Billionaire's Reborn Baby novel Chapter 941

Vincent raised his eyebrow.

"You learned from Trevor for such a long time just to deal with me?" Vincent leaned back in his chair, staring at Emily.

Emily suddenly hugged his neck and said, "No, I just wanted to do a test, but I opened your computer by accident. I promise that I turned it off right away!"

Vincent raised his eyebrows and tapped on the keyboard. Emily could not see what he was typing. She could not help but turn around to take a look. She saw the photo that she had taken.

She didn't know what to say.

"You even took a photo. How do you explain that?" Vincent looked at her and asked.

Emily laughed with embarrassment. Then she kissed him on the cheek and said, "I just missed you so much. I wanted to see what you were doing. And I thought you were too handsome, so I couldn't help but take a picture. Well, Mr. Vincent, your skin has been good recently. It's smooth."

She kept flattering.

Emily kissed his face and then his lips. Vincent became relaxed and he responded to her kiss.

Emily was just about to heave a sigh of relief when she heard Vincent say in a hoarse voice, "Come, show me what you have learned."

Emily was stunned.

"Well, whose computer do you want me to hack?" Emily asked carefully. After all, the computer in the whole building had almost been hacked by her, except for Vincent and Trevor's.

However, Vincent seemed to deliberately pinch her face and said, "Good girl. I want to see Trevor's computer."

Emily was speechless.

Trevor was editing a new program. A red light flashed on his computer. The system raised an alarm, "Warning, an unfamiliar website is trying to invade..."

Christy heard the noise and walked in. She was still holding an apple in her hand. She looked at Trevor's computer in surprise and asked, "What's wrong?"

Trevor looked at the IP address and then he showed a smile.

Christy could tell from his reaction that it was someone she knew, so she asked, "You know who is it? Is it Emily?"

Trevor nodded.

"She can hack into your computer?" Christy asked.

Trevor shook his head.

"Aren't you still hiding your secret?" Christy leaned on his back and continued, "If she finds that she can't hack into your computer, she must look for you."

Trevor thought for a moment and said, "Then should I let her in?"

Christy was speechless.

"I don't know what Noah is busy with, but he hasn't turned on his computer yet," Emily said.

Vincent did not speak.

Emily typed on the computer again, saying, "I'll hack it again now."

Vincent held her hand and said, "Ferne is sick. Noah is taking care of him."

"Why? How is Ferne? Is it serious?" Emily asked curiously, "Winter is over and summer is coming soon. How did he get sick? Did he catch a cold?"

It seemed that Vincent didn't know how to explain. He frowned slightly and didn't speak.

"Should I go upstairs to take a look?" Emily asked.

"He's in the hospital."

"What? Is that mean his illness is serious? What happened to him?" Emily asked in surprise.

Vincent hesitated for a moment and said, "It's hemorrhoids."

Emily was speechless.

Billionaire's Reborn Baby novel Chapter 942

Emily took a leave on Friday. With some fruits, she went upstairs with Vincent to visit Ferne who was discharged from the hospital.

Although he had been staying in the hospital for a few days, Ferne seemed to be in a bad mood. Emily didn't know if she had thought too much, but she felt that Ferne seemed to have done something wrong and didn't dare to look her in the eye.

Noah was also curious. He kept lowering his head to peel the fruit. Originally, Emily wanted to talk to Noah about Stephanie's plan of finding a few more security guards to maintain security in the Relax Room. Seeing that Noah had been seriously peeling the fruit with his head down, Emily didn't raise the subject.

Vincent was not talkative. The atmosphere was a little quiet. Ferne didn't get a cold or a fever, so Emily felt awkward asking him about his

situation. In the end, Emily said that she hoped Ferne would get better soon and then left.

"Vincent, don't you think there's something strange between them?" Emily asked Vincent.

"I don't think so," Vincent said expressionlessly.

"I felt that something was wrong," Emily said as she propped up her chin.

"Let's go." Vincent held her hand and walked home.

"Oh. Ferne is wearing a lot of clothes and a scarf around his neck. His illness seems to be quite serious. He's even afraid of the cold."

Vincent didn't know what to say.

After a long while, Emily understood that Ferne would relapse. It probably would relapse four to five times a month.

Every time his hemorrhoids relapsed, Ferne would hide at home. Emily would bring Christy, Stephanie, and the others out, asking him if he wanted to join them.

