

# The Ex-Husband's Revenge By Dragonsky

## Chapter 1061-1070

Chapter 1061

Ruth was furious. She wanted to open up Leon's head to see what was inside!

"That-"

Leon frowned, hesitating slightly.

The Youngs and the Lowes did not have any martial artists that were at the intermediate Overlord State. They were not enough to be such a big threat to him.

With his skills, it would not be too hard to protect Ruth and Iris as well!

However, Ruth was right.

They had strength in numbers, and it was hard for him to keep track of everything alone. It was not certain that he would be able to ensure that Iris and Ruth were unharmed!

If a massive battle broke out, Iris and Ruth might accidentally get hurt. That was not a good thing for him!

"Leon, I'll give you one last chance! If you hand Jacob over right now, I'll consider letting you three live! Otherwise, if anything happens to Jacob, I'll make sure all of you die with him!"

Harold could see that Leon hesitated. There was no way Harold would let such a good chance slip. follow Alaniniz(dot)com For Latest Update He immediately piled the pressure on Leon. After that, he coldly ordered the Lowes and the Youngs, "Prepare to

attack!"

"I don't care which family you're from. Anyone who captures Iris or Ruth will get a huge reward!"

"Yes"!

With Harold's orders, the Lowes and the Youngs all started to step forward, targeting Iris and Ruth!

"Harold, you are despicable!" Leon was furious.

He was not just angry at Harold's despicable and shameless methods, but also angry at the Youngs for being willing to listen to Harold, and even attacking Iris!

Were the Youngs all idiots?!

"Mister Young, your family has been lied to by Harold and Daisy for so long, but you're still trying to help them? Aren't you just too stupid?!" Leon berated, holding back his temper.

He knew that they were in the Youngs' home base, and knew that the Youngs were much stronger than the Lowes. With Melvin at the Overlord State and the other elders at the Semi Overlord State, they would be a

threat to him!

However, he was not an idiot!

He already found out about Harold and Daisy's plots from Elder Young the night before. He planned on revealing the truth to split the two families up!

As long as Melvin and the others were no longer with Harold, then even if the Youngs maintained a neutral stance, he was already enough to deal with Harold and his family with his strength!

"Lies? What lies?"

Melvin and the others looked uncertain at those words, not understanding what Leon said.

"Leon, shut your mouth! Stop trying to spread your lies and twist the truth!" Harold suddenly felt uneasy.

"What? Harold, are you getting scared?" Leon mocked.

"I've got nothing to be scared of. What a joke!" Harold said coldly. However, he could not help but feel that Leon might already know Daisy and his secret.

That should not be possible!

The two of them kept things very well hidden. There should not have been any leaks. No matter how smart and cunning Leon was, there was no way Leon would know about him and Daisy!

Leon ignored Harold, looking at Melvin and the others as he sneered, "Mister Young, you don't know this, but Royve isn't part of the Youngs at all. He's the child of Harold and Daisy!"

## Chapter 1062

"Daisy and Harold were working together in secret. They worked to chase away Gilbert and Iris for the sake of the Youngs' assets!" Leon dropped another bomb!

"What? Royce is Harold's son? How could that be possible?!"

Melvin and the others were completely shocked by the news!

It was not just them. Even Harold and Daisy were shocked. They did not expect Leon to know about it!

"Daisy, is what Leon is saying true?" Melvin's expression darkened as he immediately looked at Daisy.

The other elders started to look at Daisy and Harold with a fiery look in their eyes as well.

"Uncle, don't listen to Leon's nonsense! How could Royce be Harold's son? Leon's clearly trying to slander me," Daisy immediately forced herself to look calm as she spoke.

She was masterful enough to never show any emotion even if there was an avalanche in front of her. She never showed any flaws.

"Daisy's right! Mister Young, Leon just knows that he won't be able to escape this time. He's just trying to make up some nonsense to break apart our families! Don't fall for his tricks!" Harold said coldly. He looked even more calm than Daisy.

"That-"

Melvin and the others exchanged an uncertain look.

Leon and Harold were both saying opposing things, and they did not know who to believe.

"Leon, talk is cheap! You say that Harold is Royve's son, do you have any proof?" Melvin's expression darkened as he looked at Leon coldly.

