However, because Su Fei’s votes were much higher than the second place, the school belle selection ended early.” Yang Xue looked at Lu Yan worriedly. “Maybe Su Fei is really going to film with Mu Ran this time.”

When Lu Yan heard Yang Xue’s words, her expression darkened.

“Sigh, if it really doesn’t work out, I’ll apply for leave to stay at home during the few days Mu Ran is filming with her. Anyway, I can’t just watch her taint my male idol!” Lu Yan felt disgusted at the thought of Su Fei’s face. She really couldn’t stand the blow of her sharing the same screen as Mu Ran.

“Then won’t you be able to see your Prince Charming Mu?” Yang Xue looked at Lu Yan with concern.

“Yang Xue, are you a demon? Can’t you see that my heart is already bleeding?” Lu Yan was a little discouraged and hung on Lin Yin.

“Alright, you don’t have to go anywhere. Just stay in school and watch the show.” Lin Yin thought of how Su Fei would look after knowing the outcome and was actually looking forward to it.

The three of them walked towards the canteen and heard an argument coming from the grove not far away.

“How did you become like this?” Zheng Chao pressed Su Fei’s shoulder in disappointment. Thinking of the ambiguous and coquettish chat records with the other boys on Su Fei’s phone, Zheng Chao was furious.

“I’m not, Brother Zheng Chao!” Su Fei was a little anxious.

Although the Zheng Family was not much stronger than the Su Family, she did not want to lose such a backer.

Seeing the anger in Zheng Chao’s eyes, Su Fei walked forward and gently grabbed his arm. She said gently, “Brother Zheng Chao, I saw Lin Yin using this method to canvass votes previously and couldn’t help but imitate her in a moment of impatience.”

Hearing Su Fei mention Lin Yin, Zheng Chao’s eyes were filled with hatred. Lin Yin had already hit him twice. If he didn’t teach her a lesson, she would really think that he was easy to bully.

“Of all people, you chose to learn from that b\*tch. Before she was brought back by the Su Family, she might have been in some dirty business. Don’t interact too much with her, lest you learn those despicable skills from her.”

Chapter 78 Hell Rose

Zheng Chao slandered Lin Yin and felt much better. The way he looked at Su Fei softened.

Although Su Fei was not as beautiful as Lin Yin, at least she was clean.

“Brother Chao, although Lin Yin came from a bad background, she’s still my sister. Don’t say that about her.” Su Fei looked like she was complaining about Zheng Chao, but she was very smug.

Lin Yin was recognized by the Su Family halfway. Her lowly past could not be erased no matter what. Just based on this, she would never be able to compare to her.

“You’re just too innocent and kind.” Zheng Chao stroked Su Fei’s hair. “She’s such a beautiful girl who lives in a low-class society with mixed personnel. How clean do you think she can be?!”

Zheng Chao thought of Lin Yin’s bright and moving face, and greed flashed across his eyes. “It’s fine to play with that kind of woman. For marriage, it’s more suitable to find an obedient and cute person like you.”

Zheng Chao was still immersed in his fantasy. If he could get Lin Yin’s body and marry Su Fei, his life would be exciting.

“Smack!”

With a burning pain on his face, Zheng Chao covered his cheek with his right hand and saw the gloomy Lin Yin in front of him.

“You want to play with me? Alright, I can fulfill your wish!”

Lin Yin’s gaze was cold as she looked at Zheng Chao as if she was looking at a dead person.

Zheng Chao was a little flustered by Lin Yin’s gaze. He did not know why a girl much shorter than him would exude such a powerful and terrifying aura.

Before he could react, Lin Yin suddenly grabbed Zheng Chao’s arm and twisted it back.

“Ah!”

Zheng Chao screamed and knelt on the ground. Su Fei, who was beside him, was also so frightened that her face turned pale. She hurriedly took a few steps back, afraid that Lin Yin would notice her.