During that time, Ferne would feel sad and angry for these women making fun of him.

This was Christy's idea. Emily did not understand, but by the time she did, it was a long time later.

In late April.

Emily drew a picture and sent it to the Dalton Hotel as a sign, which was hung in the middle of the hall.

The man in a white shirt was sitting on the bed. His eyes were covered by a pair of women's hands, revealing only his straight nose and thin lips. His skin was very fair, and his features were well-defined. The girl behind him was half-covered by her long hair. She was lowering her head

and kissing the man's cheek. It was beautiful and warm, making many guests stop and admire it for a long time.

Many people knew that it was E's painting and vied to buy it. But Ferne turned them down. Ferne said very seriously to the guests, "This painting is not for sale because it is the treasure of our hotel."

What Ferne said made the painting more valuable. When Emily went to the class, she heard that almost everyone in the class was discussing E's new work.

"Have you seen it?"

"What?"

"Hey, Violet. You're so gossip. As Emily's deskmate, you should give her some confidence. How do you know that Emily can't draw high-end paintings? Maybe her paintings are much better than E," Tatiana retorted unhappily.

"Bullshit!" Tatiana was furious. "Don't take nonsense, will you?"

"Oh, are you anxious now?" Tatiana chuckled, "If Emily participated in the Fine Arts Education Research, she would get first place!"

"Don't brag." Violet rolled her eyes.

"Tatiana, don't go too far." Tatiana slapped the table.

Marley covered her ears. "Tatiana, don't be noisy."

Tatiana was furious. "You all like E, don't you? Violet, have you forgotten who drew the cartoon card for you on Christmas Day? If you don't appreciate Emily's drawing, give her the card back!"

Violet stammered. "The cartoons that Emily drew are beautiful, but she can't draw what E had drawn."

"What right do you have to say that?" Tatiana asked bluntly.

Violet took out her booklet, which was filled with printed pictures. All of them were the works of E. It could be seen that she was a fangirl of E.

Billionaire's Reborn Baby novel Chapter 943

Violet showed them page by page. "Here. I think she should be older than us. She must have seen a lot and has a rich life experience so her paintings will be impressive. The deer, stars, and the sea, as well as many characters and paintings she draws, are not something that people our age can create. She is very talented and emotional. Some people will be moved after they see the drawings because they have resonated with the paintings."

Tatiana was disdainful at first, but when she saw more E's paintings, she patted Emily on the shoulder and said, "Forget it. Your drawings are not bad."

Emily was speechless.

When Violet turned to the last page, a bookmark suddenly fell out of the interlayer. There was a life-like drop of water drawn on the bookmark. Looking through the drop of water, one could see a beautiful face with a tear at the end of the eye.

It was a bookmark designed by Emily herself. The bookmark sold well because of Stephanie.

Emily was slightly surprised. She didn't expect Violet to have this.

"You have this too," Tatiana suddenly said. Then, she took out a book from her desk and opened it, revealing many bookmarks. She said to Violet as if he was showing off. "Hey. I have more bookmarks than you."

Emily was speechless.

Emily forgot that Tatiana was Stephanie's fan.

Tatiana revealed a meaningful smile. "Do you collect the bookmarks because you think they are beautiful or because you like Stephanie?"

"The latter, of course, though the paintings are beautiful. The bookmarks are drawn by a friend of Stephanie's. Don't say that they aren't as beautiful as yours. Otherwise, I will definitely beat you. Oh right, didn't you also keep it?"

"I kept it because..." Violet looked at her and said, "because it was drawn by E."

Tatiana nodded and realized that something was wrong. "Wait a minute. What did you say?"

Violet placed the bookmark under a magnifying glass and saw that there was an "E" at the bottom right of the water droplet.

"That means..." The classmates looked at each other in dismay. "Stephanie and E know each other."

Emily admired Violet for discovering such a detail. When she first drew the picture, Emily designed her name and printed it on the paintings to protect her copyright.

Violet took out a photo and said, "And it is said that Stephanie's good friend, other than a few celebrities in the industry, is in City Y."

Emily's heart skipped a beat when she saw the picture.

Emily was shocked.

With Marley, Lucy, and Jenny, Emily had more friends to be with her in PE class.

