

# The Ex-Husband's Revenge By Dragonsky

## Chapter 1151-1153

### Chapter 1151

With Richmond's skills alreadyThe Ex-Husband's Revenge By Dragonsky Chapter 1151 being close to the level of a peak Supreme Master, even a horrifying genius like Ruth was no match for him, let alone someone like Leon!

Leon trying to face Richmond with one finger was no longer just arrogance. It was complete stupidity!

"Hurry up and cripple this brat!"

Luke looked incredibly excited by the side. He looked at Leon with his eyes full of hatred.

He knew that Richmond was one of the top experts of the Wrights. He was definitely very powerful. At the very least, he should be several times stronger than a brat like Leon!

If there were no surprises, Leon would probably be crippled, if not die after being struck by Richmond!

"He's done for!"

In contrast to the Wrights and Luke, Lisa paled. Her heart completely sank.

Even though she did not know how strong Leon was, she knew something very well. Leon was just an outsider. No matter how strong he was, he could not make an enemy out of the Wrights!

It was not just that!

She was on the same side as Leon and the others. The moment they were gone, nothing good would be waiting for her!

Suddenly, she was filled with worry and hopelessness!

"Brat, you can die now!" Richmond's face was cold, and his eyes were filled with killing intent.

Leon was just using Leon's middle finger against him. It was a tremendous insult!

Right after that, he strengthened his attack, unleashing his full might. He was prepared to cripple Leon in one blow. Otherwise, the hatred in his heart could not be resolved!

Bang!

Under everyone's eyes, Leon's finger clashed against Richmond's attack.

The next moment, everyone was thoroughly shocked by what happened!

Not only was Leon not crippled by Richmond, he even managed to break apart Richmond's attack. The spiritual energy at the tip of his finger shot out, slamming onto Richmond's deck.

Richmond looked like he was struck by a heavy blow as he spat out blood. He was blown back a few meters before he slammed onto the floor.

After that, he felt a surge of pain around his chest. A few of his ribs were definitely broken, and he sustained some pretty heavy injuries.

"H-how is this possible?!"

Luke was completely stunned.

Other than Iris and Ruth, everyone there was stunned as well!

They never would have dreamed that Leon could use just one finger to heavily injure Richmond, who was already close to being a peak Supreme Master!

It was unbelievable.

If they did not witness it for themselves, they would not believe it was true!

"That's impossible?! Could this brat already be a peak Supreme Master?!" Lentus exclaimed in complete shock.

He knew of Richmond's strength. Richmond was already someone who stood at the top of the second generation!

The fact that Leon could defeat Richmond in one blow meant that Leon was at least a peak Supreme Master!

That was not the important point. The important point was that Ruth being able to become an advanced Supreme Master at her age was already something incredibly shocking.

Yet, Leon, the unassuming man, was even better than Ruth in strength and talent.

It was just a miracle!

The shock in his heart was obvious!

“What? This guy is a peak Supreme Master? Is he even human?!”

## **Chapter 1152**

Everyone was shocked when they heard Lentus talk about Leon’s skills. They could not believe what they

heard!

Leon did not look that much older than Ruth, but he was already so much stronger than Ruth. His potential and talent were something even Ruth could not compete with!

It was a joke that they thought Leon was just Ruth’s follower. They finally understood that reality was completely different! Ruth was Leon’s follower!

The strongest among the three of them was not Ruth, but Leon!

“Ignorant fools! Do you know how strong Leon is now?!” Ruth said with a pleased look on her face.

“Girl, don’t be so pleased with yourself! So what if he’s a peak Supreme Master? It’s still too early for him to face the Wrights with his skills!” Lentus said coldly.

At Leon’s age, Leon managed to become a peak Supreme Master whose terrifying potential was something that could not be matched in Springfield City and Seacove City!

Even he was impressed by Leon’s talent and ability!

However, Leon should never have made an enemy out of the Wrights!

The Wrights did not just have experts who were peak Supreme Masters, they had three Semi Overlord State experts as well!

It would be easy for them to defeat Leon!

“Old man, who told you that was the extent of Leon’s abilities? You’re just assuming things!” Ruth scoffed, looking at Lentus like an idiot.

