96 Broken Shoe

'Li Yuyan had fallen down onto the dance floor

and. . . the back of her dress had ripped apart.'

'The broken heel of her shoe laid a few feet away from her

and she hissed in pain. It took a few seconds before she felt the bareness from her back

and she turned her head around.'

""Ah!" Li Yuyan hurriedly used both of her hands to try and pull the dress back together

but the zipper had completely ripped apart.'

'The dress was originally very tight on her already

and the fall had put too much pressure on the fabric

causing it to rip apart.'

'The rip went all the way down

just stopping a little bit above her bottom because she was sitting on that part of the dress.'

'Everyone was too shocked to react. . . everyone except He Xinyan