The summer sports meeting was coming, so the students couldn't play freely in the sports class. They had tests for 100m, 800m, and 1000m. The girls complained while the boys handled the tests easily.

Emily had trained well during this time. Although she was small, her explosive strength was strong. She got first place in the 1000m test, which shocked the F class and the S class.

Several boys, including Jasper, were stunned.

"Damn it. She's quite strong."

"How can she run so fast? She's so short."

David was playing basketball. He had been absent-minded since Emily had tests, and he had been distracted several times to see where she had run off to. One time, he was hit in the face by the basketball. His partners asked who he was looking at. David did not speak. After Emily finished the test, he made a handsome layup. However, when he turned around, he found that Emily did not even look at him.

Billionaire's Reborn Baby novel Chapter 944

"What's wrong?" Someone bumped David on the shoulder. "Why are you so distracted today?"

"Nothing." David collected his gaze as Emily went to the bathroom. He recalled the New Year's Eve Gala and Emily took off the man's mask. She looks so beautiful. David couldn't help but miss Emily. He even dreamed of Emily during winter vacation. Those dreams were so beautiful.

"Damn it. How did you do it?" Tatiana had just finished running and almost fainted to the ground. After Marley carried her to a chair, Tatiana panted for a full five minutes before she recovered her strength. And her pale face turned reddish.

Emily was doing stretching. Before she ran, she had done five minutes of stretching, and after running, she had done more than ten minutes of stretching.

"Just run," Emily said, stretching her waist. "Don't you run every morning? Why can't you run?"

"I've skipped the training," Tatiana said weakly.

Emily was speechless.

Tatiana patted her arm and said, "Hey, David has been watching you when you were running."

"What?" Emily looked back at the basketball court and happened to meet David's gaze. The basketball in his hand was taken away by others and David was embarrassed and hurriedly went to snatch the basketball.

Emily smiled gently and then lay down on the chair next to Tatiana. "He should be watching you."

Marley, who had just come over to drink water, didn't know the whole story and thought that Emily was telling the truth. She looked at Tatiana with some surprise and asked, "David has taken a fancy to you?"

"Nonsense!" Tatiana blushed. She pointed at Emily and wanted to answer back. Marley probably wouldn't believe it if Tatiana said that David liked Emily as the whole school thought that Emily was particularly ugly. But Tatiana didn't know why David had taken a fancy to Emily. She only knew that David acted like he loved Emily at the New Year's Eve Gala.

But Tatiana had no chance to explain. Lucy was the last one to finish the 1000m test. Now she was being dragged over by Jenny and the others. Tatiana quickly gave way. "How's she? Did she faint?"

Lucy did not open her eyes. Her face was deathly pale, and she could not even speak. Lucy tried to throw up several times, but she suppressed it and felt uncomfortable. Jenny and the others fanned for Lucy while patting her face lightly with cold water.

"Take her to the infirmary." Marisa took a drink and squatted on the ground. "Lucy is so bad at sports," she said.

Just as they were about to finalize the deal, the students from Class S came over. They were the boys who had been taught a lesson by Emily. David rushed the fastest and ran in front of Emily, asking "What happened?"

"Nothing. What are you guys doing here?" The boys from Class F quickly stood in front of those from Class S.

Emily frowned and asked Jenny to put Lucy on her back. The boys were still arguing while Emily carried Lucy to the infirmary.

When Emily left, the boys in both classes widened their eyes in shock.

"Let me help you!" David said.

David was tall and strong and directly carried Lucy off Emily. Emily did not argue with him and helped him put Lucy on his back. When David was about to go, Emily frowned and motioned for him to stop. Then, Emily took off her coat and placed it on David's back.

David was speechless.

Billionaire's Reborn Baby novel Chapter 945

Emily walked forward without looking back. Then she reminded him, "Hurry up."

The commissary wanted to laugh, and he quickly caught up with her with Lucy on his back. When he got close to Emily, he said, "Do you think I am too bad?"

Emily glanced at him. "Why do you say that? I clearly feel that you are quite good. Otherwise, I wouldn't have let you carry her."

"Really?" the commissary smiled.

Tatiana, Jenny, and the others had all caught up. Tatiana was still sighing, "I don't know if it's too late for me to faint now..."

Noah went to set a record after he finished testing the students. When he saw Emily and the others take the students to the infirmary, he followed them. Emily told him, "Let's take her to the infirmary first. It should not be serious. If there is a problem, I will tell you."

