

Real Daughter 91

Chapter 91 Final Examination

Zhou Ping's face was ashen. Zheng Feng also understood what Bai Bin meant. No matter what the truth was, Bai Bin was determined to protect Lin Yin.

Su Zhen and Chu Yun were also a little surprised. They did not expect things to develop in this direction.

This was the first time Lin Yin had enjoyed such treatment. In her previous life, she was like an ant that anyone could step on.

This time, she had borrowed Lu Ming's light. If she wanted such a life, she had to stand at the same height as Lu Ming.

Zheng Feng and Zhou Ping left the principal's office with ashen expressions. Su Zhen did not make things difficult for the Zheng family, indicating that they would discuss it after Zheng Chao recovered.

Only Lin Yin and the Su Family were left in the principal's office. Bai Bin enthusiastically made them two cups of tea.

"Lin Yin is really outstanding. She even got first place in the last mock exam."

Su Zhen and Chu Yun widened their eyes in disbelief. Neither of them had expected that Lin Yin, who came from a poor background, could actually get first place in West Axis.

Bai Bin noticed the Su couple's shocked expressions and immediately understood. The Su Family did not seem to be close to Lin Yin, their daughter. After all, they had just reunited and did not know each other well, so they did not care about her results.

Bai Bin looked at the silent Lin Yin. The girl in front of him was very beautiful, and she had a noble and cold aura. He did not know if it was because of this that Lin Yin was favored by Lu Ming.

Lin Yin noticed Bai Bin's gaze and looked over unhappily. After all, she did not have a good impression of such a sinister person who prioritized benefits.

"Principal Bai, you're too kind. Little Yin is lucky to be able to study in West Axis." The smile on Su Zhen's face never faded. He flattered Bai Bin hypocritically, it was like he enjoyed the feeling of being praised.

After leaving the principal's office, Su Zhen looked at Lin Yin in front of him and felt especially comfortable. "Little Yin, go to school well. If you need anything in the future, just tell Dad. Don't stand on ceremony."

Lin Yin smiled and nodded. She turned around and walked towards the classroom downstairs. Thinking of Su Zhen's words, Lin Yin's eyes gradually turned cold. What she really wanted was probably not something Su Zhen could afford.

"Old Su, what's wrong with Lin Yin?" Chu Yun had also suffered a huge blow because of Bai Bin's words. The wild girl who was worthless in her heart was actually so outstanding in the eyes of the principal of West Axis

"Sigh, this girl is promising." Su Zhen thought more and more highly of his daughter, Lin Yin. No matter who it was, as long as they could bring him benefits in business, they were good children worthy of being valued.

"You should pay more attention to Lin Yin in the future. Don't always be biased towards Feifei," Su Zhen said to Chu Yun with some complaints.

Thinking of her previous actions, Su Zhen was a little worried that Lin Yin would hate them.

"What are you saying? It's just that my heart aches for Feifei" Chu Yun thought of Lin Yin's gaze and felt a little scared. "Lin Yin is always strange and doesn't get close to us. Anyway, I can't accept her."

"Even if you can't accept it, you have to accept it. Don't forget that Lin Yin is our biological daughter."

Su Zhen's tone was a little tough. Zheng Chao could not compare to Lu Ming at all. Su Zhen wanted to get close to the Lu Family, so he was especially concerned about Lin Yin.

When she returned to the classroom, the teacher who was in class knew that Lin Yin had gone to the principal's office. He nodded at her and gestured for her to return to her seat.

"Lin Yin, why are you so late?" Lu Yan lowered her voice and said in a voice that only Lin Yin and herself could hear, "You still have to film in the afternoon. You're so late. How many classes can you attend?"

Lin Yin looked at the person in front of her who slept the moment class started and asked, "You slept until you're confused. Why are you suddenly concerned about studies?"

"Don't mock me. My mother gave me an ultimatum. If I am still last for the final exam, she'll make me retain." Lu Yan looked aggrieved.

"Your family really care about your results?" Lin Yin was a little confused.

Logically speaking, with the Lu Family's power, there was no need for them to be so harsh on Lu Yan. Even if her results were very bad, the Lu Family had the ability to let Lu Yan attend a good university.

"No, it's just that my mother cares more." Lu Yan sighed helplessly. "But my father listens to my mother, so the entire family cares."

When the bell rang, Lin Yin and Lu Yan spoke much louder.

"Then try to learn. There's still a month before the final exam. There's still hope of getting rid of the last place." Lin Yin felt that Lu Yan was very smart. The reason why her results were not good was that she spent most of her time sleeping like Gong Ze.

Chapter 92 Showing Off On Purpose

“It’s easy to say. I’ve already made eight tutors so angry that they left...” Lu Yan was a little dejected. She leaned on the table. “Lin Yin, am I not able to graduate with you and Yang Xue?”

“Don’t be discouraged. Don’t you still have Lin Yin?” Yang Xue heard their conversation and walked over from the front row. She smiled and said, “Lin Yin is the top student in the cohort. Can’t you just let her teach you?”

Lu Yan’s eyes lit up as she asked Lin Yin, “Darling, do you have any tricks to quickly improve grades?”

Lin Yin looked at the starry-eyed Lu Yan and shook her head helplessly. “Let me say this first. I can tutor you, but the speed at which your results improve depends on your ability in absorbing it.”

“Okay, Teacher Lin. I’ll definitely work hard.” Lu Yan thought for a moment and asked Lin Yin, “Then from tomorrow night onwards, come to my house to tutor me, okay?”

Lin Yin didn’t want to dispel her enthusiasm. She nodded and looked at Yang Xue. “Yang Xue, do you want to come too?”

