

Reborn To Love 120

Chapter 120 Comments

He Xinyan smiled, "Thank you!"

She didn't even say what she needed help with yet, and Gu Yechen already knew. It seemed like their hearts were connected!

He Xinyan took her phone back and opened it. She scrolled down to look at the comments under the news article.

'Person 1: What is this?! Is this real?! My husband is dating someone else now?! No!!'

'Person 2: Who even is that girl? She's so ugly! Our Beibei deserves someone better.'

He Xinyan rolled her eyes and wanted to reply, 'If you're so pretty then why don't you go date Gu Yebei!'

However, she held her annoyance in and continued to read.

'Person 3: To be honest, that woman in the picture actually looks really pretty. Although I am very sad that my idol is not single anymore, they look like a good match.'

'Person 4: No! My Beibei! I can't believe he is dating already! My husband is gone!'

'Person 5: Ughh, who even is that girl?! How dare she steal our Beibei from us!'

'Person 6: Who is He Xinyan? I never heard of her before.'

'Person 7: I don't get why everyone is so mad about Beibei dating! He is old enough to date, and idols can also have their own personal life! As fans, we should support them and not get all sour because he is dating someone he likes!

Plus, that girl doesn't look very bad either, and if she makes our Beibei happy, I would be happy for Beibei. Some fans are so rude, and it is shameful for them to call themselves Beibei's fans. Stop targeting that girl just because she got to date your idol! Even if she didn't, it is not like you would be able to date Beibei! Stop dreaming!'

'Reply to Person 7: +1 I agree with you! We should support Beibei!'

'Reply to Person 7: Are you even a true fan?! Of course it is bad that Beibei is dating! Plus, how do you know we won't have a chance? There are true cases of idols dating their fans. That He woman should go die! She doesn't deserve our Beibei!'

'Reply to comment above: Are you 3 years old or something?! You are a shame to our fan group! Stop dreaming! Beibei would never like someone like you. As a fan, you should be supportive and not stupid and sour like you are now!'

'Reply to reply above: I am not 3 years old! I am probably older than you. How do you know Beibei wouldn't like me! I have been a fan of his since his first debut in the industry! You are a shame to the fan group, not me!'

'Reply to reply above: Oh, you are not 3 years old?! Then you must be 4! I can't believe people like you exist! The Beibei fan group doesn't welcome you! I'm not even sour towards the actress dating Beibei anymore because in comparison, you are so much worse!'

There were hundreds of replies to the second comment about supporting your idol. He Xinyan scrolled through a ton of the comments and laughed as she read some of them.

Some netizens were so naive that their comments were kind of funny. He Xinyan agreed with the original comment about supporting idols dating.

Idols were also people and there was nothing wrong with them also having a romantic life. Fans have no right to take that relationship away from their idol.

That was another main reason why He Xinyan decided to leave the entertainment industry after filming 'Beautiful Things Past'.

For new actors in the entertainment industry, dating was a strict no-no. Not only would fans disapprove of their idols dating, but entertainment companies also didn't allow their celebrities to date.

He Xinyan didn't want to give up Gu Yechen.

Besides that, she also had more important things to do, and acting took up a lot of time.

She needed to get the He Corporation back. So, after filming for this drama ends, she would leave the entertainment industry.

As she was about to read the next comment, her phone was suddenly taken away again.

"Sleep." Gu Yechen said as he threw He Xinyan's phone onto the couch nearby.

He Xinyan looked at the clock and noticed that it was only 8:27 A.M. She laid back down on the bed and rested her head onto Gu Yechen's chest.

Before long, she was asleep again.

When He Xinyan woke up again, it was almost 10 o'clock already. Gu Yechen was standing next to the bed, and he smiled when he noticed that He Xinyan had woken up.

"Good morning." He walked around the bed and gently rubbed her head as he kissed her.

He Xinyan laughed gently, "Good morning."

"All of the news is gone, however, I still think you will need to post something on your social media to clarify the news. Gu Yebei has already posted on his social media account."

"Oh, okay."

Gu Yechen picked up He Xinyan's phone and handed it to her. He sat back down onto the bed and watched as He Xinyan opened up her social media.

She first looked at Gu Yebei's account and read his clarification. It was only a paragraph long and it wrote how the news was fake and his fans shouldn't believe it. He also clarified his relationship with He Xinyan.

She entered her own account and quickly typed a clarification similar to Gu Yebei's.

'Hello, everyone. This is He Xinyan, and I wanted to clarify the dating news about me and Mr. Gu that came out this morning. Mr. Gu and I are friends on set, however, we have no deeper relationship aside from being friends. I don't know where the rumors came from, but I am not dating Mr. Gu. The picture shown on the news today was merely me walking with Mr. Gu to the meeting location. I apologize for the confusion caused, but I hope the media will refrain from posting misleading and false information in the future. Thank you very much. He Xinyan.'

"And. . . post!" She clicked the blue button and the paragraph showed up on He Xinyan's feed, and in less than ten seconds, there were already 100 likes. It was almost as if there were people just waiting on her social media page for her to post.

She closed her phone and stood up from the bed. As she was putting on her slippers, Gu Yechen walked over to her and licked his lips.

"I also figured out who is behind this news."

He Xinyan looked up eagerly, "Who?!"

Gu Yechen seemed to be hesitant as he said, "I originally didn't want to tell you, but I thought you have the right to know."

"Who is it?"

Gu Yechen looked into He Xinyan's eyes and said, "Shen Xiner."

In the northern part of the city, there was a large piece of land surrounded by a tall fence and trees. Few people entered this place since they didn't know it existed. It was well-hidden and located on an empty street.

A black car drove up the road and stopped in front of the gate to this piece of land. The driver stepped out of the car and typed a passcode into the gate lock. He was wearing a black suit and seemed to be around his 50s.

The gate opened and he returned to the car. The black car entered the gate and they drove up a road. At the end of the road, there was a medium-sized house.

Although the piece of land surrounded by the fence was very large, the house was the only building inside. The rest of the land was filled with plants, flowers, and also vegetables.

The car came to a stop in front of the house and the driver came out. He walked to the door of the passenger seat and opened it.

A few seconds passed before a foot stepped out of the car. The person was wearing a pink high heel and her legs were very pale and smooth. It took a few more seconds before the other leg stepped out from the car and the person emerged.

Her hair reached her shoulders, and they were styled into princess curls. She used one hand to block the sunlight as she stepped forward.

The driver shut the door and got back into the car to go park it in the parking lot.

The woman turned around and looked at the house in front of her. With a sweet smile, she stepped forward and walked down the front porch to the door of the house.

She rang the doorbell once and waited patiently.

As she waited, she tidied up her hair and dress before putting on a sweet smile.

About twenty seconds later, the door opened and a beautiful woman's face showed up from inside the house.

The door opened wider and the woman inside smiled when she saw who it was.

She stretched her arms out and said, "Xiner!"
