

## REBORN TO LOVE

### 16 NEW BOYFRIEND

However, her eyes landed on the title of the article and she clicked in.

'The daughter and heir of the He Corporation's relationship revealed'. Not many people knew that she was the daughter of the He family, so whoever posted this definitely got information from someone that knew her.

But, everyone would know her now.

'The second daughter and heir to the He Corporation was caught walking out of a hotel room with a mystery man on 6/3/20XX. At the young age of 22, the heir to the He Corporation, He Xinyan, had already lost her innocence before marriage. What do you think about this?'

The comments below were all against He Xinyan as they said things like, 'That is disgusting! Young girls like her are so disgraceful and unfilial! If my daughter ever does this with a random man, I will disown her!'

'Wow, this is the first time I've seen a real image of He Xinyan. I have heard the name before, but I didn't know a rich family daughter could be this pretty.'

'Reply: So what if she's pretty and rich, she is a horrible person. Going to sleep with random men!'

'I go to the same school as He Xinyan, and I heard that she is dating some senior from my school. I kind of want to see his reaction when he sees this news that his girlfriend is cheating on him with some other random man.'

'Reply: What?! Maybe He Xinyan hired that man to sleep with her. I mean. . . she's rich so it is highly

possible! But that is disgusting.'

There was a picture at the bottom of the article before the comment section. He Xinyan immediately recognized the woman in the picture to be her. She was looking to the side so one half of her face was revealed, and it was easy to distinguish the face.

She was in a hotel hallway and there was a man walking beside her. He Xinyan knit her eyebrows together when she saw the familiar black suit and body build.

That was. . . Gu Yechen!

---

He Xinyan walked down the stairs slowly and sat down at the dining table, "Good morning."

She yawned, ignoring the tense atmosphere around her. Li Yuyan had a smirk on her face, and she didn't try at all to hide it.

On the other hand, Li Huiran was pretending to act concerned as she stared at He Xinyan with worry on her face. Who knew what was behind the worry?

Bai Jiawei had his eyebrows deeply furrowed together, and his breathing was so loud Li Yuyan could hear it two seats away.

"What's wrong?" He Xinyan asked as she calmly picked up a slice of bacon.

Li Yuyan laughed when she heard that, "Xinyan, did you not see the news today yet?"

Before He Xinyan could respond, Bai Jiawei had slammed his fork onto the table, "He Xinyan, how

dare you hire men outside and sleep with them!"

Xinyan raised one eyebrow and looked towards Li Huiran. Looks like someone had been whispering lies to her dad this morning. . .

"Dad, what do you mean?"

Bai Jiawei got even more angry, "I know I don't approve of you dating Su Zhiming, but that doesn't mean you can go outside and sleep with some random man!"

He Xinyan took another bite of the crispy bacon and calmly replied, "Oh, I forgot to tell you, dad. I broke up with Su Zhiming."

"Really?" Bai Jiawei's anger disappeared for a second. Su Zhiming was in the middle class and had no great background, so obviously Bai Jiawei didn't

approve of him.

Bai Jiawei cleared his throat and his angry expression came back, "That's good, however, that doesn't mean you are allowed to hire male escorts!"

"Who says I hired male escorts?"

Li Yuyan threw her phone onto the table at He Xinyan, "Then how do you explain this? You walking out of a hotel room with another man you don't even know."

He Xinyan took a quick glance at the picture and smiled, "I know him, he is my new boyfriend!"

This time, even Li Yuyan was shocked as the grim expression on her face disappeared.

"New boyfriend? The guy in the image?" Bai Jiawei

asked. He Xinyan nodded her head before taking a sip of orange juice.

"How old is he? What does he do? What does his family do?"

He Xinyan suppressed the urge to roll her eyes as she replied, "He's four years older than me. He's definitely more rich than Su Zhiming."

She knew that as long as her new boyfriend was richer than her old boyfriend, Bai Jiawei wouldn't ask anything further.

Bai Jiawei nodded his head, "Good. . . good. . . Yanyan, you finally realized that Su Zhiming isn't good enough for you. Bring your new boyfriend over for dinner some time."

He Xinyan nodded her head and wiped her lips with a

napkin before standing up, "I'm done. I'll be going back to my room now."

Bai Jiawei nodded his head as he began to eat his breakfast too. He Xinyan took one look at Li Yuyan and smiled slyly.

"Dad. . ."

Bai Jiawei looked up at He Xinyan.

"Older sister also has good news. I learned that after I broke up with Su Zhiming, he's dating Yuyan now! They are very, very in love. . ."

After she had finished talking, He Xinyan hurried up the stairs and away from sight. Bai Jiawei slowly turned his gaze over to his older daughter, Li Yuyan.

"Li Yuyan, is Yanyan saying the truth?"

"I -" Li Yuyan looked towards her mom for help, but her mom also didn't know that she was dating Su Zhiming. In the beginning, she had only seduced Su Zhiming because she knew that he liked He Xinyan, and she wanted to prove that she was more attractive than He Xinyan.

However, their relationship ended up to be longer than she expected.

Noticing Li Yuyan's expression, Bai Jiawei was more certain that Li Yuyan was now dating the poor and useless guy.

"Li Yuyan, do you have no face?! Picking up your younger sister's trash!"

Li Yuyan's face turned green after Bai Jiawei said that. She was together with Su Zhiming longer than

He Xinyan, but of course, she couldn't say that right now.

"I thought you had better taste in men since you stayed single for so long, but I am wrong! You are even worse than your sister. At least Yanyan can learn from her mistakes and improve! Look at you! Were you not listening when I was lecturing your sister all this time? Your sister throws Su Zhiming away, and a second later, you go on to pick him up! Are you a trash collector?! Hmph!"

Bai Jiawei threw his fork onto the table, creating a loud bang, and he walked away. A minute later, the front door slammed, signaling that Bai Jiawei had left for work.

"Yuyan, what are you talking about? You're dating Su Zhiming?" Li Huiran turned to ask her daughter.

Li Yuyan bit her lips and looked down. After a long time of dating, she realized that Su Zhiming wasn't actually too bad. At least he was handsome and romantic. . .

"What is wrong with you?" Li Huiran glared at her stupid daughter, "You could date someone so much better. Hurry up and dump him!"

Li Yuyan shook her head, "No! Trust me, mom. I have a feeling Su Zhiming's company will do well. If his company becomes successful later on, just wait for He Xinyan to regret her decision. Who could she be dating right now? It's probably another normal guy, but Su Zhiming has potential. His company is already growing, and it will also help me in my entertainment career."

Li Huiran was still not fully convinced as she angrily stood up, "How are you my daughter? You have to

dream bigger and reach farther. There are so much better men out there!"

Upstairs, He Xinyan sat on her couch inside her room and clicked on a phone number.

"Hello. . ."
