

### 3 Tomorrow Comes to Soon

Isabella POV

As soon as I get in the door at home my parents are asking me what's up. "You never come home this early" my mom says. They begin to question me but I just tell them it was a long day. I wasn't needed and Denise sent me home because she said I looked tired. I know I will have to deal with the lie however I can't do it tonight. I head upstairs and lock my door.

Collin POV

Back at the pack house dining room Collin is seated at the table in a daze. He just found his beautiful mate and she ran away from him. His mother is saying his name but he can't hear anything but his own heartbeat. Luna Viola gets up from her chair and walks over to her shocked son. She touches his shoulder and he nally looks up to her. She gently says everything will be ok son. In that moment Ashley screeches out "no it won't until you reject that useless omega". A loud growl can be heard throughout the dining room. Ashley cowers in her seat and casts her eyes down. Collin in a very deep voice that is probably his wolf, Brutus, coming through You will never speak of my mate like that again or you will not like the consequences. In a low voice Ashley says "I am supposed to be your Luna". I am now boiling mad and I want a meeting with all the ranked wolves of the pack. My father Alpha, John, agrees. The ranked men and Ashley at my request head to my father's oce.

Once everyone is seated in the oce the Alpha gives the oor to his son. I begin to speak. Let me make this perfectly clear as I will be taking over as Alpha soon. Nothing will change about how we treat all wolves in this pack. No wolf is better than any other we all have different contributions. As for the future Luna of this pack I don't care what title she holds the Luna will only ever be my true MATE. The last part I state while looking at Ashley. I next turn to the Gamma, Eric, and I make him aware that if his daughter in anyway interferes in my relationship with my mate then his whole family will suffer the consequences. Eric conrms he understands and shoots a warning look at his daughter.

Ashley POV

I don't care what is said in this meeting I will never let that waste of space be Luna or have Collin. I will get rid of her one way or another. I am not above hurting that worthless omega to get what I want. As soon as the meeting is nished, I get up without a word and head to my room. I immediately call Rebecca my best friend and number one crony. We talk about the events of the evening and come up with a plan to get everything I want.

Isabella POV

After I takes a shower and dress in my favorite pajamas, I climb in to bed praying for sleep to come easily. Of course, like all parts of this day nothing comes easy. I am laying there thinking about the man that called me "MINE". He had the most perfect body and his eyes were a piercing blue when he looked at me. As I lay in my bed, I can feel my core heating again. I have never desired to pleasure myself before but after seeing the hottest man alive my body is craving release. Even though I am alone in my room I still feel shy as I have never done this before. I close my eyes and begin to fantasize about my mate.

I picture him kissing me slowly for the rst time but the kiss changes and he becomes like an animal. He starts to rub my breasts through my shirt. As I am imagining the scene, I put my hand in my underwear and feel how damp my folds are. I begin to rub my c\*\*t in slow circles. I picture my mate taking my n\*\*\*\*\*s in his skilled mouth one by one. I arch my back off the bed as he pleasures my breast with his mouth. I can feel my juices as I move my ngers faster and faster. He begins to move down my body and rips off my underwear. Just as he's about to lick me long and deep I mue my cries of my rst orgasm. As I come down from my high, I can't believe that I did that I feel mortied but also sated. I lay here a few more hours before sleep nally comes for me. I dream of those piercing blue eyes and very skilled hands.

Collin POV

Back on the Alpha oor of the pack house Collin is lying in bed in his boxer briefs. He is deep in thought about the she-wolf he will soon claim as his. I am still hurt she ran but after a discussion with my mother I feels much better about the reason she probably did has nothing to do with me. My mother explained the treatment Ashley gave her and also added she is sure this is not the rst time this terrible girl has been cruel to my Isabella. The thought of anyone being cruel to my mate causes Brutus and me to seethe. How dare she hurt our mate. I will denitely make sure that wicked bi\*\*h never causes our mate another ounce of pain. My mind drifts to my mate's body and beauty. Even though she was dressed in baggie clothes I can tell she is hot and her face radiant. I have never seen a more beautiful female. I can't believe how lucky I am that the moon goddess has blessed me with such a perfect mate. I can't wait to learn everything about her and show her how special she is. Collin nally drifts to sleep with the thought of his mate in his mind and all the things he can't wait to do to her.
