Chapter 2051

"Wait!" Cynthia reached out and stopped Leon.

"Cynthia, what is it?" Leon looked at Cynthia in confusion.

"Leon, Cynthion Group will be having our second sales drive in just a few days! You should have Roanne and Ruth use the Supreme Pure Energy Pills then!" Cynthia said after some hesitation.

It was obvious that she was worried that there would be those who would cause trouble during the second sales drive just like the first one, casting doubt on the effects of the pills!

If Ruth and Roanne were able to use the Supreme Pure Energy Pills then, it would not just be incredibly convincing, but it would also allow Cynthion Group and the name of the Pure Energy Pills to glow even brighter!

"There's no need! Cynthion Group's name is already out there. A lot of people have witnessed the effects of the Advanced Pure Energy Pills for themselves! There shouldn't be anyone who'll cause any trouble this time!' Leon shook his head and said,

"You don't know that for sure! It's still better to be safe than sorry. You've made quite a few enemies in the southern region. We should still be more careful!" Cynthia said carefully.

"You're right!" Leon hesitated for a moment and felt like Cynthia's concerns were reasonable. 1

Due to conflicts of interest, the Southern Boss and the Hiltons already had their eyes on him, and already hated him!

Furthermore, those two factions already vaguely figured out that he was the chairman of Cynthion Group!

With their grudges against him, they might end up causing trouble during the sales drive!

He had to be careful about that!

"Cynthia, let's do as you suggested!" Leon nodded, agreeing to Cynthia's request.

"I have to wait until the sales drive to use the Supreme Pure energy Pills? How long is that?!' Ruth said in disappointment.

She was a fanatic when it came to martial arts and was never a patient person!

With both Leon and Cynthia making her wait for a few days to use the Pure Energy Pill, it felt like torture to her!

"Ruth, it's not like you can't take it! We only need one person to act as proof when the time comes. You can't use the Pure Energy Pill to break through first! Roanne is more than enough later! Also, Roanne hasn't used the Cleansing Pills before, we can use her to show its effects as well!" Cynthia said after some thought.

A few days ago, Cynthia and Leon already agreed to sell a few of the Cleansing Pills!

During the sales drive, they could have Roanne show the effects of the Supreme Pure Energy Pills and the Cleansing Pills. It would be even more shocking!

"Really? Roanne, are you okay with that?" Hearing that, Ruth's eyes brightened up as she looked at Roanne hopefully.

"Yes, I'm fine with it," Roanne nodded in a hurry.

Leon saved her so much before, and she already developed a liking for Leon.

She wanted nothing more than to help Leon out during the sales drive!

As for breaking through, Ruth might be a fanatic, but she was not!

Due to being tortured by the Third Degree Block for so long, she already lost any thirst for power or greed. Having to be restricted for a few days was not a big deal.

"Alright, that's great! Leon, just give me the Supreme Pure Energy Pill, I'll make it to the Emperor State first!" Ruth smiled happily.

After that, Leon took out a Pure Energy Pill and gave it to her. After she consumed it, she started to continue training.