"Okay."

After Noah left, the students all looked at each other.

Jenny's followers began to whisper.

"Why do I think that Mr. Vincent is particularly obedient?"

"I think so."

"Moreover, I also felt that Emily was so cool just now. I really like it!"

"..."

Jenny glared at them in dissatisfaction, "You can speak ill of people in secret. But now you are talking so loud behind her. Are you afraid that she can't hear what you said?"

The followers became silent

"Fine. I didn't hear anything," Emily turned around and said.

The followers were speechless and thought Emily clearly heard it!

The commissary walked in front with Lucy on his back for a while, feeling a little tired. Hearing this, he smiled at Emily. "Your classmates are quite funny."

Emily looked at him. "You still have the strength?"

The commissary also became silent.

He gritted his teeth and lifted Lucy again. "I'm very strong."

Emily saw his already sweating forehead and said, "You'd better not talk. Save up some strength. If you are tired, I'll carry her."

The commissary also stopped. A little embarrassed, he suddenly said, "I ... Emily. I like you."

His heartbeat was too strong.

Nervous, uneasy, he was afraid of being rejected, and even he had expected the scene of being rejected, but he did not regret it, especially when he heard that when the boys in their class fought with the boys in Class F, Emily helped the boys in Class F. After that, he liked Emily more because he had never met such a girl, mysterious and very unique.

What was more, she was extremely beautiful.

Clearly, he had only seen her once in a hurry, but that beautiful face unexpectedly stayed in his mind for a long time.

"What a pity."

Emily continued, "I'm already married."

The commissary was stunned.

He didn't know what to say.

He fell silent.

Billionaire's Reborn Baby novel Chapter 946

"What did you say to David? Why does he seem to have taken a serious blow?" Tatiana bought two bottles of drinks and handed them over. Emily reached out to take them. "I don't know."

"He confessed his love for you and you rejected him, right?" Tatiana did not believe her.

"How did you know?" Emily raised his eyebrows.

Tatiana was lost for words.

Marley had just come over and didn't hear all their conversation. She asked loudly, "Who confessed? Who rejected whom?"

Tatiana glanced at her and said, "David."

Marley covered her mouth, looked at Emily, finally understood, and said, "You confessed your love for the commissary, and he rejected you, right?"

Emily was speechless.

Tatiana didn't know what to say.

It was unknown where the rumor came from. It was said that the ugly girl in Class F, who was wearing a mask, confessed her love to David, and the commissary rejected her. Thus, all the students in the school were laughing at Emily. Some even released Emily's photo that had been posted on the public bulletin board again. Emily had freckles on her face and buckteeth. There was also a confession next to her. It was written in a very loving way.

"David, I've fallen in love with you since I first met you on the basketball court. I like watching you playing basketball and lifting your basketball shirt to wipe your sweat. I like the way you drink water. Anyway, I like you so much. I hope that you can see me. I'm Emily Britt from Class F."

There was a line beside pointing at her photo, which read, "This is me."

On the way to school and after school, there would always be students discussing her behind her back. Some of them did not suppress their voices at all, and their mocking voices were raised by more than ten times as if they were deliberately saying it to her.

"Look at her. She likes the commissary. What a joke!"

"Yeah, why doesn't she look at herself in the mirror?"

"If I were her, I would have locked myself up at home and I would never go out. Look at her. She's so ugly. Isn't she afraid of scaring others when she goes out?"

"Ugly bitch. No wonder she always wears a mask. She is so ugly..."

Emily wore her headphones and could not hear the discussion outside. When she passed by the bulletin board, she did not even look at it. Jenny and her followers came out to tear up the photos and notes on the bulletin board.

"Is Emily really that ugly?" They asked Jenny.

"How would I know?" Jenny glared at them.

"Does Emily really have a crush on the commissary of Class S?"

"Go ask her! How would I know?" Jenny was even more displeased.

David?

The commissary of Class S?

She had to rush back tonight and accompany Vincent to go to Spencer for treatment. Moreover, she had made it clear last time that she did not have anything to say to David.

"Whose note is it? Is it David?" Tatiana asked.

Emily rolled the note into a ball and put it into her pocket.

"What does it say?" Tatiana asked.

"Let me go to the rooftop and say something to me," Emily said as she packed her bag.

