### Chapter 1271 I'll Give My Blessing If She Comes Back

Gilbert looked at Kisa with sad eyes and asked, "You really want her to appear?"

"Well, yeah. Don't you?"

"Don't tell me that you don't want that. Don't tell me that I'm the one you really love," Kisa interrupted him lightly.

### Chapter 1272 I Can't Have Two Husbands, Can I?

After Kisa and Arthur left the room, Gilbert slammed the book on the table with a gloomy look on his handsome face. "Kisa, did you have a fight with your husband?" Arthur asked abruptly as they walked on the gravel road in the backyard. Kisa was taken aback when she heard that. She smiled in surprise and said, "No. Why?"

“Well, when I went to your room to look for you, I saw his face, and it was terrifying, especially when he looked at me. It was like he was going to eat me alive. Did you guys have a fight before I went into the room?”

“Nah,” Kisa awkwardly laughed. ‘Ugh, why does that man always have to look so gloomy and scary? Can’t he control his facial expressions? We’re just guests at the Mullen residence, for goodness sake.’

“Kisa, I’m not sure if it’s my imagination, but I think your husband hates me.”

‘Oof. This little dude is rather straightforward, but he’s not wrong.’ Kisa thought. She smiled at him. and said, “Oh, it’s not that. He was just in a bad mood when you came in.”

Chapter 1273 She is Not Willing to Forgive Him

Kisa saw that Vivian’s complexion was much better than yesterday. Maybe it was the warm sun in the late autumn morning. Vivian was sitting in the courtyard with a blanket and a book in her lap. She leaned back on her wheelchair, and her eyes were slightly closed. It was a peaceful scene. Kisa was also happy to see that she was no longer sad.

Arthur brought Vivian lots of snacks, books, and fun crafts, all in one bag. He dumped the things onto the table and yelled, “Aunt Vivian, I’m here to see you again!”

Vivian slowly opened her eyes. She looked at Arthur and then at Kisa. Her gaze was not as cold and sharp as it had been yesterday. “Stella, go make some tea,” she said to one of the servants. Kisa smiled faintly and sat at the table with Arthur. He was a chatterbox, introducing Vivian to all kinds of stuff. Vivian listened to him calmly. Occasionally, a smile would appear on the corner of her lips.

“Arthur has quite the charisma. He’s somewhat capable of coaxing people and enlivening the atmosphere, Kisa thought as she listened to him on the side, drinking her tea. She wanted to ask. Vivian about David, but she knew that it was not the time since she had not come out of it yet.

After a long time, Vivian spoke. “Ms. Becker, I heard you’re here to visit my family with your husband.” She emphasized the word “husband” as if she suspected that the painful experience Kisa told her about last night was a lie. However, the injury on her back was not fake, so she was still unsure about it.

"Hey, Mr. Kooper. Are you here to see Ms. Mullen? Why are you standing outside? Just go in." It was  
Adrien's voice. He even called Gilbert "Mr. Kooper".

Kisa's heart trembled for a moment, and her back stiffened up. 'Why is Gilbert here? He should have  
gone out of this place long ago with how gloomy he was this morning.' Just as she was thinking about it,  
Adrien and Gilbert had already walked in. Vivian looked at Kisa, and after a while, she glanced at the two  
new visitors.

To Kisa's relief, Vivian did not go crazy like she did two days ago when she saw Acrien. However, there  
was obvious resentment and hostility toward Gilbert in her eyes.

"You're... from the Kooper family?" She asked Gilbert coldly.

"Yes, I'm from the Kooper family in Calthon. David Kooper is my uncle," Gilbert replied, not intending to

## Chapter 1275 That Person Does Not Exist

"Aren't you going to leave?!" Gilbert clenched his fists as he turned around and walked out of the yard. Kisa stroked Vivian's back and whispered, "It's okay. The person from the Kooper family has left. It's okay. It's all over now..."

"Arthur, pour her a cup of tea," she said to Arthur. He quickly handed over the cup of tea, and Kisa let Vivian have a few sips. She gradually calmed down after that.

Adrien was standing at the side. Kisa glanced at him and asked, "Are you here to see Ms. Mullen today too, Uncle Tanner?"

"Well, Mr. Mullen Sr. and I are good friends. Ms. Mullen mistook me for that person, so Mrs. Mullen Sr. asked me to come and comfort her.

