

Real Daughter 81

Chapter 81 Born Protagonist

Lin Yin cooperated and smiled at Lu Yan's camera. She reached out her fair arm and lowered the baseball cap on Lu Yan and Yang Xue's heads. She said softly, "Be careful later. Don't be recognized by the other students in the school. Call me Lin Lin if you need anything, understand?"

Lu Yan and Yang Xue nodded fiercely. The two of them were sure that no one in the entire West Axis Academy would associate the beautiful and sexy woman in front of them with the 18-year-old Lin Yin.

Lu Yan and Yang Xue followed Lin Yin to the filming location. Lin Yin's appearance made everyone stop what they were doing.

"Who is she? The female lead? She's too beautiful!"

"Wow, when she's standing with Mu Ran it's so pleasing to the eye!"

"Is she a new actress? She's so beautiful, I shouldn't have no impression of her!"

...

Discussions sounded from all directions. Although they were all praise and admiration, Lin Yin still didn't like to be the center of attention.

"You..." Mu Ran was also a little stunned when she saw Lin Yin in front of her. Seeing Lin Yin frown slightly, he comforted her softly, "You don't have to care about the gazes of others. Some people are born to be the center of attention."

Lin Yin had a good impression of Mu Ran, and the nervousness in her heart decreased a lot after seeing him.

Under everyone's gaze, Lin Yin and Mu Ran started filming.

As Wei Yuan had sent the script to Lin Yin in advance, the filming went very smoothly. Although it was Lin Yin's first time filming, her reaction timing was not inferior to the experienced Mu Ran.

"Yang Xue, why is it that my idol is clearly present, but my gaze is always attracted to Lin Yin?" Lu Yan and Yang Xue stood in a temporary shed not far away. They couldn't take their eyes off Lin Yin's natural and exciting performance.

"Because she's really beautiful. She's so beautiful that it's difficult to ignore." Yang Xue was also very engrossed in watching. She felt that Lin Yin's body seemed to be glowing.

The director in front of the camera felt a little regretful and asked Wei Yuan, "Can we really only film the girl's side profile and back view?"

"Yes, our concept of filming is like that too. Mu Ran is the protagonist. Moreover, I promised the female lead before that I wouldn't give her too many scenes." Wei Yuan was very surprised by Lin Yin's performance and no longer regretted his efforts.

"What a pity. Such a perfect face is simply born for the camera!" The director sighed softly and turned to Wei Yuan. "Is the girl acting as the female lead a newcomer to Chen Yi Entertainment?"

Wei Yuan shook his head regretfully. "I do want to sign her, but she doesn't seem to have any intention of entering the entertainment industry. I can't force her."

"Sigh, a rare good seedling." The director looked at Wei Yuan and said seriously, "Try your best to keep her. I have a feeling that this girl definitely has the capital to become a superstar. With some nurturing, she won't lose to Mu Ran in terms of popularity in the future."

Wei Yuan was also very interested in Lin Yin. She had a similar aura to Mu Ran. Although she was still young, her aura was enough to suppress many people around her.

There were many students gathered in the corridor of the West Axis Academy's higher floors to watch the commotion. They were not allowed near the scene of filming, but the progress of the filming could be seen from the floor-to-ceiling windows in the corridor.

“Who is that girl? She’s simply my ideal goddess!”

“She should be a new actress. I can’t see her clearly, but there’s no such outstanding girl in our school.”

“That’s right. She’s really amazing. She’s even more eye-catching than Mu Ran. How can the girls in West Axis compare to her?”

...

The students surrounding the window looked surprised when they saw the girl beside Mu Ran. They had never seen such a beautiful and sexy girl in the entire West Axis.

Su Fei stared fixedly at the girl in the red dress beside Mu Ran. She was extremely jealous. The position that should have belonged to her had been snatched away by another girl, and everyone felt that that girl was more suitable!

“Feifei, don’t be sad. That woman must be a celebrity. It’s normal that you weren’t chosen.” Shi Dai noticed that Su Fei was in a bad mood and comforted her softly.

Before Shi Dai could finish speaking, Su Fei’s expression turned even uglier. Although the students behind her were not loud, it still reached Su Fei’s ears.

“Previously, she kept bragging that she would be the female lead. Compared to her, it’s simply like a rose and foxtail. How laughable.”

“That’s right. I don’t think Su Fei is as beautiful as Lin Yin and she’s always arrogant.”

“This time, let her see what it means to overestimate herself! I’m embarrassed for her!”

Chapter 82 Successful Filming

Mockery and laughter sounded from behind. Su Fei bit her lower lip hard and clenched her fists, trembling slightly. She looked around and did not see Lin Yin and Lu Yan. She asked Shi Dai, "Where did Lin Yin and Lu Yan go?"

"Who knows? She wasn't here just now. Perhaps she felt embarrassed that she didn't get chosen and didn't dare to watch!"

Shi Dai blurted out without thinking too much. She noticed Su Fei's low mood and realized that she had said something wrong just now. She hurriedly explained, "Feifei, I mean Lin Yin. I don't mean anything else!"

Su Fei smiled and pretended not to care. She said to Shi Dai, "It's fine. Let's go back too."

Shi Dai did not dare to provoke Su Fei anymore and could only follow her back to the classroom.

Lin Yin and Mu Ran's filming went especially smoothly. Although this was the first time they were working together, Mu Ran and Lin Yin were very tacit. The two days of work had been completed in the afternoon.

"How is it? Are you interested in acting now?" Mu Ran felt that Lin Yin was very talented and liked the relaxed atmosphere with her. He hoped that he could work with her again in the future.

"I think this feeling of being the center of attention suits you better."

