

Reborn To Love 170

Chapter 170 Su Zhiming Realizes

Gu Yechen returned home and entered He Xinyan's room. She was sitting on her bed and laughing from a reality show.

He smiled and climbed up onto the bed, "Baby, look at this."

"What?" He Xinyan asked as her eyes remained glued onto her screen.

"Xinyan. . . Baby. . . Yanyan. . . Wife. . ."

Finally, He Xinyan closed her phone and looked up, "What is it?"

Gu Yechen opened his photos and clicked on the most recent one. He Xinyan's mouth fell open right after looking at it.

"No way. . ." He Xinyan scrolled through all the pictures and her surprise slowly turned into a smile. That was Li Yuyan! And she was with. . . some random guy. . . at a hotel!

"Where did you get this?"

Gu Yechen smiled, "I was at the Dasi Hotel for some work tonight, and I coincidentally saw her there."

He Xinyan's eyes sparkled as she sent the images from his phone to hers, "You're the best, darling! Mwah!"

Gu Yechen was very happy with He Xinyan's reaction, and he was even happier that she called him "darling"! He should have someone just follow Li Yuyan around all the time.

He Xinyan hesitantly fell asleep and decided to put these images to good use tomorrow.

The next day, He Xinyan woke up early in the morning and printed these images out. She excitedly placed them inside a white envelope and sealed it together tightly.

She left the house with Gu Yechen today, and he dropped her off at Su Zhiming's company. Gu Yechen insisted on entering the company with her, but she said it would attract too much attention.

Finally, he agreed to stay in the car and wait for her.

He Xinyan stepped out onto the top floor and walked straight for the CEO's office. However, when she arrived, a man quickly stopped her.

"Miss, you are?"

He Xinyan smiled, "Is the CEO here yet?"

The man nodded his head.

"Can you give this to him for me?" He Xinyan held the envelope out and smiled sweetly.

The man blushed a little and took the envelope over, "Yes, miss. May I know what your name is?"

He Xinyan turned around and walked away with a little wave, "I don't think that is necessary. Thank you!"

The man was a little sad that the beautiful woman left, and he didn't get the opportunity to ask for her phone number. With a sigh, he knocked and stepped into Su Zhiming's office.

"President Su?"

Su Zhiming looked up, "Yes?"

The man walked over and handed the envelope to Su Zhiming, "A lady told me to give this to you."

Su Zhiming opened the envelope, "Who?"

"I don't know, but she was very pretty."

Su Zhiming furrowed his eyebrows together and took out the contents inside the envelope. After a few seconds, his eyes widened and the veins on his forehead bulged out scarily.

The assistant took a step back and gulped, "President. . . President Su?"

"Get out." Su Zhiming's voice was soft, but it made it even scarier. The assistant quickly ran out of the room and shut the door.

Su Zhiming looked through the images closely one by one, and his eyes turned red after he had gone through all of them.

He recognized the man. Of course he did! It was President Liu, and he had met Li Yuyan once before in this office! Su Zhiming had no clue. . . He would have never thought -

Su Zhiming slammed one fist onto the table in rage, and the pictures crumpled together in his hand. He forgot to even worry about who had sent the photos, as he was caught up in his anger and shock.

He grasped the pictures tightly and stood up from the chair, causing it to fall down from the sudden movement.

He grabbed his suit jacket and stomped out of the door.

The picture on the top of the pile was Li Yuyan and Liu Wei walking together. Liu Wei had his arm around Li Yuyan's waist, and she was smiling at him.

The workers greeted Su Zhiming as he stomped out the front lobby and to the parking lot.

Two people were watching him inside a black car. He Xinyan smiled as he watched Su Zhiming drive out of the parking lot.

Her guess was that he was going to find Li Yuyan right now.

How exciting!

Indeed, He Xinyan's guess was correct.

Su Zhiming drove way overspeed back to the Xihe Estates, and he entered his house with Li Yuyan. As he marched up the stairs, he suddenly remembered that Li Yuyan didn't come home yesterday night!

So this was what she was doing. . .

Su Zhiming scoffed mockingly and clenched his fists together as he pushed the door open to their bedroom.

Li Yuyan was home already, and she was sleeping on the bed. After a very long night, she was extremely tired.

Suddenly, she felt a strong gust of cold air as the thick blanket that covered her was thrown onto the ground.

