

Billionaire's Reborn Baby novel Chapter 1132

Kael's heart beat faster again.

"Is this okay?" She chuckled. "I think I'm provoking you,"

Kael's eyes were slightly red.

"You are so cute." She said as she tiptoed and kissed him.

His heart was racing.

"Bart," Kael said as he held her shoulder. His bright eyes were faintly red. "My heart is not good. My life is in danger at all times,"

"Yes, so?" Bart did not care. She only cared about one thing, "Can you do it or not?"

Kael couldn't cope with her words and deeds. Most importantly, his body was so hot that it was about to explode.

Bart opened her mouth and wanted to say something. However, Kael lowered his head to kiss her.

Kael was gentle. However, his kiss was fierce.

"Do you want to take a pill?" Bart gasped and asked.

Kael took the medicine obediently. He left half of the water in his mouth and passed it to her through the kiss.

Bart almost choked. "You are so interesting." She joked.

Kael blushed as he refuted, "You treated me like this in high school."

Bart thought that his reaction was quite interesting. "You never have a girlfriend, right?"

The tips of Kael's ears were red.

Instead of answering, he asked her, "What about you?"

"I'll count it." Bart reached out her finger and started counting. The number soon exceeded ten.

Kael was so angry that he pressed her down.

Bart laughed, "Just one. He looks very similar to you."

Kael suddenly stopped talking.

Bart lay on the sofa and looked at his face. "I won't lie to you. He looks very similar to you, but he has a lot of words and a strong body. I don't like him. I like you."

Kael's feelings disappeared. He lowered his head and sucked on her neck hard.

The next day, Bart went to work. Haiden saw the mark on her neck and immediately dragged her to the side to ask, "Didn't you break up? Did you reconcile again?"

Haiden didn't like her boyfriend. Her boyfriend had no ability. He just looked good.

"No, I have a new boyfriend." Bart smiled happily.

"A new one?" Haiden did not want to interfere in her emotional life. But as a brother, he was worried about Bart. He reminded her, "Be careful."

Bart nodded, "Don't worry." She handed over her work and asked for a week of vacation.

Haiden asked, "Why do you take a long vacation?"

"You understand it." Bart smiled at him suggestively.

Haiden was speechless.

Kael will go back to check his body in a week. He comes back every year. His parents wanted him to stay abroad because the treatment there was better than domestic. It was good for his health.

In order not to stimulate him, Bart could only have sex with him in a gentle way.

That night, she sent Kael to the guest room to sleep while she slept in her bedroom.

When she was about to fall asleep, the door of the room opened. Then, Kael gently came in.

Bart pretended to be asleep and didn't open her eyes.

Kael stared at her for a long time before he lowered his head and kissed her face gently.

In high school, he was involved in a fight with someone because of Bart. His heart was stimulated. Later, he fainted and was sent to the hospital. The doctor said that there were traces of being pinched on his neck, which should be the reason for the fight.

His parents were to investigate this matter thoroughly.

He did not want to see Bart get involved in this matter. For the first time, he violated his parents' wishes and even opposed them from investigating this matter again. His parents were worried that he was in a relationship and fought with someone for a girl. Therefore, they sent him abroad.

He returned every year.

But he didn't meet her again.

Unexpectedly, he met her this year. He thought, 'Thanks for leaving my glasses in the private room.'

Bart said something was wrong.

He did not become fond of laughing.

He did not expect to meet her, so he could not help but want to laugh.

Bart said she was thinking about him every year.

She did not know that.

Every year, he was thinking about her.

Kael lowered his head and kissed her lips.

Bart immediately kissed him back, one hand covering his heart.

His heartbeat was very fast.

As long as she got close to her, his heart would jump very quickly.

"Aren't you asleep?" Kael asked.

Bart opened her eyes. "Otherwise, how could I find you kissing me? What? Do you like the excitement?"

Kael was not good at expressing himself. He said nothing.

He kissed her collarbone.

Bit by bit.

It was numb and itchy.

His hand gently untied her nightgown.

Bart asked, "Do you want to take medicine?"

"Will you do it?" His face was burning hot.

"OK. Don't faint." Bart chuckled.

Kael kissed her lips and stopped her from speaking.