Lin Yin looked at Mu Ran and felt that the man in front of her was really suitable to appear on screen. After working with him, she realized that Mu Ran enjoyed the filming process and was a natural actor.

"Lin Lin, you're really amazing!"

Lu Yan and Yang Xue walked over together. Up close, they could feel Lin Yin's beauty again. Lu Yan said exaggeratedly, "Your first fan in the future will be me!"

“Why? Are you abandoning me for another person now?” Mu Ran looked at Lu Yan and deliberately asked regretfully.

“Of course not. I’m prepared to like the two of you in the future! I’ll definitely support you!”

Lu Yan patted her chest confidently and asked Mu Ran weakly, “Idol Mu, can we still come and watch the next time?”

“Of course you can. You’re Lin Yin’s friends. Of course you can watch her participate in the filming together,” Mu Ran said to Lu Yan and Yang Xue. She turned around and reminded Lin Yin, “You did very well today. Continue filming tomorrow. With today’s progress and the weekend, we should be able to wrap up early.”

Lin Yin bade farewell to Mu Ran and the other staff members. She went to the dressing room to remove her makeup and change her clothes before returning to the classroom with Lu Yan and Yang Xue.

As soon as they entered the classroom, Lin Yin and the others heard many students discussing the mysterious female lead who was acting with Mu Ran.

“It’s just that she didn’t get chosen as the female lead, right? Is there a need to hide and not dare to come out to look?” Shi Dai said sarcastically when she saw Lin Yin and the others return.

Lin Yin did not respond to her. Lu Yan and Yang Xue ignored her. They were not angry either. Instead, there was a smile in their eyes.

Shi Dai was a little surprised, but she only thought that they were deliberately covering it up.

Lin Yin noticed the obvious disappointment in Su Fei and felt very happy.

After a discussion, everyone agreed that the woman who was filming with Mu Ran this afternoon should be a new celebrity supported by their company. No one suspected Lin Yin.

After school, Su Fei and Lin Yin returned to the Su Family one after another.

When Chu Yun, who had been looking forward to it for a long time, saw Su Fei, she hurriedly walked forward and asked, "Feifei, how was it today? I saw the news that Mu Ran's movie has started filming. Did it go smoothly?"

Su Fei's expression was a little ugly. Seeing the urgency in Chu Yun's eyes, she stammered, "Mom, the female lead has been decided internally. I didn't participate."

When Chu Yun heard Su Fei's words, she was a little surprised and dissatisfied. Seeing that Lin Yin was acting as if nothing had happened, Chu Yun felt even more uncomfortable.

"How can that be? The results of the vote were clearly out, but they suddenly used someone else. Aren't they deliberately fooling people?" Lin Yin couldn't help but chuckle. When Chu Yun heard this, she turned around and asked her unhappily, "Are you very proud that your sister didn't get chosen? You traitor!"

"Of course not. You'd better reason with Mu Ran's production team. Otherwise, go to West Axis and question the principal. See if they can give Sister an explanation." Lin Yin's tone was very calm, and her attitude was flawless.

Su Zhen, who had heard the entire conversation in the living room, did not look too good either. He stood up and said to Chu Yun and Su Fei, "Alright, what are you guys doing? Haven't you embarrassed yourselves enough?"

Su Zhen was originally happy about Su Fei, but the sudden difference made him a little unhappy.

Chapter 83 Embarrassing

"And you, be careful in the future. Don't be like your sister, who is in a hurry to celebrate when it hasn't been confirmed yet and ends up embarrassing herself!"

Although Su Zhen was talking about Lin Yin on the surface, he was obviously targeting Su Fei.

“I understand, Dad. I won’t embarrass the Su Family.”

After saying that, Lin Yin looked at Su Fei and slowly continued, “Sister, you don’t have to be sad. There will be another chance in the future. Whether it’s glory or embarrassment, you have to grasp it well.”

With that, Lin Yin turned around and went upstairs, leaving Chu Yun and Su Fei behind.

“Mom, I’m sorry. I know I was wrong.” Su Fei felt like she had been betrayed by everyone. She had been mocked in school, and when she returned home, Su Zhen was extremely disappointed in her.

“Sigh, you were indeed careless this time. Just be careful in the future.”

Knowing that Su Fei had not become the female lead of Mu Ran’s movie, Chu Yun could not hide the disappointment on her face, and her attitude towards Su Fei became much colder.

Being left alone in the hall on the first floor made Su Fei feel very upset. Her gaze landed on Lin Yin’s tightly shut bedroom door, and the hatred in her heart intensified.

“Lin Yin, it’s all because of you! If you hadn’t appeared, Dad and Mom wouldn’t have treated me like this!”

Su Fei’s gaze was vicious, but she still did not dare to speak too loudly.

She took out her phone from her pocket and called Zheng Chao.

“Brother Zheng Chao, do you need my help with what you said before?”

Zheng Chao’s voice sounded from the phone. “There’s no need. You’re so soft-hearted. What can you help with? I’ve already arranged it. It’s fine as long as you don’t cause trouble for me.”

“Brother Zheng Chao, didn’t I say that I would stand on your side?” Su Fei said coquettishly. “But Lin Yin is a girl after all. Just let her apologize to you properly. Don’t make things too difficult for her.”

“Yes.” Zheng Chao’s tone was a little perfunctory. He deliberately asked Su Fei, “How does Uncle Su usually treat Lin Yin? If I have a conflict with Lin Yin, will he blame me?”

“No, Dad was so angry with Lin Yin just now. He said that Lin Yin lacks discipline. If anything happens, he will definitely stand on your side.”

Su Fei and Zheng Chao had lied. She knew that with Zheng Chao’s personality of hating evil, if he knew that Lin Yin was not valued in the Su Family, she would definitely have a very miserable ending.