"Do you want to go?" Tatiana asked.

"I'm not going. I have nothing to say. Besides, I have something else to do." Emily finished packing up her school bag. Marisa was already waiting at the back door of the classroom. Lucy also finished packing and stood up.

They went home together after school.

Billionaire's Reborn Baby novel Chapter 947

Emily walked towards the back door. Tatiana followed behind her and asked, "But it's not proper that you just leave like this. Shall I tell him that you left? What if he is waiting for you?"

"He wouldn't wait for me when he saw me leave." Emily waved at her. "Happy holiday."

After Emily left, Marley came back from the bathroom. She was asked to give the note to Emily. But Marley didn't open it and didn't know what

was in the note. After Emily left, she asked Tatiana what the note was about. Tatiana told her.

Marley asked in surprise, "Emily just left?"

"Yes. Many people watched it. I don't know what's wrong with David. How dare he come to Emily when she is misunderstood?"

"Maybe he wants to apologize to Emily." Marley guessed.

"Maybe." Tatiana nodded.

Marley thought for a moment and said, "Why don't we go take a look and see what he's going to do?"

"What?" Tatiana was at a loss.

"Let's see if he's going to confess to Emily," Marley said.

"I thought it was you who spread the rumor." Tatiana glanced at her slowly.

Marley pointed at herself and said in astonishment, "Me? How could I spread that out?"

"You would do so," Tatiana said indifferently.

Marley was speechless.

They thought for a while and decided to go to the top of the building to see what David would do. After all, Emily just wanted to thank him, not to confess to him.

When Emily walked out of the school, she turned around and looked at the school. "What happened? Did someone peek at you?" Marisa asked.

Emily shook her head.

Lucy was still memorizing the words with her head down. She couldn't change this habit these past few days. Marisa nudged Lucy and said,

"Hey, you're walking. Focus on the road. I can even remember the words you are reciting."

Lucy smiled shyly, "Then I'll recite them to you."

Marisa waved and said, "Don't." She looked at Emily again. "What were you looking at?"

"Have you been to the top floor of the school?" Emily looked back. The floor was very high and she couldn't see if there was anyone on it.

"Is someone looking for you for a date there?" Lucy suddenly looked at Emily and asked, "I saw someone send you a note from Class S. Is it David?"

Emily nodded.

"He asked you to go to the roof?" Marisa asked.

"Yes," said Emily as she continued to walk forward with her bag on her back. "But I don't have anything to tell him,"

"It's right that you don't go. If the group of girls who have a crush on him wants to mess with you, you will suffer," Marisa said casually.

Emily didn't understand. "To mess up with me?"

Marisa walked on her back and said leisurely, "Yes, it always happens in novels. The girls deliberately imitate other people's handwriting and write a note for you so that you mistake it that it's the boy you love who asks you out. You will get cheated when you believe it."

Emily had thrown the note into the trash bin when she left the school gate. She was still hesitating on whether she should go back and take a look at what was written in it. But Marisa continued, "David is good-looking and lovely. Many girls in other classes have a crush on him. I have even seen him being confessed to several times. He is quite popular."

After she finished speaking, Marisa smiled and nudged Lucy's arm. "He sent you to the infirmary with you on his back. How was it? Do you have a crush on him?"

Lucy adjusted her glasses and blushed.

Billionaire's Reborn Baby novel Chapter 948

Emily looked at her in astonishment. Emily asked, "Are you really tempted?"

Lucy covered her face and replied, "No, it's the first time I'm carried by a boy. No matter who he is, I will definitely blush."

"Okay." Emily nodded and fell silent. She came to a conclusion, "Lucy, you're so pure."

Lucy was speechless.

Emily added, "I don't have any feelings for little boys right now. I'm only ... interested in old men."

Marisa looked at Emily with surprise.

So did Lucy.

The guards kept quiet.

Guard A said, "Bro, take a not."

Guard B said, "I think we should pretend not to hear it."

Guard C agreed, "Yes. From the lesson we learned last time, we should pretend to be deaf and say nothing at this time. The little Hulk may even reward us with ice cream."

Guard A said, "I think you should tell this to guard D."

Guard B said, "Where is he?"

"I don't know. He disappeared before the little Hulk left the school," guard B replied.

Guard A had nothing to say.

