‘That did hurt like a b\*\*\*\* and I guess I deserve it’ he mumbles to himself, singing his way to his car and laughing like an idiot to himself.

His aunty was right when she scolded him not to marry her but somehow he couldn’t do anything as his heart was now longing for her. He shouldn’t have fallen in love with her, he should have ignore and do what he does to Alexis where he only pursue, convinced, f\*\*\* and get away. Yet he let her play with his heart and used him like a trash.

He didn’t gain anything from this, as he failed his mission, lost his alliance with the Alpha rogue and lost the girl completely. He should have push her to mate with him maybe in that way he wouldn’t feel like this.

He was to open his car when he felt something hit his head from the back, he fell on his knees his eyes saw blurring figures. One chuckles “I guess karma is a b\*\*\*\*” and he was hit again in the face his face where he saw nothing but darkness. He jolt up when electric hit up his body. He look around and found the Alpha rogue smirking at his state. Kiev was being tie up to the chair.

“Tell me Kiev” he walk closer to his chair “how does it feel like to be betray by her, oh the precious Daniella” he laugh like a maniac. “Come on englihten us Kiev” Kiev spit at him and only to be hit with his mighty fist.

“Tsk Tsk Tsk, don’t you dare test my patience Kiev” he laugh scornfully. “You should know better than anyone else,” the Alpha rogue clenched his fist and hit him again with so much force that if it wasn’t for Kiev’s werewolf side he would surely have been dead by now.

“I told you to watch over our prey not to feed on it, now look at where it got you. Too bad, people are now writing your history today. That Kiev was left on the altar by his bride. She left him for her mate the mighty Dante” he shook his head in disappointment.

“You never learn your lesson” Kiev started to laugh at that “what’s so funny Kiev?”

"you made me realise one thing" he spit out his blood. "You're right Dante is a mighty Alpha because even you, you couldn't even compete with him. You're a coward hiding behind these facades you built. Guess what karma is a b\*\*\*\*" he quote what his kidnappers says earlier while he laughs.

The Alpha rogue growls at him smashing his fist to his stomach and face. He stops looking back at him forcing his chin to look up Kiev wasn't gonna give up anytime sooner.