Feeling better, Su Fei began to look forward to the danger Lin Yin was about to face.

The next day, Lin Yin filmed a second time during self-study in the afternoon. Although her personality was a little cold, because of her outstanding appearance, all the staff admired her. The filming process was still very smooth.

When she returned to the classroom, Lin Yin noticed Su Fei looking at her from time to time and felt a little strange. Had she realized that she was the one filming with Mu Ran?

Lin Yin immediately denied her guess because Su Fei looked at her with a faint smile. If she had discovered the truth, how could she have smiled?

She did not know what other plans she had against her, but Lin Yin was not worried. In this life, she was no longer timid and weak. She would retaliate against those who dared to harm her.

After school, Su Fei walked out of West Axis Academy as quickly as possible, found the Su Family’s car, and sat in it.

“Uncle Wu, drive.” Su Fei sat in the backseat and instructed the Su Family’s driver.

“Why don’t I see Little Miss?” Uncle Wu asked Su Fei, who was in the back row.

“Oh, she’s going back with the second daughter of the Lu Family. There’s no need to wait for her.” Su Fei knew that Lin Yin would not take the Lu Family’s car today, but letting Lin Yin be alone was part of Zheng Chao’s plan that she agreed to.

“Okay.” Uncle Wu didn’t suspect anything, because Lin Yin usually wouldn’t take the Su Family’s car back, but she would inform him in advance.

Su Fei’s plan succeeded. Thinking that Lin Yin would be troubled by Zheng Chao and the others, she was very proud and prepared to go home to celebrate.

Lin Yin walked out of West Axis’s gate. After separating from Lu Yan and Yang Xue, she realized that the Su Family’s car was not waiting for her by the road like usual.

Thinking of how Su Fei had left in a hurry, Lin Yin understood.

“Is there a need to plan for the entire afternoon just to let me go home by myself?” Lin Yin shook her head helplessly. She didn’t think Su Fei would be so bored.

West Axis Academy was almost filled with rich children. The students who came out of school would be chauffeured, so there were usually no taxis at the entrance of the school.

Lin Yin walked towards the shortcut, planning to take a taxi home at the next crossroad.

As soon as she walked into the alley, Lin Yin sensed that something was wrong. It was as if someone had been following her from the beginning.

Chapter 84 No One Leaves

Lin Yin pretended not to notice and walked deeper into the alley. Sensing the footsteps behind her getting closer and closer, Lin Yin gradually slowed down.

“Lin Yin!”

Zheng Chao’s voice sounded from behind. Lin Yin turned around and saw Zheng Chao and a group of burly men beside him.

“Why? Are you looking for me?” There was no panic on Lin Yin’s face. She looked at Zheng Chao with a terrifyingly cold gaze.

“Lin Yin, aren’t you very powerful? Let’s see how arrogant you can be this time.” The men behind Zheng Chao all looked like hooligans. When they saw Lin Yin’s appearance, one of the bald men’s eyes revealed greed. He couldn’t help but ask Zheng Chao, “Young Master, are you really going to fight? This woman looks so energetic. It’s a pity if she’s broken!”

Although Zheng Chao also coveted Lin Yin’s beauty, he was more resentful after being humiliated by her time and time again.

“No, we have to beat him up first! We’ll talk about the rest later!”

Lin Yin looked around. Because most of the students in West Axis took private cars, students with ordinary conditions like Yang Xue would also take the school bus at the school gate. There were almost no students like her who walked and prepared to take a taxi, so no one would pass by on this road.

“Save it. This alley was specially prepared for you. No one will pass by and there’s not even a surveillance camera. You’d better know your place and kowtow to me to apologize. Perhaps I’ll let you off when my heart softens!” Zheng Chao saw Lin Yin looking around and thought that she was afraid, so he felt even smugger.

“Is that so? There’s no surveillance video?” Lin Yin looked at the corner of the wall. As expected, there were no cameras. A cold smile appeared on her lips as she said to Zheng Chao, “That’s great. None of you can leave today!”

“Let’s see if you can still laugh later!” Zheng Chao knew that Lin Yin was quite skilled, but he did not believe that six or seven men could not defeat a little girl who had just become an adult!

Zheng Chao waved his hand and the bald man behind him was the first to walk out. Looking at the girl with exquisite facial features in front of him, he grinned and approached Lin Yin with ill intentions. "Be good, call me Brother. I'll be gentler later."

Lin Yin couldn't be bothered to waste her breath on him. When he approached, she suddenly took a step forward, reached out, grabbed the bald man's collar, and threw him back. With a loud bang, the bald man was thrown to the ground.

The other lackeys behind Zheng Chao mocked when they saw the bald man's miserable state.

"Brother Wei, you can't even defeat a woman. How can you survive in front of your brothers in the future?!"

Only Zheng Chao's expression was a little heavy. He ordered the people behind him, "Stop fucking laughing. Attack together!"

Hearing Zheng Chao's words, the men behind him rushed towards Lin Yin at the same time.

Seeing the few people rushing over, Lin Yin's clear eyes seemed to be dyed red. The intent to kill in her eyes seemed to have lowered the temperature around her.

Seeing Lin Yin's murderous gaze, the men stepped back. The girl in front of them was like a red-haired Asura standing at the door of hell, as if they would be tainted with misfortune as long as she approached.

Lin Yin found everyone's flaws and attacked quickly and ruthlessly. Wails sounded continuously, and Zheng Chao's expression became even uglier.

The sound of bones dislocating, the scream of someone falling to the ground, and the change in tone of begging for mercy rang out in front of her. The girl standing in front of everyone was still unharmed, her gaze fierce and cold.

“You’re all trash!” Zheng Chao saw that the men were almost all over the ground. His rationality had been invaded by the anger in his heart, and he rushed towards Lin Yin.