“Forget it. My mother will be alone at home at night. I still want to go back early.” Although Yang Xue liked to stay with Lin Yin and Lu Yan, she still rejected their kindness.

“Lin Yin, will there be a problem with your family?” Lu Yan didn’t know much about Lin Yin’s other family members. She only knew about the annoying Su Fei.

“No, don’t worry.” Lin Yin was sure that if Su Zhen knew that she was going to the Lu Family, he would want to pick her up personally. She knew Su Zhen’s character too well. He was a person who curried favor with the rich and powerful.

In the classroom, Su Fei noticed Lin Yin chatting and laughing. She was a little puzzled. Why was she still safe and sound after being called to the principal’s office? There was no uneasiness or sadness on her face.

Could it be that no one would pursue the matter after Lin Yin beat Zheng Chao up like that? Su Fei held the pen in her hand tightly. Lin Yin's smile was especially dazzling in her eyes.

"Feifei... are you okay?" Shi Dai noticed Su Fei's abnormality and was a little worried.

Realizing that she was looking at Lin Yin, Shi Dai sighed and said, "I thought that you would be the one to squeeze Lin Yin out and film with Mu Ran and I would have a chance to meet my idol."

"Is the management of the filming location very strict?" Su Fei asked casually.

"Yes, it shouldn't be so strict, but I heard that the female lead who filmed with Mu Ran doesn't like to be watched, so they cleared the scene in advance."

Shi Dai said jealously, "She's not famous to begin with, but she's quite arrogant. I don't think she'll be famous in the future."

The current Su Fei was not in the mood to pay attention to any female celebrity. Just Lin Yin was enough to give her a headache.

After being depressed for the entire afternoon, when Su Fei returned home, she saw Su Lin in the hall and a few rows of exquisite luxury women's clothes behind him.

Su Fei's eyes lit up as she said coquettishly to Su Lin, "Brother, why haven't you come home to see me for so long?"

Su Lin looked at Su Fei in front of him and explained with a gentle gaze, "I can't pull away from my work. Otherwise, why wouldn't I go home to see you?"

Because the Ma Family had deliberately made things difficult for the Su Corporation's business previously, Su Zhen had also left a lot of mess for Su Lin, causing him to not have time to go home.

“Brother is still the one that treats me the best. You know how to treat me well.” Su Fei shook Su Lin’s arm gently, her gaze long attracted by the clothes behind him.

Su Lin understood what Su Fei meant. He shook his head awkwardly and explained, “I really didn’t prepare it. Dad probably bought it for you.”

When Su Fei heard Su Lin’s words, she was even more surprised. Compared to Su Lin’s concern, she naturally hoped to be valued by Su Zhen.

The brand manager standing at the side noticed Su Fei’s gaze and explained, “President Su asked us to send the clothes over so that you can choose whatever you want. If you need anything else, we can change them immediately.”

Seeing the woman in formal clothes being timid, Su Fei was very satisfied. It seemed that Su Zhen still cared about her. Her status in the Su Family was unshakeable to Lin Yin.

“Feifei, Daddy still cares about you a lot.” Su Lin was also very happy to see the joy in Su Fei’s eyes.

Previously, Su Lin had been worried that Su Fei would be bullied by Lin Yin. It seemed like his parents still cared about Su Fei very much. He had worried too much.

As soon as Lin Yin entered the house, she saw the commotion in the hall.

When Su Fei saw Lin Yin, she couldn’t hide the smugness in her eyes. She bragged, “Sister, these are all the clothes Dad prepared for me. Come and see if there’s anything you like. I have too many clothes anyway.”

Chapter 93 Complete Collapse

When the brand manager standing at the side saw Lin Yin, surprise flashed across her eyes. Although Su Fei could be considered beautiful, the Lin Yin in front of her was irresistible.

Lin Yin's expression was cold. Although she didn't say anything, it was enough to attract everyone's attention.

She had a noble and cold aura, which was what a real daughter of a rich family should be like.

The brand manager recalled Su Zhen's instructions and asked nervously, "May I know which one of you is Little Miss?"

Hearing the woman's words, Su Fei's expression turned ugly. She questioned the woman, "What do you mean?"

The brand manager explained awkwardly, "President Su instructed me to prepare these clothes for Little Miss. I'm sorry, I was negligent and didn't express myself clearly."

Su Fei's expression had completely darkened, but Lin Yin looked at her as if nothing had happened and said faintly, "I have enough clothes to wear. Why don't you come and choose a few?"

Su Fei suppressed the hatred in her heart as tears welled up in her eyes.

"Thank you, I don't need it." Su Fei couldn't control her emotions and ran towards the bedroom on the second floor.

"Feifei!" Su Lin was a little anxious. He looked at Lin Yin resentfully and scolded, "She's your sister after all. How can you treat her like this?"

"What about me?" Lin Yin spread her hands innocently and smiled. "I just returned her words. What's wrong with that?"

Su Lin was speechless. He glared at Lin Yin and chased after her to the second floor.

"Little Miss, do you have any other instructions?" the brand manager asked carefully when she saw that only Lin Yin was left.

“It’s okay. Leave the clothes. You can go back.”

Lin Yin instructed the servants at home to send all the clothes to the changing room. It seemed like Su Zhen felt that she was useful to the Su Family and started to please her.

Lin Yin sneered and looked at Su Fei’s closed bedroom door, her eyes cold.

“Looks like you won’t have a good life in the future,” Lin Yin muttered to herself.

She knew Su Zhen very well. As long as it was someone useless to the Su Family, he would not care about them at all. Previously, she was concerned about Su Fei because she felt that Su Fei would marry Zheng Chao, which was beneficial to the cooperation between the Su Family and the Zheng Family.

