Chapter 2057

Chapter 2057

"What? H-he's the chairman of Cynthion Group?!" Dennis was shocked to hear that. He could not believe his ears!

He knew of Cynthion Group's pills and their influence.

He attended Cynthion Group's sales drive both because he wanted to buy some pills and also because he wanted to see if he would be able to get the chance to get to know any of Cynthion Group's upper management!

It could only be beneficial for their family!

However, he never expected that the insignificant young man in front of him was the chairman of Cynthion Group!

It caught him completely off guard!

His shock was evident at that moment!

Of course, he was not the only one who was shocked!

When the other ancient martial arts family around the area heard all of that, they immediately broke out into an uproar!

The younger generations in particular were so confused as to why so many beauties were around Leon!

Among them were even the so-called Twin Beauties of the Southern Region, Cynthia, and Iris!

Yet, they finally understood that Leon was not an insignificant man. He was the chairman of Cynthion Group!

Leon was only around twenty-seven or twenty-eight years of age, and he was already able to own a company as influential as that. He was practically unrivaled in talent and ability amongst the younger generation of the southern region!

At that moment, they were completely shocked. They could not help but feel even more jealous of Leon!

"Mister Wolf, it's a pleasure to meet you! I can't believe the chairman of Cynthion Group is so young! You really must be amazingly talented. You have a bright future ahead of you," Dennis immediately put on a smile on his face when he recovered from the shock. It was as if he was a completely different person!

Even though Cynthion Group was only founded a few months ago and still had quite a long way to go until they were at the level of the major families like the Thompsons, the Westwoods were similar to the Scammells. They were not a major force in the region. Cynthion Group was more powerful than them!

In front of Leon, he would never dare to act arrogantly!

"Elder Westwood, you're too kind," Leon smiled calmly.

Since ancient times, the strong always triumphed over the weak. Dennis looked down on him a bit due to his age at the start. It was something completely normal, so he did not mind it.

"Leon, you're finally standing out in the open! Are you planning to stop being a coward?!" A mocking laugh was suddenly heard at that moment.

Right after that, Rodney appeared with a dark and cold look on his face. With him was a middle-aged man who looked incredibly imperious as long as four other experts from the family. He walked right over.

The middle-aged man was no one else but one of the top figures in the southern region, the Southern Boss!

Rodney and he had four experts behind them. Leon met two of them before. They were the Fifth and Sixth Guardians, while the other two were the Third and Fourth!

Their appearance and the immense aura around them immediately started to pressure Leon and everyone else!

The southern Boss in particular had his aura pressing down on everyone as if he was a natural-born ruler. He caused everyone to shake and shudder.