When Emily had thrown the paper into the trash can, guard D quickly picked it up and looked at it. Then, he went to the roof according to the content of the paper and waited.

Not long after, a group of girls came to the top of the building. Although they were wearing school uniforms, they all had unfriendly expressions on their faces. A few of them were kicking the cans on the ground. As they kicked, they mocked, "That bitch! How dare she like David. She should look at herself in the mirror..."

"Where is she? Does she come here?" Someone couldn't wait and looked at the door while checking the time.

"Did you deliver the note?" Someone else asked.

"Yes. I sent it directly to her hands. I'm sure she has seen it," Someone said.

The one who had scolded earlier snorted coldly and crushed the can. She then looked in the direction of the door and said, "Later, all of you, record it properly for me. I want to ruin her reputation!"

Marley looked at them defensively and said, "This is the school! What do you want to do?"

"Yes. We're in school. So what? Do you think there's a teacher here? Don't even think about it. No one will come," Mary said with a smile.

The other girls also came over with a smile.

Tatiana and Marley were pushed to the wall by them. Someone kicked Tatiana and Marley's legs. Both of them bent over in pain, and then they were pushed to the ground.

Tatiana shouted in fear, "What are you guys doing? I'll tell the teacher!"

"Go ahead." Mary pointed at the people on the side and said, "Come, record it well and give it to the teacher as evidence. Let them see that the trash from Class F has been taught a lesson. By the way, you, how's your grade in the last exam?"

"Mary, they're from Class F. Don't you remember?"

"I'm really sorry. I didn't even know that there's someone who can get the lowest grade in the exam," Mary said.

Someone laughed and said, "How bad is that? Why is such a person still alive? Why aren't you going to die? You're just wasting the air here, okay?"

Marley stood up abruptly, pushed away the group of people, and shouted at Tatiana, "Run! Call the teacher!"

Billionaire's Reborn Baby novel Chapter 949

However, Mary got the numbers. As soon as Marley stood up, she was surrounded by them again by the wall. She had to squat in the corner and protect her head with her hands.

Those people did not hit her but slowly tore their clothes. Tatiana resisted while cursing. Mary had brought seven people. Marley and Tatiana were no match for them.

Just as Tatiana was crying and shouting for help, there was a knock on the door.

Just now, after Marley and Tatiana came in, the door to the roof was closed. Now, someone was knocking on the door.

Mary made a pause gesture, and a group of people still surrounded Marley and Tatiana, while a girl walked over and opened the door. If she knew what would happen later, then the one thing she regretted the most in her life was opening the door.

The person standing at the door was none other than Emily.

When she was about to get home, she received a message from Guard D. Then she rushed here almost at full speed. At that moment, her breathing was a little unsteady.

"Freak? She is coming!" Mary smiled.

As soon as Emily entered, she saw Marley and Tatiana stuck in a corner. There were tears on Tatiana's face. Her school uniform had been stripped off and her sweater had been lifted to her neck. Marley didn't cry, but her wrists and fingers were purplish-red, which was because she was gripped too tightly.

Emily panted as she walked in. Then, she threw her backpack on the ground and began to take off her school uniform.

"Did you guys see that? She took it off herself? Come on, record it!" Mary laughed.

The girls next to her quickly focused their phones on her. "Take it off! Hurry up!"

Tatiana and Marley didn't know why Emily was back and she didn't even bring a teacher, so they shouted in a panic, "Emily! Why are you back again? Didn't you tell the teacher?"

Tatiana cried. "They lied to you. David didn't come to find you. They lied to you!"

"I know," Emily nodded.

After she took off her school uniform, she gasped and asked them, "Are you hurt?"

Tatiana and Marley shook their heads.

"Hurry up and take it off!" Mary said in a displeased tone.

Emily looked back at them. There were a total of eight girls, five of whom were blocking Tatiana and Marley. There was one standing by the door,

Mary standing right in front of her, and there was one who was holding a cell phone pointing at her.

"Take off her mask and let everyone see how ugly she is!" Someone laughed.

The person standing next to the door was the closest to Emily. When she heard this, she stepped forward and wanted to remove Emily's mask. Emily raised her left elbow high and struck her.

The girl who was close to the door covered her nose and fell to the ground.

Emily walked over and took a look at the phone. Then, she said, "Send it to me."