Now that there was a better choice, how could Su Zhen take Su Fei seriously?

Lin Yin walked into the bedroom and looked at the clothes that the servants kept bringing in. She was not very happy. Anyway, she would overthrow the Su Family sooner or later. She would not care no matter how Su Zhen and Chu Yun treated her.

On the other hand, the atmosphere in Su Fei’s bedroom was not good. Su Lin kept comforting the crying Su Fei, but no matter what he said, Su Fei could not be happy.

“Brother will send you more and better clothes immediately. Don’t mind Lin Yin.” Su Lin’s heart ached. Su Fei had always been doted on by him since she was young. She had never suffered such grievances.

“That’s different, Brother.” Su Fei looked at Su Lin pitifully. “Does Daddy not like me anymore?”

“How could that be? One look and you can tell that Lin Yin is a very vain person. She must have requested it from Dad. Don’t think too much.” Su Lin did not know how to comfort Su Fei. He realized that Su Fei was indeed not doing well in the Su Family.

“I don’t mean to blame Dad.” Su Fei took the tissue from Su Lin and whispered aggrievedly, “Lin Yin is Mom and Dad’s biological daughter after all. It’s normal that I can’t compare to her.”

“How can you not be better than her? In Brother’s heart, you’ll always be first!” Su Lin lost his composure and grabbed Su Fei’s shoulder. Realizing that the two of them were too close, he let go reluctantly.

“Only you think so, Brother.” Su Fei wiped the tears from the corners of her eyes. Seeing Su Lin’s concerned expression, she deliberately said worriedly, “The seventh of next month is my birthday, and it’s also Lin Yin’s birthday. Although she’s my sister, I’m only a few hours older than her. Otherwise, I wouldn’t have been deliberately replaced.”

Su Fei looked worried. “In the past, Dad and Mom would hold a birthday banquet for me at home, but this year, the protagonist must be only Lin Yin...”

Su Fei wanted to say something but hesitated. She said timidly to Su Lin, “Brother, I know I shouldn’t be envious of Lin Yin, but when I see her with Mom and Dad, I keep feeling that I’m the unnecessary person. I should leave the Su Family on my own.”

Hearing Su Fei’s words, Su Lin fell into deep thought.

Looking at Su Zhen’s attitude towards Lin Yin today, it was enough to prove how much he valued her. On her birthday, Su Zhen would definitely introduce Lin Yin again in front of everyone. Su Fei’s life would probably be even worse in the future.

Chapter 94 Filming Is Over

“You’ll never be the extra person.” Su Lin’s gaze was firm as he said seriously to Su Fei, “I’ll think of a way to embarrass Lin Yin on her birthday and make her understand who should get lost from the Su Family.”

When Su Fei heard Su Lin’s words, she was looking forward to it, but she still looked troubled. “But Brother, what should we do if Daddy finds out?”

“No, Lin Yin’s life experience in the slums is enough to taint her. I just need a little help and she’ll be embarrassed in front of everyone.” Su Lin looked at Su Fei, who was worried about him, and patted her shoulder gently. “Don’t worry, leave it to Brother. Prepare the clothes you want to wear on your birthday and be the most beautiful little princess.”

Su Fei nodded, but she was plotting in her heart. She would not trust others completely like last time. This time, she had to do something to make Lin Yin unable to raise her head.

Lin Yin and Mu Ran’s movie was coming to an end. Mu Ran’s acting skills were already very good, but Lin Yin’s talent surprised all the staff present.

The last scene was successfully completed. Wei Yuan jogged and handed Lin Yin and Mu Ran two bottles of fruit juice, his gaze lingering on Lin Yin.

“Are you really not considering becoming an actress? Chen Yi Entertainment has really good treatment.” Wei Yuan really admired Lin Yin.

The last person who made him feel this way was Mu Ran, so he was sure that Lin Yin must be a celebrity who could be on the big screen like Mu Ran.

“Brother Wei, thank you for your kindness. I have no intention of being an actress now.” Lin Yin could tell that Wei Yuan was sincere. After spending a few days with him, their relationship had become much closer. Lin Yin smiled and continued, “But I promise you that if I have the intention of entering the entertainment industry, I will definitely contact you first!”

Wei Yuan could tell that Lin Yin really had no intention of becoming an actress. He shook his head regretfully. “Alright, with your ability, you’ll shine in any field.”

“Brother Wei, you used the same excuse on me back then. It’s been so many years, but you haven’t changed it,” Mu Ran teased as he drank his fruit juice.

“Ancestor, can you not undermine me? It’s been so many years. Only the two of you can make me say this.” Wei Yuan smiled helplessly. He looked at the two people in front of him and was puzzled. Could it be that good-looking people were so difficult to please?

After Lin Yin and the staff said goodbye, they prepared to return to the classroom with Lu Yan and Yang Xue.

Although the filming over the past few days had been a little tough, Lin Yin had also gained a lot.

“Wait a minute!”

Lin Yin and the others were about to leave the scene when they saw Mu Ran running over not far away.

When Lu Yan and Yang Xue saw Mu Ran, they blinked at Lin Yin and tactfully walked away, leaving them alone.

“Brother Mu Ran, is there anything else?” Through her interactions with Mu Ran over the past few days, Lin Yin knew more about him.

Although in everyone’s eyes, Mu Ran was an unattainable and cold male god, to Lin Yin, Mu Ran was more like a gentle and considerate big brother next door who took good care of her.

“Little Yin.” Mu Ran scratched his head nervously and smiled. He said to Lin Yin, “We’re friends now, right?”

Lin Yin nodded and smiled naturally. “Of course.”

Seeing Lin Yin’s smile, Mu Ran suddenly relaxed. “Sigh, actually, I’m just afraid that I’ll lose contact with you in the future.”