“CEO Lu, don’t worry. The teaching quality and student quality of West Axis Academy are the best in the country!”

Bai Bin and Lu Ming had just finished a board meeting. Bai Bin, as the principal of West Axis, was very polite to Lu Ming, who was the biggest shareholder of West Axis.

Lu Ming did not care. West Axis was not important to the Lu Family. The reason why he was present today was because Lu Yan was studying here.

“President Lu, the students of West Axis will all be outstanding in various industries in the future. Through the efforts of our faculty, every student studying in West Axis will have a good memory.” Director Zhang from the teaching department also carefully echoed.

“Yes, we will ensure the safety and health of every student. We will also pay attention to the comprehensive development of everyone.” Before Bai Bin could finish speaking, a miserable cry came from the alley not far from the school gate.

Chapter 85 Hell Girl

“What’s going on over there?” Lu Ming’s assistant, Shen Yu, looked at the alley and asked Bai Bin in confusion.

“Let’s go take a look.” Cold sweat broke out on Bai Bin’s forehead. He hoped that it was not a student of West Axis. Otherwise, it would have a bad impact.

Lu Ming and the others had just approached the entrance of the alley when they were shocked by the faint smell of blood coming from inside.

“CEO Lu, let me go in.” Shen Yu did not want Lu Ming to encounter anything unexpected.

“No need.” Lu Ming’s eyes were deep. Hearing the continuous screams inside, he quickened his pace.

Director Zhang and Principal Bai hurriedly followed. The few of them walked deeper into the alley and saw a tragic scene in front of them.

“Stop!”

Director Zhang recognized the boy lying on the ground with a face full of blood and hurriedly stopped them.

When Lin Yin heard the sound, she let go of the unconscious Zheng Chao and slowly got up from the ground. She looked up and saw Lu Ming staring at her.

The corners of Lu Ming’s eyes twitched slightly. The first time he saw Lin Yin, she was so beautiful and dazzling that he could not take his eyes off her. The second time he saw her, Lu Ming felt that she was different from her peers. She was confident and mature. This time, she was like a girl from hell, dangerous and charming.

Lin Yin’s fair skin was already stained with many black and red bloodstains. The strong contrast looked especially glaring.

The ground was filled with men. Lin Yin’s figure was delicate, but her eyes were terrifyingly cold.

“It’s you again! Lin Yin!” Director Zhang walked forward to check Zheng Chao’s injuries on the ground and looked at Lin Yin with a complicated gaze.

This girl always caused trouble in school, but it was really scary that she could defeat so many men alone.

“CEO Lu, this was just an accident. Don’t worry, I’ll definitely handle it well. I definitely won’t let such a dangerous student continue to stay in West Axis Academy,” Bai Bin explained to Lu Ming as he wiped the sweat off his forehead.

Lu Ming ignored Bai Bin and walked past him towards Lin Yin.

“Are you injured?” Lu Ming took out a silk handkerchief from his pocket and gently wiped away the blood on Lin Yin’s face. Although his tone was cold, his actions were very gentle.

Lin Yin shook her head and looked at the tall man in front of her, the corners of her lips curling up slightly.

Lu Ming, it turned out that you were still the same as in your previous life. Although you look cold, you’re still nosy.

Bai Bin and Director Zhang were a little surprised to see Lu Ming’s actions. Bai Bin reacted and hurriedly changed his words. “Student, are you injured? So many people bullied you. You must be frightened, right?”

When Director Zhang saw Principal Bai’s change, he explained to Lu Ming, “Student Lin Yin has always been very outstanding. She even got first place in the previous mock examination. These brats must be looking for trouble with her. President Lu, don’t worry. I’ll definitely handle this matter well and give you and Miss Lin an explanation!”

Although Zheng Chao’s family background was not bad, it was not worth mentioning compared to Lu Ming. Director Zhang could still understand such a small matter.

Lu Ming looked at Lin Yin, took off his suit, and draped it over her bloodstained body.

“Let’s go. I’ll take you home.”

Lu Ming ignored the apologetic Bai Bin and Director Zhang and left the alley after talking to Lin Yin.

Lin Yin did not refuse. It would be strange if she was not treated as a murderer if she went to take a taxi like this.

Shen Yu drove in front and Lin Yin sat in the back with Lu Ming without saying a word.

Lu Ming looked at Lin Yin beside him. There was still some blood on her face and her hair was a little messy. At this moment, she had a sense of fragility and beauty.

“Is someone looking for trouble with you? Do you need my help?” Lu Ming’s voice was magnetic, and his caring tone sounded sexy in the enclosed space of the car.

“It’s just a few idiots. I can settle it myself.” Lin Yin was afraid of dirtying Lu Ming’s car, so she only occupied a small space.

Suddenly, the car braked. Lin Yin suddenly fell forward and was held by a long and strong hand.

Lin Yin smiled at the man beside her and said, “Thank you. You’ve already helped me many times.”

“I’m sorry, CEO Lu. A child suddenly ran over. Are you and Miss Lin alright?” Shen Yu explained apologetically.

“I’m fine.” Lu Ming let go of Lin Yin’s hand, and his heart beat faster. It was unknown if it was because of the sudden brake of the car or the girl’s grateful gaze.

“Have I helped you many times?” Lu Ming remembered what Lin Yin had just said and asked in confusion.

Lin Yin nodded. “Yes, at least in my heart, you’re a very reliable person.”

Chapter 86 Unrelated

Lu Ming’s expression was a little ugly. This little girl probably treated him as an elder.

The car arrived at the entrance of the Su Family. Lin Yin glanced at the suit jacket that was already stained with blood and said apologetically to Lu Ming, “I’m sorry for dirtying your clothes. I’ll clean them up before returning them to you.”

