

Reborn To Love 87

87 He Xinyen's Answer

"By now

do you. . . love me too?"

'He Xinyen froze for a moment before she broke the gaze with Gu Yechen and looked down pressing her lips together.'

'Gu Yechen's hand shook slightly before he squeezed out a smile

"Never -"

'His eyes widened and he forgot to move or react when he suddenly felt her lips touch his. This time she was the one to take the initiative as she placed both hands on his face

one on each side. Her eyes were closed tightly as she tried her best to use her kissing skills although she didn't have any.'

'Gu Yechen finally broke out of his shock as his tense body relaxed and he wrapped both arms around her waist

pulling He Xinyen in.'

'He closed his eyes too as his lips started moving

taking charge of the kiss. How could he let his woman take the initiative in things like this? That was his job!'

'The kiss lasted even longer than the one at the wedding ceremony and He Xinyen was out of breath when Gu Yechen finally pulled away.'