For some reason, Mu Ran felt an inexplicable sense of familiarity with Lin Yin. “Since we’re already friends, you have to contact me more in the future. If you need anything, look for me in time.”

“Okay, don’t worry.” Lin Yin looked at the serious Mu Ran and said, “I can’t wait to have such a handsome brother. I’ll definitely contact you often.”

The atmosphere between the two of them was very harmonious. Their extremely good-looking combination attracted a lot of attention, including the infatuated Lu Yan.

“Yang Xue, do you think my idol has taken a fancy to our Lin Yin?”

Yang Xue didn't know either, but she also felt that Lin Yin and Mu Ran were very pleasing to the eye.

“I don't know, but if the two of them get together, I don't know who I should envy.”

“That's right. I thought that no one was worthy of my idol, but if it's Lin Yin, it's not bad.”

Lu Yan thought in a daze. Suddenly, Lin Yin, who ran over, knocked her forehead lightly. “Let's go. Don't stare blankly. Let's go back to the classroom.”

Chapter 95 Lu Ming's Private House

Wei Yuan noticed that Lin Yin and Mu Ran had an intimate conversation just now. Seeing that Lin Yin and the others had walked away, he ran to Mu Ran's side and asked softly, “What did you say to that girl just now?”

Mu Ran looked at Wei Yuan and deliberately smiled. “Guess?”

Wei Yuan looked at the overly bright smile on Mu Ran's face and asked worriedly, “Little ancestor, you didn't confess to her, did you?”

Mu Ran looked at the nervous Wei Yuan and deliberately did not answer.

“No, Mu Ran, actually, I don't object to you dating.” When Wei Yuan saw Mu Ran leave, he hurriedly followed her. “But not Lin Yin. She's only in her third year of high school!”

Mu Ran stopped in her tracks, and Wei Yuan almost bumped into him.

“Can you have a sense of humor?” Mu Ran explained helplessly to Wei Yuan, “I don’t have any other intentions for Lin Yin. I just treat her as my sister.”

Wei Yuan looked at the serious Mu Ran and spread his hands. “It’s good that you’re not. With your current popularity, it’s best if you stay single for a few more years.”

“With you following me like this every day, how can I have time to date?”

Looking at Mu Ran’s back, Wei Yuan pursed his lips. Who would believe that he was not interested in Lin Yin? All these years, he had never seen Mu Ran so concerned about any girl. It seemed like he had to pay more attention in the future.

After school, Lin Yin was about to tutor Lu Yan. She got into the car with Lu Yan and heard Lu Yan say to the Lu Family’s driver, “Uncle Luo, send us to Shenglin Bay.”

“Aren’t we going to the Lu Family?” Lin Yin had never heard Lu Yan mention Shenglin Bay and asked in confusion.

“It’s so boring to go home. My parents are still at home at night. It’ll affect our fun.” Lu Yan noticed the driver and changed her words. “It’ll affect our serious studies...”

Lin Yin smiled helplessly. It seemed like this girl was not focused on her studies at all.

The car drove for a long time. It only slowed down when the surrounding buildings slowly decreased.

“Second Miss, we’re here.” Uncle Luo opened the car door respectfully. Lin Yin got out of the car with Lu Yan.

In front of them was a three-story courtyard-style villa that occupied a huge area. The courtyard was filled with exquisite and luxurious wooden carvings and retro buildings. The courtyard was quiet and leisurely. Lin Yin followed Lu Yan in and many servants in uniform nodded at them.

“Lu Yan, is this your house too?” Lin Yin knew that the Lu Family was rich, but she was still a little surprised by the size of the building in front of her.

“It’s my uncle’s private residence, but don’t worry. He usually stays in the villa in the city center and doesn’t come back much.” Lu Yan blinked at Lin Yin and said proudly, “I’m the only person in our Lu Family who can enter and leave this place freely.”

Lin Yin followed Lu Yan’s words. “Looks like your uncle treats you quite well.”

“Of course. After all, I’m his only niece.” Lu Yan had always respected Lu Ming. In her eyes, Lu Ming had always been an omnipotent person.

“Don’t you have other siblings?” Lin Yin seemed to remember that Lu Yan was not the only one of her generation in the Lu Family.

Hearing Lin Yin’s words, Lu Yan’s expression suddenly turned solemn.

Lin Yin could tell that she was in a difficult position, so she tactfully stopped asking.

“Actually, I do have cousins, but we don’t have a good relationship...”

Lu Yan treated Lin Yin as a very good friend and did not want to hide anything from her. Actually, the Lu Family’s situation was not as simple as it seemed.

“It’s normal. Look at Su Fei and me. Let’s not talk about them anymore. It affects my mood.” Lin Yin noticed Lu Yan’s emotions and deliberately changed the topic. She went into the courtyard with Lu Yan.

“My uncle usually meets guests here. There are many empty rooms on the second floor to rest in. The third floor is where my uncle rests.” Lu Yan glanced outside the house and said to Lin Yin, “There’s a dining room and tea room behind the courtyard, as well as a pool, a garden, and an entertainment room. Although my uncle doesn’t come back often, someone has been taking care of it. I’ll bring you around.”

Lin Yin took out her books from her bag and said to Lu Yan seriously, "Compared to that, I want to visit your textbook more, Student Lu Yan."

"Lin Yin, you're so boring." Lu Yan took out her bag in frustration.

Chapter 96 Family Teacher

"Second Miss, eat something first." A middle-aged woman's voice sounded from behind.

Lin Yin turned around and saw a woman in her fifties walking in with fruits and pastries.

"Aunt Song, why did you bring it to me personally?" Lu Yan welcomed the woman happily.