“He’s not? Could he already be at the Semi Overlord State?” Lentus was shocked.

It was not just him. The others from the Wrights were shocked as well. They exchanged looks with each other, and they could all see uncertain looks in their eyes.

Even though the Semi Overlord State was considered a part of being a peak Supreme Master, there was a huge gulf between the two. It was a completely different level.

Even three or four peak Supreme Masters would not be able to beat a Semi Overlord State expert!

The most important part of all this was Leon's age. It was a miracle that he was so strong!

"Who cares about the Semi Overlord State? I don't mind telling you, but Leon's already at the intermediate Overlord State!" Ruth said proudly.

Boom!

That piece of news dropped like a bomb in front of them!

"What? The intermediate Overlord State? How could that be?!" Lentus and the others were so shocked their jaws almost dropped on the floor.

However, they thought about it and quickly realized something.

The Overlord State was the realm of those that were truly strong. It was the second great hurdle for a martial artist. It was incredibly difficult to get past it.

Whether it was Springfield City or Seacove City, many of the older generations in the large families struggled to reach that level even after devoting their whole lives to it!

With Leon's age, even if he started training in the womb, there was no way Leon would reach the Overlord State, let alone the intermediate level!

There was no way they would believe Ruth!

"Girl, you sure are good at bragging!"

"That's right. Who do you think you're fooling? Do you think we're all that gullible?"

Lionel and the others mocked Ruth, none of them taking her words to heart.

### **Chapter 1153**

Lentus in particular was the family head of the Wrights. He was already stuck at the Semi Overlord State for over ten years, and was not able to get to the Overlord State!

It was no exaggeration to say that he knew better than everyone else how hard it was to reach the Overlord State!

He refused to believe that Leon was able to reach the Overlord State at such a young age!

It was not realistic at all!

“You can believe whatever you want to!” Ruth scoffed, not wanting to bother arguing with them.

“Brat, you don’t have to try to put on an act! You hurt my grandson earlier. No matter how much you want to brag, we won’t let you off!” Lentus sneered.

He felt like Ruth was just trying to exaggerate Leon’s skills to scare the Wrights off so they could escape.

There was no way he would be fooled!

Of course, the grudges between them were already incredibly deep. Whether it was because his grandson and Richmond were injured, or to protect the family’s reputation, there was no way he would let Leon and Ruth off easily that day.

Otherwise, once the news got out, the other major families in the city would think that they were so useless. That they could not even deal with two little kids from the outside.

They would be thoroughly embarrassed!

“Just with your Wrights? What a joke!” Leon smiled in disdain, not caring about Lentus’ threat at all.

“Brat, you asked for this! Wasn’t that girl so adamant that you were already at the Overlord State? I want to see how strong you are!” Lentus mocked as he stepped forward.

It was obvious that he already lost all his patience, and planned on teaching Leon a lesson. He wanted to take revenge for his grandson and Richmond!

“Old man, you’re not worthy of that! I think your whole family should just come at the same time so I don’t have to waste my time!” Leon said calmly.

He was being serious with what he said. If everyone attacked him at the same time, he would just use a Dragon Pill and deal with them all!

“What an arrogant brat! I’m more than enough for you. Take this!”

Lentus was furious at Leon's words.

After

that, he struck out with an imperious amount of power, aiming right at Leon's chest!

Feeling that Lentus' strength was just at the Semi Overlord State, Leon retreated quickly, not using the Dragon Pill yet.

With his current level as a peak Supreme Master and his Double Attack, he was already able to stand up against Semi Overlord State experts!

Since that was the case, he did not have to waste a valuable Dragon Pill!

With that in mind, he started to dodge Lentus' attacks. He was trying to find flaws in Lentus' attacks, preparing to attack at any moment!

"Brat, why are you running away? Are you scared?"

Lentus had a look of mockery on his face when he saw Leon constantly dodging back.

"This brat is no match for the elder. He's done for now!"

Luke and the Wrights saw that Leon was on the back foot against Lentus, and could not fight back against

Lentus!

They were incredibly happy at that moment. All of the darkness and frustration they had in their hearts was suddenly gone!

"Leon, what are you doing?"

"This old guy is only at the Semi Overlord State. Hurry and beat him up!" Ruth said unhappily.
