

## Chapter 1

###Chapter1,Everything started with calculations

Cemetery

At night,it was raining cats and dogs,and the gravestone in front of him was bathed in the rain.

The smile on the woman's face could be seen clearly.

Ye Yanyan held a black umbrella and stood upright in front of the tombstone.

His jet-black hair hung down to his waist,and his expressionless face was covered in black-rimmed glasses. Under his glasses were a pair of sparkling eyes.

She tightly pursed her lips and stared at the photo on the tombstone. The umbrella in her hand was tightly clenched.

"Mom,you're wrong. You're wrong."

It was cold. She was wearing a black coat and stood in the cold wind. Her lips were white from the cold wind,but she did not move at all. She just stood there and spoke to the tombstone.

Dark clouds pressed down,and the rain was terrifying. Ye Yanyan pale lips moved,and the corners of his mouth curled into a smile.

"Mom,is love really that important?"

"Yan Yan."

A familiar voice mixed with the sound of rain sounded in her ears. Her straight back A Slight Tremor,Ye Yanyan did not turn back.

She knew who the person behind her was,but she did not have the strength to turn around. She was very tired and wanted to fall down. But reality told her that she could not fall.

"What are you doing here?"

"Today is Mother's birthday. I should come."

Si Lijue stood by Ye Yanyan's side,holding a black umbrella. Standing beside Ye Yanyan,he was much taller than Ye Yanyan.

"Heh." Ye Yanyan sneered. Seeing Si Lijue bow to her mother's tombstone,she felt extremely sarcastic.

Today was the anniversary of her mother's death,but the people of the Ye Family were thinking about how to divide up the property of the Ye Family and how to take away the shares she held.

Who would remember what day it was today?

"Yan Yan."

Si Lijue spoke,a hint of tenderness appeared on his cold face.

"I know you hate me,but I didn't lie to you."

"Si Lijue." Ye Yanyan turned her head,that pair of stars-like eyes now seemed like a pool of stagnant water. She took a step forward and her cold ngertips landed on his thin lips.

"Did you marry me for the Ye Family's property?"

Her tone was gentle and the smile at the corner of her mouth was pale.

The sound of the rain grew louder and louder. Her voice came from close quarters,but it seemed like it had been a lifetime.

"No——" Si Lijue spoke,but was stopped by her cold ngers. He saw Ye Yanyan throw down the umbrella in his hand and see her fair face quickly wet by the rain. His heart ached so hard that he could not breathe.

The bean-sized rain fell on Ye Yanyan face,hair and shoulders. Her clothes were quickly soaked. Si Lijue took a step forward,wanting to support her umbrella.

She took a step back and smiled." Let's get divorced."

The rain hurt her very much,but compared to the pain in her heart,what could it be?

"Divorce!" Si Lijue voice suddenly rose. He stared at Ye Yanyan pale face as if he couldn't believe what she said. "Ye Yanyan,you actually told me about divorce!"

It was cold. His entire body seemed to be in an ice cellar. Ye Yanyan coldly smiled and turned around,not wanting to explain anything. Her heart was dead and she was completely dead.

"I won't let you go!" Si Lijue grabbed her arm and snapped," Tell me clearly. Are you really going to divorce me?"

"Let me go!" Ye Yanyan suddenly shook off his hand. She bit her lips and her eyes gradually turned red." Si Lijue,from the moment you and the Ye family conspired to take the shares in my hands,I hate you!"

The hand that she shook off stopped in mid-air. Si Lijue frowned. He wanted to explain,but he didn't know what to explain.

"Tomorrow,I'll wait for you in the Civil Affairs Bureau. We'll divorce."

As soon as he nished speaking,Ye Yanyan gure disappeared from the rain curtain. As for Si Lijue,he stood where he was and watched her disappear.

He walked out of the cemetery and got into his car. Ye Yanyan didn't hesitate and immediately took out his phone.