“Aren’t you afraid that I’ll tell the principal? You’ll definitely be punished for maliciously hurting someone in school!” Zheng Chao’s arm had already been dislocated, and cold sweat seeped out of his forehead. He looked at Lin Yin fiercely and viciously.

“Then I want the principal to hear what Young Master Zheng said to slander his classmates!” Lu Yan stood behind Lin Yin and played the recording on her phone.

Zheng Chao and Su Fei’s conversation was recorded, and the slander and abuse of Lin Yin were completely replicated.

“You guys...”

Zheng Chao couldn’t stand the pain, but if Lu Yan publicized the content of the recording, the perfect image he maintained in school would be ruined.

Zheng Chao glanced at Lu Yan behind Lin Yin. With the Lu Family’s snobbery, even the principal of West Axis did not dare to underestimate her. There was definitely no benefit in forming a grudge with Lu Yan.

“The two of you disgusting people are indeed compatible!” Thinking of Lu Yan’s words, Lin Yin agreed at this moment. She lowered her body and warned Zheng Chao, “If I hear any rumors that are disadvantageous to me, it’s all on you. Sooner or later, I’ll slowly get it back!”

Lin Yin’s words shocked Zheng Chao and Su Fei. They were stunned on the spot and did not come back to their senses until they left.

Lin Yin was like a rose that had bloomed in hell. She was beautiful and flirtatious, but no one dared to approach her.

“Brother Zheng Chao...”

Seeing Lin Yin walk away, Su Fei helped Zheng Chao up.

Seeing the hatred in his eyes, Su Fei comforted him softly. "Lin Yin is the real daughter of the Su Family. It's normal for her to have a bad temper. Let's not offend her in the future."

Zheng Chao held his dislocated arm and spat in the direction where Lin Yin had left. "Pfft! What kind of missy is she? She really thinks she's important just because she has Lu Yan by her side!"

Supported by Su Fei, Zheng Chao looked in the direction where Lin Yin left and gritted his teeth. "Lu Yan can't stay by her side every day either. One day, I'll let her have a taste of living worse than death!"

Su Fei looked at the ruthlessness in Zheng Chao's eyes and was secretly happy.

"Brother Zheng Chao, although she's my sister, if I have to choose between you and her, I'll always stand by your side and support you!"

Because of Lin Yin's appearance, the conflict between Zheng Chao and Su Fei was resolved. However, the next day, when Su Fei arrived at West Axis Academy, she heard bad news.

"Feifei, Mu Ran's production team is here at West Axis Academy!" Shi Dai looked at Su Fei with a heavy expression.

"Really? Why didn't I receive the notice?" Su Fei didn't understand. They were about to begin filming the mini-movie, so why didn't she, the chosen female lead, receive the notice?

Shi Dai hesitated and explained to Su Fei hesitantly, "I think the filming has started, but the female lead is not you."

Chapter 79 Meeting The Idol

"What?"

Su Fei's expression was a little ferocious. She had already made a lot of preparations to be the female lead. She had even secretly practiced in front of the mirror, trying to show a more perfect expression.

Noticing that she had lost her composure, Su Fei nervously hid her emotions and asked Shi Dai, "How is that possible? Isn't the results of the school belle selection already out? Is there another candidate?"

"I don't know." Shi Dai was also a little sad for Su Fei. She had been happy for a few days for nothing, but this was the outcome. "I only heard that the female lead was personally chosen by Mu Ran."

Su Fei clenched her fists tightly. She had already told Su Zhen and Chu Yun that she was the female lead. How was she going to explain such an accident to them?

Moreover, in the past few days, all the students in West Axis Academy knew that she was going to be the female lead. Now that the matter had failed, wouldn't she become the laughingstock of the entire academy?

"Is she a student from our school?" Su Fei thought of Lin Yin and suddenly had a bad feeling.

"I'm not sure." Shi Dai shook her head and said to Su Fei, "But filming will start in the afternoon. Although the filming location will be sealed, everyone's probably going to the corridor to watch. It should be clear by then."

