

Reborn to love 59

59 GU YECHEN IS A BRA

She looked up and gasped, "Gu Yechen?!"

The man sitting on the chair next to He Xinyan had attracted several stares from people since the moment he arrived, and by now, almost all of the people on set were staring at him and He Xinyan.

"Who is that? He's so handsome!"

"Are you blind? He's sitting next to He Xinyan. . . He's probably her boyfriend."

"But isn't He Xinyan from the He family? I don't recognize him. . ."

"Me too."

Gu Yechen's entire temperament became gentle when his eyes landed on He Xinyan and he gently rubbed her head, "How do you like the food?"

"It's good, thank you!"

Gu Yechen didn't respond and he seemed to be waiting for her to say something more, but nothing came. Instead, Gu Yebei barged in.

"Brother! My favorite brother! I know you love me, thank you for the food!"

"You're overthinking."

". . ." Gu Yebei frowned. Did Gu Yechen have to expose him?

He Xinyan was about to speak again when a female voice did before her.

"Gu Yechen. . . When did you get yourself such a beautiful girlfriend?"

He Xinyan turned around and couldn't hide her surprise when she realized that Yang Siyue was the one that spoke.

"You two. . . You - You know each other?" He Xinyan asked.

"Not familiar."

Yang Siyue jumped up from her chair and stretched her leg out, pretending to kick Gu Yechen but not actually touching him, "You ungrateful brat! I even cleaned your diaper once when you were a baby and now you say we aren't familiar?!"

He Xinyan's eyes widened even more and she had to admit that a hint of jealousy had sparked within her.

Gu Yechen quickly explained, "Don't overthink, we are just friends."

"Do friends change each other's diapers?" He Xinyan asked sourly.

Gu Yechen grew even more nervous as he threw Yang Siyue a deadly glare, "Yang Siyue is just a family friend. She grew up with me and Yebei, and she's just an older sister."

Yang Siyue crossed her arms together, "Little Yanyan, you are really unlucky. Gu Yechen looks handsome on the outside, but you should not date him! He's unromantic and stupid. Ah, you should date someone better. . ."

Gu Yechen's expression darkened, "Do you want me to kick you out of the film?"

"Ch! Don't you dare! I'll just go and tell Auntie Gu and you will be in trouble!" Yang Siyue didn't seem to be afraid of Gu Yechen as she raised one eyebrow provocatively. Although Yang Siyue and Gu Yechen didn't say so, He Xinyan was still a little suspicious. Did Siyue like Gu Yechen?

Yang Siyue glanced at He Xinyan and seemed to notice what she was thinking, "Don't worry, little Yanyan. I don't like Gu Yechen, my standards are much higher. I wouldn't date a boring and cold person like him. Plus, he is younger than me, so he is a no-no!"

He Xinyan calmed down a little as she trusted Yang Siyue, "How do you guys know each other?"

This time, Gu Yebei spoke, "Sister in law, this is a secret. Yang Siyue is actually the daughter of the Yang family."

"The Yang family?!" He Xinyan obviously knew about the Yang family. It was one of the most powerful families in Country Z, but there was no way she would have guessed that Yang Siyue was related to them. . .

"Hahahaha, that's right! So, little Yanyan, if Gu Yechen that brat bullies you, you can always come to me and I will take revenge for you!"

He Xinyan burst out into laughter. Yang Siyue called Gu Yechen a brat!

Gu Yechen seemed extremely angry as he pulled out his phone and called someone, "From now on, give everyone food except Yang Siyue."

Without waiting for a reply, Gu Yechen hung up the call.

Yang Siyue jumped up from her chair and pointed one shaky finger at Gu Yechen, "You! You - Hmph! Who cares about your food! I'll bring my own!"

He Xinyan looked at the two of them and she would have believed it if they said that they were biological siblings.

Gu Yechen rolled his eyes and turned to look at He Xinyan, "Was the food good? Anything special about it?"

He Xinyan scratched her head, "It was good. . . What's special about it?"

Gu Yechen frowned and used one finger to lift He Xinyan's chin up, "How should I punish you?"

"Why should I be punished?"

Gu Yechen leaned forward more so their lips were almost touching, "I cooked the food myself."

He Xinyan's mouth fell open in surprise. No wonder it tasted so familiar! How did she not realize it?!

And Gu Yechen took this opportunity to shamelessly kiss Xinyan and push his tongue into her mouth. He Xinyan's eyes widened even more and she wanted to pull back but Gu Yechen didn't allow her to move.

"Ah!" Gu Yebei screamed as he covered his eyes up. Meanwhile, Yang Siyue watched the two of them with a motherly smile, almost as if they were her kids. Wu Minger also awkwardly looked away from the hot scene.

The kiss seemed to go on forever and He Xinyan was frozen in place. This was their second kiss. . . Or their first real kiss.

Gu Yechen pulled away and stood up, "That's your punishment."

He then walked away and disappeared just as quickly as he had come. He Xinyan's lips were slightly swollen as she cleared her throat awkwardly. Yang Siyue patted He Xinyan on the shoulder and sighed, "Kids nowadays. . ."

He Xinyan grinned, "We're only 7 years apart."

Yang Siyue rolled her eyes and began gossiping, "So, how was the kiss? Was it bad? I'm sorry for you, Gu Yechen isn't really boyfriend material. I think I'm even more boyfriend material than he is."

". . ."

A few feet away, Li Yuyan had stopped eating her lunch a long time ago, and her focus was on the man that had just appeared and disappeared.

She had never met that man before but he was very close to He Xinyan. . .

Li Yuyan had to admit that the man looked extremely handsome, and he was completely her style. It seemed like Gu Yebei and Yang Siyue also knew him.

An old thought she had pushed away suddenly emerged again as Li Yuyan quickly turned around, hoping to get another glance at the man who already disappeared.

Was he the CEO of the Gu Corporation, Gu Yechen?