“Uncle, I can be Leon’s witness! What he said is true. I-”

Iris immediately stepped forward, planning on telling them about Elder Young when she was interrupted by

Harold.

“What’s the use of you being the witness?! Iris, you’re on the same boat as Leon. He’s your boyfriend, of course you would speak up for him,” Harold scoffed.

“That’s right! Iris, for the sake of gaining back your position in the family, you’re actually helping Leon slander your own brother. You’re so vile!” Daisy said coldly, fighting back.

“The two of you are shameless!” Iris’s face was red with anger.

She was no match for Harold and Daisy when it came to scheming. Even though she knew that the two of them were deliberately twisting the truth, she did not know how to fight back.

When Iris was rendered speechless, Melvin and the elders started to believe Harold and Daisy even more. They felt like Leon was trying to split their two families apart so he could escape!

On top of that, Leon was always the enemy of the Youngs. Daisy was also their matriarch. She had power over the family and the Young Group!

No matter how they looked at it, they could not believe Leon just based on Leon’s words alone!

“Leon, I’m warning you. If you don’t have any evidence, then don’t try to spread any lies here!” Melvin’s face turned cold as he looked at Leon with a fierce look.

“What a bunch of idiots! There’s no saving them!”

Chapter 1063

Leon was furious. He wanted to hit Melvin and the elders on the head at that point!

“Leon’s right! Melvin, are you getting senile with your old age?!”

At that moment, an angry shout was heard. Elder Young was on his wheelchair, and Gilbert pushed him from behind. They even had a few of the family’s guards with them as they came inside.

Ever since Leon rushed over to save Iris and Ruth, Elder Young and Gilbert rushed over as well. The two of them just arrived.

Of course, with Elder Young’s name and position in the family, there was no way the guards would stop him. They hurriedly let the two of them over.

“Brother? Y–you’re awake?”

Melvin and the others were shocked when they saw Elder Young. They clearly did not

expect Elder Young to have woken up from his coma.

Of course, Harold and Daisy were even more shocked by that!

Harold in particular already used his strength to snap the nerves in Elder Young's brain. He already turned into a complete vegetable.

Yet, he never expected that Elder Young would actually recover and appear in front of him.

It shocked him to the core!

"No wonder Leon found out about Royce! Old man, it looks like Leon managed to cure you, and you told him everything," Harold immediately realized what happened.

He heard about Leon saving Iris from death before. At that point, he only thought that Leon got lucky, and that Leon would not actually have the skills to do that!

It was precisely because of that, that he did not care when Leon got Elder Young out. He knew that Elder Young was already a vegetable. No matter how skilled Leon was, there was no way Elder Young could be saved!

Yet, it seemed like he underestimated Leon's skills. Leon actually managed a miracle!

It greatly exceeded his expectations and caught him completely off guard!

"Harold, I guess you never expected this. I've woken up again! Fate has other plans for me!" Elder Young looked at Harold with his eye full of hatred and anger.

"So what? Old man, the Youngs and the Young Group are already in the control of Daisy and I. follow Alaniz(dot)com For Latest Update So what if a cripple like you woke up?" Harold could not help but laugh in disdain, quickly regaining his composure.

If Elder Young still had his strength, he would probably not be able to leave this place with the power of Elder Young and the family!

Yet, Elder Young was already crippled by him, and the Youngs were already firmly in his and Daisy's control. Even with Elder Young back awake, there was nothing he could do!

"Brother, what exactly happened?"

Melvin and the elders looked at Jacob before looking back at Elder Young. They had uncertain looks on their faces, not sure of what happened.

"Uncle, let me explain. Actually, my dad suddenly falling into a coma wasn't because of his old illness. Instead, he was attacked by Harold and Daisy."

#### Chapter 1064

Gilbert knew that Elder Young was still weak and could not talk to much, so he held back his hatred toward Harold and Daisy as he explained everything.

"What? Harold, how dare you and Daisy work together to attack my brother? You even used Royce to take our assets! The two of you should die a thousand times over!"

After hearing everything, Melvin and the elders were furious. All of them went red with anger.

Ever since Daisy took control of the Youngs, they were constantly ordered by Daisy and Harold to target Young, trying to kill Leon!

Especially when Harold set up the ambush for Leon the last time. Not only did they helped Harold against Leon, they almost harmed Iris and Gilbert as well!

