chapter 48

Seeing Tiffany next to Franklin, Honey gaped, wondering why he attended the birthday banquet with a date.

Moreover, the woman's figure didn't look like the one she had seen in Maskelyne Residence.

Mrs. Maskelyne was tall and slender, at least 5.6 feet in slippers.

However, this woman was 5.4 feet in high heels at the most. That was why she didn't think it was Mrs. Maskelyne.

Franklin was always popular with women. Seeing was believing.

Repressing the unhappiness, Honey stared at Franklin with a glint in her eyes and asked coquettishly, "Mr. Maskelyne, can you give the speech on my behalf later, please?"

"Have your feet recovered?" Franklin darted at her feet in high heels.

He recalled she had surgery on her feet, wondering if she had recovered.

"Still hurt. I can tolerate it for my fans." Honey faked being determined. "The tickets to my birthday banquet were sold out long ago. If I rescheduled it, my fans would be disappointed. My reputation and the company's fame would be impacted as well."

'What a hypocritical woman!' Tiffany felt her stomach turning.

"Ms. Bennett, you are indeed dedicated to your career. I'm impressed."

"Thank you, Miss." Honey faintly smiled at Tiffany. "It's my pleasure to have Mr. Maskelyne and you at my birthday banquet."

"This is Tiffany Evans," her agent immediately reminded Honey.

Honey beamed at Tiffany in silence.

Looking at Franklin expectantly, she wondered if he would give her a birthday gift.

Even if they were just friends, he was supposed to give her a gift at her birthday banquet, wasn't he?

Unfortunately, she was disappointed.

Jasper walked over with a bouquet and passed it to her. "Happy birthday, Ms. Bennett. This is from Mr. Maskelyne to you."

A bouquet?

Honey was taken aback. 'He only gave me a bouquet? What about my gift?'

Her smile froze, and she was on an emotional breakdown.

"Hope you like the gift. I've shown up at your banquet as I promised. Please excuse me." Franklin wore a black suit, well showing his slender figure and elegance.

However, his words made Honey and her agent want to cry.

They couldn't believe he was about to leave before giving a speech.

The master of the ceremony even felt awkward. Honey and her agent wanted to play up to Mr. Maskelyne but failed.

On the way, when Tiffany learned they were going to attend an infamous actress' birthday banquet, she felt unhappy.

However, seeing Honey being embarrassed by Franklin in public, Tiffany was delighted.

"Happy birthday, Ms. Bennett. Hope you have an unforgettable birthday party."

As she spoke, she deliberately took Franklin's arm and said softly, "Shall we go now, Franklin?"

Franklin secretly pulled his arm out and distanced himself from her. "Ehn," he replied.

Feeling extremely awkward, he didn't like being too intimate with other women.

Of course, Honey could tell Tiffany was mocking her, but she couldn't blow up in Franklin's presence. Forcing a smile, she answered, "Thanks, Mr. Maskelyne. Have a great evening."

After walking Franklin out, Honey was so angry that she swept things off the dressers and stomped them to vent her anger. 'How dare you provoke me, Tiffany Evans! I won't let go of you easily. You are not Mrs. Maskelyne. How dare you show off! Who do you think you are?'

...

Ten o'clock in the evening.

The trend topic of Honey's birthday banquet fell to the 17th on the trending list. It wasn't eye-catching but could still catch the netizens' attention.

The credit should go to Honey's agent.

When netizens tabbed the topic, they saw several stunning photos of her and the group pictures of her fans.

One netizen leaked that Franklin had attended the banquet with a date.

Although their photos were blurred, the netizens could see their faces clearly.

For a moment, all netizens were curious to find out who the woman was and the relationship between Honey and Franklin. A mighty uproar was raised online.

"It was said Honey was Mr. Maskelyne's girlfriend."

"It should be true. Honey and Mr. Maskelyne are dating."

"What about that woman? Is she Mrs. Maskelyne?"

"Seems not. Mrs. Maskelyne looked tall in that video clip. This woman hadn't reached Mr. Maskelyne's shoulder in high heels. Too short."

“Mrs. Maskelyne, your husband has cheated on you. He has two mistresses.”

“I wish I were on the scene. Did the two women get into a flight?”

“Alas... I always thought Mr. Maskelyne was a good man. He even has two mistresses at the same time.”

“I’ll never take SouthStar Airlines’ flight again.”

Netizens discussed fiercely on Twitter.

“Mrs. Maskelyne asked you to be prepared for the punishment, Mr. Maskelyne.”

“Mrs. Maskelyne, your husband has cheated on you.”

“Mrs. Maskelyne, divorce your husband.”

“Mr. Maskelyne’s date, you’d better be sensible.”

“Tiffany Evans is a home-wrecking woman.”

Honey had disclosed the photos of Tiffany and Franklin and planned to let the netizens curse Tiffany.

As she expected, Tiffany was scolded, but so did Honey.

The netizens called them both mistresses and home-wrecking bitches. Their comments made Honey seethe with rage.

Remarkably, after Mrs. Maskelyne’s topics had occupied three trending topics, she became more famous than Honey.

Therefore, Sylvia won many fans again, but Honey’s reputation was tarnished.

Honey went ballistic.
