

# The Ex-Husband's Revenge By Dragonsky

Chapter 2137

Chapter 2137

"Take this, Earthly Plunder!" Leon shouted coldly after he stopped the Third Guardian.

After that, he used Earthly Plunder, pointing forward and unleashing an incredibly strong wave of energy right at the Third Guardian!

He was trying to stop the Third Guardian from attacking the girls!

"Get lost!" The Third Guardian Shouted.

He kicked forward, using his Wind-Piercing Kick. It charged at Leon with imperious force!

After seeing how Leon defeated the Fifth and Sixth Guardian, he could already tell that Leon was strong!

However, Leon was able to win so easily thanks to all his tricks, it was not out of actual power!

He was already at the Almighty State, and was far stronger than the Fifth and Sixth Guardians!

He did not think that Leon would have the ability to stop him at all. Leon was definitely no match for him!

It did not sound possible!

Bang!

The next moment, with a violent clash, Leon's Earthly Plunder and the Third Guardian's Wind-Piercing Kick firmly collided with each other!

Just like the Third Guardian expected, Leon's actual power was not that high!

Even though Leon was able to defeat the Fifth and Sixth Guardians with his spiritual techniques and the Mirror of Sovereign, there was no way he would be a match for the Third Guardian without a Dragon Pill!

Right after that, he was forced back by the Third Guardian, unable to stand up to the incredibly strong attack. He could not help but stagger a few steps back.

After that, he felt a metallic taste in his mouth. A line of blood came out of his mouth, clearly having been injured by the Third Guardian!

However, the Mirror of Sovereign was incredibly strong.

With the mirror protecting him, he was not too heavily injured!

The Third Guardian knew that Leon's abilities were just far too strange, and knew that he could not deal with Leon in a short amount of time!

So, he did not continue fighting!

With Leon being beaten back, he shot forward and went past Leon, continuing to go after Iris and the others!

"Everyone, retreat!"

Iris, Cynthia, and the others never expected a noble Almighty State martial artist would be shameless enough to attack them!

They were in complete panic as they frantically retreated!

However, the four of them were too weak. They were nothing compared to the Third Guardian!

Before the four of them could even take a few steps back, the Third Guardian was right in front of them!

Suddenly, all of them started to panic. Their hearts froze, not knowing what to do!

"Iris, hurry up and use the Cuff! The Golden Cuff!"

Leon's expression changed at the sight.

Right after that, he quickly moved as he shouted at Iris, using Phantom Steps to quickly rush at the Third Guardian in case anything happened!

At the same time, Henry rushed over as well. He attacked with Leon, aiming right for the Third Guardian's back!

They were trying to force the Third Guardian away from the girls!
