

## REBORN TO LOVE

18 YI QIAN SI

Just thinking about it made He Xinyan excited! It was time to rip him off!

"Okay, I will go pick you up tomorrow at 10 A.M. Is that okay?"

He Xinyan nodded and they talked a bit more before hanging up the call. She had nothing to do these days, so going on a date was a good way to pass time.

She walked into her closet and began looking for an outfit to wear tomorrow.

Several thousand miles away from Country Z, there

was another country, Country X. This place was much smaller than Country Z, and a peninsula that was privately owned took up half of its land.

On the peninsula, there was a large palace, standing a few miles away from the water surrounding it on all three sides.

The palace was white and huge, and it could be seen from far away. Red velvet covered the cold walls, and dim lamps illuminated the empty hallways.

In the center of the palace, inside a large room, there was a blood-red throne. The magnificent chair was large enough to seat three people at once, but only one person sat on it.

On the throne, a man wearing a red and black cape sat in the middle. He was leaning back comfortably on the chair, his face hidden in the dark.

"Mr. Yi," a man walked in and bowed down slightly. Yi Qiansi ignored his assistant as he took a bite of the cherry a woman next to him was holding.

Several seductive women all wearing red gowns kneeled at Yi Qiansi's feet around the throne, and only a few of them that had gained his favor were allowed to sit on the arm supports of the throne.

One woman that was new took a brave step by placing one hand on Yi Qiansi's leg. A second later, Yi Qiansi kicked his leg so fast the motion was hard to see, and the woman fell several feet away.

"You don't know the rules, do you?" The man leaned forward on the throne, and his face came into focus under the dim light.

His long silver hair that almost reached his shoulders

sparkled in the room, and his facial features were even more pretty than girls.

"Get lost." His voice was soft, but it was enough to send chills down everyone's spines. The woman quickly ran out of the room.

"All of you."

The other women also obediently stood up and walked out of the room. After everyone had left, the assistant walked up the steps and handed an envelope over to the man.

Yi Qiansi leaned back against his chair and crossed his long legs together. A stack of pictures was inside the envelope, and he looked through them one by one.

"So she is his new lover. . ."

The assistant looked down with his hands together,  
"From our information, she is his first woman."

Yi Qiansi raised one eyebrow and smiled slyly,  
"Interesting."

After he had gone through all of the images, he stood  
up and threw the images onto the ground before  
walking out of the room.

The assistant followed Yi Qiansi out the room without  
picking up the pictures, and slowly closed the large  
door behind him.

On the cold ground, the pictures laid motionless with  
the same person on every single image. He Xinyan. .

.

---

He Xinyan woke up at 8 in the morning to prepare for her date. The weather was still a little hot today, so she picked out a white, spaghetti strap dress that reached her knees.

As she was doing her makeup, her phone began ringing.

'Yang Yaqi'. He Xinyan furrowed her eyebrows when she saw the name and put down the eyeliner she was holding.

"Hello?"

"He Xinyan, didn't you say you were going to leave the company? Where is the money for breaching the contract?" Yang Yaqi scoffed.

"Don't worry, I promised you I will give it to you within

a month. I still have time so stop annoying me." He Xinyan hung up the call, not giving Yang Yaqi an opportunity to reply.

After the call was finished, He Xinyan scrolled through her contacts and called another person.

"Hello?"

"What are you calling me for?" Su Zhiming's annoyed voice sounded through the phone.

He Xinyan smiled as she picked up her eyeliner and began drawing her other eye, "Nothing. Just reminding you that you only have a little more than half a month to give me back my money."

"You -" Su Zhiming took a deep breath, "Xinyan, let's meet up. I need to talk to you."

He Xinyan laughed, "I don't have anything to say to you. The video is still in my hand. . ."

"Do you have time today?"

He Xinyan leaned back slightly and looked at her completed eye makeup before slowly replying, "I do have time today. . . But it's very precious. I got better ways to spend my time, and I don't want to waste it on people like you. Bye, I don't want to be late for my date!"

He Xinyan hung up the call and finished her makeup before going downstairs.

"Yanyan, why are you all dressed up?" Bai Jiawei asked when he saw that his daughter had put on makeup today. After learning about He Xinyan's new boyfriend, Bai Jiawei was treating her better now.

"I'm going out today."

Bai Jiawei immediately got excited, "Where? Are you meeting Gu Yechen?"

He Xinyan nodded her head before standing up, "I'm going to go."

"What? But you didn't even eat much?" Bai Jiawei also stood up and accompanied He Xinyan to the door, "When is he coming? Is he going to pick you up?"

He Xinyan turned around and pulled her dad back into the dining room, "Dad, it's just a meeting. Go eat your breakfast. I'm going to go now, bye dad!"

He Xinyan quickly put on her shoes and went out the door before her dad could say anything more. Gu Yechen was her benefit, and she couldn't let it fall into

anyone else's hands, even her father.

She skipped down the stairs and saw that a black car was already parked in front of her driveway.

She recognized the car and opened the door, "Gu Yechen!"