"Hello,Zheng Yu,are you in the hospital?"

"Yes." When he received the call Le Zhengyu he was still in the hospital,sorting out the les and going through the surgery tomorrow. Ye Yanyan's phone call was out of his expectations. He suddenly remembered that today was Auntie Ye's birthday. He had forgotten about it.

"I'm sorry I did n't pay my respects to Auntie today."

"It's ne." Ye Yanyan started the engine,his expressionless face revealed a trace of determination. "I'm here to see you. Wait for me in the hospital."

"What's wrong?"

Le Zhengyu just nished asking,he hung up before he could reply. He shook his head and continued his work.

Thirty minutes later,Ye Yanyan arrived at Le Zhengyu private hospital. Her entire body was dripping with water. Before she could speak,Le Zhengyu shouted," What's wrong with you?" "He fell into the river?"

Ye Yanyan ignored him and directly entered his oce." I have something I need your help with!"

"Change your clothes rst." Le Zhengyu threw the patient's clothes to Ye Yanyan. Ye Yanyan took a look and did n't take it.

"Zheng Yu,I want you to do an operation for me."

His dark eyes looked at Le Zhengyu. Le Zhengyu heart trembled. What he usually saw wasn't Ye Yanyan like this. She was too unusual today.

"What surgery?"

"An abortion!"

Her voice was calm and terrifying. Or perhaps she was calm. From the moment she left the cemetery,she had already thought of a way out for herself.

Since everyone was forcing her,why should she continue being kind?

"Are you pregnant?" Le Zhengyu stared at Ye Yanyan in confusion." When did it happen?"

"I just found out this morning." Ye Yanyan raised his eyes,his eyes calm. She had just found out that she was pregnant in the morning and had been betrayed by her family and her husband in the afternoon. She was really sad.

"Why did you destroy it?" Le Zhengyu eyes ashed as she looked at her at abdomen." I remember you always wanted a child."

"No reason." Ye Yanyan stood up and his eyes turned cold." Take me to the operating room and do it immediately!"

"What happened to you?" Le Zhengyu shook his head. His handsome face was covered in a haze." You know,I've never done such an operation for anyone."

"Zheng Yu,I only trust you. Only you can help me. Please."

Finally,there was a ripple in his dim eyes. Le Zhengyu knew that no one could change what Ye Yanyan decided. He looked at her and asked again," Are you sure?"

"Yes,I'm sure."

Ye Yanyan nodded. Everything should be over.

The next day after the surgery,under Le Zhengyu repeated instructions,Ye Yanyan still got off the bed.

At 10:30,a.m.,she appeared in front of the Civil Affairs Bureau on time.

In front of the door were rows of luxuriant fragrant camphor trees. Ye Yanyan looked up at the sky,the branches on the sun. The sun was so bright today that the heavy rain last night seemed to have washed everything clean.

She lowered her head and sat on the bench with the marriage certicate in her hand.

Now that he looked at those two smiling faces,it was so dazzling.

He raised his wrist and looked at the time. It was almost eleven o'clock,but he still did not come.

"Madam." A pair of shiny leather shoes appeared in front of him. Ye Yanyan looked up. The person who came was not Si Lijue but Si Lijue driver.

"What about Si Lijue?"

###Chapter2,Makes me sick

"Young Master said he wouldn't come. I told you not to wait."

The driver bowed and said respectfully," Madam,Young Master said that he would not divorce you."

"Really?" Ye Yanyan stood up,his eyes calm." Where is he?"

"Young Master is at the company."

"Take me to nd him." Ye Yanyan lifted his foot and walked in the direction of the car. The driver didn't dare to delay and quickly followed.

The driver's so-called company was Ye's Enterprise. Ye Yanyan was once one of the largest shareholders in the Ye Family and was also Ye Family's Vice-President. Unfortunately,she was nothing anymore.

Standing in front of the Ye Family building,Ye Yanyan slowed down. She didn't know what she was feeling when she saw this mountain that her mother had personally beaten up.

