Chapter 1091 So What If She's Pregnant?

Adrien cleared his throat and called out to Sharon.

Sharon was about to leave when she heard his call. So, she smiled at him

ingratiatingly. "What's up, Uncle Adrien?"

"Nothing. I just wanted to ask you, is it really impossible for you and Gilbert to be together again?"

She felt indignant and humiliated at the mention of this, and her resentment toward Kisa also rose instantly. Not wanting to lose face in front of Adrien, she resentfully said, "It's all because of Kisa. At first, Gilbert and I were a match made in heaven. Even the media looked forward to it. But, ever since that woman appeared, everything changed. I hate to think of this. It's that woman who stole Gilbert from me.

"That is really a bit of a shame."

Adrien had said. "Really, Gilbert treated me the best at that time. No matter what I did wrong, he never punished me. I was all he cared about. If Kisa hadn't shown up,

Kisa was dozing off when Jolina's bellow woke her up. The recliner that she was lying on seemed to have some kind of malfunction. It was as if one of the recliner's legs was broken as it tilted toward one side.

Jolina's face changed, and she rushed over. Fortunately, Kisa was already awake and quick to react. She reached out and braced herself on the ground to prevent herself from falling.

Jolina rushed over to help her. "Kisa, are you all right?" she asked, anxiously checking Kisa's tummy.

Kisa did not even bother to explain because no one believed her. So, she just replied, "I'm fine. Thank goodness you shouted just now. Otherwise, I would have fallen off the chair, not knowing what happened."

The director heard the noise and also hurriedly ran over. He was even more anxious than Jolina was. "Are you all right, Ma'am?"

Kisa laughed after hearing the director calling her Ma'am and shook her head. "I'm fine. Don't worry."

Chapter 1093 Mind Your Words

Perhaps because Kisa's gaze was too sharp, or maybe she was just being paranoid, Sharon involuntarily stepped back. "Why are you staring at me like that? There is no proof, and you can't do anything to me, can you?" She snorted and subconsciously glanced toward the visitation area. She panicked when she found that Adrien had left. As Kisa approached her, she knitted her brows and yelled, "What do you want? Don't even think about touching me when you have no proof."

Kisa giggled when she saw her nervous reaction. She looked at Sharon absently and said, "When did you become so timid? Did I say I was going to do something to you? Look how scared you are."

Snickers rang out all around. Sharon flushed and grunted, "I'm not afraid of you."

"Heh. Then, you will have to keep your eyes open to see if you can catch me red-handed."

"Well, I will, and we will see." Kisa shot Sharon a meaningful smile before heading toward Peter and Jolina.

Sharon stared at Kisa with grim eyes as she went. 'We will see. Sooner or later, I will kill you and your baby,' she said in her mind.

"Why are you so nosy and trying to help that woman? She didn't even appreciate your kindness, and she stood on Sharon's side. Don't hang out with such an ingrate next time."

Jolina did not want to listen to Peter's nagging, so she turned around and left.

Peter cursed in exasperation. He caught up to her and grabbed her by the arm. What the hell do you mean by that? I was the one who defended you."

Chapter 1095 Using Her to Benefit Himself

The voice startled Kisa and Jolina.

Kisa frowned at Christopher, who suddenly showed up. He hardly ever came to the studio, so Kisa
wondered if he was here to visit Sharon.

"Didn't the news report say that you were pregnant with Mr. Kooper's child? Why are you now saying
you're not pregnant?"

Seeing Christopher's excited and nervous look, Kisa sneered in her mind, 'He is not trying to use my
relationship with Gilbert to benefit himself, is he?' She heard that Christopher's recent divorce case with
Carolyn was in full swing, and the legal battle was becoming a source of gossip in Calthon. He used to
hate Kisa as his daughter and broke ties with her. But now, he was trying to butter her up, so Kisa found
it ironic.

While she was lost in thought, Christopher suddenly tugged on her arm and anxiously asked, "Tell me
the truth. Are you pregnant with Mr. Kooper's child?" "Heh." Kisa sneered at him. "Does it matter if I'm
carrying his child?"

"Of course it matters. If you're pregnant with his child, your child will inherit the Kooper family's fortune
in the future, and I, as a grandfather, can also benefit from it.

While Christopher was cursing Carolyn, Sharon suddenly showed up behind him and bellowed. His expression changed, and he spun around quickly. "Sharon? What are you doing here?"