Lin Yin also stood up from her chair when she saw Lu Yan's reaction.

"I heard that Second Miss brought a friend over, so I came over to take a look." Aunt Song looked at Lu Yan kindly.

"This is Lin Yin, my best friend." Lu Yan looked at Lin Yin and said, "This is Aunt Song. She's been managing Shenglin Bay."

Lin Yin nodded politely and said, "Hello, Aunt Song."

"Hello, Miss Lin. This is the first time I've seen such a good-looking child." Aunt Song looked at Lin Yin and asked Lu Yan, "Second Miss, does Mr. Lu know that you brought your friend here?"

"Aunt Song, Lin Yin is a tutor I hired. My uncle has seen her before. He won't mind." Lu Yan wasn't lying. She felt that her uncle had a good impression of Lin Yin. He might be happy to know that she was here.

"Okay, then you guys go study first. Go to the dining room for dinner later." Aunt Song walked out of the hall and did not disturb them.

Lin Yin looked in the direction Aunt Song left and felt that her words and actions were not those of an ordinary servant.

Noticing Lin Yin's gaze, Lu Yan explained, "Aunt Song has been with the Lu Family for a long time. She can be considered to have watched me grow up. She's always been in the Lu Family's old residence. She helped Little Uncle manage Shenglin Bay because she cares about him."

Lin Yin nodded and smoothed out the paper in front of Lu Yan. "Come on, finish these ten questions in 30 minutes. Let me see your foundation first."

Lu Yan looked at the test paper in front of her unwillingly and muttered softly, "I might not be able to do a single question..."

Lu Yan secretly looked up and glanced at her. When she saw Lin Yin's serious and cold gaze, her heart tightened and she accepted her fate and looked at the test paper.

Why was Lin Yin even scarier than her uncle when she was serious? Lu Yan regretted asking Lin Yin to teach her. She was not as easy to deal with as her previous tutor.

Lu Yan racked her brain and solved a total of seven questions. She carefully handed them to Lin Yin and watched nervously as she graded her paper.

"Not bad. It's not as bad as I imagined," Lin Yin said to Lu Yan after reading the test paper.

"Really? How many questions did I get right?" Hearing Lin Yin's words, Lu Yan looked at her paper expectantly. "Huh? I only got two questions right!"

Lu Yan said to Lin Yin dejectedly, "This is better than you think? Lin Yin, don't tell me you think I can't do a single question correctly?"

“Although you didn’t answer the questions correctly, you’re not ridiculously wrong. As long as I tell you the appropriate method, you’ll understand very quickly.” Lin Yin wrote down the correct solution and handed it to Lu Yan.

“Sure, I don’t understand what Teacher said at all. I can actually understand what you wrote.” Lu Yan looked at Lin Yin’s neat handwriting and felt enlightened.

“That’s because the method I wrote is relatively simple. It’s easier to understand if you follow your previous train of thought.” Lin Yin felt that as long as Lu Yan could calm down, it wouldn’t be a problem for her to get rid of being in the last place.

Under Lin Yin’s coercion and temptation, Lu Yan did all the basic questions in different subjects. She gained a lot, but she was so tired that she couldn’t stand up.

“That’s all for today. I helped you organize some concept formulas. Take some time to memorize them all. If you can’t remember them, copy more.”

Hearing Lin Yin’s words, Lu Yan nodded with a bitter expression and said to her, “Lin Yin, I used to think that my little uncle was the scariest existence in this world. Now that I see you, I don’t think he’s that scary anymore.”

The corners of Lin Yin’s lips curled up. She was about to speak when she heard Lu Ming’s voice at the door.

“Really? Then I’ll tutor you in the future.” Lu Ming walked in from outside the house.

“Little Uncle, why are you back?” Lu Yan hurriedly stood up and explained awkwardly, “I was just joking with Lin Yin. She’s good at teaching me.”

“What’s so strange about me coming back to my home?” Lu Ming’s gaze stopped on Lin Yin. “Rest for a while. Go eat first.”

Lin Yin nodded at Lu Ming and followed him to the dining room with Lu Yan.

“How is it? Teaching Little Yan is hard, right?” Lu Ming sat at the dining table and asked Lin Yin.

“It’s alright. Actually, Lu Yan is still very smart.” Lin Yin looked at the aggrieved Lu Yan and smiled at Lu Ming.

Chapter 97 Requesting Her Help

“That’s right. Previously, my results were bad because the teacher didn’t teach me well. With Lin Yin around, my results will definitely improve.” Lu Yan felt that Lin Yin was indeed much better than the tutor her family had hired previously.

“Okay, then you can study at my place after school.” Lu Ming looked at Lin Yin again and said slowly, “If you need anything, you can tell me.”

Lin Yin looked up and met Lu Ming’s eyes. She shook her head and said, “Thank you, Uncle. There’s nothing I need. The environment here is already very good.”

Lu Ming noticed Lin Yin’s distance and frowned slightly. The temperature around him seemed to have dropped a little.

“Little Uncle, can I have the Cullinan in your garage?” Lu Yan said with a smile, “I don’t think you like it very much. It’s useless. Let Uncle Luo use it to pick me up and send me to school.”

Lu Ming looked at Lin Yin and Lu Yan’s completely different reactions. He thought for a moment and said to Lu Yan, “Only when your grade placement improves by ten places.”

Lu Yan nodded happily. With Lin Yin around, she was actually very confident.

The meal was quite enjoyable. Lu Yan looked at the time and said to Lu Ming, “Little Uncle, it’s getting late. Lin Yin and I will go back first. Rest early.”