After finding out the truth, they finally realized how stupid they were. They were made

to look like fools by Harold and Daisy!

It was obvious how angry they would be!

“Old man, Melvin, don’t put all the blame on Daisy and I! Daisy was always my woman, but Gilbert forcibly took her away. I schemed against your family for the sake of the woman I love. What did I do wrong? On top of that, the strong has always triumphed over the weak. You should be blaming your own people were being too useless and dumb. You were so dumb that Leon failed to save you after trying so many times! If you weren’t that useless and if you hadn’t betrayed Leon so many times, I’d never have had the chance to scheme against your family so easily!”

Harold sneered. He had his hands behind his back as he looked at Elder Young and the others with disdain, as if he looked at a bunch of clowns.

“That-”

The Youngs were speechless. Their faces reddened in anger, but there was nothing they could say.

It was just like Harold said. The Youngs did not only chase Leon away the first time. When Leon realized Harold schemed against the Youngs, he caused a scene before, wanting to help the Youngs deal with Harold.

Yet, Melvin and the others listened to Daisy and helped Harold against Leon instead!

Thanks to their constant help, Leon almost died to Harold a few times too!

They constantly betrayed Leon. What else could they be but useless?!

“Melvin, stop listening to him! It’s all in the past. As long as we realize our mistakes, it’s still not too late! Hurry up and get Daisy and Harold. I want to make them pay!”

Elder Young said angrily.

“Yes, alright.”

When Melvin snapped back to reality, the Youngs started to turn to Harold and Daisy, surrounding Harold

and the Lowes.

The tension on the two sides was incredibly tense.

Other than that, they were at the base camp of the Youngs. The Youngs were firmly trampling over the Lowes

both in skill and numbers. Suddenly, the Lowes found themselves at an absolute disadvantage.

However, Harold was not nervous at all. He coldly looked at Melvin, saying, “Mister Young, are you really going to make an enemy of me?”

“Of course! Harold, you’ve caused so much harm to our family with Daisy. I’ll make you pay it back with blood!”

Chapter 1065

Melvin sneered.

“Haha. You’re really overestimating your family! I’m already at the Overlord State. If I want to leave, no one in your family can stop me! Also, the old man’s strength has already been crippled. If your family supports him, aren’t you just killing yourselves?!”

Harold started to laugh.

“What?”

“Your strength has been crippled?”

“Are you serious?”

Melvin and the elders were shocked. They looked right at Elder Young.

“Yes, it’s true...”

Elder Young sighed. He had a miserable expression on his face.

“How could this be...”

Melvin and the others looked like they were struck by lightning.

Harold and Daisy already controlled the Youngs and the Young Group. They practically controlled the fate of the family.

With Elder Young already crippled, it would be a massive blow against the family if they went against Harold!

Then, the family might actually end up being destroyed!

“Mister Young, the Young Group is the lifeblood of the family! If you decide to make an enemy of me, then your family will have nothing to rely on in the future! You should think about it clearly. follow Alaniniz(dot)com For Latest Update Do you want to live a life of luxury with me, or do you want to suffer with the old man? You can decide for yourselves!” Harold said coldly. He had a calm expression.

Everyone worked for their own benefits. Luxury and wealth would definitely sway the Youngs!

“That...”

Hearing the threat in Harold’s voice, Melvin and the elders fell silent.

The Youngs only had two families of direct descendants. The first was Elder Young and Gilbert’s line, the second was Melvin and Jonah’s line.

Other than the direct descendants, the rest of them were vassals and indirect descendants.

In the modern world, wealth and money trumped everything!

To those who were not direct descendants, the direct descendants relied on the Young Group to give them a life of wealth and luxury. That was why they served the Youngs so diligently!

If the Young Group was lost, they would not even be able to maintain their lifestyles.

Why would they work for the Youngs?

In the end, after slowly swallowing everything up, Daisy and Harold were already firmly in control of the

family. They were even supported by a lot of the family!

It was already too late for Melvin and the others to fight abc!

As long as they decided to turn against Harold and Daisy, the whole family would collapse. It would be destroyed!

Harold’s threats were not empty!

Of course, if Elder Young still had his strength, the situation would be much better. He could absolutely push Harold back and force Harold to give everything back!

Unfortunately, Elder Young was already crippled. Melvin and the others did not have the ability to take back their power!