"Heh, I'm in the studio all the time. Isn't it normal for me to come over? Meanwhile, you came to the studio and bad-mouthed my mother. When you were in love with her, everything about her was good in your eyes. You even kicked this woman's b*tchy mother out for her sake. Now that you're not as good as others and can't keep my mother in love with you, you speak ill about her in front of others. I have never seen a man who is such a loser and useless as you are."

"That's enough, Sharon. I'm your father." Christopher's face turned red. "Don't assume that Adrien has sincere feelings for your mom. Look at the way your mom behaves now. Will a man as attractive as Adrien take a liking to your mom? Wake up and get on with your life."

Chapter 1097 Low-born

In a high-end restaurant, Anthony glanced at Lea's sad face and grunted in disgust, "I have taken the time to come out and have a meal with you, so don't look so glum in front of me, okay?"

"I-I'm sorry." Lea bowed her head, forcing a smile onto her pale face.

Anthony looked askance at her, feeling annoyed, as Lea had been strange in the past two days and would not allow him to touch her. If he did, she would look as if someone was trying to hurt her. Upset, he took out a cigarette and was about to smoke.

Lea suddenly whispered to him, "It's better not to smoke. Smoking is not allowed here.

Lea's face was paler than earlier, and the way she looked at Anthony was even a little beguiling and fearful. Kisa's heart sank, thinking that Lea could not really be in love with Anthony. Besides, a womanizer like Anthony would never settle for just one woman. Kisa frowned as a

Anthony growled in annoyance, got up, and walked out of the restaurant. Lea glanced at him as he left, and then she got up to follow him. Kisa also followed them out of the restaurant.

Back downstairs at Lea's apartment, Kisa parked her car near an out-of-the-way flower bed that was several dozen feet away from Anthony's car. Anthony did not park his car in the designated parking lot. So, Kisa knew he would leave after dropping Lea off. She waited quietly in the car, as she wanted to have a heart-to-heart talk with Lea afterward.

Anthony was smoking as he spoke to Lea. "Since Kisa has given you a day off, you should stay home and not move around in the meantime. When the time comes, I will take you back to Athadale."

Lea tugged at the corner of her dress and cautiously asked, "Why are you taking me to Athadale now that I'm no longer of any use to you?"

Chapter 1099 You Treat Him Like He's A God

Kisa pursed her lips and did not make a sound. She did not expect that a man as aggressive and vicious as Anthony would help a woman he did not know. She and Lea had not met yet when that incident happened.

"You know what? He was there like a God from heaven, scaring away the bad guys with just one word and telling me not to cry. He said if anyone bullied me again, I could just drop his name: Anthony Mullen. Anthony... Anthony... The name I will never forget," Lea said, suddenly giggling at Kisa. "Just because of his name, I never got bullied again during those years in that bar."

Kisa felt sad when she heard what Lea said. She could tell that Lea really loved Anthony, but the way Anthony treated Lea was anything but love. She saw it all at the restaurant just now. Kisa looked at Lea sadly. "You treat him like he's a God, but what about him? Does he love you?"

Lea shook her head. "It doesn't matter. What matters is that I was with him. Ever since I caught a glimpse of him when I was 19, he has been the only one in my heart and mind. I never dreamed that one day he would come to me. It's just that he seems to have forgotten me, or maybe he has never remembered me.

Lea lowered her eyes but could hardly hide the sadness in her voice.

"Can you not tell Anthony about my pregnancy?"

Kisa smiled self-deprecatingly. "Don't worry. From now on, your business is none of my business. I will mention it to no one." With that, she walked outside without looking back.

The glass door reflected Lea's sad and crying face. Such is love in the world-it is not always possible to have both love and friendship. Since Lea had chosen love, she had to sacrifice her friendship with Kisa. After breaking off their friendship, she would not feel too bad when Anthony made her hurt Kisa next time.

When Kisa came out of the restaurant, she felt terribly sad. She suddenly remembered the time in Kerrona Hill, where Lea asked her to see the snow and almost got her killed on the snowy mountain. 'It must be Anthony who asked Lea to do that. She didn't expect that by doing so, it could have killed me, did she?' Kisa had once suspected Lea because of that incident, but she did not expect that Lea was working for Anthony. Apart from the Kerrona Hill incident, she had no idea what else Lea had done to her. Lea divulged nothing when she asked, and it seemed that Lea was very faithful to Anthony.

It was dark when she arrived back at the Kooper residence, completely exhausted. Kisa had just gotten out of the car when someone suddenly approached her. She looked up and saw that it was Gilbert.