Su Fei was depressed. She only hoped that the protagonist Mu Ran chose was not a student of West Axis. That way, she would feel better.

Lin Yin received Wei Yuan's notice early in the morning. Lin Yin and Wei Yuan raised a condition, hoping that her two friends could stay within close proximity of the scene.

Wei Yuan was very accommodating to Lin Yin. After all, she was the female lead he had worked hard to get. He only briefly mentioned some things to take note of at the filming location to her before agreeing.

When it was time to film, Lu Yan and Yang Xue followed Lin Yin to the filming venue that Mu Ran's production team had commandeered.

“Lin Yin, Yang Xue, look at the makeup on my face. Is it smudged?” Lu Yan was a little nervous. At the thought of seeing Mu Ran in person, her heart beat wildly.

“It’s quite good. It’s about the same as usual...” Although Yang Xue didn’t agree with Lu Yan’s makeup, she still nodded against her will.

“Alright, don’t be nervous. I’ve spoken to Brother Wei Yuan. You can come to the venue to watch after class, but you must not let anyone know.” Lin Yin pushed Lu Yan forward at a turtle’s pace.

Lu Yan, who was usually straightforward and honest, was actually a little timid now.

“Lin Yin, do you really not want others to know that you’re the one who’s participating in the filming?” Yang Xue did not think that it was a bad thing to be able to film a movie. She did not understand Lin Yin’s decision.

“That’s right. I still wanted to show off in front of Su Fei and Shi Dai. The two of them were so smug before. Their expressions must not be good now.” Lu Yan also thought that it was something worth celebrating that Lin Yin could become the female lead.

“I don’t want to attract too much attention. It’s better to keep a low profile.” Lin Yin had other plans for her future. She didn’t want too many people to notice her.

Although Lu Yan and Yang Xue couldn’t see the deeper meaning in Lin Yin’s eyes, they still respected her decision. Before entering the filming venue, they changed into very inconspicuous clothes to avoid being discovered.

Under Wei Yuan’s lead, Lin Yin and the others arrived at the temporary dressing room of the production team.

“Lin Yin, Yang Xue, is my idol inside?” Lu Yan felt that her face was already starting to burn, and she slowed down her pace.

“Let’s go in and talk.” Lin Yin pulled Lu Yan and Yang Xue, knocked on the door, and walked into the dressing room together.

“Lin Yin.” Mu Ran had already done his makeup and hair. When she saw Lin Yin enter, she stood up to welcome her.

“Hello, let me introduce you. These are my friends, Lu Yan and Yang Xue.”

Lin Yin looked at Mu Ran in front of her and felt that he was a little different from the first time they met. He looked even more exquisite and handsome, and he exuded the powerful aura that a big celebrity should have.

“Hello, I heard from Brother Wei that you can look around. There’s no need to be nervous.” Mu Ran saw the two serious girls behind Lin Yin and gave them a friendly smile.

“Did my idol smile at me?” Lu Yan grabbed Yang Xue’s arm tightly. Her gaze was always on Mu Ran. This was the first time they were in close contact. Lu Yan was stunned by Mu Ran’s appearance again.

Looking at the two girls who were almost afraid to breathe, Mu Ran felt that Lin Yin was special. Her two friends had similar reactions to the people Mu Ran usually met. The first time they met, Lin Yin’s reaction was too calm.

#### Chapter 80 Mysterious Female Lead

“Lin Yin, this is Ou Jie, the makeup artist who’s going to match your style and makeup later. Just call him Brother Jie.”

Before Mu Ran could finish speaking, Ou Jie’s mouth fell open in shock. “Ah Ran, where did you find this girl? Her foundation is too good!”

Ou Jie looked at Lin Yin’s exquisite face, as if he was admiring an uncarved artwork.

When Mu Ran heard Ou Jie's praise for Lin Yin, he smiled happily. "I've always had a good taste in choosing people. I'll leave the rest of the work to you. You don't have to be too rigid with your makeup style. Try your best to make her advantage stand out."