“Brother, stop hesitating! Harold and Daisy are vile and despicable. Even if the family’s destroyed, we have to make them pay a painful price!”

Chapter 1066

“That’s right, if the family collapses, we can just make a comeback in the future!”

Seeing Melvin fall silent, two of the elders and a few of the other Youngs spoke up. Not everyone was there for the money and profits when it came to a large family like the Youngs. Some of them were truly loyal to the family.

The ones who were speaking up were the ones who were incredibly loyal. They would rather fight Harold and get revenge for the family and Elder Young!

“Yes, you’re right!” Melvin was deep in thought for a moment before he made his decision.

He knew very well that, if he led the Youngs and fought against Harold, the family would probably crumble.

However, he was still an Overlord State martial artist. They had a lot of loyal followers as well. They would have a chance to come back in the future!

“Mister Young, don’t be in such a hurry. Just listen to my offer first before you make your decision!” Harold calmly said, not showing any panic..

“Conditions?” Melvin asked curiously.

“My enemy’s Gilbert, not your whole family. The only ones I want to deal with are of Gilbert and Iris’s line! My goal is almost achieved. As long as the second line of direct descendants doesn’t help the old man, I’ll have Daisy return power over the family to you!” Harold said.

The Youngs already knew that Royce was his son. It was no longer possible for him to use Royce to control the family!

Rather than trying to force it, it would be even better if he could use that to gain some favor. He would give the power over the family and the position of the family head over to Melvin, pulling Melvin over to his side.

Simply put, Elder Young wanted to destroy his relationship with the Youngs, so Harold would counter by destroying the relationship between the two lines of direct descendants!

As long as Melvin did not help Elder Young, it would be very easy for him to get rid of Elder Young, Leon, and the others!

“What? You’re giving back power over the family to us? Are you serious?” Melvin was shocked. He immediately started to sway.

“I’m serious!” Harold nodded and said.

“What about the Young Group?” Melvin asked in a hurry.

The Young Group was the lifeblood of their family. Harold could not just return power over the family and the family head position!

“It’s not that I can’t give you back the Young Group, but I have a condition! Leon’s a bitter enemy of my family. As long as the Youngs help me get rid of him today, I’ll give back half of the shares of the Young Group to you!” Harold said coldly.

Even though it was painful for him to give out half the shares of the Young Group, he still had the other half.

He would still be able to restrict the Youngs and use the family in various ways.

His main aim was to deal with Leon anyway. If he managed to get rid of Leon, it was no big deal to lose some money over it!

“That-”

Melvin was incredibly tempted. He could not remain calm after that.

As long as he agreed to Harold’s conditions, he could regain the family and the

company. After that, his son would be able to take the mantle of the family head and keep their family strong!

On the other hand, if he supported Elder Young, he would not be able to do anything to Harold with Harold's skills being in the Overlord State!

Chapter 1067

Harold would then easily be able to destroy the family after that!

It was obvious which choice was the smarter one!

"Brother, you can't accept it!"

Some of the elders and followers started to get anxious when they saw that Melvin was being tempted.

Elder Young and Gilbert were the first lines of direct descendants. They were the true line of Youngs. They would always support the Young bloodline!

Even if Harold's conditions were very tempting, they would not give in!

"Why can't I agree? This concerns the life or death of the family. Are we just going to watch as the family is destroyed?"

"That's right. Whether it's for the benefit of the family or to maintain the family's power, we can't just watch as the family is destroyed like this. Otherwise, how will we face the ancestors."

The others either supported the second line or prioritized their benefits.

Elder Young was already a cripple, and Gilbert and Iris were already kicked out of the family.

Since Harold was willing to give back power over the family and the company, they had no reason to give up the family for the sake of those three!

It was meaningless!

"Mister young, what do you think?" Harold asked calmly.

He always trusted the same principle. There were no eternal friends, only eternal benefits!

He already gave Melvin enough benefits. He trusted that Melvin would not disappoint him!

"Dad, you should just agree to Harold's conditions! Our family only fell to this state all thanks to Gilbert. He can't lead the family at all! If we continue supporting him and his uncle, the family will crumble eventually, even if we get past this difficult stage!" Jonah said.

He coveted power over the family for a long time. It was a rare chance for him to seize it!

There was no way he would not be swayed!

