### Chapter 1221 Stop with The Nonsense

When Carrie was proudly showing the photos and everyone was mocking Anthony, Kisa suddenly said, "My, my, Mrs. Mullen. You took pictures? Isn't that too obvious? Are you afraid that people wouldn't know that you've been trying to harm your brother-in-law?" Kisa had roughly sorted out who they were as she watched everything unfold. 'That old lady must be Mrs. Mullen Sr., and everyone is afraid of her. Carrie must be her second daughter- in-law, the wife of her second son.' Kisa even wondered if Mrs. Mullen Sr.'s second son was her own, judging by how she treated his wife. 'As for Jane, she should be Anthony's mother. The dynamic between the Mullen family members feels chaotic,' she thought.

Carrie's face suddenly changed when she heard what Kisa had said. "That's outrageous. It just so happened that I took the photo. It wasn't intentional."

"The photo you 'unintentionally' took looks somewhat intentional, though. Look, everything in the photo is blurry except for Anthony and my friend. How can we believe that you didn't take it on purpose?"

Mrs. Mullen. Sr. opened the letter and met Kisa's well-mannered gaze. However, there was still a hint of contempt. She closed the invitation and returned it to her as she said, "That old man did invite you. It looks like you aren't just some artist."

Kisa smiled at her politely and said, "Thank you, Mrs. Mullen Sr. I came here from Athadale to celebrate Mr. Mullen Sr.'s birthday. I brought my friend here to enjoy the banquet, but I did not expect to be treated like this by the Mullen family."

"Hah. Ms. Reyes is not from our family. Don't put the blame on us if she's the one who offended you and your friend. The Mullen family is the most respected family in Athadale."

"What about her?" Kisa pointed at Carrie and asked. "She was the one who didn't want to let my friend go."

here and celebrate Uncle Mullen's birthday, but this is what I got. How could you allow this, Auntie?" As  
she spoke, she wiped her tears away, wanting to gain the pity of others. Several of her acquaintances

"Well, just now. I found my necklace in her purse. She's a thief!" Karen impatiently said.

"That means you didn't see her steal from you, right?" Kisa replied.

"I told you. My necklace was found in her purse. Isn't that enough to show that she is a  
thief?"

Kisa nodded with a smile and answered, "So, according to you, whoever has the necklace in their bag is

As soon as she finished speaking, Kisa pulled out a shiny diamond bracelet from Karen's  
purse. Suddenly, Karen's expression changed. "Impossible. That's impossible."

"Impossible, you say? Everyone saw me pull it out from your bag," Kisa sneered and  
threw the purse back to her.

It was as if Karen had thought of something when she said, "Y-You must have  
deliberately planted it in my bag when you picked it up earlier."

"What proof do you have?" Kisa looked at her and sneered, "You're the one who said  
that whoever has it in their bag is a thief, remember?"

"You're framing me!"

"Ha-ha. How could I ever dare to frame the dignified daughter of the Reyes family? I'm  
just trying to prove to everyone that if my friend's a thief, then so are you."

"You!" Karen's face was contorted with anger. Carrie then took the opportunity and said,

Anthony narrowed his eyes instantly, and there was a frightening gloomy look in his

quickly pulled Lea away and shouted, "What are you doing?! How dare you hit her in  
front of all these people?!"

Karen glared at Lea like she was going crazy. Kisa was baffled. 'I didn't expect her to do  
anything to Lea again after she had calmed down, especially right in front of Mrs. Mullen  
Sr. I was paying attention to Carrie and Anthony when she suddenly slapped Lea across  
the face. Maybe she was thinking of something that angered her, which caused the fire  
in her heart to burn."

Karen pointed her finger at Lea and cursed, "I want this b\*tch dead! What qualifications  
does she have to take a photo with Anthony?! How could a cheap and lowly woman like  
her participate in such a grand event with the Mullen family? I lost face because of her. I

After Karen had pushed Kisa away, she continued to sit on Lea's body and hit her. Kisa

Gilbert's eyes darkened. He rushed over in a few steps, lifted Karen up, and tossed her

frowned and stared at Gilbert. Her gaze was full of questions.

Karen fell to the ground in embarrassment. She got up and yelled, "Who the hell are

#### Chapter 1227 She Would Not Bear Her Apology

'Although Karen was arrogant and domineering, the Reyes family was well- known in Athadale. If Anthony marries her, it will be a great help to his future. His status in the Mullen family would also be much more stable,' Jane thought. She then put on a smile and tried to flatter Gilbert by saying," Forget it. It was just a minor argument. Ms. Reyes knows that she is in the wrong. Please forgive her, Mr. Kooper."

As soon as Jane stood up for Karen, Kisa's heart surged with anger. She held Lea, who was covered in bruises, in her arms and sneered, "A minor argument? If I hadn't rushed over in time, my friend would've been dead in the hands of that evil woman. I don't care what happened; I want her to kneel before my friend and apologize!"

"How dare... you." Karen instantly yelled at Kisa angrily. However, her tone became much softer when she saw Gilbert's gloomy face. Jane pulled her back. She smiled at all just a misunderstanding. Karen was not happy. "Aunty..."  
The old lady's face darkened. "What? Do you want him to bring your family down? You probably don't know it yet, but the Kooper family is extremely powerful. Trust me; you'll regret it if you don't apologize this instant."  
Karen had never apologized to anyone before in her life. She put her hands together and looked at Anthony as if she was asking for help. But, he ignored her. Jane then whispered, "It's okay, Karen. Just apologize to them. It's just two words."  
"Aunty Jane..."  
"Be good. Go and apologize. Otherwise, things would be difficult for you and Anthony if you don't make peace with them."

“Okay,” Karen nodded and walked up to Kisa and Lea. “I’m Sorry,” she snorted at Kisa.

Gilbert suddenly looked anxious as he shifted his gaze to Kisa’s stomach.

“What’s wrong? Did you injure yourself?”

Kisa shook her head. “Nope. I fell down and my stomach hurts a little, that’s all.”

Gilbert and Davian both stared at her nervously.

Kisa felt very uneasy. Then, she added, "It's nothing serious. It felt all tingly earlier, but I feel a lot better now."

Gilbert furrowed his brows and carried her up directly without saying anything.

Kisa was shocked as she quickly wrapped her arms around his neck. "What are you doing?"

"I'll bring you to the hospital for a checkup now." Gilbert sounded worried.

Felicity's jaw dropped. "Mr. Kooper, you're overreacting. It's nothing serious at all. I believe all of us have taken a fall before. Besides, she fell on the grass. How much could it hurt?"

"She's right! Put me down now!" Kisa struggled to get down.

Kisa felt very bad for Lea as she said in a low voice. "I'll get someone to bring you to the hospital."

Lea shook her head. "I'm fine. It's just some bumps and bruises."

"But your baby..."

"Don't worry. I kept my stomach protected just now and it feels just fine."

Kisa looked at her and felt terrible.

'She tried so hard to protect that man's child, yet he treated her like this.'

Kisa took a deep breath. Then, she grabbed Lea's arm and said softly. "Let's go to the washroom to clean you up and put some ice on your face after that."

Kisa just could not leave Lea alone with her being like that.

Lea looked down sadly without saying anything.

Kisa sighed and said to Gilbert. "I want to be alone with her for a while. You guys go have fun."

Gilbert stared at her deeply for a while before he nodded. "Watch yourself."