Lu Ming got up from his chair and walked closer to Lin Yin and Lu Yan. He said to Lu Yan, "Get the driver to send you back. I have something to talk to Miss Lin about."

When Lu Yan heard Lu Ming's words, she was a little surprised. She glanced at Lin Yin and muttered worriedly, "I'd better wait for Lin Yin to go back with me. Who knows what you're going to do..."

"Are you sure you want to stay here?" Lu Ming's voice was low. Lu Yan was a little afraid. Her little uncle had never allowed others to question him.

"Lu Yan, it's fine. Go back first. I'll contact you after I'm done talking to Uncle. I'll contact you when I get home." Lin Yin noticed that Lu Yan was in a dilemma and nodded at her to reassure her.

"Alright." Lu Yan was still a little unwilling. She slowly moved to the door, turned her head, and said loudly to Lu Ming, "Little Uncle, you're an elder. You have to pay attention to your influence. You can't bully my friend!"

Before Lu Ming could react, Lu Yan ran away, leaving Lu Ming standing there with a dark expression.

"Actually, Lu Yan still admires you in private." Lin Yin looked at Lu Yan who ran away and explained to Lu Ming, "She looks rebellious, but she's actually very cute and attentive."

Lu Ming pointed at the sofa and gestured for Lin Yin to sit down.

"Miss Lin, I think Lu Yan has a good relationship with you." Lu Ming poured a cup of tea for Lin Yin and sat opposite her.

"Yes, just call me Lin Yin." Lin Yin looked at Lu Ming and asked, "Uncle, are you interested in my friendship with Lu Yan by asking me to stay?"

Lu Ming realized that the girl in front of him had a calmness that was rare even in adults. Talking to her was like a game between peers.

“You’re very smart. I hope you can help me.” Lu Ming took a sip of tea and looked at Lin Yin as he said slowly, “Little Yan has always had a knot in her heart. I hope you can help her get over it.”

Lin Yin was a little puzzled. In her eyes, Lu Yan had always been very lively and straightforward. She didn’t seem to have any psychological problems.

Noticing Lin Yin’s expression, Lu Ming took out his phone and opened a photo.

“This is when Little Yan was 16.”

Lin Yin took Lu Ming’s phone. The photo was of a young girl with black hair. She had round cheeks and big almond-shaped eyes. She was wearing a light purple dress and looked cute and ladylike.

“This is Lu Yan?” Lin Yin was a little surprised. The cute girl in the photo was really too different from the rebellious girl with smoky makeup.

“I don’t know why, but Little Yan has changed a lot.” Lu Ming seemed to have remembered something from the past, and his eyes softened. “My Second Brother and Second Sister-in-law both said that Little Yan is in her rebellious stage, but I don’t think so.”

“There must be a reason why no one would suddenly change so much.” Although Lu Ming had been busy with his career, he was still very concerned about Lu Yan.

“I understand.” Lin Yin’s expression became much more solemn. She promised Lu Ming, “I’ll figure out what happened to Lu Yan and try my best to bring her out.”

Lu Ming looked at the young girl in front of him, but he was very willing to trust her.

“If you’re willing to help, you can ask for any remuneration.”

Lin Yin smiled and shook her head. She said to Lu Ming, “Lu Yan is my friend to begin with. I’m willing to help her. I don’t need any remuneration.”

Chapter 98 Custom-made Dress

Lu Ming looked at the girl in front of him in a daze. He could not see through Lin Yin. This girl always surprised him.

He took out a silver-gray access card and handed it to Lin Yin. "This is the access card to Shenglin Bay. You can come over anytime."

Lin Yin took the access card and put it away. "It's not wrong for Lu Yan to rely on you so much. Uncle, you're indeed trustworthy."

Lu Ming smiled helplessly and said to Lin Yin, "Actually, I'm not that old. You don't have to treat me as an elder."

Lu Ming stood up and walked closer to Lin Yin. He said calmly, "I hope you can treat me as a brother or friend."

"Okay, Uncle. It's getting late. I won't disturb you anymore." Lin Yin smiled playfully and walked out of the door.

Lu Ming smiled bitterly and followed her. He personally drove Lin Yin back to the Su Family.

"Call this number if you need anything. Contact me anytime." Lu Ming took out a private business card and handed it to Lin Yin.

After taking the business card, Lin Yin thought of her previous coat and said to Lu Ming, "I got someone to handle the previous coat. I'll bring it to you next time."

Lu Ming nodded and got out of the car to help Lin Yin open the car door.

After saying goodbye to Lu Ming, Lin Yin entered the Su Family's door and saw Chu Yun and a woman in a professional suit taking Su Fei's measurements in the hall.

“Little Yin is back.” Su Zhen smiled at Lin Yin. He had just seen Lu Ming send Lin Yin home and was very proud. He turned around and ordered Chu Yun, “Quickly take Little Yin’s measurements too. You can’t be careless about the customized gown.”

Hearing gown, Lin Yin’s nerves tensed up. She silently calculated the date. It turned out that it was nearing her and Su Fei’s birthday party.

She still remembered that in her previous life, Lin Yin had become the biggest laughingstock at the entire birthday banquet. Her gown had been deliberately destroyed by Su Fei and torn at the banquet. As she did not have many friends, everyone at the banquet was here to celebrate Su Fei.

What left the deepest impression on Lin Yin was that an accident had happened at her birthday party in her previous life. At that time, she thought that she was unlucky, but now it seemed like someone must have deliberately arranged it.

Lin Yin clenched her fists and walked towards Chu Yun. She said coldly, “You guys can do whatever you want with the clothes. I don’t care.”

Su Fei looked at Lin Yin gently and deliberately persuaded her, “Sister, don’t waste Dad and Mom’s good intentions. Wear nicer clothes not only for yourself, but also for the Su Family’s face.”