Melvin's expression was dark. He thought about things for a while, and finally resolved himself, "Alright, Harold, I'll agree to your conditions!"

"What?"

"W-why would you do that?!"

The moment that was said, Elder Young and Gilbert looked like they had been struck by lightning. Their hearts immediately sank to the depths.

The night before, the two of them had even been talking about exposing Harold and Daisy's plot, just the night before, but Leon stopped them!

Leon had told them that the Youngs would not care about blood relations or anything like that. They would not support a cripple like Elder Young either!

Sure enough, Leon had been right. Melvin and the Youngs all abandoned Elder Young and Melvin. mercilessly!

It was obvious how they felt!

“Sure enough.”

Leon had a cold smile on his face as he looked at everything happening.

With his abilities, he could deal with Harold without a problem. He merely maintained his silence because he wanted to see what Melvin and the Youngs would do!

Melvin and the others had constantly helped Harold against him, and he had almost died a few times. So, he had some grudges against Melvin.

S

### Chapter 1068

However, Melvin and the others were still Iris’s relatives in the end. If they managed to turn back, he would consider forgiving all of them for Iris’s sake.

Yet, Melvin and the others were not just refusing to admit to their faults, they even decided to help Harold. against him again. Leon no longer had a reason to hold back against them!

“Melvin, you were lied to by Harold and Daisy before this and made a mess of the family. Are you really going to keep on committing the same mistakes now that you know the truth?” Elder Young berated. His expression was extremely dark.

Even though he already knew that Melvin and the others would not support a cripple like him, he still found it hard to accept after personally going through it!

“Brother, I’m sorry. I’m just trying to protect the family. I have no other choice. Please don’t blame me,” Melvin sighed and said.

“You-” Elder Young trembled in anger, but he could do nothing about it.

“Very well! Mister Young, you definitely made the right choice this time!” Harold laughed happily.

At that moment, he knew that the situation was already under his control. Victory was in his grasp!

“Harold, don’t be too pleased with yourself just yet! My brother and Gilbert are still my relatives. I’ll help you deal with Leon, but you must not harm my brother and his family!” Melvin said coldly.

Blood was thicker than water. He was not that cold-blooded. He was well in his right to help Harold against Leon, but he would not actually try to harm Elder Young and Gilbert!

Hearing Melvin’s words, the followers who supported the first line all fell silent.

Elder Young was already a cripple. Melvin was the only one they could rely on at that moment. follow Alaniniz(dot)com For Latest Update As long as Melvin did not harm Elder Young’s family, they would not go against Melvin’s decision.

“Fine, I’ll agree to that! As long as Leon’s willing to let Jacob go, I won’t harm a single hair on the old man. and his family!” Harold answered.

Elder Young and Iris’s family were already abandoned by the Youngs. He no longer cared about them.

However, his son was still in Leon’s hands. He needed to use Iris to threaten Leon

first!

"Alright, the deal's done!" Melvin nodded and said.

Right after that, he waved his hand. The Lowes and the Youngs all moved aside and surrounded Leon, Iris, and Ruth again.

"Mister Young, are you really going to continue helping Harold against me? I hope you don't regret it later!" Leon said coldly.

"What's there to regret? Leon, with things in this state, you won't escape this place alive today! If you know what's good for you, you'd better let Jacob go. Don't drag my brother and Iris down with you!" Melvin said. coldly.

"What if I refuse?" Leon smiled in anger.

"Refuse? If you refuse, then I'll kill Iris and Ruth first. I'll have all of you join him!"

Harold had a cold look in his eyes.

Without the threat of Melvin and the others, he was no longer afraid of anything.

Before Leon could do anything, he charged forward, sending two strikes at Iris and Ruth!

## Chapter 1069

It was obvious that he planned on doing the same thing, capturing Iris or Ruth again just like last time. As long as he was able to capture one of them to threaten Leon, Leon would have to let Jacob go!

"Die!" Leon had a murderous look in his eyes.

He turned around and launched an incredibly powerful strike at Harold. He planned on crippling Harold before anything else!

"Preposterous! I want to see who would dare harm my granddaughter!"

At that moment, an angry shout was heard. Over a dozen figures emerged. George appeared with the experts. from the Collins!

When he arrived, he saw Harold attacking Ruth and Iris. George was furious

He was worried that Leon would not be able to stand up against Harold, so he did not even think about it as he charged forward with an incredibly powerful strike, targeting Harold's back.

