

Real You 21

[Chapter 21](#)

With a calm expression, Mo Chenhao looked at her face that was flushed red in anger. He then asked calmly, "Is there something wrong?"

Mu Yangyang grabbed onto the blankets and stared at him coldly, "It is none of your business."

She appeared emotionless in front of Mo Chenhao. But he did not feel threatened at all.

"It really is none of my business. However, if you beg for my help, I could consider helping you out." Mo Chenhao looked at her straight in the eye, without any means of hiding his ill intentions.

It was obvious that Mu Yangyang would not ask for his help.

Mo Chenhao stared at her intently for a while. Then, he left the room.

Just as he left, he bumped into Shi Ye.

Shi Ye gave him a slight nod and asked for his opinion, "What's the verdict, boss? How should we handle the news that was circulating on the Internet?"

Mo Chenhao recalled what Mu Yangyang told him earlier, and he elevated his slits slightly to force a smile. His expression was still cold when he said, "What has that got to do with me? If you want to help her, you have to know whether she wants your help, huh!"

After Mo Chenhao finished his words, he headed straight up to the study room.

Shi Ye watched him leave but then realized that he sounded rather angry just now.

Mu Yangyang had not intended to care about the news that spread all over the Internet.

She had no idea why Mu Yumei would do such a thing out of the blue, but she was also not in the mood to make any guesses.

She only knew that Shen Yu had already found out that she married into the Mo family in place of Mu Yumei, and that Shen Yu might shred her up into pieces anytime now.

Even so, she still had to meet her.

After that, the two of them met up in a slightly isolated cafe.

Since Shen Yu was an actress who had a small fan base of about seven to eight hundred fans on Weibo, she was worried that she might be easily recognized if she visited places with crowds.

When she arrived at the cafe, Shen Yu was already there.

Shen Yu was wearing a mask, with her hair tied into a ponytail. She wore an extremely basic white down jacket. On top of that, her decent looking face had played a part in attracting the attention of those around her.

Ever since she was young, Shen Yu had always easily been the center of attention wherever she went.

Mu Yangyang sat down on the opposite side of the table, and said apologetically, "Sorry to have kept you waiting,"

Shen Yu had her arms crossed and was leaning on the sofa. After she glanced at Mu Yangyang, she said slowly, "You are Mo's Family Young Mistress, it is normal for such an insignificant minor like me, to wait for you."

Her statement made Mu Yangyang speechless.

Upon seeing Mu Yangyang not spouting a single word, Shen Yu could not bear to say anything mean to her anymore.

She took off her mask and threw it aside, and said in an unfriendly tone, "That biological mother of yours has been acting like as if she had a tame head. She dotes on other people's daughter so much but does not care about you, her biological daughter. She has never even spared a thought for you. I have already warned you to be careful last time, but look, now you've ended up marrying into the Mo family!"

After Shen Yu finished her sentence, she lifted to glass next to her and finished it all within one gulp.

Mu Yangyang gently pushed the glasses up the bridge of her nose, and reminded her, "Drink slowly."

Shen Yu rolled her eyes at her, "Did the Mo family make your life difficult?"

"No, the Mo family.....are rather nice." Well, everyone except for that "Mo Zhenxuan".

Shen Yu was suddenly reminded of the more serious matters and brought them up solemnly, "Do you know why Mu Yumei had deliberately paid to be the hot topic news so that she could spread rumors about you stealing her fiancé?"

"How did you know that Mu Yumei paid for that?" Mu Yangyang was about to pour her a second cup of water but stopped that instantly.

Shen Yu was baffled by her ignorance, "Just look at you. Like who in their right mind would spend money to spread rumors about you. It's probably because there's something that she can get out of."

“What benefits can she possibly reap off this?” Mu Yangyang had no idea why Mu Yumei did this to her.

Shen Yu let out a cold laugh, “Before I boarded the plane, I got my paparazzi friends to help me dig some stuff out. Get this. I heard from them that Mu Yumei did this so she could announce her relationship with Shen Haochu openly, and what she needed was you, a steppingstone.”

Upon hearing Shen Yu's words, Mu Yangyang started to understand Mu Yumei's motive.

Although the Mo family did not mind that Mu Yumei was not the one marrying into their family, the Mo family was rather influential in Huyang City to the extent that no one dared to get close to Mu Yumei.

At this moment, Mu Yumei needed to get rid of her status of being Mo Chenhao's fiancée.

Hence, she paid to be the hot topic, so she could let Mu Yangyang take all the blame. This would also portray her as a good sister.

Mu Yangyang bit her lips and said, “I dare say that it's not too bad of a plan.”

“Sot? Shouldn't you do something?” After Shen Yu finished her words, it seemed like she had something more to say, “Let me ask you, if you marry Mo Chenhao in this state, the both of you.....”

“He detests me for being ugly. So both of us are pretty distant from each other.” Mu Yangyang knew what she wanted to ask, so she just replied before she had the chance to do so.

“Who does he think he is? He's not exactly a looker himself. Tell you what, you should just stop being so shabby. Doll up and make him regret what he said!” Shen Yu had been starring in revenge genre films recently. That was why she had asked Mu Yangyang to try to prove herself otherwise.

Mu Yangyang laughed, “That's not necessary, all is well now.”

For her, as long as they have mutual respect between them and do not interfere with each other's lives, it should be fine.

Not long after, Shen Yu was summoned by her agent.

Before she left, she still fought over footing the bill for Mu Yangyang.

But since Mu Yangyang was much shorter than her and had shorter limbs, she had failed to get the bill from Shen Yu.

Although Shen Yu usually seemed rather carefree, she was meticulous when it comes to small matters. She knew that Mu Yangyang was not in a stable financial situation, so she would always figure a way to pay for their meals whenever they met up.

Mu Yangyang felt that it was very heartwarming of her to do that, but she felt bad at the same time.

Shen Yu knew about all her secrets and was very clear about the Mu family's situation.

Way back then, Shen Yu had warned her not to pin any high hopes on the Mu family, especially Xiao Chuhe in particular.

However, she did not believe Shen Yu until she was forced by them to marry into the Mo family.

And even until now, they were still not satisfied and wanted to use Mu Yangyang.

Did they really think that they could use Mu Yangyang that easily?

Mu Yangyang was about to hail a taxi back to Mo Chenhao's villa when she received a phone call from Xiao Chuhe.

Xiao Chuhe's voice sounded unusually warm, "Mu Yangyang, come back and have dinner with us tonight."

For a 'tiger mother' to call her and speak to her so gently, there had to be an intention behind her call.

Mu Yangyang rejected her coldly, "I am busy."

Xiao Chuhe did not expect Mu Yangyang to reject her so bluntly, so she got rather pissed, "You are jobless now. Why should you be busy? It's just having a meal with the family....."

"Oh, but I am now part of the Mo family." Mu Yangyang said and cut Xiao Chuhe's sentence off.

At that instant, Xiao Chuhe's blood boiled, and she shouted, "How can you speak to your mother in such a tone!"

Mu Yangyang had never once spoken to Xiao Chuhe in such a manner, whereas Xiao Chuhe would never use such a frustrated tone to talk to Mu Yumei.

At the end of the day, it was simply because both did not care about each other.

Xiao Chuhe did not really care about Mu Yangyang, so she treated her rather terribly.

But now that Mu Yangyang did not care about Xiao Chuhe too, she wouldn't be more than indifferent towards her naturally.

"Just go and look for Mu Yumei. She is more filial and gentler than me. She's just better than me in all aspects." Mu Yangyang instantly hung up after she finished her sentence.