## Chapter 1276 You Think I'm Lying?

Kisa followed her gaze and looked at Adrien's back. Many questions popped up in her head. The more she thought about it, the more she felt that Adrien was David Kooper. Otherwise, why would he show such concern to Ms. Mullen?' Ever since Adrien and Gilbert appeared, Vivian had been in a bad mood. Kisa held Vivian's hand tightly and said, "Don't think too much about the past. The most important thing right now is for your leg to heal. I will contact my friend tonight and ask him to come as soon as possible."

"Many doctors have looked at me and said that it's hopeless," Vivian said in a low voice.

Kisa smiled at her and said, "Well, I was sentenced to death by many doctors back then, and I was indeed dying at that time. But, my friend was able to drag me back from hell. I believe that he can heal your legs."

A glimmer of hope flashed in Vivian's dead eyes when she heard that. Kisa was relieved. "The weather is nice. You should call your friends and hang out with them."

The low stand by the window was kicked upside down.

She looked at Gilbert who was calmly sitting in a chair. She was speechless as she said, "Did you kick it?"

He did not speak. He just pulled his tie. A hint of irritability could be seen on his gloomy face. I'm not sure what's bothering him.

'But it's very rude to kick something in someone else's house.'

Kisa walked toward Gilbert as she frustratedly said, "Here's the Mullen residence. You should clean up your act. The Mullen family might chase us out if you kick their things."

"Do you think I'm afraid of them?" Gilbert raised his eyes to coldly stare at her.

Kisa could not stand the way he looked at her. She softly said, "I didn't say that you're afraid of them. But you're being very rude. After all, we're their guests."

Gilbert coldly sneered. He did not bother to talk to her.

Kisa just ignored him when she saw his long face. She bent down to pick up the low stand. She then laid down on the bed.

Kelvin frustratedly stared at his phone as he murmured, "He didn't even explain it clearly. He merely asked me to go there. How can I go there just like that? So annoying!"

Gracie noticed he was irritated when she served him the fruit platter she just made.She could not help but ask, "What's wrong?"

Kelvin heavily sighed, "Help me pack two outfits. I have to go Athadale."

"Did something happen?" Gracie worriedly asked.

Kelvin stroked her hair as he said with a smile, "Nothing happened. Gilbert asked me to go there to treat his friend's legs. I'm indebted to him my whole life."

Gracie amusingly nodded, "That's because you asked him for a lot of help back then. If it wasn't for his help, we wouldn't even be together."

Kelvin held her hand tightly as he sighed, "That's true. That's why I said I'm indebted to him."

#### Chapter 1279 Kids Nowadays Are So Superficial

It was Felicity, "Hello, Kisa, what have you been doing in the Mullen residence for the past few days? Do you want to come shopping with me?"

"Nothing much. Where are you now?"

"I'm outside of the Mullen residence. I came by specially to ask you to go shopping with me. Do you want to go?"

Kisa subconsciously glanced at Gilbert. After a moment of hesitation, she said, "Sure. I'll come out now."

I'd rather go shopping with Felicity than stay with this gloomy-looking man.

'Regarding the matter of David, I can only wait until Ms. Mullen gets better emotionally. I'll only dare to ask her about it by then.

'As for the secret forbidden area in the backyard, I still need to think of a way to find and check it out.'

Kisa quickly changed her clothes when she remembered Felicity was still waiting for her outside. She then grabbed her handbag and phone before she ran outside.

"Stop. Where are you going?"

A gloomy voice could suddenly be heard. Kisa stopped walking.

Kisa turned her eyes to look at her side. It was Jane.

Jane was pulling Anthony hurriedly walking outside.

Anthony fixed his collar. He looked impatient and irritated. But he did not shake off his mother's hand.

Arthur hastily asked Anthony, "Uncle, where are you going so early in the morning?"

"We have something to do. He'll play with you when he's back.'

Jane grabbed Anthony's hand and continued walking outside as she said that.

Anthony glanced at Kisa with his cold eyes as he sneered.

Kisa confusedly stared at him. She did not know why he was laughing at her.

Right after the two of them walked out of the house, Lydia and Gloria scornfully said at the side, "Aunty Jane's probably taking Anthony to go on a date with Karen."

Kisa frowned.