With Leon's attack in front, it effectively pincered Harold.

Feeling George's impressive attack, Harold found himself incredibly worried.

He knew that Leon was only a peak Supreme Master, so he did not care about Leon's attack. However, George's attack was a tremendous threat to him!

If he continued to attack Leon, he might be able to cripple Leon, but he would be heavily injured by George as

well!

"Despicable!"

Harold immediately reacted to the danger. He rolled on the ground, avoiding George and Leon's attacks.

Right after that, he stood up and hurriedly retreated, maintaining a distance between himself and George. He could not help but lament the fact that he would have already struck Leon down and saved Jacob if George did not appear!

Yet, he did not know that George saved him from falling to Leon!

"What a pity!" Leon lamented. Earlier, he already thought that Harold would be

crippled, if not die!

Yet, George suddenly rushed out and scared Harold away, causing Harold to keep his life.

However, Harold would not be able to hide forever.

George and his experts were already there. With George as his shield, he had plenty of chances to deal with. Harold!

There was no need to rush!

“The Collins are finally here!”

Elder Young and Gilbert looked incredibly relieved.

They knew that Leon was too weak to face Harold!

They came here in hopes of helping Leon delay things so the Collins would be able to arrive!

With the Collins there, the two of them relaxed!

“We’re saved.”

Iris and Ruth sighed in relief, letting out happy smiles.

Ruth in particular knew that George was incredibly strong. With George arriving with his men, Leon, her, and Iris would be safe!

“Leon, I can’t believe you haven’t just saved Ruth, you’ve even captured Jacob! You’re quite amazing!”

George walked over to Leon. He saw Ruth behind Leon and saw Jacob under Leon’s foot. It surprised him quite a bit.

## Chapter 1070

He found out about Ruth being kidnapped by Jacob from Anson.

He never expected Leon to be able to sneak in while just being a peak Supreme Master, saving Ruth and Iris under Harold’s nose!

It definitely surprised him a lot.

However, that was a good thing. As long as Ruth was safe, he could help Leon against Harold without holding back!

“Elder Collins, are the Collins going to help Leon this time?” Harold said coldly.

He already expected the Collins to come help Leon. So, he was not surprised at their appearance at all.

“What do you think? Harold, we already said that we would protect Leon for three years. As the Northern King, you have no sense of honor at all! You didn’t just attack Leon brazenly, you even had Jacob capture my granddaughter! I’ll have to teach you a lesson today. You’ll pay a price for your arrogance!” George said angrily. He had an incredibly cold glint in his eyes.

“Just with you and these few men? I don’t think you’re capable of that!” Harold sniffed, not taking George’s threat seriously at all.

“You think we can’t? What a joke! Harold, this is just the vanguard. My remaining men are coming! Once Goliath and his men arrive, you’ll be waiting for death!” George sneered.

Goliath was the second Overlord State martial artist the Collins had!

To save Ruth, he was only able to gather a dozen or so men to hurry over. The Collins’ major forces were still

en route!

Even though Harold and the Lowes were strong and they even had Melvin and the Youngs to help them, they were just working together for the sake of profits. It was nothing to be scared of!

The moment their main forces arrived, they would be able to scare Melvin and the Youngs.

Then, only the Lowes would be left. They would not be able to fight the Collins!

"This is great! I can't believe the Collins are mobilizing everyone this time. They're prepared to fight Harold to the death. Harold is done for!"

Elder Young and Gilbert were incredibly happy to hear that.

They knew that the Lowes were much weaker than the Collins. As long as the Collins could eliminate Harold,

the Youngs might have a chance to turn back. They might be able to rejoin the family!

Suddenly, Elder Young and Gilbert were ecstatic. They pinned all their hopes on the Collins!

"Haha!"

Harold started laughing out loud.

"Harold, what are you laughing at?" George frowned, looking uncertain.

"He's laughing at your stupidity!"

Before Harold could answer, a cold voice was heard. After that, a few dozen figures appeared, coming in from outside and standing on Harold's side.

It was Walter and the Fields.

"Walter, it's you!"

George was shocked to see the Fields there.

It was not just him, Leon, Elder Young and the others were shocked too. No one expected the Fields to appear for no reason!