Lu Ming did not refuse and nodded. He watched Lin Yin enter the Su Family before instructing Shen Yu to drive.

As soon as Lin Yin entered the hall, she saw Su Fei lying on the sofa, wearing a facial mask and eating fruits.

“You left me alone at the entrance of West Axis School. You’re quite relaxed at home.”

Lin Yin’s ruthless voice sounded from behind. Su Fei suddenly straightened up from the sofa, and the mask on her face fell.

“You! How is that possible...” Su Fei’s pupils trembled slightly as she looked at the unharmed Lin Yin in disbelief.

Didn’t Zheng Chao find many gangsters? Lin Yin was alone. How could she appear here unscathed?

“What’s impossible? Or do you think that something should’ve happened to me?”

Lin Yin placed her hands on the back of the sofa and stared down at Su Fei, admiring the timidity and uneasiness in her eyes.

“Nothing.” Su Fei avoided her gaze and inadvertently saw the ill-fitting man’s coat on Lin Yin. She pretended to be concerned and asked, “Sister, where did you go? You’re still wearing someone else’s clothes. Take them off quickly. Don’t let Mom and Dad see them. It won’t be good.”

Lin Yin looked at the hypocritical Su Fei and slowly took off Lu Ming’s coat and draped it over her arm. She leaned closer to Su Fei. “Don’t you know where I went?”

Seeing the shock on Su Fei’s face, Lin Yin pointed at the dried blood on her body and smiled at Su Fei. “Sister, the fiancé you chose is really too lousy.”

Lin Yin saw Su Fei's increasingly pale face and whispered in her ear, "He's so frightened that he begged for mercy after only bleeding a little. You really should go and see for yourself."

Su Fei's body stiffened. As Lin Yin approached, she smelled the faint smell of blood on Lin Yin. Su Fei could no longer control her emotions, and her voice was trembling. "What did you do? How's Brother Zheng Chao now?"

Lin Yin pinched Su Fei's chin hard. Seeing her cry in pain, she smiled in satisfaction. "What can I do? Whether your fiancé is dead or crippled has nothing to do with me."

Hearing Lin Yin's words, Su Fei's eyes widened in fear. She looked at the grim reaper-like girl in front of her and was afraid and angry. "Lin Yin, you're simply a lunatic!"

"Lunatic?" Lin Yin was very satisfied with Su Fei's expression. She looked at her with a deep and solemn gaze. "If I really was, you wouldn't be sitting here in one piece now."

Su Fei's back broke out in cold sweat. She didn't know when it started, but she felt that Lin Yin was becoming more and more terrifying.

"The Zheng family won't let you off!" Su Fei didn't know Zheng Chao's situation, but she knew that in Su Zhen's heart, the Zheng family was much more important than Lin Yin.

"Thank you for your reminder, but I won't let them off either. Of course, that includes you." Lin Yin's tone was very cold, but it made Su Fei panic.

"You're restless the moment you come back!" Chu Yun heard the voice downstairs and knew that Lin Yin was back.

She saw Su Fei on the sofa with tears on her face and Lin Yin standing at the side. Without thinking, she walked up to Lin Yin.

"Have you ever treated Feifei as your sister?!" Chu Yun knew that Su Fei had a weak personality. If she hadn't protected her, she might have been bullied by Lin Yin.

“Why should I treat someone who has nothing to do with me as my sister?”

Lin Yin had had enough of Chu Yun’s favoritism. In her previous life, she had tried her best to accommodate Chu Yun’s request and be an obedient daughter. She did not dare to offend Su Fei.

But what did she get in the end? No matter what she did, Chu Yun and Su Fei would never accept her. She might as well end this fake family relationship from the beginning.

“Nothing to do with you? Feifei is my daughter! As long as I’m here, she’s your sister. No one can chase her out of the Su Family!” Chu Yun shielded Su Fei behind her and looked at Lin Yin with a ferocious expression.

“So I’m your daughter too? I really couldn’t tell.” Lin Yin’s eyes were cold. She had long lost hope for the mother and daughter in front of her.

Holding Lu Ming’s clothes, Lin Yin turned around and went upstairs.

Although she was not injured, Lin Yin was still a little tired. What was in front of her made her feel depressed and annoyed.

Chapter 87 Didn’t Dare to Look at Her

“You still have the guts to come back!”

Su Zhen walked out of the study angrily. When he saw Lin Yin, he scolded angrily, “The Zheng family called. Zheng Chao is in the hospital now and is unconscious. Look at what you’ve done!”

There was no panic on Lin Yin’s face. She looked straight at Su Zhen and asked, “I did it? What evidence is there?”

“You’re still stubborn! The Zheng Family said that Zheng Chao’s friends all said that you injured him. Do you think you can escape?”

Su Zhen looked at the expressionless Lin Yin and was furious. The Zheng Family was a very good business partner, so Su Zhen had the intention for Su Fei to marry Zheng Chao. Now that something like this had happened, the relationship between the two families was probably not as good as before.

Lin Yin looked at Su Zhen and smiled. "You suspect your daughter because of a few outsiders. You're really such a qualified father!"

Su Zhen felt a little guilty after Lin Yin's words. He had been a little suspicious, but on the phone, the Zheng couple's attitude was bad and they were agitated. He was also frustrated, so he vented his anger on Lin Yin.

"No matter what, follow me to the hospital now. We have to give the Zheng Family an explanation for this!" Su Zhen's tone was firm.

When Su Fei saw Su Zhen berating Lin Yin, she was secretly happy. She tugged at the corner of Chu Yun's shirt and whispered, "Mom, I'm also very worried about Brother Zheng Chao. Can we go together?"

Chu Yun nodded, satisfied with Su Fei's understanding. "We should go. Pack up. Mom will accompany you."