Mu Ran instructed Lin Yin to not be nervous and left the dressing room and rushed to the filming location.

Seeing Mu Ran leave, Ou Jie sized up Lin Yin suspiciously and asked in a low voice, "Little beauty, you're not Mu Ran's sister, are you?"

Lin Yin looked at the well-dressed middle-aged man in front of her and smiled. "No, I haven't known him for long."

Ou Jie nodded thoughtfully and sized up Lin Yin. "If it were anyone else acting with that male demon, Mu Ran, they would probably be ignored. But as for you, I'm confident that you can outshine him!"

Lin Yin shook her head and said to Ou Jie, "Brother Jie, please let me try your best to make me look different from what I look like now. I'll listen to your arrangements."

Ou Jie liked Lin Yin's straightforward personality very much. He nodded confidently and began to choose clothes for her.

He picked the clothes one by one, Lin Yin was like an obedient barbie doll. Under Ou Jie's constant praise and surprise, she kept trying on exquisite and beautiful clothes.

Lu Yan and Yang Xue, who was watching from the side, were a little dazzled. They knew that Lin Yin was beautiful, but they didn't notice that Lin Yin's figure was also curvy.

"Sigh, look at you and then look at me. We're both 17 or 18 years old. There's simply no way I can compare to you!" Lu Yan's gaze landed on Yang Xue's chest and she shook her head helplessly.

Yang Xue covered her chest in a panic and frowned as she said to Lu Yan, "My mother said that every girl has their own unique beauty. We might be beautiful in the heart."

Lu Yan did not feel comforted at all. She looked at Lin Yin, who came out of the fitting room, and could not help but praise her.

“Oh my god, Lin Yin is too good-looking!”

Not only Lu Yan, but everyone in the dressing room was attracted by Lin Yin.

The burgundy tight dress outlined Lin Yin’s exquisite figure even more perfectly. Her fair skin was exquisite and flawless against her black hair, and her moist red lips were sexy and charming, like a blood-red rose that had bloomed in winter. She was coquettish and moving.

“Simply too perfect!” Ou Jie’s eyes were a little fixed. It had been a long time since he was so stunned.

“I didn’t expect that although you’re young, you’re actually suitable for such a mature and sexy style.” Ou Jie had been asking Lin Yin to change her clothes because he felt that the previous clothes weren’t enough to reflect Lin Yin’s beauty. However, the sexy burgundy dress in front of him actually matched Lin Yin’s temperament.

“Darling, come and sit down. I’m confident that I can draw a set of beautiful makeup for you. I guarantee that your parents won’t recognize you!” When Ou Jie saw Lin Yin, his inspiration suddenly erupted, and he finally realized how important the Muse was to artists.

Although Lin Yin was a little uncomfortable with Ou Jie’s exaggerated appearance, since he could completely change her, she had achieved her goal.

Lin Yin sat on the makeup chair cooperatively and closed her eyes slightly. She ignored Ou Jie and let him draw on her face excitedly.

“Oh my god, open your eyes and take a look. I can guarantee that you’ll be the most stunning existence in the camera!” Ou Jie looked at his work in satisfaction. Lin Yin slowly opened her eyes and looked at herself in the mirror.

Without the childishness on the high school student's face, Lin Yin's big almond-shaped eyes were carefully decorated by Ou Jie. She looked dangerous and charming. Her red lips were smeared with a layer of lustrous light, making her look even more beautiful.

Lin Yin looked at the mirror in satisfaction. She probably wouldn't be recognized, because the current Lin Yin looked more like her in her twenties.

"Thank you. I'm very satisfied." Lin Yin nodded slightly at Ou Jie. Then, she stood up and walked towards Lu Yan and Yang Xue.

"No, I must take a photo of you!" Lu Yan took out her phone excitedly. Lin Yin was even more eye-catching than Mu Ran.