Chu Yun was very satisfied with Su Fei’s sensibleness and was a little unhappy with Lin Yin’s attitude. “That’s right. Don’t let everyone think that our Su Family has mistreated you. Come and get measured.”

Lin Yin knew that Su Fei had asked her to customize the clothes just to do something in advance so that she would embarrass herself in front of everyone.

Lin Yin did not refuse again. Anyway, it was impossible for her to fall into Su Fei’s trap again in this life. It was not impossible to let her be happy now.

After having her measurements taken, Lin Yin walked back to the bedroom. In the hall, Chu Yun watched as Lin Yin left without a word. She said to Su Zhen angrily, “Look at her. If you hadn’t insisted on introducing her at the birthday banquet, you shouldn’t have let her attend.”

“What do you know? A birthday banquet is the best opportunity to introduce Lin Yin.” Su Zhen planned to see how valuable his youngest daughter was.

“Forget it, I can’t be bothered to talk to you. Just prepare well.” Su Zhen looked at Su Fei impatiently. In his heart, Lin Yin was clearly much more important than Su Fei. There’s no other reason, Lin Yin’s face alone could bring him more benefits.

Lin Yin closed the bedroom door and took out her phone to call Lu Yan.

“Lin Yin, my uncle didn’t do anything to you, right?”

Before Lin Yin could speak, she heard Lu Yan’s anxious voice coming from the phone.

“What’s in your head?” Lin Yin smiled helplessly and said to Lu Yan, “It’s fine. He just asked me to tutor you well. If you need anything, you can tell him.”

“Oh, I thought he had ulterior motives for you.” Lu Yan was a little relieved and said to Lin Yin, “Actually, I think more highly of you and Mu Ran. Although my uncle is also very outstanding, I still think my idol is more handsome!”

“Alright, you should look after your results. The final exam is in a few days.”

Lu Yan muttered, “Alright, Teacher Lin, don’t worry. I won’t let you down.”

The two of them chatted for a while more before Lin Yin and Lu Yan hung up.

Lying in bed, Lin Yin recalled her conversation with Lu Ming that night.

Chapter 99 Lu Yan’s Matter

“Why did Lu Yan change so much?”

Lin Yin understood that Lu Ming was Lu Yan's uncle after all. It was not convenient for him to talk to her about something.

"Who would know Lu Yan better?"

Lin Yin suddenly thought of Gong Ze. She had heard Lu Yan mention that she grew up with Gong Ze and they seemed to have a good relationship in the past.

Lin Yin had a plan in her heart. It seemed like she might find out about Lu Yan from Gong Ze.

"Looks like I need to find time to talk to Gong Ze."

The next day, when she arrived at West Axis, Lin Yin found Gong Ze, who was playing basketball on the field alone during class.

"Boss." Zhou Ling winked at Gong Ze. He had almost been beaten up by Gong Ze for the school belle selection last time. He still did not know what are Gong Ze's thoughts about Lin Yin.

When Gong Ze saw Lin Yin, he handed the basketball to his lackey behind him and walked towards her.

"What's the matter?" Gong Ze didn't dare to look at Lin Yin and looked away shyly.

"Is it convenient? I want to talk to you." Lin Yin glanced at the bench not far away. Gong Ze nodded and walked over with her.

"Were you and Lu Yan good in the past?" Lin Yin sat on the bench and asked the uneasy young man beside her.

Hearing Lin Yin's words, Gong Ze's eyes darkened.

“Yes, we were okay when we were young. After high school, she became distant.”

As Lin Yin had guessed, Lu Yan’s change did happen in the past few years of high school.

“Is there a specific reason?” Lin Yin wanted to know if Lu Yan’s change was related to Gong Ze.

“It’s nothing. After she entered high school, she always wore heavy makeup and didn’t talk to me much. She even deliberately made trouble for me a few times. When she saw me, it was as if she saw an enemy. I couldn’t be bothered to lower myself to her level. Gradually, our relationship became a little distant.”

Gong Ze recalled what had happened in the past and continued to say to Lin Yin, “Lu Yan was even crazier before she met you. She fought, skipped class, and insulted the teacher. What she did was even more out of line than me.”

Lin Yin didn’t know what Lu Yan was like before, but now, she was sure that Lu Yan was still a very kind girl.

“Sigh, it’s actually not that complicated.” Gong Ze sighed and said seriously, “No matter what she becomes, in my heart, she’s still that little girl who only knows how to follow me all day.”

Lin Yin glanced at Gong Ze beside her and suddenly realized that this big boy who looked like he was not to be trifled with was actually very meticulous.

“Did Lu Yan have any other friends she played with in the past?”

Gong Ze shook his head. “I don’t think she has any friends. After all, there aren’t many families that are comparable to the Lu Family. I can get to know her because my mother and Lu Yan’s mother have a good relationship.”

“But.” Gong Ze suddenly thought of something. “She still has brothers and sisters. In the past, when we were in the Lu Family’s old residence, everyone always played together.”

Lin Yin's eyes lit up as she recalled Lu Yan's words. "Cousins?"

"Yes, the eldest son's children are twins. They're only a year older than Lu Yan." Gong Ze added, "The brother is overseas now, and the sister is in a dance academy. They shouldn't have much contact with Lu Yan."

Gong Ze noticed Lin Yin's serious expression and asked worriedly, "Is it Lu Yan?"

Lin Yin shook her head. "I heard from Lu Yan's uncle that she wasn't like this in the past, so I wanted to know if something happened to change Lu Yan's personality."

"Little Uncle?" Gong Ze widened his eyes in surprise. "Are you talking about Lu Ming?"