Lin Yin looked at the mother and daughter who were helping each other to the second floor and felt a little disgusted. She turned around and followed Su Zhen out of the Su Family's door. She was curious about how Zheng Chao's expression would be when he saw her.

The sky outside the house gradually darkened. Lin Yin looked at the suit jacket in her hand and put it back on.

The Su Family took a car to the hospital where Zheng Chao was.

As soon as they reached the door of the ward, they saw Zheng Feng with a serious expression.

"In-law, how's Little Chao now?" Su Zhen had a smile on his face, but Zheng Feng snorted coldly.

“How is he? The doctor said that there might be aftereffects! Look at the good daughter you raised!”

Zheng Feng only had one son, Zheng Chao. He was especially indulgent of him. Seeing that Zheng Chao was unconscious, he wished he could cut the person who hurt his son into pieces.

“Could there be a misunderstanding? Little Yin is a girl after all.” Su Zhen’s tone was also a little dissatisfied. After all, the Su Family and the Zheng Family were on par. He could not accept Zheng Feng’s domineering attitude.

“Misunderstanding?” Zheng Feng looked at Lin Yin, who was behind Su Zhen, and found it unbelievable. How could such a petite girl hurt Zheng Chao so badly?

“I hope it’s a misunderstanding! But everyone else present said that your daughter did it!” Zheng Feng shook his head helplessly and his tone towards Su Zhen softened a little. “Go in and ask for yourself. The witnesses are all inside.”

Under Zheng Feng’s lead, Su Zhen, Lin Yin, and the others entered the ward.

As soon as she entered, she heard countless wails caused by pain.

The moment a bald man wrapped up like a mummy saw Lin Yin enter, he struggled violently.

The other people who were still conscious reacted violently when they saw Lin Yin.

“This?” Su Zhen was a little puzzled. He looked at Lin Yin behind him and asked, “Little Yin, do you know them?”

“No,” Lin Yin shook her head and said coldly.

She was not lying. How could she know someone she had only beaten up once?

When the injured men heard Lin Yin's words, they didn't dare to make a sound. The girl's eyes were dark and deep, as if she would kill them if they said anything wrong.

Zheng Feng pointed at a man with blond hair sitting in the corner. "Didn't you say that the person who injured Young Master was the youngest daughter of the Su Family?"

The blond man met Lin Yin's gaze and his body trembled slightly. He was usually timid, so he had been hiding at the back when he fought with Lin Yin just now, which was why he was the least injured.

"Speak! This is my youngest daughter, Lin Yin. Was she the one you saw just now?!" Su Zhen was a little puzzled by the man's abnormal reaction and asked in an unfriendly tone.

"Pro, probably... I hurt my head and can't remember clearly," the blond man said with a trembling voice. He didn't dare to hide it from Zheng Feng and was a little afraid of Lin Yin.

Zheng Feng was about to say something when he heard his phone ring in his pocket.

"Hubby, our son is awake. Come back and take a look!" His wife, Zhou Ping, 's sobbing voice sounded from the phone.

Zheng Feng hung up and said to Su Zhen, "Let's go. We'll know what's going on when we hear what Little Chao says later."

Chapter 88 Man's Coat

Lin Yin followed the Su Family and Zheng Feng into the elevator to the VIP ward.

There was a doctor standing in front of Zheng Chao's bed and a middle-aged woman with a worried expression.

Seeing Zheng Feng and the others enter, Zhou Ping hurriedly cried to Zheng Feng, "What should we do? Hubby, the doctor said that our Little Chao's leg might have aftereffects."

When Zheng Feng heard his wife's words, he asked the doctor beside him, "Doctor, is there a possibility of a complete recovery?"

"It will definitely be much different from when he's in a completely healthy state. He can't run or jump violently or do extreme sports. His walking will be affected, but if it's managed well, his daily life shouldn't be affected too much." The doctor instructed his family on some things to take note of before leaving.

Zheng Feng's expression was a little heavy. He could not accept any accidents happening to Zheng Chao. He could not accept that he had a physically disabled son.

"Little Chao..." Zheng Feng looked at his son, who was still wearing a breathing mask on the bed, and asked, "Who injured you? Was it really Su Zhen's youngest daughter who did it?"

Su Zhen and Chu Yun stood at the side and looked at Zheng Chao nervously.

Ever since they entered the ward, they had not dared to make a sound because Zheng Chao was really too injured.

There was thick white gauze wrapped around his body in many places. The bruises on his face were still obvious and looked shocking.

When Zheng Chao heard his father's words, he looked up and realized that the members of the Su Family were standing behind his father and Lin Yin was still staring at him coldly.

Zheng Chao wanted to tear the woman in front of him apart, but out of pride, he really did not want to admit that it was the woman in front of him who had beaten him up like this.

The hatred in Zheng Chao's eyes intensified. He stared at Lin Yin and noticed the ill-fitting men's coat she was wearing.

“Dad, it’s not Lin Yin.” Zheng Chao noticed the surprise in Lin Yin’s eyes and continued, “I saw Sister Lin Yin naked hugging a middle-aged man in the alley. I thought she was being bullied, so I went forward with my friends to stop them.”

Lin Yin looked at the weak Zheng Chao on the bed and a cold smile appeared on her lips. What was so embarrassing about being beaten by her? Since he wanted to make things up, he had to bear the consequences!

Lin Yin’s expression did not change as she continued to listen to Zheng Chao’s nonsense.

“But I didn’t expect that the middle-aged man seemed to be Sister Lin Yin’s boyfriend. When they realized that we saw them, they flew into a rage and injured us.”

Zheng Chao was still a little dizzy. After saying these words, he looked at Lin Yin proudly, but he realized that she was neither afraid nor defensive.