Her hands,which were hanging by her side,turned white at the tip of her nger. Ye Yanyan sneered. No,she knew what it was like. She hated and hated all those who lied to her,including Si Lijue.

Her thoughts suddenly stopped. She lifted her foot and stepped into the Ye Family building with eight centimeters of high heels.

The elevator opened with a "ding" sound and Ye Yanyan gure appeared in front of everyone. Everyone stopped their work and looked at Ye Yanyan.

Ye Family all the employees knew that Ye Family had a big blood exchange last night. As the president,Ye Yanyan was nothing overnight.

Seeing Ye Yanyan come here,everyone felt mixed feelings.

Ignoring everyone's gazes,Ye Yanyan walked straight to the CEO's oce at the end of the corridor.

"Madam,the president is working. You can't go in."

Before she reached the oce,Si Lijue secretary had already come out to stop her. Ye Yanyan didn't raise his eyes. Instead,he said coldly," Move!"

"But ——"

The female secretary was about to say something when the phone on the table rang. After the female secretary accepted the call,immediately stepped aside.

Ye Yanyan she didn't knock on the door,she pushed open the glass door and saw the Si Lijue sitting at the desk. He lowered his head and the pen in his hand spun rapidly. He looked as serious as before.

The midday sun just happened to shine on him and his smooth lines bathed in the sun. He,who was usually cold and cold,actually had a hint of warmth at this moment.

Unfortunately,in Ye Yanyan eyes,he was cold-blooded to a certain extent.

"You're here?"

He did not raise his head. His tone was still gentle as if nothing had happened between them.

"Did you forget what I said yesterday? Si Lijue I told you,I want to divorce you!"

He slammed the marriage certicate in his hand onto Si Lijue impeccable face and Ye Yanyan a trace of impatience appeared on his cold face." If you don't want to leave,we can ght a lawsuit. Anyway,I will accompany you to the end!"

"Yan Yan,you know,I won't agree." Si Lijue raised his head,a hint of tenderness appeared in his deep eyes." Regarding Ye Family,I can explain."

"Explain?" Ye Yanyan sneered," There's no need. The the best explanation."

With that said,Ye Yanyan slender nger pulled out a piece of paper from his bag." Of course,there's one more thing. I think it's necessary to show it to you. After all,you also have a share!"

Her tone was cold and emotionless. He spoke casually,making people feel uncomfortable. Si Lijue took the paper in her hand and her expression changed!

"What is this?"

He stood up and his face turned green with anger. He looked at Ye Yanyan unconcerned face and roared," Ye Yanyan,you actually went to get a fetus! "You actually knocked out our child!"

A Slight Tremor in his heart,Ye Yanyan continued to laugh," Why not?" "We're both going to divorce. Why do we need children?"

Her expression was very bad. She had been in the rain yesterday and had another operation. She almost lost her life. At the brink of death,she told herself that she could not die and she wanted revenge!

"Ye Yanyan,what did your heart do?"

The abortion certicate had been pinched by Si Lijue,and Ye Yanyan saw the tears in his eyes. She seemed to have never cried. This was the rst time. Her heart ached with hard that she couldn't breathe. She still maintained a smile." My heart is made of meat,but you have forcefully turned it into iron. Si Lijue You forced me to come here!"

Without waiting for Si Lijue reply,she turned around and prepared to leave. Her head was a little dizzy. If she continued to stay here,she would not be able to hold on.

His body trembled slightly,his back facing the Si Lijue,Ye Yanyan a tear streaked across the corners of his eyes.

"Don't think about leaving!" He grabbed her wrist,his strength terrifying." Why are you so cold-blooded?" "When did you become so cold-blooded?"

"Let me go!" She forcefully shook off his hand and her wrist was in pain. Ye Yanyan bit his lip and his eyes began to blur." I want you to know that you killed him. You are the murderer,not me!"