Lin Yin nodded. "You two should know each other, right?"

"I do know her, but Lu Yan's uncle is simply my childhood trauma."

When Gong Ze heard Lu Ming's name, he felt a little nervous. "You'd better stay away from him. In the business world, the legends about him are really scary and he usually has a straight face. I'm afraid of him when I see him. I've developed this instinctive reaction since I was young."

"A straight face?" Lin Yin didn't think so. At least she had seen Lu Ming's smiling face before. Although it wasn't obvious, it wasn't scary.

"Aren't you the school bully? There's people you're afraid of?" Lin Yin teased him.

"He's not a student. Not to mention me, even my father is a little afraid of him." Gong Ze had heard about Lu Ming's methods from his father. Whoever became enemies with Lu Ming was equivalent to asking for death.

"Lin Yin, you..." Gong Ze was a little hesitant. When he inadvertently saw Lin Yin's clean and bright face, his heart raced.

Chapter 100 Final Examination

“Can you be friends with me?” Gong Ze mustered his courage, but he still did not dare to say girlfriend.

“Huh?” Lin Yin was stunned by his question. Looking at the red face of the young man in front of her, she understood.

Lin Yin had no intention of putting her mind on her personal feelings. Besides, Gong Ze was just a child who had just reached adulthood in her eyes.

“Sure, aren’t we already friends? Just like Lu Yan and Yang Xue.”

Hearing Lin Yin’s words, Gong Ze didn’t know if he should be happy or sad. He scratched his head helplessly and said to Lin Yin, “In the future, if anyone causes trouble for you in school, they’re causing trouble for me. If anything happens, I’ll protect you.”

Looking at the sincere gaze of the young man in front of her, Lin Yin’s heart surged with warmth. In this life, she had many people who cared about her. Lu Yan, Yang Xue, Mu Ran, Gong Ze, and Lu Ming... All of them had helped her before. Lin Yin felt the warmth of being taken care of.

“Thank you.” Lin Yin’s eyes were very clear. When Gong Ze saw Lin Yin’s expression, he calmed down a lot. The girl in front of him was very beautiful. Even if they were friends, Gong Ze hoped that she could be happy.

Time passed quickly. Lin Yin had always been very concerned about Lu Yan’s matters. Every day, she would go to Shenglin Bay to tutor Lu Yan after school.

“Teacher Lin, please let me rest.”

After Lu Yan finished the seventh set of papers, she finally collapsed on the table.

“Tomorrow is the final exam. These are all the common questions I’ve sorted out. There’s a high chance that it will be tested tomorrow. You have to be familiar with them.”

Lin Yin was actually very satisfied with Lu Yan’s learning ability, but she hoped that Lu Yan’s results could be higher.

“Okay!” Lu Yan sighed and got up again. She saw that Lin Yin had prepared so much for her and she didn’t want to be a burden.

The two of them did their test papers until late at night.

“Have they been doing questions?” As soon as Lu Ming returned to Shenglin Bay, he saw the two little girls who had fallen asleep on the table.

“That’s right. They even ate there. Miss Lin is very concerned about Second Miss’s studies.” Aunt Song lowered her voice, not wanting to disturb the two young ladies.

Lu Ming looked at the two of them sleeping soundly and waved at Shen Yu. He said softly, “Send Second Miss to the guest room to rest.”

Shen Yu nodded and walked forward to carry Lu Yan to the room on the second floor.

Lu Ming looked at Lin Yin, who was lying on the table, and didn’t know if he should wake her up. After thinking for a while, Lu Ming carried Lin Yin to the sofa at the side and bent down to cover her with a blanket. Lin Yin’s eyes suddenly opened.

Lin Yin, who had just woken up, opened her eyes and saw Lu Ming’s enlarged face in front of her. She took a deep breath and her pupils constricted slightly. She slowly calmed down after realizing that Lu Ming had covered her with a blanket.

“I...” Lu Ming was also a little nervous. He took a step back and explained, “I saw that you were asleep and was afraid that you would catch a cold.”

Lin Yin nodded awkwardly. "Thank you, Uncle."

The atmosphere between the two of them was a little quiet. Lu Ming coughed lightly and said, "Thank you for being so concerned about Little Yan."

"She's my friend. It's only right." Lin Yin's expression had already returned to normal. Thinking of her investigation of Lu Yan's past these few days, Lin Yin looked up and asked Lu Ming, "Uncle, can you tell me about Lu Yan's Brother and Sister?"

Lu Ming calmed down a little and sat opposite Lin Yin. He said, "Lu Xiao and Lu Yue are my oldest brother's children. After they left the old residence, they stopped contacting each other. Did anything happen between them and Lu Yan?"

Lin Yin nodded and said to Lu Ming, "I asked about them in front of Lu Yan. At that time, Lu Yan's expression was very bad. Something very unpleasant must have happened with them."

"The time when Lu Yan changed drastically was when she was separated from them." Lin Yin could tell that Lu Yan was very hostile to this pair of twins.

Lu Ming was the most capable person in their generation. Everyone valued him very much. Whether they were really satisfied or not, no one dared to offend Lu Ming. Therefore, Lu Ming had never cared much about the Lu Family.

Hearing Lin Yin's words, Lu Ming recalled the tense relationship between his eldest brother and second brother. He just did not expect it to affect Lu Yan.

"You can ask Aunt Song about what happened at the Lu Family's old residence. I don't stay at home much, so she'll know better." Lu Ming was inexplicably at ease with the girl in front of him. He felt that she had the ability to see through people.

"Okay, I understand." Lin Yin nodded. She had a rough idea. Lu Yan had received a lot of preferential treatment because of the Lu Family's snobbery, but she probably received more than that.
