

Revealed 34

chapter 34

Everyone was screaming.

They were like a bunch of crazy beasts waiting for their king.

The return of the king!

Bang!

The door leading straight from backstage to the ring was opened.

The noise stopped and it was eerily quiet as everyone looked toward the door.

A thin and tall figure slowly appeared, still with a mask covering its entire face except for a pair of dark eyes.

She wore a black suit, just like an elegant black swan.

This was not the teenager back then.

This was a woman!

“What? My idol is a woman?”

“No, she’s not Amber.”

“She’s a fake!”

“Yeah, get off!”

“How dare you pretend to be our idol!”

“You’re desecrating Amber!”

“Fuck off!”

Once again, the angry spectators went wild and started insulting her. A woman coming on stage and impersonating Amber must be some kind of sick joke.

Franklin was shocked when he looked up.

Damn it!

Was she out of her mind?

Why was she in the ring?

Franklin was going crazy. Was there anything else about his ex-wife that he didn’t know?

This was the woman he slept in the same bed with for four years. Even if she wore a mask or turned into ashes, he could recognize her!

Sylvia! Was that the reason you came to Iqethi?

To fight in an underground boxing match? Did she know how dangerous this was? Henry, the boxing legend, could knock her off her feet with a single punch!

Franklin ran towards the ring through the crowd like crazy.

Many of Amber's former fans were told that Amber made a comeback and they flooded into underground boxing to watch Amber.

Franklin struggled to move through the crowd.

Many people got angry. "Don't push. She's a fake!"

"I came here for nothing!"

Those people shouted at Henry, "Beat her to death. Beat this woman to death!"

"Impersonating my idol is unforgivable!"

"She deserves to die!"

Jaden and the others also recognized Sylvia and they almost freaked out.

Jaden was the closest to her and shouted at the top of his voice, "Get down. Do you want to die?"

She was so stupid!

She shouldn't lie about such things.

Why did he have such a stupid boss?

To make it sound good, it was a sacrifice, but she was actually barking up the wrong tree.

"Get down here!" Men of the Dark shouted anxiously.

Even if they didn't like her, they didn't want her to die.

Sylvia stood straight across from Henry as if she couldn't hear the noise.

Whether they were shouting slurs or booing was none of her business.

And there she stood, as still as a tree.

She was thin but not weak.

The underground boxing was overwhelmed by spectators. They wanted to see Amber before, but now they just wanted to see this woman get pounded to death.

Many rich and famous people around the world couldn't come to watch Amber. When they heard about Amber's comeback, they immediately paid a lot of money to underground boxing just to ask for live streaming.

And the boxing was immediately broadcast live.

Amber's big fan commented, "I think she is Amber. Back in the day, Amber was very skinny. I always suspected that he is a girl."

“But he’s just too good. How can a girl be that good at boxing?”

“I believe her!”

“No one in this world has the guts to impersonate him! Don’t forget, Amber fought here four years ago. Do you think the owner here is stupid? To let an impostor on stage?”

“Yeah! This is Amber!”

Their bets had long been more than just tens of million.

Amber’s fans were all over the world, and most were wealthy people in every field.

And they bet hundreds of millions of dollars without hesitation.

The big screen next to the ring showed that the prize pool kept going up madly.

This kind of match was sanguinary but profitable.

So profitable that it could shock everyone.

At nine o’clock, the two moved at the same time in cheers.

Henry came at Sylvia like a fierce beast.

Franklin almost fainted when he saw Henry’s punch.

He shouted, “No!”

He was about to get to the ring, but it was too late!

Sylvia! No!

He was just a few meters away but the crowd in front of him was blocking him out.

He pushed his way through the crowd, trying to make a breach, but everyone crowded together.

The woman on the stage was agile; she was extremely fast.

The air around her seemed to become icy.

Just when everyone thought she would fall, they saw her turn and her knee hit Henry hard on the right side of his face.

Henry took a few steps backward and spat out some blood.

The blood completely ignited his anger, and he lunged toward her again.

Her slender waist was shown beautifully in a black suit, but every move she made was full of great strength.

She suddenly bent over and got under his arms. Before he knew it, she was on his back and she locked her arms around his neck.

Henry shouted and threw her off his back.
