### Chapter 1241 Love at First Sight

'Isn't that Arthur? I have been looking for him.' Kisa felt that she would know more about David at the Mullen residence. So, she wanted to stay there no matter what.

In the meantime, Arthur also seemed to be looking for her. When he saw Kisa, he ran toward her, and Kisa got up to meet him.

Gilbert frowned, wondering why Kisa's eyes lit up when she saw the guy. 'Does she have a crush on that guy?' With a sulky thought in mind, he looked straight at Kisa with a pair of fiery eyes.

Felicity also glanced at the guy and was surprised. "Hey, isn't that the handsome guy who Kisa chased after at the airport yesterday?"

Gilbert's face sank even further. "Kisa chased after him?"

"Ahh, yeah, yeah." Felicity froze, wondering if she had said something wrong.

"Staying at my house?" Arthur furrowed his brow in puzzlement.

“What? Can’t I?” Kisa said and looked up at the villa in front of her. “You see how large your house is? There shouldn’t be any problem with me staying here, right?”

“Yeah, no problem. Just that, why do you want to stay at my house? Wouldn’t it be more relaxing to stay in a hotel?” Arthur wondered.

Kisa suddenly sighed. “I came all the way here to congratulate your grandfather on his birthday=”

Arthur suddenly interrupted her. “So, you really are that celebrity on TV? Otherwise, my grandfather wouldn’t have invited you.

“Can you hear me out first?” Kisa wrinkled her nose in displeasure.

Arthur pouted, feeling that she was full of lies.

Felicity could not help but give Davian a kick under the table. She wanted to hint at him to stop blabbering.

However, Davian was a blockhead. He asked her in confusion, "Why did you kick me?"

"Nothing. I just wanted to remind you to hurry and finish your juice. You talk too much!" Felicity huffed.

Davian glanced at her glumly.

'This woman is so fierce!' he thought.

Meanwhile, Gilbert had a tense expression while his chest heaved slightly. He was obviously suppressing his anger.

Felicity smiled at him and said, "Why did you ask Davian a question like that? With that aesthetic judgment of his, ugly women can be pretty, and pretty women are monsters. You should ask me instead."

Arthur did not notice the odd atmosphere. When he ran up to Kisa, he finally noticed how odd the atmosphere was.

It seemed as though there was a murderous feeling floating in the air.

Moreover, he kept having the feeling that someone was glaring daggers at him. It sent shivers down his spine.

He could not help but move closer to Kisa. Then, he whispered to her, "I just told my parents and grandparents that one of my friends will be staying over for a few days, and they agreed. After this, you can stay over. I already got the servants to tidy up a room for you."

Kisa was happy to hear his words. She smiled and said, "Thank you so much.."

When Gülbart saw the joyous expression on the woman's face, his dark eyes flamed with anger.

'I don't think this woman is staying at the Mullen residence for serious business. Moreover, there's someone dangerous like Anthony in the Mullen family. She has no reason to stay at the Mullen residence. The only explanation is that she's interested in this man. She staying over at the Mullen residence so that it'll be more convenient for her to constantly see this man,' he thought.

At that thought, Gilbert tightened his fists by his side. His knuckles turned white from anger.

#### Chapter 1245 Back Down

Kisa was stunned. She blinked and asked, "What do you mean? You're not going to let me stay at your house?"

Arthur was amused. "You have your husband, so why do you still want to stay at my house? By the way, stop lying to me next time. The trust between people is already fragile enough. If you keep lying, no one will believe you in the future."

"No... Didn't we agree to let me stay at your house? You can't go back on your word after getting back your crystal pendant?! No matter how I lied to you, I still did help you find that crystal pendant of yours, didn't I? Aren't you turning your back on someone who helped you?"

Seeing Kisa's angered and panicked expression, Gilbert frowned slightly.

'She... really looks like she wants to stay over at the Mullen residence. And, it doesn't seem to be because of Arthur Mullen. But, what's her motive behind staying at the Mullen residence? What is she trying to do? Why is she always hiding things from me?' he wondered.

While Gilbert was in deep thought, Mr. Mullen Sr. and his eldest son Albert walked over with Adrien beside them.

"What are you doing over there, Arthur?" Albert shouted at Arthur.

Arthur quickly turned around. "It's nothing. I'm just chatting with my friend."

Gilbert immediately embraced Kisa into his arms. He chuckled, "Naturally. Wherever my wife is, that's where I'll be."

"Alright, then!" Mr. Mullen Sr. caressed the dragon's head on his walking stick. Then, he laughed casually, "My place is huge and has lots of room, so you two can stay as long as you like. Coincidentally, Mr. Tanner will also be staying for a few days. You can all keep each other company."

Kisa turned to look at Adrien in reflex.

'It seems like Adrien and Mr. Mullen Sr. truly share an extraordinary relationship,' she thought.

As usual, Adrien met her gaze with a smile in his eyes. He looked gentle and amiable.

Kisa watched him. Strangely, she did not find him genuine.

'I have a really bad impression of Adrien right now. I wonder if it's because he's with Carolyn,' she thought.

Not only was the Mullen residence huge, but even their interior was incredibly lavish.

Since Gilbert and Kisa were husband and wife, the servants prepared a room for them on the third floor.

'Adrien and David have similar physiques? I have never seen David in person before, so I didn't know about this nor relate the two of them with each other,' Kisa thought.

Kisa gripped the door frame tightly as she listened attentively to the conversation between Mrs. Mullen Sr. and Albert.

Mrs. Mullen Sr. sighed, "They do look similar, but he isn't that b\*stard. Otherwise, I'll make him kneel before Vivian and atone for his sins."

"Well, if Mr. Tanner can calm Vivian down, we could let him stay over for a little longer. Perhaps he might actually let Vivian open her heart. I heard that Mr. Tanner still isn't married."

"Forget it. Your sister got heartbroken once. I won't let her get into these things again. Regardless, your sister is currently emotionally unstable, so it won't hurt to let him calm her down."

The two gradually walked further away as they spoke.

Kisa waited until they disappeared by the stairs before she walked out of the pantry.

"Take care of yourself. He'll be back the day you can stand up," said Adrien.

Kisa was not sure if he was purposefully saying such things to console Vivian or because he was actually David.

Kisa currently felt incredibly suspicious of him.

'I need to reanalyze many things. I also need to reconsider the genuineness of the things Adrien told me before this,' she thought.

Vivian looked at Adrien and asked, "Will he really come back?"

"Mhm. He'll be back when you can stand up. That's why you need to be brave, stand up, and live on."

Perhaps it was because Adrien's words had managed to console Vivian, as she slowly began to quiet down.

Moments later, Vivian seemed to have fallen asleep. There was not a sound in the room.

When Kisa saw Adrien walking toward her, she quickly moved away and hid back inside the pantry.

Carrie Wagner, the wife of Mr. Mullen Sr.’s second son asked. Clearly, she brought Anthony’s name up on purpose.

Jane could tell that Carrie kept targeting Anthony at the banquet earlier.

However, judging by his background, Anthony was the least favorable heir in the Mullen family. Jane just could not figure out why Carrie would be so afraid that Anthony would take the wealth. of the Mullen family away from her husband.

After giving it some thought, Carrie said, “Anthony... went to send the guests home.”

Lydia Hart, the wife of Mr. Mullen Sr.’s third son chuckled. “Each and every person here today are all high-profile individuals. I’m sure that all of them have their own chauffeur. There’s no need for him to do that.”
