Chapter 2243

Chapter 2243

With Elegante, at the president's office, Iris was at her desk, dealing with work matters.

At that moment, she suddenly heard some knocking at the door.

Right after that. Iris invited the person in, and Mason opened the door.

"Miss Young, I just got some news from the guards. The second son of the Thompsons, Yonas Thompson, is here for a visit. He says he has an important matter he needs to see Mister Wolf for," Mason said respectfully.

Since Leon was not at the company that day, Mason was forced to report the matter to Iris.

"Yonas Thompson? Why is he here?" novelxo

Iris was shocked to hear that.

Even though Leon was close to the Thompsons, the second line of descendants rarely interacted with Leon.

Yet, Yonas suddenly appeared without any invitation!

It surprised her quite a bit!

"I don't know. He didn't say."

Mason answered honestly.

"Yes, I understand! Have the guards invite him in for now! I'll give Leon a call and have him come over," Iris said after some thought.

She did not know what important matter Yonas needed Leon for, but he was still August!

On top of that, the first line of descendants was quite close to Leon. Even if it was for the sake of Angus and Roanne's family, there was no way she could refuse Yonas!

"Yes," Mason answered. After that, he prepared to leave, but he suddenly heard some footsteps.

"There's no need! Miss Young, I'm already here!" Yonas laughed arrogantly.

Right after that, he walked right inside with a slim, beautiful woman in his arm and two of his men.

The woman in his arms was Fiona!

The night before, he took advantage of Fiona's drunkenness and successfully bedded her. Their relationship took a step forward!

From that moment on, Fiona was his new girlfriend!

On top of that, there were two men behind Yonas' men.

The two men were Leon's subordinates. They were Austin and Leo, who were in charge of security.

'Miss Young, Mister Thompson insisted on coming in. We couldn't stop him," The two of them reported.

When Yonas visited earlier, the two of them asked Yonas to wait in the guest room due to company protocol.

However, Yonas insisted on barging in.

The two of them knew that Leon and the Thompsons were quite close, so they did not stop him and followed behind him.

"It's fine! The two of you can leave with Mason for now! Just leave this to me!" Iris said.

Since Yonas was already there, there was no way she could chase him away!

Right after that, she walked forward politely.

As for Mason and the others, they quickly made their leave.

"Mister Thompson, please have a seat!" Iris said, motioning to the sofa for Yonas as they took a seat.

Yonas did not hold back as he fell right into the sofa with Fiona as if this was his own place!

The two men he brought with him stood behind him, looking incredibly intimidating!