“Brother Chao, did you really see it clearly? If you say that, my sister’s innocence is going to be ruined!” Su Fei pounced on Zheng Chao’s bed and deliberately said with heartache, “Even if you’re discovered, you can’t hit someone like this...”

When Zhou Ping heard her son’s words, she walked towards Lin Yin. “Natural b*tch! Tell me! Which wild man injured my son like this?!”

Lin Yin was a little speechless. Zheng Chao’s ability to make up stories was really bad, but looking at the fierce-looking woman in front of her, she smiled. “I haven’t seen anyone else. If Zheng Chao knows, let him find them himself!”

Zhou Ping looked at Lin Yin’s nonchalant attitude and raised her arm high to slap her face.

“You!”

Zhou Ping looked at Lin Yin grabbing her wrist in disbelief. She struggled but could not shake it off.

“Little Yin! Don’t be rude to Auntie!” Su Zhen wanted to pull Lin Yin back, but she avoided him without a trace.

Lin Yin let go of Zhou Ping’s wrist and turned to say to everyone in the ward, “If you want to ask questions, I’ll accompany you. If you want to get physical, look at your own abilities first!”

The house was a little quiet. Su Fei also noticed that Lin Yin was wearing a coat that did not belong to her.

“Sister, your clothes...” Su Fei’s words made everyone present notice the man’s coat on Lin Yin.

“You still say that there’s no wild man? You’re still wearing his clothes. Shameless b*tch!”

Zhou Ping was very agitated. As the high and mighty Madam of the Zheng Family, no one had ever been as rude to her as Lin Yin.

“Little Yin, tell us about that man. Uncle Zheng won’t make things difficult for you.” Su Zhen didn’t want to fall out with the Zheng Family. It would be best if he could find a scapegoat. Nothing else mattered. Anyway, he didn’t care about Lin Yin’s reputation.

“A man?” Lin Yin looked at the high-end suit she was wearing and felt a little helpless.

She wore it casually because she was afraid of the cold. She did not expect so many things to happen.

Chapter 89 Can’t afford to offend

Lin Yin thought for a moment and suddenly thought of something. She asked Zheng Feng, “Uncle Zheng, I want to ask who sent Zheng Chao to the hospital?”

Zheng Feng looked at the girl’s overly calm expression and did not understand. Even if the Zheng Family did not hold her responsible, her reputation would be ruined in the future. Why was she still so calm?

“It’s Principal Bai from West Axis Academy. He discovered Little Chao in the alley and accompanied him in the hospital for a long time. He only left the hospital when we arrived.” After saying that, Zheng Feng continued to observe Lin Yin’s condition.

“Oh, Principal Bai.” Lin Yin smiled and had a plan. “You can call Principal Bai over. Everything will be easy to explain. I’ve never seen any wild man. The one who wanted to make things difficult for me was Zheng Chao himself.”

Lin Yin glanced at Zheng Chao, who could not move on the bed, and walked in with a smile in her eyes. “As for Zheng Chao’s injuries, I was the one who hit him, but it was considered self-defense.”

“Nonsense! Lin Yin, do you really have to do this to protect that wild man?” Zheng Chao was furious, but he still couldn’t move on the bed.

“Little Chao, don’t be agitated. Mom will help you!”

Zhou Ping looked at her son with heartache. Then, she rushed towards Lin Yin. As she tore off her coat, she shouted crazily, “Who is it? If you don’t tell me, don’t even think about leaving!”

Lin Yin looked at the almost crazy woman in front of her and frowned unhappily.

She still had to return the jacket that belonged to Lu Ming. With so many people present, she couldn’t kill Zhou Ping.

Lin Yin could only dodge. In her panic, a black business card fell out of her jacket.

Zheng Feng picked up the business card on the ground and brought it close to take a look. When he saw the name glowing on the business card, his body trembled and he gasped.

“Stop fooling around!” Zheng Feng shouted at Zhou Ping.

Zhou Ping was shocked by Zheng Feng. When she saw the business card in Zheng Feng's hand, she hurriedly asked, "Hubby, who is it?! Is it that wild man?!"

"What wild man?! You're just a woman, and the juniors are all present. Why are your words so unpleasant?!" Zheng Feng's expression was ugly as he smiled bitterly at Lin Yin, who was in front of Zhou Ping.

Su Zhen noticed Zheng Feng's abnormality and walked closer to him. Under the light, he saw the low-key and luxurious name on the business card, and his pupils suddenly constricted.

Lu Ming! Su Zhen was a little shocked. The coat that Lin Yin was wearing was actually Lu Ming's. No wonder old fox Zheng Feng had become like a quail. Lu Ming's strength was something even ten Zheng Family families could not afford to offend.

Su Zhen looked carefully at the black suit on Lin Yin's body. It was indeed haute-couture. The fabric and workmanship were not something ordinary people could wear. If his youngest daughter could get close to Lu Ming, who in the entire business world would dare to look down on him in the future? Su Zhen was secretly happy and looked at Zheng Feng with a smug gaze.

"It's getting late. You should go back and rest first. We'll talk about it later." Zheng Feng carefully placed Lu Ming's business card back in Lin Yin's hand.

Lin Yin looked at the business card in her hand and suddenly understood. It seemed like Zheng Feng treated Lu Ming as the man she was with. She did not expect Lu Ming's name to be so effective. It could make a person have such a huge difference.

"Don't. The matter still has to be resolved. Uncle Zheng, let's call Principal Bai over." Lin Yin didn't want Lu Ming to be misunderstood, and she had no intention of troubling him.

"No, no. It's too late. Principal Bai also needs to rest. Let's all go to school tomorrow to talk." Zheng Feng's change shocked everyone, including Zhou Ping, who was standing beside him.