The girl asked in a trembling voice, "How?"

"By email." Emily told her the email address and watched as that girl successfully sent it before saying, "Squat down."

The girl quickly squatted on the ground and did not dare to raise her head.

Mary lay on the ground and vomited. She cursed as she was tortured by the pain in her belly. Seeing that the people around her were all knocked down, she struggled to stand up. "You, freak..."

Emily approached, then held Mary's collar and pressed her against the wall, "Tata, Marley, come here."

Tatiana and Marley quickly came over.

"Strip her," Emily said.

"What?" Tatiana and Marley asked in surprise.

"Didn't she want to strip you off?" Emily took out her phone and pointed it at Mary. "Come on, strip her. I'll record it for you guys."

The situation suddenly turned around. The people around Mary were still lying on the ground. Only Mary was pressed against the wall. Marley immediately reached out to tear off her clothes. Tatiana thought about it and quickly took action.

"You bullied us! You must have bullied others like this in the past, haven't you" Tatiana cursed.

"Ugly bitch! Shameless! Don't touch me! Fuck you!" Mary kept cursing until her clothes were almost stripped and her underwear was vaguely revealed. She cried and shouted, "I was wrong! Please, let me go!"

"Why?" Emily asked.

"As long as you let me go, I will give you whatever you want. I will not bully you in the future." Mary cried and said. However, the hatred in her eyes could not be concealed. There was no doubt that once Emily let Mary go, Mary would find someone to cause trouble for Class F.

"What I am asking is why you lied to me and brought me here." Emily's tone had always been indifferent. She was wearing a mask, so Mary could not see her face, but this was the first time Mary had been so close to her. This was also the first time Mary had discovered that this ugly girl had a pair of beautiful eyes.

Mary did not want to admit it, but Emily's eyes were so beautiful that Mary even suspected that the ugly girl was not ugly at all.

They were so close that Mary could even see a bit of fair skin on top of Emily's mask. Her eyelashes were long and dense, and her eyebrows were dark and slender. Mary had the urge to take off Emily's mask to see what she looked like, but she held back and even turned her face away, saying, "Because you are ugly and you are not worthy of David."

"You!" Tatiana was so angry that she wanted to tear off Mary's clothes, but Emily held her hand. Emily looked at Mary and asked, "Who said I like David?"

"Ah?" All the girls were stunned. Those who were beaten to the ground, including the girls who were squatting on the ground, all stared at Emily.

"Stop it. Didn't you confess your love to David?" Mary asked straightforwardly.

"No, I haven't. I don't like David, and I haven't confessed my love to him," Emily said patiently.

Mary looked at her suspiciously and did not speak.

"I'll only say it once. It's up to you whether you believe me or not." Emily picked up her phone and said to Mary, "I'll let you guys off this time. If it happens again, I'll let this video be posted on all the websites."

"What if you lie to me?" Mary was nervous.

"Don't worry, I'm not you. I won't do such a thing." Emily looked at her with an amused smile.

Mary felt depressed being provoked by Emily's words.

By the time she stood up, Emily had picked up her school uniform and carried her school bag. Emily brought Tatiana and Marley to the door. Just as Emily was about to go out, she glanced at the small platform at the top of the building. Guard D had just stood up, and a shadow flashed past her eyes.

"What are you looking at?" Tatiana asked.

Emily shook her head.

They went downstairs. Marley looked upstairs and saw that no one was following, so she couldn't help but let out a sigh of relief. She looked at Emily and asked, "Why are you here?"

"Alright." They quickly moved away and helped Emily clean her clothes.

Emily waved at them. "I'm going back. Call me if anything happens."

"Alright."

Tatiana and Marley watched Emily leave, and then they whispered about Emily's heroic deeds.

Emily returned home and rewarded Guard D with more than ten new flavors of ice cream. The other three guards could only stand on the side and be jealous.

Emily's sweater was a little dirty. She went to take a shower first. When she came out, she called Stephanie and asked if she wanted to go home. If Stephanie wanted to go home, they would go together tomorrow.

Shana hesitated for a moment before saying in a low voice, "I won't go back."

Emily sensed something. After hanging up the phone, Emily asked her through WeChat, "Are you dating that man?"

Stephanie replied after a second, "Yes."

Emily did not disturb her anymore. After sending a cute emoji, she went to the study to look for Vincent.
