

## REBORN TO LOVE

### 13 STEALING HER MAN

Gu Yechen held out the flowers in his hands, "Congratulations on graduating."

He Xinyan looked at the beautiful bunch of pink and blue flowers and couldn't help but smile, "Thank you."

Wu Minger peeked her head over and widened her eyes in surprise, "He Xinyan, when did you get a new boyfriend? And why didn't you tell me?!"

Wu Minger didn't realize that the handsome man standing next to He Xinyan was Gu Yechen.

"Well. . . it's kind of complicated. Anyway, he's my boyfriend now." He Xinyan wrapped her arm around Gu Yechen's elbow and leaned against him, her head only reaching his shoulder.

Gu Yechen's body stiffened and he looked down at the girl next to him in surprise. It seemed like the world had suddenly brightened, and even the flowers in Xinyan's hands looked more colorful to him.

Wu Minger eyed Gu Yechen suspiciously and crossed her arms together, "Name? Age? Height? Occupation? What do you like about my Yanyan?"

He Xinyan raised one eyebrow. Why did Wu Minger sound like a mother questioning her future son-in-law right now?

He Xinyan also looked up at Gu Yechen. She also wanted to know what he liked about her. . .

Gu Yechen looked at Wu Minger and replied respectfully, "Gu Yechen. 26. 188 centimeters. A worker in the Gu Corporation. I like everything about her."

Wu Minger took a step back and she dropped the pink bow tie she was holding in her hand, "Gu? Ye? Chen?"

He was. . . Gu Yechen?!! Although she didn't recognize the face, Wu Minger definitely recognized the name. Gu Yechen. . . there was only one person in all of Country Z with that name.

No one would dare name their child that, and anyone with the same name would probably change it. Gu Yechen, the current CEO of the Gu Corporation, the child genius, the king of Country Z, was Yanyan's new boyfriend?

Wu Minger immediately put on a smile and laughed awkwardly, "Hahaha. . . Mr. Gu! Excuse me for being disrespectful a few seconds ago. I'm just a little worried about Yanyan. . . you know? She has a bad

experience with men. Hahaha. . ."

Wu Minger glanced at He Xinyan as she suddenly remembered what Xinyan had told her a few days ago. How could she forget?! He Xinyan had met Gu Yechen at the party a few days ago, and they were in a relationship!

Gu Yechen smiled. He knew who the cute-looking girl in front of him was. When he had investigated He Xinyan, he learned that she had a best friend and assistant, Wu Minger.

"No worries. It's normal."

He Xinyan scratched her head, 'Was it normal?'

"Oh, Yechen, can you help take a picture of me and Minger?" He Xinyan asked as she pulled out her phone.

Gu Yechen was a little disappointed when He Xinyan removed her arm from his, but he still took over her phone.

Xinyan and Minger made a heart with their arms and smiled at the camera. This attracted a lot of looks from the people around them; girls and boys.

He Xinyan was the number one beauty in the entire school, and Wu Minger was number 5. However, they were the top two in the department, and coincidentally, they were also best friends.

The boys stared at the two beautiful flowers and sighed. One of them was already taken. . .

The girls glared at them, and the jealousy inside them was provoked when they saw the handsome man taking pictures for He Xinyan and Wu Minger.

One of the girls - the number 3 beauty in their department and leader of the little girl squad - couldn't stand it anymore. Her boyfriend, who was one of the most popular guys in the school, had just broken up with her. She couldn't stand watching He Xinyan play around with several boys at the same time. If only she was a little prettier, she could do the same!

The girl, Qin Luofei, ran over to the man and tapped him on the arm. Gu Ye Chen's expression immediately darkened, but his face wasn't the ugliest.

He Xinyan's sweet and innocent expression had changed within a second. It was now dangerous and sharp as she watched Qin Luofei suspiciously.

Was she trying to steal her man?

Although their relationship was technically fake, He

Xinyan was still not going to allow some ugly and stupid girl to steal what was hers.

"Hello, sir. I think there are some things you should know about." Qin Luofei looked up at Gu Yechen with sparkling and innocent eyes, hoping to use this chance to seduce him. However, when her gaze met with his cold and scary face, she immediately looked away in fright.

"I - I think you are an amazing person. So, I don't want you to be cheated on or lied to. He Xinyan, your girlfriend, she's dating someone else right now! Everyone else here can act as evidence. We all know that she is dating senior Su Zhiming."

The anger in He Xinyan's eyes disappeared and was replaced with amusement. She handed the flowers over to Wu Minger and walked up to Gu Yechen, wrapping her arm around his elbow again.

She was about to speak when she heard a deep and cold voice ring in her ears.

"How do you know I am an amazing person?" Qin Luofei looked up at Gu Yechen in surprise.

Gu Yechen scoffed, "You don't even know me, so why are you pretending to know me? Why is it your business to meddle inside my relationship with my girlfriend? As long as she is willing to be with me, I don't care about anything else."

When hearing the last sentence, He Xinyan felt a surge of warmth rush through her body. Did he believe her? In her past life, nobody believed her no matter what she said.

This different feeling of having someone trust you felt so great. . .

Qin Luofei's face was green by now. This was not supposed to happen! This wasn't the right reaction! Any man who learned that his girlfriend or wife was cheating on him would be furious. So why wasn't this man angry?!

He Xinyan leaned in a little closer to Gu Yechen and turned around to face Qin Luofei, "No wonder why Li Jun broke up with you. . . because you are the perfect example of beauty without brains, except you are missing the beauty part too."

Suddenly, He Xinyan put one hand over her mouth, and pretended she was surprised, "Oh wait, that's not why Li Jun broke up with you! He broke up with you because you were cheating on him with three boys at once."

Everyone around gasped in surprise, including the

group of girls that would follow Qin Luofei around all the time. Qin Luofei had told them that she dumped Li Jun because she got sick of him.

He Xinyan got this news from Wu Minger, who knew all kinds of secrets about the school and the people in the school.

When she had nothing to do, she spent time digging up secrets and trailing people around. Wu Minger would then tell He Xinyan all of the information she found.

He Xinyan thought that this was a very weird hobby, but who knew that it would come to use at times!

Qin Luofei looked like she had just eaten a fly. How did He Xinyan know about this?

It was not over yet, "Qin Luofei, doesn't your dad own

a news company? But it seems like you are not really up to date on our school news are you? Since you don't know, I don't mind telling you. I broke up with Su Zhiming already."

Another big bomb dropped on the spectating crowd. Several of them had started to record the scene in front of them.

He Xinyan looked up at Gu Yechen with loving eyes, "Why would I date a poor and ugly scumbag when I have a handsome and perfect god in front of me?"

Gu Yechen's heart had never jumped this fast before. Only she could control his heartbeat and his feelings.

Without sparing Qin Luofei another glance, He Xinyan turned around, still hanging onto Gu Yechen's arm, "Minger, let's go!"

Qin Luofei watched as the trio walked away, leaving her awkwardly standing in the middle of the crowd. She took a few deep breaths before turning around to walk back to her group of friends.

However, once her eyes landed on them, the girls quickly scurried away. Qin Luofei clenched her fists together angrily. He Xinyan!!

One by one, the people left to go find their family members, but Qin Luofei was still standing there, her entire body shaking.

Her phone suddenly began ringing, and Qin Luofei took a quick glance at the name on the screen.

'Li Yuyan.'