"Hubby! You're confused. You can't let this wretched girl go back no matter what!"

Zhou Ping still wanted to say something, but Zheng Feng pulled her behind him and gave her a warning look.

He turned around and said apologetically to Su Zhen and Chu Yun, "In-law, I've troubled you tonight. Go back and rest early. We'll talk tomorrow."

Su Zhen knew very well, but he was still very polite on the surface. He pretended to exchange a few pleasantries with Zheng Feng and left the hospital with his family.

As soon as they left the hospital, Su Zhen couldn't wait to pull Lin Yin's arm. He asked with a smile, "Little Yin, when did you get to know President Lu?"

Lin Yin moved away from Su Zhen in disdain and said impatiently, "Lu Yan and I are friends. Is there a problem with me knowing her uncle?"

Su Zhen looked at Lin Yin excitedly, as if he had discovered a treasure. "Of course not. You and CEO Lu..."

Chapter 90 Completely Covered

Lin Yin felt disgusted when she saw the greed in Su Zhen's eyes. In her previous life, he was the same. He could sell his daughter to achieve his goal.

"It's okay!" Lin Yin said coldly and sat back in the car.

Seeing Lin Yin's deliberate estrangement, Su Zhen was not angry.

Thinking of her young and beautiful face, Su Zhen was very proud. As long as he could be related to Lu Ming, not to mention marrying into the Lu Family, even if she became Lu Ming's lover, it would definitely be beneficial to the Su Family.

He chuckled and followed Lin Yin into the car. Su Fei and Chu Yun were a little confused.

“Mom, what’s going on? Why are Dad and Uncle Zheng...” Su Fei was indignant. It was clearly the best opportunity to punish Lin Yin, so why did Zheng Feng and Su Zhen suddenly let her off?

“Who knows what they’re thinking?” Chu Yun’s expression was not good either. She thought for a moment and said to Su Fei, “But it’s a good thing that the Zheng family won’t pursue the matter. After all, after you get together with Zheng Chao, there won’t be any estrangement because of this.”

Su Fei nodded obediently, but she felt very uncomfortable. From what the doctor had said just now, Zheng Chao would have a disability in his leg in the future. Although it would not affect his normal life, Su Fei did not want to marry a piece of trash that could not even deal with Lin Yin.

That night, the Su Family had their own thoughts. The next morning, Lin Yin was about to go to school when Su Zhen stopped her.

“Little Yin, Principal Bai said that we have to go to the school to talk to the Zheng Family in the morning. Mom and I will accompany you. You don’t have to worry.”

Lin Yin looked at Su Zhen, who was different from yesterday, and did not reply. Instead, she walked out of the Su Family with Su Zhen.

When Lin Yin and the Su couple arrived at the principal’s office, Zheng Feng and Zhou Ping were already there.

“Lin Yin, how are you?” When Bai Bin saw Lin Yin, he got up from his chair enthusiastically.

Lin Yin knew that Bai Bin would not make things difficult for her. She had already seen how practical the leaders of West Axis Academy were from the scene yesterday. In their eyes, the truth was not important. What was important was who had caused the accident. West Axis had always been like this. Whoever had more power was the truth.

“Principal Bai, it was clearly my son who was injured...” Zhou Ping muttered unhappily when she saw Bai Bin’s concern for Lin Yin, but Zheng Feng hurriedly stopped her.

“Oh, how’s Student Zheng Chao?” Bai Bin gestured for the Su couple to sit down and sat back down.

“Although he’s awake, he’s injured so seriously. How can he recover?” Zhou Ping gently wiped the tears from the corners of her eyes and glared at Lin Yin. “Principal Bai, something happened to my son at the school gate of West Axis. You have to give me an explanation!”

Bai Bin pushed his glasses up the bridge of his nose. He had long expected the Zheng family’s words. In order not to offend Lin Yin, who was protected by Lu Ming, Bai Bin had already made preparations.

“Mrs. Zheng, calm down first.” Bai Bin looked at the calm Lin Yin and sighed. “If the Su Family doesn’t pursue this matter, our school won’t expel Zheng Chao.”

Bai Bin’s words surprised everyone except Lin Yin.

Su Zhen confirmed his guess. Lu Ming was the largest shareholder of West Axis. How could Bai Bin offend Lu Ming for the Zheng Family?

“Principal Bai, you saw it yesterday. The one who was injured is my son, and the one who was hospitalized is also my son!”

Zhou Ping looked at the dark-faced Zheng Feng beside her and was even angrier. After the Su Family left yesterday, Zheng Feng had been reminding her not to offend Lin Yin. Now that she was bullied like this, she could not take this lying down.

“If you want to expel someone, you should expel that b*tch Lin Yin! She was the one who misbehaved! What did my son do wrong?”

“Mrs. Zheng, watch your words. This is a school!” When Bai Bin heard Zhou Ping scold Lin Yin, he heaved a sigh of relief. He took out the computer he had prepared and played a video.

“This is the surveillance camera at the intersection of the alley. Although we can’t see what’s going on inside, we can see at the intersection that it’s the scene of your son, Zheng Chao, entering with a group of gangsters holding sticks.”

Zhou Ping looked at the recording and said unhappily, "That's because my son saw her with another man..."

"Shut up!"

Zheng Feng and Bai Bin spoke at the same time, scaring Zhou Ping.

Bai Bin shook his head and continued, "Mrs. Zheng, I hope you can understand the situation. When Director Zhang and I arrived yesterday, we saw Zheng Chao and a group of hooligans bullying Lin Yin."

Bai Bin apologized to Su Zhen and Chu Yun, "Fortunately, Student Lin Yin is smart and alert. Otherwise, West Axis Academy really wouldn't be able to bear this responsibility."