"Ah!" Li Yuyan immediately woke up and curled up into a ball. She knit her eyebrows together angrily and opened her eyes, "What the heck are you doing?!"

When her eyes landed on Su Zhiming, her mouth fell open and she screamed again.

"Zhiming?!" Li Yuyan forced herself to sit up on the bed, although her body was very sore. "Why are you home so early?"

Su Zhiming narrowed his eyes and looked down at Li Yuyan's stomach.

He smirked and placed both hands into his pant pockets, "Where were you yesterday night?"

Li Yuyan's eyes widened and she gulped before saying, "I. . . I was. . . I was at a friend's house!"

Su Zhiming obviously didn't believe her, and he noticed her nervousness.

"Which friend?"

". . . Um. . . Zhiming, why are you asking?" Li Yuyan asked with an awkward smile.

Su Zhiming scoffed, "Because I know where you were yesterday."

Li Yuyan's face paled but she still tried to maintain calm, "Hahaha, where?"

From inside his pant pocket, Su Zhiming pulled out the pile of pictures and threw it at Li Yuyan's face. She flinched and moved back slightly.

"Ah! Zhiming!" Li Yuyan pressed her lips together and picked up the pictures. Although it was crumpled, the image was clear.

Li Yuyan gasped and looked through all the images. Her eyes darted around nervously and she quickly ripped the images up.

"Zhiming, what is this?" Li Yuyan said, her voice shaking.

"You ask me?" Su Zhiming's face was red from anger and he looked like he was on the verge of killing Li Yuyan. Of course, no man could stand their woman cheating on them!

Even though Su Zhiming didn't love Li Yuyan, he still couldn't stand it. He was proud, and he couldn't believe or allow Li Yuyan to do this to him.

"I don't know what this is," Li Yuyan said while shaking her head, almost like she was trying to convince herself.

"Zhiming, where did you get this? Don't believe it! That isn't me!"

Su Zhiming laughed, "Li Yuyan, do you think I'm stupid?"

"I. . ."

"How dare you do this?! I should have known all along! You are just a disgusting b****!"

Tears rolled down Li Yuyan's eyes, and she finally stopped trying to pretend she didn't know.

"Zhiming, I'm sorry! I. . . I was forced to! He said he would destroy your company if I didn't! I didn't want to either. Zhiming!"

Su Zhiming wasn't going to believe a single word Li Yuyan said, and he pulled her up by the collar, slapping her aggressively on the face.

"Ah!" Li Yuyan fell back, and at once, one side of her cheek was covered by red finger marks.

"You were forced?! Hahahaha! Li Yuyan, just admit it! You are just a lowly and disgusting b****! How can you even compare to Xinyan?! You are even worse than a strand of her hair!"

Li Yuyan's face was red from the slap and from embarrassment, and she bit her lip angrily.

"Zhiming, I -"

Su Zhiming immediately cut her off, "Li Yuyan, how many times did you do it with him already?"

Li Yuyan looked down, ". . . 1. Just that time."

"Tell the truth!" Su Zhiming screamed, causing Li Yuyan to flinch.

"I don't know! I don't know!" Li Yuyan shook her head like a crazy woman.

Su Zhiming leaned forward and grabbed her chin, forcing her to look at him, "Tell me!"

Li Yuyan took a few seconds to think before saying, "Five. . . Just five. . ."

Su Zhiming scoffed and pushed Li Yuyan back, "Five?"

He chuckled crazily, "Five?! Is that baby inside your stomach even mine?!"

Su Zhiming remembered how he was certain the contraception didn't break, and now he was even more sure that the kid wasn't his.

"Li Yuyan, is the kid mine or his?!"

Li Yuyan's eyes widened, "It's yours! It's yours!"

"Say the truth!"

"It is yours! I swear it's yours!" She couldn't let go of this! There was no way Li Yuyan would say the truth when it came to this. Or else. . . Or else she was screwed!

Su Zhiming smirked, "It doesn't matter whether the kid is mine or not. Li Yuyan, you can wait for the divorce papers!"

Li Yuyan's mouth fell open and she immediately screamed. However, Su Zhiming had already turned around and was walking out the room.

"Zhiming!" Li Yuyan immediately jumped up from the bed and ran after him. She grabbed onto his arm, and he mercilessly flung her off.

"Ah!"

Su Zhiming didn't even look back, but as he reached the door, he suddenly heard her say weakly:

"Zhiming, my stomach hurts!"
